- E. In the event of the Contractor's non-compliance with the nondiscrimination clauses of this Agreement, or to furnish information or permit records and accounts to be inspected, within twenty days from the date requested, this Agreement may be canceled, terminated, or suspended in whole or part and Contractor may be declared ineligible for further City contracts for a period of one year, by the option of the City; provided further in the event the contract is canceled, terminated, or suspended for failure to comply with fair employment practices, the Contractor will have no claim for any damages against the City.
- F. Contractor further agrees that these clauses (A through E) on discrimination and equal opportunity practices in all matters of employment and training for employment will be incorporated by Contractor in all contracts or agreements entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this Agreement.
- G. Whenever the Contractor is sued or threatened with litigation by a subcontractor, vendor, individual, group or association, as a result of compliance with the clauses (A through F) of these provisions relating to fair employment practices, such contractor will notify the City Counselor in writing of such suit or threatened suit within ten days.

- I. Contractor shall comply with all applicable nondiscriminatory requirements that may be imposed pursuant to the Federal Aviation Act of 1958, as amended; Title

VI of the Civil Rights Act of 1964, as amended; 49 C.F.R. Parts 21, 23, and 26, as said regulations may be amended; and state and local laws.

5. **MINORITY BUSINESS ENTERPRISE AND WOMEN BUSINESS ENTERPRISE (MBE/WBE) PARTICIPATION**

A. Definitions:

As used in this requirement, "Minority Business Enterprise" or "MBE" and "Women Business Enterprise" or "WBE" are defined as follows:

1. **"Minority Business Enterprise" or "MBE"** means a minority business enterprise as defined in the Mayor's Executive Order #28, as amended.
2. **"Women Business Enterprise" or "WBE"** means a women's business enterprise as defined the Mayor's Executive Order #28, as amended.

B. Policy:

It is the policy of the City of St. Louis Airport Authority to ensure the maximum utilization of minority and women's business enterprises in contracting and the provision of goods and services to the City, its departments, agencies and authorized representative and to all entities receiving City funds or City-administered government funds while at the same time maintaining the quality of goods and services provided to the City and its subrecipients through the competitive bidding process. The provisions of this Policy apply to all contracts awarded by the City, its departments and agencies and to all recipients of City funds or City-administered government funds and will be liberally construed for the accomplishments of its policies and purposes.

C. Goal:

A goal of 25 % MBE and 5 % WBE utilization has been established in connection with this Agreement. This goal is based on the original Agreement amount and remains in effect throughout the term of this Agreement. If an award of this Agreement is made and the MBE/WBE participation is less than this Agreement goal, the Contractor will continue good faith efforts throughout the term of this Agreement to increase MBE/WBE participation and to meet this Agreement goal. **Please note: Contractors which have been certified as either an MBE or WBE are still required to fill both goals. In addition, Contractors which have been certified as an MBE and a WBE can only be used to fulfill either the MBE goal or the WBE goal, not both goals.**

D. Obligation:

1. The Contractor agrees to take all reasonable steps to ensure that MBEs/WBEs have maximum opportunity to participate in contracts and subcontracts financed by the City of St. Louis Airport Authority provided under this Agreement. The Contractor will not discriminate on the basis of race, color, national origin, or sex in the award or in the performance of contracts financed by the City of St. Louis Airport Authority.
2. A current Directory of M/W/DBE certified firms is available online at [http://www.flystl.com/Business Diversity](http://www.flystl.com/BusinessDiversity) under the Business Profile Directory link. A paper copy of the Directory may be requested at the Airport DBE Programs Office, Lambert – St. Louis International Airport, P.O. Box 10212, St. Louis, Missouri 63145 or by calling (314) 426-8111.

E. Eligibility:

Contractor should contact the City of St. Louis Airport Authority DBE Program Office to obtain a list of eligible MBEs/WBEs and to determine the eligibility of the MBE/WBE firms it intends to utilize in this Agreement.

F. Counting MBE/WBE Participation Toward Goals:

MBE/WBE participation towards the attainment of the goal will be credited on the basis of the total subcontract prices agreed to between the Contractor and subcontractors for the contract items being sublet as reflected on the “**MBE/WBE Utilization Plan**” attached hereto as Attachment 3 and incorporated herein (see Bidder’s Checklist Item 4). *Firms must be certified prior to the bid opening in order to be used to fulfill the participation goals.*

G. Post Award Compliance:

If the contract is awarded on less than full MBE/WBE goal participation, such award will not relieve the Contractor of the responsibility to continue good faith efforts to maximize participation of MBEs/WBEs during the term of this Agreement.

H. Substitution of MBE/WBE Firms After Award:

1. The Contractor will conform to the scheduled amount of MBE/WBE participation. When a listed MBE/WBE is unwilling or unable to perform the items of work or supply the goods or services specified in the MBE/WBE Utilization Plan, the Contractor will immediately notify the City of St. Louis Airport Authority DBE office prior to replacement of the firm.

2. Substitutions of MBE/WBE must be approved in writing by the Director. (See Appendix B, Section 3.B.) Substitutions of MBE/WBE will be allowed only when the MBE/WBE has failed to perform due to a default (material breach) of its subcontract or agreement. Contractor understands, warrants, and agrees that it will not cancel or terminate its agreement with the MBE/WBE without cause and will timely forward supporting documentation substantiating the cause of the default or termination to the Director for review.

I. Good Faith Efforts:

When the M/WBE goals cannot be met, the Bidder will document and submit justification utilizing the Contractor's "**Good Faith Efforts Report Form**" attached hereto as Attachment 4 and incorporated herein and provide a statement as to why the goals could not be met. (See Bidder's Checklist Item 5.) The quality and intensity of the contractor's good faith efforts will be evaluated by the City. The contractor must demonstrate the good faith efforts taken to meet the M/WBE goals, including but not limited to the following:

1. Efforts made to select portions of the work proposed to be performed by M/WBEs in order to increase the likelihood of achieving the stated goal, including, where appropriate, but not limited to, breaking down contracts into economically feasible units to facilitate M/WBE participation. Selection of portions of work are required to at least equal the goal for M/WBE utilization specified in the contract.
2. Written notification at least (14) calendar days prior to the opening of bids, soliciting individual M/WBEs interested in participation in the contract as a subcontractor, regular dealer, manufacturer, consultant, or service agency and for what specific items or type of work.
3. Written notification to disadvantaged economic development assistance agencies and organizations which provide assistance in recruitment and placement of M/WBEs, of the type of work, supplies, or services being considered for M/WBEs on this contract.
4. Efforts made to negotiate with M/WBEs for specific items of work including evidence on:
 - a. The names, addresses, telephone numbers of M/WBEs who were contacted, the dates of initial contact and whether initial solicitations of interest were followed up by contacting the M/WBEs to determine with certainty whether the M/WBE is interested. Personal or phone contacts are expected.

- b. A description of the information provided the M/WBEs regarding the plans and specifications and estimated quantities for portions of the work to be performed.
 - c. A statement of why additional agreements with M/WBEs were not reached, and
 - d. Documentation of each M/WBE contacted but rejected and the reasons for the rejection.
- 5. Absence of any agreements between the contractor and the M/WBE in which M/WBE promises not to provide subcontracting quotations to other bidders.
- 6. Efforts made to assist the M/WBEs that need assistance in obtaining bonding, insurance, or lines of credit required by the contractor.
- 7. Documentation that qualified M/WBEs are not available, or not interested.
- 8. Attendance at any meeting scheduled by the user department, or the SLDC to encourage better contractor-subcontractor relationships, forthcoming M/WBE utilization opportunities (i.e. pre-bid, workshops, seminars), etc.
- 9. Advertisement, in general circulation media, trade association publications, disadvantaged-focused media, of interest in utilizing M/WBEs and area of interest.
- 10. Efforts to effectively use the services of available disadvantaged community organizations; disadvantaged contractor's groups; local, state and federal disadvantaged business assistance offices; and other organizations that provide assistance in recruitment and placement of M/WBEs.
- 11. Examples of actions not acceptable as reasons for failure to meet the M/WBE goal.
 - a. M/WBE unable to provide performance and/or payment bonds.
 - b. Rejection of reasonable bid based on price.
 - c. M/WBE would not agree to perform items of work at the unit bid price.
 - d. Union versus nonunion status.
 - e. Contractor normally would perform all or most of the work of the contract.

- f. Solicitation by mail only.
 - g. Restricting to only those general group of items which may be listed in bids under such headings "Items Subcontractible to M/WBE firms".
 - 12. The demonstration of good faith efforts by the contractor must, in the end, prove the contractor had actively and aggressively sought out M/WBEs to participate in the project.
 - 13. The information provided will be evaluated to determine if the low bidder is responsive. All the information provided must be accurate and complete in every detail. The apparent low bidder's attainment of the M/WBE goal or demonstration of good faith effort will assist in determining the award of the contract.
- J. Record Keeping Requirements:
- The Contractor will keep such records (copies of subcontracts, paid invoices, documentation of correspondence) as are necessary for the City of St. Louis Airport Authority to determine compliance with the MBE/WBE contract obligations. The City of St. Louis Airport Authority reserves the right to investigate, monitor and/or review actions, statements, and documents submitted by any contractor, subcontractor, or MBE/WBE.
- K. Reporting Requirement:
- The Contractor will submit quarterly reports on MBE/WBE involvement to the City of St. Louis Airport Authority DBE Office. Actual payments to MBEs/WBEs will be verified. These reports will be required until all MBE/WBE subcontracting activity is complete or the MBE/WBE goal has been achieved.
- L. Applicability Of Provisions To MBE/WBE Contractors:
- These provisions are applicable to all contractors including MBE/WBE contractors. If the MBE/WBE contractor intends to sublet any portion of this Agreement, the MBE/WBE contractor will comply with provisions regarding contractor and subcontractor relationships.

6. **RIGHT TO AUDIT CLAUSE**

- A. The Contractor's "**records**" must be open to inspection and subject to audit and reproduction during normal working hours and kept within the greater St. Louis metropolitan area. A City representative may perform such audits or an outside

Living Wage Bulletin (See **Exhibit B**) which is attached hereto and incorporated herein. The initial rate will be adjusted each year no later than April 1, and Contractor hereby agrees to adjust the initial hourly rate to the adjusted rate specified in the Living Wage Bulletin at the time the Living Wage Bulletin is issued.

2. **Notification:** Contractor shall provide the Living Wage Bulletin together with the "Notice of Coverage" to all employees in English, Spanish, and any other languages spoken by a significant number of the Contractor's employees within thirty (30) days of the effective date of this Agreement for existing employees and within thirty (30) days of employment for new employees.
3. **Posting:** Contractor shall post the Living Wage Bulletin, together with a "Notice of Coverage", in English, Spanish, and any other languages spoken by a significant number of the Contractor's employees, in a prominent place in a communal area of each worksite covered by this Agreement.

Contractor shall include these Living Wage Compliance Provisions in any contract with such Subcontractors.
5. **Term of Compliance:** Beginning on the effective date of this Agreement, Contractor hereby agrees to comply with these Living Wage Compliance Provisions and with the Regulations for as long as work related to this Agreement is being performed by Contractor's employees, and to submit the reports required by the Regulations for each calendar year or portion thereof during which such work is performed.
6. **Reporting:** Contractor shall provide the Annual Reports and attachments required by the Ordinance and Regulations.
7. **Penalties:** Contractor acknowledges and agrees that failure to comply with any provision of the Ordinance or Regulations may result in penalties specified in the Ordinance and Regulations, which penalties may include, without limitation, suspension or termination of this Agreement, forfeiture and/or repayment of City funds, disbarment, and/or the payment of liquidated damages, as provided in the Ordinance and Regulations.
