“Team Travel”

Maria Bradt gives a thumbs-up for her entire Lady Tribunes soccer team after arriving at Lambert Friday.

Passengers in the Main Terminal Baggage Claim encountered a temporary team lounge near the M6 Carousel with the arrival of the Monroe Community College women’s soccer team from Rochester, NY. The undefeated Lady Tribunes were relaxing after their flight before shuttling to Godfrey, IL for a set of games against Lewis and Clark Community College and another team from Georgia. The Lady Tribunes are trying to preserve their undefeated season and their ranking as the #1 junior college soccer team in the country.
