“Honoring Hrabko”

Missouri Highways and Transportation Commission Chairman David Gach (center, right) presented Lambert Director Richard Hrabko with an award of appreciation for decades of support to aviation causes in Missouri.

The Missouri Department of Transportation honored Lambert Director Richard Hrabko this week in St. Charles for his tireless efforts of “leadership, dedication and service to aviation in the state of Missouri.” MODOT recognized Hrabko for his decades of development and leadership of Spirit Airport in St. Louis County, his two terms as Lambert’s Director and his 10-plus years as the Chairman of the Missouri Aviation Advisory Committee. Hrabko is retiring from Lambert this month.
