Lessee accepts the Premises "**AS IS**" with no warranties or representations of any kind, expressed or implied, either oral or written, made by the City or any of its agents or representatives with respect to the physical, geotechnical, environmental or structural conditions of the Premises, or any portion thereof or otherwise including but not limited to: soil conditions of the land, structural conditions of any existing improvements or facilities, the presence or absence of any Hazardous Materials, any underground or aboveground storage tanks or repositories and related equipment, asbestos and asbestos related materials, water, sewage utilities serving the Premises, easements, or any other matter or thing affecting or relating to the Premises, except as expressly set forth in this Agreement. The City without limitation expressly disclaims and negates, as to the Premises:

- A. any implied or expressed warranty of merchantability;
- B. any implied or expressed warranty for a particular purpose; and
- C. any implied or expressed warranty with respect to the Premises or any portion thereof.

The City without limitation expressly disclaims any expressed or implied warranty with respect to the condition of the Premises, its compliance with any zoning or other laws, statutes, rules, ordinances or regulations applicable to the Premises including but not limited to the Americans with Disabilities Act of 1990 (42 U.S.C. Section 1201 et seq.), the uses permitted on the Premises, or any other matter or thing relating to the Premises or any portion thereof.

The City may relocate, add, substitute or delete portions of the Premises at its sole option as may be reasonably required in the opinion of the Director of Airports. Such changes will be made at the sole expense of Lessee, and the City will not be liable or responsible for any loss whatsoever including, without limitation, any inconvenience or loss by Lessee of work time, profit or business resulting from such changes including, without limitation, actual, incidental, consequential or special damages.

SECTION 202. RESERVATIONS. The grant of use and occupancy hereunder is subject to the following reservations and conditions:

- A. The City reserves the right (but is not obligated pursuant to this Agreement) to develop, maintain, and keep in repair the Airport, including the Aircraft Operating Area and all publicly-owned facilities.
- B. Lessee shall not exercise the rights granted by this Agreement to Lessee in such a way as to interfere with or adversely affect the use, operation, maintenance, expansion or

development of the Airport, or with the operations of other tenants or users of the Airport.

- C. The City reserves the right to, from time to time, temporarily or permanently close or restrict specific roadways, taxiways, taxi lanes, runways, apron areas, doorways, and any other area at the Airport. The City also reserves the right at any time or times to relocate, reconstruct, change, alter, or modify any such means of access provided for pursuant to this Agreement or otherwise, either temporarily or permanently; provided that a reasonably convenient and adequate means of access, ingress, and egress exist or be provided in lieu thereof. The City shall reasonably notify Lessee of any such action affecting Lessee.
- D. The City reserves for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the Premises, together with the right to cause or allow in said airspace such noise, vibration, fumes, dust, fuel particles, illuminations, interference with television, radio or any other type of transmission and other effects as may be caused in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace or landing at, taking off from, or operating on or about the Airport.
- E. The City reserves the right to grant utility and maintenance rights-of-way to itself and others over, under, through, across or on the Premises provided that such use will not substantially or materially interfere with Lessee's use of the Premises, and provided further that such reservation or grant of rights does not directly result in additional cost or expense to Lessee.

SECTION 203. ACCESS. Subject to and in accordance with the Provisions of this Agreement hereof, Lessee has the right of free access, ingress to and egress from the Premises, for Lessee's employees, contractors, subcontractors, agents, guests, patrons and invitees.

SECTION 204. PREMISES ADJUSTMENT. If Premises are increased, reduced or changed, revised exhibits may be substituted for those herein without the necessity to amend this Agreement, which substitution will be made by Notice to Lessee from the City.

SECTION 205. ACCESS TO THE PREMISES BY THE CITY. The City reserves and will have the right to access, ingress to and egress from the Premises without charge therefore, for its employees, contractors, agents, licensees, representatives, and invitees, its or their suppliers of materials and furnishers of service, and its or their equipment, vehicles, machinery and other property, as may be reasonable under the circumstances, and with as little interruption of Lessee as may be reasonably practical, and upon compliance with Lessee's reasonable security procedures; provided, however, that no right of the City provided for in this Article II will be so exercised as to unreasonably materially interfere with Lessee's use and enjoyment of the Premises as provided in Section 1206 of this Agreement. If Lessee is not present to permit entry and entry is necessary, the City may, in case of emergency, forcibly enter the Premises without rendering the City liable therefore, except for any actual damage caused to Lessee's property as a result of such entry or any costs, damages or liabilities arising from City's gross negligence or

willful misconduct. The City's right to access the Premises will be without charge therefore, and may be for any purpose necessary for, incidental to, or connected with the City's right and obligation under this Agreement or the City's capacity as the Airport owner or operator, including, but not limited to, collecting environmental samples or performing environmental studies, assessments, inspections or remediation, or any combination thereof. Lessee will in good faith coordinate and cooperate with the City's need to access the Premises.

SECTION 206. ENCUMBRANCES ON THE PREMISES. Lessee accepts the Premises subject to any and all then existing easements or other encumbrances and the City retains the right to install, lay, construct, maintain, repair and operate such utilities, sanitary sewers, drains, storm water sewers, pipelines, manholes, communication lines, connections, water, oil or gas pipelines, and telephone and telegraph power lines and such other appliances and appurtenances necessary or convenient in connection therewith, over, in, upon, through, across and along the Premises, or any part thereof, and to enter thereupon at reasonable times for any and all such purposes; provided, however, that no right of the City provided for in this Section 206 will be so exercised as to materially or substantially diminish the utility or value of the Premises, materially interfere unreasonably with the Lessee's use or enjoyment of the Premises, or result in any material added expense to the Lessee in conducting its operations hereunder.

ARTICLE III TERM

SECTION 301. TERM. The Term of this Agreement consists of **Three (3) Years** beginning on **March 1, 2016 (the "Commencement Date")** and ending on **February 28, 2019** unless sooner terminated in accordance with other Provisions of this Agreement.

The City or Lessee may terminate this Agreement without cause by giving **thirty (30) days** notice to the other party with no liability to the terminating party and such termination will be deemed a no fault cancellation.

SECTION 302. SURRENDER OF POSSESSION. No notice to quit possession at the expiration date of the term of this Agreement is necessary. Lessee covenants and agrees that at the expiration date of the term of this Agreement, or at the earlier termination hereof, it will peaceably surrender possession of the Premises (see Article VI, Section 607 entitled "Title To Improvements" and Article XI entitled "Surrender Of Premises" of this Agreement). Lessee further agrees to restore Premises to their original condition at Lessee's expense within thirty (30) days of the expiration or at the earlier termination of this Agreement including, but not limited to, removal of electrical services, removal and filling in of any concrete footings and foundations and the removal from the Premises of sign and advertising material and equipment (See Article XI, Section 1101.C entitled "Surrender of Premises" of this Agreement).

SECTION 303. HOLDOVER PROVISION. If Lessee holds over after the expiration or early termination of this Agreement, the resulting tenancy will, unless otherwise mutually agreed, be a tenant at will on a month-to-month basis. During such month-to-month tenancy, Lessee shall pay to the City the same rents, fees, and charges as set forth herein (see Article IV entitled "Fees & Rentals" of this Agreement), unless different fees are agreed upon in writing by the Director

on behalf of the City and the Lessee, and will be bound by all terms, covenants and conditions of this Agreement.

ARTICLE IV FEES & RENTALS

SECTION 401. RENTAL PAYMENT. Lessee shall pay to the City the annual rental rate of \$600.00, payable in twelve (12) equal monthly installments of \$50.00. All Rental Payments must be paid on or before the first (1st) day of each month during the term of this Agreement, *without demand*.

SECTION 402. UNPAID RENTS AND FEES. All unpaid rent and fee payments due City hereunder bear a service charge of 1½% per month if same is not paid and received by City on or before the thirtieth (30th) of the month in which said payments are due, and Lessee agrees that it shall pay and discharge all costs and expenses including attorneys' fees and litigation cost incurred or expended by City in collection of said delinquent amounts due including service charges.

SECTION 403. ADDITIONAL FEES, CHARGES AND RENTALS. Lessee shall pay additional fees, charges and rentals under the following conditions:

- A. If the City has paid any sum or sums or has incurred any obligation or expense for which Lessee has agreed to pay or reimburse the City for; or
- B. If the City is required or elects to pay any sum or sums or incur any obligations or expense because of the failure, neglect or refusal of Lessee to perform or fulfill any of the terms, covenants or conditions of this Agreement.

Such payments include all interest, costs, damages and penalties in conjunction with such sums so paid or expenses so incurred and may be added to any installment of the fees, charges and rents thereafter due hereunder. Each and every part of such payment is recoverable by the City in the same manner and with like remedies as if it were originally a part of the basic fees, charges and rents, as set forth herein.

For all purposes under this paragraph, and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing the payment of any sum or sums by the City for any work done or material furnished is prima facie evidence against Lessee that the amount of such payment was necessary and reasonable.

SECTION 404. PROMPT PAYMENT OF TAXES AND FEES. Lessee warrants, covenants and agrees to pay promptly all lawful general taxes, special assessments, excises, license fees, permit fees, and utility service charges of whatever nature, applicable to its operation at the Airport, and to take out and keep current all licenses, municipal, state or federal, required for the conduct of its business at and upon the Airport, and further warrants, covenants and agrees not to permit any of said taxes, assessments, fees and charges to become delinquent.

SECTION 405. FORM OF PAYMENT. Payments to the City required by this Agreement must be made at the Airport Administrative Offices, with checks payable to the "Treasurer, City of St. Louis," delivered to Airport Assistant Director of Finance, Lambert-St. Louis International Airport, P.O. Box 10036, St. Louis, MO, 63145, or at such other place or by whatever payment method that the City may determine and as the City may hereafter notify Lessee, and must be made in legal tender of the United States of America.

The use of areas not specifically included in Exhibit "A" entitled "Premises" must be approved in advance and in writing by the Director (see Section 1210 entitled "Required Approvals").

All deliveries to the Premises for the Lessee are the responsibility of Lessee and not the City.

City reserves to itself, its successors and assigns, the right to grant utility and drainage easements, to itself and others over, under, through, across or on Premises. Lessee shall, at its sole cost and expense, take such measures as may be necessary to keep the Premises policed, secured, and in good repair. The City has no obligation or responsibility to keep the Premises policed, secured, or in good repair.

The City is not obligated to perform any maintenance or make any repairs or replacements of any kind, nature of description, to the Premises or Lessee's Improvements. Lessee will provide and pay for all repairs and maintenance of the Premises and Lessee's Improvements. Lessee warrants, covenants, agrees without cost or expense to the City during the Term hereof to perform the following functions as part of its responsibilities in the repair and maintenance of the Premises; the following list includes certain functions but Lessee's responsibilities are not limited to those functions:

The Director may temporarily or permanently close any roadway or other right-of-way for access to the Premises, so long as another means of access is provided. Lessee understands and agrees that there may be inconveniences caused by construction or renovations of the Airport, and Lessee hereby releases and discharges the City from any and all inconvenience claims, liability or causes of action arising out of or incidental to the closing of any right-of-way, including without limitation loss of profit or business, incidental, consequential or special damages.

SECTION 503. RIGHT TO ENTER, INSPECT AND MAKE REPAIRS. The City and its authorized officers, agents, employees, contractors, subcontractors and other representatives have the right (at such times as may be reasonable under the circumstances and with as little interruption of Lessee's operations as is practicable) to enter upon and in the Premises for the following purposes:

- A. To inspect such Premises to determine whether Lessee has complied and is complying with the terms, covenants and conditions of this Agreement.
- B. To perform maintenance and make repairs in any case where Lessee is obligated, but has failed to do so, after the City has given Lessee notice to do so, in which event Lessee shall reimburse the City for the cost thereof, plus a charge of fifteen percent (15%) for overhead, promptly upon demand.

Lessee warrants, represents and agrees that no obstruction to air navigation, as such are defined from time to time by application of the criteria of Part 77 of the Federal Aviation Regulations or subsequent and additional regulations of the FAA, will be constructed or permitted to remain in or on the Premises. Any obstructions will be immediately removed by Lessee at its expense. Lessee warrants, represents and agrees not to increase the height of any structure or objects or permit the growth of plantings of any kind or nature whatsoever that would interfere with the line of sight of the Air Traffic Control Tower and its operations. Lessee further warrants, represents and agrees not to install any structures, objects, machinery or equipment that would interfere with the operation of

navigation aids or that would interfere with the safe and efficient operations of the Airport, or interfere with the operations of other tenants and users of the Airport.

SECTION 507. COMPLIANCE WITH LAWS AND REGULATIONS. Lessee shall comply with all Rules and Regulations which the Director may establish from time to time. Except as specifically provided for herein, the City is not under any duty or obligation to Lessee to repair, maintain, or clean the Premises or any portion thereof, or any facilities or equipment constructed thereon. The City will not be responsible or liable to Lessee for any claims for compensation for any losses, damages, or injury, including lost profits, sustained by Lessee resulting from failure of the Airport structures or utility systems.

ARTICLE VI IMPROVEMENTS AND ALTERATIONS

SECTION 601. MECHANICS' AND MATERIALMEN'S LIENS. Lessee agrees not to permit any mechanics' or materialmen's or any other lien or encumbrance to be attached or foreclosed upon the Premises or any part or parcel thereof, or the improvements thereon, by reason of any work or labor performed or materials furnished by any mechanic or materialman or for any other reason.

SECTION 602. CONSTRUCTION BY LESSEE. Lessee may improve the Premises subject to written approval of the Director, which may be withheld for any or no reason at all. Lessee will submit to the Director detailed plans and specifications for all Improvements to and equipping of the Premises prepared in accordance with the Tenant Design Standards issued by the Airport. *Lessee agrees it will not begin any work until it receives the approval of its plans and specifications from the Director.* Any changes in the plans or specifications after approval will require resubmission. Further, Lessee agrees it shall submit a signed Tenant Construction or Alteration Application ("TCA") including complete construction drawings and specifications to the Airport Properties Division. The TCA shall be submitted for each location in accordance with the construction drawings and specifications. Lessee also understands and agrees that certain work elements described in its TCA may require separate or additional approval from the City before proceeding with the specific work element. As such, Lessee's ongoing coordination with the City at all times is crucial.

Lessee shall provide the Director with a copy of all applicable permits as required by local municipalities prior to beginning any construction, modifications, installations, or alterations. No reduction or abatement of rents will be allowed for any interference with Lessee's operations by such construction.

Upon the completion of the improvements hereunder, Lessee shall submit to the Director a copy of its acceptance letter certifying completion and a certified copy of any certificate or permit which may be required by any federal, state or local government or agency in connection with the completion or occupancy thereof by Lessee.

Lessee shall provide the Director, within thirty (30) days of completion or occupancy of any construction or modification to the Premises, reproducible as-built drawings in an electronic format acceptable to the City.

SECTION 603. CONTRACTOR'S LIABILITY INSURANCE. In any contract appertaining to improving, constructing, maintaining, repairing or equipping the Premises, Lessee agrees to require the contractor to cause the City, its Board of Aldermen, Airport Commission and their respective officers, agents and employees, to be insured against the risk of claims and demands, just or unjust, by third persons against the City, its Board of Aldermen, Airport Commission and their respective officers, agents and employees, against and from all such claims and demands, with bodily injury limits of not less than Two Million Dollars (\$2,000,000.00) as to any one person, and Two Million Dollars (\$2,000,000.00) as to any one occurrence, and with property damage limits of not less than Two Million Dollars (\$2,000,000.00) as to any one occurrence. Any sum or sums derived from said Performance and Payment Bonds will be used for the completion of said construction and the payment of laborers and material suppliers, as the case may be.

SECTION 605. SIGNS. Lessee agrees that no signs or advertising displays shall be placed on, painted on or erected in any manner upon the areas of the Premises exposed to the public without prior written approval of the Director and that such signs shall conform to reasonable standards established by said Director with respect to wording, type, size, design, color and location.

SECTION 606. NONDISTURBANCE OF AIRPORT TENANTS AND OPERATIONS. Any work by Lessee and its contractors must be conducted in an orderly and proper manner, and must not otherwise disturb, create a hazard, or interfere with other projects on, or the operations of, the Airport. Lessee shall promptly comply, and shall cause its contractors to comply, with any reasonable request from the City to correct its conduct or that of its contractors. If Lessee or its contractors fails to comply with the provisions of this Section 606, the City has the right to stop any or all work being performed, until such compliance is achieved, without terminating this Agreement.

SECTION 607. TITLE TO IMPROVEMENTS. Title to the Premises and all Improvements constructed or placed in or on the Premises by Lessee under this Agreement including all alterations, modifications and enlargements thereof, but excluding Removable Fixtures, will

become part of the Premises with title vesting in City upon expiration or earlier termination of this Agreement; subject, however, to Lessee's obligation to operate, repair, maintain and replace, and its right of possession, use and occupancy during the term and in accordance with the Provisions of this Agreement.

City reserves the right and Lessee hereby stipulates and agrees that the Director of Airports may require Lessee, at Lessee's sole cost, to timely remove all of its Improvements and restore the Premises to the condition that originally existed at the time of Lessee's initial entry upon the Premises under this Agreement, ordinary wear and tear accepted (see Article XI entitled "Surrender Of Premises").

Within sixty (60) days of the commencement of the operation on the Premises, a list of such Removable Fixtures will be submitted in writing to the Director by Lessee for the Director's approval, and such list will be updated by Lessee no less than one (1) time per contract year or as requested by the City (See Article XI entitled "Surrender of Premises").

ARTICLE VII COMPLIANCE WITH ENVIRONMENTAL LAWS

SECTION 701. COMPLIANCE WITH ENVIRONMENTAL LAWS. Lessee warrants and covenants that in conducting any activities or business on Airport property, including any activities directly related or incidental to its use and occupancy of Premises, Lessee shall comply with any and all applicable Environmental Laws including any plans, monitoring, recordkeeping or programs prepared in conformance with Environmental Laws. Lessee further covenants and warrants as follows:

A. Environmental Permits.

1. Lessee shall obtain and maintain any and all Environmental Permits required by applicable Environmental Laws to conduct the activities in which Lessee engages on the Premises.
2. Lessee shall comply with any requirement imposed by an Environmental Permit obtained by the City that is or are applicable to Lessee or Lessee's activities on the Premises, including any plans, monitoring, recordkeeping or programs prepared in conformance with such Environmental Permits or Environmental Laws; provided however, that the City shall adequately notify Lessee of such Environmental Permit and associated requirements, including all applicable deadlines for compliances.
3. The City and Lessee shall cooperate to ensure compliance with the terms and conditions of any Environmental Permit, Environmental Law and any associated requirements to ensure safety and to minimize cost of compliance.

B. Duty to Notify City. In the event of any release or threatened release of Hazardous Materials caused, handled, or owned by Lessee, its employees, agents, contractors, suppliers, guests or invitees, and which is required by applicable Environmental Laws Environmental Permits, Rules and Regulations, or any plan or program prepared in

response to Environmental Laws, or Environmental Permits to be reported by Lessee, whether as a result of negligent conduct or otherwise, at, on, about, or under the Premises, or in the event any written claim, demand, complaint or action is made or taken against Lessee that pertains to Lessee's failure or alleged failure to comply with Environmental Laws or Environmental Permits at the Premises or which pertains to the release of Hazardous Materials by Lessee at the Premises or the Airport, Lessee shall notify the City as soon as reasonably practical of all known facts pertinent to such release, threatened release, claim, demand, complaint, action, or notice, and shall provide the City with copies of any and all such claims, demands, complaints, notices, or actions so made. If Lessee is required, by any Environmental Laws, Environmental Permits, or governmental agency, to file any written notice or report of a release or threatened release of Hazardous Materials on or under the Premises, Lessee shall simultaneously provide a copy of such notice or report to the City.

- C. Environmental Remediation. Lessee shall promptly and timely and with all due diligence undertake all necessary steps to remedy and remove at its cost any Hazardous Material, or environmental condition or damage to the extent caused by, or resulting from, the activities, conduct, or presence of Lessee of its agents, employees, contractors, independent contractors, lessees, invitees, licensees, or suppliers at the Premises or Airport, whether resulting from negligent conduct or otherwise ("**Remediation Work**"). Such Remediation Work must be consistent with remediation standards established by or derived from the appropriated government agency responsible for enforcing Environmental Laws or Environmental Permits. Such Remediation Work will be performed at Lessee's expense. Except in the event of an emergency, Lessee shall not perform such Remediation Work until Lessee, taking into consideration the circumstances, timely and promptly submits to the City a written plan for completing such Remediation Work and receives the prior approval of the City through Notice; provided, however, that the City shall not unreasonably withhold or delay its approval. The City expressly reserves the right to review and approve any proposed: remedial investigations, remedial work plans, interim and final remedies, institutional controls, including environmental covenants, or other associated documents prior to submittal to the relevant governmental agencies responsible for enforcing Environmental Laws or Environmental Permits and prior to recording any instrument on the land title. Specific cleanup levels for any Remediation Work by Lessee will be designed to meet and satisfy the requirements of all applicable Environmental Laws and Environmental Permits and be consistent with the commercial use of the Airport, as determined by the governmental agency responsible for enforcing Environmental Laws and Environmental Permits or for establishing cleanup levels, and must also be approved by the City. Lessee agrees that neither Remediation Work or an ongoing remediation, including any testing or monitoring, nor the use of institutional controls, will either unreasonably or materially impair or interfere with the City's current or future use and enjoyment of its property including the Premises, or that of current and future tenants. The City has the right to conduct a reasonable review and inspect all such Remediation Work at any time using consultants and representative of its choice.

- D. Access for Environmental Inspection. Upon reasonable notification to Lessee, the City is entitled to reasonable access to the Premises to inspect the same in order to confirm that Lessee is using the Premises in accordance with the requirements of this Permit including, without limitation, this Section 701. Lessee shall cooperate fully with any such inspections provided that such inspections do not unreasonably interfere with Lessee's operations. If the City's inspection results in any type of written report, the City shall provide Lessee a reasonable opportunity to timely review and comment on a draft of the report. Lessee shall provide to the City for its review and comment copies of: any and all notices of alleged non-compliance issued by governmental agencies responsible for enforcing Environmental Laws or Environmental Permits; non-privileged draft official submittals (proposed final drafts) prepared by, or on behalf of, Lessee responding to such alleged non-compliance; and any and all consent orders or administrative determinations, whether preliminary or finals, issued by such governmental agencies. The City agrees to maintain the confidentiality of the documents produced in accordance with the Subsection to the extent consistent with the City's legal obligations.
- E. Corrective Action by City. If Lessee fails to comply with any applicable Environmental Laws, Environmental Permits or Rules or Regulations governing its activities on the Premises, or if Lessee fails to conduct necessary Remediation Work in a timely manner as required under the terms of this Permit, the City, as may be necessary or required by applicable Environmental Laws, Environmental Permits or Rules or Regulations, in addition to the rights and remedies described elsewhere herein and any other rights and remedies otherwise available to the City, may enter the Premises and take all reasonable and necessary actions to conduct Remediation Work to remove Hazardous Materials or other contaminants for which the Lessee is responsible under this Permit and remedy Lessee's non-compliance with the provisions of this Permit and applicable Environmental Laws, Environmental Permits or Rules and Regulations. All Remediation Costs plus actual administrative costs incurred by the City must be timely paid or reimbursed by Lessee within thirty (30) calendar days of the City's written notice. Subsequent to receipt of the City's Notice to perform the Remediation Work, the Lessee must not undertake performance of such remediation Work without the specific prior authorization from the City. Remediation Work, if necessary, and any other action taken by the City pursuant to this Section, must be performed in accordance with the provisions of Section 701.C, but only after first having provided notice to Lessee of such failure to comply, and thirty (30) days within which Lessee may demonstrate why no such alleged failure is present, or to timely remedy such alleged failure that may be present. If Lessee's compliance reasonably requires more than thirty (30) calendar days to complete, the City may enter the Premises and take such reasonable and necessary measures to achieve compliance only upon the Lessee's failing to timely begin curing such noncompliance within such thirty (30) day period and to continue diligently working to achieve compliance thereafter.
- F. Review of Environmental Documents. At the reasonable request of the City, Lessee shall make available for inspection and copying, at reasonable times, any and all non-privileged documents and materials Lessee has prepared pursuant to any applicable Environmental Laws or Environmental Permits, or submitted to any governmental

agency, which documents and materials relate to environmental issues, Environmental Laws or Environmental Permits and which pertains to the Premises, and which would be discoverable in litigation.

- G. Cumulative Remedies. All remedies of the City as provided herein with regard to environmental pollution, contamination, damage, or any actual or threatened violations of any Environmental Laws or Environmental Permits are deemed to be cumulative in nature. The City's right to indemnification as provided for under this Article VII survives the expiration or early termination of this Agreement.
- H. Pollution Control. In addition to all other requirements of this Agreement, Lessee, at its cost, shall manage all its operations at the Premises in compliance with all applicable Environmental Laws, Environmental Permits, and with applicable best management practices outlined and delineated in the Airport's Storm Water Pollution Prevention Plan and Storm Water Management Plan, which will be provided to Lessee at Lessee's written request.
- I. Environmental Covenants. Lessee will not object to and, if requested by the City, will subordinate any rights it has under this Agreement to an environmental covenant or environmental land use restriction which (i) restricts the use of groundwater underlying the Premises; (ii) limits the use of the Premises to nonresidential uses; (iii) restricts access to soil underlying the Premises, or (iv) any other reasonable environmental land use restriction.

ARTICLE VIII INSURANCE, DAMAGE AND INDEMNIFICATION

SECTION 801. LIABILITY INSURANCE. Lessee will obtain (at its sole expense and maintain at all times during the Term of this Agreement) liability insurance **on an occurrence basis**, against the risk of all claims and demands by third persons for bodily injury (including wrongful death) and property damage arising or alleged to arise out of the activities or the omissions of Lessee, its officers, agents, employees, contractors, subcontractors, licensees, independent contractors and invitees, pursuant to this Agreement under the following types of coverage:

- A. Commercial General Liability Insurance in an amount not less than Two Million Dollars (\$2,000,000.00) per occurrence/aggregate.
- B. Automobile Liability Insurance in an amount not less than Two Million Dollars (\$2,000,000.00) combined single limit per occurrence (for automobiles used by Lessee in the course of its performance hereunder, including Lessee's non-owned and hired autos).
- C. Workers' Compensation and Employer's Liability Insurance in accordance with Missouri laws and regulations. With respect to Workers' Compensation Insurance, if Lessee elects to be self-insured, Lessee shall comply with the applicable requirements of law. Lessee shall require that all its subcontractors or licensees similarly provide such coverage (or qualify as a self-insured) for their respective employees. City, its officers, employees, or

agents are not liable or responsible for any claims or actions occasioned by Lessee's failure to comply with the provisions of this Subparagraph and that the indemnification provisions hereof apply to this Section. It is expressly agreed that the employees of Lessee are not employees of the City for any purpose, and that employees of the City are not employees of Lessee.

- D. Contents Insurance. Lessee is solely responsible for obtaining insurance policies that provide coverage for losses of Lessee-owned property, Removable Fixtures, Improvements, existing equipment or subsequently installed equipment within or on the Premises. The City is not required to provide such insurance coverage or be responsible for payment of Lessee's cost for such insurance.
- E. Builders Risk Insurance. During any period of construction or reconstruction for which Lessee contracts, Lessee shall carry, or shall require its contractor or contractors to carry, a policy of Builders Risk Insurance in an amount sufficient to insure the value of the work. The City must be named Loss Payee on Builders Risk coverage to the extent of the City's interest therein (except to the extent coverage relates to Lessee's Removable Fixtures, equipment and personal property). Lessee may elect to self-insure for individual projects with a total cost of Fifty Thousand Dollars (\$50,000.00) or less. In addition, Lessee or its contractor(s) shall carry not less than Two Million Dollars (\$2,000,000.00) of commercial general liability (single limit liability with no annual aggregate) and not less than Two Million Dollars (\$2,000,000.00) of automobile liability insurance coverage (including owned, non-owned and hired vehicles; single limit liability with no annual aggregate) during the period of construction, alteration, refurbishment, demolition, excavation, installation, renovation, or reconstruction.
- F. Issuer of Policy. The issuer of each policy required herein must be a financially sound insurance company authorized to issue insurance policies in the State of Missouri. Acceptable insurers include insurance companies with an "A.M. Best Company" rating of at least an "A," or other insurers or insurance syndicates of similar recognized responsibility.
- G. Form of Policies. The insurance may be in one or more policies of insurance.
- H. Non-waiver. Nothing the City does or fails to do relieves Lessee from its duties to provide the required coverage hereunder, and the City's actions or inactions are not to be construed as waiving the City's rights hereunder.
- I. Insured Parties. Each policy, by endorsement, except those for Workers' Compensation and Employer's Liability, must name the City, its officers, agents, and employees as "additional insured". As verification of compliance with this Subparagraph, Lessee agrees to provide the City with a copy of the endorsement(s) and certificate of insurance, including all renewal endorsements and certificates, reflecting Lessee's obligation to name the City, its officers, agents, and employees as "additional insured". Inclusion as an "additional insured" is not intended to, and does not make the City a partner or joint venturer with Lessee in its operations.

- J. Deductibles. Lessee agrees to assume and bear any claims or losses to the extent of any deductible amounts and waives any claim it may ever have for the same against the City, its officers, agents, or employees; provided, however, that nothing herein stated diminishes Lessee's rights or increase Lessee's obligations with respect to its undertakings or hold harmless defense and indemnification set forth in Section 803.
- K. Cancellation. Each policy must expressly state that it may not be cancelled, materially modified or non-renewed unless a thirty (30) day advance notice is given in writing to the City by the insurance company, or authorized representative of Lessee.
- L. Subrogation. Each policy must contain an endorsement by which the issuer waives any claim or right in the nature of subrogation to recover against the City, its officers, agents, or employees and Lessee agrees to provide the City with a copy of said endorsement.
- M. Endorsement of Primary Insurance. Each policy hereunder, except Workers' Compensation, must, by endorsement, be primary insurance to any other insurance available to the Additional Insured and Loss Payee with respect to claims arising hereunder and Lessee agrees to provide the City with a copy of said endorsement.
- N. Liability for Premium. Lessee is solely responsible for payment of all insurance premiums required pursuant to this Agreement, and the City is not obligated to pay any premiums; provided, however, that if Lessee fails to obtain the insurance as required herein or make premium payments, the City may, without further notification, effect such insurance or make such payments on Lessee's behalf and, after notice to Lessee, the City may recover the cost of those payments with the installment of rents next due, plus fifteen percent (15%) administrative charge, from Lessee.
- O. Proof of Insurance. Within thirty (30) days of full execution of the Agreement and at any time during the term hereof, Lessee shall furnish the City with certificates of insurance and endorsements reflecting Lessee's insurance obligations hereunder. At least fifteen (15) days prior to the expiration of any such policy, Lessee shall submit to the City a certificate, and all required endorsements, showing that such insurance coverage has been renewed. If such coverage is canceled or reduced, Lessee shall, within fifteen (15) days after the date of such notice from the insurer of such cancellation or reduction in coverage, file with the City a certificate, and all required endorsements, showing that the required insurance has been reinstated or provided through another insurance company or companies. Upon reasonable notification by the City to Lessee, the City has the right to examine Lessee's insurance policies.
- P. Maintenance of Coverage. Notwithstanding the proof of insurance requirements set forth above, it is the intention of the parties hereto that Lessee, continuously and without interruption, maintain in force the required insurance coverages set forth above.
- Q. City Right to Review and Adjust Coverage Limits. The City reserves the right at reasonable intervals during the term of this Agreement to cause the insurance

requirements of this Article to be reviewed, at its sole cost, by an independent insurance consultant experienced in insurance for public airports, taking into consideration changes in statutory law, court decisions, or the claims history of the Lessee industry as well as that of Lessee, and, based on the written recommendations of such consultant, and in consultation with Lessee, to reasonably adjust the insurance coverages and limits required herein but not more often than every twenty-four (24) months.

SECTION 802. LESSEE ACTIONS AFFECTING INSURANCE. Lessee shall not knowingly do or permit to be done anything, either by act or failure to act, that may cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance for the Airport, or that may cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement. If such Lessee's act, or failure to act, causes cancellation of any policy, then Lessee shall immediately, upon notification by the City, do whatever is necessary to cause reinstatement of said insurance. Furthermore, if Lessee does or permits to be done any act or fails to do any act which causes an increase in the City's insurance premiums, Lessee shall immediately remedy such actions and pay the increase in premiums, upon Notice from the City to do so; but in any event, Lessee will hold the City harmless for any expenses or damage resulting from any such action..

SECTION 803. INDEMNIFICATION.

A. Lessee shall defend, indemnify, and hold harmless St. Charles County, Missouri, St. Clair County, Illinois, St. Louis County, Missouri, the City, their respective officers, agents and employees (the "**Indemnified Parties**") from and against any and all loss, liability, penalties, damages of whatever nature, causes of action, suits, claims, demands, judgments, injunctive relief, awards, settlements, costs, and expenses, including payments of claims of liability resulting from any injury or death of any person or damage to or destruction of any property including all reasonable costs for investigation and defense thereof (including but not limited to attorneys' fees, court costs and expert fees) of any nature, arising out of and in connection with this Agreement, or Lessee's use of its Premises or other areas or facilities at the Airport by Lessee, its agents, employees, contractors, or subcontractors, including, but not limited to:

1. the acts or omissions of Lessee, its agents, employees, contractors, or suppliers;
2. Lessee's use or occupancy of the Airport and the Premises; and
3. any violation by Lessee under this Agreement of its use of its Premises or any provision, warranty, covenant, or condition of this Agreement.

Lessee shall, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not.

B. Lessee shall defend, indemnify, pay, and hold harmless the Indemnified Parties from and against all applicable taxes and assessments for which the City may become liable and which by law may be levied or assessed on the Premises, or which arise out of the

operations of Lessee or by reason of Lessee's occupancy of its Premises except for any taxes or assessments based on the gross or net income or gross or net receipts of the City that are not allocable to Lessee-related receipts. However, Lessee may, at its own risk, cost, and expense, and at no cost to the City, contest, by appropriate judicial or administrative proceedings, the applicability or the legal or constitutional validity of any such tax or assessment, and the City will, to the extent permitted by law, execute such documents as are necessary to permit Lessee to contest or appeal the same. Lessee is responsible for obtaining bills for all of said taxes and assessments directly from the taxing authority and shall promptly deliver to the City, upon request by the City, copies of receipts of payment. If the City receives any tax billings falling within the scope of this paragraph, it will forward said billings to Lessee. Lessee shall, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not.

- C. Lessee shall defend, indemnify, and hold harmless the Indemnified Parties from and against any claim, suit, demand, action, liability, loss, damage, judgment, or fine, and all costs and expenses of whatever kind or nature associated therewith in any way arising from or based in whole or substantial part upon claim or allegation of a violation of any federal, state, or local laws, statutes, resolutions, regulations, ordinance, or court order affecting the Airport, by Lessee, its agents, employees, contractors, or suppliers, in conjunction with Lessee's use or occupancy of the Premises. Lessee will, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not. Lessee shall include the substance of this Subsection (C) in every sublease, contract or other permit which Lessee may enter into related to its activities on the Premises, and any such sublease, contract or other permit must specifically provide that the City is a third-party beneficiary of this and related provisions. This provision does not constitute a waiver of any other condition of this Agreement prohibiting or limiting assignments, subletting or subcontracting.
- D. Lessee shall defend, indemnify, and hold harmless the Indemnified Parties from and against any claim, suit, demand, action, liability, loss, damage, judgment, or fine, and all costs and expenses of whatever kind or nature arising from or based in whole or part upon the presence in, or the release into, the environment or the Airport of any Hazardous Materials to the extent caused by, or resulting from, the acts or omissions of Lessee or its agents, employees, contractors, invitees, licensees, or suppliers at the Airport whether resulting from negligent conduct or otherwise.
- E. If a prohibited incursion into the air operations area occurs, or if the Aircraft Operations Area or sterile area security is breached, by or due to the negligence or willful act or omission of any of Lessee's employees, agents, contractors, or suppliers, and such incursion or breach results in a civil penalty action against the City, Lessee shall assume the defense of any such action and be responsible for any civil penalty or settlement amount required to be paid by the City as a result of such incursion or breach. The City shall notify Lessee of any allegation, investigation, or proposed or actual civil penalty sought for such incursion or breach. Civil penalties and settlement and associated expenses reimbursable under this paragraph include but are not limited to those paid or incurred as a result of violation of FAA or TSA regulations or security directives.

- F. Lessee's obligation to defend and indemnify past officers, employees, and agents of the City applies to such persons only for claims, suits, demands, actions, liability, loss, damages, judgments, or fines arising from events, occurrences, and circumstances during which said officers, employees, and agents held their office or position with the City.
- G. The City shall promptly notify Lessee of each claim, action, proceeding, or suit in respect of which indemnity may be sought by the City against Lessee hereunder, setting forth the particulars of such claim, action, proceeding or suit; shall furnish Lessee with a copy of all judicial filings and legal process and any correspondence received by the City related thereto; and shall tender the defense of same to Lessee.
- H. The duty to defend, indemnify, hold harmless, and reimburse applies to any claim, demands, or suits made against the City for which Lessee is responsible pursuant to this Section. Provided, however, that upon the filing by anyone of a claim with the City for damages arising out of incidents for which Lessee herein agrees to indemnify and hold the City harmless, the City shall promptly notify Lessee of such claim and, if Lessee does not settle or compromise such claim, then Lessee shall undertake the legal defense of such claim both on behalf of Lessee and on behalf of the City, at Lessee's expense; provided, however, that Lessee shall immediately notify City if a conflict between the interests of Lessee and City arises during the course of such representation. Lessee shall use counsel reasonably acceptable to the City Counselor of the City or his or her designee, after consultation with the Airport Director, in carrying out its obligations hereunder. The provisions of this section survive the expiration or early termination of this Agreement. It is specifically agreed, however, that the City, at its option and at its own expense, may participate in the legal defense of any claim defended by Lessee in accordance with this Section. Any final judgment rendered against the City for any cause for which Lessee is liable hereunder is conclusive against Lessee as to amount upon the expiration of the time for appeal therefrom. Nothing in this Article is deemed a change or modification in any manner whatsoever of the method or conditions of preserving, asserting, or enforcing any claim of legal liability against the City. This Section does not in any way waive any of the City's sovereign or other immunity.
- I. Lessee shall invite the City, at its own expense except as otherwise provided herein, to attend and participate in all meetings (including those related to settlement) and to appear and participate in all judicial proceedings and to the extent of its interests, approve, in writing, the terms of any settlement related to any claim, action, proceeding or suit set forth in this Section.
- J. Notwithstanding the provisions of this Section, Lessee has no obligation to defend, indemnify, or hold harmless the City for any amounts to be paid in connection with losses, liabilities, penalties, damages of whatever nature, causes of action, suits, claims, demands, injunctive relief, judgments, awards and settlements because, and to the extent, of the negligence or willful misconduct of the City, but only if the City is conclusively determined to be more than 10% liable due to contributory negligence.

- K. This Section survives the expiration or early termination of this Agreement. Lessee understands and agrees that any insurance protection furnished by Lessee pursuant to Section 801 in no way limits Lessee's responsibility to indemnify and hold harmless the City under the provisions of this Agreement.

SECTION 804. CITY NOT LIABLE. Unless otherwise expressly provided for in this Agreement, the City is not in any event liable to Lessee for:

- A. any acts or omissions of Lessee, its officers, directors, employees, agents, contractors, or suppliers, or for any conditions resulting from the operations or activities of Lessee's directors, officers, employees, agents, contractors, or suppliers;
- B. Lessee's failure to perform any of the obligations hereunder or for any delay in the performance thereof;
- C. any environmental condition in existence at the Airport, or any part thereof, which condition may interfere with Lessee's business or other operations or activities, or which might otherwise cause damages to Lessee through loss of business, destruction of property, or injury to Lessee, its officers, directors, employees, agents, contractors, suppliers, invitees, or licensees except to the extent such conditions are caused by the City, its employees or agents; or
- D. bodily injury or any loss or damage to real or personal property or business income occasioned by flood, fire, smoke, earthquake, lightning, windstorm, hail, explosion, riot, strike, civil commotion, vandalism, malicious mischief, or acts of war or terrorism, or for any injury, loss or damage not caused by the negligence, willful misconduct, or bad faith of the City.

ARTICLE IX ASSIGNMENT AND SUBLETTING

SECTION 901. ASSIGNMENT AND SUBLEASE. Lessee shall not assign or transfer this Agreement. Lessee may sublease the Premises; however, all subleases are subject to the prior written approval of the Director. At least sixty (60) days prior to any contemplated sublease of all or any part of the Premises, Lessee must submit in writing a request to the Director. This request must include a copy of the proposed sublease. No sublease shall be effective as it pertains to the City until such time as the City received a fully executed copy of the approved subleased agreement as provided for herein. Any sublease for space or granting of rights acquired hereunder shall be subject to the review and prior written approval of the Director. All subleases must require at a minimum: (1) strict compliance with all applicable Provisions of this Agreement, (2) a provision that the sublessee will use the facilities for the purposes identified in this Agreement, (3) a provision providing that all terms of the sublease are subject to and subordinate to the applicable Provisions of this Agreement, and (4) a provision that the term of the sublease shall expire immediately at the expiration or early termination of this Agreement. Lessee covenants, stipulates, represents, warrants, and agrees that the Lessee shall be responsible for the performance of its sublessees and shall initiate and take corrective action immediately should a sublessee fail to

strictly comply with its sublease or any Provision of this Agreement.

ARTICLE X
TERMINATION OF AGREEMENT IN ITS ENTIRETY

SECTION 1001. RIGHTS CUMULATIVE. It is understood and agreed that the rights and remedies of the City and Lessee specified in this Agreement are not intended to be, and are not exclusive of one another or exclusive of any common law right of either of the parties hereto.

SECTION 1002. EVENTS OF DEFAULT. Each of the following constitutes an “**Event of Default**” under this Agreement:

- A. Lessee fails to punctually pay when due any Rental Payment or any other sums required to be paid hereunder, and such failure continues for a period of fifteen (15) days after Notice of non-payment has been given to Lessee by the City.
- B. Lessee fails to keep, perform and observe any promise, covenant or other provision of this Agreement for a period of thirty (30) days after Notice specifying such failure by the City; provided, however, that any such failure which can be cured, but which cannot with due diligence be cured within such thirty (30) day period, will not give rise to the City's right to terminate this Agreement if corrective action is instituted by Lessee within such thirty (30) day period and diligently pursued until the failure is corrected.
- C. Any representation or warranty of a material fact made by Lessee herein or in any certificate or statement furnished to the City pursuant to or in connection herewith proves untrue in any material respect as of the date of issuance or making thereof, and such materiality is then continuing.
- D. Lessee discontinues its conduct of business at the Premises for a period of thirty (30) consecutive days or, after exhausting or abandoning any further appeals, Lessee is prevented for a period of thirty (30) consecutive days by action of any governmental agency other than the City from conducting its business at the Premises.
- E. Lessee fails to maintain the minimum required insurance coverage as required by Section 801 for a period of thirty (30) days after Notice specifying such failure by the City, provided that the City has the right to immediately suspend Lessee's right to operate at the Airport until Lessee has obtained the minimum required insurance coverage.
- F. Lessee becomes insolvent (as such term is defined under Section 101 of the Federal Bankruptcy Code, 11 U.S.C. § 101 et seq. (the “**Bankruptcy Code**”), or any successor statute thereto); or fails to pay its debts generally as they mature; or takes the benefit of any present or future federal or state insolvency statute; or makes a general assignment for the benefit of creditors.
- G. Lessee files a voluntary petition in bankruptcy or a petition or answer seeking an arrangement of its indebtedness under the Bankruptcy Code or under any other law or

statute of the United States or of any state thereof, or under any law or statute of another country; or consents to the appointment of a receiver, trustee, custodian, liquidator, or other similar official, of all or substantially all of its property; or an order for relief is entered by or against Lessee under any chapter of the Bankruptcy Code.

- H. Lessee is adjudged a debtor or bankrupt or an order is made approving a petition filed by any of Lessee's creditors or stockholders seeking Lessee's liquidation or reorganization under the Bankruptcy Code or under any other law or statute of the United States or any state thereof, and such order or decree is not stayed or vacated within sixty (60) days of its issuance.
- I. A petition under any chapter of the Bankruptcy Code or an action under any federal or state insolvency law or statute, or an action under any insolvency law or statute of another country is filed against Lessee and is not dismissed or stayed within sixty (60) days after the filing thereof.
- J. By or pursuant to, or under authority of any legislative act, resolution, or rule, or any order or decree of any court or governmental board, agency or officer, a receiver, trustee, custodian, liquidator, or other similar official takes possession or control of all or substantially all of the property of Lessee and such possession or control continues in effect for a period of sixty (60) days.
- K. Lessee becomes a corporation in dissolution.
- L. The letting, license, or other interest of or rights of Lessee hereunder is transferred to, passed to, or devolved upon, by operation of law or otherwise, any other person, firm, corporation, or other entity, by, in connection with or as a result of any bankruptcy, insolvency, trusteeship, liquidation, or other proceedings or occurrence described in subparagraphs (F) through (K) of this Section.
- M. Lessee enters into an Assignment or sublease which is not approved by the City in accordance with the provisions of Article IX, and, if a sublease, it is not terminated within ten (10) days after Notice from the City.

Notwithstanding any other provision of this Agreement, if, as of the beginning Term of this Agreement, Lessee is a debtor in a Chapter 7 or Chapter 11 case under the Bankruptcy Code, such case does not constitute an Event of Default.

SECTION 1003. TERMINATION BY THE CITY.

- A. Whenever an Event of Default has occurred, the City may, at its option, immediately and without further notification of such Event of Default:
 - 1. Terminate this Agreement or Lessee's rights granted hereby, but without discharging any of Lessee's obligations hereunder and, at the City's further option, exclude Lessee from its Premises. If Lessee uses, occupies, or fails to surrender or remove its

property from its Premises, or any portion thereof, without the consent of the City after this Agreement has been terminated or expires, Lessee may be deemed a tenant at sufferance during the period of such use or failure and, in such event, Lessee shall pay rents and other fees established by the City during such period. In such event, the City has, in addition to whatever other rights are available to the City, the right to all remedies provided under applicable laws, and reasonable costs, disbursements, and attorney fees including consequential damages incurred as a result of the holdover.

2. Without terminating this Agreement, exclude Lessee from its Premises and use its best efforts to transfer the Premises to a replacement Lessee. Lessee remains liable for all Rental Payments and other payments due hereunder for the remainder of the Term of this Agreement; provided, however, that any rents received from a replacement Lessee will be credited against the amounts owed by Lessee.
- B. In the event of an Event of Default, the City may exercise any and all of the rights provided to it in this Section irrespective of any subsequent cure by Lessee, unless otherwise mutually agreed by Lessee and the City.
 - C. The remedies set forth in this Article are in addition to all other remedies which are or may be available to the City at law or in equity to enforce the performance and observance of any obligation, permit or covenant of Lessee hereunder, including collection of amounts due.
 - D. All rights and remedies given to the City herein and all rights and remedies granted to the City by law are cumulative and concurrent. No termination of this Agreement or the taking or recovering of the Premises will deprive the City of any of the City's remedies or actions against Lessee for rents or fees due hereunder or for damages or for the breach of any covenant herein contained, nor will the bringing of any action for rents or fees or breach of covenant, the resort to any other remedy herein provided for the recovery of rents or fees or any delay in exercising such rights, be construed as a waiver of the right to obtain possession of the Premises.
 - E. In no event will this Agreement or any rights or privileges hereunder be an asset of Lessee under any bankruptcy, insolvency, or reorganization proceedings.

SECTION 1004. LESSEE'S RIGHT TO TERMINATE. Lessee, at its option, may declare this Agreement terminated in its entirety, in the manner provided in Section 1005 hereof, if City has failed in the performance of any material term, covenant or condition within the control of City and herein required to be performed by City.

SECTION 1005. PROCEDURE FOR TERMINATION. No termination declared by either party will be effective unless and until not less than thirty (30) days have elapsed after notice by either party to the other specifying the date upon which such termination will take effect, and the cause for which this Agreement is being terminated and no such termination will be effective if such cause of default is cured within said thirty (30) day period, or if by its nature cannot be cured within such thirty (30) day period, and if the party at default commences to diligently correct such default within said thirty

(30) days and corrects the same as promptly as is reasonably practicable. In the event that suit is instituted by City upon the default of payment of rents, charges and fees as provided herein, then Lessee agrees also to pay reasonable attorneys' fees, court cost and expenses.

SECTION 1006. LESSEE'S DAMAGES. In the event City breaches any term, covenant, or condition of this Agreement, and is unable or unwilling to cure said breach in accordance with the procedures provided for in Section 1005, Lessee warrants, covenants and agrees that its sole remedy, either at law or in equity, is to terminate this Agreement by giving City written notice.

ARTICLE XI SURRENDER OF PREMISES

SECTION 1101. SURRENDER OF PREMISES. On expiration or early termination of this Agreement, Lessee shall:

- A. Peaceably surrender possession of the Premises and other space made available to Lessee hereunder in a clean, sanitary, and good condition, excepting only reasonable wear and tear (taking into account repair and maintenance required to be done by Lessee), acts of God, fire, and other casualties, and the City has the right to take possession of said Premises hereunder with or without due process of law;
- B. Return the Premises to the City in a condition such that Hazardous Materials which were placed, stored, used, generated, treated, released, discharged, disposed, or spilled on, under, or about the Premises by Lessee, its officers, directors, employees, agents, contractors, or suppliers do not exceed allowable levels established under applicable Environmental Laws and Environmental Permits in accordance with Article VII. If the City is required under applicable Environmental Laws to undertake actions to bring the Premises into compliance with this provision, or any applicable Environmental Laws or Environmental Permits as a result of Lessee's failure to timely correct same in accordance with Article VII, Lessee shall reimburse the City for any Remediation Costs incurred by the City, as provided for in Article VII; and
- C. Lessee further agrees to restore Premises to their original condition at the commencement of this Agreement or any previous agreement between Lessee and City involving the Premises at Lessee's expense within 30 days of termination of this Agreement.

SECTION 1102. REMOVAL OF PERSONAL PROPERTY. Provided Lessee is not in default for non-payment of rents or any other payment due hereunder, Lessee has the right at its sole cost, on expiration or early termination of this Agreement and within fifteen (15) days thereafter, to remove or dispose of all Removable Fixtures installed or placed by Lessee, in, on, or about the Premises. Lessee is not entitled to remove non-trade fixtures without the advance consent of the City. If, following the expiration or early termination of this Agreement, the City has immediate need to accommodate a new tenant, the City may remove and store Lessee's Removable Fixtures, at Lessee's risk.

SECTION 1103. REMOVAL DAMAGES. Lessee shall repair any damage caused by the removal of its Improvements and Removable Fixtures. Removal is at Lessee's expense. Notwithstanding the above, consideration will be given to the intended long-term use of the Premises and if the City determines that such Premises would not be maintained for a period warranting the repairs indicated above, the City may alter or waive the repair requirement of this Subsection. If the Premises are yielded or delivered to the City in need of repair, reconditioning, or restoration to the condition that existed when Lessee first used the Premises pursuant to this Agreement or any preceding agreement (reasonable wear and tear excepted, taking into account repair and maintenance required to be done by Lessee), after notification by the City to Lessee, the City has the right to repair or recondition said Premises and the cost thereof, plus actual administrative costs and will be invoiced to Lessee and payable immediately upon demand in accordance with Section 503.B.

SECTION 1104. OWNERSHIP OF FIXTURES AND PERSONAL PROPERTY NOT REMOVED. In the event Lessee fails to remove its Removable Fixtures within fifteen (15) days after receipt of notice by the City or the expiration or early termination of this Agreement, such Removable Fixtures may be deemed abandoned by the City. In addition to whatever other rights are available to the City at law or in equity, with prior notification of Lessee, the City has the right to: (i) remove and store all or any portion of the Removable Fixtures at Lessee's expense, or (ii) take title to, use, sell, or otherwise dispose of all or any portion of the Removable Fixtures. If the City takes title to any Removable Fixtures or otherwise disposes of the property, the City will be entitled to all proceeds of sale of any Removable Fixtures as liquidated damages for the cost of Lessee's breach of its covenant to timely remove its Removable Fixtures, and may seek other remedies at law or in equity (see Article VI, Section 607 entitled "Title To Improvements").

SECTION 1202. NON-DISCRIMINATION AND AFFIRMATIVE ACTION PROGRAM.

- A. Lessee hereto understands and agrees that City, in operation and use of Airport, will not on the grounds of race, creed, color, religion, sex, age, national origin, ancestry or disability, discriminate or Agreement discrimination against any person or group of persons in a manner prohibited by 49 C.F.R. Part 21.
- B. Lessee agrees that in performing under this Agreement, neither it nor its personal representatives, successors in interest, and assigns, and anyone under its control will permit discrimination against any employee, worker, or applicant for employment because of race, creed, color, religion, sex, age, national origin, ancestry or disability. Lessee will take affirmative action to insure that applicants are employed and that employees are treated fairly without regard to race, creed, color, religion, sex, age, national origin, ancestry or disability. Such action must include, but is not limited to action to bar, employ, upgrade or recruit; expel, discharge, demote or transfer; layoff, terminate or create intolerable working conditions, rates of pay or other forms of compensation and selection for training including apprenticeship.
- C. Lessee agrees that in performing under this Agreement, neither it nor anyone under its control will permit discrimination against any employee, worker, or applicant for employment because of race, creed, color, religion, sex, age, national origin, ancestry, or disability. Lessee will take affirmative action to insure that applicants are employed and that employees are treated fairly without regard to race, creed, color, religion, sex, age, national origin, ancestry or disability. Such action must include, but is not limited to action to bar, employ, upgrade or recruit; expel, discharge, demote or transfer; layoff, terminate or create intolerable working conditions, rates of pay or other forms of compensation and selection for training including apprenticeship.
- D. Lessee will in all printed or circulated solicitations or other advertisement or publication for employees placed by or on behalf of Lessee state that all qualified applicants will receive meaningful consideration for employment without regard to race, creed, color,

religion, sex, age, national origin, ancestry or disability. All advertisements or solicitations for applicants for employment must contain the phrase "An Equal Opportunity Employer". Lessee will not make inquiry in connection with prospective employment, which expresses directly or indirectly any limitation, specification, or discrimination because of race, creed, color, religion, sex, age, national origin, ancestry or disability.

- E. Lessee agrees that should it be determined by Lessee or City that it will be unable to conform to its approved positive employment program submitted to determine eligibility under the fair employment practices provisions of the City Code, it will notify the Fair Employment Practices Division of the Civil Rights Enforcement Agency ("CREA") within ten (10) days of such determination, as to the steps to be taken by Lessee to achieve the provisions of its program.
- F. Lessee will permit reasonable access by City to such persons, reports, and records as are necessary for the purpose of ascertaining compliance with fair employment practices.
- G. Lessee further agrees that these clauses (B through F) covering discrimination and equal opportunity practices in all matters of employment and training for employment will be incorporated by Lessee in all contracts or permits it enters into with suppliers of materials or services, contractors and subcontractors, and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or service in connection with this Agreement.
- H. Whenever Lessee is sued by a subcontractor, vendor, individual, group, or association as a result of non-compliance with the clauses (A through G) of these provisions relating to fair employment practices, Lessee shall notify the City Counselor in writing of such suit or threatened suit within ten (10) days.
- I. In event of Lessee's noncompliance with nondiscrimination clauses of this Agreement, or to furnish information or permit its books, records and account to be inspected within twenty (20) days from date requested, this Agreement may be canceled, terminated or suspended, in whole or in part, and Lessee may be declared ineligible for further City contracts for a period of one (1) year by option of City, provided, further, if this Agreement is canceled, terminated or suspended for failure to comply with fair employment practices, Lessee will have no claims for any damages or loss of any kind whatsoever against City.
- J. Lessee will establish and maintain for the term of this Agreement an affirmative action program according to the Mayor's Executive Order on Equal Opportunity in Employment and City reserves the right to take such action as the City of St. Louis and the United States Government may direct to enforce the above covenants.
- K. Lessee assures that it will undertake an affirmative action program as required by 14 CFR, Part 152, Subpart E, to insure that no person, on the grounds of race, creed, color, national origin, sex, religion, age or disability, is excluded from participating in any

employment activities covered in 14 CFR Part 152, Subpart E. Lessee assures that no person is excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Lessee assures that it will require that its covered suborganizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

- L. Lessee shall comply with all applicable nondiscriminatory requirements that may be imposed pursuant to the Federal Aviation Act of 1958, as amended; Title VI of the Civil Rights Act of 1964, as amended; 49 C.F.R. Parts 21, 23, and 26, as said regulations may be amended; and state and local laws.

SECTION 1203. NO PERSONAL LIABILITY. No director, officer, employee, or agent of the City or Lessee will be charged personally or held contractually liable by or to the other party under any term or provision of this Agreement or because of any breach hereof or because of its or their execution of this Agreement. Any administrative complaint brought against the City relating to any aspect of this Agreement must be brought against the City and not against named individual respondents.

SECTION 1204. FORCE MAJEURE.

- A. Neither party hereto will be liable to the other for any failure, delay, or interruption in performing its obligations hereunder due to acts, events or conditions beyond its control, including acts of God, weather conditions, shortages of energy or materials, embargoes, riots, rebellions, sabotage, acts of a public enemy, war, terrorism, insurrection, strikes, boycotts, picketing, slow-downs, work stoppages or other labor actions affecting the rights or obligations of the City or Lessee hereunder, their respective contractors or subcontractors, except to the extent that such failure, delay or interruption directly or indirectly results from failure on the part of the City or Lessee to use reasonable care to prevent, or make reasonable efforts to cure, such failure, delay or interruption; provided, however, that, except as herein specifically provided, nothing in this Section is intended, or should be construed, to abate, postpone or in any respect diminish Lessee's obligations to make any payments due to the City pursuant to this Agreement.
- B. The City is under no obligation to supply any service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor is prohibited or rationed by any law, ordinance, rule, regulation, requirement, order or directive of any federal, state, county or municipal government having jurisdiction.

SECTION 1205. SUCCESSORS AND ASSIGNS. The terms, conditions, and covenants of this Agreement inure to the benefit of, and are binding upon, the parties hereto and upon their permitted successors, assigns and sublessees, if any. This provision does not constitute a waiver of any conditions regarding assignment or subletting contained in this Agreement.

SECTION 1206. QUIET ENJOYMENT. Upon payment of all amounts due hereunder and performance of the covenants and agreements on the part of Lessee to be performed hereunder, the City shall not act or fail to act, except as otherwise provided by this Agreement, in a manner that will prevent Lessee from peaceably having and, in accordance with the terms hereof, enjoying the Premises and all rights, licenses, services, and privileges of the Airport and its appurtenances and facilities granted herein.

SECTION 1207. OPERATION AND MAINTENANCE OF AIRPORT. The City will at all times operate the Airport properly and in a sound and economical manner; and the City will use reasonable effort to maintain, preserve and keep the same or cause the same to be maintained, preserved and kept, with the appurtenances in good repair, working order and condition, and will from time to time use reasonable effort to make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the Airport may be properly and advantageously conducted in conformity with standards customarily followed by municipalities operating airports of like size and character.

SECTION 1208. SUBORDINATION TO AGREEMENTS WITH THE UNITED STATES

- A. This Agreement will be subordinated to the provisions of any existing or future agreement between the City and the United States Government or governmental authority, relating to the operation or maintenance of the Airport, the execution of which has been or will be required as a condition precedent to the granting of federal funds or the approval to impose or use PFCs for the improvement or development of the Airport. Lessee shall not cause the City to violate any assurances made by the City to the United States Government in connection with the granting of such federal funds or the approval of such PFCs.
- B. All provisions of this Agreement will be subordinate to the rights of the United States of America to operate all of the Airport or any part thereof during time of war or national emergency. Such rights will supersede any provisions of this Agreement inconsistent with the operation of the Airport by the United States of America.

SECTION 1209. GOVERNING LAW AND FORUM SELECTION. This Agreement is made and entered into in the State of Missouri, and Missouri law governs and applies to this Agreement. Any cause of action, claim, suit, demand, or other case or controversy arising from or related to this Agreement must be brought only in a federal or state court in the City of St. Louis, Missouri. Lessee and the City hereby admit and consent to the jurisdiction and venue of such courts. The provisions of this section survive the expiration or termination of this Agreement.

SECTION 1210. REQUIRED APPROVALS.

- A. Whenever in this Agreement any approval is required, such decision must be promptly rendered and must not be unreasonably withheld or conditioned. No disapproval is valid if such disapproval constitutes an anticompetitive act as described by a federal agency having jurisdiction over such matters.

- B. Unless otherwise required by state or local law, wherever in this Agreement the approval, authorization, consent, certification, determination, waiver, or any other action of the City is required, it may be performed by the Airport Director, unless otherwise provided herein. In taking such actions, the Airport Director shall act reasonably, and take into consideration the best interest of the traveling public and the operations of the Airport.
- C. In all instances in this Agreement where consent or approval of one party is required for an action by the other party, such consent must be in writing unless otherwise agreed by the parties.

SECTION 1211. NO WAIVERS. No provision of this Agreement is deemed to have been waived by either party unless such waiver is in writing, signed by the party making the waiver and addressed to the other party, nor will any custom or practice that may evolve between the parties in the administration of the terms of this Agreement be construed to waive or lessen the right of either party to insist upon the performance of the other party in strict accordance with the terms of this Agreement.

SECTION 1212. INVALID PROVISIONS. If any covenant, condition, or provision in this Agreement is held to be invalid, illegal, or unenforceable by any court of competent jurisdiction, or conclusively determined to be inconsistent with federal law or FAA grant assurances, such covenant, condition, or provision will be deemed amended to conform to applicable laws so as to be valid or enforceable or, if it cannot be so amended without materially altering the intention of the parties, it will be stricken. If stricken, all other covenants, conditions and provisions of this Agreement will remain in full force and effect provided that the striking of such covenants, conditions or provisions does not materially prejudice either the City or Lessee in its respective rights and obligations contained in the valid covenants, conditions, or provisions of this Agreement.

SECTION 1213. ENTIRE AGREEMENT. This Agreement, including the attached exhibits, embodies the entire Agreement between the City and Lessee relating to the subject matter hereof, and supersedes all prior agreements and understandings, written or oral, express or implied, between the City and Lessee relating thereto.

SECTION 1214. ADVERTISING. Lessee has no right to use the trademarks, symbols, trade names or name of the Airport or Premises, either directly or indirectly, in connection with any production, promotional service or publication without the prior written consent of the Director.

SECTION 1215. CONFLICTS BETWEEN TENANTS. In the event of a conflict between Lessee and any other tenant, licensee or concessionaire, as to the respective rights of the others, the Director will review the applicable agreements and by reasonable interpretation thereof determine the rights of each party, and Lessee agrees to be bound by such decision. All determinations by the Director are final.

SECTION 1216. PREVAILING WAGE. Lessee shall, as a condition of the Agreement, include in all service contracts pertaining to the Premises, language specifying the minimum prevailing wages to be paid and fringe benefits to be provided by the service contractor to employees of

said service contractor. This Section is in accordance with and is subject to the City of St. Louis Ordinance No. 62124.

SECTION 1217. AMERICANS WITH DISABILITIES ACT (ADA). Lessee is responsible for compliance with the Federal ADA, and other federal, state, or local laws or regulations and the City Ordinances pertaining to the disabled individual having access to Lessee's services.

SECTION 1218. TIME IS OF THE ESSENCE. The parties expressly agree that time is of the essence in this Agreement. Failure by a party to complete performance within the time specified, or within a reasonable time if no time is specified herein, relieves the other party, without liability, of any obligation to accept such performance.

SECTION 1219. ACKNOWLEDGMENT OF TERMS AND CONDITIONS. The parties hereto acknowledge that they have thoroughly read this Agreement, including any exhibits or attachments hereto and have sought and received whatever competent advice and counsel was necessary for them to form a full and complete understanding of all rights and obligations herein. The parties further acknowledge that this Agreement is the result of negotiations between the parties and will not be construed against the City by reason of the preparation of this Agreement by the City.

SECTION 1220. SURVIVAL OF WARRANTIES. All warranties and covenants set forth in this Agreement survive the execution and performance of this Agreement.

SECTION 1221. EXHIBITS. All certificates, documents, exhibits, attachments, riders, and addenda referred to herein, including the exhibits referred hereto, are hereby incorporated into this Agreement by reference and made a part hereof as though set forth in full in this Agreement to the extent they are consistent with its conditions and terms.

SECTION 1222. COUNTERPARTS. This Agreement may be executed in one or more counterparts.

SECTION 1223. SECURITY PLAN AND FACILITIES. Lessee hereby acknowledges that the City is required by the Transportation Security Administration ("TSA") regulation 49 CFR 1500, et al to adopt and put into use facilities and procedures designed to prevent and deter persons and vehicles from unauthorized access to air operations areas. The City has met said requirements by developing a master security plan for the Airport, and Lessee covenants and agrees to be fully bound by and immediately responsive to the requirements of the plan in connection with Lessee's exercise of the privileges granted to Lessee hereunder. Lessee shall, within thirty (30) days of the City's request, reimburse the City for all fines or penalties imposed upon the City by the TSA or the FAA resulting from Lessee's negligence or failure to act in relation to TSA regulation 49 CFR 1500 et al or any other applicable airport security regulations.

SECTION 1224. FAA NON-DISCRIMINATION. The Lessee for itself, personal representatives, successor in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that:

- A. in the event facilities, structures or improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a FAA activity, facility or program is extended or for another purpose involving the provision of similar services or benefits, the Lessee will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations such that no person on the grounds of race, color, or national origin, will be excluded from participating in, denied the benefits of, or otherwise subjected to discrimination in the use of the Premises;
- B. no person on the ground of race, color, or national origin will be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of the Premises or the facilities, structures or improvements within the Premises;
