Noise Management—Residential Sound Insulation Program

**3RD QUARTER  
YEAR 2007**

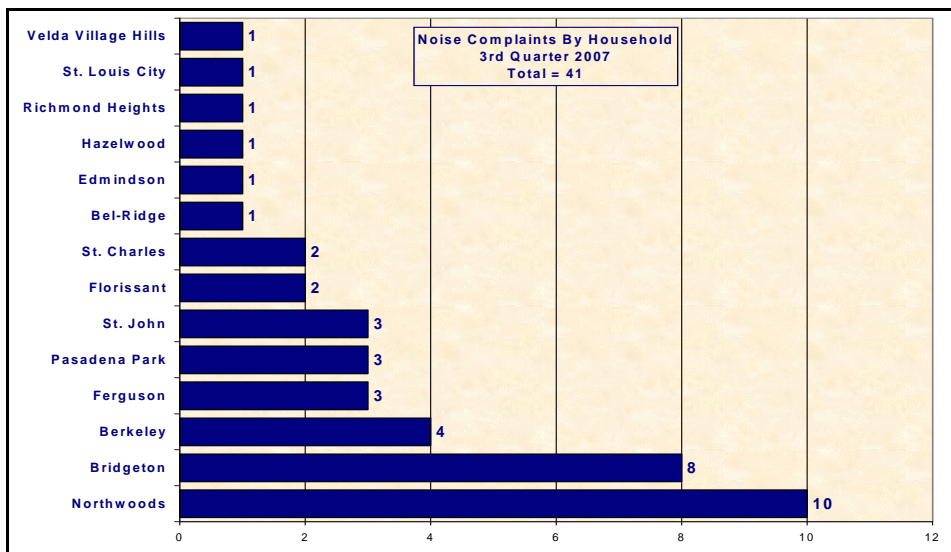

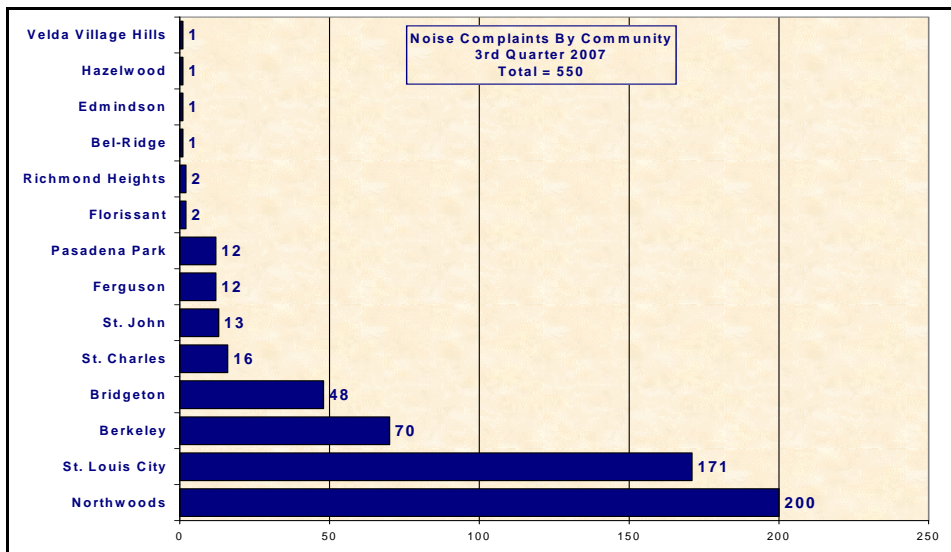

This report includes updated information regarding the Airport Noise Management System and the Residential Sound Insulation Program.

## Noise Complaints

The charts below represent the noise complaints received by Community and also by Household for the 3rd Quarter 2007. As shown in Noise Complaints By Community, the City of Northwoods recorded the most noise complaints (200), next was the City of St. Louis (171). There were a total of five hundred fifty (550) complaints received from forty one (41) separate callers. The top noise complainant made 31.1% of all noise complaints received. The top two communities (Northwoods & City of St. Louis) made 67.45% of all noise complaints received.
