“Sports & Pasta”

Jim Haslett and Furmin Porcello joined 590 The Fan radio hosts Frank Cusumano and Martin Kilcoyne at the Pasta House on July 22.

The Pasta House was pitching more than pasta this week when it invited 590 The Fan KFNS for a live broadcast. The Press Box show is hosted by TV sports anchors Frank Cusumano and Martin Kilcoyne. Former St. Louis Rams coach and current Washington Redskins Defensive Coordinator Jim Haslett was also on hand to break down all the moves in the NFL with training camps about to get underway. Of course, the real pitch was promoting the Pasta House to all the sports fans listening in their cars or at home - perfect timing during the lunch hour.
