Lambert announces Salarano as new Properties Division Manager

Lambert-St. Louis International Airport announces the promotion of Rob Salarano to Properties Division Manager. Rob joins Lambert's executive team with 14-years of on-site airport management experience that includes positions with the Lambert Community Programs Office, DBE Program Office and most recently as Lambert's Contract Administrator for the last seven years.

Salarano leads a 10-member staff that negotiates all leases and contracts of airport owned properties and facilities. This includes agreements with airlines, airport concessionaires, vendors and contractors. Lambert's annual revenues average \$150 million.

Lambert is the 30th busiest airport in the U.S. as ranked by Airports Council International-North America. Lambert serves nearly 15 million passengers a year with an average of 300 daily departures to 72 national and international destinations.
