Dec. 11, 2009

“Songs of Joy”

3rd Graders from Washington Elementary School, in the Normandy School District, sing in the Main Terminal.

Caroling is a holiday ritual and Lambert is proud to host more than 25 singing performances this year for our passengers and visitors. Choirs from schools, churches and other community singing groups all help deliver songs of joy throughout the Airport. Passengers routinely stop and take in a song and move on to their destination. The Washington Elementary third-grade choir attracted a few fans during their Friday, December 11, performance. Notice the two travelers above, who posed for a photo behind the choir during a song.
