## **COVID-19 Vaccinations**

**Register or Walk-in - FREE**

St. Louis County Public Health agency will administer both Pfizer two-dose and Johnson & Johnson one-dose Covid-19 vaccinations. Appointments are encouraged but not required. You can get second dose shot.

For more information, to register and to find the Community Center location go to:

**Why vaccinate? We are facing a public health emergency in the spread of the COVID Delta variant among non-vaccinated persons. The longer we hesitate to get vaccinated, the more time & opportunities the virus has to mutate into more resistant versions. The cycle will continue.**
