It is the policy of the City of St. Louis Airport Authority to ensure the maximum utilization of minority and women's business enterprises in contracting and the provision of goods and services to the City, its departments, agencies and authorized representative and to all entities receiving City funds or City-administered government funds while at the same time maintaining the quality of goods and services provided to the City and its sub-recipients through the competitive Bidding process. The provisions of this policy apply to all contracts awarded by the City, its departments and agencies and to all recipients of City funds or City-administered government funds and will be liberally construed for the accomplishments of its policies and purposes.

C. **M/WBE Goals and Bid Discount:**

1. The City of St. Louis Minority and Women Business Enterprise Program has amended the goals within the program to achieve the nondiscrimination of multiple groups. The goals established in connection with the Agreement are as follows:

MBE goal is as follows:	21% - African American
	2% - Hispanic American
	.50% - Asian American
	.50% - Native American

Each group must be represented to meet the goal of the contract. The total participation cannot be comprised of only one group, it must include each group to meet the established goals.

The WBE goal is 11%.

The goals remain in effect throughout the life of the Agreement. When award of the contract is made with Minority and Women Business Enterprise (M/WBE) participation less than the goals, the Contractor shall continue to perform and document good faith efforts throughout the life of the Agreement in order to increase M/WBE participation and to meet the Agreement goal.

Please note: Contractors certified as either an MBE or WBE must still fulfill both goals. In addition, Contractors certified as both an MBE and a WBE can only fulfill either the MBE goal or the WBE goal, not both goals.

2. Bid Discount

If applicable, a five percent (5%) Bid discount will be applied to construction, goods and other services prime contracts on contracts \$300,000 or less during the evaluation process to prime African American, Hispanic American, Asian American, Native American and Women-Owned Business Enterprise Bidders. It shall lower the eligible M/WBE's Bid but shall not reduce the contract award amount. In order to qualify for the Bid discount, the eligible M/WBE Bidder shall include in its Bid a copy of their current certification letter and/or notification indicating the M/WBE continues to meet the certification guidelines of the M/WBE Program.

D. **Obligation:**

The Contractor will not discriminate on the basis of race, color, national origin, or sex in the award or in the performance of contracts financed by the City of St. Louis Airport Authority.

E. **Good Faith Efforts Requirement:**

1. The quality, quantity and intensity of the Bidder's good faith efforts will be evaluated by the City. A Bidder must make sufficient good faith efforts to meet the goal. The Bidder can meet this requirement in either of two ways. First, the Bidder can meet the goal, documenting commitments for participation by M/WBE firms sufficient for this purpose.  - a. M/WBE unable to provide performance or payment bonds or both.
 - b. Rejection of reasonable Bid based on price.
 - c. M/WBE would not agree to perform items of work at the unit Bid price.

If the M/WBE trucker plans to supplement its trucking operations with additional trucking firms it must seek prior approval perform the start of the operation from the City.

If the M/WBE trucker leases trucks from a non-M/WBE trucking firm only the fees and/or commissions will count toward goal attainment.
