MBE/WBE) PARTICIPATION**

A. Definitions:

As used in this requirement, "Minority Business Enterprise" or "MBE" and "Women Business Enterprise" or "WBE" are defined as follows:

1. **"Minority Business Enterprise" or "MBE"** means a minority business enterprise as defined in the Mayor's Executive Order #28, as amended.
2. **"Women Business Enterprise" or "WBE"** means a women's business enterprise as defined the Mayor's Executive Order #28, as amended.

B. Policy:

It is the policy of the City of St. Louis Airport Authority to ensure the maximum utilization of minority and women's business enterprises in contracting and the provision of goods and services to the City, its departments, agencies and authorized representative and to all entities receiving City funds or City-administered government funds while at the same time maintaining the quality of goods and services provided to the City and its subrecipients through the competitive bidding process. The provisions of this Policy apply to all contracts awarded by the City, its departments and agencies and to all recipients of City funds or City-administered government funds and will be liberally construed for the accomplishments of its policies and purposes.

C. Goal:

A goal of 25% MBE and 5% WBE utilization has been established in connection with this Agreement. This goal is based on the original Agreement amount and remains in effect throughout the term of this Agreement. If an award of this Agreement is made and the MBE/WBE participation is less than this Agreement goal, the Contractor shall continue good faith efforts throughout the term of this Agreement to increase MBE/WBE participation and to meet this Agreement goal. **Please note: Contractors certified as either an MBE or WBE must still fill both goals. In addition, Contractors certified as both an MBE and a WBE can only fulfill either the MBE goal or the WBE goal, not both goals.**

D. Obligation:

1. The Contractor will take all reasonable steps to ensure that MBEs/WBEs have maximum opportunity to participate in contracts and subcontracts financed by the City of St. Louis Airport Authority provided under this Agreement. The Contractor will not discriminate on the basis of race,

color, national origin, or sex in the award or in the performance of contracts financed by the City of St. Louis Airport Authority.

2. A current Directory of M/W/BE certified firms is available online at www.flystl.com/bdd.

F. Counting MBE/WBE Participation toward Goals:

MBE/WBE participation towards the attainment of the goals will be credited on the basis of the total subcontract prices agreed to between the Contractor and subcontractors for the contract items being sublet as reflected on the “**MBE/WBE Utilization Plan**”. *Firms must be certified prior to the bid opening in order to be used to fulfill the participation goals.*

G. Post Award Compliance:

If the contract is awarded on less than full MBE/WBE goal participation, such award will not relieve the Contractor of the responsibility to continue good faith efforts to maximize participation of MBEs/WBEs during the term of this Agreement.

H. Substitution of MBE/WBE Firms after Award:

1. The Contractor will conform to the scheduled amount of MBE/WBE participation. When a listed MBE/WBE is unwilling or unable to perform the items of work or supply the goods or services specified in the MBE/WBE Utilization Plan, the Contractor will immediately notify the contracting department and City of St. Louis Airport Authority Business Diversity Development (BDD) office prior to replacement of the firm.
2. Substitutions of MBE/WBE must be approved in writing by the Director. See Appendix B, Section 3.B. Substitutions of MBE/WBE will be allowed only when the MBE/WBE has failed to perform due to a default (material breach) of its subcontract or agreement. Contractor will not cancel or terminate its agreement with the MBE/WBE without cause and shall timely forward supporting documentation substantiating the cause of the default or termination to the Director for review.

I. Good Faith Efforts:

1. When the M/WBE goals cannot be met, the Contractor must document and submit justification utilizing the Contractor's **"Good Faith Efforts Report Form"** and provide a statement as to why the goals could not be met.  - 4. The information provided will be evaluated to determine if the low bidder is responsive. All the information provided must be accurate and complete in every detail. The apparent low bidder's attainment of the M/WBE goal or demonstration of good faith effort will assist in determining the award of the contract.
- J. Record Keeping Requirements:

The Contractor shall keep such records (copies of subcontracts, paid invoices, documentation of correspondence) as are necessary for the City of St. Louis Airport Authority to determine compliance with the MBE/WBE contract obligations. The City of St. Louis Airport Authority reserves the right to investigate, monitor and review actions, statements, and documents submitted by any contractor, subcontractor, or MBE/WBE.
- K. Reporting Requirement:

The Contractor shall submit monthly reports on MBE/WBE involvement to the City of St. Louis Airport Authority Business Diversity Development Office via the BDD online reporting system. Therefore, the Contractor agrees that the Director, on behalf of the City, may elect to implement liquidated damages after written notice to the Contractor for failure to report. The stated liquidated damages in this sub-section are cumulative over the term of this Agreement and are in addition to any other remedies City may have under this Agreement or at law or in equity:
