- B. The City reserves for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the Premises, together with the right to cause or allow in said airspace such noise, vibration, fumes, dust, fuel particles, illuminations, interference with television, radio or any other type of transmission and other effects as may be caused in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace or landing at, taking off from, or operating on or about the Airport.

- m) Confine all handling and holding of Concessionaire's property to the Premises.
- n) Keep all papers and debris picked up daily from the Premises.
- o) Keep the Premises free of all pests, providing such pest control services as required.
- p) Keep the Premises secured at all times.
- q) Provide, at Concessionaire's sole cost and expense, chairs, floor mats and hat and coat racks within the Premises.
- r) Provide, at Concessionaire's sole cost and expense, a functional mailing

address or other means of receiving mail, and shall ensure all mail is directed to that address. The City is not responsible for the Concessionaire's mail or the subsequent delivery thereof.

- s) No storage will be permitted on the exterior areas of the Premises.

The Director may temporarily or permanently close any roadway or other right-of-way for access to the Premises, so long as another means of access is provided. Concessionaire understands and agrees that there may be inconveniences caused by construction or renovations of the Airport, and Concessionaire hereby releases and discharges the City from any and all inconvenience claims, liability or causes of action arising out of or incidental to the closing of any right-of-way, including, without limitation, loss of profit or business, actual, incidental, consequential or special damages. Notwithstanding, if Concessionaire is negatively impacted the City will make good faith efforts to work with Concessionaire to provide a solution that will offset the negative impact.

SECTION 803. RIGHT TO ENTER, INSPECT AND MAKE REPAIRS. The City and its authorized officers, agents, employees, contractors, subcontractors and other representatives shall have the right (at such times as may be reasonable under the circumstances and with as little interruption of Concessionaire's operations as is practicable) to enter upon and in the Premises for the following purposes:

- A. To inspect such Premises to determine whether Concessionaire has complied and is complying, with the Provisions of this Agreement.
- B. To perform maintenance and make repairs Concessionaire is obligated, but has failed to do after the City have given Concessionaire notice to do so, in which event, Concessionaire shall reimburse the City for the costs thereof, plus a charge of fifteen percent (15%) for overhead, within thirty (30) days of the City's written request or demand.
- C. To gain access to the mechanical, electrical, utility and structural systems of the Airport for the purpose of maintaining and repairing such systems.
- D. To perform inspections, testing, reporting, surveys, environmental inspections and remediations, studies and assessments during normal business hours.

SECTION 804. UTILITIES.

- A. **Electrical Fee.** Concessionaire shall pay a **monthly** electrical fee in the amount of **Fifteen Dollars (\$15.00) per location** listed in Exhibit "A". All City-issued utility bills will include an Airport processing and administrative fee.

- B. Electrical Service & Supply. If electrical service outlets are not available where needed, Concessionaire shall be responsible for bringing electrical service to the Premises. Concessionaire shall be responsible for any needed modifications or upgrades in electrical supply caused by increased lighting or other changes to the Premises made by the Concessionaire.
- C. Other Utilities. Concessionaire shall provide and pay for all other utilities (including telephone and other third party service) it requires, including but not limited to deposits; installation costs; costs of upgrading or relocating utility service; connection charges; telephone and/or data lines it requires; meter deposits; and all service charges for telephone and other utility services metered directly to the Premises, regardless of whether or not such utility services are furnished by the City or a utility service company.
- D. Fire Detection & Suppression Equipment. If required by building codes or other regulations, Concessionaire shall pay for the cost of installation of fire detection and suppression distribution equipment in the Premises. Concessionaire shall pay for the connection of fire detection equipment up to City provided z-tie boxes. Concessionaire shall pay for the connection of fire suppression equipment up to City provided sprinkler mains and tamper switches.

The City shall not be liable to Concessionaire for damages or any losses for the interruption of any utility service, or for any delay in the supplying or furnishing of any utility service. Concessionaire does hereby release and discharge the City from any and all inconvenience, claims or cause of actions arising out of or incidental to such interruption, including, without limitation, loss of profit or business, actual, incidental, consequential and/or special damages.

SECTION 805. INTERFERENCE WITH AIRPORT UTILITIES. Concessionaire shall not interfere with the Airport's utilities systems including but not limited to drainage or sewage systems, plumbing, heating, cooling and air condition systems, electrical systems, communications systems, domestic hot or cold water, gas, fire suppressions systems, fire alarm systems, and fire hydrants on the Airport, without prior notification to, and written approval from the Director.

SECTION 806. INTERFERENCE TO AIR NAVIGATION. Concessionaire warrants, represents and agrees that no obstruction to air navigation, as such are defined from time to time by application of the criteria of Part 77 of the Federal Aviation Regulations or subsequent and additional regulations of the Federal Aviation Administration (FAA), will be constructed or permitted to remain in or on the Premises. Any obstructions will be immediately removed by Concessionaire at its expense. Concessionaire warrants, represents and agrees not to increase the height of any structure or objects or permit the growth of plantings of any kind or nature whatsoever that would interfere with the line of sight of the Air Traffic Control Tower and its operations. Concessionaire further warrants, represents and agrees not to install any structures, objects, machinery or equipment that would interfere with the operation of navigation aids or that would interfere with the safe and efficient operations of the Airport, or interfere with the operations of other tenants and users of the Airport.

ARTICLE IX
INSURANCE, DAMAGE AND INDEMNIFICATION

SECTION 901. INSURANCE.

- A. General. Concessionaire at all times during the term hereof, shall cause St. Charles County, Missouri; St. Clair County, Illinois; St. Louis County, Missouri; the City; their officers, agents and employees to be insured **on an occurrence basis** against the risk of all claims and demands by third persons for bodily injury (including wrongful death) and property damage arising or alleged to arise out of the activities or omissions of Concessionaire, its officers, agents, and employees pursuant to this Agreement both on the Premises and the Airport.
- B. Risks and Minimum Limits of Coverage. Concessionaire shall procure and maintain the following policies of insurance:
1. Commercial General Liability in an amount not less than Three Million Dollars (\$3,000,000.00), per occurrence and in aggregate.
 2. Automobile Liability Insurance in an amount not less than Three Million Dollars (\$3,000,000.00) combined single limit per occurrence (for automobiles used by Concessionaire in the course of its performance hereunder, including Concessionaire's non-owned and hired autos).
 3. Workers' Compensation and Employer's Liability Insurance in accordance with Missouri laws and regulations. With respect to Workers' Compensation Insurance, if Concessionaire elects to be self-insured, Concessionaire shall comply with the applicable requirements of law. Concessionaire shall require that all its subcontractors or licensees similarly provide such coverage (or qualify as a self-insured) for their respective employees. City, its officers, employees, or agents shall not be liable or responsible for any claims or actions occasioned by Concessionaire's failure to comply with the provisions of this subparagraph and that the indemnification provisions hereof shall apply to this Section. It is expressly agreed that the employees of Concessionaire are not employees of the City for any purpose, and that employees of the City are not employees of Concessionaire.
 4. Contents Insurance. Concessionaire shall be solely responsible for obtaining insurance policies that provide coverage for losses of Concessionaire owned property including, without limitation, Concessionaire's personal property and Removable Fixtures. The City shall not be required to provide such insurance coverage or be responsible for payment of Concessionaire's cost for such insurance.
 5. Builders Risk Insurance. During any period of construction or reconstruction for which Concessionaire contracts, Concessionaire shall carry, or shall require its contractor or contractors to carry, a policy of Builders Risk Insurance in an

amount sufficient to insure the value of the work. The City shall be named Loss Payee on Builders Risk coverage to the extent of the City's interest therein (except to the extent coverage relates to Concessionaire's equipment and personal property). Concessionaire may elect to self-insure for individual projects with a total cost of Fifty Thousand Dollars (\$50,000.00) or less.

6. Other Property Coverage. Concessionaire shall provide an "All Risk" insurance policy providing protection from direct loss arising out of any fortuitous cause other than those perils or causes specifically excluded by form and which covers Concessionaire's improvements to the Premises including, without limitation, Improvements, Removable Fixtures, trade fixtures, and equipment. The City shall be named Loss Payee on such coverage to the extent of the City's interest therein (except to the extent coverage relates to Concessionaire's Removable Fixtures and personal property).

C. Issuers of Policies. The issuer of each policy required herein shall be a financially sound insurance company authorized to issue insurance policies in the State of Missouri. Acceptable insurers include insurance companies with an "A.M. Best Company" rating of at least an "A," or other insurers or insurance syndicates of similar recognized responsibility.

1. Form of Policies. The insurance may be in one or more policies of insurance.
2. Non-waiver. Nothing the City does or fails to do shall relieve Concessionaire from its duties to provide the required coverage hereunder, and the City's actions or inactions shall not be construed as waiving the City's rights hereunder.
3. Insured Parties. Each policy by endorsement, except those for Workers' Compensation and Employer's Liability, shall name the City, its officers, agents, and employees as "additional insured" on the certificate of insurance, including all renewal certificates, to the extent of Concessionaire's indemnification obligations hereunder. Inclusion as an "additional insured" is not intended to and shall not, make the City a partner or joint venturer with Concessionaire in its operations.

The "additional insured" language shall read exactly as follows: "St. Charles County, Missouri, St. Clair County, Illinois, St. Louis County, Missouri, the City and its Board of Aldermen and Airport Commission, and their respective officers, employees, and agents are additional insured on the General Comprehensive and Automobile Liability portions of the insurance.

The "Certificate Holder" portion should read exactly: "City of St. Louis, Lambert-St. Louis International Airport, P.O. Box 10212, St. Louis, Missouri 63145."

4. Deductibles. Concessionaire shall assume and bear any claims or losses to the extent of any deductible amounts and waives any claim it may ever have for the same against the City, its officers, agents, or employees; provided, however, that nothing herein stated shall diminish Concessionaire's rights or increase Concessionaire's obligations in respect to its undertakings or hold harmless defense and indemnification set forth in Section 904 hereof.
 5. Cancellation. Each policy shall expressly state that it may not be cancelled, materially modified or non-renewed unless a thirty (30) day advance notice is given in writing to the City by the insurance company, or authorized representative of Concessionaire.
 6. Subrogation. Each policy shall contain an endorsement by which the issuer waives any claim or right in the nature of subrogation to recover against the City, its officers, agents, or employees.
 7. Endorsement of Primary Insurance. Each policy hereunder except Workers' Compensation shall be primary insurance to any other insurance available to the Additional Insured and Loss Payee with respect to claims arising hereunder.
 8. Liability for Premium. Concessionaire shall be solely responsible for payment of all insurance premiums required pursuant to this Agreement, and the City shall not be obligated to pay any premiums; provided, however, that if Concessionaire fails to obtain the insurance as required herein or make premium payments, the City may, without further notification, effect such insurance or make such payments on Concessionaire's behalf and, after notice to Concessionaire, the City may recover the cost of those payments with the installment of Fees and Charges next due, plus fifteen percent (15%) administrative charge, from Concessionaire.
 9. Proof of Insurance. Within thirty (30) days of the effective date of this Agreement and at any time during the term hereof, Concessionaire shall furnish the City with certificates of insurance. At least fifteen (15) days prior to the expiration of any such policy, Concessionaire shall submit to the City a certificate showing that such insurance coverage has been renewed. If such coverage is canceled or reduced, Concessionaire shall, within fifteen (15) days after the date of such notice from the insurer of such cancellation or reduction in coverage, file with the City a certificate showing that the required insurance has been reinstated or provided through another insurance company or companies. Upon reasonable notification by the City to Concessionaire, the City shall have the right to examine Concessionaire's insurance policies.
- D. Maintenance of Coverage. Notwithstanding the proof of insurance requirements set forth above, it is the intention of the parties hereto that Concessionaire, continuously and without interruption, maintain in force the required insurance coverages set forth above.

- E. City Right to Review and Adjust Coverage Limits. The City reserves the right at reasonable intervals during the Term of this Agreement to cause the insurance requirements of this Article to be reviewed, at its sole cost, by an independent insurance consultant experienced in insurance for public airports, taking into consideration changes in statutory law, court decisions, or the claims history of the airline industry as well as that of Concessionaire, and, based on the written recommendations of such consultant, and in consultation with Concessionaire, to reasonably adjust the insurance coverages and limits required herein but not more often than every twenty-four (24) months.

SECTION 902. CONCESSIONAIRE ACTIONS AFFECTING INSURANCE. Concessionaire shall not knowingly do or permit to be done anything, either by act or failure to act, that may cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance for the Airport, or that may cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement. If such Concessionaire's act, or failure to act, causes cancellation of any policy, then Concessionaire shall immediately, upon notification by the City, do whatever is necessary to cause reinstatement of said insurance. Furthermore, if Concessionaire does or permits to be done any act or fails to do any act which causes an increase in the City's insurance premiums, Concessionaire shall immediately remedy such actions and/or pay the increase in premiums, upon notice from the City to do so; but in any event, Concessionaire will hold the City harmless for any expenses and/or damage resulting from any such action.

SECTION 903. DAMAGE TO PREMISES.

- A. Minor Damage. If any part of the Premises, or adjacent facilities directly and substantially affecting the use of the Premises, is partially damaged by fire or other casualty, but said circumstances do not render the Premises untenable as determined by the City, the same shall be repaired to usable condition with due diligence by the City as provided in this Section. In such case, the fees payable hereunder with respect to affected Premises shall be paid up to the time of such damage and shall thereafter be abated ratably in the proportion that the untenable area bears to the total Premises of the same category or type of space. Such abatement in fees will continue until the affected Premises are restored adequately for Concessionaire's use.
- B. Substantial Damage. If any part of the Premises, or adjacent facilities directly and substantially affecting the use of the Premises, is so extensively damaged by fire, or other casualty, as to render any portion of said Premises untenable but capable of being repaired, as determined by the City, the same shall be repaired to usable condition with due diligence by the City as provided in this Section. In such case, the fees payable hereunder with respect to affected Premises shall be paid up to the time of such damage and shall thereafter be abated ratably in the proportion that the untenable area bears to the total Premises of the same category or type of space. Such abatement in fees will continue until the affected Premises are restored adequately for Concessionaire's use. The City shall use its reasonable efforts to provide alternate facilities to continue Concessionaire's operation while repair, reconstruction, or replacement is being

completed, at a rental rate not to exceed that provided herein for comparable space, provided that Concessionaire's rental costs shall not increase as a result of any such alternate facilities unless Concessionaire requests additional space and/or space replacement of a classification at higher rental rates concurrent with such reassignment to alternate facilities.

C. Total Damage.

1. If any part of the Premises, or adjacent facilities directly and substantially affecting the use of the Premises, is damaged by fire or other casualty, and is so extensively damaged as to render any portion of said Premises incapable of being repaired, as determined by the City, the City shall notify Concessionaire as soon as practicable under the circumstances after the date of such damage of its decision whether to reconstruct or replace said space. However, the City shall be under no obligation to replace or reconstruct such premises. The fees payable hereunder with respect to affected Premises shall be paid up to the time of such damage and thereafter shall cease until such time as replacement or reconstructed space shall be available for use by Concessionaire.
2. If the City elects to reconstruct or replace affected Premises, the City shall use reasonable efforts to provide alternate facilities to continue Concessionaire's operation while repair, reconstruction, or replacement is being completed, at a rental rate not to exceed that provided herein for comparable space. However, if such damaged space shall not have been replaced or reconstructed, or the City is not diligently pursuing such replacement or reconstruction, within six (6) months after the date of such damage or destruction, Concessionaire shall have the right, upon giving the City thirty (30) days advance notice, to delete the affected Premises from this Agreement, but this Agreement shall remain in effect with respect to the remainder of said Premises, unless such damaged or destroyed premises prevent Concessionaire from operating its Vending Concession at the Airport.
3. If the City elects not to reconstruct or replace affected Premises, the City shall meet and consult with Concessionaire on ways to permanently provide Concessionaire with adequate replacement space for affected Premises. Concessionaire shall have the right, upon giving the City thirty (30) days advance notice, to delete the affected Premises from this Agreement, but this Agreement shall remain in full force and effect with respect to the remainder of said Premises, unless the loss of such Premises prevents Concessionaire from operating its Vending Concession at the Airport.

D. Scope of Restoration of Premises.

1. The City's obligations to repair, reconstruct, or replace affected Premises under the provisions of this section shall in any event be limited to using due diligence and reasonable efforts to restore affected Premises to substantially the same condition that existed prior to any such damage and shall further be

limited by the provisions of Sections 903 A-C. If the City elects to repair, reconstruct, or replace affected premises as provided in this section, then Concessionaire shall proceed with due diligence and at its sole cost and expense to repair, install, reconstruct, or replace its signs, fixtures, equipment, furnishings, Removable Fixtures, Improvements, and other items provided, constructed, or installed by Concessionaire in or about the Premises in a manner and in a condition at least equal to that which existed prior to said damage or destruction.

2. In lieu of the City's repair, reconstruction, or replacement of the affected Premises, as provided in this section, if Concessionaire requests to perform said function with respect to damage under Sections 903 A and B, the City may, in its sole discretion, allow Concessionaire to do so. Any such work by Concessionaire must be done in accordance with the requirements of this Agreement, including without limitation, Article VII. The City shall reimburse Concessionaire for the cost of such authorized work performed by Concessionaire as agreed to in writing by the City and the Concessionaire. Concessionaire shall be considered to be doing such work on its own behalf and not as a Concessionaire or contractor of the City.

- E. Damage From Concessionaire Negligence. Notwithstanding the provisions of this Section, if damage to or destruction of the Premises is due to the negligent or willful acts of Concessionaire, its agents, servants, or employees, or those under its control, there shall be no abatement of fees during the restoration or replacement of said Premises. In addition, Concessionaire shall have no option to delete the affected Premises from this Agreement. To the extent that the costs of repairs pursuant to this section shall exceed the amount of any insurance proceeds payable to the City by reason of such damage or destruction, Concessionaire shall promptly pay the amount of such additional costs to the City.

SECTION 904. INDEMNIFICATION.

- A. Concessionaire shall defend, indemnify, and hold harmless St. Charles County, Missouri, St. Clair County, Illinois, St. Louis County, Missouri, the City, their respective officers, agents and employees (the “**Indemnified Parties**”) from and against any and all loss, liability, penalties, damages of whatever nature, causes of action, suits, claims, demands, judgments, injunctive relief, awards, settlements, costs, and expenses, including payments of claims of liability resulting from any injury or death of any person or damage to or destruction of any property including all reasonable costs for investigation and defense thereof (including but not limited to attorneys’ fees, court costs and expert fees) of any nature, arising out of and in connection with this Agreement, the conduct of the Concessionaire or Concessionaire’s use of the Premises or other areas or facilities at the Airport by Concessionaire, its agents, officers, employees, contractors, independent contractors, subcontractors, licensees, invitees, and sublessees, including, but not limited to:

- i. the acts or omissions of Concessionaire, its agents, officers, employees, contractors, independent contractors, subcontractors, licensees, invitees, sublessees, or suppliers;
- ii. Concessionaire's use or occupancy of the Airport including the Premises; and
- iii. any violation by Concessionaire in the conduct of Concessionaire's Vending Concession or its use of its Premises or other areas or facilities at the Airport of any Provision of this Agreement.

Concessionaire shall, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not.

- B. Concessionaire shall defend, indemnify, pay, and hold harmless the Indemnified Parties from and against all applicable taxes and assessments for which the City may become liable and which by law may be levied or assessed on the Premises, or which arise out of the operations of Concessionaire or by reason of Concessionaire's occupancy of its Premises except for any taxes or assessments based on the gross or net income or gross or net receipts of the City that are not allocable to Concession-related receipts. However, Concessionaire may, at its own risk, cost, and expense, and at no cost to the City, contest, by appropriate judicial or administrative proceedings, the applicability or the legal or constitutional validity of any such tax or assessment, and the City will, to the extent permitted by law, execute such documents as are reasonably necessary to permit Concessionaire to contest or appeal the same. Concessionaire shall be responsible for obtaining bills for all of said taxes and assessments directly from the taxing authority and shall promptly deliver to the City, upon request by the City, copies of receipts of payment. If the City receives any tax billings falling within the scope of this paragraph, it will forward said billings to Concessionaire. Concessionaire shall, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not.
- C. Concessionaire shall defend, indemnify, and hold harmless the Indemnified Parties from and against any claim, suit, demand, action, liability, loss, damage, judgment, or fine, and all costs and expenses of whatever kind or nature associated therewith in any way arising from or based in whole or substantial part upon claim or allegation of a violation of any federal, state, or local laws, statutes, resolutions, regulations, ordinance, or court order affecting the Airport, by Concessionaire, its agents, employees, contractors, or suppliers, in conjunction with Concessionaire's use and/or occupancy of the Premises or its operations at the Airport. Concessionaire will, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not. Concessionaire shall include the substance of this Subsection (C) in every sublease, contract or other agreement which Concessionaire may enter into related to its activities at the Airport, and any such sublease, contract or other agreement shall specifically provide that the City is a third-party beneficiary of this and related provisions. This provision does not constitute a waiver of any other condition of this Agreement prohibiting or limiting assignments, subletting or subcontracting.

- D. Concessionaire shall defend, indemnify, and hold harmless the Indemnified Parties from and against any claim, suit, demand, action, liability, loss, damage, judgment, or fine, and all costs and expenses of whatever kind or nature arising from or based in whole or part upon the presence in, or the release into, the environment or the Airport of any Hazardous Materials to the extent caused by, or resulting from, the acts or omissions of Concessionaire or its agents, officers, employees, contractors, independent contractors, sublessees, invitees, licensees, or suppliers at the Airport whether resulting from negligent conduct or otherwise.
- E. If a prohibited incursion into the Airport Operations Area (AOA) occurs, or if the AOA or sterile area security is breached, by or due to the negligence or willful act or omission of any of Concessionaire's employees, officers, agents, contractors, independent contractors, sublessees, invitees, licensees, or suppliers, and such incursion or breach results in a civil penalty action against the City, Concessionaire shall assume the defense of any such action and be responsible for any civil penalty or settlement amount required to be paid by the City as a result of such incursion or breach. The City shall notify Concessionaire of any allegation, investigation, or proposed or actual civil penalty sought for such incursion or breach. Civil penalties and settlement and associated expenses reimbursable under this paragraph include but are not limited to those paid or incurred as a result of violation of FAA or TSA regulations or security directives.
- F. Concessionaire's obligation to defend and indemnify past officers, employees, and agents of the City shall apply to such persons only for claims, suits, demands, actions, liability, loss, damages, judgments, or fines arising from events, occurrences, and circumstances during which said officers, employees, and agents held their office or position with the City.
- G. The City shall promptly notify Concessionaire of each claim, action, proceeding, or suit in respect of which indemnity may be sought by the City against Concessionaire hereunder, setting forth the particulars of such claim, action, proceeding or suit; shall furnish Concessionaire with a copy of all judicial filings and legal process and any correspondence received by the City related thereto; and shall tender the defense of same to Concessionaire.
- H. The duty to defend, indemnify, hold harmless, and reimburse shall apply to any claim, demands, or suits made against the City for which Concessionaire is responsible pursuant to this Section. Provided, however, that upon the filing by anyone of a claim with the City for damages arising out of incidents for which Concessionaire herein agrees to indemnify and hold the City harmless, the City shall promptly notify Concessionaire of such claim and, if Concessionaire does not settle or compromise such claim, then Concessionaire shall undertake the legal defense of such claim both on behalf of Concessionaire and on behalf of the City, at Concessionaire's expense; provided, however, that Concessionaire shall immediately notify City if a conflict between the interests of Concessionaire and City arises during the course of such representation. Concessionaire shall use counsel reasonably

acceptable to the City Counselor of the City or his or her designee, after consultation with the Airport Director, in carrying out its obligations hereunder.

The provisions of this Section shall survive the expiration or early termination of this Agreement. It is specifically agreed, however, that the City, at its option and at its own expense, may participate in the legal defense of any claim defended by Concessionaire in accordance with this Section. Any final judgment rendered against the City for any cause for which Concessionaire is liable hereunder shall be conclusive against Concessionaire as to amount upon the expiration of the time for appeal there from. Nothing in this Article shall be deemed a change or modification in any manner whatsoever of the method or conditions of preserving, asserting, or enforcing any claim of legal liability against the City. This Section shall not be construed as a waiver of the City's sovereign or other immunity.

- I. The City, at its own expense except as otherwise provided herein, shall be invited to attend and participate in all meetings (including those related to settlement) and to appear and participate in all judicial proceedings and to the extent of its interests, approve, in writing, the terms of any settlement related to any claim, action, proceeding or suit set forth in this Section.
- J. Notwithstanding the provisions of this Section, Concessionaire shall have no obligation to defend, indemnify, or hold harmless the City for any consequential damages or for any amounts to be paid in connection with losses, liabilities, penalties, damages of whatever nature, causes of action, suits, claims, demands, injunctive relief, judgments, awards and settlements because, and to the extent, of the negligence or willful misconduct of the City, but only if the City is conclusively determined to be more than ten percent (10%) liable due to contributory negligence.
- K. This Section shall survive the expiration or early termination of this Agreement. Concessionaire understands and agrees that any insurance protection furnished by Concessionaire pursuant to Section 901 shall in no way limit Concessionaire's responsibility to indemnify and hold harmless the City under the provisions of this Agreement.

SECTION 905. CITY NOT LIABLE. Unless otherwise expressly provided for in this Agreement, the City shall not in any event be liable to Concessionaire for:

- A. Any acts or omissions of Concessionaire, its officers, directors, employees, agents, contractors, independent contractors, licensees, sublessees, invitees, or suppliers, or for any conditions resulting from the operations or activities of Concessionaire's directors, officers, employees, agents, contractors, independent contractors, licensees, invitees, sublessees, or suppliers;
- B. Concessionaire's failure to perform any of the obligations hereunder or for any delay in the performance thereof;

- C. Any environmental condition in existence at the Airport, or any part thereof, which condition may interfere with Concessionaire's business or other operations or activities, or which might otherwise cause damages to Concessionaire through loss of business, destruction of property, or injury to Concessionaire, its officers, directors, employees, agents, contractors, suppliers, passengers, invitees, or licensees except to the extent such conditions are caused by the City, its employees or agents; or
- D. Bodily injury or any loss or damage to real or personal property or business income occasioned by flood, fire, smoke, earthquake, lightning, windstorm, hail, explosion, riot, strike, civil commotion, vandalism, malicious mischief, or acts of war or terrorism, or for any injury, loss or damage not caused by the negligence, willful misconduct, or bad faith of the City.

ARTICLE X ASSIGNMENT AND SUBCONTRACTING

SECTION 1001. ASSIGNMENT AND SUBCONTRACTING.

- A. Concessionaire shall not assign or transfer this Agreement. In the event there is an assignment of this Agreement by operation of law, the City shall be entitled within ninety (90) days after written notice thereof to exercise the City's option hereby given to terminate this Agreement no sooner than thirty (30) days after the date of such determination by the City. An assignment by operation of law, as the term is used herein, shall include but not be limited to the vesting of Concessionaire's right, title and interest in the Concessionaire's furnishings, Removable Fixtures, or Concessionaire's interest in this Agreement, as a trustee in bankruptcy or as an assignee for the benefit of creditors or in a purchase thereof at a judicial sale or other involuntary or forced sale. It is the purpose of the foregoing provision to prevent the vesting in any such purchaser, referee, trustee, or assignee, any rights, title or interest in the City premises or any of the Removable Fixtures, except subject to the City's right to terminate this Agreement.
- B. Concessionaire shall not sublet the Premises and/or subcontract or transfer any part of the services to be performed hereunder, except as may be necessary to comply with the ACDBE participation goal in Article XIII of this Agreement. At least sixty (60) days prior to any contemplated subletting of the Premises or subcontracting of this Agreement, Concessionaire must submit a written request to the Director. This request must include a copy of the proposed subcontract or sublease. Any sublease for space or subcontract or granting of rights acquired hereunder shall be subject to the review and written approval of the Director. Such sublease or subcontract, however, must require at a minimum: (i) strict compliance with all applicable Provisions of this Agreement; (ii) a provision that the sublessee or subcontractor will use the facilities solely for the purposes identified in this Agreement; (iii) a provision ensuring that all concession services are available during the hours of operation required in Section 603 of this Agreement; (iv) a provision providing that all terms of the sublease are

subject to and subordinate to the Provisions of this Agreement; and (v) a provision that the term of the sublease shall expire immediately at the expiration or early termination of this Agreement.

The parties understand and agree that Concessionaire is responsible for the performance of its assignees, sublessees, and subcontractors under this Agreement. Concessionaire agrees to initiate and take all corrective action should a subcontractor or sublessee fail to comply with its contract with the Concessionaire or any Provision of this Agreement. There will be no reduction of the Minimum Annual Guarantee payable to the City during any such period of change-out or vacancy of a subcontractor or sublessee.

- C. No subcontract, sublease, or other agreement shall be effective as it pertains to the City until such time as the City receives a fully executed copy of the approved subcontract, sublease or agreement as provided for above. Any such assignment or transfer or subcontract of services or the subletting of the Premises without the consent of the City, as provided for above, shall constitute a default on the part of Concessionaire under this Agreement, and the City may terminate this Agreement as provided for in Article XI. No action or failure to act on the part of any officer, agent or employee of the City shall constitute a waiver by the City of this provision.

ARTICLE XI TERMINATION OF AGREEMENT IN ENTIRETY

SECTION 1101. CITY'S RIGHT TO TERMINATE. The City, acting by and through its Director, may declare this Agreement terminated in its entirety, in the manner provided in Section 1103 hereof, upon the happening of any one or more of the following events. By example, but not by way of limitation, the following acts or omissions shall constitute a material breach thereby justifying the termination of this Agreement in its entirety:

- A. If the fees, charges, or other money payments which Concessionaire herein agrees to pay, or any part thereof, shall be of a material amount (defined for this Section as an amount in excess of \$1,000.00) and shall remain unpaid after the date the same shall become due and Concessionaire does not satisfy the obligation after written notice and a reasonable cure period.
- B. If during the term of this Agreement, Concessionaire shall:
- 1) Apply for, or consent to the appointment of a receiver, trustee or liquidator of all or a substantial part of its assets;
 - 2) File a voluntary petition in bankruptcy, or admit in writing its inability to pay its debts as they come due;
 - 3) Make a general assignment for the benefit of creditors;

- 4) File a petition or an answer seeking reorganization or arrangement with creditors or to take advantage of an insolvency law;
- 5) File an answer admitting the material allegations of a petition filed against any said assignee or sublessee in any bankruptcy, reorganization or insolvency proceedings; or if during the Term of this Agreement, an order, judgment or decree shall be entered by any court of competent jurisdiction; or the application of a creditor, adjudicating Concessionaire as bankrupt or insolvent; or approving a petition seeking a reorganization of Concessionaire, and such order, judgment or decree, shall continue unstayed and in effect for any period of ninety (90) consecutive days;
- 6) Fail to maintain the quality of services and prices to the satisfaction of the Director as required hereunder;
- 7) Fail to prevent cessation or deterioration of service for a period which, in the opinion of the Director, materially and adversely affects the overall performance of Concessionaire under this Agreement;
- 8) Allow a lien to be filed against Concessionaire or any of the equipment or furnishings therein because of or resulting from any act or omission of Concessionaire that is not removed or enjoined within thirty (30) days;
- 9) Desert, vacate or discontinue all or a portion of its operation of the Premises that in the opinion of the Director results in a failure to provide the public and others the service contemplated hereunder; or
- 10) Fail in the performance of any Provision herein required to be performed by Concessionaire when not cured upon written notice and a reasonable cure period.

On the date set forth in the notice of termination, the Term of this Agreement and all right, title and interest of Concessionaire shall expire, except as otherwise provided in Section 1103 hereof. Failure of the City to take any authorized action upon default of any Provision required to be performed, kept and observed by Concessionaire shall not be construed to be or act as a waiver of default or in any subsequent default of any Provision herein contained to be performed, kept and observed by Concessionaire. The acceptance of monies by the City from Concessionaire for any period or periods after a default by Concessionaire of any Provision herein required to be performed, kept and observed by Concessionaire shall not be deemed a waiver or estopping of any right on the part of the City to terminate this Agreement for failure by Concessionaire to so perform, keep or observe any said Provision.

SECTION 1102. CONCESSIONAIRE'S RIGHT TO TERMINATE. Concessionaire, at its option, may declare this Agreement terminated in its entirety, in the manner provided in Section 1103 hereof for the following causes:

- A. If a court of competent jurisdiction issues an injunction or restraining order against the City preventing or restraining the use of the Airport for Airport purposes in its entirety or in substantial entirety.
- B. If the City shall have abandoned the Airport for a period of at least sixty (60) days and shall have failed to operate and maintain the Airport in such manner as to permit landings and takeoffs of planes by scheduled air carriers.
- C. If the City shall have failed in the performance of any specific covenant constituting a material breach within the control of the City and required by this Agreement to be performed by the City.

SECTION 1103. PROCEDURES FOR TERMINATION. No termination declared by either party shall be effective unless and until not less than forty-five (45) days have elapsed after written notice by either party to the other specifying the date and cause of termination. No such termination shall be effective if the party at default (i) cannot by the nature of the default cure it within such forty-five (45) day period; (ii) commences to diligently correct such default within such forty-five (45) day period; and (iii) corrects such default as is reasonably practicable. Notwithstanding the foregoing, the effective date for termination shall be thirty (30) days after written notice by City to Concessionaire for failure to make any payment when due, or for failure to provide the security for performance as specified in Article V or for failure to provide any insurance coverage as specified in Article IX unless cured in such thirty (30) days after written notice by City to Concessionaire.

SECTION 1104. RIGHTS CUMULATIVE. It is understood and agreed that the rights and remedies of the City and Concessionaire specified in this Article are not intended to be and shall not be exclusive of one another or exclusive of any common law right of either of the parties hereto or any other remedies otherwise available to the parties at law or in equity.

ARTICLE XII AIRPORT CONCESSIONAIRE DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

SECTION 1201. COMPLIANCE.

- A. Concessionaire agrees as a condition hereunder to meet a minimum ACDBE participation goal of not less than **Eleven Percent (11%)**. The goal shall be measured as a percentage based on the Minimum Annual Guarantee (MAG) for each Contract Year. The goal remains in effect throughout the Term of the Agreement and credit toward the ACDBE goal will only be given for the use of Missouri Regional Certification Committee (MRCC) certified ACDBEs.
- B. If Good Faith Efforts resulted in the fulfillment of the ACDBE goal, Concessionaire will not be required to perform additional Good Faith Efforts, except in the event that

Concessionaire's ACDBE participation fails to continue to meet the goal or comply with the applicable federal regulations. In the event Concessionaire's ACDBE participation fails to continue to meet the goal or comply with applicable federal regulations, Concessionaire will be required to perform the Good Faith Efforts procedure specified in the applicable federal regulations for the type of participation sought within three (3) months following the loss of ACDBE participation and continue at intervals of not less than twelve (12) months, or until the ACDBE goal is reached by Concessionaire.

- C. If Good Faith Efforts did not result in fulfillment of the ACDBE goal, Concessionaire must again complete the Good Faith Efforts procedure specified in the applicable federal regulations for the type of participation sought within three (3) months following commencement of the Term of this Agreement and continue at intervals of not less than twelve (12) months, or until the ACDBE goal is reached by Concessionaire.
- D. In the event that any ACDBE Sublessee defaults, Concessionaire agrees to immediately take steps to obtain a replacement certified ACDBE through Good Faith Efforts. Notwithstanding, if ACDBE goes over the Personal Net Worth limitation, their participation will still count until the end of the lease term as per FAA/DOT regulations. It is the intent of City to have a certified ACDBE Sublessee replace any ACDBE Sublessee that has defaulted. Replacement ACDBE's must be approved in writing by the Director. If a replacement ACDBE cannot be located, Concessionaire must make good faith efforts to sublease other rights of Concessionaire to secure ACDBE participation. The Director will determine if Concessionaire has made acceptable Good Faith Efforts. Concessionaire must immediately operate the vending unit(s) in lieu of an ACDBE that has failed to perform due to default of its sublease until such time as a replacement ACDBE sublessee begins operation. The loss of an ACDBE does not relieve Concessionaire of its obligation to maintain the minimum participation goal. The Airport DBE Office will provide Concessionaire assistance in locating ready, willing, able ACDBE firms.
- E. This Agreement is subject to the requirements of the U.S. Department of Transportation's regulations 49 CFR Part 23. Concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, creed, color, religion, sex, national origin or ancestry in connection with the award or performance of any concession agreement, management contract or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23. Concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract that it enters and cause those businesses to similarly include the statements in further agreements.
- F. Concessionaire shall operate its Vending Concession in compliance with all other requirements imposed by or pursuant to 49 CFR Part 23, as applicable, and as said regulations may be amended or new regulations promulgated. Concessionaire shall also comply with any City of St. Louis executive orders, resolutions or ordinances enacted, now or in the future, to implement the foregoing federal regulations, as applicable. In the

event of breach of any of the above covenants, the City shall have the right to terminate this Agreement.

ARTICLE XIII LIQUIDATED DAMAGES

SECTION 1301. LIQUIDATED DAMAGES. Concessionaire recognizes and hereby agrees and stipulates that the City will lose revenue and/or incur certain cost or expense, the amounts of which are difficult to ascertain, if Concessionaire defaults or breaches Section 701B(7) or Section 1302 entitled "Continuing Operations", or any of the Provisions enumerated below. Therefore, in addition to Section 701B(7) or Section 1302, the Concessionaire agrees and stipulates that the Director, on behalf of the City, may elect after written notice to the Concessionaire of said default or breach to impose the charges set forth below as liquidated damages on the basis of each default or breach. The first default or breach in any category will result in a warning letter. The second default or breach will require Concessionaire to pay liquidated damages in the amount listed below. For the third default or breach and each subsequent default or breach in the same category, Concessionaire will pay City liquidated damages in the amount listed below. Such liquidated damages shall be due and payable by the Concessionaire within thirty (30) days of the City's request or notice. The stated defaults or breaches referred to in this Section 1301 are cumulative over the Term of this Agreement and are in addition to any other remedies City may have under this Agreement or at law or in equity. For any defaults or breaches specified in this section with associated liquidated damages, the City agrees to provide immediate written notice via facsimile and overnight courier of any such default or breach and the amount of liquidated damages due and payable to the City.

A. Breach of Space Use	\$100.00	\$250.00
B. Unauthorized advertising and/or signage.	\$100.00	\$250.00
C. Failure to remedy customer service, cleanliness, quality assurance, operations, and/or facility standards.	\$100.00	\$250.00
D. Failure to deliver on time required items such as reports, schedules, manuals or other materials as specified in this Agreement.	\$100.00	\$250.00
E. Other non-monetary defaults that disrupt operations, traffic in terminal or customer service.	\$100.00	\$250.00
F. Failure to maintain required hours of operation for each unit.	\$100.00	\$250.00
G. Late annual financial reporting in breach of Article V.	\$50.00 per day	\$100.00 per day

SECTION 1302. CONTINUING OPERATIONS. Concessionaire acknowledges, stipulates,

and agrees that the continuous operation of all the Premises is essential to the provision of excellent customer service to the traveling public. If Concessionaire shall fail to operate any portion of the Premises set forth in Exhibit "A" for more than five (5) consecutive days, except in the case of damage or destruction of the Premises or if Concessionaire is making Improvements as provided for in Article VII, Concessionaire shall either return the Premises to the City without cost to the City or pay to the City an amount equal to the non-airline square footage rental rate then applicable as Liquidated Damages to compensate the City for the failure.

ARTICLE XIV COMPLIANCE WITH ENVIRONMENTAL LAWS

SECTION 1401. COMPLIANCE WITH ENVIRONMENTAL LAWS. Concessionaire warrants and covenants that in conducting any activities or business on Airport property, including any activities directly related or incidental to its use and occupancy of Premises, Concessionaire shall comply with any and all applicable Environmental Laws including any plans, monitoring, recordkeeping or programs prepared in conformance with Environmental Laws.

Concessionaire further covenants and warrants as follows:

A. Environmental Permits.

1. Concessionaire shall obtain and maintain any and all Environmental Permits required by applicable Environmental Laws to conduct the activities in which Concessionaire engages on the Premises.
2. Concessionaire shall comply with any requirement imposed by an Environmental Permit obtained by the City that is or are applicable to Concessionaire or Concessionaire's activities on the Premises, including any plans, monitoring, recordkeeping or programs prepared in conformance with such Environmental Permits or Environmental Laws; provided however, that the City shall adequately notify Concessionaire of such Environmental Permit and associated requirements, including all applicable deadlines for compliances.
3. The City and Concessionaire shall cooperate to ensure compliance with the terms and conditions of any Environmental Permit, Environmental Law and any associated requirements to ensure safety and to minimize cost of compliance.

B. Duty to Notify City. In the event of any release or threatened release of Hazardous Materials caused, handled, or owned by Concessionaire, its employees, agents, contractors, suppliers, licensees, sublessees, guests or invitees, and which is required by applicable Environmental Laws, Environmental Permits, Rules and Regulations, or any plan or program prepared in response to Environmental Laws, or Environmental Permits to be reported by Concessionaire, whether as a result of negligent conduct or otherwise,

at, on, about, or under the Premises, or in the event any written claim, demand, complaint or action is made or taken against Concessionaire that pertains to Concessionaire's failure or alleged failure to comply with Environmental Laws or Environmental Permits at the Premises or which pertains to the release of Hazardous Materials by Concessionaire at the Premises or the Airport, Concessionaire shall notify the City as soon as reasonably practical of all known facts pertinent to such release, threatened release, claim, demand, complain, action, or notice, and shall provide the City with copies of any and all such claims, demands, complaints, notices, or actions so made. If Concessionaire is required, by any Environmental Laws, Environmental Permits, or governmental agency, to file any written notice or report of a release or threatened release of Hazardous Materials on or under the Premises, Concessionaire shall simultaneously provide a copy of such notice or report to the City.

- C. Environmental Remediation. Concessionaire shall promptly and timely undertake all necessary steps to promptly remedy and remove at its cost any Hazardous Material, or environmental condition or damage to the extent caused by, or resulting from, the activities, conduct, or presence of Concessionaire or its agents, employees, contractors, independent contractors, sublessees, invitees, licensees, or suppliers at the Premises or Airport, whether resulting from negligent conduct or otherwise ("**Remediation Work**"). Such Remediation Work shall be consistent with remediation standards established by or derived from the appropriated government agency responsible for enforcing Environmental Laws or Environmental Permits. Such Remediation Work shall be performed at Concessionaire's expense. Except in the event of an emergency, such Remediation Work shall be performed after Concessionaire, taking into consideration the circumstances, timely and promptly submits to the City a written plan for completing such Remediation Work and receives the prior approval of the City through notice; provided, however, that the City's approval shall not be unreasonably withheld or delayed (see Section 403 entitled "Surrender Of Possession"). The City expressly reserves the right to review and approve any proposed: remedial investigations, remedial work plans, interim and final remedies, institutional controls, including environmental covenants, or other associated documents prior to submittal to the relevant governmental agencies responsible for enforcing Environmental Laws or Environmental Permits and prior to recording any instrument on the land title. Specific cleanup levels for any Remediation Work by Concessionaire shall be designed to meet and satisfy the requirements of all applicable Environmental Laws and Environmental Permits and be consistent with the commercial use of the Airport, as determined by the governmental agency responsible for enforcing Environmental Laws and Environmental Permits or for establishing cleanup levels. Neither Remediation Work or an ongoing remediation, including any testing or monitoring, nor the use of institutional controls, shall either unreasonably or materially impair or interfere with the City's current and/or future use and enjoyment of its property including the Premises, or that of current and future tenants. The City shall have the right to conduct a reasonable review and inspect all such Remediation Work at any time using consultants and representative of its choice.
- D. Access for Environmental Inspection. Upon reasonable notification to Concessionaire, the City shall have reasonable access to the Premises to inspect the same in order to

confirm that Concessionaire is using the Premises in accordance with this Section 1401. Concessionaire shall cooperate fully with any such inspections provided that such inspections shall not unreasonably interfere with Concessionaire's operations. If the City's inspection results in any type of written report, the City shall provide Concessionaire a reasonable opportunity to timely review and comment on a draft of the report. Concessionaire shall provide to the City for its review and comment copies of: any and all notices of alleged non-compliance issued by governmental agencies responsible for enforcing Environmental Laws or Environmental Permits; non-privileged draft official submittals (proposed final drafts) prepared by, or on behalf of, Concessionaire responding to such alleged non-compliance; and any and all consent orders or administrative determinations, whether preliminary or finals, issued by such governmental agencies. The City agrees to maintain the confidentiality of the documents produced in accordance with the Subsection to the extent consistent with the City's legal obligations.

- E. Corrective Action by City. If Concessionaire fails to comply with any applicable Environmental Laws or Environmental Permits governing its activities on the Premises, or if Concessionaire fails to conduct necessary Remediation Work in a timely manner as required under the Provisions of this Agreement, the City, as required by applicable Environmental Laws and Environmental Permits, in addition to the rights and remedies described elsewhere herein and any other rights and remedies otherwise available to the City, may enter the Premises and take all reasonable and necessary actions to conduct Remediation Work to remove Hazardous Materials or other contaminants and insure such compliance with such Environmental Laws and Environmental Permits. All Remediation Costs incurred by the City shall be timely paid or reimbursed by Concessionaire within thirty (30) calendar days of the City's written notice. Subsequent to receipt of the City's notice to perform the Remediation Work, the Concessionaire shall not undertake performance of such Remediation Work without the specific prior authorization from the City. Remediation Work, if necessary, shall be performed in accordance with the provisions of Section 1401.C, but only after first having provided notice to Concessionaire of such failure to comply, and thirty (30) days within which Concessionaire may demonstrate why no such alleged failure is present, or to timely remedy such alleged failure that may be present. If Concessionaire's compliance reasonably requires more than thirty (30) calendar days to complete, the City may enter the Premises and take such reasonable and necessary measures to achieve compliance only upon the Concessionaire's failing to timely begin curing such noncompliance within such thirty (30) day period and to continue diligently working to achieve compliance thereafter.
- F. Review of Environmental Documents. At the reasonable request of the City, Concessionaire shall make available for inspection and copying, at reasonable times, any and all non-privileged documents and materials Concessionaire has prepared pursuant to any applicable Environmental Laws or Environmental Permits, or submitted to any governmental agency, which documents and materials relate to environmental issues, Environmental Laws or Environmental Permits and which pertains to the Airport or the Premises, and which would be discoverable in litigation.

- G. Cumulative Remedies. All remedies of the City as provided herein with regard to environmental pollution, contamination, damage, or any actual or threatened violations of any Environmental Laws or Environmental Permits are deemed to be cumulative in nature. The City's right to indemnification as provided for in this Article XIV shall survive the expiration or early termination of this Agreement.
- H. Pollution Control. In addition to all other requirements of this Agreement, Concessionaire, at its cost, shall manage all its operations at the Premises in compliance with all applicable Environmental Laws, Environmental Permits, and with applicable best management practices outlined and delineated in the Airport's Storm Water Pollution Prevention Plan and Storm Water Management Plan, which shall be provided to Concessionaire at Concessionaire's written request.
- I. Environmental Covenants. Concessionaire will not object to and, if requested by the City, will subordinate any rights it has under this Agreement to an environmental covenant or environmental land use restriction which (i) restricts the use of groundwater underlying the Premises or the Airport; (ii) limits the use of the Premises to nonresidential uses; and/or (iii) reasonably restricts access to soil and/or disturbance of soil underlying the Premises or the Airport.

Part 21. Concessionaire agrees that in performing under this Agreement, neither it nor its personal representatives, successors in interest, and assigns, and anyone under its control will permit discrimination against any employee, worker, or applicant for employment because of race, creed, color, religion, sex, age, national origin, ancestry or disability. Concessionaire will take affirmative action to insure that applicants are employed and that employees are treated fairly without regard to race, creed, color, religion, sex, age, national origin, ancestry or disability. Such action must include, but shall not be limited to action to bar, employ, upgrade or recruit; expel, discharge, demote or transfer; layoff, terminate or create intolerable working conditions, rates of pay or other forms of compensation and selection for training including apprenticeship.
- B. Concessionaire agrees that in performing under this Agreement, neither it nor anyone under its control will permit discrimination against any employee, worker, or applicant for employment because of race, creed, color, religion, sex, age, national origin, ancestry, or disability. Concessionaire will take affirmative action to insure that applicants are employed and that employees are treated fairly without regard to race, creed, color, religion, sex, age, national origin, ancestry or disability. Such action must include, but shall not be limited to action to bar, employ, upgrade or recruit; expel, discharge, demote or transfer; layoff, terminate or create intolerable working conditions, rates of pay or other forms of compensation and selection for training including apprenticeship.
- C. Concessionaire will in all printed or circulated solicitations or other advertisement or publication for employees placed by or on behalf of Concessionaire state that all qualified applicants shall receive meaningful consideration for employment without

regard to race, creed, color, religion, sex, age, national origin, ancestry or disability. All advertisements or solicitations for applicants for employment must contain the phrase "An Equal Opportunity Employer". Concessionaire shall not make inquiry in connection with prospective employment, which expresses directly or indirectly any limitation, specification, or discrimination because of race, creed, color, religion, sex, age, national origin, ancestry or disability.

- D. Concessionaire agrees that should it be determined by Concessionaire or City that it will be unable to conform to its approved positive employment program submitted to determine eligibility under the fair employment practices provisions of the City Code, it will notify the Fair Employment Practices Division of the Civil Rights Enforcement Agency ("CREA") within ten (10) days of such determination, as to the steps to be taken by Concessionaire to achieve the provisions of its program.
- E. Concessionaire will permit reasonable access by City to such persons, reports, and records as are necessary for the purpose of ascertaining compliance with fair employment practices.
- F. Concessionaire further agrees that these clauses (B through E) covering discrimination and equal opportunity practices in all matters of employment and training for employment will be incorporated by Concessionaire in all contracts or agreements it enters into with suppliers of materials or services, contractors and subcontractors, and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or service in connection with this Agreement.
- G. Whenever Concessionaire is sued by a subcontractor, vendor, individual, group, or association as a result of non-compliance with the clauses (A through F) of these provisions relating to fair employment practices, Concessionaire shall notify the City Counselor in writing of such suit or threatened suit within ten (10) days.
- H. In event of Concessionaire's noncompliance with nondiscrimination clauses of this Agreement, or to furnish information or permit its books, records and account to be inspected within twenty (20) days from date requested, this Agreement may be canceled, terminated or suspended, in whole or in part, and Concessionaire may be declared ineligible for further City contracts for a period of one (1) year by option of City, provided, further, if this Agreement is canceled, terminated or suspended for failure to comply with fair employment practices, Concessionaire shall have no claims for any damages or loss of any kind whatsoever against City.
- I. Concessionaire will establish and maintain for the term of this Agreement an affirmative action program, and City reserves the right to take such action as the City of St. Louis and the United States Government may direct to enforce the above covenants.

- J. Concessionaire assures that it will undertake an affirmative action program as required by 14 CFR, Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, sex, religion, age or disability be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Concessionaire assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Concessionaire assures that it will require that its covered suborganizations provide assurances to the City that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.
- K. This Agreement is subject to the requirements of the U.S. Department of Transportation's regulation, 49 CFR Part 23. Concessionaire hereby agrees that its Premises shall be posted to such effect as required by such regulation. The Concessionaire or contractor agrees that it will not discriminate against any business owner because of owner's race, creed, color, religion, national origin, ancestry, sex, age or disability in connection with the performance of any concession agreement, management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR 23.

- M. Concessionaire shall comply with all applicable nondiscriminatory requirements that may be imposed pursuant to the Federal Aviation Act of 1958, as amended; Title VI of the Civil Rights Act of 1964, as amended; 49 C.F.R. Parts 21, 23, and 26, as said regulations may be amended; and state and local laws.

SECTION 1503. NO PERSONAL LIABILITY. No alderman, commissioner, director, officer, agent or employee of either party shall be charged personally or held contractually liable by or to the other party under any Provision of this Agreement or because of any breach hereof or because of its or their execution of this Agreement. Any administrative complaint brought against the City relating to any aspect of this agreement shall be brought against the City and not against named individual respondents.

SECTION 1504. FORCE MAJEURE. Neither party hereto shall be liable to the other for any failure, delay, or interruption in performing its obligations hereunder due to acts, events or conditions beyond its control, including acts of God, weather conditions, shortages of energy or materials, embargoes, riots, rebellions, sabotage, acts of a public enemy, war, terrorism, insurrection, strikes, boycotts, picketing, slow-downs, work stoppages or other labor actions affecting the rights or obligations of the City or Concessionaire hereunder, their respective licensees, contractors or subcontractors, except to the extent that such failure, delay or interruption directly or indirectly results from failure on the part of the City or Concessionaire to use reasonable care to prevent, or make reasonable efforts to cure, such failure, delay or

interruption; provided, however, that, except as herein specifically provided, nothing in this Section is intended or shall be construed to abate, postpone or in any respect diminish Concessionaire's obligations to make any payments due to the City pursuant to this Agreement. The City shall be under no obligation to supply any service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefore shall be prohibited or rationed by any law, ordinance, rule, regulation, requirement, order or directive of any federal, state, county or municipal government having jurisdiction.

SECTION 1505. SUCCESSORS AND ASSIGNS. All of the terms, provisions, covenants, stipulations, conditions and considerations of this Agreement shall extend to and bind the legal representatives, successors, sublessees and assigns of the respective parties hereto. This provision shall not constitute a waiver of any conditions regarding the assignment or subletting contained in this Agreement.

SECTION 1506. QUIET ENJOYMENT. Subject to the Provisions of this Agreement, the City covenants that Concessionaire, on paying the fees and otherwise performing its covenants and other obligations hereunder, shall have quiet and peaceable use of the Premises.

SECTION 1507. OPERATIONS AND MAINTENANCE OF THE AIRPORT. The City shall at all times operate the Airport properly and in a sound and economical manner; and the City shall use reasonable effort to maintain, preserve and keep the same or cause the same to be maintained, preserved and kept with the appurtenances in good repair, working order and condition, and shall from time to time use reasonable effort to make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the Airport may be properly and advantageously conducted in conformity with standards customarily followed by municipalities operating airports of like size and character.

SECTION 1508. TITLE TO THE SITE. The Premises from the date hereof until the expiration or early termination of this Agreement shall be owned in fee simple title by the City or in such lesser estate as in the opinion of the City Counselor is sufficient to permit the letting thereof by the City as herein provided for the full term provided in this Agreement.

SECTION 1509. AGREEMENTS WITH THE UNITED STATES OF AMERICA. This Agreement shall be subordinate to the provisions of any existing or future agreements between the City and the United States Government or governmental authority, relative to the operation or maintenance of the Airport, the execution of which has been required as a condition precedent to the granting of federal funds or the approval to impose or use Passenger Facility Charges ("PFCs") for the improvement or development of the Airport. Concessionaire shall not cause the City to violate any assurance made by the City to the United States Government in connection with the granting of such federal funds or the approval of such PFC's. All Provisions of this Agreement shall be subordinate to the rights of the United States of America to operate all of the Airport or any part thereof during time of war or national emergency. Such rights shall supersede and Provisions of this Agreement inconsistent with the operation of the Airport by the United States of America.

Section 1510. MODIFICATIONS FOR GRANTING FAA FUNDS. In the event that the FAA requires, as a condition precedent to granting of funds for the improvement of the Airport, modifications or changes to this Agreement, Concessionaire agrees to consent to such reasonable amendments, modifications, revisions, supplements, deletions of any of the Provisions of this Agreement, as may be reasonably required to enable the City to obtain said FAA funds, provided that in no event shall such changes substantially impair the rights of Concessionaire hereunder.

SECTION 1511. GOVERNING LAW AND FORUM SELECTION. This Agreement is made and entered into in the State of Missouri, and Missouri law shall govern and apply to this Agreement. Any cause of action, claim, suit, demand, or other case or controversy arising from or related to this Agreement shall be brought only in a federal or state court in the City of St. Louis, Missouri. Concessionaire and the City hereby admit and consent to the jurisdiction and venue of such courts. The Provisions of this section shall survive the expiration or termination of this Agreement.

SECTION 1512. HEADINGS. The headings of the Articles and Sections of this Agreement are inserted only as a matter of convenience and reference and in no way define, limit or describe the scope or intent of any Provisions of this Agreement and shall not be construed to affect in any manner the Provisions hereof or the interpretation or construction thereof.

SECTION 1513. AMENDMENTS. Unless otherwise expressly provided herein, this Agreement may not be changed, modified, or amended except by written amendment duly executed by the parties hereto. It being understood that any amendment to this Agreement must be approved by the City Airport Commission, and its Board of Estimate & Apportionment, and its Board of Aldermen.

SECTION 1514. PREVIOUS AGREEMENTS. It is expressly understood that the Provisions of this Agreement shall in no way affect or impair the Provisions or obligations or rights of any existing or prior agreements between Concessionaire and the City.

SECTION 1515. REQUIRED APPROVALS. When the consent, approval, waiver, or certification ("**Approval**") of other party is required under the terms of this Agreement, such Approval must be in writing and signed by the party approving. Whenever the Approval of the City or the Director is required, the Approval must be from the Director or his/her authorized or designated representative. In taking such actions, the Director shall act reasonably, and take into consideration the best interest of the City, the Airport, and travel public. The City and Concessionaire agree that extensions of time for performance may be made by the written mutual consent of the Director, on behalf of the City, and Concessionaire or its designee. Whenever the Approval of the City, or the Director, or Concessionaire is required herein, no such Approval shall be unreasonably requested, conditioned, or withheld.

SECTION 1516. WAIVERS. No Provision of this Agreement shall be deemed to have been waived by either party unless such waiver is in writing, signed by the party making the waiver and addressed to the other party, nor shall any custom or practice that may evolve between the parties in the administration of the Provisions of this Agreement be construed to waive or lessen

the right of either party to insist upon the performance of the other party in strict accordance with the Provisions of this Agreement.

SECTION 1517. INVALID PROVISIONS. If any Provision in this Agreement is held to be invalid, illegal, or unenforceable by any court of competent jurisdiction, or conclusively determined to be inconsistent with federal law or FAA grant assurances, such Provision shall be deemed amended to conform to applicable laws so as to be valid or enforceable or, if it cannot be so amended without materially altering the intention of the parties, it shall be stricken. If stricken, all other Provisions of this Agreement shall remain in full force and effect provided that the striking of such Provision does not materially prejudice either the City or Concessionaire in its respective rights and obligations contained in the valid Provisions of this Agreement.

SECTION 1518. ENTIRE AGREEMENT.
