“Dunk n Shake”

Passengers are lining up for ice cream, shakes, donuts and coffee at the new BR/DD in E Concourse.

The long wait is over and now passengers are lining up to get their mealtime or munchies fix. The new Baskin Robbins/ Dunkin' Donuts restaurant opened this week in the E Concourse. The dual BR/DD concept brings a new splash of color, convenience and tasty offerings for Lambert passengers who can order up ice cream cones, shakes and sundaes on the left, or DD's well known hot coffee, donuts and sandwiches on the right. Lambert has only the second Dunkin' Donuts location in St. Louis—and soon to be third. A second Dunkin' Donuts (stand alone) is slated to open this summer in the A Concourse.
