A. Definitions:

As used in this requirement, "Minority Business Enterprise" or "MBE" and "Women Business Enterprise" or "WBE" are defined as follows:

1. **"Minority Business Enterprise" or "MBE"** means a small business concern as defined in Small Business Act, 15 U.S.C., as amended that is 51 percent owned by a minority or, in the case of a corporation, at least 51 percent of the stock of which is owned by one or more individuals who are minorities; and whose management and daily business operations are controlled by one or more individuals who are Asian American, Black American, Hispanic American or Native American; and located in the Metropolitan St. Louis Area.

B. Policy:

It is the policy of the City of St. Louis Airport Authority to ensure the maximum utilization of minority and women's business enterprises in contracting and the provision of goods and services to the City, its departments, agencies and authorized representative and to all entities receiving City funds or City-administered government funds while at the same time maintaining the quality of goods and services provided to the City and its subrecipients through the competitive bidding process. The provisions of this Policy will apply to all contracts awarded by the City, its departments and agencies and to all recipients of City funds or City-administered government funds and will be liberally construed for the accomplishments of its policies and purposes.

C. Goal:

A goal of 25 % MBE and 5 % WBE utilization has been established in connection with this Agreement. This goal is based on the original Agreement amount and remains in effect throughout the term of this Agreement. If an award of this Agreement is made and the MBE/WBE participation is less than this Agreement goal, the Contractor will continue good faith efforts throughout the term of this Agreement to increase MBE/WBE participation and to meet this Agreement goal.

Please note: Contractors which have been certified as either an MBE or WBE are still required to fill both goals. In addition, Contractors which have been certified as an MBE and a WBE can only be used to fulfill either the MBE goal or the WBE goal, not both goals.

D. Obligation:

1. The Contractor agrees to take all reasonable steps to ensure that MBEs/WBEs have maximum opportunity to participate in contracts and subcontracts financed by the City of St. Louis Airport Authority provided under this Agreement. G. Post Award Compliance:

If the contract is awarded on less than full MBE/WBE goal participation, such award will not relieve the Contractor of the responsibility to continue good faith efforts to maximize participation of MBEs/WBEs during the term of this Agreement.

I. Good Faith Efforts:
