“Tickets to Carnegie”

St. Louis Children's Choir members earned a trip to fly to New York and perform at Carnegie Hall.

Gate C2 was awash in enthusiasm all dressed in red this Thursday morning. More than 80 young members of the St. Louis Children's Choir were heading to New York on an American Airlines flight for an invitation-only performance at Carnegie Hall. The singers are part of two ensembles ranging in age from 11 to 18 years of age. The Choir was invited to sing as the opening act for the National Children's Choir and the National Festival Chorus.
