As of June 30, 2016, the Airport was served by 12 signatory airlines*, which have use agreements, of which two are cargo carriers. Eighteen airlines have operating agreements, fourteen are designated as affiliates, and two of which are cargo carriers. An individual airline that signed a Use and Lease Agreement with the Airport has a contract that establishes how the airlines are assessed annual rates and charges for their use of the Airport. These agreements will expire on June 30, 2016.

Landing and rental fees are calculated on operating and maintenance expenses and are charged to the airlines based upon landing weights or square footage utilized. The amount charged is adjusted based upon actual expenses and actual landed weight. Nonaffiliated airlines with operating agreements and carriers landing without an Airport Agreement are assessed 125% of the landing fee rate assessed carriers with use agreements.

Capital Acquisitions and Construction Activities

During fiscal year 2016, the Airport expended $21,398 on capital activities related to construction in progress. During 2016, completed projects totaling approximately $17,206 were closed from construction in progress to their respective capital accounts. The major completed projects were as follows:

Terminal and concourse improvements	$	7,039
Runway improvements		8,734
Roadway improvements		404
Airport Office Building, Banshee Buildings and others		1,029
Total	$	17,206

Capital asset acquisitions and improvements exceeding $10,000 (in dollars) are capitalized at cost. Acquisitions are funded using a variety of financing techniques, including federal grants, State of Missouri grants, passenger facility charges, debt issuances, and Airport operating revenues. Additional information on the Airport's capital assets and commitments can be found in the notes to the basic financial statements.

Passenger Facility Charges (PFC)

The Airport initially received approval from the FAA to impose a passenger facility charge of $3.00 (in dollars) per enplaned passenger beginning December 1, 1992, not to exceed $131,453, principally to finance the Airport Capital Improvement Program. On December 1, 2001, the Airport received approval to increase the PFC $4.50 (in dollars) per enplaned passenger. The current limitation on passenger facility charges to be collected is $1,075,575.

The PFC is withheld by the respective airline for each ticket or transfer in St. Louis and remitted to the Airport one month after collection, less a $0.11 (in dollars) per ticket operating fee by the airline. PFC revenue is classified as nonoperating revenue.

*American Airlines and US Airways began operating under the same certificate on April 8, 2015, and the 'US Airways' name was discontinued on October 17, 2015. For purposes of this report, American Airlines and US Airways are treated as a single airline brand for the 12-month period ending June 30, 2016.

Long-Term Debt Administration

At June 30, 2016, the Airport had the following bond series outstanding:

Revenue Refunding Bonds, Series 2005, dated July 7, 2005, maturing annually from fiscal year 2013 through 2032 with interest coupons of 5.50%

- Balance outstanding at June 30, 2016 - $228,645

(1) Summary of Significant Accounting Policies

The Lambert – St. Louis International Airport (the Airport) is owned and operated by the City of St. Louis, Missouri (the City). The Airport is an enterprise fund of the City, and therefore, the basic financial statements of the Airport are not intended to present the financial position, changes in financial position, and cash flows of the City as a whole in conformity with U.S. generally accepted accounting principles.

(a) Basis of Accounting

Governmental enterprise funds are used to account for operations of governmental entities that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

The Airport prepares its financial statements in accordance with U.S. generally accepted accounting principles for governmental enterprise funds, which are similar to those for private business enterprises. Accordingly, the economic resource measurement focus and the accrual basis of accounting are used whereby revenues are recorded when earned and expenses are recorded when incurred.

In reporting its financial activity, the Airport applies all applicable Governmental Accounting Standards Board (GASB) pronouncements.

Enterprise funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's ongoing operations. Revenues from airlines, concessions, and parking are reported as operating revenues. Transactions that are capital, financing, or investing related are reported as nonoperating revenues. All expenses related to operating the Airport are reported as operating expenses. Interest expense, financing costs, and losses on the disposal of capital assets are reported as nonoperating expenses.

(b) Accounts Receivable

Accounts receivable at June 30, 2016 consist of $3,171 due from air carriers and concessionaires with operations at the Airport. Such amounts are recorded net of allowances for uncollectible accounts of $21.

(c) Supplies and Materials

Supplies and materials represent items used in support of operations and maintenance of the Airport. Supplies and materials amounts are recorded at cost using a method that approximates the first-in, first-out method.

Confidential
sfprint@stlouis-mo.gov
2020-10-16 14:00:53 +0000

(d) Passenger Facility Charges (PFCs)

The Airport collects a $4.50 (in dollars) facility charge per enplaned passenger to fund approved FAA projects. The PFCs are withheld by the respective airlines for each ticket purchased and passenger transfer made in St. Louis and remitted to the Airport one month after the month of receipt, less an $0.11 (in dollars) per ticket operating fee retained by the airlines. PFCs represent an exchange-like transaction, and are recognized as nonoperating revenue based upon passenger enplanements. Passenger facility charges receivable as of June 30, 2016 were $2,223. These amounts were collected during July and August of 2016.

(e) Capital Assets

Capital assets are recorded at cost. Depreciation, including depreciation recognized on assets acquired through government grants and other aid, is computed on the straight-line method over the estimated useful lives of the various classes of assets. Land is recorded at cost, which, in addition to the purchase price, includes appraisal and legal fees, demolition, and homeowner relocation costs. Net interest costs on funds borrowed to finance the construction of capital assets are capitalized and amortized over the life of the related asset.

Airport management has evaluated prominent events or changes in circumstances affecting capital assets to determine whether any impairments of capital assets have occurred (note 12). Such events or changes in circumstances that were considered by Airport management to be indicative of impairment include evidence of physical damage, enactment or approval of laws or regulations, or other changes in environmental factors, technological changes or evidence of obsolescence, changes in the manner or duration of use of a capital asset, and construction stoppage.

(f) Interest Expense

Bond discounts and bond premiums are recorded as reductions of or additions to the related debt obligation as appropriate. Such amounts are deferred and amortized over the life of the bonds using the bonds outstanding method. Bond issuance costs are recognized as an outflow of resources and are expensed as incurred.

(g) Other Assets

Other noncurrent assets, as of June 30, 2016, comprise an advance of $1,689 provided to the Airport's parking contractor and will be repaid to the Airport at the conclusion of the parking contract.

(h) Accounts Payable and Accrued Expenses

Accounts payable and accrued expenses at June 30, 2016 comprise $5,252, of accrued salaries and benefits; $7,621 due to vendors and contractors; and $1,359 of other accrued expenses.

(i) Vacation and Sick Leave Benefits

Under the terms of the City's personnel policy, City employees are granted vacation and sick leave. Employees who have an unused sick leave balance may, at retirement, elect to receive payment for one-half of the sick leave balance. As an estimate of the portion of sick leave that will result in termination payments, a liability has been recorded on the accompanying financial statements within other long-term liabilities representing one-half of the accumulated sick leave balances for those employees who will be eligible to retire within five years. The liability totaled $2,047 as of June 30, 2016, and is included in other long-term liabilities.

The vacation liability reflects amounts attributable to employee services already rendered and are cumulative. The liability totaled $2,998 as of June 30, 2016, and is included in accounts payable and accrued expenses.

(j) Capital Contributions and Intergovernmental Revenue

Capital contributions represent government grants and other aid used to fund capital projects. Generally, capital contributions are recognized when the related expenditure is made and amounts become subject to claim for reimbursement. Certain Airport Improvement Program grants include look-back provisions, which allow the Airport to seek reimbursement for expenditures incurred prior to the respective Airport Improvement Program grant award date. In such circumstances, the Airport recognizes capital contributions for such grants upon meeting both the applicable eligibility requirements established by GASB Statement No. 33, *Accounting for Nonexchange Transactions*, and upon the designation of expenditures as eligible Airport Improvement Program expenditures as evaluated through the report date of the accompanying financial statements. Amounts received from other governments that are not restricted for capital purposes are reflected as nonoperating intergovernmental revenue.

(k) Statements of Cash Flows

For purposes of the statements of cash flows, "cash and cash equivalents" is defined as all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased.

(l) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

(m) Accounting Pronouncements

GASB Statement No. 72, *Fair Value Measurement and Application*, was issued in February 2015. This statement addresses accounting and financial reporting issues related to fair value measurements. The statement requires disclosures to be made about fair value measurements, the level of fair value

Confidential - Property of mycreditunion.gov 2021-01-19 11:00:53 +0000

hierarchy, and valuation techniques. The requirements of this statement are effective for the Airport for the year ending June 30, 2016. In adopting this statement, the Airport has implemented the note disclosure to reflect the level of fair value hierarchy for investments, as well as indicated the fair value methodology. This information can be referenced in Note 2.

GASB Statement No. 76, *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*, was issued June 2016. The objective of this statement is to identify the hierarchy of generally accepted accounting principles. This statement reduces the generally accepted accounting principles (GAAP) hierarchy to two categories of authoritative GAAP and addresses the use of authoritative and nonauthoritative literature in the event that the accounting treatment for a transaction or other event is not specified with a source of authoritative GAAP. The requirements of this statement are effective for the Airport for the year ending June 30, 2016.

(n) Future Accounting Pronouncements

GASB Statement No. 77, *Tax Abatement Disclosures*, will be effective for the Airport beginning with its year end June 30, 2017. The objective of this statement is to provide financial statement users with essential information about the nature and magnitude of the reduction in tax revenues through tax abatement programs in order to better assess the government's financial position and results of operations.

GASB Statement No. 78, *Pensions Provided through Certain Multiple-Employer Defined Benefit Pension Plans,* will be effective for the Airport beginning with its year end June 30, 2017. The objective of this Statement is to address a practice issue regarding the scope and applicability of Statement No. 68, *Accounting and Financial Reporting for Pensions.* This issues is associated with pensions provided through certain multiple-employer defined pension plans and to state or local government employers whose employees are provided with such pensions. The Airport has not evaluated the impact of this statement.

GASB Statement No. 80, *Blending Requirements for Certain Component Units – an Amendment of GASB Statement No. 14,* will be effective for the Airport beginning with its year end June 30, 2017. The objective of this Statement is to improve financial reporting by clarifying the financial statement presentation requirements for certain component units and amends the blending requirements for the financial statement presentation of component units of all state and local governments. The additional criteria requires blending of a component unit incorporated as a not-for-profit corporation in which the primary government is the sole corporate member. The additional criterion does not apply to component units included in the financial reporting entity pursuant to the provisions of Statement No. 39, *Determining Whether Certain Organizations Are Component Units.* The Airport has not evaluated the impact of this statement.

GASB Statement No. 82, *Pension Issues – an Amendment of GASB Statements No. 67, No. 68, and No.73,* will be effective for the Airport beginning with its year end June 30, 2017. The objective of this Statement is to address certain issues that have been raised with respect to Statements No. 67, *Financial Reporting for Pension Plans,* No. 68, *Accounting and Financial Reporting for Pensions,*

Confidential
2021-01-16 14:10:53 +0000

and No. 73, *Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68.* Specifically, this Statement addresses issues regarding (1) the presentation of payroll-related measures in required supplementary information, (2) the selection of assumptions and the treatment of deviations from the guidance in an Actuarial Standard of Practice for financial reporting purposes, and (3) the classification of payments made by employers to satisfy employee (plan member) contribution requirements. The Airport has not evaluated the impact of this statement.

(2) Cash and Investments

The Airport applies the provisions of GASB Statement No. 72, which requires investments to be measured at fair value. The definition of fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The statement established a hierarchy of inputs to valuation techniques used to measure fair value. The hierarchy has three levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2 inputs are inputs – other than quoted prices – included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs, such as management's assumption of the default rate among underlying mortgages of a mortgage backed security.

The following table presents assets that are measured at fair value on a recurring basis at June 30, 2016:

Investments are recorded at fair value. Fair value for investments is determined by closing market prices at year-end as reported by the respective investment custodian.

The Airport deposits all cash with the Office of the Treasurer of the City, which maintains all banking relationships for the Airport. Additionally, all investment decisions are made by the City Treasurer and the City's agents.

Certificates of deposit are defined as investments for balance sheet classification and cash flow purposes; for custodial risk disclosure, however, they are described below as cash deposits. In addition, money market mutual funds are classified as cash and cash equivalents on the balance sheet, but as investments for custodial risk disclosure.

The Airport's current assets contemplate the exclusion of resources that are restricted as to withdrawal or use for other than current operations, are designated for expenditure in the acquisition or construction of noncurrent assets, or are segregated for the liquidation of long-term debts (except for maturing debt that is recorded as a current liability).

As of June 30, 2016, the Airport had the following cash deposits and investments:

Federal Home Loan Bank	$	45,703
Federal National Mortgage Association		50,856
Federal Home Loan Mortgage Corporation		11,458

State statutes and City investment policies authorize the deposit of funds in financial institutions and trust companies. Investments may be made in obligations of the United States Government or any agency or instrumentality thereof; bonds of the State of Missouri, the City of St. Louis, Missouri, or any city within the state with a population of 400,000 inhabitants or more; or time certificates of deposit. In addition, the City may enter into repurchase agreements maturing and becoming payable within 90 days secured by United States Treasury obligations or obligations of the United States Government agencies or instrumentalities of any maturity as provided by law. Funds in the form of cash deposits are required to be insured or collateralized by authorized investments held in the City's name.

(a) Interest Rate Risk

The Airport seeks to minimize its exposure to fair value losses arising from changes in interest rates by selecting investments in adherence to the Investment Policy for the City of St. Louis, Missouri

(Investment Policy). The Investment Policy provides that, to the extent possible, the City shall attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City will not directly invest in securities or make a time deposit with a stated maturity or more than five years from the date of purchase. The average maturity for collateral provided to the City for deposits in connection with a repurchase agreement shall not exceed five years without the written approval of the City Treasurer. In connection with any outstanding bond issue, debt service reserve funds may be invested to a maximum maturity of 15 years, and up to 30 years with the approval of the Treasurer.

The investments had the following maturities on June 30, 2016:

(c) Custodial Credit Risk

Custodial credit risk is the risk that, in the event of the failure of a counterparty, the Airport will not be able to recover the value of the investments or collateral securities that are in the possession of the counterparty.

The Investment Policy requires that all cash deposits, time certificates of deposit, deposits with listed institutions, and repurchase agreements be covered by adequate pledged collateral. Acceptable collateral includes U.S. Treasury obligations, other interest-bearing securities guaranteed as to principal and interest by the U.S. or an agency or instrumentality of the U.S., bonds of the State of Missouri, or bonds of the City. The market value of the principal and accrued interest of the collateral must equal 103% of the deposits secured, less any amount subject to federal deposit insurance. All City securities and securities pledged as collateral must be held in a segregated account on behalf of the City by an independent third party with whom the City has a current custodial agreement and has been designated by the Treasurer and Funds Committee as eligible to serve in such a capacity.

At June 30, 2016, all Airport investments and all collateral securities pledged against Airport deposits are held by the counterparty's trust department or agent in the City's name.

(d) Concentration of Credit Risk

The Investment Policy of the City provides that, with the exception of U.S. Treasury Securities, no more than 50% of the City's total investment portfolio will be invested in a single security type or with a single financial institution. The Airport has no separate policy related to the concentration of credit

risk, and the Airport's concentration of credit risk is considered in conjunction with the review of the concentration of credit risk for the City's total investment portfolio.

At June 30, 2016, the concentration of the Airport's investments (excluding cash deposits) was as follows:

Federal National Mortgage Assoc.	21.78%
Federal Home Loan Mortgage Corp.	4.91
Commercial paper	12.18
U.S. Treasury bills and notes	18.76
Tennessee Valley Authority	1.48
Supra National Note	1.22
Federal Home Loan Bank	19.57

(3) Restricted Assets

Cash and investments, restricted in accordance with bond provisions, are as follows at June 30, 2016:

	2016
Airport Bond Fund:	
Debt Service Account	$ 57,141
Debt Service Reserve Account	35,825
Airport Renewal and Replacement Fund	3,500
Passenger Facility Charge Fund	20,739
Airport Debt Service Stabilization Fund	38,211
Airport Construction Fund	1,456
Drug Enforcement Agency funds	2,086
	$ 158,958

Bond provisions require that revenues derived from the operation of the Airport be deposited into the unrestricted Airport Revenue Fund. From this fund, the following allocations are made (as soon as practicable in each month after the deposit of revenues, but no later than five business days before the end of each month) in the following order of priority, and as applicable:

(a) Unrestricted Airport Operation and Maintenance Fund: an amount sufficient to pay the estimated operation and maintenance expenses during the next month.

(b) Airport Bond Fund: for credit to the Debt Service Account if and to the extent required so that the balance in said account shall equal the accrued aggregate debt service on the bonds, to the last day of

the then-current calendar month. This account shall be used only for payment of bond principal and interest as the same shall become due.

(c) Airport Bond Fund: for credit to the Debt Service Reserve Account: an amount sufficient to maintain a balance in such account equal to the debt service reserve requirement (an amount equal to the greatest amount of principal and interest due in any future fiscal year). This account shall be available for deficiencies in the Debt Service Account on the last business day of any month, and the balance shall be transferred to the Debt Service Account whenever the balance in the Debt Service Account (before the transfer) is not sufficient to pay fully all outstanding bonds.

(d) Arbitrage Rebate Fund: an amount necessary to fund the Arbitrage Rebate in order to pay the Rebate Amount when due and payable.

(e) Subordinated Indebtedness: an amount sufficient to pay Subordinated Indebtedness in accordance with the authorizing and implementing documents for such Subordinated Indebtedness.

(f) Airport Renewal and Replacement Fund: an amount equal to $57, provided that no deposit shall be required to be made into said fund whenever and as long as uncommitted moneys in said fund are equal to or greater than $3,500 or such larger amount as the City shall determine is necessary for purposes of said fund and provided further that, if any such monthly allocation to said fund shall be less than the required amounts, the amount of the next succeeding monthly payments shall be increased by the amount of such deficiency. This fund shall be used for paying costs of renewal or replacement of capital items used in connection with the operation of the Airport.

(g) A subaccount in the Airport Revenue Fund: an amount determined from time to time by the City such that if deposits were made in amounts equal to such amount in each succeeding month during each Airport fiscal year, the balance in such subaccount shall equal the amounts payable to the City with respect to such Airport fiscal year for the payment of 5% of gross receipts from operations of the Airport. A maximum of 80% of the monthly transfer to this subaccount may be paid to the City during the Airport's fiscal year. The final installment may only be paid to the City upon delivery of the Airport's audited financial statements to the Airport Bond Fund Trustee.

(h) Airport Debt Service Stabilization Fund and the Airport Development Fund: various amounts for fiscal years 2006 through 2011, achieved a balance of $38,211 at the end of fiscal year 2011. Beginning in fiscal year 2012, the Airport will allocate an amount sufficient to bring the amount on deposit in the Debt Stabilization Fund equal to the Debt Stabilization Fund Requirement (or such lesser amount as is available in the Revenue Fund for such transfer).

(i) The remaining balance in the Revenue Fund shall be deposited into the Airport Development Fund. This fund shall be used for extensions and improvements to the Airport, including equipment acquisition.

Bond provisions provide that, in the event the sums on deposit in the Airport Bond Fund – Debt Service and Debt Service Reserve Accounts are insufficient to pay accruing interest, maturing principal or both, Airport

Development Fund, and Airport Renewal and Replacement Fund may be drawn upon, to the extent necessary, to provide for the payment of such interest, principal, or both. Any sums so withdrawn from these accounts for said purposes shall be restored thereto in the manner provided for in their original establishment. Bond provisions also provide that the principal proceeds from the sale of Airport revenue bonds shall be held in the Airport Construction Fund from which they shall be disbursed for the purposes contemplated in the related bond provisions and City ordinances.

Passenger Facility Charge Fund and Drug Enforcement Agency Funds are restricted in accordance with program agreements.

Debt-Related Items Presented as Deferred Outflows of Resources

In accordance with GASB Statement No. 65, the loss on bond defeasance has been recorded as a deferred outflow of resources, net of the accumulated amortization and will be recognized as a component of interest expense using the bonds outstanding method over the life of the new bonds or of the old bonds, whichever is less. The detail of the debt-related items recognized as deferred outflows of resources is presented below:

Debt-Related Deferred Outflow of Resources

(7) Use Agreements and Leases with Signatory Air Carriers

Effective July 1, 2011, the Airport entered into long-term use and lease agreements with signatory air carriers that expired on June 30, 2016. Under the terms of the use and lease agreements, the air carriers have agreed to pay airfield landing fees; terminal and concourse rentals; hangar, cargo, and maintenance facility rentals; and certain miscellaneous charges in consideration for use of the Airport. The use and lease agreements also require the Airport to make certain capital improvements and to provide maintenance of certain Airport facilities. Payments by the air carriers are determined as follows:

(a) Landing fees are calculated based on estimated operating and maintenance expenses of the airfield and allocated to the air carriers on the basis of landing weights. Landing fee revenues are adjusted each year by retroactive rate adjustment that is calculated as the difference between estimated and actual costs incurred and estimated and actual landing weights. These revenues are included in aviation revenue – airfield.

(b) Rentals are calculated based on estimated operating and maintenance expenses of the terminal and concourse areas and hangars, cargo, and maintenance facilities, and allocated to the air carriers on the basis of square footage utilized. Rental revenue is adjusted each year by retroactive rate adjustment that is calculated as the difference between estimated and actual costs incurred. These revenues are included in aviation revenue – terminal and concourses, hangars and other buildings, or cargo buildings.

(c) Miscellaneous income is derived from the air carriers for their use of sanitary disposal facilities and airline service buildings.

Confidential
garvinm@stlouis-mo.gov
2020-01-16 14:10:53 1000

During fiscal year 2016, revenues from signatory air carriers accounted for 50.4% of total Airport operating revenues.

Minimum future rentals for each year in the next five years and in the aggregate are not determinable given the method of calculation.

The following is a summary of aviation revenue by category and source from signatory and nonsignatory air carriers for the year ended June 30, 2016:

	Signatory	Nonsignatory	Total
Airfield	$ 47,317	13,973	61,290
Terminal and concourses	20,926	781	21,707
Hangars and other buildings	508	668	1,176
Cargo buildings	127	266	393
	$ 68,878	15,688	84,566

No assurance can be given as to the levels of aviation activity that will be achieved at the Airport in future fiscal years. Future traffic at the Airport is sensitive to a variety of factors including (1) the growth in the population and the economy of the area served by the Airport; (2) national and international political and economic conditions, including the effects of any past or future terrorist attacks; (3) air carrier economics and air fares; (4) the availability and price of aviation fuel; (5) air carrier service and route networks; (6) the capacity of the air traffic control system; and (7) the capacity of the Airport/airways system.

The level of aviation activity at the Airport can have a material impact on the amount of total revenues generated at the Airport. However, Airport management believes the risk of significant variance in Airport revenues is mitigated by the Airport Use Agreements, concession agreements, and other leases, which contain minimum annual revenue guarantees. See note (19) subsequent events disclosure.

(8) Use Agreement with Signatory Air Carriers – Southwest Airlines and American Airlines, Inc.

Southwest Airlines (Southwest) and American Airlines, Inc. (American)* represent the major air carriers providing air passenger service at the Airport.

Southwest provided 26% of the Airport's total operating revenues and 51% of total revenues from participating air carriers for the fiscal year ended June 30, 2016. Accounts receivable at June 30, 2016 contained $516 relating to amounts owed to the Airport by Southwest. These amounts include $1,158 of unbilled aviation revenue credits at June 30, 2016.

American provided 10% of the Airport's total operating revenues and 20% of total revenues from signatory air carriers for the fiscal year ended June 30, 2016. Accounts receivable at June 30, 2016 contained $713 relating to unused credits issued by the Airport to American. These amounts include $573 of unbilled aviation revenue credits at June 30, 2016.

*American Airlines and US Airways began operating under the same certificate on April 8, 2015, and the US Airways name was discontinued on October 17, 2015. For purposes of this report, American Airlines and US Airways are treated as a single airline brand for the 12-month period ending June 30, 2016.

(9) Operating Leases

The Airport leases facilities and land with varying renewal privileges to various nonsignatory air carriers, concessionaires, and others. These leases, for periods ranging from 1 to 50 years, require the payment of minimum annual rentals. The following is a schedule by year of minimum future rentals on noncancelable operating leases, other than leases with signatory airlines, pursuant to long-term use agreements:

Year(s) ending June 30:		
2017	$	24,323
2018		23,917
2019		22,816
2020		16,924

The above amounts do not include contingent rentals that may be received under certain leases. Such contingent rentals amounted to $4,001 for the year ended June 30, 2016.

Unearned lease revenues included in other long-term liabilities in the amount of $4,909 as of June 30, 2016 represent the upfront lease revenues received by the Airport for the lease of certain land.

The Airport leases computer and other equipment and has service agreements under noncancelable arrangements that expire at various dates through April 2020. Expenses for operating leases and service agreements were $62 for the year ended June 30, 2016. Future minimum payments are as follows:

Year(s) ending June 30:		
2017	$	34
2018		19
2019		13
2020		8
Total minimum future rentals	$	74

(10) Concessions Revenues

During fiscal year 2016, revenues from concessionaires accounted for 18% of total Airport operating revenues.

Following is a summary of rental revenues received by type of concessionaire for the years ended June 30, 2016:

Advertising	$	671
Transportation services		1,312
Automobile rental		11,713
General merchandise sales		4,310

(11) Parking Revenue, net

Parking revenues, net represents revenues collected in conjunction with the operations of the Airport parking facilities, net of related expenses. Gross parking revenue and parking expenses for the year ended June 30, 2016 as follows:

Parking revenues	$	32,683
Parking expenses		(10,640)
Parking revenues, net	$	22,043

(12) Impairment of Capital Assets

Airport management performed an evaluation of capital assets, including whether prominent events or changes in circumstances affecting capital assets occurred, which may be indicative of impairment. As a result of evaluation of capital assets performed, and subsequent measurement of potential impairment losses, the Airport did not identify any impairments of capital assets during the years ended June 30, 2016.

(13) Related-Party Transactions

During the year ended June 30, 2016, the City charged the Airport $1,478 for services rendered by various City departments, which are included in the Airport's operating expenses as interfund services used.

Each year, the Airport pays the City a gross receipts tax equal to 5% of the Airport's gross receipts. During the year ended June 30, 2016, gross receipts tax amounted to $6,415 and is reflected as transfers-out in the accompanying basic financial statements. As of June 30, 2016, $1,860 remains unpaid.

(14) Retirement Plans

All employees of the Airport are covered by the following citywide employee retirement plans. Financial information has been taken directly from the financial statements that were audited by other auditors and whose reports have been furnished to us. The employees of the Airport Fire Department are covered by the Firemen's Retirement System of St. Louis (FRS), a single-employer defined-benefit retirement plan. Effective February 1, 2013, the City passed Ordinances #69149 and #69245 (amended by #69353) and Judge Dierker's ruling (Board Bill 109) replaced the FRS with a new retirement system, The Firefighters' Retirement Plan (FRP). All other employees are covered by the Employees' Retirement System of the City of St. Louis (Employees' System), a cost-sharing, multiple-employer, public defined-benefit retirement plan. Each system is administered by a separate Board of Trustees, members of which are appointed by City officials and plan participants.

Firemen's Retirement System of St. Louis (FRS)

(a) System Description (FRS)

The FRS issues a publicly available financial report that includes financial statements and supplementary information. That information may be obtained by writing to the Firemen's Retirement System of St. Louis; 1601 S. Broadway; St. Louis, Missouri, 63104.

The following disclosures are based on the September 30, 2015 financial statements and the October 1, 2015 actuarial valuation. The valuation as of October 1, 2015, reflects the changes attributable to Ordinances #69245 and #69353, and Judge Dierker's subsequent ruling (Board Bill 109). Key changes to the FRS are as follows:

- FRS is frozen as of February 1, 2013. That is, benefits paid from FRS will be based on the member's service and salary earned as of February 1, 2013. Participants with benefit service in FRS are classified as "grandfathered" members.
- Firefighters hired after February 1, 2013 are not members of FRS.
- Vesting and eligibility service earned after February 1, 2013 in the newly established Firemen's Retirement Plan of St. Louis (FRP) will count toward vesting and eligibility service in FRS.
- Ancillary benefits, for disability or death occurring after February 1, 2013, are assumed to be paid from the newly established FRP to the extent that benefits do not depend on service earned prior to February 1, 2013. FRS members who become disabled or die before retirement are eligible for a refund of contributions made to FRS.
- Employer contributions to the frozen FRS will continue to be calculated under the Frozen Initial Liability cost method.
- Member contributions after February 1, 2013 from "grandfathered" participants in FRS will be paid to the FRP.

gerlinm@stlouis-mo.gov
2020-01-16 14:50:53 +0000
Confidential

- Grandfathered members with 20 or more years of service as of February 1, 2013 are eligible to retire with unreduced FRP benefits if retirement commences before age 55.
- Grandfathered members with less than 20 years of service as of February 1, 2013 are eligible to retire with actuarially reduced FRP benefits if retirement commences before age 55.

As a result of Board Bill 109, the following assumptions were made:

- Since benefits paid under FRS will no longer depend on future salary increases, future salary increase assumptions have been eliminated in the projection of pay and valuation of benefits. Costs will continue to be spread over the present value of future salary, which includes future salary increases.
- It is assumed that grandfathered members with less than 20 years of service as of February 1, 2013 will not retire prior to age 55. The retirement rates were adjusted to reflect accelerated retirement when these members first become eligible at age 55.
- The overall rates of disability were not changed, but the proportion of ordinary accidental disabilities was changed from 20% ordinary and 80% accidental to 60% ordinary and 40% accidental.

Plan liabilities for FRS after Board Bill 109 are predominantly for retired members and their beneficiaries. That is, the proportion of retired liabilities to total plan liabilities is projected to be over 80% within 10 years.

An agreement between the City and FRS was reached regarding the recognition of City contributions under Board Bill 109. The City made contributions to FRS from February 1, 2013 to September 30, 2013. The contributions for this period recognize the impact of Board Bill 109, certain excess FRS City contributions were transferred from FRS to FRP.

The FRS, in accordance with Ordinance #62994 of the City, initiated during the Firemen's System's fiscal year ended August 31, 1994, the Deferred Retirement Option Plan (DROP). The DROP plan is available to members of the system who have achieved at least 20 years of creditable service and have eligibility for retirement. Those members who elect to participate will continue active employment, will have a service retirement allowance credited monthly into the DROP account of the member, and the member's contribution will be reduced to 1% from the normal 8%. During participation in the DROP plan, the member will not receive credit for employer contributions or credit for service. A member may participate in the DROP only once for any period up to five years. At retirement, the funds in the member's DROP account plus interest and accrued sick leave, if elected, are available to the member in a lump sum or in installments.

(b) Funding Policy (FRS)

Firefighters contributed 8% of their salary to the FRS, as mandated per State statute and adopted by City ordinance through February 1, 2013 (date frozen). The City is required to contribute the remaining

amounts necessary to fund the FRS. The City's policy is that the Airport pays 10% of the contribution for FRS.

(c) Net Pension Liability (Asset) (FRS)

The Airport's pension liability for the FRS as of June 30, 2016 was measured as of September 30, 2015 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of October 1, 2015.

(d) Actuarial Methods and Assumptions (FRS)

No contributions were made to the FRS by the Airport during the fiscal year ended June 30, 2016. The contribution consisted of $0 of normal cost, plus $0 in unfunded actuarial accrued liability amortization payments in accordance with actuarially determined contribution requirements based on an actuarial valuation performed at October 1, 2015.

(Continued)

Significant actuarial assumptions used in the valuation of the FRS are as follows:

Method:	
Date of actuarial valuation	October 1, 2015
Actuarial cost method (GASB 67 Rptg)	Entry Age - Normal
Amortization Method/period	30-year closed from establishment
Remaining amortization period	None - No unfunded actuarial liability
Asset valuation method	3-year smoothed market value
Actuarial assumptions:	
Investment rate of return	7.3%, net of investment expenses of 50 basis points
Long-term municipal bond rate	3.71%
Rate of payroll growth	3% to 4% based on service. Benefits frozen as of February 1, 2013; therefore, no salary increases have been assumed
Consumer price inflation	2.75%
Mortality	Post-retirement ordinary - RP-2014 Healthy Annuitant Mortality Tables, sex distinct Pre-retirement - RP-2014 Employee Mortality Tables, sex distinct Post-disability - assumed to be 20% higher than post-retirement mortality rates

The long-term expected rate of return on the FRS investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These real rates of return are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. For each major asset class that is included in the pension plan's target asset allocation as of October 1, 2015, these best estimates are summarized in the following table:

Asset class	Target allocation	Long-term expected real rate of return
Fixed income	25%	1.30%
Domestic equity	26	4.30
International equity	24	4.70
Private equity	—	5.00
Real estate	15	4.80
Nondirectional hedge fund of funds	10	2.20
Total	100%

The discount rate used to measure the total pension liability was 7.30%. The projection of cash flows used to determine the discount rate assumed that the Airport would make the required contributions as defined by statute. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. For the October 1, 2015 actuarial valuation, a 7.30% discount rate was used. The sensitivity of the net pension liability to changes in the discount rate for the year ended June 30, 2016 for the Airport is as follows:

	Discount rate	Net pension liability
1% decrease	6.30%	$ 10,015
Current rate	7.30%	4,796
1% increase	8.30%	434

(e) Pension Expense (FRS)

For the fiscal year ended June 30, 2016, the Airport recognized pension expense of $1,707. Annual pension expense consists of service cost, interest and administrative expenses on the pension liability less employee contributions and projected earnings on pension plan investments. The difference between actual and expected earnings is recorded as a deferred outflow/inflow of resources recognized in pension expense over a five year period. The pension expense for the Airport's fiscal year ended June 30, 2016 is summarized as follows:

Service cost	$ —
Interest	3,440
Administrative expenses	159
Projected earnings on pension plan investments	(3,774)
Recognized assumption changes	1,129
Recognized portion of current-period difference between projected and actual earnings on pension plan investments	753
Pension expense for year ended June 30, 2016	$ 1,707

(f) Deferred Outflows/Inflows of Resources Related to Pension (FRS)

In accordance with GASB Statements No. 67 and 68, the Airport recognizes differences between actual and expected experience with regard to economic or demographic factors, changes of assumptions about future economic or demographic factors, the difference between actual and expected investment returns, changes in proportion, and contributions subsequent to the measurement date as deferred outflows/inflows of resources. At June 30, 2016, the Airport reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources as follows:

	Deferred outflows of resources	Deferred inflows of resources
Difference between expected & actual experience	$ 1	—
Net difference between projected and actual earnings on pension plan investments	3,229	—
Changes in assumptions	3,262	—

Firefighter's Retirement Plan (FRP)

(a) System Description (FRP)

The FRP administers a single-employer defined-benefit pension plan providing pension benefits to the City of St. Louis firemen.

The FRP issues a publicly available financial report that includes financial statements and supplementary information. That report may be obtained by writing to the Firefighters' Retirement Plan of the City of St. Louis; 1114 Market Street, Suite 900; St. Louis, Missouri 63101.

Effective February 1, 2013, benefit accruals under the Firemen's Retirement System of St. Louis (FRS) were frozen. The Firefighters' Retirement Plan of the City of St. Louis (FRP) was established as of that date to provide retirement, disability and death benefits for service rendered after the effective date. Credited service accrued under the FRS counts toward benefit accruals under the FRP, but benefits attributable to such services are offset by the benefits payable by the FRS. Under the FRP, the plan provisions for members who were active as of February 1, 2013 (Grandfathered Participants) are substantially the same as the plan provisions for the FRS.

The FRP provides retirement benefits as well as death and disability benefits. Grandfathered members are those who were employed prior to February 1, 2013. Members can voluntarily retire after a minimum of 20 years of service and upon reaching the normal retirement age of 55. A member who has 20 years of service but has not yet reached the age of 55 may elect an early retirement with the normal retirement benefit deferred until reaching the age of 55. In lieu of a deferred retirement benefit, the member may elect to receive his/her retirement benefit beginning on his/her early retirement date or on the first day of any month thereafter prior to reaching age 55 with such benefit actuarially reduced from age 55. A member hired on or after the effective date of February 1, 2013 who terminates employment after completing 10 years of service, but before completing 20 years of service, is eligible for a full unreduced pension beginning at age 62. Such a member may elect to receive a refund of his/her contributions, plus interest, in lieu of a pension benefit.

The monthly allowance is determined by the average final monthly compensation over the last 5 years of service. For grandfathered members, the average is over the last 2 years of service. The monthly allowance consists of 40% of the applicable final average monthly compensation at 20 years of service, plus 2% of such final average compensation for each of the next five years of service, plus 5% of final average compensation for each additional year of service after 25 years with a maximum pension of 75%. Unused accrued sick pay accumulated before September 20, 2010 may increase the maximum pension beyond this limitation.

A grandfathered member with 20 or more years of credited service may elect to enter the DROP program and defer retirement for up to five years while continuing active employment. The benefit payments the participant would have received during that period are deposited into the DROP account and earn interest at a rate equal to the percentage rate of return of the Trust Fund's investment portfolio for that year. After five years or termination from the DROP plan, the participant may retire or return to regular active service. Upon termination of employment, the participant can choose to receive the DROP account with interest earned. If the participant dies prior to termination of employment, the DROP account is paid as a lump sum to the participant's beneficiary or estate. Active service while in the DROP program is not included in the credited service used to calculate the participant's final benefit amount.

Those members who elect to participate will continue active employment, will have a service retirement allowance credited monthly in the DROP account of the member, and the member's contributions will be reduced to 1% from the normal contribution percentage. During participation in the DROP, the member will not receive credit for City contributions or credit for service. A member

may participate in the DROP only once for any period up to five years. At retirement the funds in the member's DROP account plus: 1) interest and 2) accrued sick leave if elected are available to the member in a lump sum or in installments.

(b) Funding Policy (FRP)

A grandfathered member with at least 20 years of service as of February 1, 2013 contribute 8% of their salary, after tax. All other members contribute 9% of their salary, pretax. The City is required to contribute the remaining amounts necessary to fund FRP. All members who terminate employment before becoming eligible to receive a retirement benefit will receive a refund of all contributions plus interest. Members hired after February 1, 2013 who terminate employment before reaching age 55 and elect a refund of contributions in lieu of a pension benefit will also receive a refund of their contributions plus interest, as will grandfathered members who terminate employment before completing 20 years of service. Contributions to the FRP made on or after the inception of the FRP are not refundable to a member who receives a service retirement benefit, ordinary disability benefit, or a service connected disability benefit, except that contributions to the FRP by a grandfathered member with at least 20 years of service as of inception who receives a service retirement benefit are refundable without interest.

An agreement between the City and FRS was reached regarding the recognition of City contributions under Board Bill 109. The City made contributions to FRS from February 1, 2013 to September 30, 2013. The contributions for this period recognize the impact of Board Bill 109, certain excess Firemen's System City contributions were transferred from the FRS to the FRP.

These real rates of return are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. For each major asset class that is included in the pension plan's target asset allocation as of September 30, 2015, these best estimates are summarized in the following table:

The discount rate used to measure the total pension liability was 7.63%. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that contributions will be made at rates equal to the difference between actuarially determined contribution rates and the employee rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. For the October 1, 2015 actuarial valuation, a 7.63% discount rate was used. The sensitivity of the net pension liability to changes in the discount rate for the year ended June 30, 2016 for the Airport is as follows:

(d) Pension Expense (FRP)

For the fiscal year ended June 30, 2016, the Airport recognized pension expense of $1,205. Annual pension expense consists of service cost, interest and administrative expenses on the pension liability less employee contributions and projected earnings on pension plan investments. The difference between actual and expected earnings is recorded as a deferred outflow/inflow of resources recognized in pension expense over a five year period. The pension expense for the Airport's fiscal year ended June 30, 2016 is summarized as follows:

Employees' Retirement System of the City of St. Louis (ERS)

The Airport participates in the Employees' Retirement System of the City of St. Louis (Employees' System), a cost-sharing, multiple-employer, public defined-benefit retirement plan.

(a) System Description (ERS)

All non-uniformed employees of the Airport become members of the Employees' System upon employment, with the exception of employees hired after attaining age 60.

The Employees' System issues a publicly available financial report that includes financial statements and supplementary information. That report may be obtained by writing to the Employees Retirement System of the City of St. Louis; 1114 Market Street, Suite 900; St. Louis, Missouri 63101.

The Employees' System provides for defined-benefit payments for retirement, death, or disability to eligible employees or their beneficiaries based upon creditable service, final average compensation, and a benefit compensation base. Benefits vest to employees covered by the Employees' System after the employee has attained five years of creditable service. Employees retire with full retirement benefits after the age 65 or if the employee's age and creditable service combined equal or exceed 85. Employees may retire and receive a reduced benefit after age 60, with five years of creditable service; age 55, with 20 years of creditable service; or at any age after 30 years of creditable service. The monthly pension benefits of all retirees or their beneficiaries are adjusted according to the changes in the consumer price index of the U.S. Department of Labor. Increases are limited each year, with total increases to retirees or their beneficiaries limited to 25%.

On June 8, 2000, the Mayor of the City approved an ordinance passed by the Board of Aldermen, Authorizing a Deferred Retirement Option Plan (DROP), which became effective January 1, 2001. This plan states that when members reach retirement age, they are allowed to work for five additional years and defer receipt of their retirement allowance. The calculation of average salary for retirement benefits will not include the additional years of service after normal retirement age. The amount that would have been received as retirement benefit is put in a special DROP account monthly. The DROP account will not be adjusted for cost-of-living increases as the normal retirement benefits are. The DROP account earns interest at the actuarial valuation rate of return and at the 10-year U.S. Treasury Bond yield as of September 30 for DROP participants enrolling February 1, 2003 and thereafter. After the member completely terminates employment, the member can withdraw amounts from the DROP account in a lump sum or according to a deferred retirement payment plan.

(b) Funding Policy (ERS)

The Employees System's funding policy provides for periodic employer contributions at actuarially determined rates that, expressed as percentages of annual covered payroll, are sufficient to accumulate assets to pay benefits when due. If contributions are necessary, level percentage of payroll employer contribution rates are determined using the projected unit credit actuarial cost method.

Employer contribution rates are established annually by the Board of Trustees of the Employees' System based on an actuarial study. Deductions from plan net assets are financed from plan additions. The Board of Trustees established the required employer-contributions-rate-based active member payroll of 13.93% effective July 1, 2015.

Employees who became members of the Employees' System prior to October 14, 1977, and continue to make contributions, may make voluntary contributions to the Employees' System equal to 3% of their compensation until the employee's compensation equals the maximum annual taxable earnings under the Federal Social Security Act. Thereafter, employees may contribute 6% of their compensation for the remainder of the calendar year. The Airport's contributions to the Employee's system for the year ended June 30, 2016 were $2,997.

(c) Net Pension Liability (ERS)

The Airport reported a liability of $20,189 for its proportionate share of the net pension liability as of June 30, 2016. The net pension liability was measured as of September 30, 2015 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of October 1, 2015. The Airport's proportion of the net pension liability was based on the Airport's share of contributions to the Employees System relative to the contributions of all Employees System participating employers. As of September 30, 2015, the Airport's collective proportion was 8.90%, which was a decrease of 0.16 from its proportion measured as of September 30, 2014.

(d) Actuarial Methods and Assumptions (ERS)

The following were some of the significant actuarial assumptions used in the valuation of the Employee's System:

Date of actuarial valuation	October 1, 2015
Actuarial cost method	Entry age normal
Amortization method	Rolling 20-year level dollar amortization of unfunded liability
Remaining amortization period	20 years as of October 1, 2014
Asset valuation method	5-year smoothed market
Inflation	3.125%
Discount rate	7.50%
Projected salary increases	3.5% plus merit component bases on employee's years of service
Mortality	1994 Group Annuity Mortality Table

The long-term expected rate of return on the Employees System investments was determined using a building-block approach and a forward-looking model in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These real rates of return are combined to produce the long-term

expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

For each major asset class that is included in the pension plan target asset allocation as of September 30, 2015, these best estimates are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return
Private Equity	5.00%	8.25%

The discount rate used to measure the total pension liability was 7.50%. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that contributions will be made at rates equal to the difference between actuarially determined contribution rates and the employee rate. Based on those assumptions, the pension plans fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. For the October 1, 2015 actuarial valuation, a 7.50% discount rate was used. The sensitivity of the net pension liability to changes in the discount rate for the year ended June 30, 2016 for the Airport is as follows:

	Rate	Net pension liability (NPL)

(e) Pension Expense (ERS)

For the fiscal year ended June 30, 2016, the Airport recognized pension expense of $3,115. Annual pension expense consists of service cost, interest, and administrative expenses on the pension liability less employee contributions and projected earnings on pension plan investments. The difference between actual and expected earnings is recorded as a deferred outflow/inflow of resources recognized in pension expense over a five-year period.

(f) Deferred Outflows/Inflows of Resources Related to Pension (ERS)

In accordance with GASB Statement No. 68, the Airport recognizes differences between actual and expected experience with regard to economic or demographic factors, changes of assumptions about future economic or demographic factors, the difference between actual and expected investment returns, changes in proportion, and contributions subsequent to the measurement date as deferred outflows/inflows of resources. At June 30, 2016, the Airport reported deferred outflows of resources and inflows of resources related to pensions from the following sources as follows:

Confidential gavinn@stlouis-mo.gov 2020-01-16 14:00:44 -06'00'

		Deferred outflows of resources	Deferred inflows of resources
Differences between expected and actual experience	$	—	(323)

Changes in assumptions		—	(303)
Changes in proportion		—	(421)
Airport contributions subsequent to the measurement date		2,159	—
Total	$	7,980	(1,047)

The $2,159 reported as deferred outflows of resources related to pensions resulting from the Airport's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2017.

The Airport recognizes differences between actual and expected investment performance included in deferred outflows/inflows of resources on a straight-line basis over five years. Differences between expected and actual experience on actuarial assumptions are amortized over the average expected remaining service life of the Employee System's employees. The following table summarizes the future recognition of these items:

During fiscal year 2008, the City of St. Louis Municipal Finance Corporation issued $46,700 in Taxable Leasehold Revenue and Refunding Bonds Series 2007 (Pension Funding Project) to fund the Employees System. While the Airport is not legally responsible for these bonds, $5,510 of the proceeds was allocated to the Airport. A $4,828 liability is reflected as an "other noncurrent long-term liability" on the balance sheet and is payable to the City of St. Louis by June 30, 2037.

(15) Commitments and Contingencies

At June 30, 2016, the Airport had outstanding commitments amounting to approximately $17,134 resulting primarily from contracts for construction projects. In addition, the Airport has $36,648 in outstanding commitments resulting from service agreements.

In connection with federal grant programs, the Airport is obligated to administer the related programs, spend the grant moneys in accordance with regulatory restrictions, and is subject to audit by the grantor agencies. In cases of noncompliance, the agencies involved may require the Airport to refund program moneys.

Finally, certain lawsuits were pending against the City that involved the Airport. In the opinion of Airport officials and legal counsel, these actions are not expected to have a material effect, individually or in the aggregate, on the financial position or results of operations of the Airport.

(16) Risk Management

The Airport is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Airport participates in the Public Facilities Protection Corporation (PFPC), an internal service fund of the City of St. Louis, Missouri. The purpose of PFPC is to account for risks in which the City is self-insured, primarily workers' compensation, unemployment benefits, certain general liability, and various other claims and legal actions. All self-insured claims liabilities and payments are recorded in PFPC. The Airport reimburses PFPC for workers' compensation claims on a cost-reimbursement basis. During the year ended June 30, 2016, expenses related to the Airport's participation in PFPC amounted to $1,736 and are reflected as interfund services used in the accompanying basic financial statements. At June 30, 2016 the Airport owed PFPC $2,826 for unreimbursed workers' compensation claims.

The Airport purchases commercial insurance for other risks it considers significant, including general liability, public officials' liability, property damage, employee honesty bond, business auto, and insurance on its fine arts. Settled claims did not exceed commercial coverage in any of the last three years.

(17) Pledged Revenues

The Airport has pledged future specific revenue streams, net of specified operating expenses, to secure the repayment of $686,225 in various long-term debt issuances, as outlined in note 6. The general purpose of the various long-term debt issuances is for land acquisition and construction of the capital assets at the Airport. The bonds are payable from Airport net revenues and are payable through July 2034. Annual principal and interest payments on the bonds are expected to require less than 80% of estimated Airport net revenues. As of June 30, 2016, the total principal and interest remaining to be paid on the bonds is $1,006,129. Principal and interest paid was $76,902 for the year ended June 30, 2016. The pledged net revenue recognized for the year ended June 30, 2016 was $93,291.

(18) Extraordinary Item – Natural Disaster

On May 31, 2013, the Airport sustained damage from a tornado. As of June 30, 2016, most of the damages have been rebuilt or repaired and Lexington Insurance Company settled the final insurance claim during fiscal year 2016.

Also, the Airport office building at 11495 Navaid Road in St. Louis, Missouri suffered water damage on August 28, 2014 and the majority of all damaged areas were repaired and completed by June 30, 2016. Lexington Insurance Company settled the final insurance claim during fiscal year 2016.

(19) Subsequent Event

Effective July 1, 2016, the Airport entered into a new long-term Airport Use and Lease agreement (AUA) with signatory air carriers which will expire June 30, 2021. Contemporaneously, the Airport also adopted a new companion Airline Operating Agreement and Terminal Building Space Permit ("AOA"), which the Airport will make available to airlines that elect not to enter into an AUA. The new agreements retain most of the provisions of the prior master agreements which expired June 30, 2016.

Under the terms of the new use and lease agreements, the air carriers continue to pay airfield landing fees; terminal and concourse rentals; hangar, cargo, and maintenance facility rentals; and certain miscellaneous charges in consideration for use of the Airport. The use and lease agreements also include a pre-approved, 5-year capital improvement program which require the Airport to make certain capital improvements and to provide maintenance of certain Airport facilities. Payments by the air carriers will continue to be determined as follows:

(a) Landing fees are calculated based on estimated operating and maintenance expenses of the airfield and allocated to the air carriers on the basis of landed weights. Landing fee revenues are adjusted each year by retroactive rate adjustment that is calculated as the difference between estimated and actual costs incurred and estimated and actual landed weights. These revenues are included in aviation revenue – airfield.

(b) Rentals are calculated based on estimated operating and maintenance expenses of the terminal and concourse areas and hangars, cargo, and maintenance facilities, and allocated to the air carriers on the basis of square footage utilized. Rental revenue is adjusted each year by retroactive rate adjustment that is calculated as the difference between estimated and actual costs incurred. These revenues are included in aviation revenue – terminal and concourses, hangars and other buildings, or cargo buildings.

(c) Miscellaneous income is derived from the air carriers for their use of sanitary disposal facilities and airline service buildings.

Appendix C

SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE

The following is a summary of certain provisions of the Amended and Restated Indenture of Trust dated as of July 1, 2009, between the City and the Trustee (the "Restated Indenture"), which restated and superseded the Indenture of Trust dated as of October 15, 1984 (the "Original Indenture"), between the City and the Trustee. (The Original Indenture, as amended and restated by the Restated Indenture, and as amended and supplemented from time to time, including the Twenty-First Supplemental Indenture of Trust (the "21st Supplemental Indenture") and the Twenty-Second Supplemental Indenture of Trust (the "22nd Supplemental Indenture"), is referred to herein collectively as the "Indenture"). This summary does not purport to set forth all of the provisions of the Indenture and reference is made to the Indenture for its complete and actual terms.

Definitions

The following terms have the following meanings in the Indenture, unless a different meaning clearly appears from the context:

"2017 Project" means the Project described in the 22nd Supplemental Indenture.

"2017C Project" means the portion of the 2017 Project to be paid from the proceeds of the Series 2017C Project Bonds as more particularly described in the 22nd Supplemental Indenture.

"Counterparty" means an entity whose senior long-term debt obligations, or whose obligations under an Interest Rate Exchange Agreement, are guaranteed by a financial institution whose senior long term debt obligations have a rating in one of the three highest categories of each of the Rating Agencies.

"Debt Service" for any period means, as of any date of calculation and with respect to any Series of Bonds, an amount equal to the sum of (i) interest accruing during such period on Bonds of such Series, except to the extent that such interest on the Bonds of such Series is to be paid from deposits (including investment income thereon) in the Debt Service Account made from Bond proceeds or other amounts available therein, and (ii) that portion of each Principal Installment for such Series of Bonds which would accrue during such period if such Principal Installment were deemed to accrue daily in equal amounts from the next preceding Principal Installment due date for such Series (or, if there will be no such preceding Principal Installment due date, from the date of issuance of such Series). Such interest and Principal Installments for such Series of Bonds shall be calculated on the assumption that no Bonds of such Series Outstanding at the date of calculation will cease to be Outstanding except by reason of the payment of each Principal Installment on the due date thereof. For the purposes of any projections required by the Indenture with respect to Variable Rate Bonds, interest will be calculated on the basis of the average interest rate or rates borne on Variable Rate Bonds Outstanding during any consecutive 12 months of the preceding 24 months, except that (i) for the purpose of satisfying the conditions for the issuance of Additional Bonds, if the Variable Rate Bonds are being issued on the date of computation, the rate of interest will be assumed to be 110% of the initial interest rate of such Bonds, and (ii) for the purpose of satisfying the Debt Service Reserve Requirement, if any, the interest rate for any Variable Rate Bonds will be computed at the average interest rate on such Bonds during the preceding Airport Fiscal Year or if not Outstanding during the preceding Airport Fiscal Year, the initial interest rate of such Bonds; provided, however, that no payments required for any Option Bonds, other Bonds or Interest Rate Exchange Agreements which may be tendered or otherwise presented for payment at the option or demand of the Owners thereof, or which may otherwise become due by reason of any other circumstance which will not, with certainty, occur during such period, will be included in any computation of Debt Service prior to the stated or theretofore extended maturity or otherwise certain due dates thereof, and all such payments will be deemed to be required on such stated or theretofore extended maturity dates or otherwise certain due dates; and provided further, however, that if the City in a Supplemental Indenture for a Series of Bonds elects to enter into an Interest Rate Exchange Agreement and deem any payments received thereunder as Revenues, Debt Service will include any amounts payable by the City during such interest rate period pursuant to such Interest Rate Exchange Agreement (other than termination payments thereunder).

"Debt Service Account" means the Airport Debt Service Account established within the Bond Fund.

"Debt Service Reserve Account" means the Debt Service Reserve Account established within the Bond Fund.

"Debt Service Reserve Requirement" means, as of any date of calculation for the then Outstanding Bonds, unless otherwise specified in a Supplemental Indenture for a particular Series of Bonds, an amount which will equal the least of: (i) 10% of the proceeds of such Series of Bonds, (ii) 125% of the average annual debt service on such Series of Bonds or (iii) the maximum annual debt service on such Series of Bonds. Such amount for any Series of Bonds may be satisfied by a deposit of cash or a letter of credit, revolving credit agreement, standby purchase agreement, surety bond, insurance policy or similar obligation, arrangement or instrument issued by a bank, insurance company or other financial institution

Issuance of Bonds

The Indenture authorizes the issuance of one or more series as provided in the Indenture. Each such series of Bonds be designated as "Airport Revenue Bonds" and will include such further appropriate designation as the City shall determine to distinguish the Bonds of such Series from the Bonds of all other Series.

Additional Bonds

The Indenture authorizes the issuance of one or more Series of Additional Bonds for the purpose of paying the Cost of Construction of the completion of the Additional Project and all or a portion of the Cost of Construction of any Additional Project. The issuance of Additional Bonds is subject to certain conditions and tests, including, but not limited to:

(1) An Accountant's Certificate setting forth (a) for any period of 12 consecutive calendar months out of the 18 calendar months next preceding the authentication and delivery of such Series, the Net Revenues for such 12-month period, and (b) the Aggregate

Adjusted Debt Service for such 12-month period, and demonstrating that for such 12-month period Net Revenues equaled at least 1.25 times the Aggregate Adjusted Debt Service;

(2) A certificate of the Consulting Engineers setting forth (a) the estimated date of completion for the Additional Project for which such Series of Additional Bonds is being issued, and (b) an estimate of the Cost of Construction of such Additional Project;

(3) A certificate of the Airport Consultant setting forth, for each of the three Airport Fiscal Years following the Airport Fiscal Year in which the Consulting Engineers estimate such Additional Project will be completed, estimates of (a) Net Revenues and (b) amounts to be deposited from Revenues into the Debt Service Reserve Account, the Renewal and Replacement Fund and the Development Fund;

(4) A certificate of an Authorized Officer of the City setting forth (a) the estimates of Net Revenues, as set forth in the certificate of the Airport Consultant pursuant to paragraph (3) above, for each of the three Airport Fiscal Years following the Airport Fiscal Year in which it is estimated that such Additional Project will be completed, (b) the estimates of the amounts to be deposited in certain funds and accounts from Revenues as set forth in the certificate of the Airport Consultant pursuant to paragraph (3) above, for each of the three Airport Fiscal Years following the Airport Fiscal Year in which it is estimated that such Additional Project will be completed, and (c) the Aggregate Adjusted Debt Service, determined after giving effect to the issuance of such Additional Bonds and including the Aggregate Debt Service, as estimated by such Authorized Officer, with respect to future Series of Bonds, if any, which such Authorized Officer shall estimate (based on the estimate of the Consulting Engineers of the Cost of Construction for such Additional Project utilizing the Index Interest Rate) will be required to complete payment of the Cost of Construction of such Additional Project, and demonstrating that the estimated Net Revenues in each of the Airport Fiscal Years set forth in (a) above is at least equal to 1.25 times Aggregate Adjusted Debt Service for the corresponding Airport Fiscal Year determined as described in (c) above; and

(5) A Bond Counsel's Opinion to the effect that the issuance and sale of such Additional Bonds and the application of the proceeds thereof in accordance with the terms of the Supplemental Indenture authorizing such Bonds will not adversely affect the tax-exempt status of any Bonds outstanding immediately prior to the issuance of such Additional Bonds.

The proceeds, including accrued interest, of the Additional Bonds of each Series are to be applied simultaneously with the delivery of such Bonds in accordance with the Supplemental Indenture authorizing such Bonds.

The amount of Pledged PFC Revenues that may be counted for the purpose of meeting the Additional Bonds Test pursuant to the Indenture for any Airport Fiscal Year may not exceed 125% of the sum of the outstanding and proposed PFC-Eligible Debt Service for such Airport Fiscal Year.

Refunding Bonds

The Indenture authorizes the issuance of one or more Series of Refunding Bonds for the purpose of refunding all or a portion of the principal and/or interest components of (i) any Outstanding Bonds, (ii) any Subordinated Indebtedness, (iii) any Special Facilities Indebtedness, or (iv) any other indebtedness issued for Airport purposes. Refunding Bonds are to be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the

deposits in the Funds under the Indenture required by the provisions of the Supplemental Indenture authorizing such Bonds.

Refunding Bonds of each Series issued to refund one or more Series of Outstanding Bonds or one or more maturities within a Series are to be authenticated and delivered by the Trustee only upon receipt by it from the City (in addition to the documents and moneys required by the Indenture) of:

(1) Irrevocable instruction to the Trustee, satisfactory to it, to give due notice of redemption of all Bonds to be redeemed, if any, on a redemption date specified in such instructions;

(2) If the Bonds to be refunded are not by their terms subject to redemption within the next succeeding 60 days, irrevocable instructions to the Trustee, satisfactory to it, to mail the notice provided for in the Indenture to the Owners of the Bonds being refunded;

(3) Either (a) moneys in an amount sufficient to effect payment at the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the redemption date, which moneys are to be held by the Trustee or any one or more of the Paying Agents in a separate account irrevocably in trust for and assigned to the respective Owners of the Bonds to be refunded, or (b) Government Securities in such principal amounts, of such maturities, bearing such interest, and otherwise having such terms and qualifications, as are necessary to comply with the provisions of the Indenture and any moneys required pursuant to the Indenture, which Government Securities and moneys are to be held in trust and used only as provided in the Indenture; and

(4) Either of the following: (a) a certificate of an Authorized Officer of the City setting forth (i) the Aggregate Debt Service and the Aggregate Adjusted Debt Service for the then current and each future Airport Fiscal Year to and including the Airport Fiscal Year next preceding the date of the latest maturity of any Bonds of any Series then Outstanding (X) with respect to the Bonds of all Series Outstanding immediately prior to the date of authentication and delivery of such Refunding Bonds, and (Y) with respect to the Bonds of all Series to be Outstanding immediately thereafter, and (ii) that the Aggregate Debt Service and the Aggregate Adjusted Debt Service set forth for each Airport Fiscal Year pursuant to (Y) above are no greater than the corresponding amounts set forth for such Airport Fiscal Year pursuant to (X) above; or (b) the certificates required by the Indenture evidencing that such Series of Refunding Bonds meets the tests provided for by the Indenture considering, for all purposes of such certificates and tests, that such Series of Refunding Bonds is a Series of Additional Bonds, provided that, for such purpose, the estimated date of completion for the Additional Project being refinanced by such Series of Refunding Bonds shall be the later of (i) the date of issuance of such Series of Refunding Bonds or (ii) the then estimated completion date for the Additional Project being refinanced having the latest estimated completion date.

The proceeds, including accrued interest, of the Refunding Bonds of each such Series shall be applied simultaneously with the delivery of such Bonds for the purpose of making deposits in such Funds and Accounts under the Indenture as shall be provided in the Supplemental Indenture authorizing such Bonds and is to be applied to the refunding purposes thereof in the manner provided in said Supplemental Indenture.

Pledge Effected by the Indenture

The Bonds are secured by a pledge of, and the Bondholders are granted an express lien on (i) the proceeds of sale of the Bonds, (ii) Revenues, and (iii) all Funds established by the Indenture, including the investments, if any, thereof.

Pledged PFC Revenues

Pledged PFC Revenues for a given PFC Year constitute that portion of the PFC Revenues that, for such PFC Year, equals 125% of the amount of PFC-Eligible Debt Service due during such PFC Year. Pursuant to the Indenture, the City has pledged the Pledged PFC Revenues for the benefit of the Owners of the Bonds. The City will not create a lien on Pledged PFC Revenues that is senior to the lien of the Bonds. The City may, at any time with the execution and delivery of a Supplemental Indenture, submit additional PFC Revenues to the pledge of the Indenture.

Elimination of or Decrease in the Amount of Pledged PFC Revenues

The City may decrease the amount of Pledged PFC Revenues pledged to the Bonds, or eliminate the pledge of the Pledged PFC Revenues to the Bonds, upon receipt by the Trustee from the City of both of the following:

(i) A certificate of the Airport Consultant setting forth for each of three Airport Fiscal Years following the Airport Fiscal Year in which the pledge of the Pledged PFC Revenues will be decreased or eliminated, estimates of (A) Net Revenues (as adjusted to reflect the reduction or elimination of Pledged PFC Revenues), (B) the Aggregate Adjusted Debt Service (determined after giving effect to any Additional Bonds to be issued on or before the date of decrease or elimination of such pledge), and (C) demonstrating that the estimated Net Revenues set forth in (A) are at least equal to 1.25 times Aggregate Adjusted Debt Service for the corresponding Airport Fiscal Years determined as set forth in (B) above; and

(ii) An opinion of Bond Counsel to the effect that all conditions precedent to the decrease or elimination of the Pledged PFC Revenues have been met and such decrease or elimination will not adversely affect exclusion from gross income for federal income tax purposes of the interest on any Outstanding Bonds.

Establishment of Funds

Refunding Bonds. The following sub-accounts are created within the specified Accounts established by the 21st Supplemental Indenture:

(i) the Series 2017A Refunding Sub-Account (the "Series 2017A Refunding Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(ii) the Series 2017B Refunding Sub-Account (the "Series 2017B Refunding Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(iii) the Series 2017 Refunding Bonds Debt Service Reserve Sub-Account (the "Series 2017 Refunding Debt Service Reserve Sub-Account") of the Debt Service Reserve Account of the Airport Bond Fund;

(iv) the Series 2017A Refunding Bonds Debt Service Sub-Account (the "Series 2017A Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund; and

(v) the Series 2017B Refunding Bonds Debt Service Sub-Account (the "Series 2017B Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund; and

(vi) the Series 2017 Refunding Bonds Costs of Issuance Sub-Account (the "Series 2017 Costs of Issuance Sub-Account") to be held by the Trustee and used to pay the Costs of Issuance of the Series 2017 Refunding Bonds.

(b) The sub-accounts created pursuant to the 21st Supplemental Indenture are hereinafter referred to collectively as the 2017 Refunding Bonds Accounts. Each of the 2017 Refunding Bonds Accounts shall be used for the same purposes as the respective fund or account to which it relates. Moneys on deposit in each of the 2017 Refunding Bonds Accounts pursuant to this Section shall be held and used for purposes and on the conditions specified in the Indenture. Money credited to the 2017 Refunding Bonds Accounts may be held by the City, in the case of funds deposited with the City under the Indenture, or by the Trustee, in the case of funds deposited with the Trustee under the Indenture. However, the investment of monies with respect to each of the 2017 Refunding Bonds Accounts shall be separately made and maintained. The investment earnings of any of the 2017 Refunding Bonds Accounts shall be transferred to the Revenue Fund as provided in the Indenture.

(c) The City and the Trustee, as the case may be, may eliminate any of the aforementioned 2017 Refunding Bonds Accounts and transfer all amounts therein to the related Fund if both receive the written opinion of Bond Counsel that the failure to maintain such account will not adversely affect the tax-exempt status of interest on the Series 2017 Refunding Bonds.

Project Bonds. The following sub-accounts are created within the specified Accounts established by the 22nd Supplemental Indenture:

(i) the Series 2017C Project Sub-Account (the "Series 2017C Project Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(ii) the Series 2017D Project Sub-Account (the "Series 2017D Project Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(iii) the Series 2017 Project Debt Service Reserve Sub-Account (the "Series 2017 Project Debt Service Reserve Sub-Account") of the Debt Service Reserve Account of the Airport Bond Fund;

(iv) the 2017C Construction Sub-Account (the "Series 2017C Construction Sub-Account") to be held by the Trustee and used to pay the costs of the 2017C Project; and

(v) the Series 2017D Construction Sub-Account (the "Series 2017D Construction Sub-Account") to be held by the Trustee and used to pay the costs of the 2017D Project; and

(vi) the Series 2017 Project Costs of Issuance Sub-Account (the "Series 2017 Costs of Issuance Sub-Account") to be held by the Trustee and used to pay the Costs of Issuance of the Series 2017 Project Bonds.

(b) The sub-accounts created pursuant to 22nd Supplemental Indenture are hereinafter referred to collectively as the 2017 Project Bonds Accounts. Each of the 2017 Project Bonds Accounts shall be used for the same purposes as the respective fund or account to which it relates. Moneys on deposit in each of the 2017 Project Bonds Accounts pursuant to this Section shall be held and used for purposes and on the conditions specified in the Indenture. Money credited to the 2017 Project Bonds Accounts may be held by the City, in the case of funds deposited with the City under the Indenture, or by the Trustee, in the case of funds deposited with the Trustee under the Indenture. However, the investment of monies with respect to each of the 2017 Project Bonds Accounts shall be separately made and maintained. The investment earnings of any of the 2017 Project Bonds Accounts shall be transferred to the Revenue Fund as provided in the Indenture. Moneys may be transferred between the 2017C Construction Sub-Account and the 2017D Construction Sub-Account on written instruction from the City together with an opinion from Bond Counsel that such transfer will not impact the tax-exempt status of the 2017 Project Bonds.

(c) The City and the Trustee, as the case may be, may eliminate any of the aforementioned 2017 Project Bonds Accounts and transfer all amounts therein to the related Fund if both receive the written opinion of Bond Counsel that the failure to maintain such account will not adversely affect the tax-exempt status of interest on the Series 2017 Project Bonds.

(C) Airport Bond Fund held by the Trustee, including the (i) 2017 Debt Service Sub-Account of the Debt Service Account, (ii) 2017 Debt Service Reserve Sub-Account of the Debt Service Account, (iii) 2017 Debt Service Sub-Account of the Debt Service Account and (iv) 2017 Debt Service Reserve Sub-Account of the Debt Service Account;

(D) Airport Renewal and Replacement Fund, to be held by the City;

(E) Airport Debt Service Stabilization Fund, to be held by the City;

(F) Airport Development Fund, to be held by the City;

(G) Airport Contingency Fund, to be held by the City;

(H) Arbitrage Rebate Fund, to be held by the City; and

(I) Airport PFC Account, to be held by the City.

Application of Revenues

General. All Revenues as received are to be promptly deposited by the City into the Revenue Fund. As soon as practicable in each month after the deposit of Revenues in the Revenue Fund but in any case no later than five (5) Business Days before the end of each month, the City is required to withdraw from the Revenue Fund for deposit in the following Funds in the following order of priority the amounts set forth below:

(1) To the Operation and Maintenance Fund, an amount sufficient to pay the estimated Operation and Maintenance Expenses during the next month;

(2) To the Bond Fund for credit to the Debt Service Account, if and to the extent required so that the balance in said Account will equal the Accrued Aggregate Debt Service on the Bonds; provided that, for the purpose of computing the amount in said Account, there is to be excluded the amount, if any, set aside in said Account which was deposited therein from the proceeds of each Series of Bonds less the amount of interest accrued and unpaid and to accrue on the Bonds of such Series (or any Refunding Bonds issued to refund such Bonds) to the last day of the then current calendar month;

(3) To the Bond Fund for credit to the Debt Service Reserve Account, an amount sufficient to maintain a balance in such Account equal to the Debt Service Reserve Requirement; provided, however, that no deposit in the Debt Service Reserve Account will be required to the extent the amount therein equals or exceeds the Debt Service Reserve Requirement and in the event the amount in the Debt Service Reserve Account is reduced below the amount otherwise required therein, such amount will be replenished (i) immediately, first from any funds in the Sub-Account and, thereafter, from other available funds, in such priority as the City may direct in the Contingency Fund, the Development Fund and the Renewal and Replacement Fund and (ii) at the earliest practicable date, to the extent such funds are not sufficient for such purpose, from the first available Revenues (after all deposits required to be made pursuant to clauses (1) and (2) described above have been made) following such reduction; provided, however, that notwithstanding anything to the contrary in the Indenture, to the extent that a deficiency exists in the Debt Service Reserve Account, such deposits to the Bond Fund will be made in the order of priority indicated:

(a) To the Bond Fund for credit to the Debt Service Reserve Account, there will be deposited, at least monthly, to the Debt Service Reserve Account for a Series of Bonds an amount at least equal to 1/60 of the Debt Service Requirement for such Series of Bonds until the amount on deposit in the Debt Service Reserve Account will equal the Debt Service Reserve Requirement. The Debt Service Reserve Requirement will be cumulative and the amount of any deficiency in any month will be added to the amount otherwise required to be deposited to the credit of such Debt Service Reserve Account in each month thereafter until such time as such deficiency will be remedied;

(b) To the Bond Fund for credit to the Debt Service Reserve Account, there will be deposited, at least monthly to the Debt Service Reserve Account for a Series of Bonds an amount equal to 1/12 of the deficiency attributed to a draw (or diminution in stated principal) upon a financial instrument as specified in the definition of Debt Service Reserve Requirement, deposited into the Debt Service Reserve Account until the principal amount (or available amount) of such financial instrument, either singularly, or in combination with amounts on deposit therein, is equal to the Debt Service Reserve Requirement if and only if such amounts are attributable to such Series of Bonds; and

(c) To the Bond Fund for credit to the Debt Service Reserve Account, there will be deposited to the Debt Service Reserve Account as soon as practicable (but not later than thirty days from the date of such deficiency), the full amount of any deficiency in the Debt Service Reserve Account, which is attributable to a decline in the

market value of Investment Securities on deposit therein until such Investment Securities and any cash therein will equal the Debt Service Reserve Requirement.

(4) To the Arbitrage Rebate Fund, there shall be deposited as soon as practicable, the amount necessary to fund the Arbitrage Rebate Fund in order to pay the Rebate Amount when due and payable;

(5) Amounts sufficient to pay Subordinated Indebtedness in accordance with the authorizing and implementing documents for such Subordinated Indebtedness (as certified by the trustee or other fiduciary with respect to such Subordinated Indebtedness) shall be transferred by the City to such trustee or other fiduciary for payment or deposit;

(6) To the Renewal and Replacement Fund, an amount equal to Fifty Seven Thousand Dollars ($57,000); provided that, no deposit will be required to be made into said Fund whenever and as long as uncommitted moneys in said Fund are equal to or greater than Three Million Five Hundred Thousand Dollars ($3,500,000) or such larger amount as the City will determine necessary, from time to time, for the purposes of said Fund; and provided further that, if any such monthly allocation to said Fund will be less than the required amount, the amount of the next succeeding monthly payments will be increased by the amount of such deficiency;

(7) To the City Sub-Account, an amount determined from time to time by the City, such that if deposits were made in amounts equal to such amount in each succeeding month during each Airport Fiscal Year, the balance in such Sub-Account will equal at the end of such Airport Fiscal Year the amounts payable to the City with respect to such Airport Fiscal Year pursuant to the Indenture;

(8) For Airport Fiscal Year ending June 30, 2011, to the Debt Service Stabilization Fund and the Development Fund for the times and in the amounts and pursuant to the calculations set forth below:

(a) To the Debt Service Stabilization Fund any amounts withdrawn therefrom during Airport Fiscal Years ending June 30, 2006 through 2010 and not previously replenished; and then

(b) To the Debt Service Stabilization Fund and the Development Fund a total of up to $5,725,000, with 87.25% of each such transfer to the Debt Service Stabilization Fund and 12.75% of each such transfer to the Development Fund;

(9) Beginning in Airport Fiscal Year ending June 30, 2012, and thereafter, to the Debt Service Stabilization Fund an amount sufficient to bring the amount on deposit in the Debt Service Stabilization Fund equal to the Debt Service Stabilization Fund Requirement (or such lesser amount as is available in the Revenue Fund for such transfer).

(10) The remaining GARB Revenues in the Revenue Fund will be deposited into the Development Fund; and

(11) The remaining Pledged PFC Revenues in the Revenue Fund will be deposited into the PFC Account.

As soon as practicable after the end of each Airport Fiscal Year and except as otherwise provided in the Indenture and subject to the satisfaction of the conditions set forth therein, after all deposits required to be made into each of the aforesaid Funds have been made, the City is required to transfer from the City Sub-Account to the general revenue fund of the City, an amount equal to five percent (5%) of the GARB Revenues (excluding, however, from GARB Revenues, for this purpose only, investment income and other non-operating income of the Airport) during the Airport Fiscal Year then last ended; provided, however, that for all periods subsequent to July 1, 1996, the applicable percentage of GARB Revenues (as specified above) will equal the percentage of the gross revenues then required to be paid to the City by public utilities operating within the City (such percentage being ten percent (10%) as of the date of the Restated Indenture).

Notwithstanding the foregoing, the amounts payable to the City described in the preceding paragraph are limited to five percent of the GARB Revenues (excluding, however, from GARB Revenues, for this purpose only, investment income and other non-operating income of the Airport) until such time that the Trustee has received a Counsel's Opinion to the effect that the amount payable does not violate or conflict with any laws or contractual obligations applicable to the Airport and the City, including, without limitation, the Federal Airport and Airway Improvement Act of 1982 and the United States Department of Transportation Grant Agreements to which the City is a party.

The amount payable to the general revenue fund of the City described in the preceding paragraphs may be paid in advance in monthly installments so long as (i) such amount is included in the rate base utilized to determine rates and charges payable by air carriers which utilize the Airport and (ii) each such monthly installment will not exceed the lesser of one-twelfth ($1/12^{th}$) of eighty percent (80%) of the total amount paid to the City pursuant to such clause in respect of the prior Airport Fiscal Year or (2) eighty percent (80%) of the amount deposited in such month in the City Sub-Account in respect of amounts payable to the City pursuant to the preceding paragraphs.

The final installment of the amount payable to the City each Airport Fiscal Year is subject to the filing with the Trustee of certificates of the City that all required deposits to the Operation and Maintenance Fund, the Bond Fund and the Renewal and Replacement Fund have been made and that no Event of Default has occurred and is continuing under the Indenture. If, during any Airport Fiscal Year, the aggregate amount paid in advance to the City exceeds the amount payable to the City during such Airport Fiscal Year, the amount of such excess will be returned by the City to the Revenue Fund. Until any such excess is returned by the City to the Revenue Fund, the City will be entitled to no further payments by the Airport.

Description of Funds Established by the Indenture

Operation and Maintenance Fund. Amounts in the Operation and Maintenance Fund are to be paid out from time to time by the City for reasonable and necessary Operation and Maintenance Expenses. Amounts in said Fund which the City at any time determines to be in excess of the requirements of such Fund will be transferred into the Revenue Fund and applied in accordance with the provisions of the Indenture regarding the application of Revenues.

Bond Fund-Debt Service Account. The Trustee is required to pay out of the Debt Service Account to the respective Paying Agents (1) on or before each interest payment date for any of the Bonds, the amount required for the interest payable on such date, (2) on or before each Principal Installment due date, the amount required for the Principal Installment payable on such due date; and (3) on or before any redemption date for the Bonds, the amount required for the payment of interest on the Bonds then to be redeemed. Such amounts are required to be applied by the Paying Agents on and after the due dates

thereof. The Trustee is also required to pay out of the Debt Service Account the accrued interest included in the purchase price of Bonds purchased for retirement.

Bond Fund-Debt Service Reserve Account. If, immediately after each monthly transfer required by the Indenture provision concerning application of Revenues, the amount in the Debt Service Account shall be less than the amount required to be in such Account pursuant to the Indenture, after any transfers from the Debt Service Stabilization Fund, the Trustee shall transfer amounts from the Debt Service Reserve Account to the Debt Service Account to the extent necessary to make good such deficiency or deficiencies. In addition to the annual valuation of Accounts and Funds as of June 30 of each year required by the Indenture, amounts on deposit in the Accounts established in the Debt Service Reserve Account shall be determined (i) upon the issuance of Additional Bonds, (ii) at any time, on the written request of the City to the Trustee, and (iii) at any time the Trustee believes such determination to be necessary or desirable (each of the foregoing including the annual valuation is a "Valuation Date"). If, as of any Valuation Date, the amount in any Account in the Debt Service Reserve Account exceeds the applicable Debt Service Reserve Requirement after giving effect to any. letter of credit, revolving credit agreement, standby purchase agreement, surety bond, insurance policy or similar obligation, arrangement or instrument issued by a bank, insurance company or other financial institution which provides for payment of all or a portion of the Principal Installments and/or interest due on any Series of Bonds, deposited in such Account, the Trustee will, on the first Business Day of the following Valuation Date, withdraw from such Account the amount of any excess therein over the applicable Debt Service Reserve Requirement as of the date of such withdrawal for deposit into (i) the Arbitrage Rebate Fund, the Rebate Amount estimated by the City, if any, and (ii) the Revenue Fund. If the amount in any Account in the Debt Service Reserve Account is less than the applicable Debt Service Reserve Requirement and to the extent that such deficiency has not been made up within 12 months with respect to a deficiency resulting from a draw on the Debt Service Reserve Account by deposits pursuant to the Indenture or to the extent there has been a deficiency resulting from a decline in the market value of Investment Securities, the City will immediately deposit such amounts as will be necessary to cure such deficiency.

Whenever the amount in the Debt Service Reserve Account, together with the amount in the Debt Service Account, is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including principal and applicable sinking fund Redemption Price and interest thereon), the funds on deposit in the Debt Service Reserve Account are to be transferred to the Debt Service Account. Prior to said transfer, all investments held in the Debt Service Reserve Account are to be liquidated to the extent deemed necessary in order to provide for the timely payment of principal and interest (or Redemption Price) on the Bonds Outstanding.

The Trustee is required to transfer to the City for deposit in the Revenue Fund all investment earnings on moneys in the Debt Service Reserve Account, such transfer to be made at such times required by the City.

Renewal and Replacement Fund. Money in the Renewal and Replacement Fund may be applied to pay costs of the renewal or replacement of machinery, equipment, rolling stock, facilities or other capital items used in connection with the operation of the Airport. If at any time the moneys in the Debt Service Account, the Debt Service Reserve Account, the Debt Service Stabilization Fund, the Development Fund and the Contingency Fund are insufficient to pay the interest and Principal Installments when due on the Bonds, the City, upon requisition of the Trustee, is required to transfer from the Renewal and Replacement Fund to the Trustee for deposit in the Debt Service Account the amount necessary (or all the moneys in said Fund if less than the amount necessary) to make up such deficiency. So long as there is no deficiency in the Debt Service Account or the Debt Service Reserve Account, in the event the City receives a requisition from the trustee or other fiduciary for any Subordinated Indebtedness, with respect to a deficiency in available moneys to pay debt service on

Subordinated Indebtedness, then the City shall transfer from the Renewal and Replacement Fund to such trustee or other fiduciary, the amount necessary (or all the moneys in said Fund if less than the amount necessary) to make up such deficiency. If at any time the moneys in the Operation and Maintenance Fund and the Contingency Fund will be insufficient to pay Operation and Maintenance Expenses when due, the City is required to transfer from the Renewal and Replacement Fund to the Operation and Maintenance Fund the amount necessary (or all the moneys in said Fund if less than the amount necessary) to make up such deficiency. If the amount on deposit at any time in the Debt Service Reserve Account is reduced below the amount required therein pursuant to the Indenture, the City may transfer from the Renewal and Replacement Fund to the Debt Service Reserve Account all or a portion of the amount of such deficiency.

Development Fund. Moneys in the Development Fund may be applied, in accordance with the Capital Budget or otherwise, at the discretion of the City, to the acquisition of land or easements for the expansion or improvement of the Airport, to purchase items of machinery, equipment, rolling stock or other capital items for use in connection with the Airport, to pay the cost of planning, engineering, design and construction of new facilities for the Airport, or to pay the cost of any other capital improvements to the Airport. If at any time the moneys in the Debt Service Account, Debt Service Reserve Account, the Debt Service Stabilization Fund, and the Contingency Fund are insufficient to pay the interest and Principal Installments when due on the Bonds, the City, upon requisition of the Trustee, is required to transfer from the Development Fund to the Trustee, for deposit in the Debt Service Account, the amount necessary (or all of the moneys in said Fund if less than the amount necessary) to make up such deficiency. So long as there is no deficiency in the Debt Service Account or the Debt Service Reserve Account, in the event the City receives a requisition from the trustee or other fiduciary for any Subordinated Indebtedness, with respect to a deficiency in available moneys to pay debt service on Subordinated Indebtedness, then the City shall transfer from the Development Fund to such trustee or other fiduciary, the amount necessary (or all the moneys in said Fund if less than the amount necessary) to make up such deficiency. If at any time the moneys in the Operation and Maintenance Fund, the Renewal and Replacement Fund and the Contingency Fund are insufficient to pay Operation and Maintenance expenses when due, the City is required to transfer from the Development Fund to the Operation and Maintenance Fund the amount necessary to make up such deficiency. If the amount on deposit at any time in the Debt Service Reserve Account is reduced below the amount required therein in accordance with the Indenture, the City may transfer from the Development Fund to the Debt Service Reserve Account all or a portion of the amount of such deficiency. The City may use amounts on deposit in the Development Fund to make payments pursuant to an Interest Rate Exchange Agreement by transferring such amounts to the Debt Service Account or as otherwise specified in a Supplemental Indenture for a Series of Bonds. The City may, but if and only to the extent consistent with the Capital Budget, transfer from the Development Fund to the Contingency Fund any moneys in the Development Fund which are no longer needed for the purposes of moneys on deposit in the Development Fund.

Contingency Fund. If at any time the moneys in the Debt Service Account, the Debt Service Reserve Account and the Debt Service Stabilization Fund are insufficient to pay the interest and Principal Installments when due on the Bonds, the City, upon requisition of the Trustee, is required to transfer from the Contingency Fund to the Trustee for deposit in the Debt Service Account the amount necessary (or all of the moneys in said Fund if less than the amount necessary) to make up such deficiency or deficiencies. If at any time the moneys in the Operation and Maintenance Fund are insufficient to pay Operation and Maintenance Expenses when due, the City will transfer from the Contingency Fund to the Operation and Maintenance Fund the amount necessary (or all of the moneys in said Fund if less than the amount necessary) to make up such deficiency. If the amount on deposit in the Debt Service Reserve Account is reduced below the amount required therein in accordance with the Indenture, the City may transfer from the Contingency Fund to the Debt Services Reserve Account all or a portion of the amount of such deficiency. Amounts in the Contingency Fund not required to meet a

deficiency as required above, may, at the discretion of the City, be applied to any one or more of the following purposes:

1. the purchase or redemption of any Bonds, and expenses in connection with the purchase or redemption of any such Bonds;

2. payments of principal or redemption price of and interest on any Subordinated Indebtedness;

3. improvements, extensions, betterments, renewals, replacements, repairs, maintenance or reconstruction of any properties or facilities of the Airport or the provision of one or more reserves therefor; and

4. any other corporate purpose of the City in connection with the Airport, the local airport system or other local facilities which are owned or operated by the City and directly related to the actual transportation of passengers or property.

Whenever any moneys in the Contingency Fund are to be applied to the purchase or redemption of Bonds, the City is required to deposit such moneys with the Trustee, in a separate account established for purpose, and is required to give written instructions to the Trustee to make such purchase or redemption in accordance with the provisions of the Indenture. Upon any such purchase or redemption of Bonds of any Series and maturity for which Sinking Fund Installments have been established, an amount equal to the principal amount of such Bonds so purchased or redeemed is to be credited toward a part (an integral multiple of $5,000) or all of any one or more Sinking Fund Installments thereafter to become due, as directed by the City in a certificate in writing signed by an Authorized Officer of the City and filed with the Trustee, or in the absence of such direction, toward such Sinking Fund Installments in inverse order of their due dates. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts shall have been credited toward the same) will constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of calculation of Sinking Fund Installments due on a future date.

Arbitrage Rebate Fund

The Arbitrage Rebate Fund is required to be maintained for as long as any Series of Bonds is Outstanding for the purpose of paying to the United States Treasury the amount required to be rebated pursuant to Section 148(f) of the Code. Any moneys in the Arbitrage Rebate Fund are to be invested in Government Securities or securities described in clause (x) of the definition of "Investment Securities" and investment earnings thereon are to be credited to the Arbitrage Rebate Fund.

Debt Service Reserve Surety.

The City shall repay any draws under the DSRF Surety Policy and pay all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to

announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the City had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the DSRF Surety Policy will be increased by a like amount, subject to the terms of the DSRF Surety Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the Bonds (subject only to the priority of payment provisions set forth under the Indenture).

All cash and investments in the Series 2017 Refunding Bonds Debt Service Reserve Sub-Account shall be transferred to the Series 2017 Refunding Bonds Debt Service Account for payment of debt service on the Series 2017 Refunding Bonds before any drawing may be made on the DSRF Surety Policy or any other credit facility credited to the Debt Service Reserve Account in lieu of cash ("Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the DSRF Surety Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Series 2017 Refunding Bonds Debt Service Reserve Account. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Series 2017 Refunding Bonds Debt Service Reserve Account. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

If the City shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Indenture other than (i) acceleration of the maturity of the Series 2017 Refunding Bonds or (ii) remedies which would adversely affect owners of the Series 2017 Refunding Bonds.

The City shall include any Policy Costs then due and owing the Insurer in the calculation of the Additional Bonds test and the rates and charges covenant in the Indenture.

The City covenants and agrees that the DSRF Surety Policy constitutes a permitted Debt Service Reserve Account instrument under the applicable provisions of the Indenture.

The Trustee shall ascertain the necessity for a claim upon the DSRF Surety Policy in accordance with the provisions of subparagraph (a) hereof and to provide notice to the Insurer in accordance with the terms of the DSRF Surety Policy at least five business days prior to each date upon which interest or principal is due on the Series 2017 Refunding Bonds. Where deposits are required to be made by the City with the Trustee to the Debt Service Account for the Series 2017 Refunding Bonds more often than semi-annually, the Trustee shall be instructed to give notice to the Insurer of any failure of the City to make timely payment in full of such deposits within two business days of the date due.

Subordinated Indebtedness

Nothing contained in the Indenture will prohibit or prevent, or be deemed, or construed, to prohibit or prevent, the City from issuing or refunding bonds, notes, commercial paper, certificates, warrants or other evidence of indebtedness payable as to principal and interest from the Revenue Fund and the Net Revenues, subject and subordinate to the deposits and credits required to be made therefrom to the Debt Service Account and the Debt Service Reserve Account, or from securing such bonds, notes, commercial paper, certificates, warrants or other evidences of indebtedness and the payment thereof by a lien and pledge on the Net Revenues junior and inferior to the lien and pledge on the Net Revenues created for the payment and security of the Bonds.

Subject to the paragraph directly below, at any time after authorization but prior to the issuance of Subordinated Indebtedness, the City shall furnish to the Trustee a Certificate of the City with respect to the specific principal amount of Subordinated Indebtedness proposed to be issued (the "Certified Amount"), and that provides as follows: annual estimated Net Revenues available, after payment of Debt Service of the Outstanding Bonds, for each of the three (3) Airport Fiscal Years following the Airport Fiscal Year in which it is estimated that the Airport has beneficial occupancy of the Airport project to be financed or refinanced (in whole or in part) from the proceeds of such Certified Amount, will be at least equal to 1.10 times the sum of (1) estimated debt service on the Certified Amount proposed to be issued, (2) debt service on all outstanding Subordinated Indebtedness, and (3) estimated debt service on any other previously Certified Amounts to the extent that such Certified Amounts are not outstanding but are still authorized and available to be issued.

For purposes of compliance with the paragraph above, the Certificate of the City may include any of the following provisions or assumptions:

1. Once executed with respect to a Certified Amount, the Certificate of the City shall remain effective with respect to all issuances and reissuances, from time to time (and regardless of any repayment or maturity) of such Certified Amount until the authorized time period for issuance and final maturity of such Certified Amount has expired. (By way of example, (i) if the Certified Amount is with respect to a commercial paper program, then once such amount is certified with respect to the initial Airport project, such certificate shall remain effective until the final eligible maturity date of the commercial paper has passed such that it cannot be issued, re-issued or refunded; or (ii) if the Certified Amount is with respect to long-term fixed rate bonds, then once certified such certificate shall remain effective until such bonds or notes are issued and they mature or are paid off or defeased prior to maturity.)

2. With respect to the identification of the Airport project to be financed or refinanced (in whole or in part) with the proceeds of the Certified Amount and the

determination of the applicable three (3) Airport Fiscal Years for the coverage test, the Certificate of the City may assume, without regard to the estimated beneficial occupancy date of a specific Airport project, that, with respect to the Certified Amount, the three (3) year test period begins with the first full Airport Fiscal Year beginning after the date of the Certificate of the City.

3. If the Certified Amount is structured so that the principal coming due on the final maturity date exceeds by at least 25% the principal coming due in any prior year then debt service on the Certified Amount may be calculated based upon an assumed 30-year level debt amortization schedule and applying a 10-year average of the Index Interest Rate. For purposes of calculating estimated debt service for any Certified Amount, the calculation may be based on then prevailing market conditions as determined by a third party expert or by applying the appropriate average of the Index Interest Rate as determined by the City or a third party expert.

4. The Certificate of the Authorized Officer of the City may be based, in whole or in part, upon reports or certificates from the Airport Consultant, an Accountant's Certificate or reports of other third party experts.

5. Subordinated Indebtedness issued for the following purposes may be excluded from any calculation of debt service coverage with respect to Subordinated Indebtedness (including certification with respect to a Certified Amount):

i. Subordinated Indebtedness issued to refund outstanding Subordinated Indebtedness.

ii. Subordinated Indebtedness issued to refund Outstanding Bonds.

iii. Subordinated Indebtedness which the City expects to pay from a source of funds other than estimated Net Revenues available, after payment of Debt Service of the Outstanding Bonds, to the extent such source is anticipated as being available or obligated to the City for Airport purposes, such as grant moneys, passenger facility charges or other available moneys, including, without limitation, moneys in the Development Fund.

Any ordinance or indenture providing for the issuance of Subordinated Indebtedness may provide that additional Subordinated Indebtedness may be issued on a parity therewith.

The principal amount of any Subordinated Indebtedness shall, by its terms, not be subject to acceleration upon default unless and until the principal amount of the Bonds has been accelerated pursuant to the Indenture.

Debt Service Stabilization Fund

If, immediately after each monthly transfer required by the Indenture, the amount in the Debt Service Account shall be less than the amount required to be in such Account pursuant to the Indenture, the City shall transfer amounts from the Debt Service Stabilization Fund to the Trustee for deposit to the Debt Service Account to the extent necessary to make good such deficiency or deficiencies. Amounts on deposit in the Debt Service Stabilization Fund may be withdrawn at any time and used for (1) emergency debt service needs with respect to Bonds, Subordinated Indebtedness or other indebtedness issued for Airport purposes and (2) Airport operational emergencies. Notwithstanding the foregoing, after the Net

Revenues for three consecutive Airport Fiscal Years equals at least 1.60 times the Aggregate Adjusted Debt Service for such Airport Fiscal Years, the Comptroller, upon the receipt of a request of the Airport Commission, may determine to reduce or eliminate the Debt Service Stabilization Fund Requirement and/or eliminate the Debt Service Stabilization Fund. The Comptroller, upon any such determination, shall notify the Airport Commission and the Trustee of such determination.

PFC Account

Amounts in the PFC Account shall be applied as provided in the applicable Supplemental Indenture relating to the designation and pledge of Pledged PFC Revenues.

Expenditures from City Held Funds and Accounts

Expenditures from any Funds and Accounts held by the City shall be subject to the then existing requirements for expenditure of City funds, which requirements consist of approvals by the Airport Commission and the Board of Estimate and Apportionment of the City and appropriation of funds by the Board of Aldermen of the City. Notwithstanding the foregoing, if the timing of the need for any expenditure of moneys from any Fund or Account held by the City is deemed an emergency, then the approval of the expenditure of such moneys may occur in accordance with the provisions of Article XV, Section 2 of the City Charter, or any successor provision.

Investment of Certain Funds

Moneys held in the Debt Service Account, the Debt Service Reserve Account and the Rebate Fund are to be invested and reinvested by the Trustee to the fullest extent practicable in Investment Securities which mature not later than such times as will be necessary to provide moneys when needed for payments to be made from such Accounts, and in the case of the Debt Service Reserve Account not later than 15 years (unless such securities will be redeemable at the option of the holder thereof, in which event such securities may mature at a date no later than the final maturity date of the Bonds). The Trustee will make such investment in accordance with any instructions received from an Authorized Officer of the City. The Trustee, upon notice to and written consent of an Authorized Officer of the City, may make any and all such investments through its own bond department or the bond department of any bank or trust company under common control with the Trustee.

Moneys in the Revenue Fund and the Construction Fund may be invested by the City in Investment Securities which mature not later than such time as will be necessary to provide moneys when needed to provide payments from such Funds. Moneys in the Operation and Maintenance Fund may be invested by the City in Investment Securities which mature within 12 months and moneys in the Development Fund, the Renewal and Replacement Fund, the Contingency Fund, the Debt Service Stabilization Fund, the PFC Account and the Arbitrage Rebate Fund may be invested in Investment Securities which mature within 5 years, and in any case not later than such time as will be necessary to provide moneys when needed for payment from such respective Funds.

Earnings on any moneys or investments in all Funds and Accounts established under the Indenture will be deposited in the Revenue Fund, except that earnings on the moneys or investments in the Construction Fund will, to the extent expressly required by the terms of any Supplemental Indenture authorizing the issuance of a Series of Bonds, be retained in the Construction Fund.

Particular Covenants of the City

Powers as to the Airport and Collection of Rates, Fees and Rentals. The City has and will have, so long as any Bonds are Outstanding, good right and lawful authority to acquire, construct, develop, operate, maintain, repair, improve, reconstruct, enlarge, and extend the Airport and to fix rates, fees, rentals and other charges in connection therewith.

Indebtedness and Liens. The City has covenanted not to issue any bonds, notes or other evidences of indebtedness, other than the Bonds, payable out of or secured by a pledge of the Revenues or of the moneys, securities of funds held or set aside by the City or by the Fiduciaries under the Indenture and will not create or cause to be created any lien or charge on the Revenues or such moneys, securities or funds; provided, however, that nothing contained in the Indenture will prevent the City from issuing Subordinated Indebtedness as provided in the Indenture.

Sale, Lease or Encumbrance of Property. The City has covenanted not to sell or otherwise dispose of or encumber any part of the Airport, except property which, in the opinion of the Airport Commission and the Airport Consultant, is no longer necessary or useful in the operation thereof, and except as provided in the Indenture with respect to Special Facilities. In addition, the City may lease or make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the Airport if such lease, contract, license, easement or right does not impede or restrict the operation by the City of the Airport for Airport purposes. Proceeds from the sale or disposition of property not used to replace such property and any such payments with respect to a lease, contract, license, easement or right not otherwise required to be applied in accordance with the Indenture will be applied in the same manner and to the same purpose as Revenues.

The Indenture expressly permits the transfer (by sale, lease or otherwise) of all or a substantial part of the Airport if the principal of and interest on the Bonds are paid in full; the Bonds are defeased in accordance with the Indenture; or the transferee assumes all obligations of the City under the Indenture and in the Bonds and if, in the case of such assumption: (1) in the written opinions of the Director of Airports and the Airport Consultant, after giving effect to such transfer and assumption, the ability of the transferee to meet the rate maintenance and other covenants under the Indenture and the security for the Bonds are not materially and adversely affected, (2) the City will have furnished the Trustee with a Bond Counsel's Opinion to the effect that such transfer will not adversely affect the tax-exempt status of interest on the Bonds under the Code and (3) such transferee will expressly agree not to use the Funds held under the Indenture otherwise than as provided in the Indenture. In the event of any such transfer and assumption, nothing in the Indenture will prohibit or prevent the retention by the City of any facility of the Airport if, in the written opinions of the Director of Airports and the Airport Consultant, such retention will not materially and adversely affect the security for the Bonds, nor unreasonably restrict the transferee's ability to comply with the rate maintenance and other covenants thereunder. Any consideration received by the City from the transferee of all or a substantial part of the Airport will not constitute "Revenues" under the Indenture or be subject to the terms and provisions of the Indenture. The terms and conditions of the transfer of all or a substantial part of the Airport pursuant to the Indenture will be set forth in a Supplemental Indenture executed by the City, the Trustee and the transferee and notice of such transfer will be given to the Bondholders in accordance with the Indenture.

Operation Maintenance and Reconstruction. The City shall at all times operate, or cause to be operated, the airport properly and in a sound, efficient and economical manner, and shall maintain, preserve, and keep the same or cause the same to be maintained, preserved and kept with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make or cause to be made, all ordinary, necessary and proper repairs, replacements and renewals so that at all times the operation of the Airport may be properly and advantageously conducted,

Continued
2008-01116 1/00013 4000

and I, if any useful part of the Airport is damaged or destroyed, the City shall, as expeditiously as may be possible, commence and diligently prosecute the ordinary replacement or reconstruction of such part so as to restore the same to use; provided, however, that nothing in the Indenture shall require the City to operate, maintain, preserve, repair, replace, renew or reconstruct any part of the Airport (1) from sources other than the Revenues or (2) if there shall be filed with the Trustee (i) a certificate executed by an Authorized Officer of the City stating that in the opinion of the City abandonment of operation of such part is economically justified and is not prejudicial to the interests of the Owners of the Bonds, and (ii) a consent to the filing of such certificate is given by the Trustee, which consent shall be withheld only upon reasonable grounds.

Notwithstanding any provisions in the Indenture to the contrary, the City and the Airport Commission shall at all times operate the Airport so long as there are any Outstanding Bonds under the Indenture. Operation of the Airport may not be transferred by the City or the Airport Commission to another entity and may not be assumed by any other entity so long as there are any Outstanding Bonds under the Indenture; provided, however, that the City and the Airport Commission may enter into agreements with third party vendors, consultants and contractors for specific aspects or portions of the maintenance or operation of the Airport or the construction of capital projects at the Airport.

Rates and Charges. The City has covenanted to, at all times while any Bonds will be Outstanding, establish, fix, prescribe and collect such rates, fees, rentals and other charges for the use of the Airport as will be reasonably anticipated to provide in each Airport Fiscal Year an amount so that the Revenues will be sufficient to pay the Aggregate Debt Service for such Airport Fiscal Year and to provide the funds necessary to make the required deposits in and maintain the several Funds and Accounts established in the Indenture, and in any event, as will be required to pay or discharge all indebtedness, charges and liens whatsoever payable out of Revenues under the Indenture.

Insurance. So long as any Bonds are Outstanding the City will at all times carry insurance or cause insurance to be carried, including the City as an insured as its interest may appear, with a responsible insurance company or companies authorized and qualified under the laws of any state of the United States of America to assume the risk thereof, covering such properties of the Airport as are customarily insured, and against loss or damage from such causes as are customarily insured against, by public or private corporations engaged in a similar type of business, all in accordance with the annual written recommendations of the Insurance Consultant.

Any proceeds of insurance for the Airport will be paid into the Construction Fund during the period of Construction, and thereafter will, to the extent necessary and desirable, be applied to the repair and replacement of any damaged or destroyed properties of the Airport. If any of said proceeds received are not used or committed for use with respect to the repair or replacement of Airport property within twenty-four months of receipt, such proceeds will be paid into the Development Fund.

Airport Consultant. The City will employ an Airport Consultant from time to time whenever and for the purposes contemplated by the Indenture. Such Airport Consultant will be an airport consultant or airport consultant firm or corporation having a wide and favorable reputation for skill and experience with respect to the operation and maintenance of airports, in recommending rental and other charges for use of airport facilities and in projecting revenues to be derived from the operation of airports.

Budgets. The City has covenanted to prepare and file annually with the Trustee at the beginning of each City Fiscal Year an Annual Budget setting forth the ensuing City Fiscal Year in reasonable detail, among other things, estimated Revenues, estimated Operation and Maintenance Expenses, reasonably anticipated unusual and extraordinary expenses, and deposits into each of the Funds established

under the Indenture. The City may at any time adopt an amended Annual Budget for the remainder of the then current City Fiscal Year.

At least every five (5) City Fiscal Years the City (through the Airport Commission) has covenanted to prepare and file with the Trustee a Capital Budget for the Airport for the ensuing five (5) City Fiscal Years. The Capital Budget will set forth in reasonable detail the anticipated necessary or appropriate major capital improvements to the Airport during the succeeding five year period, the estimated Cost of Construction of such capital improvements and the anticipated sources of funds for the payment of such Costs. The City may at any time and from time to time adopt an amended Capital Budget for the remainder of the five City Fiscal Years covered thereby and will promptly file any such amendment with the Trustee. The Capital Budget and any amendments thereto will be available at the offices of the Trustee for inspection by the Bondholders.

Accounts and Reports. The City has covenanted to keep or cause to be kept proper books of record and account of the Airport in which complete and correct entries will be made of its transactions relating to the Revenues and each Fund and Account established under the Indenture, and which will at all times be subject to the inspection of the Trustee and the Owners of an aggregate of not less than 5% in principal amount of the Bonds then Outstanding or their representatives duly authorized in writing.

The City shall annually, within 120 days after the close of each Airport Fiscal Year, cause an audit to be made of its books and accounts relating to the Airport for such Airport Fiscal Year by an independent and recognized certified public accountant or firm of independent certified public accountants not in the regular employ of the City. Promptly thereafter reports of each audit will be filed with the Trustee, each Bond Insurer and with each Rating Agency. Each such audit report will set forth with respect to such Airport Fiscal Year: (i) a statement of financial condition of the Airport as of the end of such Airport Fiscal Year and the related statement of revenues and expenses for the Airport Fiscal Year then ended, (ii) a summary with respect to each Fund and Account established under the Indenture of the receipts therein and disbursements therefrom; (iii) the details of all Bonds issued, paid, purchased or redeemed, (iv) the amounts on deposit at the end of such Airport Fiscal Year to the credit of each Fund and Account established under the Indenture; (v) the amounts of the proceeds received from any sales of property constituting part of the Airport; and (vi) a list of all insurance policies with respect to the Airport or certificates thereof then held by the City or the Trustee.

The reports, statements and other documents required to be furnished to the Trustee pursuant to any provisions of the Indenture will be available for the inspection of the Bondholders at the office of the Trustee and will be mailed to each Bondholder who will file a written request therefor with the City. The City may charge each Bondholder requesting such reports, statement and other documents, a reasonable fee to cover reproduction, handling and postage.

Special Facilities. The City or any other public corporation or public instrumentality will be authorized to finance from the proceeds of obligations, other than Bonds, issued by the City or such other public corporation or public instrumentality which are not payable from Revenues, capital improvements or facilities to be located on any property included under the definition of Airport ("Special Facilities") without regard to any requirements of the Indenture with respect to the issuance of Additional Bonds, provided:

(1) Such obligations are payable solely from rentals or other charges derived by the City or such other public corporation or public instrumentality under a lease, sale or other agreement entered into between the City or such other public corporation or public instrumentality and the person, firm or corporation which will be utilizing the Special Facilities to be financed;

(2) The estimated rentals, payments or other charges (including interest earnings on any reserves) to be derived by the City or such other public corporation or public instrumentality from the lease, sale or other agreement with respect to the Special Facilities to be financed will be at least sufficient to pay the principal of and interest on such obligations, all costs of operating and maintaining such Special Facilities and all sinking fund, reserve or other payments required by the resolution, ordinance or indenture securing such obligations;

(3) The construction and operation of the Special Facilities to be financed will not decrease the Revenues presently projected to be derived from the Airport; and

(4) In addition to all rentals, payments or other charges with respect to the Special Facilities to be financed, a fair and reasonable rental for the land upon which said Special Facilities are to be constructed will be charged by the City, and said ground rent will be deemed Revenues derived from the Airport.

The Indenture further provides that the provisions described above are not applicable to or otherwise deemed to limit the right of the City or any other public corporation or public instrumentality to finance the expansion, relocation or other improvement of any airline aviation fueling facilities or in-flight meal preparation facilities located at the Airport on October 15, 1984.

Tax Covenant of the City. The City shall at all times do and perform, or cause to be done and performed, all acts and things permitted by law and necessary in order to assure that the interest paid on the Bonds which are Tax-Exempt Bonds shall, for the purpose of federal income taxation, be excludable from the gross income of the recipients thereof and exempt from such taxation, except in the case of any Bond which is a "private activity bond" which is held by a person who is a "substantial user" or a "related person" within the meaning of Section 147(a) of the Code or except in the event that interest on the Bonds is subject to any other federal income tax otherwise applicable to obligations, the interest on which is excluded from gross income under Section 103 of the Code.

The City shall not permit at any time or times any of the proceeds of the Tax-Exempt Bonds or any other funds of the City to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Tax-Exempt Bond issued pursuant to the Indenture to be an "arbitrage bond" within the meaning of Section 103(b)(2) of the Code. In addition, the City shall not permit at any time or times, any moneys or securities in any fund or account created or continued hereunder to be invested or held in such manner so as to cause any Tax-Exempt Bond issued pursuant to the Indenture to be an "arbitrage bond" as aforesaid.

The City shall make any and all payments required to be made to the United States Department of the Treasury in connection with the Tax-Exempt Bonds pursuant to Section 148(f) of the Code from amounts on deposit in the funds and accounts established under the Indenture and available therefor.

The City agrees to continually comply with the provisions of any Tax Certificate entered into in connection with each Series of Bonds, as such certificate may be amended from time to time, as a source of guidance for achieving compliance with the Code.

Events of Default and Remedies

Each of the following constitutes an event of default (each, an "Event of Default") under the Indenture:

(A) if default is made in the due and punctual payment of the principal of or Redemption Price of any Bond, whether at maturity or by call for redemption, or otherwise, or in the due and punctual payment of any installment of interest on any Bond or the unsatisfied balance of any Sinking Fund Installment therefor when and as such interest installment or Sinking Fund Installment will become due and payable;

(B) if default is made by the City in the performance or observance of the covenants, agreements and conditions on its part in establishing, fixing, prescribing and collecting rates, fees, rentals and other charges for the use of the Airport in order that in each Airport Fiscal Year the Revenues will be sufficient to pay the Aggregate Debt Service for such Airport Fiscal Year and to provide the funds necessary to make the required deposits in and maintain the several Funds and Accounts established in the Indenture, and in any event, as are required to pay or discharge all indebtedness, charges and liens whatsoever payable out of the Revenues under the Indenture; provided, however, that a failure by the City to comply with the foregoing covenant will not constitute an event of default under the Indenture if, (i) within four months of the end of the most recently completed Airport Fiscal Year, the City retains an Airport Consultant for the purpose of making recommendations with respect to the operations of the Airport and the sufficiency of its rates, fees, rentals and other charges, (ii) the Airport Consultant will make the required recommendations to the City within seven months of the end of such Airport Fiscal Year and file same with the Trustee; and (iii) the City will diligently and in good faith follow the recommendations of the Airport Consultant;

(C) if default will be made by the City in the performance or observance of any other of the covenants, agreements or conditions on its part contained in the Indenture or in the Bonds and such default will continue for a period of sixty days after written notice thereof to the City by the Trustee or to the City and to the Trustee by the Owners of not less than twenty-five percent in principal amount of the Bonds Outstanding; provided, however, that if such failure will be such that it can be corrected but cannot be corrected within such sixty day period, it will not constitute an Event of Default if corrective action is instituted within such period and diligently pursued until the failure is corrected;

(D) if the City will file a petition seeking a composition of indebtedness under the federal bankruptcy laws, or under any other applicable law or statute of the United States of America or of the State;

(E) if judgment for the payment of money is rendered against the City as the result of the construction, improvement, ownership, control or operation of the Airport, and any such judgment will not be discharged within twenty four (24) months after the entry thereof, or an appeal will not be taken therefrom or from the order, decree or process upon which or pursuant to which such judgment will have been granted or entered, in such manner as to set aside or stay the execution of or levy under such judgment, or order, decree or process or the enforcement thereof; or

(F) if an order or decree is entered, with the consent or acquiescence of the City, appointing a receiver or receivers of the Airport or any part thereof, or the revenues therefrom, or if such order or decree has been entered without the consent or acquiescence of the City, such order or decree will not be vacated or discharged, stayed or appealed within ninety (90) days after the entry thereof; then and in each and every such case, so long as such Event of Default will not have been remedied, unless the principal of all the Bonds will have already become due and payable, either the Trustee may (by notice in writing to the City), and upon written request of the Owners of not less than twenty-five percent (25%) in principal amount of the Bonds Outstanding

(by notice in writing to the City and the Trustee) will, declare the principal of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same will become and be immediately due and payable, anything in the Indenture or in any of the Bonds contained to the contrary notwithstanding.

The right of the Trustee to make any such declaration as aforesaid, however, is subject to the condition that if, at any time after such declaration, but before the Bonds will have matured by their terms, all overdue installments of interest upon the Bonds, together with interest on such overdue installments of interest to the extent permitted by law and the reasonable and proper charges, expenses and liabilities of the Trustee, and all other sums then payable by the City under the Indenture (except the principal of, and interest accrued since the next preceding interest payment date on the Bonds due and payable solely by virtue of such declaration) will either be paid by or for the account of the City or provision satisfactory to the Trustee will be made for such payment, and all defaults under the Bonds or under the Indenture (other than the payment of principal and interest due and payable solely by reason of such declaration) will be made good or be secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate will be made therefor, then and in every such case the Owners of fifty-one percent (51%) in principal amount of the Bonds Outstanding, by written notice to the City and to the Trustee, may rescind such declaration and annul such default in its entirety, or, if the Trustee will have acted itself, and if there will not have theretofore delivered to the Trustee written direction to the contrary by the Owners of fifty-one percent (51%) in principal amount of the Bonds then Outstanding, then any such declaration will ipso facto be deemed to be rescinded and any such default and its consequences will ipso facto be deemed to be annulled, but no such rescission and annulment will extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

If an Event of Default has happened and has not been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon written request of the Owners of not less than twenty-five percent (25%) in principal amount of the Bonds Outstanding or the Bond Insurers will proceed, to protect and enforce its rights and the rights of the Owners of the Bonds under the Indenture forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant contained in the Indenture, or in aid of the execution of any power therein granted, or for an accounting against the City as if the City were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, will deem most effectual to enforce any of its rights or to perform any of its duties under the Indenture.

The Owners of not less than a majority in principal amount of the Bonds at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, provided that the Trustee will have the right to decline to follow any such direction if the Trustee will be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Trustee in good faith will determine that the action or proceeding so directed would involve the Trustee in personal liability or be unjustly prejudicial to the Bondholders not parties to such direction.

Regardless of the happening of an Event of Default, the Trustee will have power to, but unless requested in writing by the Owners of not less than 51% in principal amount of the Bonds then Outstanding or the Bond Insurers, and furnished with reasonable security and indemnity, will be under no obligation to, institute and maintain such suits and proceedings as it may be advised will be necessary or expedient to prevent any impairment of the security under the Indenture by any acts which may be unlawful or in violation of the Indenture, and such suits and proceedings as the Trustee may be advised will be necessary or expedient to preserve or protect its interests and the interest of the Bondholders.

Certain actions required or permitted to be taken under the Indenture by the Owners of any Bonds may be taken by the Bond Insurer without any action being taken by the Owners thereof. Any action taken by such Bond Insurer will be deemed to be the action taken by such Owners.

Restrictions on Bondholders' Actions

No Owner of any Bond will have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of the Indenture or the execution of any trust under the Indenture or for any remedy under the Indenture, unless such Owner will have previously given to the Trustee written notice of the happening of an Event of Default, as provided in the Indenture, and the Owners of at least twenty-five percent in principal amount of the Bonds then Outstanding will have filed a written request with the Trustee, and will have offered it reasonable opportunity, either to exercise the powers granted in the Indenture or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Owners will have offered to the Trustee adequate security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee will have refused to comply with such request for a period of thirty days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Owners of Bonds will have any right in any manner whatever by his or their action to affect, disturb or prejudice the pledge created by the Indenture, or to enforce any right under the Indenture, except in the manner therein provided; and that all proceedings at law or in equity to enforce any provision of the Indenture will be instituted, had and maintained in the manner provided in the Indenture and for the equal benefit of all Owners of the Outstanding Bonds.

Waiver of Events of Defaults

Prior to the declaration of maturity of the Bonds as provided in the Indenture, the Owners of not less than fifty-one percent (51%) in principal amount of the Bonds at the time Outstanding, or their attorneys-in-fact duly authorized, may on behalf of the Owners of all of the Bonds waive any past default under the Indenture and its consequences, except a default in the payment of interest on or principal of or premium (if any) on any of the Bonds. No such waiver will extend to any subsequent or other default or impair any right consequent thereon.

Rights of Bond Insurers upon Default

All actions permitted to be taken under the Indenture upon the occurrence of an Event of Default by the Owners of any Bonds insured by a Bond Insurer may be taken by such Bond Insurer without any action being taken by such Owners. Any action taken by such Bond Insurer will be deemed to be the action taken by such Owners for purposes of the Indenture.

Supplemental Indentures

For any one or more of the following purposes at any time or from time to time, a Supplemental Indenture of the City may be adopted, which, upon the execution and delivery thereof by the Trustee will be fully effective in accordance with its terms:

(1) To close the Indenture against, or provide limitations and restrictions to the limitations and restrictions contained in the Indenture on, the authentication and delivery of Bonds or the issuance of other evidences of indebtedness;

(2) To add to the covenants and agreements of the City in the Indenture, other covenants and agreements to be observed by the City which are not contrary to or inconsistent with the Indenture theretofore in effect;

(3) To add to the limitations and restrictions in the Indenture, other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(4) To provide for the issuance of bearer Bonds and interest coupons and establish appropriate exchange privileges and notice requirements in connection therewith with respect to any Bonds issued or to be issued under the Indenture;

(5) To authorize Bonds of a Series or to determine the terms and details thereof and, in connection therewith, specify and determine certain matters and things pertaining to the issuance of the Bonds, Additional Bonds and Refunding Bonds referred to in the Indenture, and also any other matters and things relative to such Bonds which are not contrary to or inconsistent with the Indenture as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination at any time prior to the first authentication and delivery of such Bonds;

(6) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, the Indenture, of the Revenues, or of any other moneys, securities or funds;

(7) To modify any of the provisions of the Indenture in any respect whatever, provided that (i) the effective date of such modification will be, and expressed to be, effective only after all Bonds of any Series Outstanding at the date of the adoption of such Supplemental Indenture will cease to be Outstanding, and (ii) such Supplemental Indenture will be specifically referred to in the text of all Bonds of any Series authenticated and delivered after the date of the adoption of such Supplemental Indenture and of Bonds issued in exchange therefor or in place thereof;

(8) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Indenture; or

(9) To insert such provisions clarifying matters or questions arising under the Indenture as are necessary or desirable and are not contrary to or inconsistent with the Indenture as theretofore in effect.

At any time or from time to time, a Supplemental Indenture may be adopted subject to consent by Bondholders in accordance with and subject to the provisions of the Indenture, which Supplemental Indenture, upon the execution and delivery thereof by the Trustee and upon compliance with the provisions of the Indenture, will become fully effective in accordance with its terms as provided in the Indenture.

Any modification or amendment of the Indenture and of the rights and obligations of the City and of the Owners of the Bonds thereunder, in particular, may be made by a Supplemental Indenture, with the written consent given as provided in the Indenture (i) of the Owners of at least fifty-one percent in principal amount of the Bonds Outstanding at the time such consent is given, and (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Owners of at least fifty-one percent in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Owners of such Bonds will not be required and such Bonds will not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under the Indenture. No such modification or amendment will permit a change in the terms of redemption or maturity of the principal

of any Outstanding Bond or Sinking Fund Installment or any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or will reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

The terms and provisions of the Indenture and the rights and obligations of the City and of the Owners of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the City of a Supplemental Indenture and the consent of the Owners of all the Bonds then Outstanding.

The consent of the Owner of any Bond which is entitled to the benefits of a Bond Insurance Policy issued by a Bond Insurer will not be effective unless the Trustee will have received a written consent of such Bond Insurer. For purposes of certain provisions of the Indenture, certain actions required or permitted to be taken thereunder by the Owners of any Bonds may be taken by such Bond Insurer without any action being taken by the Owners thereof. Any action taken by such Bond Insurer will be deemed to be the action taken by such Owners.

Discharge of Lien of the Indenture

If the City will pay or cause to be paid, or there will otherwise be paid, to the Owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Indenture, then the pledge of any Net Revenues, and other moneys and securities pledged under the Indenture and all covenants, agreements and other obligations of the City to the Bondholders; will thereupon cease, terminate and become void and be discharged and satisfied.

Bonds or interest installments for payment or redemption of which moneys will have been set aside and will be held in trust by the Paying Agents (through deposit by the City of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof will be deemed to have been paid within the meaning and with the effect expressed in the Indenture. All Outstanding Bonds of any Series will prior to the maturity or redemption date thereof be deemed to have been paid if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the City will have given to the Trustee in form satisfactory to it irrevocable instructions to mail as provided in the Indenture notice of redemption of such Bonds on said date; (ii) there will have been deposited with the Trustee either moneys in an amount which will be sufficient, or Government Securities the principal of and the interest on which when due will provide money which, together with the moneys, if any, deposited with the Trustee at the same time, will be sufficient, to pay when due the principal and premium, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, and all necessary and proper fees, compensation and expenses of the Trustee and Paying Agents pertaining to the Bonds with respect to which such deposit is made will have been paid or the payment thereof provided for to the satisfaction of the Trustee and Paying Agents, respectively, as the case may be; and (iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty days, the City will have given the Trustee in form satisfactory to it irrevocable instructions to mail, as soon as practicable, to the Owners of such Bonds notice that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with the Indenture and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds.

Anything in the Indenture to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six years after the

date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for six years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, will, unless otherwise provided by law, at the written request of the City, be repaid by the Fiduciary to the City, as its absolute property and free from trust, and the Fiduciary will thereupon be released and discharged with respect thereto and the Bondholders will look only to the City for the payment of such Bonds; provided, however, that before being required to make any such payment to the City and the Fiduciary will, at the expense of the City, cause to be mailed to the Owner of each unpaid Bond, at the address of such Owner as set forth on the Bond register maintained by the Trustee, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date will not be less than 45 days after the date of the mailing of such notice, the balance of such moneys then unclaimed will be returned to the City.

After payment in full of the principal of, redemption premium, if any, and interest on any Series of Bonds (or after provision has been made for the payment thereof as provided in the Indenture), the fees, charges and expenses of the Trustee and Paying Agent, and any other amounts required to be paid under the Indenture relating to such Series of Bonds, all amounts remaining in the accounts or sub-accounts established with the Trustee for such Series of Bonds shall be transferred to the various sub-accounts of the Debt Service Account for the Outstanding Bonds, as directed by the City, unless otherwise directed in a Supplemental Indenture adopted in accordance with the Indenture.

Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall give notice to the Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Insured Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal on Insured Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Bonds registered to the then current Insured Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Insured Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Insured Bond shall have no effect on the amount of principal or interest payable by the City on any Insured Bond or the subrogation rights of the Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on

and principal of any Insured Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of holders of the Insured Bonds referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of holders of the Insured Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to holders of the Insured Bonds in the same manner as principal and interest payments are to be made with respect to the Insured Bonds under the sections hereof regarding payment of Insured Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the City agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The City hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Revenues and payable from such Revenues on a parity with debt service due on the Insured Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following an Insured Bond payment date shall promptly be remitted to the Insurer.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE USE AGREEMENTS AND THE OPERATING AGREEMENTS

[THIS PAGE INTENTIONALLY LEFT BLANK]

2020-01-16 14:00:53 +0000

The following is a summary of certain provisions of the Use Agreements, the Operating Agreements and the Cargo Addenda. This summary does not purport to be complete or definitive and reference is made to the Use Agreements, the Operating Agreements and the Cargo Addenda for a complete recital of the terms of such documents.

Airport Use and Lease Agreement. The term of the current Use Agreement began on July 1, 2016. Each Use Agreement will expire on June 30, 2021, unless earlier terminated by the City for nonperformance or default. An air carrier may terminate its Use Agreement if the City fails to keep any material promise or covenant, or if the air carrier is denied the right to operate at the Airport by a governmental agency with competent jurisdiction or, under certain circumstances, if the air carrier is prevented from conducting its air transportation business at the Airport for an extended period of time. The terms of the Use Agreements may be extended by mutual agreement of the parties.

Air carriers operating at the Airport pursuant to the Use Agreements are referred to as "Signatory Airlines." The Use Agreements grant the Signatory Airlines the right to use the airfield and, as applicable, use and lease certain areas in the passenger terminal buildings, including concourses, and related facilities for the business of transporting persons, property, cargo, and mail by air. Signatory Airlines that operate from the passenger terminal buildings at the Airport may, but are not required to, lease space in the terminal buildings. The Use Agreements also provide for the payment of certain rentals, fees and charges by the Signatory Airlines.

Signatory Airlines. Signatory Airlines must commit to pay the City a minimum amount in landing fees throughout the term of their respective Use Agreements. The minimum landing fee commitment is $1,000,000 for Signatory Airlines with Use Agreements that began on July 1, 2016. Signatory Airlines may include affiliate airline fees in the commitment test and the landing fee commitment is prorated in Use Agreements that began after July 1, 2016.

A Pre-Approved 5-Year Capital Improvement Program is detailed in the Use Agreements and the Airport may proceed with each project without MII approval. Signatory Airlines have the right to review and approve certain capital acquisitions and projects with a net cost (net of federal and/or state grants-in-aid and PFCs) in excess of $200,000 ("Capital Improvements") at the Airport, as well as the right to participate in the Airport's annual rate setting process (budget review and comment; meet and confer over rents, fees and charges), and, under certain circumstances, are eligible for a waiver of the security deposit requirements of their respective Use Agreements. Signatory Airlines may designate certain non-signatory airlines as their "Affiliates." Affiliates enjoy some, but not all, of the benefits of Signatory Airlines.

Airlines Rates and Charges Methodology. The Use Agreements set forth the methodology for computing the user fees and space rentals that are charged to the air carriers. Rentals, fees and charges are assessed to the Signatory Airlines and the other air carriers using the Airport to support the primary activities of the Airport - the airfield and the terminal buildings (including Terminal 1,Terminal 2 and passenger loading bridges). The Use Agreements permit the City to adjust rental rates for each rate period to reflect overpayments and underpayments that occurred during the preceding rate period, and, to the extent necessary, replenish reasonable reserves for uncollected revenues.

Landing Fees. Under the terms of the Use Agreements, the Airport landing fees are computed based on a modified cost center residual rate methodology. In calculating the annual landing fee rate, the total costs of the Airfield are first calculated by adding the following costs for such year allocable to the Airfield Cost Center:

- direct and indirect Operation and Maintenance Expenses;
- amortization of Capital Improvements made to the airfield and put into service before July 1, 2011

- debt service associated with Capital Improvements made to the airfield, approved by the Signatory Airlines, and put into service on or after July 1, 2016;

- debt service associated with Capital Improvements made to the airfield, approved by the Signatory Airlines, and put into service on or after July 1, 2011, and approved by MII;

- debt service or depreciation charges, as the case may be, associated with certain Capital Improvements undertaken on the airfield: to comply with laws and regulations or with the requirements of the Trust Indenture; as an emergency project; to settle claims, satisfy judgments, or comply with judicial orders; to repair casualty damage on the airfield; to mitigate aircraft noise as part of a Noise Compatibility Program; or to conduct any necessary environmental investigation or remediation;

- any replenishment or rebate of the Debt Service Reserve Account and the Renewal and Replacement Fund; and

- share of the Debt Service Stabilization Fund Contribution.

The "Initial Airfield Requirement" is then calculated by subtracting the following from the total costs allocable to the Airfield Cost Center:

- non-signatory airline landing fees;

- general aviation landing fees, if any;

- military use fees;

- fuel flowage fees;

- remote parking fees;

- rent paid to the City by a consortium of airlines leasing the fuel farm; and

- certain credits made available annually by the City from the Debt Service Stabilization Fund.

Confidential
gavinm@stlouis-mo.gov
2020-01-16 14:00:53 +0000

The landing fee rate is then calculated by dividing the aggregate landed weight of all Signatory Airlines and their Affiliates into the sum of the Initial Airfield Requirement and that portion allocated to the Airfield Cost Center of Airport-wide residual shortfalls or overages that would result if airline charges were limited to the Initial Airfield Requirement and the Initial Terminal Requirement (see below) (the "Additional Airline Requirement").

In accordance with the terms of the Use Agreements, the landing fee rate applicable to non-signatory airlines that have signed an Operating Agreement is equal to 125% of the landing fee rate payable by the Signatory Airlines. The landing fee payable by each air carrier is then calculated by multiplying that air carrier's actual landed weight for the period in question, by the applicable landing fee rate.

Terminal Building Space Rentals. The Use Agreements establish two passenger terminal building cost centers: Terminal 1 Cost Center (including Terminal 1 and Concourses A, B, C and all but the four easternmost gates in Concourse D), and Terminal 2 Cost Center (including Terminal 2, the International Facilities, and the four easternmost gates in Concourse D). Under the terms of the Use Agreements, Signatory Airlines are charged terminal building rental rates computed based on a modified compensatory rate methodology. In calculating the annual rental rate for each terminal cost center, the total annual costs are first calculated by adding the following costs allocable to each terminal cost center:

- direct and indirect Operation and Maintenance Expenses;

- fifty percent (50%) of the total costs in the terminal roadways allocated between each of the terminal buildings based on the ratio that the usable space in each of the terminal buildings is to the aggregate usable space in all terminal buildings;

- amortization of Capital Improvements made to the terminal buildings and put into service before July 1, 2011;

- debt service associated with Capital Improvements made to the terminal buildings, approved by the Signatory Airlines, and put into service on or after July 1, 2016;

- debt service associated with Capital Improvements made to the terminal buildings, approved by the Signatory Airlines, and put into service on or after July 1, 2011, and approved by MII;

- debt service or depreciation charges, as the case may be, associated with certain Capital Improvements undertaken on the terminal buildings: to comply with laws and regulations or with the requirements of the Trust Indenture; as an emergency project; to settle claims, satisfy judgments, or comply with judicial orders; to repair casualty damage of the terminal buildings; to mitigate aircraft noise as part of a Noise Compatibility Program; or to conduct any necessary environmental investigation or remediation;

- any replenishment or rebate of the Debt Service Reserve Account and the Renewal and Replacement Fund; and

- share of the Debt Service Stabilization Fund Contribution.

Passenger Loading Bridge Charge. The total cost of the Passenger Loading Bridges Cost Center is calculated by adding together the following:

- direct and indirect Operating and Maintenance Expenses;

- the Depreciation Charge or Debt Service, as the case may be, of each new passenger loading bridge acquired by the City on or after July 1, 2011.

The annual Passenger Loading Bridge Charge applicable to each new passenger loading bridge shall be calculated by dividing the total cost and charges allocable to the Passenger Loading Bridges Cost Center in accordance with the Use Agreement, by the total number of passenger loading bridges acquired by the City on or after July 1, 2011. The monthly Passenger Loading Bridge Charge shall be 1/12 of the annual Passenger Loading Bridge Charge.

The net costs attributable to each terminal cost center is then calculated by subtracting the following from the total costs allocable to each corresponding terminal cost center:

- rent payable for apron-level =enclosed space;

- non-signatory airline terminal rents; and

- certain credits made available annually by the City from the Debt Service Stabilization Fund.

The "Initial Terminal Requirement" is then calculated by dividing the net costs attributable to each terminal cost center by the usable space of such terminal building, and the resulting quotient (the "Initial Terminal Rental Rate") multiplied by the rented space of such terminal building.

Confidential
garvinn@stlouis-mo.gov
2020-01-16 14:00:53 +0000

The annual terminal rental rate applicable to the Signatory Airlines in each terminal building is then calculated by adding the Initial Terminal Rental Rate in each terminal cost center to the quotient derived by dividing the Additional Airline Requirement allocable to each terminal cost center by the rented space in each of the respective terminal buildings and beginning in fiscal year ending June 30, 2018, reallocating the Additional Airline Requirement from the current 50% airfield and 50% terminal cost centers to 100% to the terminal cost center.

The annual terminal rental rate to the non-signatory airlines that have signed an Operating Agreement is equal to the applicable terminal rental rate calculated in accordance with the Use Agreements.

Airline Review and Approval of Capital Projects. A Pre-Approved 5-Year Capital Improvement Program is detailed in the Use Agreements and the Airport may proceed with each project without MII approval by using Airport funds lawfully available for such purpose, up to a total cost, in the Fiscal Years, and in the Cost Centers for each project. The City may undertake all Capital Improvements for which it receives MII approval. Except for projects included in the 5-Year Capital Improvement Program, the City may not undertake Capital Improvements that are funded with Bond proceeds unless it receives MII approval for such projects.

Except as enumerated below, before undertaking any Capital Improvement not included in the Pre-Approved 5-Year Capital Improvement Program, the City must notify the Signatory Airlines and request a MII approval for each such Capital Improvement. An MII is deemed to be 50% plus one of the Signatory Airlines operating at the Airport at the time of the voting action, having paid no less than 66.67% of the aggregate rents, fees, and charges paid by all signatory Airlines operating at the Airport during the immediately preceding fiscal year. The City may substitute any individual capital project listed in the Pre-Approved 5-Year Capital Improvement Program if the replacement project has the same or similar total cost, the net cost is chargeable to the same cost center, and the capital asset will accomplish the same purpose or function.

Contact Tom Grimm@SFAirport.com 650-821-7800 2025-01-16 14:00:53 PDT

No MII approval is required for Capital Improvements undertaken: (a) to comply with laws and regulations or with the requirements of the Trust Indenture; (b) as an emergency project; (c) to settle claims, satisfy judgments, or comply with judicial orders; (d) to repair casualty damage at the Airport; (e) to mitigate aircraft noise as part of a Noise Compatibility Program; (f) to conduct any necessary environmental investigation or remediation; (g) to build special facilities for which the City has a contractual commitment from a Signatory Airline or a financially-responsible third party; (h) to be fully funded from PFCs or (i) with funds from Airport Development Fund Deposits made after July 1, 2016 in excess of 6%.

Airline Operating Agreement and Terminal Space Permit. The Operating Agreements are month-to-month operating permits that may be terminated by either party by providing the other party 30-day written notice. Air carriers electing to operate at the Airport under the Operating Agreements are considered to be "non-signatory" airlines. The Operating Agreements are short term permits intended to provide flexibility for charter airlines, new entrants that may wish to test the market, and regional airlines that operate at the airport under a contract with other air carriers. Air carriers operating at the Airport pursuant to Operating Agreements are subject to a landing fee rate equal to 125% of the landing fee rate paid by the Signatory Airlines (unless the Operating Agreement airline is designated as an Affiliate by a Signatory Airline, in which case its landing fee rate is equal to the landing fee rate applicable to the Signatory Airlines). A passenger air carrier that signs an Operating Agreement and requests space in one of the terminal buildings pays a space use fee equal to the terminal rental rate payable by the Signatory Airlines.

Allocation of Space in the Terminal Building. Neither the Use Agreements nor the Operating Agreements require an air carrier to lease space in the Airport terminal buildings as a condition precedent to entering into either of those agreements. A Signatory Airline may lease space in the terminal buildings for its exclusive, preferential, joint, or common use and occupancy. As noted

below, air carriers that sign an Operating Agreement may also receive a month-to-month space permit. All gates in the passenger terminal buildings have been designated as preferential use space. In accordance with the Use Agreements, a Signatory Airline's right to a preferential gate is subject to an average gate utilization requirement (by that air carrier and/or its Affiliate or partner airlines if applicable) of four flight departures each day from that gate. A Signatory Airline that fails to meet the average gate utilization during any given six-month period may be required to relinquish its preferential rights to one or more gates. In addition, under the provisions of the Use Agreements, the City retains the right to accommodate requesting air carriers (either new entrants or incumbents in need of more gate space) in an air carrier's preferential use gates if similar space cannot be found elsewhere in one of the terminal buildings. Finally, in accordance with the provisions of the Use Agreements and the Operating Agreements, the City retains the right to consolidate, force relinquishment, and/or relocate airline leased space, both preferential use and exclusive space, under certain circumstances and following agreed upon criteria.

Itinerant Air Carriers. The City has retained under its exclusive control six gates at the terminal buildings where itinerant air carriers can be accommodated and handled by an authorized gate agent. The Airport Commission has established a schedule of fees and charges for the use of the Airport, including the use of the airfield, space in the terminal buildings, and hangars, applicable to all users of the Airport whose activities are not governed by a contract, lease, or agreement, such as a Use Agreement or an Operating Agreement.

Airport Maintenance. Under the terms of both the Use Agreements and the Operating Agreements, the City is required to maintain and keep in good repair all of the public areas and facilities of the Airport, including the structures associated with the terminal buildings, the utility systems within the Airport, and all other common use systems owned and operated by the City. For their part, the Signatory Airlines and the air carriers operating at the Airport pursuant to an Operating Agreement are individually required to repair and maintain in good condition the premises leased or assigned to each of them, including that portion of the utility systems serving each of their exclusive use facilities.

Cargo Addendum. Cargo air carriers may elect to operate under either a Use Agreement or an Operating Agreement, but must execute the applicable cargo addendum which prohibits cargo air carriers from operating from the Airport's passenger terminal buildings. Among other things, the cargo addenda for the Use Agreements and the Operating Agreements require cargo air carriers to arrange for operating space at the Airport separately with the City or with a third-party Airport tenant whose rights include providing such space.

Other Air Carrier Facilities. The City also has available throughout the Airport, and leases to individual air carriers, space suitable for maintenance activities, cargo operations, and other related facilities. Rental rates for these facilities are adjusted from time-to-time to reflect their fair market value.

The information provided immediately below concerning DTC and the Book-Entry System, as it currently exists, has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation by , the Underwriters or the City. The Underwriters and the City make no assurances that DTC, Direct Participants, Indirect Participants or other nominees of Beneficial Owners will act in accordance with the procedures described above or in a timely manner.

Book-Entry Only System

The Depository Trust Company ("***DTC***"), New York, New York, will act as securities depository for the Series 2017 Bonds. The Series 2017 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond for each maturity of each series of Bonds will be issued in the aggregate principal amount of the Series 2017 Bonds, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("***Direct Participants***") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("***DTCC***"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered agencies. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("***Indirect Participants***" and, together with the Direct Participants, the "***Participants***"). DTC has Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2017 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017 Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("***Beneficial Owner***") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Series 2017 Bonds, except in the event that use of the book-entry system for the Series 2017 Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2017 Bonds with DTC and

their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2017 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2017 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the Record Date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2017 Bonds are credited on the Record Date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Series 2017 Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the City or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2017 Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered as described in the Indenture.

None of the Underwriters, the Trustee, nor the City will have any responsibility or obligations to any Direct Participants or Indirect Participants or the persons for whom they act with respect to (i) the accuracy of any records maintained by DTC or any such Direct Participant or Indirect Participant; (ii) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of, premium, if any, or interest on the Series 2017 Bonds; (iii) the delivery by any such Direct Participant or Indirect Participant of any notice to any Beneficial Owner that is required or permitted under the terms

of the Indenture to be given to owners of the Series 2017 Bonds; (iv) any consent given or other action taken by DTC as Bondholder.

The information in this Appendix concerning DTC and DTC's book-entry system has been obtained from sources that the City and the Underwriters believe to be reliable, but the City and the Underwriters take no responsibility for the accuracy thereof and neither the Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters but should, instead, confirm the same with DTC or the Participants, as the case may be. Neither the City nor the Underwriters makes any assurances that DTC, Direct Participants, Indirect Participants or other nominees of the Beneficial Owners will act in accordance with the procedures described above or in a timely manner. There can be no assurance that DTC will abide by its procedures or that such procedures will not be changed from time to time.

Re: $258,430,000 The City of St. Louis, Missouri Airport Revenue Refunding Bonds and Airport Revenue Bonds (St. Louis Lambert International Airport), Series 2017

Ladies and Gentlemen:

We have acted as Co-Bond Counsel to The City of St. Louis, Missouri (the "**City**") in connection with the issuance of the City's: (a) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017A Refunding Bonds**") and its $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "**Series 2017B Refunding Bonds**", and, together with the Series 2017A Refunding Bonds, collectively, the "**Series 2017 Refunding Bonds**") under and pursuant to the Indenture of Trust dated as of October 15, 1984 (the "**Original Indenture**"), which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "**Restated Indenture**"), as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-First Supplemental Indenture**"), between the City and UMB Bank, N.A., as trustee (the "**Trustee**"); and (b) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017C Project Bonds**") and its $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "**Series 2017D Project Bonds**", and, together with the Series 2017C Project Bonds, collectively, the "**Series 2017 Project Bonds**" and together with the Series 2017 Refunding Bonds, collectively, the "**Series 2017 Bonds**") under and pursuant to the Restated Indenture, as amended and supplemented, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-Second Supplemental Indenture**") between the City and the Trustee. The Restated Indenture, as amended and supplemented to date including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, is collectively referred to herein as the "**Indenture**".

We have reviewed the transcript of proceedings related to the issuance of the Series 2017 Bonds, including the Constitution of the State of Missouri (the "**State**"), the statutes of the State, as amended, including particularly, Chapter 108.170 of the Revised Statutes of Missouri, as amended, the Charter of the City (the "**Charter**"), Ordinance No. 70541, adopted by the Board of Aldermen on April 28, 2017 and, approved by the Mayor on May 23, 2017, and the Indenture, the Tax Certificate of the City dated as of the date hereof (the "**Tax Certificate**") and such other law, certified proceedings and other documents and materials as we have deemed necessary to enable us to render the opinions contained herein. Capitalized terms used and not defined herein shall have the same meanings given to such terms in the Indenture.

The Internal Revenue Code of 1986, as amended (the "**Code**") imposes certain requirements that must be met on the date of issuance of the Series 2017 Bonds and on a continuing basis subsequent to the issuance of the Series

2017 Bonds in order for interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) to be excludable from gross income for federal income tax purposes under Section 103 of the Code. Such requirements include, but are not limited to, requirements relating to private use limitations and yield restriction of certain funds. The City has represented, certified and covenanted in the Indenture and the Tax Certificate (i) that so long as it owns the Airport, it will take no action that will impair the excludability of interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) from federal income taxes, (ii) that it will comply with the provisions and procedures set forth in the Tax Certificate, and (iii) that it will do and perform all acts and things necessary or desirable in order to assure that under the Code, as presently in force and effect, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) will, for purposes of federal income taxation, be excludable from gross income of the recipients thereof pursuant to Section 103 of the Code.

In making our examination of documents, we have assumed that the parties to such documents had the power to enter into and perform all obligations thereunder; the due and valid authorization, execution and delivery of such documents; that such documents are valid and binding obligations of the parties thereto and are enforceable against such parties in accordance with their terms; and that the parties to such documents have complied and will comply with their obligations thereunder. We have assumed the genuineness of all signatures on all documents examined by us, the authenticity of all documents submitted to us as originals and the conformity to authentic originals of all documents submitted to us as copies.

As to questions of fact material to this opinion, we have relied upon representations of the City contained in the Indenture, the Tax Certificate and the other financing documents delivered in connection with the Series 2017 Bonds, the representations and information contained in the above-described documents, and the certified proceedings and other certifications of public officials and others furnished to us, in each case without undertaking to verify the same by independent investigation. We note that we have relied upon the opinion of even date herewith of the City Counselor of the City with respect to the matters set forth therein. Except as otherwise stated herein, we express no opinion with respect to those issues.

For purposes of this opinion, without limiting the generality of the foregoing, we have assumed that the Indenture has been duly and lawfully executed and delivered by the parties thereto and is in full force and effect.

Based upon the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that, under existing law:

1. The Series 2017 Bonds have been duly authorized and executed by the City in accordance with the Constitution and statutes of the State and the Charter and, when duly authenticated and delivered by the Trustee, will be valid and binding special, limited obligations of the City, payable solely from the sources provided therefor in the Indenture. The Series 2017 Bonds and the interest thereon are not a debt or general obligation of the City, the State or any political subdivision thereof, and do not constitute an indebtedness of the City, the State or any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the full faith and credit of the City, the State or any political subdivision thereof. We express no opinion with respect to the perfection or priority of any lien or security interest created or purported to have been created by any documents related to the issuance of the Series 2017 Bonds.

2. The Twenty-First Supplemental Indenture has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other party thereto, constitutes the valid and binding obligation of the City in accordance with its terms.

3. The Twenty-Second Supplemental Indenture has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other party thereto, constitutes the valid and binding obligation of the City in accordance with its terms.

4. The Indenture creates the valid pledge which it purports to create of the moneys, securities and funds included in the Trust Estate and of all Revenues subject to the application thereof for the purposes and on the conditions permitted by the Indenture. We express no opinion with respect to the perfection or priority of any lien or security interest created or purported to have been created by the Indenture.

5. Based upon existing law, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) is excludable from the gross income of the owners of the Series 2017 Bonds for federal income tax purposes. No opinion is expressed as to the status of interest on any Series 2017B Refunding Bonds or any Series 2017D Project Bonds for any period that such Series 2017B Refunding Bonds or such Series 2017D Project Bonds are held by a "substantial user" of the facilities financed or refinanced by the Series 2017B Refunding Bonds or the Series 2017D Project Bonds or by a "related person" within the meaning of Section 147(a) of the Code. In addition, interest on the Series 2017A Refunding Bonds and the Series 2017C Project Bonds is not a specific preference item for purposes of calculating the federal alternative minimum tax that may be imposed under the Code with respect to individuals and corporations. Interest on Series 2017B Refunding Bonds and Series 2017D Project Bonds is treated as an item of preference for purposes of calculating the federal alternative minimum tax that may be imposed on individuals and corporations. In rendering the opinions set forth in this paragraph, we have assumed compliance by the City with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2017 Bonds in order that interest thereon (including any original issue discount properly allocable to the owners thereof) be, and continue to be, excludable from gross income for federal income tax purposes. The City has covenanted to comply with all such requirements. Failure by the City to comply with certain of such requirements may cause interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) to become included in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2017 Bonds. We express no opinion regarding any other federal tax consequences arising with respect to the Series 2017 Bonds.

6. Under the laws of the State as presently enacted and construed, and subject to the assumptions set forth in the preceding paragraph, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) is excludable from taxable income for the purposes of the personal income tax and corporate income tax imposed by the State. No opinion is expressed regarding whether the interest on the Series 2017 Bonds is exempt from the taxes imposed by the State on financial institutions under Chapter 148 of the Revised Statutes of Missouri, as amended. We express no opinion regarding any other State tax consequences arising with respect to the Series 2017 Bonds.

Except as stated in paragraphs 5 and 6 above, we express no opinion regarding any federal or state tax consequences arising with respect to the Series 2017 Bonds including, but not limited to, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2017 Bonds.

Although we are not opining as to enforceability, it is to be understood that the rights of the owners of the Series 2017 Bonds and the enforceability thereof and of the Indenture may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium and other similar laws relating to or affecting creditors' rights and by equitable principles, whether considered at law or in equity, and their enforcement may be subject to the exercise of judicial discretion in appropriate cases.

Except as expressly stated in our supplemental co-bond counsel opinion of even date herewith, we have not been engaged or undertaken to review the accuracy, adequacy or completeness of any offering material relating to the Series 2017 Bonds, and we express no opinion relating thereto.

The opinions expressed herein are limited to the federal law of the United States of America and the laws of the State, and we express no opinion as to the laws of any other state or jurisdiction, including any local or municipal laws. In rendering our opinion, we have not considered, and hereby disclaim any opinion as to, the application or impact of any laws, cases, decisions, rules or regulations of any other jurisdiction, court or administrative agency.

We call to your attention the fact that our legal opinions are an expression of professional judgment and are not a guarantee of a result. Further, the opinions expressed herein are as of the date hereof only and are based on laws, orders, contract terms and provisions and facts as of such date. By rendering this opinion, we do not undertake, and hereby disclaim any obligation, to update this opinion letter after such date or to advise you of any changes in law or fact stated or assumed herein that may occur or come to our attention after the date hereof.

This opinion is furnished only to you and is solely for your use and benefit in connection with the transactions described herein. Without our prior written consent, this opinion may not be used, quoted or otherwise referred to for any other purpose or relied upon by, or assigned to, any other person for any purpose, including any other person that seeks to assert your rights in respect of this opinion.

Very truly yours,

2. The City and the Dissemination Agent are entering into this Continuing Disclosure Agreement for the benefit of the Beneficial Owners of the Series 2017 Bonds and in order to assist the Participating Underwriters in complying with the Rule (all as defined below). The City acknowledges that no other party has undertaken any responsibility with respect to any reports, notices or disclosures provided or required under this Continuing Disclosure Agreement.

In consideration of the mutual covenants and agreements herein, the City and the Dissemination Agent covenant and agree as follows:

Section 1. Definitions. In addition to the definitions set forth in the Indenture, which apply to any capitalized term used in this Continuing Disclosure Agreement, unless otherwise defined in the Recitals or this Section, the following capitalized terms shall have the following meanings:

"Annual Report" means any Annual Report provided by the City pursuant to, and as described in, Sections 2 and 3 of this Continuing Disclosure Agreement.

"Beneficial Owner" means any registered owner of any Bonds and any person who (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

Preliminary OFFICIAL STATEMENT 2017-06-16 12:00:00

"Disclosure Representative" shall mean the Comptroller, on behalf of the City, or her successors or designees, or such other person as the City shall designate in writing to the Dissemination Agent from time to time.

"EMMA" means the Electronic Municipal Market Access system for municipal securities disclosures established and maintained by the MSRB, which can be accessed at www.emma.msrb.org, or such other location as may be designated in the future by the MSRB pursuant to the Rule.

"Listed Events" means any of the events listed in Section 4(A) of this Continuing Disclosure Agreement, and includes any Material Listed Events.

"Material Listed Events" means such of the events listed in Section 4(A) of this Continuing Disclosure Agreement which requires a determination of materiality and which the City has advised the Dissemination Agent are material under applicable federal securities law.

"MSRB" means the Municipal Securities Rulemaking Board, or any successor repository designated as such by the SEC in accordance with the Rule.

"National Repository" means any nationally recognized municipal securities information repository for purposes of the Rule. Currently, the sole National Repository within the meaning of the Rule is the MSRB through EMMA and filings shall be submitted solely at its website, http://emma.msrb.org.

"Objective Criteria" means any air carrier that is party to a use agreement with the City with a term of more than one year pursuant to which it (or its corporate parent) has paid amounts equal to at least 20% of the Revenues of the Airport for each of the prior two fiscal years. As of the date of the Official Statement, Southwest Airlines is the only airline which meets the criteria in the preceding sentence.

"Obligated Person" means the City and any airline meeting the Objective Criteria.

"Official Statement" means the Official Statement dated June 9, 2017, relating to the issuance and sale of the Series 2017 Bonds.

"Participating Underwriter" means any of the original underwriter(s) of the Series 2017 Bonds required to comply with the Rule in connection with the offering of the Series 2017 Bonds.

"Repository" means each National Repository and each State Repository, if any.

"Rule" means Rule 15c2-12(b)(5) adopted by the SEC under the Securities Exchange Act of 1934, as the same may be amended from time to time.

"SEC" means the U.S. Securities and Exchange Commission.

"State" means the State of Missouri.

"State Repository" means any public or private repository or entity designated by the State as a state repository for the purpose of the Rule and recognized as such by the SEC. As of the date of this Continuing Disclosure Agreement, there is no State Repository.

Unless the context clearly indicates otherwise, words used in the singular include the plural and words used in the plural include the singular.

Section 2. Provision of Annual Reports.

A. The City shall, or shall cause the Dissemination Agent to, not later than two hundred ten (210) days (if the 210th day is not a Business Day, then the next succeeding Business Day) after the end of the City's Fiscal Year (presently June 30) commencing with the report for the Fiscal Year ending June 30, 2017, provide to each Repository an Annual Report which is consistent with the requirements of Section 3 of this Continuing Disclosure Agreement. In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 3 of this Continuing Disclosure Agreement; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date. If the City's Fiscal Year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 4(A) of this Continuing Disclosure Agreement.

B. Not later than three (3) Business Days prior to the date specified in Subsection A above for providing the Annual Report to the Repositories, the City shall either provide the Annual Report, in PDF format, word-searchable, to the Dissemination Agent with instructions to file the Annual Report as specified in Subsection A above or provide a written certification to the Dissemination Agent that the City has provided the Annual Report to the Repositories.

C. If the Dissemination Agent is unable to verify that an Annual Report has been provided to the Repositories by the date in Subsection A above, the Dissemination Agent shall send a notice to each Repository in substantially the form of **Exhibit A** hereto.

D. The Dissemination Agent shall:

1. determine each year, prior to the date for providing the Annual Report to the Repositories the name and address of each National Repository and the State Repository, if any;

2. unless the City has certified in writing that the City has provided the Annual Report to the Repositories, promptly following receipt of the Annual Report and the instructions required by Subsection B above, provide the Annual Report to the Repositories and file a report with the City certifying that the Annual Report has been provided pursuant to this Continuing Disclosure Agreement, stating the date it was provided, and listing all the Repositories to which it was provided or that the City has certified that it filed the Annual Report; and

3. unless the City has provided the Annual Report as provided above, notify the City in each year not later than ninety (90) days and again not later than thirty (30) days prior to the date for providing the Annual Report to the Repositories, of the date on which its Annual Report must be provided to the Dissemination Agent or the Repositories.

Section 3. Content of Annual Reports.

The City's Annual Report will contain or incorporate by reference the following:

A. Audited financial statements of the Airport for the prior Fiscal Year, prepared in accordance with generally accepted accounting principles as promulgated from time to time by the Governmental Accounting Standards Board ("GASB") and all statements and interpretations issued by

the Financial Accounting Standards Board which are not in conflict with the statements issued by GASB, provided, however, that the Airport may from time to time, in order to comply with federal or State legal requirements, modify the basis upon which such financial statements are provided. Notice of any such modification shall be provided to the MSRB and shall include a reference to the applicable law or requirement describing such accounting basis. If the Airport's audited financial statements are not available by the time the Annual Report is required to be filed pursuant to this Continuing Disclosure Agreement, the Annual Report will contain unaudited financial statements in a format similar to the financial statements contained in the Annual Report for the prior Fiscal Year, and the audited financial statements will be filed in the same manner as the Annual Report when they become available.

B. The following statistical and operating data of the Airport, updated for the Airport's prior Fiscal Year:

(1) The list of Major Air Carriers, Regional Air Carriers and Air Cargo Carriers at the Airport, including information as to which are Signatory Airlines and Non-Signatory Airlines comparable to the list contained in the Official Statement under the caption "THE AIRPORT–Air Carrier Service";

(2) The table captioned "Airport Revenues and Expenses and Certain Bond-Related Data" contained in the Official Statement in the section "AIRPORT FINANCIAL INFORMATION–Revenues and Expenses";

(3) A table reflecting "O&D and Connecting Enplanements" comparable to the table contained in the Official Statement in the section "THE AIRPORT–Passenger Enplanements";

(4) A table reflecting "Annual Enplanements of Three Largest Carriers" and Market Share comparable to the table in the Official Statement under the caption "THE AIRPORT–Airline Market Shares";

(5) A table reflecting "Projected Airport Revenues St. Louis Lambert International Airport Fiscal Years Ending June 30 (In Thousands) comparable to the table in the Official Statement under the caption "REPORT OF THE AIRPORT CONSULTANT - Projected Airport Revenues";

(6) A table reflecting "Trends in Scheduled Air Service at STL" comparable to Table 3-8 in APPENDIX A - "Report of the Airport Consultant" in the Official Statement;

(7) A table reflecting "Base Forecast Commercial Enplanements by Fiscal Year" (actual only) comparable to Table 3-6 APPENDIX A - "Report of the Airport Consultant" in the Official Statement;

(8) A table reflecting "Base Forecast Commercial Aircraft Departures (Landings) by Fiscal Year" (actual only) comparable to Table 3-7 in APPENDIX A - "Report of the Airport Consultant" in the Official Statement;

(9) A table reflecting "Base Forecast Commercial Aviation Landed Weights by Fiscal Year" (actual only) comparable to Table3-8 in APPENDIX A - "Report of the Airport Consultant" in the Official Statement;

(10) A table reflecting "Projected Signatory Landing Fee Rates and Terminal Rental Rates (in Thousands)" (actual only) comparable to Table 4-3 in APPENDIX A - "Report of the Airport Consultant" in the Official Statement; and

(11) A table reflecting "Projected Debt Service Coverage (in Thousands)" comparable to Table 4-8 in APPENDIX A - "Report of the Airport Consultant" in the Official Statement.

Section 4. Reporting of Listed Events.

A. Pursuant to the provisions of this Section, the City shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Series 2017 Bonds, in a timely manner not in excess of ten (10) business days after the occurrence of such event:

1. principal and interest payment delinquencies;

2. non-payment related defaults, if material;

3. modifications to rights of Bondholders, if material;

4. Bond calls, if material, and tender offers;

5. defeasance;

6. rating changes;

7. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Series 2017 Bonds, or other material events affecting the tax status of the Series 2017 Bonds;

8. unscheduled draws on debt service reserves reflecting financial difficulties;

9. unscheduled draws on credit enhancements reflecting financial difficulties;

10. substitution of credit or liquidity providers, or their failure to perform;

11. release, substitution or sale of property securing repayment of the Series 2017 Bonds, if material;

12. bankruptcy, insolvency, receivership or similar event of an Obligated Person;

13. the consummation of a merger, consolidation, or acquisition involving an Obligated Person or the sale of all or substantially all of the assets of an Obligated Person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

14. appointment of a successor or additional trustee or the change of name of a trustee, if material.

B. The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any Listed Event, contact the City, inform the Disclosure Representative of the event, and, if such Listed Event requires a determination of materiality, request that the City promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to Subsection F below. For the purpose of this Continuing Disclosure Agreement, "actual knowledge" of the Listed Events shall mean knowledge by an officer of the Dissemination Agent with responsibility for matters related to this Continuing Disclosure Agreement.

C. Whenever the City obtains knowledge of the occurrence of a Listed Event requiring a determination of materiality, as set forth in Subsection A above, because of a notice from the Dissemination Agent pursuant to Subsection B above or otherwise, the City shall as soon as possible determine if such event is a Material Listed Event.

D. If knowledge of the occurrence of a Listed Event requiring a determination of materiality would be material under applicable federal securities laws, the City shall promptly notify the Dissemination Agent in writing that it is a Material Listed Event. Such notice shall instruct the Dissemination Agent to report the occurrence of the Material Listed Event pursuant to Subsection F below.

E. If in response to a request under Subsection B above, the City determines that the Listed Event requiring a determination of materiality is not a Material Listed Event, the City shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to Subsection F below.

F. The Dissemination Agent shall file a notice of all Listed Events within the timeframe set forth in Subsection A above with the Repository, with a copy to the City.

Section 5. EMMA. The Dissemination Agent shall use EMMA for the submission of Annual Reports and Listed Events for so long as EMMA is recognized, authorized or approved by the SEC. Submission of an Annual Report or a Listed Event by the Dissemination Agent to EMMA shall be deemed to satisfy the Dissemination Agent's obligations under this Continuing Disclosure Agreement with respect to that Annual Report or Listed Event.

Section 6. Termination of Reporting Obligations. The City's and the Dissemination Agent's obligations under this Continuing Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all the Series 2017 Bonds. If the City's obligations under this Continuing Disclosure Agreement are assumed in full by another entity, such entity shall be responsible for compliance with this Continuing Disclosure Agreement in the same manner as if it were the City, and the City shall have no further responsibility hereunder. If such termination or substitution occurs prior to the final maturity of the Series 2017 Bonds, the City shall give notice of such termination or substitution in the same manner as for a Listed Event under Section 4(A) of this Continuing Disclosure Agreement. This Continuing Disclosure Agreement shall also terminate upon (i) the Rule being withdrawn, retroactively repealed, or having been found by a court of competent jurisdiction to be invalid in a non-appealable action; or (ii) receipt by the Dissemination Agent and the City of an opinion of counsel of nationally recognized expertise in matters relating to securities laws affecting municipal securities to the effect that the Rule is no longer applicable to the Series 2017 Bonds.

Section 7. Additional Information. Nothing in this Continuing Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of the occurrence of a Listed Event, in

addition to that which is required by this Continuing Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of the occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the City shall not have any obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of the occurrence of a Listed Event.

Section 8. Amendment; Waiver.

Notwithstanding any other provision of this Continuing Disclosure Agreement, the City and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the execution of such amendment by the Dissemination Agent so requested by the City shall not be unreasonably withheld) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

A. If the amendment or waiver relates to the provisions of Sections 2A, 3 or 4A of this Continuing Disclosure Agreement, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, rule or regulation or change in the identity, nature or status of an Obligated Person with respect to the Series 2017 Bonds, or the type of business conducted;

B. The undertaking, as amended or taking into account such waiver, should, in the opinion of counsel to the Participating Underwriters, have complied with the requirements of the Rule at the time of the original issuance of the Series 2017 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

C. The amendment or waiver in the Opinion of Co-Bond Counsel for the Series 2017 Bonds, does not materially impair the interests of the Bondholders or Beneficial Owners of the Series 2017 Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the City shall describe such amendment or waiver in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 4A of this Continuing Disclosure Agreement, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Default. In the event of a failure of the City or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement, any Bondholder or Beneficial Owner of the Series 2017 Bonds may take such action as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement shall not be deemed to be an Event of Default under the Indenture or with respect to the Series 2017 Bonds, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the City or the Dissemination Agent to comply with this Continuing Disclosure Agreement shall be action to compel performance.

Section 10. Duties, Immunities and Liabilities of Dissemination Agent.

The Dissemination Agent at the time acting hereunder may at any time resign by giving not less than sixty (60) days' written notice to the City specifying the date when such resignation will take effect. No such resignation shall take effect unless a successor Dissemination Agent shall have been appointed by the City. If no successor Dissemination Agent has been appointed within sixty (60) days of the notice, the Dissemination Agent may petition a court of competent jurisdiction to have a successor Dissemination Agent appointed.

The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement, and, to the extent permitted by applicable law, the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees, and agents, harmless against any loss, expense, and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including costs and expenses (including reasonable attorney's fees and expenses) of defending against any claim of liability as it relates to the City, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct.

The Dissemination Agent shall not be responsible for the content of any notice or information provided by the City to the Dissemination Agent for filing or the City's failure to submit a complete Annual Report. The Dissemination Agent shall not be responsible for ensuring the compliance with any rule or regulation of the City or Participating Underwriter in connection with the filings of information herein, but is merely responsible for the filing of any such information provided to the Dissemination Agent by the City.

The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2017 Bonds. The City shall pay the fees, charges, and expenses of the Dissemination Agent in connection with its administration of this Continuing Disclosure Agreement.

Section 11. Notices. Any notices or communications to or between any of the parties to this Continuing Disclosure Agreement may be given by registered or certified mail, return receipt requested, or by confirmed facsimile, or delivered in person or by overnight courier, and will be deemed given on the second day following the date on which the notice or communication is so mailed, as follows:

Section 12. Beneficiaries. This Continuing Disclosure Agreement shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriters, and Bondholders and the Beneficial Owners from time to time of the Series 2017 Bonds, and shall create no rights in any other person or entity.

Section 13. Counterparts. This Continuing Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 14. Governing Law; Venue. This Continuing Disclosure Agreement shall be governed by and construed in accordance with the laws of the State of Missouri. Any action under this Continuing Disclosure Agreement shall be filed in the 22nd Judicial Circuit of the State of Missouri (City of St. Louis) or in the United States District Court for the Eastern District of Missouri.

Section 15. Severability. If any provision in this Continuing Disclosure Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

APPENDIX H

THE PFC PROGRAM

[THIS PAGE INTENTIONALLY LEFT BLANK]

Confidential
garvinm@stlouis-mo.gov
2020-01-16 14:00:53 +0000

THE PFC PROGRAM

Authority and Purpose of Passenger Facility Charges. Section 40117 of Title 49 of the United States Code allows public agencies controlling commercial service airports (those with regularly scheduled service and enplaning 2,500 or more passengers annually) to charge enplaning passengers using the airport a $1, $2, $3, $4 or $4.50 charge, referred to as a Passenger Facility Charge, or "PFC". The purpose of the charge is to provide additional capital funding for the expansion of the national airport system. The proceeds from PFCs are to be used to finance eligible airport-related projects that preserve or enhance safety, capacity, or security of the national air transportation system, reduce noise from an airport that is part of such system, or furnish opportunities for enhanced competition between or among air carriers.

Termination of Authority to Impose and Use PFCs. The FAA may terminate the City's authority to impose PFCs, subject to informal and formal procedural safeguards, if the FAA determines that (i) the City is in violation of certain provisions of the Noise Control Act, 42 USC 4901-4918 (the "Noise Act"), relating to airport noise and access restrictions, (ii) PFCs and investment income thereon are not being used for Approved PFC funding in accordance with the FAA's approvals or with the PFC Act and the PFC Regulations, (iii) implementation of projects financed with PFCs does not commence within the time periods specified in the PFC Act and the PFC Regulations or (iv) the City is otherwise in violation of the PFC Act, the PFC Regulations or the PFC Approvals.

Noise Act Violations. The City's authority to impose PFCs may be terminated if the City violates the provisions of the Noise Act. Although the procedures described above do not apply to alleged violations of the Noise Act, the Noise Act and FAA regulations thereunder provide procedural safeguards to ensure that the City's authority to impose PFCs at the Airport will not be summarily terminated because of violations of the Noise Act. In general, the City can prevent termination of its PFC Authority by suspending the effectiveness of any noise or access restriction in question, until the legal sufficiency of the restriction, and its impact on the City's authority to impose PFCs at the Airport, has been determined The PFC approvals issued by the FAA in 2000 included findings by the FAA that the City has not been found to be in violation of the Noise Act and that the FAA is not aware of any proposal at the Airport that would be found to be in violation of the Noise Act.

Informal Resolution Process for PFC Act Violations. Pursuant to the provisions of the PFC Act, the PFC Regulations provide for an informal process for resolution of possible violations of the PFC Act, PFC Regulations or PFC Approvals. A public agency may also request that the FAA agree in the PFC approval to a specific, informal resolution process that the FAA will follow if it suspects the public agency has committed such a violation.

Formal Termination Process for PFC Act Violations. Pursuant to the PFC Regulations, formal termination proceedings are authorized only if the FAA determines that efforts to achieve an informal resolution are not successful. The formal termination process prescribed in the PFC Regulations is to be initiated upon the FAA's filing of a notice, followed by a 60-day period during which the City may submit further comments and take corrective action. The PFC Regulations provide that if corrective action is not taken as prescribed in the notice, the FAA is required to hold a public hearing at least 30 days after notifying the City and publishing a notice of the hearing in the Federal Register. After the public hearing, the City would have 10 days after receiving notice of the FAA's decision to advise the FAA in writing that it will complete any corrective action prescribed in the FAA's decision within 30 days or to provide the FAA with a list of collecting carriers, after which the FAA would notify the collecting carriers to terminate or to modify the PFC accordingly. The formal termination process would last at least 100 days.

Treatment of PFCs in Air Carrier Bankruptcies. The PFC Act was amended in 1996 to provide that PFCs that are held by a Collecting Carrier constitute a trust fund that is held for the beneficial interest of the eligible agency imposing the PFCs and that the Collecting Carrier holds neither legal nor equitable interest in the PFCs, except for any handling fee or retention of interest collected on unremitted proceeds. In addition, PFC Regulations require Collecting Carriers to account for PFC collections separately and to disclose the existence and amount of funds regarded as trust funds in financial statements. The Collecting Carriers, however, are permitted to commingle PFC collections with their other sources of revenue and are also entitled to retain interest earned on PFC collections until such PFCs must be remitted. Despite the language in the PFC Act, at least one bankruptcy court in an unpublished opinion has indicated that PFC revenues held by an air carrier in bankruptcy would not be treated as a trust fund and would instead be subject to the general claims of such air carrier's unsecured creditors. In an unpublished opinion rendered in the TWA bankruptcy, the Court entered a stipulated order on March 12, 2001 establishing a $7 5 million PFC trust fund for the benefit of various airports to whom TWA was not current on PFC payments. At the time TWA filed its petition for reorganization, the Airport was owed approximately $2 million in PFCs for the month of November 2000, which were payable by December 31, 2000. Pursuant to Court authorization, the Airport was paid all PFC amounts then due it on January 17, 2001. Thereafter, during the bankruptcy proceedings, TWA paid all PFC amounts due the Airport. There is no assurance as to which approach other bankruptcy courts will use in the future. In 2003, Congress added a provision (Section 124 of Pub. L. 108-176 (December 12, 2003)) that imposes additional requirements relating to PFC revenues on air carriers filing for bankruptcy after the date of enactment. These air carriers in bankruptcy would have to segregate PFC money so that the airport for which the PFC was collected would be assured of receiving its money should the airline go out of business during the interim period between the date that the PFC was collected and the time it was remitted to the airport. Such air carriers would not be required, however, to put that money in an escrow account.

The PFC Program at the City

City PFC Approvals. The Airport has obtained the approval under seven PFC applications (PFC #1, PFC #2, PFC #3, PFC #4, PFC #5 and PFC #6 and PFC #9) to impose and use PFCs (on both a pay-as-you-go and leveraged basis) for a variety of projects including the Noise Compatibility Program, Terminal 2, a number of smaller airfield and terminal projects, the ADP and the Terminal Improvement Program. The Airport collected a total of $26 million in PFC Revenues (including investment earnings) for the Fiscal Year ended June 30, 2016. In September 2001, the Airport obtained approval to increase the PFC rate from $3.00 per passenger to $4.50. The $4.50 rate has been collected since December 2001.

As of April 30, 2016, the FAA had authorized the City to collect up to $1.1 billion in PFCs through 2026, of which approximately $743 million has been collected, plus an additional $52 million of interest earned totaling $795 million of PFC Revenues. From this total, $774 million has been expended, leaving a PFC Account balance of approximately $21 million.

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY

ISSUER: The City of St. Louis, Missouri (St. Louis Lambert International Airport)

Policy No.: 218285-R

Effective Date: June 28, 2017

BONDS: Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) and Series 2017B (AMT)

Premium: $629,349.60

Termination Date: The earlier of July 1, 2047 or the date the Bonds insured by AGM are no longer outstanding

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

AGM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy. Upon such payment, AGM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Bond Document.

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to AGM by or on behalf of the Issuer. Within three Business Days of such reimbursement, AGM shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the

stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed $22,082,441.96. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

NOTICE OF CLAIM AND CERTIFICATE

Assured Guaranty Municipal Corp.
1633 Broadway
New York, NY 10019

The undersigned, a duly authorized officer of [FULL NAME OF TRUSTEE or PAYING AGENT] (the "Trustee/Paying Agent"), hereby certifies to Assured Guaranty Municipal Corp. ("AGM"), with reference to Municipal Bond Insurance Policy No. 218285-N dated June 28, 2017 (the "Policy") issued by AGM in respect of the The City of St. Louis, Missouri (St. Louis Lambert International Airport) Consisting of: Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) and Series 2017B (AMT) maturing on July 1 in the years 2019 through 2032, inclusive (the "Bonds"), that:

(i) The Trustee/Paying Agent is the Trustee/Paying Agent under the document authorizing the issuance of the Bonds (the "Indenture") for the Holders.

(ii) The sum of all amounts on deposit (or scheduled to be on deposit) in the [RELEVANT ACCOUNTS] and available for distribution to the Holders pursuant to the Indenture will be $_____ _____ (the "Shortfall") less than the aggregate amount of principal and interest Due for Payment on _____ ("Scheduled Payments").

(iii) The Trustee/Paying Agent is making a claim under the Policy for the Shortfall to be applied to the payment of Scheduled Payments.

(iv) The Trustee/Paying Agent agrees that, following receipt of funds from AGM, it shall (a) hold such amounts in trust and apply the same directly to the payment of Scheduled Payments on the Bonds when due; (b) not apply such funds for any other purpose; (c) not commingle such funds with other funds held by the Trustee/Paying Agent and (d) maintain an accurate record of such payments with respect to each Bond and the corresponding claim on the Policy and proceeds thereof, and, if the Bond is required to be [SURRENDERED/PRESENTED] for such payment, shall stamp on each such Bond the legend $"[insert applicable amount] paid by AGM and the balance hereof has been canceled and reissued" and then shall deliver such Bond to AGM.

(v) The Trustee/Paying Agent, on behalf of the Holders, hereby assigns to AGM the rights of the Holders with respect to the Bonds to the extent of any payments under the Policy, including, without limitation, any amounts due to the Holders in respect of securities law violations arising from the offer and sale of the Bonds. The foregoing assignment is in addition to, and not in limitation of, rights of subrogation otherwise available to AGM in respect of such payments. Payments to AGM in respect of the foregoing assignment shall in all cases be subject to and subordinate to the rights of the Holders to receive all Scheduled Payments in respect of the Bonds. The Trustee/Paying Agent shall take such action and deliver such instruments as may be reasonably requested or required by AGM to effectuate the purpose or provisions of this clause (v).

(vi) The Trustee/Paying Agent, on its behalf and on behalf of the Holders, hereby appoints AGM as agent and attorney-in-fact for the Trustee/Paying Agent and each such Holder in any legal proceeding with respect to the Bonds. The Trustee/Paying Agent hereby agrees that, so long as AGM shall not be in default in its payment obligations under the Policy, AGM may at any time during the continuation of any proceeding by or against the Issuer under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding") direct all matters relating to such Insolvency Proceeding,

including without limitation, (A) all matters relating to any claim in connection with an Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment made with respect to the Bonds (a "Preference Claim"), (B) the direction of any appeal of any order relating to any Preference Claim at the expense of AGM but subject to reimbursement as provided in the Indenture and (C) the posting of any surety, supersedeas or performance bond pending any such appeal. In addition, the Trustee/Paying Agent hereby agrees that AGM shall be subrogated to, and the Trustee/Paying Agent on its behalf and on behalf of each Holder, hereby delegates and assigns, to the fullest extent permitted by law, the rights of the Trustee/Paying Agent and each Holder in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding.

(vii) Payment should be made by wire transfer directed to [SPECIFY INSURANCE ACCOUNT].

Unless the context otherwise requires, capitalized terms used in this Notice of Claim and Certificate and not defined herein shall have the meanings provided in the Policy.

IN WITNESS WHEREOF, the Trustee/Paying Agent has executed and delivered this Notice of Claim and Certificate as of the _____ day of _____, _____.

DISCLOSURE, NO DEFAULT AND TAX CERTIFICATE OF ASSURED GUARANTY MUNICIPAL CORP.

The undersigned hereby certifies on behalf of Assured Guaranty Municipal Corp. ("AGM"), in connection with the issuance by AGM of its (i) Policy No. 218285-N (the "Insurance Policy") in respect of the $197,760,000 in aggregate principal amount of the The City of St. Louis, Missouri (St. Louis Lambert International Airport) Airport Revenue Refunding Bonds consisting of: $125,410,000 Airport Revenue Bonds, Series 2017A (Non-AMT) (the "Series 2017A Bonds") and $72,350,000 Series 2017B (AMT) maturing on July 1 in the years 2019 through 2032 (the "Insured 2017B Bonds" and together with the Series 2017A Bonds, collectively, the "Insured Bonds") and (ii) Policy No. 218285-R (the "Reserve Policy") in respect of the Insured Bonds and the Series 2017B Bonds maturing on July 1, 2018 (collectively, the "Bonds") that:

(i) the information set forth under the caption "BOND INSURANCE – Assured Guaranty Municipal Corp." in the official statement dated June 9, 2017, relating to the Bonds (the "Official Statement") is true and correct,

(ii) AGM is not currently in default nor has AGM ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation,

(iii) the Policy is an unconditional and recourse obligation of AGM (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds in the event of Nonpayment by the Issuer (as set forth in the Policy),

(iv) the insurance premium for the Insurance Policy of $642,361.03 and for the Reserve Policy of $629,349.60 (collectively, the "Premium") is a charge for the transfer of credit risk and was determined in arm's length negotiations and is required to be paid to AGM as a condition to the issuance of the Policy,

(v) no portion of such Premium represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by AGM to maintain its ratings, which, together with all other overhead expenses of AGM, are taken into account in the formulation of its rate structure, or for the provision of additional services by us, nor the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor),

(vi) AGM is not providing any services in connection with the Bonds other than providing the Policy, and except for the Premium, AGM will not use any portion of the Bond proceeds; provided, however, that AGM or its affiliates may independently provide a guaranteed investment contract for the investment of all or a portion of the proceeds of the Bonds,

(vii) except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by AGM,

(viii) AGM does not expect that a claim will be made on the Policy,

(ix) the Issuer is not entitled to a refund of the premium for the Policy in the event a Bond is retired before the final maturity date, and

(x) for Bonds which are secured by a debt service reserve fund, AGM would not have issued the Policy unless the authorizing or security agreement for the Bonds provided for a debt service reserve fund funded and maintained in an amount at least equal to, as of any particular date of computation, the reserve requirement as set forth in such agreement.

AGM makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.

ISSUER: The City of St. Louis, Missouri

BONDS: Consisting of: In aggregate principal amount of $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) and $26,605,000 Series 2017D (AMT) (St. Louis Lambert International Airport)

Policy No.: 218290-N

Effective Date: June 28, 2017

Premium: $301,333.86

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

NOTICE OF CLAIM AND CERTIFICATE

Assured Guaranty Municipal Corp.
1633 Broadway
New York, NY 10019

The undersigned, a duly authorized officer of [FULL NAME OF TRUSTEE or PAYING AGENT] (the "Trustee/Paying Agent"), hereby certifies to Assured Guaranty Municipal Corp. ("AGM"), with reference to Municipal Bond Insurance Policy No. 218290-N dated June 28, 2017 (the "Policy") issued by AGM in respect of the The City of St. Louis, Missouri (St. Louis Lambert International Airport) Consisting of: Airport Revenue Bonds, Series 2017C (Non-AMT) and Series 2017D (AMT) (the "Bonds"), that:

(i) The Trustee/Paying Agent is the Trustee/Paying Agent under the document authorizing the issuance of the Bonds (the " ") for the Holders.

(ii) The sum of all amounts on deposit (or scheduled to be on deposit) in the [RELEVANT ACCOUNTS] and available for distribution to the Holders pursuant to the will be $_____ (the "Shortfall") less than the aggregate amount of principal and interest Due for Payment on _____ _____ ("Scheduled Payments").

(iii) The Trustee/Paying Agent is making a claim under the Policy for the Shortfall to be applied to the payment of Scheduled Payments.

(iv) The Trustee/Paying Agent agrees that, following receipt of funds from AGM, it shall (a) hold such amounts in trust and apply the same directly to the payment of Scheduled Payments on the Bonds when due; (b) not apply such funds for any other purpose; (c) not commingle such funds with other funds held by the Trustee/Paying Agent and (d) maintain an accurate record of such payments with respect to each Bond and the corresponding claim on the Policy and proceeds thereof, and, if the Bond is required to be [SURRENDERED/PRESENTED] for such payment, shall stamp on each such Bond the legend $"[insert applicable amount] paid by AGM and the balance hereof has been canceled and reissued" and then shall deliver such Bond to AGM.

(v) The Trustee/Paying Agent, on behalf of the Holders, hereby assigns to AGM the rights of the Holders with respect to the Bonds to the extent of any payments under the Policy, including, without limitation, any amounts due to the Holders in respect of securities law violations arising from the offer and sale of the Bonds. The foregoing assignment is in addition to, and not in limitation of, rights of subrogation otherwise available to AGM in respect of such payments. Payments to AGM in respect of the foregoing assignment shall in all cases be subject to and subordinate to the rights of the Holders to receive all Scheduled Payments in respect of the Bonds. The Trustee/Paying Agent shall take such action and deliver such instruments as may be reasonably requested or required by AGM to effectuate the purpose or provisions of this clause (v).

(vi) The Trustee/Paying Agent, on its behalf and on behalf of the Holders, hereby appoints AGM as agent and attorney-in-fact for the Trustee/Paying Agent and each such Holder in any legal proceeding with respect to the Bonds. The Trustee/Paying Agent hereby agrees that, so long as AGM shall not be in default in its payment obligations under the Policy, AGM may at any time during the continuation of any proceeding by or against the Issuer under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding") direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim in connection with an Insolvency

Proceeding seeking the avoidance as a preferential transfer of any payment made with respect to the Bonds (a "Preference Claim"), (B) the direction of any appeal of any order relating to any Preference Claim at the expense of AGM but subject to reimbursement as provided in the and (C) the posting of any surety, supersedeas or performance bond pending any such appeal. In addition, the Trustee/Paying Agent hereby agrees that AGM shall be subrogated to, and the Trustee/Paying Agent on its behalf and on behalf of each Holder, hereby delegates and assigns, to the fullest extent permitted by law, the rights of the Trustee/Paying Agent and each Holder in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding.

(vii) Payment should be made by wire transfer directed to [SPECIFY INSURANCE ACCOUNT].

Unless the context otherwise requires, capitalized terms used in this Notice of Claim and Certificate and not defined herein shall have the meanings provided in the Policy.

DISCLOSURE, NO DEFAULT AND TAX CERTIFICATE OF ASSURED GUARANTY MUNICIPAL CORP.

The undersigned hereby certifies on behalf of Assured Guaranty Municipal Corp. ("AGM"), in connection with the issuance by AGM of its Policy No. 218290-N (the "Policy") in respect of the $31,700,000 in aggregate principal amount of The City of St. Louis, Missouri (St. Louis Lambert International Airport) Airport Revenue Bonds, Series 2017C (Non-AMT) and $26,605,000 in aggregate principal amount of The City of St. Louis, Missouri (St. Louis International Airport), Series 2017D (AMT) (collectively, the "Bonds") that:

(i) the information set forth under the caption "BOND INSURANCE – Assured Guaranty Municipal Corp." in the official statement dated June 9, 2017, relating to the Bonds (the "Official Statement") is true and correct,

(ii) AGM is not currently in default nor has AGM ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation,

(iii) the Policy is an unconditional and recourse obligation of AGM (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds in the event of Nonpayment by the Issuer (as set forth in the Policy),

(iv) the insurance premium of $301,333.86 (the "Premium") is a charge for the transfer of credit risk and was determined in arm's length negotiations and is required to be paid to AGM as a condition to the issuance of the Policy,

(v) no portion of such Premium represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by AGM to maintain its ratings, which, together with all other overhead expenses of AGM, are taken into account in the formulation of its rate structure, or for the provision of additional services by us, nor the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor),

(vi) AGM is not providing any services in connection with the Bonds other than providing the Policy, and except for the Premium, AGM will not use any portion of the Bond proceeds; provided, however, that AGM or its affiliates may independently provide a guaranteed investment contract for the investment of all or a portion of the proceeds of the Bonds,

(vii) except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by AGM,

(viii) AGM does not expect that a claim will be made on the Policy,

(ix) the Issuer is not entitled to a refund of the premium for the Policy in the event a Bond is retired before the final maturity date, and

(x) for Bonds which are secured by a debt service reserve fund, AGM would not have issued the Policy unless the authorizing or security agreement for the Bonds provided for a debt service reserve fund funded and maintained in an amount at least equal to, as of any particular date of computation, the reserve requirement as set forth in such agreement.

AGM makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.

Resolution No. 5

Rochelle D. Tilghman Scholarship

WHEREAS, Rochelle D. Tilghman Scholarship fund was established in 2016 by her daughters in honor of her life, professional, and personal achievements; and

WHEREAS, education was extremely important to Ms. Tilghman and she remained committed to earning multiple degrees, even after starting a family; she exemplified her passion as a leader at Harris-Stowe State University and often encouraged those around her to take advantage of educational opportunities; and

WHEREAS, one scholarship in the amount of $10,000 will be awarded annually to a single mother pursuing a degree in accounting at Harris-Stowe State University; the scholarship can provide financial assistance for CPA fees and other educational costs, in a separate request to the foundation; and

WHEREAS, the Rochelle D. Tilghman Scholarship will be awarded to scholars who exemplify scholarship, character, and leadership in the classroom and community; to support the educational advancement and opportunity of single mothers pursuing higher education degrees and certification in accounting; and

WHEREAS, the Rochelle D. Tilghman Scholarship will be awarded to a full-time undergraduate Harris-Stowe student and single mother pursuing a degree in Accounting, have a minimum cumulative Grade Point Average (GPA) of 3.0 on a 4.0 scale; achieve full acceptance to Harris-Stowe State University (if awarding to first-time student); complete an HSSU Scholarship Application, which includes the following: extracurricular

activities, community involvement, honors and awards, and personal statement (minimum 500 words) with career goals; and

WHEREAS, the Rochelle D. Tilghman Scholarship is renewable for up to three additional years if the student completes a minimum of 24 credit hours annually and maintains a cumulative Grade Point Avenue (GPA) of 3.0 or better; and

NOW THEREFORE BE IT RESOLVED by the Board of Aldermen of the City of St. Louis that we pause in our deliberations to recognize the life and legacy of Rochelle D. Tilghman and we further direct the Clerk of this Board to spread a copy of this Resolution across the minutes of these proceedings and to prepare a commemorative copy to the end that it may be presented to our honoree at a time and place deemed appropriate by the Sponsor.

Introduced this 19th day of April, 2017, by:

Honorable Lewis E. Reed, President Board of Aldermen

Resolution No. 6
MOKAN CCAC

WHEREAS, for more than 39 years MOKAN CCAC has been at the forefront of efforts to provide opportunities for MBE and WBE contractors on construction projects in the St. Louis metropolitan area; and

WHEREAS, MOKAN is a non-profit organization that was founded in 1974 with a mission to assist minority contractors in increasing workforce opportunities; and

WHEREAS, MOKAN has been servicing the St. Louis community through efforts which resulted in the establishment of Executive Order #28 setting goals of 25% minority business participation and 5% female business participation; in addition, Executive Orders #75 and #46 lead to the establishment of workforce goals of 25% minority workers, 5% female workers, 20% city residents, and 15% apprentices; and

WHEREAS, MOKAN serves as a vital link between minority, female-owned, small contractors, and the general construction population; there is also a strong commitment to promote and maintain a mutually beneficial and profitable relationship between contractors, developers, and government; and

WHEREAS, MOKAN is focused on building partnerships that create win-win scenarios for everyone in the construction trades industry, and MOKAN provides insight and guidance in developing minority business inclusion programs focusing on expanding opportunities for growth for minority and women-owned businesses in the construction trades.

NOW THEREFORE BE IT RESOLVED by the Board of Aldermen of the City of St. Louis that we pause in our deliberations to recognize and thank MOKAN CCAC for its commitment to the St. Louis community. ORDINANCE #70526
Board Bill No. 276
Committee Substitute

An ordinance recommended by the Board of Estimate and Apportionment authorizing and directing the issuance and delivery of not to exceed $6,420,000 plus issuance costs principal amount of Tax Increment Revenue Notes (Northside Regeneration—Initial Hospital Facility) and not to exceed $1,580,000 plus issuance costs principal amount of Tax Increment Revenue Notes (Northside Regeneration—Expansion Hospital Facility) of the City of St. Louis, Missouri; prescribing the form and details of such notes and the covenants and agreements made by the City to facilitate and protect the payment thereof; prescribing other matters relating thereto, and containing a severability clause.

WHEREAS, The City of St. Louis, Missouri (the "City"), is a body corporate and political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

WHEREAS, the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865, Revised Statutes of Missouri (the "TIF Act" or "Act"), authorizes the City to undertake redevelopment projects within designated areas of the City; and

WHEREAS, the City and Northside Regeneration, LLC, a Missouri limited liability company (the "Developer"), are parties to the Amended and Restated Redevelopment Agreement dated as of May 13, 2014, as amended by the First Amendment to Amended and Restated Redevelopment Agreement, dated as of February 12, 2016 (collectively, the "Redevelopment Agreement"), relating to an approximately 1,500-acre redevelopment area generally bounded by N. Grand Boulevard and Glasgow Avenue to the west, Natural Bridge Avenue and Palm Street to the north, N. Florissant Avenue and Interstate 70 to the east, and an irregular boundary roughly following Delmar Boulevard and Dr. Martin Luther King Drive to the south, with an extension to Interstate 64 (as further described in the Redevelopment Agreement, the "Redevelopment Area"); and

WHEREAS, the Redevelopment Agreement contemplates that the Developer will work with various co-developers to complete portions of the "Redevelopment Projects" described in the Redevelopment Agreement; and

WHEREAS, the Developer and Northside Urgent Care Property, LLC, a Missouri limited liability company (the "Co-Developer"), have requested that the City enter into a parcel development agreement to provide for the redevelopment of a portion of the Redevelopment Area consisting of the development of the following: (i) roads and public infrastructure improvements for the herein-defined Healthworks Site (the "Road and Infrastructure Improvements"); (ii) a 3-bed hospital with a 24-hour emergency room (the "Hospital Facility"); and (iii) a hospital expansion (the "Expansion Hospital Facility" and collectively with the Road and Infrastructure Improvements and the Hospital Facility, the "Healthworks Hospital Project"); and

WHEREAS, Ordinance No. _____ [Board Bill No. 275] authorizes the City, the Developer and the Co-Developer to enter into a parcel development agreement relating to the Healthworks Hospital Project (the "Parcel Development Agreement"), which provides the specific terms upon which the Healthworks Hospital Project will be completed and tax increment financing assistance related thereto may be provided; and

WHEREAS, pursuant to the Parcel Development Agreement, the City proposes to finance a portion of the costs of the Healthworks Hospital Project by utilizing tax increment financing in accordance with the TIF Act; and

WHEREAS, the City desires to issue, from time to time, its Tax Increment Revenue Notes (Northside Regeneration—Initial Hospital Facility), Series 20__-A/B and Tax Increment Revenue Notes (Northside Regeneration—Expansion Hospital Facility), Series 20__-A/B, (collectively, the "TIF Notes"), to provide funds for the aforesaid purpose, said Notes being payable solely from certain proceeds deposited into accounts within the Special Allocation Fund, as further defined hereinafter; and

WHEREAS, the City has determined that it is in the best interest of the City to sell the TIF Notes from time to time at a private sale, without advertisement, to the Original Purchaser (as hereinafter defined) at a price equal to 100% of their face value; and

WHEREAS, it is hereby found and determined that it is necessary and advisable and in the best interest of the City and of its inhabitants that the TIF Notes be issued and secured in the form and manner as hereinafter provided to carry out the Healthworks Hospital Project.

ARTICLE II - AUTHORIZATION OF TIF NOTES

Section 2.1 Authorization of TIF Notes. There are hereby authorized and directed to be issued by the City to the Original Purchaser: (1) one or more series of the Initial Hospital Facility TIF Notes in an aggregate principal amount not to exceed $6,420,000 plus Issuance Costs; and (ii) one or more series of the Expansion Hospital Facility TIF Notes in an aggregate principal amount not to exceed $1,580,000 plus Issuance Costs.

Section 2.2 Description of TIF Notes.

(a) Title of TIF Notes.

(1) The Initial Hospital Facility TIF Notes shall be designated "[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (Northside Regeneration—Initial Hospital Facility), Series 20__-A/B" and shall be issued in an amount not to exceed $6,420,000 plus Issuance Costs.

(2) The Expansion Hospital Facility TIF Notes shall be designated "[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (Northside Regeneration—Expansion Hospital Facility), Series 20__-A/B" and shall be issued in an amount not to exceed $1,580,000 plus Issuance Costs.

(3) The TIF Notes may have such further appropriate particular designation added to or incorporated in such title for the TIF Notes of any particular series as the City may determine.

(b) Form of TIF Notes.

(1) The Initial Hospital Facility TIF Notes shall be substantially in the form set forth in **Exhibit B-1**, attached hereto and incorporated herein by reference, with such appropriate variations, omissions and insertions as are permitted or required by this Ordinance, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

(2) The Expansion Hospital Facility TIF Notes shall be substantially in the form set forth in **Exhibit B-2**, attached hereto and incorporated herein by reference, with such appropriate variations, omissions and insertions as are permitted or required by this Ordinance, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

(c) Terms of TIF Notes. The TIF Notes shall mature (subject to redemption and payment prior to maturity as provided in Article III hereof), on the date that is twenty-three (23) years after the effective date of the Approving Ordinance. Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

(d) Denominations. The TIF Notes shall be issuable as fully registered TIF Notes in Authorized Denominations.

(e) Numbering. Unless the City directs otherwise, each series of TIF Notes shall be numbered from R-1 upward.

(f) Dating. The TIF Notes shall be dated as provided in **Section 2.7**, as evidenced by the Finance Officer's signature on Schedule A to each TIF Note.

(g) Evidence of Principal Payments. The payment of principal of the TIF Notes on each Payment Date shall be noted on the TIF Notes on Schedule A thereto. The original Schedule A to the TIF Note shall be held by the Finance Officer in trust, unless otherwise directed in writing by the Owners thereof. If such Schedule A is held by the Finance Officer, the Finance Officer shall, on each Payment Date, send a revised copy of Schedule A via facsimile to the Owner. Absent manifest error, the amounts shown on Schedule A held by the Finance Officer shall be conclusive evidence of the principal amount paid on the TIF Notes.

(h) Sale of TIF Notes. When TIF Notes have been executed and authenticated as required by this Ordinance, the Finance Officer shall hold the TIF Notes in trust or, if directed in writing by the Owners thereof, deliver the TIF Notes to or upon the order of the Owners thereof, as provided in paragraph (g) above, but only upon payment to the City of a purchase price equal to one hundred percent (100%) of the face amount of the TIF Notes, which payment shall be deemed to have occurred under the circumstances described in **Section 4.5** of this Ordinance.

Section 2.3 Finance Officer to Serve as Paying Agent and Registrar. The Finance Officer or the authorized representative thereof is hereby designated as the paying agent for the payment of principal of and interest on the TIF Notes and the bond registrar with respect to the registration, transfer and exchange of the TIF Notes and for allocating and holding funds as provided herein.

Section 2.4 Security for TIF Notes. The TIF Notes shall be secured by the Northside Regeneration Available Revenues and the Healthworks Available Revenues as provided herein. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Northside Regeneration Available Revenues and the Healthworks Available Revenues, to the extent provided herein. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Section 2.5 Method and Place of Payment of TIF Notes. The principal of and interest on the TIF Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. Payment shall be made by the Finance Officer as provided in this Note Ordinance and as set forth in **Exhibit B-1** and **Exhibit B-2**. Principal and interest shall be payable by check or draft at the office of the Finance Officer or by wire transfer to the person in whose name such TIF Note is registered on the Register on each Payment Date.

Section 2.6 Registration, Transfer and Assignment. So long as the TIF Notes remain outstanding, the City shall cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

The TIF Notes and beneficial interest therein may only be purchased by an Original Purchaser and transferred or assigned to the Developer, the Co-Developer, a Related Entity, a Qualified Institutional Buyer or Project Lender upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such Original Purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the Original Purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in the form of fully registered Notes without coupons in minimum denominations of One Thousand Dollars ($1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination, subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

Section 2.7 Execution, Authentication and Delivery of the TIF Notes. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A** of **Exhibit B-1** or **Exhibit B-**1 hereto, as applicable, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The Initial Hospital Facility TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion for the Road and Infrastructure Improvements and Hospital Facility, (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs for the Road and Infrastructure Improvements and Hospital Facility, (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of such TIF Notes, (iv) if a CID is created for the Healthworks Site, the approval, execution and delivery of the District Project Agreement, (v) receipt of such other documentation as the City shall reasonably require of Developer and/or Co-Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel, and (vi) the payment of St. Louis Agency on Training and Employment fees.

The Expansion Hospital Facility TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion for the Expansion Hospital

Facility, (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs for the Expansion Hospital Facility, (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of such TIF Notes, (iv) if a CID is created for the Healthworks Site, the approval, execution and delivery of the District Project Agreement, (v) receipt of such other documentation as the City shall reasonably require of Developer and/or Co-Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel, and (vi) the payment of St. Louis Agency on Training and Employment fees.

Upon the Developer's and/or Co-Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer and/or Co-Developer, endorse an outstanding Initial Hospital Facility TIF Note or Expansion Hospital Facility TIF Note, as applicable, on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs or (ii) at the request of the City upon instructions of the Developer and Co-Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the Issuance Date of such TIF Note. Thereupon, pursuant to **Section 2.2(h)**, the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such TIF Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and the Parcel Development Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer and/or Co-Developer, as applicable, shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer and/or Co-Developer, as applicable, in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that on otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

ARTICLE III - REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note from within a Series shall be redeemed in the order of maturity designated by the City (provided that no Expansion Hospital Facility TIF Notes will be redeemed unless there are no outstanding Initial Hospital Facility TIF Notes), and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the TIF Notes, unless waived by any Registered Owner of TIF Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the TIF Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the TIF Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date, (b) the redemption price, (c) if less than all outstanding TIF Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any TIF Notes, the respective principal amounts) of the TIF Notes to be redeemed, (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date, and (e) the place where such TIF Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption.

(a) Until such time as the Road and Infrastructure Payment Amount has been satisfied in full, all Initial Hospital Facility TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption; provided that the principal amount being redeemed shall be made from moneys then on deposit in the Northside Regeneration Available Revenue Account (but only if the Greenleaf Special Payment Amount has been paid in full), the Healthworks EATS Account, the Healthworks PILOTS Account, and the CID Revenue Account (if any) of the Revenue Fund.

(b) After the Road and Infrastructure Payment Amount has been satisfied in full, all Initial Hospital Facility TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to the amounts then on deposit in the Healthworks EATS Account, the Healthworks PILOTS Account and the CID Revenue Account (if any) in the Revenue Fund and which will not be required for the payment of interest on such Payment Date.

(c) So long as there are no outstanding Initial Hospital Facility TIF Notes, all Expansion Hospital Facility TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to the amounts then on deposit in the Healthworks EATS Account, the Healthworks PILOTS Account and the CID Revenue Account (if any) in the Revenue Fund and which will not be required for the payment of interest on such Payment Date.

(d) In the event of a special mandatory redemption of any TIF Notes with a Registered Owner other than Developer, Co-Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer, Co-Developer or a Related Entity of the TIF Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the TIF Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the TIF Notes to be redeemed at the address shown on the Note Register.

Section 3.5 All official notices of redemption shall be dated and shall contain the following information:

(a) the redemption date;

(b) the redemption price;

(c) if less than all outstanding TIF Notes are to be redeemed, the identification (and, in the case of partial redemption

of any TIF Notes, the respective principal amounts) of the TIF Notes to be redeemed;

(d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and

(e) the place where such TIF Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV – FUNDS AND REVENUES

Section 4.1 Ratification and Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate accounts and subaccounts:

(a) a PILOTS Account, and within it:

(i) a Northside Regeneration PILOTS Subaccount; and

(ii) a Healthworks PILOTS Subaccount,

(b) an EATS Account, and within it:

(i) a Northside Regeneration EATS Subaccount; and

(ii) a Healthworks EATS Subaccount.

Confidential carvinn@stlouis-mo.gov 2021.01.15 14:00:53 +0000

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Priority. Notwithstanding anything to the contrary in the Redevelopment Agreement, the Parcel Development Agreement or this Ordinance, Northside Regeneration Available Revenues may be withdrawn from the Special Allocation Fund by the Finance Officer for the following purposes and in the following priority:

First, to pay the costs described in Section 8(a)(iii) of the Parcel Development Agreement;

Second, to pay the Greenleaf Special Payment Amount;

Third, to pay or reimburse: (i) the Finance Officer or SLDC for any third party costs in connection with the administration or amendment of the Parcel Development Agreement, the Redevelopment Agreement or any document related thereto; and (ii) any outstanding unpaid "Existing Fee Amounts" described in Section 8(a)(iii) of the Parcel Development Agreement; provided, however, that the payment or reimbursement made under items (i) and (ii) shall collectively not exceed $150,000 during the 12-month period following the execution of the Parcel Development Agreement and $100,000 during each 12-month period thereafter;

Fourth, to pay the Road and Infrastructure Payment Amount; and

Fifth, to reimburse SLDC for project management consultant costs in accordance with Section 6.5(b) of the Redevelopment Agreement.

ARTICLE V
REVENUE FUND

Section 5.1 Creation of Funds and Accounts. The following funds are accounts are hereby created and ordered to be established in the treasury of the City in connection with the Healthworks Hospital Project and the TIF Notes:

(a) Revenue Fund, and within it:

(i) Northside Regeneration Available Revenues Account;

(ii) Healthworks PILOTS Account;

(iii) Healthworks EATS Account; and

(iv) CID Revenue Account (if any).

(b) a Debt Service Fund, and, within it:

(i) Series A Account; and

(ii) Series B Account; and

(c) Debt Service Reserve Fund, if established on the Issuance Date; and

(d) Project Fund.

Each fund and the accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 5.2 Revenue Fund.

(a) ***Transfers to Revenue Fund.*** On or before the date that is five (5) business days prior to each Payment Date while the TIF Notes remain outstanding, the City shall:

(i) transfer all CID Available Revenues received by the City pursuant to a District Project Agreement, if any, into the CID Revenue Account of the Revenue Fund;

(ii) transfer moneys in the Northside Regeneration PILOTS Subaccount and the Northside Regeneration EATS Subaccount within the Special Allocation Fund into the Northside Regeneration Available Revenues Account of the Revenue Fund as necessary to satisfy the Road and Infrastructure Payment Amount;

(iii) transfer all moneys on deposit in the Healthworks PILOTS Subaccount of the PILOTS Account of the Special Allocation Fund into the Healthworks PILOTS Account of the Revenue Fund; and

(iv) transfer all moneys on deposit in the Healthworks EATS Subaccount of the EATS Account of the Special Allocation Fund into the Healthworks EATS Account of the Revenue Fund.

(b) ***Transfers from Revenue Fund.*** Moneys in the Revenue Fund shall be applied, first from the Healthworks EATS Account, second from the Healthworks PILOTS Account, third from the CID Revenue Account, and fourth from the Northside Regeneration Available Revenue Account, for the purposes and in the amounts as follows:

First, to the United States of America, an amount sufficient to pay any arbitrage rebate owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which moneys shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the TIF Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Redevelopment Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued

interest becoming due and payable on any Series A Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A Notes that are subject to redemption pursuant to this Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the Debt Service Fund shall be returned to the Special Allocation Fund.

If moneys available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(b) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, (i) all amounts remaining on deposit in the Revenue Fund (excluding the CID Revenue Account) shall be returned to the Special Allocation Fund, (ii) all amounts remaining on deposit in the CID Revenue Account of the Revenue Fund (if any) shall be paid to the CID for application in accordance with the CID Act.

(c) Notwithstanding the foregoing, moneys in the Northside Regeneration Available Revenue Account may only be used to pay principal of and interest on Initial Hospital Facility TIF Notes up to the Road and Infrastructure Payment Amount and for no other purpose.

Section 5.3 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) the purchase of TIF Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be returned to the Special Allocation Fund.

Section 5.4 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to

have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 5.5 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such TIF Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest, by the Finance Officer on and the amount on deposit therein determined accordingly.

After payment in full of the principal of, premium, if any, and interest on the TIF Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the TIF Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 5.6 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE VI - EXCLUDED PROPERTIES

Notwithstanding anything to the contrary contained herein, TIF Revenues shall not include any tax increment financing revenues generated from the Excluded Properties, provided, however, that tax increment financing revenues from the NGA Site shall not be excluded from TIF Revenues after payment in full of any bonds secured by the Financing Agreement and any redevelopment project costs benefitting the NGA Site which are to be paid pursuant to the Financing Agreement.

ARTICLE VII - REMEDIES

Section 7.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owner.

Section 7.2 Limitation on Rights of Owner. The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

Section 7.3 Remedies Cumulative. No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VIII - DEPOSIT AND INVESTMENT OF MONEYS

Section 8.1 Deposits of Moneys. All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as otherwise provided herein.

Section 8.2 Investment of Moneys. Moneys held in any fund or account referred to in this Ordinance shall be invested by the City as set forth in Section 95.530 Revised Statutes of Missouri of Missouri, as amended. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account, except the Debt Service Reserve Fund as provided in **Section 5.5** herein.

ARTICLE IX - MISCELLANEOUS PROVISIONS

Section 9.1 Covenant to Request Appropriations. The City agrees that it shall comply with its Charter, Article XVI, Section 3 for each fiscal year that the TIF Notes are outstanding and the City official(s) shall request an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 5.2** of this Ordinance.

Section 9.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the City Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

Section 9.3 Payments Due on Saturdays, Sundays and Holidays. In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

Section 9.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

SECTION TWO. Execution of Documents; Further Authority. The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes, and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City's best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

SECTION THREE. Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

SECTION FOUR. Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with the applicable internal laws of the State of Missouri.

SECTION FIVE. Private Sale. The Board of Aldermen of the City hereby declares that it is in the City's best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

SECTION SIX. Termination. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that if the Authorizing Ordinance becomes null and void pursuant to Section 5 of said Authorizing Ordinance, then this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on the Developer or the Co-Developer, shall terminate.

SERIES 20___-A/B

Rate of Interest:	Maturity Date:	Dated Date:	CUSIP Number:
[___%]	_____, 2036	_____,	None

REGISTERED OWNER:

PRINCIPAL AMOUNT: See SCHEDULE A attached hereto.

THE CITY OF ST. LOUIS, MISSOURI, a body corporate and a political subdivision duly organized and validly existing under its charter and the Constitution and laws of the State of Missouri (the "City"), for value received, hereby promises to pay to the Registered Owner shown above, or registered assigns, the Principal Amount shown from time to time on Schedule A attached hereto on the Maturity Date shown above unless called for redemption prior to the Maturity Date, and to pay interest thereon from the effective date of registration shown from time to time on Schedule A attached hereto or from the most recent Payment Date to which interest has been paid or duly provided for, at the Rate of Interest shown above computed on the basis of a 360-day year of twelve 30-day months. Interest and principal shall be payable each May 1 and November 1 (each, a "Payment Date"), commencing on the first May 1 or November 1 following the date of issuance in accordance with the Parcel Development Agreement among the City, Northside Regeneration, LLC (the "Developer") and Northside Urgent Care Property, LLC ("Co-Developer"), dated as of _____, 2017 (the "Parcel Development Agreement"), until all principal and interest accruing pursuant to this TIF Note is paid in full except as otherwise provided herein. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

Except as otherwise provided herein, the capitalized terms herein shall have the meanings as provided in Ordinance No. _____ signed by the Mayor on _____, 201_ (the "Note Ordinance") or the Redevelopment Agreement.

THE OBLIGATIONS OF THE CITY WITH RESPECT TO THIS TIF NOTE TERMINATE _____, 2036 WHICH IS TWENTY-THREE YEARS FROM THE EFFECTIVE DATE OF THE ORDINANCE APPROVING THE REDEVELOPMENT PROJECT, WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HEREON HAS BEEN PAID IN FULL. REFERENCE IS MADE TO THE NOTE ORDINANCE FOR A COMPLETE DESCRIPTION OF THE CITY'S OBLIGATIONS HEREUNDER.

Subject to the preceding paragraph, the principal of and interest on this TIF Note shall be paid at maturity or upon earlier redemption as provided in Article III of the Note Ordinance to the person in whose name this TIF Note is registered at the maturity or redemption date hereof, upon presentation and surrender of this TIF Note at the payment office of the Finance Officer of the City or her authorized agent (the "Finance Officer"). The principal of and interest on the TIF Notes shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. The principal of or interest on this TIF Note shall be payable by check or draft or by wire transfer to the person in whose name this TIF Note is registered at the office of the Finance Officer to the Registered Owner on the Register on each Payment Date. Except as otherwise provided in Section 2.8 of the Note Ordinance with respect to mutilated, destroyed, lost or stolen TIF Notes, no principal on the TIF Notes is payable unless the Registered Owner thereof has surrendered such TIF Notes at the office of the Finance Officer.

This TIF Note is one of an authorized series of fully registered Notes of the City designated ["City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Northside Regeneration--Initial Hospital Facility), Series 20___-A/B," issued in an aggregate principal amount of not to exceed $6,420,000 plus Issuance Costs] (the "Initial Hospital Facility TIF Notes"). Issuance of the "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Northside Regeneration--Expansion Hospital Facility), Series 20___-A/B," in an aggregate principal amount of not to exceed $1,580,000 plus Issuance Costs (the "Expansion Hospital Facility TIF Notes" and together with the Initial Hospital Facility TIF Notes, the "TIF Notes") were also authorized by the Note Ordinance. The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri, as amended (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon are and shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Northside Regeneration Available Revenues and the Healthworks Available

Revenues, to the extent provided in the Note Ordinance, and other moneys pledged thereto and held by the Finance Officer as provided herein. "Northside Regeneration Available Revenues" and "Healthworks Available Revenues" have the meaning ascribed to such terms as set forth in the Note Ordinance in Article I.

The moneys on deposit in the PILOTs Account of the Special Allocation Fund are those payments in lieu of taxes ("PILOTs"), as defined in Sections 99.805(11) and 99.845 of the Act) attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area (as described in the Parcel Development Agreement and the Note Ordinance) and any applicable penalty and interest over and above the initial equalized assessed value (as provided for by Section 99.855 of the Act) of such unit of property in the Redevelopment Area, as allocated and paid to the City's Treasurer by the City's Collector of Revenue who shall deposit such PILOTs into the Special Allocation Fund while tax increment financing remains in effect.

The TIF Notes shall be secured by the Available Revenues, to the extent provided in the Note Ordinance. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues, to the extent provided in the Note Ordinance. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Moneys in the Revenue Fund shall be applied, first from the Healthworks EATS Account, second from the Healthworks PILOTS Account, third from the CID Revenue Account, and fourth from the Northside Regeneration Available Revenues for the purposes and in the amounts as follows:

First, to the United States of America, an amount sufficient to pay any arbitrage rebate owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which moneys shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the TIF Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Redevelopment Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A Notes that are subject to redemption pursuant to this Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in Debt Service Fund shall be returned to the Special Allocation Fund.

Notwithstanding anything to the contrary in this TIF Note, (1) moneys in the Northside Regeneration Available Revenue Account may only be used to pay principal of and interest on Initial Hospital Facility TIF Notes up to the Road and Infrastructure Payment Amount and for no other purpose.

If moneys available in the applicable accounts of the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, (i) all amounts remaining on deposit in the Revenue Fund (excluding the CID Revenue Account) shall be returned to the Special Allocation Fund, (ii) all amounts remaining on deposit in the CID Revenue Account of the Revenue Fund shall be paid to the CID for application in accordance with the CID Act.

The City covenants that it shall comply with the Charter of the City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Notes are outstanding and the City official(s) shall request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Notes.

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Healthworks Available Revenues on deposit in the applicable accounts of the Special Allocation Fund and which are not required for the payment of accrued interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

TIF Notes shall be redeemed only in the principal amount of One Thousand Dollars ($1,000) or any integral multiple thereof. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes shall be selected by the Finance Officer in One Thousand Dollar ($1,000) units of face value in such equitable manner as the Finance Officer may determine.

The TIF Notes are issuable in the form of fully registered Notes without coupons in minimum denominations of One Hundred Thousand Dollars ($100,000) or any integral multiple $1,000 in excess thereof, except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which Notes may be issued in any denomination, subject to the limitation on the aggregate Principal Amount.

This TIF Note may be transferred or exchanged as provided in the Note Ordinance only upon the Register, upon surrender of this TIF Note together with a written instrument of transfer satisfactory to the Finance Officer duly executed by the Registered Owner or the Registered Owner's duly authorized agent.

THE OWNER HEREOF EXPRESSLY AGREES, BY SUCH OWNER'S ACCEPTANCE HEREOF, THAT THE RIGHT TO PURCHASE, TRANSFER, ASSIGN OR NEGOTIATE THIS TIF NOTE SHALL BE LIMITED TO

The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

Except as otherwise provided herein, the capitalized terms herein shall have the meanings as provided in Ordinance No. _____ signed by the Mayor on _____, 201_ (the "Note Ordinance") or the Redevelopment Agreement.

THE OBLIGATIONS OF THE CITY WITH RESPECT TO THIS TIF NOTE TERMINATE _____, 2036 WHICH IS TWENTY-THREE YEARS FROM THE EFFECTIVE DATE OF THE ORDINANCE APPROVING THE REDEVELOPMENT PROJECT, WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HEREON HAS BEEN PAID IN FULL. REFERENCE IS MADE TO THE NOTE ORDINANCE FOR A COMPLETE DESCRIPTION OF THE CITY'S OBLIGATIONS HEREUNDER.

Subject to the preceding paragraph, the principal of and interest on this TIF Note shall be paid at maturity or upon earlier redemption as provided in Article III of the Note Ordinance to the person in whose name this TIF Note is registered at the maturity or redemption date hereof, upon presentation and surrender of this TIF Note at the payment office of the Finance Officer of the City or her authorized agent (the "Finance Officer"). The principal of and interest on the TIF Notes shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. The principal of or interest on this TIF Note shall be payable by check or draft or by wire transfer to the person in whose name this TIF Note is registered at the office of the Finance Officer to the Registered Owner on the Register

on each Payment Date. Except as otherwise provided in Section 2.8 of the Note Ordinance with respect to mutilated, destroyed, lost or stolen TIF Notes, no principal on the TIF Notes is payable unless the Registered Owner thereof has surrendered such TIF Notes at the office of the Finance Officer.

This TIF Note is one of an authorized series of fully registered Notes of the City designated the "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Northside Regeneration--Expansion Hospital Facility), Series 20___-A/B," issued in an aggregate principal amount of not to exceed $1,580,000 plus Issuance Costs (the "Expansion Hospital Facility TIF Notes"). Issuance of the "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Northside Regeneration--Initial Hospital Facility), Series 20___-A/B," in an aggregate principal amount of not to exceed $6,420,000 plus Issuance Costs (the "Initial Hospital Facility TIF Notes" and together with the Expansion Hospital Facility TIF Notes, the "TIF Notes") were also authorized by the Note Ordinance. The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri, as amended (the "Act"), and pursuant to the Note Ordinance. The TIF Notes and the interest thereon are and shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Northside Regeneration Available Revenues and the Healthworks Available Revenues, to the extent provided in the Note Ordinance, and other moneys pledged thereto and held by the Finance Officer as provided herein. "Northside Regeneration Available Revenues" and "Healthworks Available Revenues" have the meaning ascribed to such terms as set forth in the Note Ordinance in Article I.

The moneys on deposit in the PILOTs Account of the Special Allocation Fund are those payments in lieu of taxes ("PILOTs"), as defined in Sections 99.805(11) and 99.845 of the Act) attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area (as described in the Parcel Development Agreement and the Note Ordinance) and any applicable penalty and interest over and above the initial equalized assessed value (as provided for by Section 99.855 of the Act) of such unit of property in the Redevelopment Area, as allocated and paid to the City's Treasurer by the City's Collector of Revenue who shall deposit such PILOTs into the Special Allocation Fund while tax increment financing remains in effect.

The TIF Notes shall be secured by the Available Revenues, to the extent provided in the Note Ordinance. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues, to the extent provided in the Note Ordinance. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Moneys in the Revenue Fund shall be applied, first from the Healthworks EATS Account, second from the Healthworks PILOTS Account, third from the CID Revenue Account, and fourth from the Northside Regeneration Available Revenues for the purposes and in the amounts as follows:

First, to the United States of America, an amount sufficient to pay any arbitrage rebate owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which moneys shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the TIF Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Redevelopment Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A Notes that are subject to redemption pursuant to this Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in Debt Service Fund shall be returned to the Special Allocation Fund.

Notwithstanding anything to the contrary in this TIF Note, (1) moneys in the Northside Regeneration Available Revenue Account may only be used to pay principal of and interest on Initial Hospital Facility TIF Notes up to the Road and Infrastructure Payment Amount and for no other purpose.

If moneys available in the applicable accounts of the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, (i) all amounts remaining on deposit in the Revenue Fund (excluding the CID Revenue Account) shall be returned to the Special Allocation Fund, (ii) all amounts remaining on deposit in the CID Revenue Account of the Revenue Fund shall be paid to the CID for application in accordance with the CID Act.

The City covenants that it shall comply with the Charter of the City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Notes are outstanding and the City official(s) shall request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Notes.

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Healthworks Available Revenues on deposit in the applicable accounts of the Special Allocation Fund and which are not required for the payment of accrued interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

TIF Notes shall be redeemed only in the principal amount of One Thousand Dollars ($1,000) or any integral multiple thereof. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes shall be selected by the Finance Officer in One Thousand Dollar ($1,000) units of face value in such equitable manner as the Finance Officer may determine.

The TIF Notes are issuable in the form of fully registered Notes without coupons in minimum denominations of One Hundred Thousand Dollars ($100,000) or any integral multiple $1,000 in excess thereof, except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which Notes may be issued in any denomination, subject to the limitation on the aggregate Principal Amount.

This TIF Note may be transferred or exchanged as provided in the Note Ordinance only upon the Register, upon surrender of this TIF Note together with a written instrument of transfer satisfactory to the Finance Officer duly executed by the Registered Owner or the Registered Owner's duly authorized agent.

THE OWNER HEREOF EXPRESSLY AGREES, BY SUCH OWNER'S ACCEPTANCE HEREOF, THAT THE RIGHT TO PURCHASE, TRANSFER, ASSIGN OR NEGOTIATE THIS TIF NOTE SHALL BE LIMITED TO PURCHASE, TRANSFER, ASSIGNMENT OR NEGOTIATION TO THE DEVELOPER, THE CO-DEVELOPER, AN OTHER PROPERTY OWNER, A RELATED ENTITY, A QUALIFIED INSTITUTIONAL BUYER OR PROJECT LENDER, AS SUCH TERMS ARE DEFINED IN THE NOTE ORDINANCE, AND UPON THE EXECUTION BY THE PROPOSED PURCHASER OR TRANSFEREE OF AN INVESTMENT LETTER IN SUBSTANTIALLY THE FORM OF EXHIBIT C TO THE NOTE ORDINANCE, SIGNED BY THE PROPOSED PURCHASER OR TRANSFEREE, SHOWING THAT THE PROPOSED PURCHASER OR TRANSFEREE IS AN APPROVED INVESTOR. "Approved Investor" is defined in the Note Ordinance, and includes, among others, (a) the Developer or a Related Entity, (b) an "accredited investor" under Rule 501(a) of Regulation D promulgated under the Securities Act of 1933, (c) a "qualified institutional buyer" under Rule 144A promulgated under the Securities Act of 1933 or (d) any general business company or enterprise with total assets in excess of $50,000,000.

Subject to the limitations of the preceding paragraph, upon surrender thereof at the office of the Finance Officer, the Finance Officer shall transfer or exchange any TIF Note for a new TIF Note of the same maturity and in the same principal amount as the outstanding principal amount of the TIF Note that was presented for transfer or exchange. Any TIF Note presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

This TIF Note shall not be valid or binding on the City or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon has been executed by the Finance Officer.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the TIF Notes have existed, happened and been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, THE CITY OF ST. LOUIS, MISSOURI has executed this TIF Note by causing it to be signed by the manual or facsimile signature of its Mayor and Finance Officer and attested by the manual or facsimile signature of its City Register, and its official seal to be affixed or imprinted hereon, and this TIF Note to be dated as of the effective date of registration as shown on Schedule A attached hereto.

Ladies and Gentlemen:

This letter is to provide you with certain representations and agreements with respect to the purchase by the undersigned of not to exceed [$6,420,000 (plus Issuance Costs) aggregate principal amount of Tax Increment Revenue Notes (Northside Regeneration--Healthworks Hospital Project), Series 20__-A/B] [$1,580,000 [(plus Issuance Costs) City of St. Louis, Missouri, Tax Increment Revenue Notes, (Northside Regeneration—Expansion Hospital Facility), Series 20__-A/B] (the "TIF Notes"), issued by the City of St. Louis, Missouri (the "City"). The TIF Notes are secured in the manner set forth in Ordinance No. _____ [Board Bill No. ____] of the City adopted on _____, 20___ (the "Note Ordinance"). The undersigned hereby represents to each of you and agrees with each of you, as follows:

1. The undersigned is an Approved Investor (as defined in the Note Ordinance).

2. The undersigned acknowledges that the City has not made any representation or warranty concerning the accuracy or completeness of any information furnished in connection with the purchase by the undersigned of the TIF Notes. Accordingly, the undersigned has not relied upon the City as to the accuracy or completeness of such information. As a sophisticated investor, the undersigned has made its own decision to purchase the TIF Notes based solely upon its own inquiry and analysis.

3. The undersigned understands that the TIF Notes do not constitute an indebtedness of the City or a loan or credit thereof within the meaning of any constitutional or statutory debt limitation or restriction.

4. The undersigned is familiar with and has counsel who are familiar with the federal and state legislation, rules, regulations and case law pertaining to the transfer and distribution of securities, including, but not limited to, disclosure obligations of the seller incident to any such transfer or distribution. The undersigned hereby covenants and agrees that the undersigned will not sell, offer for sale, pledge, transfer, convey, hypothecate, mortgage or dispose of the TIF Notes or any interest therein in violation of applicable federal or state law or in violation of restrictions on sale, assignment, negotiation or transfer of the TIF Notes as set forth in paragraph 6 below.

5. The undersigned is purchasing the TIF Notes for its own account for investment (and not on behalf of another) and, other than a contemplated pledge of the TIF Notes, has no present intention of reselling the TIF Notes or dividing its interest therein. Notwithstanding the foregoing, the undersigned has the right to sell, offer for sale, pledge, transfer, convey, hypothecate, mortgage or dispose of the TIF Notes at some future date determined by it, provided that such disposition is not in violation of

restrictions on sale, assignment, negotiation or transfer of the TIF Notes as set forth in paragraph 6 below.

6. The undersigned acknowledges that the right to sell, assign, negotiate or otherwise transfer the TIF Notes shall be limited to Approved Investors (as defined in the Note Ordinance).

7. The undersigned agrees to indemnify and hold you harmless from any and all claims, judgments, attorneys' fees and expenses of whatsoever nature, whether relating to litigation or otherwise, resulting from any attempted or affected sale, offer for sale, pledge, transfer, conveyance, hypothecation, mortgage or disposition of the TIF Notes in violation of this letter.

8. The undersigned has satisfied itself that the TIF Notes may be legally purchased by the undersigned.

Sincerely,

ORDINANCE #70527
Board Bill No. 280

An Ordinance recommended by the Board of Estimate and Apportionment authorizing and directing the issuance and delivery of not to exceed $4,374,377 plus issuance costs principal amount of tax increment revenue notes (Northgate Redevelopment Project) Series 20__-A/B, of The City of St. Louis, Missouri; prescribing the form and details of such notes and the covenants and agreements made by the City to facilitate and protect the payment thereof; prescribing other matters relating thereto, and containing a severability clause.

WHEREAS, The City of St. Louis, Missouri (the "City"), is a body corporate and political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

WHEREAS, the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865, Revised Statutes of Missouri, as amended (the "TIF Act" or "Act"), authorizes the City to undertake redevelopment projects within designated areas of the City; and

WHEREAS, staff and consultants of the City Pace-Delmar Associates, L.L.C., a Missouri limited liability company, prepared a plan for redevelopment titled "Northgate TIF Redevelopment Plan" dated December 16, 2016, ("Redevelopment Plan"), for an area consisting of the addresses commonly known as 6211 Delmar Blvd. and 621 North Skinker Blvd. and 635 North Skinker Blvd. (the "Redevelopment Area" or "Area"), which Redevelopment Area is more fully described in the Redevelopment Plan, such legal description being attached hereto and incorporated herein as **Exhibit A**; and

WHEREAS, on January 4, 2017, the TIF Commission found that completion of the Redevelopment Project (as hereinafter defined) would provide a substantial and significant public benefit through the elimination of blighting conditions, the strengthening of the employment and economic base of the City, increased property values and tax revenues, stabilization of the Redevelopment Area, facilitation of the economic stability of the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the Redevelopment Project is not financially feasible and would not otherwise be completed; and

WHEREAS, on _____, 2017, after due consideration of the TIF Commission's recommendations and approval by the Board of Aldermen, the Mayor signed: (1) Ordinance No. _____ (Board Bill No. ____), designating the Redevelopment Area as a "redevelopment area" as provided in the TIF Act, approving the Redevelopment Plan, and approving the redevelopment project described in the Redevelopment Plan (the "Redevelopment Project"), adopting tax increment allocation financing within the Redevelopment Area, and establishing the Northgate Special Allocation Fund; and (2) Ordinance No. _____ (Board Bill No. ____), authorizing the City to enter into a redevelopment agreement with Developer (as hereinafter defined); and

WHEREAS, pursuant to the Redevelopment Plan and Redevelopment Agreement, the City proposes to finance a portion of the costs of the Redevelopment Project by utilizing tax increment allocation financing in accordance with the TIF Act; and

WHEREAS, the City desires to issue, from time to time, its Tax Increment Revenue Notes (Northgate Redevelopment Project), Series 20__-A/B, (the "TIF Notes" or "Notes"), to provide funds for the aforesaid purpose, said Notes being payable solely from certain proceeds deposited into the Special Allocation Fund; and

WHEREAS, the City has determined that it is in the best interest of the City to sell the Notes from time to time at a private sale, without advertisement, to the Original Purchaser (as hereinafter defined) at a price equal to 100% of their face value; and

WHEREAS, *it is hereby found and determined that it is necessary and advisable and in the best interest of the City and* of its inhabitants that the Notes be issued and secured in the form and manner as hereinafter provided to carry out the Redevelopment Project.

BE IT ORDAINED BY THE CITY OF ST. LOUIS, AS FOLLOWS:

ARTICLE II
AUTHORIZATION OF TIF NOTES

Section 2.1 Authorization of TIF Notes. There are hereby authorized and directed to be issued by the City to the Original Purchaser one or more series of the TIF Notes in an aggregate principal amount not to exceed $4,374,377 plus Issuance Costs. The TIF Notes shall be in substantially the form of **Exhibit B**, attached hereto and incorporated herein by reference.

Section 2.2 Description of TIF Notes.

(a) Title of TIF Notes. There may be issued one series of one or more Series A Notes in an aggregate principal amount not to exceed $4,374,377 plus Issuance Costs authorized hereunder and one series of one or more Series B Notes in an aggregate principal amount not to exceed $4,374,377 plus Issuance Costs less the aggregate principal amount of Series A Notes. The Series A Notes shall be designated "[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (Northgate Redevelopment Project), Series 20__-A". The Series B Notes shall be designated "[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (Northgate Redevelopment Project), Series 20__-B". The TIF Notes may have such further appropriate particular designation added to or incorporated in such title for the TIF Notes of any particular series as the City may determine.

(b) Form of TIF Notes. The TIF Notes shall be substantially in the form set forth in **Exhibit B**, attached hereto and incorporated herein by reference, with such appropriate variations, omissions and insertions as are permitted or required by this Ordinance, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

(c) Terms of TIF Notes. The TIF Notes shall mature (subject to redemption and payment prior to maturity as provided in Article III hereof), on the date that is twenty-three (23) years after the effective date of the Approving Ordinance, which is _____. Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

(d) Denominations. The TIF Notes shall be issuable as fully registered TIF Notes in Authorized Denominations.

(e) Numbering. Unless the City directs otherwise, each series of TIF Notes shall be numbered from R-1 upward.

(f) Dating. The TIF Notes shall be dated as provided in **Section 2.7**, as evidenced by the Finance Officer's signature on Schedule A to each TIF Note.

(g) Evidence of Principal Payments. The payment of principal of the TIF Notes on each Payment Date shall be noted on the TIF Notes on Schedule A thereto. The original Schedule A to the TIF Note shall be held by the Finance Officer in trust, unless otherwise directed in writing by the Owners thereof. If such Schedule A is held by the Finance Officer, the Finance Officer shall, on each Payment Date, send a revised copy of Schedule A via facsimile to the Owner. Absent manifest error, the amounts shown on Schedule A held by the Finance Officer shall be conclusive evidence of the principal amount paid on the TIF Notes.

(h) Sale of TIF Notes. When TIF Notes have been executed and authenticated as required by this Ordinance, the Finance Officer shall hold the TIF Notes in trust or, if directed in writing by the Owners thereof, deliver the TIF Notes to or upon the order of the Owners thereof, as provided in paragraph (g) above, but only upon payment to the City of a purchase price equal to one hundred percent (100%) of the face amount of the TIF Notes, which payment shall be deemed to have occurred under the circumstances described in **Section 4.5** of this Ordinance.

Section 2.3 Finance Officer to Serve as Paying Agent and Registrar. The Finance Officer or the authorized representative thereof is hereby designated as the paying agent ("Paying Agent") for the payment of principal of and interest on the TIF Notes and the bond registrar with respect to the registration, transfer and exchange of the TIF Notes and for allocating and holding funds as provided herein.

Section 2.4 Security for TIF Notes. The Series A Notes shall be equally and ratably secured by Available Revenues. The Series B Notes shall be equally and ratably secured by the Available Revenues on a subordinate basis to the Series A Notes. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. TIF Notes may be issued in two series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Section 2.5 Method and Place of Payment of TIF Notes. The principal of and interest on the TIF Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. Payment shall be made by the Finance Officer as provided in this Note Ordinance and as set forth in **Exhibit B**. Principal and interest shall be payable by check or draft at the office of the Finance Officer or by wire transfer to the person in whose name such TIF Note is registered on the Register on each Payment Date.

Section 2.6 Registration, Transfer and Assignment. So long as the TIF Notes remain outstanding, the City shall cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

The TIF Notes and beneficial interest therein may only be purchased by an Original Purchaser and transferred or assigned to the Developer, a Related Entity, a Qualified Institutional Buyer or Project Lender upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such Original Purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the Original Purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in the form of fully registered Notes without coupons in minimum denominations of One Thousand Dollars ($1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination, subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee

of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

Section 2.7 Execution, Authentication and Delivery of the TIF Notes. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A** of **Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; (v) receipt of such other documentation as the City shall reasonably require of Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement; (vi) the completion of **Section 4.3** of the Redevelopment Agreement; and (vii) the determination of the size of the TIF Notes.

Upon the Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the Issuance Date of such TIF Note. Thereupon, pursuant to Section 2.2(h), the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed

by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

ARTICLE III
REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note from within a Series shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

(a) the redemption date;

(b) the redemption price;

(c) if less than all outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;

(d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and

(e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV
FUNDS AND REVENUES

Section 4.1 Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate
funds and accounts:

(a) PILOTS Account;

(b) an EATS Account;

(c) a Revenue Fund and, within it, (i) a PILOTS Account; and (ii) an EATS Account, into which all Available Revenues shall be deposited;

(d) a Debt Service Fund, and, within it, (i) a Series A Account; and (ii) a Series B Account; and

(e) a Debt Service Reserve Fund, if established on the Issuance Date; and

(f) a Project Fund.

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Revenue Fund.

(a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer and deposit:

(i) Those Available Revenues attributable to PILOTS into the PILOTS Account of the Revenue Fund; and

(ii) Those Available Revenues attributable to EATS into the EATS Account of the Revenue Fund.

(b) Available Revenues in the Revenue Fund shall be applied, first from the EATS Account, and second from the PILOTS Account for the purposes and in the amounts as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and

expenses incurred by the City pursuant to Section 7.16 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable.

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(c) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.4 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.5 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 4.6 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest, by the Finance Officer on and the amount on deposit therein determined accordingly.

Notwithstanding any other provision of this Ordinance to the contrary, to the extent that any principal or interest on the TIF Obligations remain unpaid on the Maturity Date, any amounts remaining on deposit in the Debt Service Reserve Fund shall be used to retire pay and retire any such unpaid TIF Obligations.

After payment in full of the principal of, premium, if any, and interest on the Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 4.7 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured, special limited obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE V
REMEDIES

Section 5.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owner.

Section 5.2 Limitation on Rights of Owner. The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

Section 5.3 Remedies Cumulative. No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VI
DEPOSIT AND INVESTMENT OF MONEYS

Section 6.1 Deposits of Moneys. All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as otherwise provided herein.

Section 6.2 Investment of Moneys. Moneys held in any fund or account referred to in this Ordinance shall be invested by the City as set forth in Section 95.530 Revised Statutes of Missouri, as amended. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account, except the Debt Service Reserve Fund as provided in Section 4.6 herein.

ARTICLE VII
MISCELLANEOUS PROVISIONS

Section 7.1 Covenant to Request Appropriations. The City agrees that it shall comply with its Charter, Article XVI, Section 3 for each fiscal year of the City that the TIF Notes are outstanding and the City official(s) shall request an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 4.3** of this Ordinance.

Section 7.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the City Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

Section 7.3 Payments Due on Saturdays, Sundays and Holidays. In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day in the City, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

Section 7.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

Section 7.5 Execution of Documents; Further Authority. The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City's best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

Section 7.6 Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 7.7 Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with the applicable internal laws of the State of Missouri without reference to its conflict of law principles.

Section 7.8 Private Sale. The Board of Aldermen of the City hereby declares that it is in the City's best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 7.9 Termination. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; *provided that* if, within ninety (90) days after the effective date of the Ordinance, the Developer has not (i) executed the Redevelopment Agreement and (ii) paid all fees due to the City and the St. Louis Development Corporation in accordance with the terms of the Redevelopment Agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on the Developer shall terminate, *provided further*, however, that prior to any such termination, the Developer may seek an extension of time in which to execute the Redevelopment Agreement from the Board of Estimate and Apportionment, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment.

PRINCIPAL AMOUNT: See SCHEDULE A attached hereto.

THE CITY OF ST. LOUIS, MISSOURI, a body corporate and a political subdivision duly organized and validly existing under its charter and the Constitution and laws of the State of Missouri (the "City"), for value received, hereby promises to pay to the Registered Owner shown above, or registered assigns, the Principal Amount shown from time to time on Schedule A attached hereto on the Maturity Date shown above unless called for redemption prior to the Maturity Date, and to pay interest thereon from the effective date of registration shown from time to time on Schedule A attached hereto or from the most recent Payment Date to which interest has been paid or duly provided for, at the Rate of Interest shown above computed on the basis of a 360-day year of twelve 30-day months. Interest and principal shall be payable each May 1 and November 1 (each, a "Payment Date"), commencing on the first May 1 or November 1 following the City's acceptance or deemed acceptance of the Certificate of Substantial Completion in accordance with the Redevelopment Agreement between the City and Pace-Delmar Associates, L.L.C., (the "Developer"), dated as of _____, as amended (the "Redevelopment Agreement"), until all principal and interest accruing pursuant to this TIF Note is paid in full except as otherwise provided herein. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

Except as otherwise provided herein, the capitalized terms herein shall have the meanings as provided in Ordinance No. _____ signed by the Mayor on _____, 2017 (the "Note Ordinance") or the Redevelopment Agreement.

THE OBLIGATIONS OF THE CITY WITH RESPECT TO THIS TIF NOTE TERMINATE _____, WHICH IS TWENTY-THREE YEARS FROM THE EFFECTIVE DATE OF THE ORDINANCE APPROVING THE REDEVELOPMENT PROJECT, WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HEREON HAS BEEN PAID IN FULL. REFERENCE IS MADE TO THE NOTE ORDINANCE FOR A COMPLETE DESCRIPTION OF THE CITY'S OBLIGATIONS HEREUNDER.

Subject to the preceding paragraph, the principal of and interest on this TIF Note shall be paid at maturity or upon earlier redemption as provided in Article III of the Note Ordinance to the person in whose name this TIF Note is registered at the maturity or redemption date hereof, upon presentation and surrender of this TIF Note at the payment office of the Finance Officer of the City or her authorized agent (the "Finance Officer"). The principal of and interest on the TIF Notes shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. The principal of or interest on this TIF Note shall be payable by check or draft or by wire transfer to the person in whose name this TIF Note is registered at the office of the Finance Officer to the Registered Owner on the Register

on each Payment Date. Except as otherwise provided in Section 2.8 of the Note Ordinance with respect to mutilated, destroyed, lost or stolen TIF Notes, no principal on the TIF Notes is payable unless the Registered Owner thereof has surrendered such TIF Notes at the office of the Finance Officer.

This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Northgate Redevelopment Project), Series 20___-A/B," issued in an aggregate principal amount of not to exceed $4,374,377 plus Issuance Costs (the "TIF Notes" or "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri, as amended (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon are and shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all monies on deposit from time to time (including investment earnings thereon) in (a) the PILOTS Account; and (b) subject to annual appropriation, the EATS Account that have been appropriated to the repayment of TIF Notes, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The monies on deposit in the PILOTS Account of the Special Allocation Fund are those payments in lieu of taxes ("PILOTS"), as defined in Sections 99.805(11) and 99.845 of the Act) attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area (as described in Exhibit A to the Note Ordinance) and any applicable penalty and interest over and above the initial equalized assessed value (as provided for by Section 99.855 of the Act) of such unit of property in the Redevelopment Area, as allocated and paid to the City's Treasurer by the City's Collector of Revenue who shall deposit such PILOTS into the Special Allocation Fund while tax increment financing remains in effect.

The monies on deposit in the EATS Account of the Special Allocation Fund are those amounts subject to annual appropriation by the Board of Aldermen, equal to fifty percent (50%) of the total additional revenues from taxes, penalties and interest which are imposed by the City or other taxing districts (as that term is defined in Section 99.805(16) of the Act) and which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 2017 (subject to annual appropriation by the City as provided in the Act), while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, as amended, taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri, as amended, and taxes imposed on sales pursuant to subsection 2 of section 67.1712 of the Revised Statutes of Missouri, as amended, for the purpose of operating and maintaining a metropolitan park and recreation district, all in accordance with Section 99.845.3 of the Act, as may be amended from time to time, and any other tax, license or fee that may be excluded from tax increment financing by Missouri law. Notwithstanding the foregoing, EATS shall not include the operating levy for school purposes imposed by or any sales tax imposed by the Transitional School District of the City of St. Louis.

The Series A TIF Notes shall be equally and ratably secured by Available Revenues. The Series B TIF Notes shall be equally and ratably secured by the Available Revenues on a subordinate basis to the Series A Notes. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Available Revenues shall be applied, first from the EATS Account, and second from the PILOTS Account, to payments on this TIF Note as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.16 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable.

Notwithstanding any other provision hereof to the contrary, to the extent that any principal or interest on the TIF Notes remains unpaid on the Maturity Date, any amounts remaining on deposit in the Debt Service Reserve Fund established pursuant to the Note Ordinance shall be used to retire pay and retire any such unpaid TIF Notes.

Upon the payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund and the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

The City covenants that it shall comply with the Charter of the City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Notes are outstanding and the City official(s) shall request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Notes.

NOTWITHSTANDING ANY PROVISION HEREIN OR IN THE NOTE ORDINANCE TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN SECTION 7.8 OF THE REDEVELOPMENT AGREEMENT.

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a

redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Available Revenues on deposit in the applicable accounts of the Special Allocation Fund and which are not required for the payment of accrued interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

TIF Notes shall be redeemed only in the principal amount of One Thousand Dollars ($1,000) or any integral multiple thereof. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes shall be selected by the Finance Officer in One Thousand Dollar ($1,000) units of face value in such equitable manner as the Finance Officer may determine.

The TIF Notes are issuable in the form of fully registered Notes without coupons in minimum denominations of One Hundred Thousand Dollars ($100,000) or any integral multiple $1,000 in excess thereof, except with respect to the Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which Notes may be issued in any denomination, subject to the limitation on the aggregate Principal Amount.

This TIF Note may be transferred or exchanged as provided in the Note Ordinance only upon the Register, upon surrender of this TIF Note together with a written instrument of transfer satisfactory to the Finance Officer duly executed by the Registered Owner or the Registered Owner's duly authorized agent.

THE OWNER HEREOF EXPRESSLY AGREES, BY SUCH OWNER'S ACCEPTANCE HEREOF, THAT THE RIGHT TO PURCHASE, TRANSFER, ASSIGN OR NEGOTIATE THIS TIF NOTE SHALL BE LIMITED TO PURCHASE, TRANSFER, ASSIGNMENT OR NEGOTIATION TO THE DEVELOPER, A RELATED ENTITY A QUALIFIED INSTITUTIONAL BUYER OR PROJECT LENDER, AS SUCH TERMS ARE DEFINED IN THE NOTE ORDINANCE, AND UPON THE EXECUTION BY THE PROPOSED PURCHASER OR TRANSFEREE OF AN INVESTMENT LETTER IN SUBSTANTIALLY THE FORM OF EXHIBIT C TO THE NOTE ORDINANCE, SIGNED BY THE PROPOSED PURCHASER OR TRANSFEREE, SHOWING THAT THE PROPOSED PURCHASER OR TRANSFEREE IS AN APPROVED INVESTOR. "Approved Investor" is defined in the Note Ordinance, and includes, among others, (a) the Developer or a Related Entity, (b) an "accredited investor" under Rule 501(a) of Regulation D promulgated under the Securities Act of 1933, (c) a "qualified institutional buyer" under Rule 144A promulgated under the Securities Act of 1933 or (d) any general business company or enterprise with total assets in excess of $50,000,000.

Subject to the limitations of the preceding paragraph, upon surrender thereof at the office of the Finance Officer, the Finance Officer shall transfer or exchange any TIF Note for a new TIF Note of the same maturity and in the same principal amount as the outstanding principal amount of the TIF Note that was presented for transfer or exchange. Any TIF Note presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

This TIF Note shall not be valid or binding on the City or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon has been executed by the Finance Officer.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the TIF Notes have existed, happened and been performed in due time, form and manner as required by law.

(The remainder of this page is intentionally left blank.)

IN WITNESS WHEREOF, THE CITY OF ST. LOUIS, MISSOURI has executed this TIF Note by causing it to be signed by the manual or facsimile signature of its Mayor and Finance Officer and attested by the manual or facsimile signature of its City Register, and its official seal to be affixed or imprinted hereon, and this TIF Note to be dated as of the effective date of registration as shown on Schedule A attached hereto.

Re: Not to Exceed $4,374,377 (plus Issuance Costs) City of St. Louis, Missouri, Tax Increment Revenue Notes, (Northgate Redevelopment Project), Series 20__-A/B

Ladies and Gentlemen:

This letter is to provide you with certain representations and agreements with respect to the purchase by the undersigned of not to exceed $4,374,377 (plus Issuance Costs) aggregate principal amount of Tax Increment Revenue Notes, (Northgate Redevelopment Project), Series 20__-A/B (the "TIF Notes"), issued by the City of St. Louis, Missouri (the "City"). The TIF Notes are secured in the manner set forth in Ordinance No. _____ Board Bill No. ____ of the City adopted on _____, 20___ (the "Note Ordinance"). The undersigned hereby represents to each of you and agrees with each of you, as follows:

1. The undersigned is an Approved Investor (as defined in the Note Ordinance) and has reviewed the Note Ordinance.

2. The undersigned acknowledges that neither the City nor its financial advisor has not made any representation or warranty concerning the accuracy or completeness of any information furnished in connection with the purchase by the

undersigned of the TIF Notes. Accordingly, the undersigned has not relied upon the City or its financial advisor as to the accuracy or completeness of such information. As a sophisticated and/or investor, the undersigned has made its own decision to purchase the TIF Notes based solely upon its own inquiry and analysis.

3. The undersigned understands that (i) the TIF Notes do not constitute an indebtedness of the City or a loan or credit thereof within the meaning of any constitutional or statutory debt limitation or restriction, (ii) the TIF Notes are payable solely from and secured by a pledge of Available Revenues (as defined in the Note Ordinance) and (iii) the City's special, limited obligation with respect to the TIF Notes terminates on the first to occur of the full payment and discharge of the TIF Notes or the Maturity Date, whether or not the principal or interest has been paid in full.

4. The undersigned is familiar with and has counsel who are familiar with the federal and state legislation, rules, regulations and case law pertaining to the transfer and distribution of securities, including, but not limited to, disclosure obligations of the seller incident to any such transfer or distribution. The undersigned hereby covenants and agrees that the undersigned will not sell, offer for sale, pledge, transfer, convey, hypothecate, mortgage or dispose of the TIF Notes or any interest therein in violation of applicable federal or state law or in violation of restrictions on sale, assignment, negotiation or transfer of the TIF Notes as set forth in paragraph 6 below.

5. The undersigned is purchasing the TIF Notes for its own account for investment (and not on behalf of another) and, other than a contemplated pledge of the TIF Notes, has no present intention of reselling the TIF Notes or dividing its interest therein. Notwithstanding the foregoing, the undersigned has the right to sell, offer for sale, pledge, transfer, convey, hypothecate, mortgage or dispose of the TIF Notes at some future date determined by it, provided that such disposition is not in violation of restrictions on sale, assignment, negotiation or transfer of the TIF Notes as set forth in paragraph 6 below.

6. The undersigned acknowledges that the right to sell, assign, negotiate or otherwise transfer the TIF Notes shall be limited to Approved Investors (as defined in the Note Ordinance).

7. The undersigned agrees to indemnify and hold you harmless from any and all claims, judgments, attorneys' fees and expenses of whatsoever nature, whether relating to litigation or otherwise, resulting from any attempted or affected sale, offer for sale, pledge, transfer, conveyance, hypothecation, mortgage or disposition of the TIF Notes in violation of this letter.

8. The undersigned has satisfied itself that the TIF Notes may be legally purchased by the undersigned.

Sincerely,

_____

ST. LOUIS LIVING WAGE ORDINANCE
LIVING WAGE ADJUSTMENT BULLETIN

NOTICE OF ST. LOUIS LIVING WAGE RATES

EFFECTIVE APRIL 1, 2016

In accordance with Ordinance No. 65597, the St. Louis Living Wage Ordinance ("Ordinance") and the Regulations associated therewith, the City Compliance Official for the City of St. Louis has determined that the following living wage rates are now in effect for employees of covered contracts:

1) Where health benefits as defined in the Ordinance are provided to the employee, the living wage rate is **$12.60** per hour (130% of the federal poverty level income guideline for a family of three); and

2) Where health benefits as defined in the Ordinance are not provided to the employee, the living wage rate is **$16.87** per hour (130% of the federal poverty level income guideline for a family of three, plus fringe benefit rates as defined in the Ordinance).

3) Wages required under Chapter 6.20 of the Revised Code of the City of St. Louis: **$4.27** per hour.

These rates are based upon federal poverty level income guidelines as defined in

the Ordinance and these rates are effective as of **April 1, 2016.** These rates will be further adjusted periodically when the federal poverty level income guideline is adjusted by the U.S. Department of Health and Human Services or pursuant to Chapter 6.20 of the Revised Code of the City of St. Louis.

The Ordinance applies to employers who are covered by the Ordinance as defined in the Ordinance, where the contract or grant is entered into or renewed after the effective date of the Ordinance, which is November 3, 2002. A copy of the Ordinance may be viewed online at https://www.stlouis-mo.gov/government/city-laws/ordinances/ordinance.cfm?%20ord=65597 or obtained from:

Dated: February 5, 2015

NOTICE TO ALL BIDDERS

CITY ORDINANCE requires that any individual or company who performs work within the City limits must obtain a Business License. This would also apply to businesses who employ sales or delivery personnel to come into the City. Contracts requiring work to be performed in the City will **NOT** be awarded to unlicensed businesses.

ST. LOUIS LIVING WAGE ORDINANCE

LIVING WAGE REQUIREMENTS

Bidders [Proponents] are hereby advised that the St. Louis Living Wage Ordinance #65597 and associated Regulations apply to the service [concession] [lease] [City Financial Assistance] for which [bids] [proposals] are being sought herein. This Ordinance requires that, unless specific exemptions apply, all individuals who perform work pursuant to a contract executed between the successful [bidder] [proponent] and the City [Agency] must be paid a minimum of the applicable Living Wage rates set forth in the attached Living Wage Bulletin, and, if the rates are adjusted during the term of the contract pursuant to the Ordinance, applicable rates after such adjustment is made. Each bidder [proponent] must submit the attached "Living Wage Acknowledgment and Acceptance Declaration" with the bid [proposal]. Failure to submit this Declaration with the bid [proposal] will result in rejection of the bid [proposal]. A successful bidder's [proponent's] failure to comply with contract provisions related to the Living Wage Ordinance may result in termination of the contract and the imposition of additio-nal penalties as set forth in the Ordinance and Regulations.

Copies of the Ordinance and Regulations are available upon request from Rachel Shklar, at (314) 426-8106, or can be accessed at http://www.mwdbe.org/living wage.

Local Preference

ORDINANCE #69431
Board Bill No. 295
Committee Substitute As Amended

An Ordinance repealing Section One, part 86.040 of Ordinance 56716, pertaining to the opening of bids, codified as Section 5.58.040 of the Revised Code of the City of St. Louis, and enacting a new provision on the same subject matter which allows a local bidder to match the lowest bid when the lowest bid is from a non-local bidder; enacting a new provision on the same subject matter; containing severability clause.

WHEREAS, local businesses which seek to enter into contracts with the City of St. Louis are at a competitive disadvantage with businesses from other areas because of the higher administrative costs of doing business in the City;

WHEREAS, the City of St. Louis desires to encourage businesses to remain in the City and to relocate to the City;

WHEREAS, by enacting a local preference law that allows a local firm to match the lowest bid when its bid is within 2% percent of the lowest bid, the City hopes to encourage and stimulate local business.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section One, part 86.040, Ordinance 56716 is hereby repealed.

SECTION TWO. Enacted in lieu thereof is the following new section.

5.58.040 - Opening of bids.

Confidential
2020-01-16 14:01:53:000

A. Proposals shall be opened at the time and place fixed by the advertisement, in the presence of such bidders as desire to be present, and shall be open to the inspection of bidders.

B. The bids shall not be materially modified or amended as to price, specification or otherwise, nor substitutions placed thereon, after opening except when the lowest bid is from a non-local bidder. When the lowest bid is from a non-local bidder, any local bidder within two percent of the lowest bid may match the lowest bid. If a local bidder matches the lowest bid, then the Supply Commissioner may select the bid from the local bidder. If more than one local bidder is within two percent of the lowest bid, then only the lowest local bidder may match the bid. In all other circumstances, modification, supplementation or amendment shall cause rejection of the bid. For purposes of this chapter, local bidder means a bidder whose principal place of business is within the City of St. Louis, has had a valid business license for at least one year, and is current in payment of local taxes.

Principal place of business shall be defined as the business's physical office, plant, or site where a majority (51%) of the full-time employees, chief officer, and managers of the business regularly work and conduct business, or where the plant or office and equipment required for the furnishing of the goods or performance of the services provided to the City, as required by the contract, are physically located in the City of St. Louis for at least one taxable year immediately prior to the date of the bid.

C. Bids may be for one or more or all the articles advertised for, but there shall be a specific bid on each article. The award may be made to the lowest bidder for any article, or to the lowest bidder for the entire requisition or any part thereof, but the Board of Standardization may reject any or all bids or any part of any bid.

SECTION THREE. Severability.

The provisions of this section are severable. If any provision of this ordinance is declared invalid, that invalidity shall not affect other provisions of the ordinance which can be given effect without the invalid provision.

Approved: April 29, 2013

The right to reject any and all bids is reserved.

WHEREAS, the City is authorized and empowered under the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, inclusive, of the Revised Statutes of Missouri, as amended (the "TIF Act"), to issue bonds, notes or other obligations for the purpose of providing funds to finance the costs of certain redevelopment projects and to pay certain costs related to the issuance of such bonds, notes or other obligations; and

WHEREAS, pursuant to Ordinance No. 69389, the Board of Aldermen approved and adopted a plan for redevelopment titled the "St. Louis Innovation District Tax Increment Financing (TIF) Redevelopment Plan" dated October 15, 2012, and revised as of December 4, 2012, and January 11, 2013 (the "Original Redevelopment Plan"), for an area consisting of City Blocks 3971.13, 3970, 3968.13, 4589, 3904, 3917, 3966.13, 3967.13, 3962, 3961, 4586, 3918.04, 3919.04, 3953, 3960 and 3959, which area is more fully described in said Ordinance (the "Redevelopment Area" or "Area"); and

WHEREAS, pursuant to Ordinance No. 69390, the Board of Aldermen authorized execution of a Redevelopment Agreement (the "Original Redevelopment Agreement") between the City and St. Louis Innovation District, LLC (the "Developer"); and

WHEREAS, the Original Redevelopment Agreement was executed by the City and the Developer, effective as of October 21, 2013; and

WHEREAS, pursuant to Ordinance No. 69524, the Board of Aldermen authorized execution of a First Amendment to Redevelopment Agreement (the "First Amendment") between the City and the Developer; and

WHEREAS, the First Amendment was executed by the City and the Developer, effective as of October 21, 2013; and

WHEREAS, pursuant to Ordinance No. 69722, the Board of Aldermen authorized execution of a Second Amendment to Redevelopment Agreement (the "Second Amendment") between the City and the Developer; and

WHEREAS, the Second Amendment was executed by the City and the Developer, effective as of July 24, 2014; and

WHEREAS, pursuant to Ordinance No. 69913, the Board of Aldermen authorized execution of a Third Amendment to Redevelopment Agreement (the "Third Amendment"; collectively, the Original Redevelopment, the First Amendment, the Second Amendment and the Third Amendment are referred to hereafter as the "Existing Redevelopment Agreement") between the City and the Developer; and

WHEREAS, the Third Amendment was executed by the City and the Developer, effective as of March 13, 2015; and

WHEREAS, pursuant to Ordinance No. _____, the Board of Aldermen authorized execution of an Amended and Restated Redevelopment Agreement between the City and Developer (the "Redevelopment Agreement") amending and restating the Existing Redevelopment Agreement in its entirety; and

WHEREAS, pursuant to Ordinance No. 69523, the Board of Aldermen approved a revision to the Original Redevelopment Plan in the form of the "St. Louis Innovation District Tax Increment Financing (TIF) Redevelopment Plan" last revised June 6, 2013 (the "Prior Redevelopment Plan"); and

WHEREAS, pursuant to Ordinance No. _____, the Board of Aldermen approved and adopted an Amended and Restated St. Louis Innovation District Tax Increment Financing (TIF) Redevelopment Plan amending and restating the Prior Redevelopment Plan (the "Redevelopment Plan");

WHEREAS, the Redevelopment Plan proposes to redevelop the Redevelopment Area through the rehabilitation and redevelopment of all or a portion of the Redevelopment Area into commercial, residential, retail, and related space, together with related improvements, as set forth in the Redevelopment Plan; and

WHEREAS, pursuant to the TIF Act, the Board of Aldermen adopted Ordinance No. 69721 on March 14, 2014, which Ordinance, among other things, (I) approved the RPA 5 Redevelopment Project, as described in the Redevelopment Plan (the "RPA 5 Redevelopment Project"), (ii) adopted tax increment financing within RPA 5 (as such area is described in the Redevelopment Plan) and (iii) established the "RPA 5 Account" of the "St. Louis Innovation District Special Allocation Fund"; and

WHEREAS, pursuant to Ordinance No. 69525, the City and UMB Bank, N.A., as trustee, have authorized a Trust Indenture (the "Original Indenture") pursuant to which the City is authorized to issue its (a) Tax Increment Revenue Notes (St. Louis Innovation District) in an aggregate principal amount not to exceed $167,000,000, plus Issuance Costs (as defined in the Original Indenture); and (b) (I) Not to Exceed $11,400,000 aggregate principal amount, plus Issuance Costs, of Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(I) Project) Series 2014, (ii) Not to Exceed $13,500,000 aggregate principal amount, plus Issuance Costs of Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(II) Project) Series 2014A, (iii) Not to Exceed $1,900,000 aggregate principal amount, plus Issuance Costs, of Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(II) Project) Series 2014B, (iv) Not to Exceed $6,600,000 aggregate principal amount, plus Issuance Costs, of Subordinate Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(II) Project) Series 2014C, and (v) Not to Exceed $25,000,000 aggregate principal amount, plus Issuance Costs, of Tax Increment Revenue Notes (St. Louis Innovation District/Area-wide Projects) Series 2014A/B, as evidence of the City's obligation to pay certain Reimbursable Redevelopment Project Costs (as defined in the Original Indenture) incurred in furtherance of the Redevelopment Plan and the Redevelopment Projects (the "Redevelopment Projects" as defined in the Redevelopment Plan and the Redevelopment Agreement and any applicable parcel development agreement);

WHEREAS, pursuant to Ordinance No. 69723, the City and UMB Bank, N.A., as trustee, have authorized a Supplemental Trust Indenture (the "Supplemental Indenture") pursuant to which the City is authorized to issue its Tax Increment Revenue Notes (St. Louis Innovation District/RPA 7 Project) Series A and B in an aggregate principal amount not to exceed $37,100,000 plus Issuance Costs (as defined in the Existing Indenture), as evidence of the City's obligation to pay certain Reimbursable Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the RPA 7 Redevelopment Project;

WHEREAS, pursuant to Ordinance No. 69913, the City and UMB Bank, N.A., as trustee, have authorized a Second Supplemental Trust Indenture (the "Second Supplemental Indenture") pursuant to which the City is authorized to enter into certain agreements described therein to enable the Developer to carry out its proposal for completion of the SSTIF Projects and facilitate the issuance of SSTIF Obligations by the IDA in connection with the SSTIF Projects (all as defined therein);

WHEREAS, pursuant to Ordinance No. _____, the Board of Aldermen approved a Third Supplemental Trust Indenture (the "Third Supplemental Indenture"; collectively with the Original Indenture, the Supplemental Indenture, and the Second Supplemental Indenture, the "Existing Indenture") pursuant to which the boundary line between RPA 1A(I) and RPA 4 is adjusted and certain additional revenues are pledged pursuant to the Existing Indenture;

WHEREAS, it is hereby found and determined that it is necessary and advisable and in the best interest of the City and of its inhabitants that the City (a) authorize and direct the issuance of its Tax Increment Revenue Notes (St. Louis Innovation District/RPA 5 Project) Series A and B (collectively, the "RPA 5 Notes") in an aggregate principal amount not to exceed $12,200,000, plus Issuance Costs, as evidence of the City's obligation to pay certain Reimbursable Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the RPA 5 Redevelopment Project; (b) authorize and direct the Mayor and the Comptroller to execute and deliver a Fourth Supplemental Trust Indenture in substantially the form of **Exhibit A** hereto (the "Fourth Supplemental Indenture" which, together with the Existing Indenture, is referred to herein as the "Indenture") providing the terms of issuance of the RPA 5 Notes; and (c) designate UMB Bank, N.A., as trustee (the "Trustee") for the RPA 5 Notes; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

Section 1. Definitions. Capitalized terms used herein and not otherwise defined in this Ordinance or the preambles hereto shall have the meanings ascribed to such terms in the Indenture.

Service@stltoday.com 2020 01 26 14:07:00 000

Section 2. Findings and Determinations. The Board of Aldermen hereby finds and determines that it is necessary and in the best interests of the City:

(a) to authorize the issuance of the RPA 5 Notes to fund certain Reimbursable Redevelopment Project Costs for the RPA 5 Redevelopment Project;

(b) to authorize and direct the issuance of the RPA 5 Notes pursuant to the terms of the Indenture;

(c) to authorize and direct the Mayor and Comptroller to enter into the Fourth Supplemental Indenture;

(d) to designate the Trustee for the RPA 5 Notes; and

(e) to take certain other actions as herein provided.

Section 3. Authority and Direction to Issue the RPA 5 Notes. The City hereby authorizes and directs the issuance of the RPA 5 Series Notes in an aggregate principal amount not to exceed $12,200,000, plus Issuance Costs, for the purposes set forth in Section 2 hereof. The terms and provisions of the RPA 5 Notes shall be as provided in the Existing Indenture, as supplemented by the Fourth Supplemental Indenture.

Section 4. Special, Limited Obligations. The RPA 5 Notes and the interest thereon shall be special, limited obligations of the City payable solely from the Pledged Revenues and other moneys pledged thereto and held by the Trustee as provided in the Indenture, and shall be secured by a transfer, pledge, and assignment of and a grant of a security interest in the Trust Estate to the Trustee and in favor of the Owners of the RPA 5 Notes, as provided in the Indenture. The RPA 5 Notes and the interest thereon shall not constitute a debt of the City, the State, or any political subdivision thereof, and shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

Section 5. Private Sale. The Board of Aldermen of the City hereby declares that it is in the City's best interest to sell the RPA 5 Notes at private sale because a public sale of the RPA 5 Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 6. Authority and Direction to Execute and Deliver Documents. The Board of Aldermen hereby approves, and the Mayor and Comptroller of the City are hereby authorized and directed to execute and deliver, on behalf of the City, the Fourth Supplemental Indenture, in substantially the form attached hereto as **Exhibit A**, and the RPA 5 Notes, and the City Register is hereby authorized and directed to attest to the Fourth Supplemental Indenture and the RPA 5 Notes and to affix the seal of the City thereto. The Fourth Supplemental Indenture shall be in substantially the form attached, with such changes therein as shall be approved by said Mayor and Comptroller executing the same and as may be consistent with the intent of this Ordinance and necessary and appropriate in order to carry out the matters herein authorized.

Section 7. Designation of Trustee and Paying Agent and Registrar. The City hereby ratifies, approves and consents to the designation of UMB Bank, N.A., as Trustee, Paying Agent, and Registrar under the Indenture.

Section 8. Pursuant to Amendment #1 to the SSTIF Certificate (as defined in Ordinance No. 69913), which amendment is dated July 16, 2015, the amount of financing available pursuant thereto was increased to $17,500,000 according to the terms and conditions thereof. Therefore, Section Three of Ordinance No. 69913 is deleted and replaced with the following:

> **SECTION THREE.** The Board of Aldermen hereby further finds and determines that it is necessary and advisable and in the best interest of the City and its inhabitants to approve the issuance by the IDA of SSTIF Obligations in a principal amount not to exceed $17,500,000, bearing interest at a market rate or rates consistent with the terms of Section 108.170, RSMo, as amended from time to time, and with a final maturity as allowed by the terms of the TIF Act.

Section 9. Further Authority. The Mayor and the Comptroller or their designated representatives, with the advice and concurrence of the City Counselor and after approval by the Board of Estimate and Apportionment, are hereby further authorized and directed to make any changes to the documents, agreements, and instruments approved and authorized by this Ordinance as may be consistent with the intent of this Ordinance and necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such changes by the Mayor and the Comptroller or their designated representatives.

Section 10. Severability. It is hereby declared to be the intention of the Board of Aldermen that each and every part,

section, and subsection of this Ordinance shall be separate and severable from each and every other part, section, and subsection hereof and that the Board of Aldermen intends to adopt each said part, section, and subsection separately and independently of any other part, section and subsection. In the event that any part, section, or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections, and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

Section 11. Governing Law. This Ordinance shall be governed exclusively by and construed in accordance with the applicable laws of the State of Missouri.

Section 12. Effective Date. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto.

Section 13. Superseding of Inconsistent Provisions. The provisions of this Ordinance hereby amend any provision of any ordinance of the City inconsistent with the terms hereof, but only to the extent of such inconsistency.

NOW, THEREFORE, THIS FOURTH SUPPLEMENTAL INDENTURE WITNESSETH, the City does hereby agree and covenant with the Trustee as follows:

ARTICLE I
DEFINITIONS; RULES OF CONSTRUCTION

Section 101. Definitions of Words and Terms. Capitalized terms not defined herein (including in the Recitals hereto) shall have the meanings assigned to such terms in the Original Indenture.

Section 102. Amendment of Section 101 of Original Indenture. Section 101 of the Original Indenture is hereby amended by the addition or amendment of the following definitions:

"*Approving Ordinance*" means, as to any Redevelopment Project Area, the ordinance(s) of the City's Board of Aldermen pursuant to which the City approves Redevelopment Project(s) and adopts tax increment financing for a Redevelopment Project Area, and (a) as to Redevelopment Project Area 1A(I) and Redevelopment Project Area 1B, means Ordinance No. 69389, under which among other things the City approved Redevelopment Projects for Redevelopment Project Area 1A(I) and Redevelopment Project Area 1B and adopted tax increment financing within Redevelopment Project Area 1A(I) and Redevelopment Project Area 1B; (b) as to Redevelopment Project Area 1A(II), means Ordinance No. 69390, under which among other things the City approved

Redevelopment Projects for Redevelopment Project Area 1A(II) and adopted tax increment financing for Redevelopment Project Area 1A(II); and (c) as to Redevelopment Project Areas 5 and 7, means Ordinance 69721, under which among other things the City approved a Redevelopment Project for Redevelopment Project Areas 5 and 7 and adopted tax increment financing for Redevelopment Project Areas 5 and 7, respectively.

"Annual City Fee" means the Annual Comptroller Fee together with the Annual SLDC Fee (both as defined in the Redevelopment Agreement (as defined below)). As of the date of this Fourth Supplemental Indenture, the Annual Comptroller Fee equals $85,000 and the Annual SLDC Fee equals $10,000 for RPA 1A(I), RPA 1A(II), RPA 1B, RPA 5, and RPA 7. The Annual City Fee shall be paid pro rata from the accounts in the Special Allocation Fund corresponding to each Redevelopment Project Area listed above, in accordance with the Redevelopment Agreement. The Annual City Fee and the pro rata payment shall be adjusted in accordance with the Redevelopment Agreement.

"Fourth Supplemental Indenture" means this Fourth Supplemental Trust Indenture dated as of _____, by and between the City and the Trustee.

"Indenture" means the Original Indenture, as amended and supplemented by the Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture and this Fourth Supplemental Indenture, as the same may be further amended and supplemented from time to time in accordance with the provisions of **Article X** of the Original Indenture.

"Interest Rate" means a fixed rate per annum determined by the City's municipal advisor on a date that is not less than ten (10) and not more than sixty (60) Business Days prior to the scheduled closing date for issuance of the applicable series of Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield for general obligation bonds rated "AAA" that mature in the same year as the applicable series of Notes, plus (i) four (4.0%) if the interest on such Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation, or (ii) two percent (2%) if the interest on such Note, in the opinion of Bond Counsel, is exempt from Federal income taxation; provided, in no event shall the Interest Rate on the Notes exceed ten percent (10%) per annum.

"Note Ordinance _____" means Ordinance No. _____ authorizing the City to execute and deliver this Fourth Supplemental Indenture for the purpose of issuing and securing the RPA 5 Notes.

"Original Indenture" means the Trust Indenture dated as of August 1, 2014, by and between the City and the Trustee.

"Pledged Revenues" means, (a) with respect to the RPA 5 Notes, all moneys held in (i) the RPA 5 PILOTs Sub-Account of the RPA 5 Account of the Revenue Fund and in the RPA 5 EATs Sub-Account of the RPA 5 Account of the Revenue Fund, together with investment earnings thereon, and (ii) the RPA 5 Principal & Interest Sub-Account of the RPA 5 Account of the Debt Service Fund and the RPA 5 Redemption Sub-Account of the RPA 5 Account of the Debt Service Fund, together with investment earnings thereon.

"Redevelopment Agreement" means that certain Amended and Restated Redevelopment Agreement dated as of February ___, 2017, by and between the City and the Developer, as the same may be further modified, amended, or supplemented from time to time pursuant to the terms thereof.

"Redevelopment Project Area 5" or *"RPA 5"* shall have the meaning set forth for such terms in the Redevelopment Plan.

"Redevelopment Project Notes" means the Notes issued pursuant to this Indenture in an aggregate principal amount which, together with the Area-wide Notes, does not exceed $167,000,000, plus Issuance Costs, the proceeds of which are used to fund the Redevelopment Project Costs of any Redevelopment Project Area. The term "Redevelopment Project Notes" includes all those Notes recited hereinabove.

"RPA 5 Authorized Project" shall have the meaning assigned to such term in the RPA 5 Parcel Development Agreement.

ARTICLE II
THE RPA 5 NOTES

Section 201. Authorization, Issuance, and Terms of RPA 5 Notes.

(a) ***Authorized Amounts.***

(1) RPA 5 Notes. The City is authorized pursuant to the Indenture, including particularly Section 205 thereof, and the RPA 5 Ordinances to issue the RPA 5 Notes, which are entitled to the benefit, protection, and security of the Indenture, in an aggregate principal amount not to exceed Twelve Million Two Hundred Thousand and 00/100 Dollars ($12,200,000), plus Issuance Costs.

(b) ***Title of Notes.***

(1) The RPA 5 Notes authorized to be issued under this Supplemental Indenture shall be designated the "Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 5, Series 201___."

(c) ***Form of Notes.*** The RPA 5 Notes shall be substantially in the form set forth in **Exhibit B** attached hereto, with such appropriate variations, omissions, and insertions as are permitted or required by this Fourth Supplemental Indenture, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

(d) ***Purpose of Notes.*** The RPA 5 Notes shall be issued to finance certain costs relating to the RPA 5 Authorized Project, subject to the Redevelopment Agreement and the RPA 5 Parcel Development Agreement, and to pay certain Issuance Costs relating thereto, all as authorized under the Note Ordinance and the RPA 5 Ordinances.

(e) ***Interest on Notes.*** The RPA 5 Notes shall bear interest at the Interest Rate, which interest, together with principal, shall be payable semiannually on each Interest Payment Date. The interest on the RPA 5 Notes shall be includable in gross income of the owners thereof for purposes of federal income taxation.

Section 202. Conditions Precedent to Issuance of RPA 5 Notes.

(a) Prior to or simultaneously with the authentication and delivery of any RPA 5 Notes by the Trustee, there shall be filed with the Trustee the following:

(1) A copy, certified by the City Clerk of the City, of the RPA 5 Ordinances.

(2) A certified copy of the Original Indenture, the Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, and this Fourth Supplemental Indenture.

(3) An executed counterpart of the RPA 5 Parcel Development Agreement.

(4) Evidence of the City's acceptance of one or more Certificates of Reimbursable Redevelopment Project Costs to be financed with the proceeds of the applicable series of the RPA 5 Notes.

(5) A copy of the Redevelopment Agreement, certified by the City Clerk.

(6) Authorization or evidence of payment of Issuance Costs.

(7) An opinion of Bond Counsel to the effect that the RPA 5 Notes constitute valid and legally binding limited obligations of the City and, if applicable, that (i) the interest on such Notes is excludable from gross income of the owners thereof for federal income tax purposes, and (ii) the issuance of such Notes will not result in the interest on any Tax Exempt Notes then Outstanding to become subject to federal income taxes then in effect.

(8) An opinion of Bond Counsel to the effect that the applicable series of such Notes then being issued are exempt from registration under the Securities Act of 1933, as amended.

(9) A request and authorization to the Trustee on behalf of the City, executed by an Authorized City Representative, to authenticate such series of such Notes to or upon the order of the purchasers thereof upon payment, for the account of the City, of the purchase price therefor. The Trustee shall be entitled to rely conclusively upon such request and authorization as to the names of the purchasers and the amount of the purchase prices.

(10) A certificate of the City (i) stating that no Event of Default under the Indenture or the Redevelopment Agreement has occurred and is continuing, which, with the giving of notice or the passage of time or both, would constitute an Event of Default, or if an Event of Default has occurred, in the reasonable judgment of the City, such Event of Default has no material impact on such Notes then proposed to be issued hereunder, and (ii) stating the purpose or purposes for which such series of Notes are being issued.

(11) A certificate of the Developer (i) stating that no Event of Default under the RPA 5 Parcel Development Agreement has occurred and is continuing, which, with the giving of notice or the passage of time or both, would constitute an Event of Default, and (ii) stating the purpose or purposes for which such series of Notes are being issued.

(12) A copy of the Redevelopment Plan, certified by the City Clerk of the City.

(13) A certificate signed by the Authorized City Representative stating that the requirements of Section 9D of the Redevelopment Agreement have been satisfied, other than 9D(iii) thereof if no financing was utilized in the construction of the Redevelopment Project or applicable portion thereof.

(14) A Certificate of Substantial Completion in substantially the form of **Exhibit G** to the applicable Parcel Development Agreement, which has been accepted by the Developer, the City and SLDC pursuant to Section 2D of the applicable Parcel Development Agreement.

(15) Evidence of the approval by the City Board of Estimate and Apportionment of the applicable Parcel Development Agreement pursuant to Section 4E(ii) of the Redevelopment Agreement.

(16) Such other certificates, statements, opinions, receipts, and documents as the City or the Trustee shall reasonably require for the delivery of such Notes.

(b) After the documents mentioned in paragraph (a) of this Section shall have been filed with the Trustee, such series of Notes shall be authenticated by the Trustee and held pursuant to Section 201(h) of the Original Indenture (unless directed otherwise by the Owner thereof), and the Trustee shall thereafter endorse such Notes pursuant to Section 203(b) of the Original Indenture upon payment of the purchase prices thereof (which payment shall be deemed to have occurred under the circumstances described in Section 405 of the Original Indenture) endorsed by the Trustee on **Schedule A** to such Notes in an amount equal to such payment.

ARTICLE III
REDEMPTION OF NOTES

Section 301. Redemption of Notes.

(a) ***Special Mandatory Redemption.***

(1) The RPA 5 Notes are subject to special mandatory redemption in whole or in part, by the City on each Interest Payment Date at a redemption price equal to one hundred percent (100%) of the amount of principal being redeemed, in an amount equal to the amount on deposit in the RPA 5 Redemption Sub-Account of the RPA 5 Account of the Debt Service Fund forty (40) days prior to such Interest Payment Date or, if such date is not a Business Day, the immediately preceding Business Day, and which will not be required for the payment of interest on such date.

(b) ***Optional Redemption.***

(1) The RPA 5 Notes are subject to optional redemption by the City, at the direction of the Authorized Developer Representative and with the prior written consent of one hundred percent (100%) of the Owners of the RPA 5 Notes (which consent may be withheld in the sole and absolute discretion of such Owners), in whole or in part at any time at a redemption price of one hundred percent (100%) of the principal amount of the RPA 5 Notes to be redeemed, plus accrued interest thereon to the date fixed for redemption; provided that no optional redemption shall occur in any calendar year with respect to the RPA 5 Notes until the special mandatory redemption, if any, for such Notes pursuant to **Section 301(a)** hereof has occurred on the most recent Interest Payment Date.

ARTICLE IV
FUNDS AND REVENUES

Section 401. Special Allocation Fund.

(a) The following separate accounts and sub-accounts of the Special Allocation Fund are hereby established within the treasury of the City pursuant to the Approving Ordinance and the Indenture:

(1) a RPA 5 Account, and within it:

(i) a PILOTs Sub-Account,

(ii) an EATs Sub-Account, and

The RPA 5 Account and the sub-accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the TIF Act, the Note Ordinance, the Approving Ordinance, and the RPA 5 Ordinances, so long as any RPA 5 Notes are Outstanding.

Section 402. Creation of Funds and Accounts. The following funds of the City are hereby created and established with the Trustee:

(a) Within the Revenue Fund, the following accounts and sub-accounts:

(1) a RPA 5 Account, and within it:

(i) a RPA 5 PILOTs Sub-Account, and

(ii) a RPA 5 EATs Sub-Account;

(b) Within the Debt Service Fund, the following accounts and sub-accounts:

(1) a RPA 5 Account, and within it:

(i) a RPA 5 Principal & Interest Sub-Account, and

(ii) a RPA 5 Redemption Sub-Account;

(c) Within the Project Fund, a RPA 5 Project Account.

Section 403. Project Fund.

(a) Upon the acceptance by the City of any Certificate of Reimbursable Redevelopment Project Costs, the acceptance by the City of a Certificate of Substantial Completion, and the issuance or endorsement of any RPA 5 Note pursuant to this Fourth Supplemental Indenture, the Developer or Sub-Developer, as the case may be, shall be deemed to have advanced funds necessary to purchase the applicable Notes and the City shall be deemed to have deposited such funds into the applicable Project Account of the Project Fund for such series of Notes and shall be deemed to have reimbursed the Developer or Sub-Developer in full for such costs from the amounts deemed to be on deposit therein.

(b) In making payments and disbursements pursuant to this Section, the Trustee may conclusively rely upon the written requests and accompanying certificates and statements. The Trustee is not required to make any independent investigation in connection with the matters set forth in the written requests. The approval of each disbursement request by an Authorized City Representative shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payment of the specified amounts from the applicable Project Account of the Project Fund have been satisfied.

ARTICLE V
PARTICULAR COVENANTS AND PROVISIONS

Section 501. City to Issue Notes and Execute Fourth Supplemental Indenture. The City covenants that it is duly authorized under the laws of the State to execute and deliver this Fourth Supplemental Indenture, to issue the Notes contemplated herein, and to pledge and assign the Trust Estate in the manner and to the extent set forth in the Indenture; that all action on its part for the execution and delivery of this Fourth Supplemental Indenture and the issuance of the Notes has been duly and effectively taken; and that the Notes in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the City according to the import thereof.

Section 502. Covenant to Request Appropriations. The City covenants and agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals is hereby directed to include in the budget proposal submitted to the Board of Aldermen of the City for each Fiscal Year that the Notes are Outstanding a request for an appropriation of the Available Revenues for transfer to the Trustee for deposit in the Revenue Fund at the times and in the manner provided in Section 403(a) of the Original Indenture.

Section 503. Performance of Covenants. The City covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Fourth Supplemental Indenture, in the Notes and in all proceedings pertaining thereto.

ARTICLE VI
MISCELLANEOUS PROVISIONS

Section 601. Authority for Supplemental Indenture. This Fourth Supplemental Indenture is authorized pursuant to the provisions of and in accordance with **Article X** of the Original Indenture. Unless modified or amended by the terms of this Fourth Supplemental Indenture, all other provisions of the Indenture remain in full force and effect. All other terms and provisions of the Indenture are hereby ratified and confirmed. The City and the Trustee hereby acknowledge and agree that the execution and delivery of this Fourth Supplemental Indenture will not result in a breach of any of the terms of, or constitute a default under, the Indenture.

The City and Trustee hereby further acknowledge and agree that to the best of their knowledge as of the date hereof, no event exists, which, with the passing of time or the giving of notice, or both, would constitute an Event of Default under the Indenture.

Section 602. Ratification of Indenture. Except as otherwise provided in this Fourth Supplemental Indenture, the provisions of the Indenture are hereby ratified, approved, confirmed, and incorporated herein and shall be applicable to the authorization, execution, authentication, issuance, redemption, payment, sale, and delivery of the RPA 5 Notes, the custody and the distribution of the proceeds and the security, payment, redemption, and enforcement of payment thereof.

Section 603. Severability. If any provision of this Fourth Supplemental Indenture is held or deemed to be invalid, inoperative, or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses, or Sections in this Fourth Supplemental Indenture contained shall not affect the remaining portions of this Indenture, or any part thereof.

Section 604. Execution in Counterparts; Electronic Transmission. This Fourth Supplemental Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The Trustee, the Developer, and the City agree that the transactions described herein may be conducted and related documents may be received or stored by electronic means. Copies, telecopies, facsimiles, electronic files, and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action, or suit in the appropriate court of law.

Section 605. Governing Law. This Fourth Supplemental Indenture shall be governed exclusively by and construed in accordance with the applicable laws of the State without reference to its conflict of laws principles.

PRINCIPAL AMOUNT: **See SCHEDULE A attached hereto.**

THE CITY OF ST. LOUIS, MISSOURI, a constitutional charter city and political subdivision duly organized and existing under its charter and the constitution and laws of the State of Missouri (the "*City*"), for value received, hereby promises to pay to the registered owner shown above, or registered assigns, the Principal Amount shown from time to time on **Schedule A** attached hereto on the Maturity Date shown above unless called for redemption prior to the Maturity Date, and to pay simple interest thereon from the effective date of registration shown from time to time on **Schedule A** attached hereto or from the most recent Interest Payment Date (as defined herein) to which interest has been paid or duly provided for at the Interest Rate shown above. Interest on the Notes is computed for the actual number of days elapsed on the basis of a 360 day year consisting of twelve 30-day months. Interest shall be payable commencing on the April 1 or October 1 (each an "*Interest Payment Date*") first following the issuance of this Note and on each Interest Payment Date thereafter until the earlier of the Maturity Date or the date on which this Note is paid in full.

Except as otherwise provided herein, the capitalized terms herein shall have the meanings as provided in the Indenture (as hereinafter defined).

WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HEREON HAS BEEN PAID IN FULL, THE OBLIGATIONS OF THE CITY WITH RESPECT TO THIS NOTE TERMINATE ON THE EARLIER OF MARCH 13, 2037 OR DISSOLUTION OF THE SPECIAL ALLOCATION FUND FOR REDEVELOPMENT PROJECT AREA 5 AND TERMINATION OF THE DESIGNATION OF REDEVELOPMENT PROJECT AREA 5 AS A REDEVELOPMENT PROJECT AREA PURSUANT TO A JUDGMENT BY ANY COURT OF COMPETENT JURISDICTION FOLLOWING EXPIRATION OR EXHAUSTION OF ALL RIGHTS OF APPEAL. REFERENCE IS MADE TO THE INDENTURE FOR A COMPLETE DESCRIPTION OF THE CITY'S OBLIGATIONS HEREUNDER.

The principal of this Note shall be paid at maturity or upon earlier redemption to the person in whose name this Note is registered at the maturity or redemption date hereof, upon presentation and surrender of this Note at the payment office of UMB Bank, N.A., St. Louis, Missouri (the "*Trustee*"). The interest payable on this Note on any Interest Payment Date shall be paid to the person in whose name this Note is registered on the Register at the close of business on the fifteenth (15th) day (whether or not a Business Day) of the calendar month next preceding such Interest Payment Date (the "*Record Date*"). Such interest shall be payable (i) by check or draft of the Trustee mailed to the person in whose name this Note is registered on the Note Register as of the commencement of business of the Trustee on the Record Date for such Interest Payment Date, or (ii) by electronic transfer to such Owner upon written notice to the Trustee from such Owner containing the electronic transfer instructions including the bank (which shall be in the continental United States), ABA routing number and account number to which such Owner wishes to have such transfer directed. Except as otherwise provided in the Indenture, no principal on the Notes is payable unless the Owner thereof has surrendered such Notes at the payment office of the Trustee or such other office as the Trustee may designate. The principal or redemption price of and interest on the Notes shall be payable by check or draft in any coin or currency that, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

This Note is one of an authorized series of fully registered notes of the City and is designated "The City of St. Louis, Missouri, Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 5 Project) Series 201___" issued in an aggregate principal amount not to exceed $12,200,000 ([plus Issuance Costs) (the "*RPA 5 Series 201___ Notes*"). The RPA 5 Series 201___ Notes are being issued for the purpose of paying a portion of the redevelopment project costs in connection with the Amended and Restated St. Louis Innovation District Tax Increment Financing (TIF) Redevelopment Plan, as amended, under the authority of and in full compliance with the constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865, inclusive, of the Revised Statutes of Missouri, as amended (the "TIF Act"), and pursuant to a Trust Indenture dated as of August 1, 2014, between the City and the Trustee, as amended by that Fourth Supplemental Indenture dated as of _____, _____ as the same may be amended from time to time pursuant to the terms thereof (the "*Indenture*").

Also authorized to be issued pursuant to the Indenture are:

(a) fully registered notes of the City designated "The City of St. Louis, Missouri Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(I) Project), Series 2014, in the principal amount of $11,400,000 (the *"RPA 1A(I) Series 2014 Notes"*)(b) fully registered notes of the City designated "The City of St. Louis, Missouri, Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(II) Project) Series 2014A" in the principal amount of $13,500,000 (the "*Escrow Notes*"),

(b) fully registered notes of the City designated "The City of St. Louis, Missouri, Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(II) Project) Series 2014B" in an aggregate principal amount not to exceed $1,900,000, plus Issuance Costs (the *"RPA 1A(II) Series 2014B Notes"*),

(c) fully registered notes of the City designated "The City of St. Louis, Missouri, Subordinate Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 1A(II) Project) Series 2014C" in an aggregate principal amount not to exceed $6,600,000, plus Issuance Costs (the *"RPA 1A(II) Subordinate Series 2014C Notes"*),

(d) fully registered notes of the City designated "The City of St. Louis, Missouri, Taxable Tax Increment Revenue Notes (St. Louis Innovation District/Area-wide Projects) Series 2014" in an aggregate principal amount not to exceed $25,000,000, plus Issuance Costs (the *"Area-wide Series 2014 Notes"*),

(e) fully registered notes of the City designated "The City of St. Louis, Missouri, Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 7 Project) Series 2015A" in an aggregate principal amount not to exceed $32,000,000, plus Issuance Costs (the *"RPA 7 Series 2015A Notes"*), and

(f) fully registered notes of the City designated "The City of St. Louis, Missouri, Taxable Tax Increment Revenue Notes (St. Louis Innovation District/RPA 7 Project) Series 2015B" in an aggregate principal amount not to exceed $37,100,000 less the RPA 7 Series 2015A Notes, plus Issuance Costs (the *"RPA 7 Series 2015B Notes"*).

This Note shall not constitute a debt or liability of the City, the State of Missouri, or any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction. None of the City, the Tax Increment Financing Commission of the City of St. Louis, Missouri, the Commissioners of said Commission, the officers and employees of the City, or any person executing this Note shall be personally liable for such obligations by reason of the issuance thereof.

This Note and the interest thereon shall be a special, limited obligation of the City payable solely from the applicable Pledged Revenues (defined below) and other moneys pledged thereto and held by the Trustee as provided in the Indenture, and are secured by a transfer, pledge, and assignment of and a grant of a security interest in the Trust Estate to the Trustee and in favor of the Owner of this Note, as provided in the Indenture.

As used herein, the following term has the meaning assigned below:

"Pledged Revenues" means all moneys held by the Trustee in (a) the PILOTs Sub-Account of the RPA 5 Account of the Revenue Fund and the EATs Sub-Account of the RPA 5 Account of the Revenue Fund, together with investment earnings thereon, and (b) the Principal and Interest Sub-Account and the Redemption Sub-Account of the RPA 5 Account of the Debt Service Fund, together with investment earnings thereon, less amounts disbursed from such Sub-Accounts to pay arbitrage rebates (if any), City fees and expenses related to arbitrage rebate calculations (if any), Trustee and/or Paying Agent fees and expenses and extraordinary City fees and expenses (if any), as provided below.

Transfers to Revenue Fund. Pursuant to the Indenture, on or before 12:00 noon on the fifteenth (15th) day of each February, May, August and November while this Note, any related Cross Notes (as defined in the Indenture), or any Area-wide Series 2014 Note remains Outstanding, the City shall, subject to annual appropriation and after deductions to fund the Annual City Fee, transfer to the Trustee for deposit into the EATs Sub-Account of the RPA 5 Account of the Revenue Fund all Economic Activity Tax Revenues then on deposit in the EATs Sub-Account of the RPA 5 Account in the Special Allocation Fund. Pursuant to the Indenture, on or before 12:00 noon on the fifteenth (15th) day of each February, May, August and November while this Note, any related Cross Notes, or any Area-wide Series 2014 Note remains Outstanding, the City shall, after deductions to fund the Annual City Fee, transfer to the Trustee for deposit into the PILOTs Sub-Account of the RPA 5 Account of the Revenue Fund all Payments in Lieu of Taxes then on deposit in the PILOTs Sub-Account of the RPA 5 Account in the Special Allocation Fund.

Transfers from Revenue Fund. On each Interest Payment Date (or, if such date is not a Business Day, the immediately preceding Business Day), all amounts which, according to the Trustee's records, were on deposit in the corresponding RPA 5 Account of the Revenue Fund on the fortieth (40th) day prior to such Interest Payment Date, shall be disbursed by the Trustee, drawing first from the EATs Sub-Account and second from the PILOTs Sub-Account of the RPA 5 Account of the Revenue Fund, for the purposes and in the amounts as provided for in Section 403(b)(1) of the Indenture.

Redemption Provisions.

This Note is not subject to mandatory sinking fund redemption.

This Note is subject to special mandatory redemption, in whole or in part, by the City on each Interest Payment Date at a redemption price equal to one hundred percent (100%) of the amount of principal being redeemed, in an amount based on the amount which is on deposit in the Redemption Sub-Account of the RPA 5 Account of the Debt Service Fund forty (40) days prior to such Interest Payment Date or, if such date is not a Business Day, the immediately preceding Business Day and which will not

be required for the payment of interest on such date, all as further set forth in the Indenture.

This Note is subject to optional redemption by the City, at the direction of the Developer, in whole or in part at any time at a redemption price of one hundred percent (100%) of the principal amount of this Note to be redeemed, plus accrued interest thereon to the date fixed for redemption, all as further set forth in the Indenture; provided that no funds in the Special Allocation Fund shall be used for optional redemption of this Note.

Unless waived by any Owner of Notes to be redeemed, official notice of any optional redemption of this Note shall be given by the Trustee on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the Owner of the Note or Notes to be redeemed at the address shown on the Register; provided, however, that failure to give such notice by mailing as aforesaid to any Owner or any defect therein as to any particular Note shall not affect the validity of any proceedings for the redemption of this Note. Notice of redemption having been given as aforesaid, and provided that moneys or Government Securities are on deposit with the Trustee to effect the required redemption, the Notes or the portions of the principal amount of Notes thus called for redemption shall cease to bear interest on the specified redemption date, provided moneys sufficient for the payment of the redemption price are on deposit at the place of payment at the time, and shall no longer be entitled to the protection, benefit or security of the Indenture and shall not be deemed to be Outstanding under the provisions thereof. Notice shall be deemed waived if the Owner of the applicable Note is the Developer, a Sub-Developer or The Industrial Development Authority of the City of St. Louis, Missouri.

This Note shall be issuable as a fully registered Note in an Authorized Denomination.

This Note shall be redeemed only in Authorized Denominations. When less than all of the Outstanding Note is to be redeemed and paid prior to maturity, portions of the Note to be redeemed shall be selected in Authorized Denominations by the Trustee in such equitable manner as it may determine.

This Note may be transferred or exchanged, as provided in the Indenture, only upon the Register, upon surrender of this Note together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or the registered owner's duly authorized agent. EXCEPT AS OTHERWISE PROVIDED IN THE INDENTURE, THE OWNER HEREOF EXPRESSLY AGREES, BY SUCH OWNER'S ACCEPTANCE HEREOF, THAT THE RIGHT TO TRANSFER, ASSIGN, OR NEGOTIATE THIS NOTE SHALL BE LIMITED TO TRANSFER, ASSIGNMENT, OR NEGOTIATION TO (A) THE DEVELOPER, A SUB-DEVELOPER OR A RELATED ENTITY OF EITHER A DEVELOPER OR SUB-DEVELOPER, (B) SLLC REAL ESTATE, LLC, (C) THE INDUSTRIAL DEVELOPMENT AUTHORITY OF THE CITY OF ST. LOUIS, MISSOURI, (D) AN "ACCREDITED INVESTOR" UNDER RULE 501(A) OF REGULATION D PROMULGATED UNDER THE SECURITIES ACT OF 1933, (E) A "QUALIFIED INSTITUTIONAL BUYER" UNDER RULE 144A PROMULGATED UNDER THE SECURITIES ACT OF 1933, OR (F) ANY GENERAL BUSINESS CORPORATION OR ENTERPRISE WITH TOTAL ASSETS IN EXCESS OF $50,000,000. Accordingly, this Note will be transferable only upon prior delivery to the Trustee of a letter in substantially the form attached to the Indenture as **Exhibit E**, signed by the transferee, showing that such transferee satisfies such requirements; provided, that for any transfer or assignment to The Industrial Development Authority of the City of St. Louis, Missouri, such letter shall not be required. After the Trustee receives the foregoing statement, a new Note of the same maturity and in the same principal amount outstanding as the Note which was presented for transfer or exchange shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City and the Trustee shall at all times deem and treat the person in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

This Note shall not be valid or binding on the City or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon has been executed by the Trustee.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions, and things required to exist, happen, and be performed precedent to and in the issuance of this Note have existed, happened and been performed in due time, form, and manner as required by law.

[The remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, THE CITY OF ST. LOUIS, MISSOURI has executed this Note by causing it to be signed by the manual or facsimile signature of its Mayor and Comptroller and attested by the manual or facsimile signature of its City Register, and its official seal to be affixed or imprinted hereon, and this Note to be dated as of the effective date of registration as shown on **Schedule A** attached hereto.

ORDINANCE #70531
Board Bill No. 291

An ordinance recommended by the Board of Estimate and Apportionment amending Ordinance no. 55390, approved August 16, 1969, as amended by Ordinance No. 55522, approved February 18, 1970, as amended by Ordinance No. 56178, approved June 21, 1972, as amended by Ordinance No. 56912, approved March 6, 1975, as amended by Ordinance No. 62515, approved February 21, 1992, as amended by Ordinance No. 65669, approved October 24, 2002, as amended by Ordinance No. 66772, approved July 18, 2005, and as amended by Ordinance No. 68380, approved June 16, 2009, pertaining to the entertainment license tax as codified in chapter 8.08 of the revised code of the City of St. Louis (the "Code") by adding a new paragraph to section one of said Ordinance No. 55390, as amended, creating a new subclass of taxpayers and fixing a tax rate for such subclass of taxpayers; and containing a severability clause.

WHEREAS, there continue to exist, in the City of St. Louis (the "City"), areas of economic instability, areas of economic decline and areas which suffer from a lack of continued economic investment and development; and

WHEREAS, the City has the authority to determine and to make a finding of those areas in the City which constitute blighted or insanitary areas as defined in Section 99.320 of the Revised Statutes of Missouri, as amended; and

WHEREAS, new development, investment and expansion in the City will serve to stabilize blighted areas, insanitary areas, or areas otherwise in economic decline in the City, and will significantly benefit the City by increasing and providing new revenues by the creation of new jobs, new and increased sales, increased property tax values, additional or increased payroll and earnings taxes, and enhanced tourism; and

WHEREAS, in order to ensure the stability and expansion of the City's economy, the City wishes to create and provide an incentive to stimulate, promote and attract economic development and tourism in the City by tying new economic development or expansion in the City to tax relief; and

WHEREAS, the Entertainment License Tax, as codified in Chapter 8.08 of the Code, is a narrowly applied tax applicable to person or persons, partnerships of whatever form, or corporations in the business of admitting persons or groups upon payment of an admission charge to a pleasure ride or cruise, wrestling match, show or exhibition, boxing match, show or exhibition, sporting event, including but not restricted to baseball, football, rugby, soccer, hockey, basketball, rodeo, and other like entertainment presentation; and

WHEREAS, pursuant to Chapter 8.08 of the Code, the two professional sporting franchises located within the City are currently paying a tax rate of zero percent (0%) on gross receipts charged for admission to such professional sporting events; and

WHEREAS, in order to stimulate, attract and promote stabilization of the local economy, growth, expansion and development of local businesses, and increased tourism, the City is prepared to provide a tax rate incentive in connection with the substantial investment in the planning, constructing, operating, and maintaining of the Stadium Facility (as hereinafter defined), and the subject matter of a redevelopment plan approved by the City by ordinance and redevelopment agreement approved by the Land Clearance for Redevelopment Authority of the City of St. Louis (the "LCRA"), that is consistent with the tax rate paid by the current professional sporting franchises located within the City; and

WHEREAS, the City recognizes that new construction or development of the Stadium Facility will serve to stabilize such blighted or insanitary areas, as well as other areas within the City in economic decline, and will significantly benefit the City by increasing and providing new revenues from the creation of new jobs, new and increased sales, increased property tax values, additional or increased payroll and earnings taxes, and enhanced tourism; and

WHEREAS, the City finds that it is in the best interests of the City and its residents and its inhabitants to provide a tax rate incentive for the construction and development of the Stadium Facility consistent with the tax rate currently paid by the two professional sporting franchises located within the City in order to promote, encourage, and attract new development and tourism in the City;

NOW THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. The Board of Aldermen hereby adopts the foregoing recitals as findings.

SECTION TWO. Ordinance No. 55390, approved August 16, 1969, as amended by Ordinance No. 55522, approved February 18, 1970, as amended by Ordinance No. 56178, approved June 21, 1972, as amended by Ordinance No. 56912, approved March 6, 1975, as amended by Ordinance No. 62515, approved February 21, 1992, as amended by Ordinance No. 65669, approved October 24, 2002, as amended by Ordinance No. 66772, approved July 18, 2005, and as amended by Ordinance No. 68380, approved June 16, 2009, pertaining to the Entertainment License Tax as codified in Chapter 8.08 of the Code, is hereby amended by adding a new paragraph to the end of Section One of said Ordinance No. 55390, as amended, and as codified as Section 8.08.010 of said Code, creating a new subclass of taxpayers and fixing a tax rate for such subclass of taxpayers, to read as follows:

Any person or persons, partnership of whatever form, or corporation in the business of admitting persons or groups upon payment of an admission charge to a pleasure ride or cruise, wrestling match, show or exhibition, boxing match, show or exhibition, sporting event, including but not restricted to baseball, football, rugby, soccer, hockey, basketball, rodeo, and other like entertainment presentation, are taxed upon the amount of gross receipts derived from such admission charges at the rate of five percent of the gross receipts, payable on quarterly calendar intervals; where the business is conducted for a period of time less than the licensing period hereinafter, the same rate of tax shall be levied and the amount thereof shall be paid for the period of time the business has been conducted.

Notwithstanding the foregoing paragraph, any person or persons, partnership of whatever form, or corporation in the business of admitting persons or groups upon payment of an admission charge to a pleasure ride or cruise, wrestling match, show or exhibition, boxing match, show or exhibition, sporting event, including but not restricted to baseball, football, rugby, soccer, hockey, basketball, rodeo, and other like entertainment presentation, and who or which: (1) has been designated the developer or redeveloper or co-developer or co-redeveloper (a "Redeveloper") pursuant to a redevelopment plan approved by the City by ordinance and a redevelopment agreement ("Redevelopment Agreement") approved by the LCRA, for the construction or substantial rehabilitation of a new or redeveloped sports arena, sports stadium, field house, ballpark or other type of sports or recreation facility to be constructed or rehabilitated after the effective date of the ordinance codified in this section ("Recreation Facility") and for the development of a substantial mixed-use development adjacent to the Recreation Facility which may include, but is not limited to, housing, offices, museums, entertainment venues, retail stores, restaurants or other similar facilities, all of which such facilities, including the Recreation Facility, are or will be located within a blighted and/or insanitary area, as determined by the City by ordinance, or (2) is the primary tenant, occupant or operator of the Recreation Facility, or has been designated as such pursuant to the Redevelopment Agreement ("Tenant"), or (3) is an Affiliate (as hereinafter defined) of such Redeveloper or Tenant, shall be taxed upon the amount of gross receipts derived from such admission charges at such Recreation Facility during the term of the Redevelopment Agreement at the rate corresponding to the estimated total amount of Private Investment for the construction or rehabilitation of the Recreation Facility as set forth in the Redevelopment Agreement in accordance with the following tax rate schedule:

Amount of Estimated Private Investment in the Recreation Facility	Tax Rate
less than $50,000,000	5% of gross receipts
$50,000,000-$99,999,999	4% of gross receipts
$100,000,000-$199,999,999	2% of gross receipts
$200,000,000 and above	0% of gross receipts

The tax imposed pursuant to this paragraph shall be payable on quarterly calendar intervals. Upon expiration or termination of the Redevelopment Agreement, the Redeveloper, Affiliate or Tenant shall be subject to the same rate of tax as set forth in the preceding paragraph of this Section 8.08.010. For purposes of this section, "Private Investment" shall mean the total amount to be provided by the Redeveloper, Affiliate, Tenant or any other private party for the construction or rehabilitation of the Recreation Facility as calculated pursuant to the terms of the Redevelopment Agreement. For purposes of this section, "Affiliate" shall mean any corporation, partnership, sole proprietorship or other person or entity that directly or indirectly through one or more

intermediaries controls, is controlled by or is under common control with the Redeveloper.

Further, notwithstanding the foregoing paragraphs, any person or persons, partnership of whatever form, or corporation in the business of admitting persons or groups upon payment of an admission charge to a pleasure ride or cruise, wrestling match, show or exhibition, boxing match, show or exhibition, sporting event, including but not restricted to baseball, football, rugby, soccer, hockey, basketball, rodeo, and other like entertainment presentation, and who or which is an owner, primary tenant, occupant or operator, or Affiliate of a sports arena, sports stadium, field house, ballpark or other type of sports or recreation facility ("Contiguous Recreation Facility"), and such Contiguous Recreation Facility is contiguous to a historic theatre, opera house or concert hall ("Historic Entertainment Facility"), which is the subject matter of a redevelopment plan approved by the City by ordinance and a Redevelopment Agreement approved by the LCRA after the effective date of the ordinance codified in this section, for the historic rehabilitation of the Historic Entertainment Facility to be rehabilitated after the effective date of the ordinance codified in this section, shall be taxed upon the amount of gross receipts derived from such admission charges at the Contiguous Recreation Facility, during the time the Redevelopment Agreement with respect to the Historic Entertainment Facility is in effect, at the rate corresponding to the estimated total amount of Private Investment for the historic rehabilitation of the Historic Entertainment Facility as set forth in the Redevelopment Agreement of the Historic Entertainment Facility in accordance with the following tax rate schedule:

Amount of Estimated Private Investment in the Historic Entertainment Facility	**Tax Rate**
less than $50,000,000	5% of gross receipts
$50,000,000 and above	0% of gross receipts

The tax imposed pursuant to this paragraph shall be payable on quarterly calendar intervals. Upon expiration or termination of the Redevelopment Agreement of the Historic Entertainment Facility for any reason, the owner, primary tenant, occupant or operator, or Affiliate of the Contiguous Recreation Facility shall be subject to the same rate of tax as set forth in the first paragraph of this Section 8.08.010. For purposes of this paragraph, "Private Investment" shall mean the total amount to be provided by the owner, primary tenant, occupant or operator, or Affiliate, or any other private party for the construction or historic rehabilitation of the Historic Entertainment Facility as calculated pursuant to the terms of the Redevelopment Agreement for the Historic Entertainment Facility.

Further, notwithstanding the foregoing paragraphs, any person or persons, partnership of whatever form, or corporation in the business of admitting persons or groups upon payment of an admission charge to a pleasure ride or cruise, wrestling match, show or exhibition, boxing match, show or exhibition, sporting event, including but not restricted to baseball, football, rugby, soccer, hockey, basketball, rodeo, and other like entertainment presentation, and who or which is an owner, primary tenant, occupant or operator, or Affiliate of a multi-purpose stadium designed to host professional soccer and amateur sports, concerts, and community events ("Stadium Facility") and such Stadium Facility is the subject matter of a redevelopment plan approved by the City by ordinance and a Redevelopment Agreement approved by the LCRA after the effective date of this ordinance, shall be taxed upon the amount of gross receipts derived from such admission charges at the Stadium Facility during the time the Redeveloper of the Stadium Facility or any Affiliate is the owner, primary tenant, occupant or operator of the Stadium Facility, at the rate corresponding to the estimated total amount of Private Investment for the construction and development of the Stadium Facility as set forth in the Redevelopment Agreement of the Stadium Facility in accordance with the following tax rate schedule:

Amount of Estimated Private Investment in the Stadium Facility:	**Tax Rate:**
Less than $50,000,000	5% of gross receipts
$50,000,000 and above	0% of gross receipts

The tax imposed pursuant to this paragraph shall be payable on quarterly calendar intervals. Upon the expiration of any lease, following and including any renewal terms, for the Stadium Facility or in the event the Redeveloper of the Stadium Facility or Affiliate, for any reason, is no longer the owner, primary tenant, occupant or operator of the Stadium Facility, then any subsequent owner, primary tenant, occupant or operator of the Stadium Facility shall be subject to the same rate of tax as set forth in the first paragraph of this Section 8.08.010. For purposes of this paragraph, "Private Investment" shall mean the total amount to be provided by the owner, primary tenant, occupant or operator, or Affiliate, or any other private party for the construction or development of the Stadium Facility as calculated pursuant to the terms of the Redevelopment Agreement for the Stadium Facility.

SECTION THREE. It is hereby declared to be the intention of the Board of Aldermen that each and every part, section and subsection of this Ordinance shall be separate and severable from each and every other part, section and subsection hereof and

that the Board of Aldermen intends to adopt each said part, section and subsection separately and independently of any other part, section and subsection. In the event that any part, section or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

ORDINANCE #70532
Board Bill No. 306

An amendment to Ordinance 69984 (which established the Civilian Oversight Board in the City of St. Louis), extending the number of days that the St. Louis Civilian Oversight Board has to review complaints and make recommendations by amending Section Six of said ordinance 69984; and containing a severability clause.

WHEREAS, pursuant to Board Rule 54, the proposed amendments to Ordinance 69984 are set out in the body of this bill, with additions marked in **boldface** and deletions marked with [~~**brackets and boldface strikethrough**~~].

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section Six of Ordinance 69984, approved June 6, 2015, is hereby revised to read as follows:

SECTION SIX. Inspection Procedures

1. Complaint Intake and Sharing: The COB and the Police Department shall create a joint civilian complaint form that shall be readily available to the general public at all Police Department facilities that have areas open to the public, the office of the Department of Public Safety, and all other locations that are recommended by the COB and approved by the Director of Public Safety. A complaint shall be properly completed and submitted only if it is signed by the complainant. If the complainant submits the complaint form to the COB, the COB shall forward the complaint to the IAD within two (2) business days after receiving it. If the complainant submits the complaint form to the Police Department, the Police Department shall forward the complaint to the COB within two (2) business days after receiving it.

2. Investigation of Complaints: All complaints received by the COB or the Police Department shall be investigated by IAD according to the protocols for IAD Investigation. IAD shall not refuse to investigate any such complaint.

3. COB Criteria for Inspection: The COB shall establish criteria to determine which complaints warrant various levels of Inspection, including such factors as seriousness of complaint and identification of patterns of misconduct. The COB will not investigate employment-related complaints against fellow officers or superiors.

4. Mediation: At any time during the process, the COB or IAD may recommend to the complainant, the Police Department member(s) who is/are the subject of the complaint, and the Commissioner that a complaint be mediated. If the complainant, the Police Department member(s) who is/are the subject of the complaint, and the Commissioner agree to mediation, the COB process shall cease and, if the complaint is resolved through mediation, the complaint shall be classified as having been resolved through mediation. Any resolution through mediation must be agreed to by the complainant, the Police Department member(s) who is/are the subject of the complaint, and the Commissioner. If a resolution is not reached through mediation, the COB process shall be re-activated.

5. Monitoring: The COB may Monitor the IAD Investigation by attending IAD interviews of witnesses and obtaining copies of all recordings, documents and/or other evidence as the IAD Investigation proceeds as provided for in this ordinance and in a manner that is consistent with the Charter, and the rules and regulations of the Department of Personnel, the Sunshine Law, and the privacy rights of employees. The COB may, by a majority vote of its members voting at a meeting where a quorum is present, designate one of its members and/or a staff person to attend IAD's interviews of civilian witnesses; the member so designated may attend IAD interviews of civilian witnesses. The COB may not attend IAD's interviews with Police Department employees. COB members shall not interfere with the investigation, delay the investigation beyond normal coordination of schedules or as outlined in this ordinance, or in any way interfere with or act contrary to the Charter of the City of St. Louis. The COB member present for the interview may not ask questions during the interview, but may provide IAD with suggested questions for the interview before an interview begins or during designated breaks during the interviews. During such interviews, the COB member may make reasonable requests to IAD for breaks during the interviews, but may not do so in a manner that interferes with the interviews. The Police Department shall coordinate scheduling of interviews and access to evidence with the COB when a notification to monitor

IAD Investigations is made by the COB.

6. Recording: All interviews conducted by IAD or the COB as part of their Investigations or Inspections shall be audio and video recorded in entirety.

7. *Extensions for the IAD Investigation:* Within ninety (90) days of receiving a complaint, IAD shall complete its investigation unless the Commissioner, for good cause, authorizes additional time for IAD to complete its investigation. If the Commissioner authorizes additional time, the Commissioner shall notify the COB that additional time has been authorized. The Commissioner may not extend the time for investigation by more than one hundred twenty (120) days unless either: (a) there are extraordinary circumstances that require an extension; (b) a criminal charge arising from the subject matter of the complaint is pending against the officer; or (c) the United States Attorney, the Circuit Attorney, or other federal or state law enforcement requests that the investigation be extended or not be completed at that time. If any of these circumstances are present, the Commissioner must provide the Director of Public Safety and Chair of the COB an explanation for the delay.

8. Completing the IAD Investigation and Forwarding Information: Upon completion of its investigation, IAD shall submit its findings and recommendation to the Commissioner pursuant to the Police Manual. Within a reasonable time, the Commissioner shall forward the investigative file to the COB. The investigative file the Commissioner forwards to COB shall include the IAD's findings, recommendation, and all recordings and documents from its investigation, to the extent permitted by law.

9. Independent COB Review: Upon receipt of IAD's findings and recommendations, the COB shall conduct an independent review of the findings, information, evidence and recommendations of IAD. In order to conduct its independent review, the COB may inspect any and all physical evidence gathered by, or in the custody of, IAD pertaining to the complaint and the investigation of such complaint. Upon request, IAD shall permit the reasonable inspection of all such evidence by the COB.

10. COB Review: Within **[~~thirty (30)~~] sixty (60)** days after receiving IAD's findings and recommendations:

A. If a majority of the COB members, voting at a meeting where a quorum is present, agree with the IAD findings and recommendations, the COB shall notify the Commissioner and Public Safety Director in writing of its agreement.

B. If a majority of the COB members, voting at a meeting where a quorum is present, disagree with IAD's findings and recommendations, the COB shall notify the Commissioner and Public Safety Director in writing of its disagreement.

C. Request for Reconsideration: If a majority of the COB members, voting at a meeting where a quorum is present, determines that further investigation is warranted, the COB shall present any inquiries and suggestions to the Public Safety Director and may also request that the Public Safety Director direct the Commissioner to command the presence of designated members of IAD at any meeting of the COB during which an investigative review is conducted. Within **[~~thirty (30)~~] sixty (60) days** of receipt of receiving the requested information, the COB shall notify the Commissioner in writing that it either agrees or disagrees with IAD's findings and recommendations. If the COB disagrees with IAD's findings and recommendations, it may submit its own findings and recommendations to the Commissioner or vote to conduct an Independent Inquiry.

D. Independent Inquiry: If the COB finds, by an affirmative vote of at least five of its members, that IAD failed to investigate a Complaint, failed to properly notify and involve the COB pursuant to this Ordinance, failed to follow its own protocols in conducting the investigation, or failed to provide the COB with findings and information as required by this Ordinance, the COB may conduct an Independent Inquiry. Within ninety (90) days of voting to conduct an Independent Inquiry, the COB shall report its findings and recommendations to the Commissioner.

11. COB Findings and Recommendations: The COB shall determine, by majority vote of its members at a meeting where a quorum is present and based on a preponderance of the evidence, final findings and recommendations. The COB may, in its internal operating procedures, provide an opportunity for the complainant, the subject of the complaint, or the Commissioner, to ask the COB to reconsider its findings before they are finalized. The COB's final findings and recommendations shall be forwarded in writing to the Commissioner and the Director of Public Safety.

12. Suspension of Inspection: If grand jury or litigation proceedings are initiated against the subject officer and the IAD Investigation is suspended for similar reasons, COB Inspection of any complaint shall be suspended. Records relating to criminal proceedings shall not be made available to the COB unless they are otherwise public records.

13. Maintaining Files: The COB shall maintain its files for each Inspection for a period of ten (10) years or as required by the Sunshine Law, whichever period is longer.

14. Officer-Involved Shootings. In the event of any officer-involved shooting that results in the fatality of a civilian:

A. The Director of Public Safety shall inform, as soon as practical, the COB members and the COB Executive Director that the officer-involved shooting occurred. The COB members and staff shall not interfere with any investigation into the officer-involved shooting.

B. The Commissioner shall provide the COB with copies of IAD's findings, recommendation, and investigative file only after the Force Investigative Unit and the Deadly Force Review Board have completed their analyses and provided their final reports to the Commissioner.

C. The Director of Public Safety shall request that the Attorney General of the State of Missouri oversee or conduct the IAD investigation concerning the incident. If the Attorney General agrees to do so under reasonable terms, the Attorney General's investigation shall be treated as the IAD investigation for purposes of this Ordinance and the COB's role as described in this Ordinance shall continue as if the IAD investigation was overseen or conducted by IAD rather than by the Attorney General.

SECTION TWO. Severability Clause. The provisions of this ordinance shall be severable. In the event that any provision of this ordinance is found by a court of competent jurisdiction to be unconstitutional, the remaining provisions of this ordinance are valid unless the court finds the valid provisions of this ordinance are so essentially and inseparably connected with, and so dependent upon, the void provision that it cannot be presumed that the Board of Aldermen would have enacted the valid provisions without the void ones or unless the Court finds that the valid provisions, standing alone, are incomplete and incapable of being executed in accordance with the legislative intent.

ORDINANCE #70536
Board Bill No. 260
As Amended

An ordinance recommended by the Board of Estimate and Apportionment, authorizing a supplemental appropriation; amending Ordinance #70272, commonly referred to as the budget ordinance for Fiscal Year 2016-17; appropriating and setting apart revenues to address the expenditure required and set forth herein for the current fiscal year, in the amount of $95,000, to be apportioned to the Division of Corrections for the purpose of establishing a charity bail fund pilot program to assist certain non-violent defendants in posting bail as allowed by the Court, and to alleviate the cost of housing such persons, and to save public funds currently allocated for the incarceration of such persons, requiring the Commissioner of the Division of Corrections with certain duties in the process of selecting a service provider in association with expending such charity bail fund, and containing an Emergency Clause.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Declaration of Policy and Appropriation

The proper operation of municipal government requires that public funds be expended soberly and responsibly and to promote good fiscal decisions and the general welfare of its citizens. In recognition of these goals, there is hereby established a charity bail fund pilot program to assist certain non-violent defendants in the Division of Correction system post bail as required by the Court, to allow the Division of Corrections to save the expenditure of taxpayer funds to incarcerate non-violent offenders who meet certain qualifications, and to prevent defendants from debilitating issues like the loss of employment and housing while incarcerated for no other reason than lacking funds which would allow their release.

Therefore, pursuant to the recommendation of the Board of Estimate and Apportionment, there is hereby appropriated a supplemental appropriation amending ordinance #70272 to add a budget item in the amount of $95,000 to apportion funds to the Division of Corrections to establish a Charity Bail Fund to be held by the Comptroller's Office and to be administered by a service provider to be selected by the Commissioner of the Division of Corrections as required by the laws of the City of St. Louis, which Charity Bail Fund will provide and make available bail funds for certain nonviolent defendants as allowed by law subject to guidelines to be developed by the Commissioner of the Division of Corrections.

SECTION TWO. Charity Bail Fund Established.

The Comptroller is authorized and directed to establish a fund to be designated as the Charity Bail Fund for the purposes stated herein.

SECTION THREE. Duties of the Commissioner of the Division of Corrections.

a. The Commissioner of the Division of Corrections is charged with initiating the selection process for selecting a service provider to use monies allocated in the Charity Bail Fund to assist certain non-violent offenders in posting bail as allowed by the Court, and hereby authorized and instructed to enter into such Agreement with such service provider. Any such selection will be conducted in compliance with the laws of the City of St. Louis.

b. The Commissioner of the Division of Corrections will ensure that any service provider selected will comply with 374.695 to 374.789 RSMo.

c. The Commissioner of the Division of Corrections will ensure that any service provider selected will be a non-profit corporation and recognized and organized as such under the laws of the State of Missouri.

d. The Commissioner of the Division of Corrections will ensure that any service provider selected will assist defendants that meet certain qualifications, which must include, but shall not be limited to: financial/income criteria, criteria to verify non-violent status of charged offense or offenses of defendant, verification of no pending warrants or holds in other jurisdictions, and verification that defendants to benefit not be charged with domestic violence.

e. The Commissioner of the Division of Corrections will ensure that any service provider selected will have a contract ending no later than June 30, 2019 without approval by the Board of Aldermen. No

further monies can be allocated to the charity bail fund after June 30, 2019 without approval by the Board of Aldermen. No new contract can be signed to allocate monies to the charity bail fund after June 30, 2019 without approval by the Board of Aldermen.

f. The Commissioner of the Division of Corrections shall develop rules and regulations to administer the Charity Bail Fund. Such regulations shall be approved by the Public Safety Committee of the Board of Aldermen.

SECTION FOUR. Filing of Reports.

A report shall be provided to the Commissioner of the Division of Corrections of the City of St. Louis, the Board of Aldermen and the Office of the Comptroller detailing the use of funds provided by the Charity Bail Fund pilot program. This report will be provided no later than December 31, 2019, and include—but not be limited to—the following metrics:

1) Number and percent of individuals served (by race, age, gender, charge(s), and bail amount);

2) Number and percent of individuals who attended their court date;

3) Number and percent of individuals with new charges while awaiting court date;

4) Amount of money expended on bail;

5) Average bail amount;

6) Amount of bail returned to fund;

7) Amount of savings to the Division of Corrections.

SECTION FIVE. Emergency Clause.

This being an Ordinance necessary for the immediate preservation of public peace, health and safety, it is hereby declared to be an emergency measure within the meaning of Sections 19 and 20 of Article IV of the Charter of the City of St. Louis and therefore this Ordinance shall become effective immediately upon its passage and approval by the Mayor.

ORDINANCE #70538
Board Bill No. 299

An Ordinance recommended by the Board of Estimate and Apportionment authorizing and directing the issuance and delivery of not to exceed $20,000,000 plus issuance costs principal amount of tax increment revenue notes (Jefferson Arms Redevelopment Project) Series 20__-A/B, of The City of St. Louis, Missouri; prescribing the form and details of such notes and the covenants and agreements made by the City to facilitate and protect the payment thereof; prescribing other matters relating thereto, and containing a severability clause.

WHEREAS, The City of St. Louis, Missouri (the "City"), is a body corporate and political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri;

and

WHEREAS, the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865, Revised Statutes of Missouri, as amended (the "TIF Act" or "Act"), authorizes the City to undertake redevelopment projects within designated areas of the City; and

WHEREAS, staff and consultants of the City and Alterra Jefferson Arms, LLC, a Missouri limited liability company, prepared a plan for redevelopment titled "Jefferson Arms TIF Redevelopment Plan" dated December 16, 2016 (as may be amended from time to time, the "Redevelopment Plan"), for an area consisting of the parcel commonly known as Jefferson Arms located at 401-415 N. Tucker Boulevard (the "Redevelopment Area" or "Area"), which Redevelopment Area is more fully described in the Redevelopment Plan, such legal description being attached hereto and incorporated herein as **Exhibit A**; and

WHEREAS, on January 4, 2017, the TIF Commission found that completion of the Redevelopment Project (as hereinafter defined) would provide a substantial and significant public benefit through the elimination of blighting conditions, the strengthening of the employment and economic base of the City, increased property values and tax revenues, stabilization of the Redevelopment Area, facilitation of the economic stability of the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the Redevelopment Project is not financially feasible and would not otherwise be completed; and

WHEREAS, on _____, 2017, after due consideration of the TIF Commission's recommendations and approval by the Board of Aldermen, the Mayor signed: (1) Ordinance No. _____ (Board Bill No. ____), designating the Redevelopment Area as a "redevelopment area" as provided in the TIF Act, approving the Redevelopment Plan, and approving the redevelopment project described in the Redevelopment Plan (the "Redevelopment Project"), adopting tax increment allocation financing within the Redevelopment Area, and establishing the Jefferson Arms Special Allocation Fund; and (2) Ordinance No. _____ (Board Bill No. ____), authorizing the City to enter into a redevelopment agreement with Developer (as hereinafter defined); and

WHEREAS, pursuant to the Redevelopment Plan and Redevelopment Agreement, the City proposes to finance a portion of the costs of the Redevelopment Project by utilizing tax increment allocation financing in accordance with the TIF Act; and

WHEREAS, the City desires to issue, from time to time, its Tax Increment Revenue Notes (Jefferson Arms Redevelopment Project), Series 20__-A/B, (the "TIF Notes" or "Notes"), to provide funds for the aforesaid purpose, said Notes being payable solely from certain proceeds deposited into the Special Allocation Fund; and

WHEREAS, the City has determined that it is in the best interest of the City to sell the Notes from time to time at a private sale, without advertisement, to the Original Purchaser (as hereinafter defined) at a price equal to 100% of their face value; and

WHEREAS, it is hereby found and determined that it is necessary and advisable and in the best interest of the City and of its inhabitants that the Notes be issued and secured in the form and manner as hereinafter provided to carry out the Redevelopment Project.

ARTICLE II
AUTHORIZATION OF TIF NOTES

Section 2.1 Authorization of TIF Notes. There are hereby authorized and directed to be issued by the City to the Original Purchaser one or more series of the TIF Notes in an aggregate principal amount not to exceed $20,000,000 plus Issuance Costs. The TIF Notes shall be in substantially the form of **Exhibit B**, attached hereto and incorporated herein by reference.

Section 2.2 Description of TIF Notes.

(a) Title of TIF Notes. There may be issued one series of one or more Series A Notes in an aggregate principal amount not to exceed $20,000,000 plus Issuance Costs authorized hereunder and one series of one or more Series B Notes in an aggregate principal amount not to exceed $20,000,000 plus Issuance Costs less the aggregate principal amount of Series A Notes. The Series A Notes shall be designated "[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (Jefferson Arms Redevelopment Project), Series 20__-A". The Series B Notes shall be designated "[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (Jefferson Arms Redevelopment Project), Series 20__-B". The TIF Notes may have such further appropriate particular designation added to or incorporated in such title for the TIF Notes of any particular series as the City may determine.

(b) Form of TIF Notes. The TIF Notes shall be substantially in the form set forth in **Exhibit B**, attached hereto and incorporated herein by reference, with such appropriate variations, omissions and insertions as are permitted or required by this Ordinance, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules

and regulations of any governmental authority or any usage or requirement of law with respect thereto.

(c) Terms of TIF Notes. The TIF Notes shall mature (subject to redemption and payment prior to maturity as provided in Article III hereof), on the date that is twenty-three (23) years after the effective date of the Approving Ordinance, which is _____. Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

(d) Denominations. The TIF Notes shall be issuable as fully registered TIF Notes in Authorized Denominations.

(e) Numbering. Unless the City directs otherwise, each series of TIF Notes shall be numbered from R-1 upward.

(f) Dating. The TIF Notes shall be dated as provided in **Section 2.7**, as evidenced by the Finance Officer's signature on Schedule A to each TIF Note.

(g) Evidence of Principal Payments. The payment of principal of the TIF Notes on each Payment Date shall be noted on the TIF Notes on Schedule A thereto. The original Schedule A to the TIF Note shall be held by the Finance Officer in trust, unless otherwise directed in writing by the Owners thereof. If such Schedule A is held by the Finance Officer, the Finance Officer shall, on each Payment Date, send a revised copy of Schedule A via facsimile to the Owner. Absent manifest error, the amounts shown on Schedule A held by the Finance Officer shall be conclusive evidence of the principal amount paid on the TIF Notes.

(h) Sale of TIF Notes. When TIF Notes have been executed and authenticated as required by this Ordinance, the Finance Officer shall hold the TIF Notes in trust or, if directed in writing by the Owners thereof, deliver the TIF Notes to or upon the order of the Owners thereof, as provided in paragraph (g) above, but only upon payment to the City of a purchase price equal to one hundred percent (100%) of the face amount of the TIF Notes, which payment shall be deemed to have occurred under the circumstances described in **Section 4.5** of this Ordinance.

Section 2.3 Finance Officer to Serve as Paying Agent and Registrar. The Finance Officer or the authorized representative thereof is hereby designated as the paying agent ("Paying Agent") for the payment of principal of and interest on the TIF Notes and the bond registrar with respect to the registration, transfer and exchange of the TIF Notes and for allocating and holding funds as provided herein.

Section 2.4 Security for TIF Notes. The Series A Notes shall be equally and ratably secured by Available Revenues. The Series B Notes shall be equally and ratably secured by the Available Revenues on a subordinate basis to the Series A Notes. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. TIF Notes may be issued in two series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Section 2.5 Method and Place of Payment of TIF Notes. The principal of and interest on the TIF Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. Payment shall be made by the Finance Officer as provided in this Note Ordinance and as set forth in **Exhibit B**. Principal and interest shall be payable by check or draft at the office of the Finance Officer or by wire transfer to the person in whose name such TIF Note is registered on the Register on each Payment Date.

Section 2.6 Registration, Transfer and Assignment. So long as the TIF Notes remain outstanding, the City shall

cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

The TIF Notes and beneficial interest therein may only be purchased by an Original Purchaser and transferred or assigned to the Developer, a Related Entity, a Qualified Institutional Buyer or Project Lender upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such Original Purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the Original Purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in the form of fully registered Notes without coupons in minimum denominations of One Thousand Dollars ($1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination, subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

Section 2.7 Execution, Authentication and Delivery of the TIF Notes. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A** of **Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; (v) receipt of such other documentation as the City shall reasonably require of Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement; (vi) the completion of Section 4.3 of the Redevelopment Agreement; and (vii) the determination of the size of the TIF Notes.

Upon the Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the Issuance Date of such TIF Note. Thereupon, pursuant to Section 2.2(h), the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon

the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

ARTICLE III
REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note from within a Series shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

(a) the redemption date;

(b) the redemption price;

(c) if less than all outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;

(d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and

(e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV
FUNDS AND REVENUES

Section 4.1 Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate funds and accounts:

(a) PILOTS Account;

(b) an EATS Account;

(c) a Revenue Fund and, within it, (i) a PILOTS Account; (ii) an EATS Account, (iii) a CID Revenue Account; (iv) a TDD Revenue Account; and (v) a Hotel Revenue Account, into which all Available Revenues shall be deposited;

(d) a Debt Service Fund, and, within it, (i) a Series A Account; and (ii) a Series B Account; and

(e) a Debt Service Reserve Fund, if established on the Issuance Date; and

(f) a Project Fund.

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Revenue Fund.

(a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer and deposit:

(i) Those Available Revenues attributable to CID Revenues into the CID Revenue Account of the Revenue Fund;

(ii) Those Available Revenues attributable to TDD Revenues into the TDD Revenue Account of the Revenue Fund;

(iii) Those Available Revenues attributable to Hotel Revenues into the Hotel Revenue Account of the Revenue Fund;

(iv) Those Available Revenues attributable to PILOTS into the PILOTS Account of the Revenue Fund; and

(v) Those Available Revenues attributable to EATS into the EATS Account of the Revenue Fund.

(b) Available Revenues in the Revenue Fund shall be applied, first from the EATS Account, second from the PILOTS Account, third from the CID Revenue Account, fourth from the TDD Revenue Account, and fifth from the Hotel Revenue Account for the purposes and in the amounts as follows:

First, First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.16 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to

pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(c) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act and all amounts remaining on deposit in the CID Revenue Account of the Revenue Fund shall be paid to the CID for application in accordance with the CID Act, and all amounts remaining on deposit in the TDD Revenue Account of the Revenue Fund shall be paid to the TDD for application in accordance with the TDD Act.

Section 4.4 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.5 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 4.6 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest, by the Finance Officer on and the amount on deposit therein determined accordingly.

Notwithstanding any other provision of this Ordinance to the contrary, to the extent that any principal or interest on the TIF Obligations remain unpaid on the Maturity Date, any amounts remaining on deposit in the Debt Service Reserve Fund shall be used to retire pay and retire any such unpaid TIF Obligations.

After payment in full of the principal of, premium, if any, and interest on the Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 4.7 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured, special limited obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE V
REMEDIES

Section 5.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owner.

Section 5.2 Limitation on Rights of Owner. The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

Section 5.3 Remedies Cumulative. No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VI
DEPOSIT AND INVESTMENT OF MONEYS

Section 6.1 Deposits of Moneys. All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as

otherwise provided herein.

Section 6.2 Investment of Moneys. Moneys held in any fund or account referred to in this Ordinance shall be invested by the City as set forth in Section 95.530 Revised Statutes of Missouri, as amended. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account, except the Debt Service Reserve Fund as provided in **Section 4.6** herein.

ARTICLE VII
MISCELLANEOUS PROVISIONS

Section 7.1 Covenant to Request Appropriations. The City agrees that it shall comply with its Charter, Article XVI, Section 3 for each fiscal year of the City that the TIF Notes are outstanding and the City official(s) shall request an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 4.3** of this Ordinance.

Section 7.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the City Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

Section 7.3 Payments Due on Saturdays, Sundays and Holidays. In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day in the City, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

Section 7.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

Section 7.5 Execution of Documents; Further Authority. The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City's best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

Section 7.6 Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 7.7 Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with the applicable internal laws of the State of Missouri without reference to its conflict of law principles.

Section 7.8 Private Sale. The Board of Aldermen of the City hereby declares that it is in the City's best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 7.9 Termination. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; *provided that* if, within ninety (90) days after the effective date of the Ordinance, the Developer has not (i) executed the Redevelopment Agreement and (ii) paid all fees due to the City and the St. Louis Development Corporation in accordance with the terms of the Redevelopment Agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on the Developer shall terminate, *provided further*, however, that prior to any such termination, the Developer may seek an extension of time in which to execute the Redevelopment Agreement from the Board of Estimate and Apportionment, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment.

or redemption date hereof, upon presentation and surrender of this TIF Note at the payment office of the Finance Officer of the City or her authorized agent (the "Finance Officer"). The principal of and interest on the TIF Notes shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. The principal of or interest on this TIF Note shall be payable by check or draft or by wire transfer to the person in whose name this TIF Note is registered at the office of the Finance Officer to the Registered Owner on the Register on each Payment Date. Except as otherwise provided in Section 2.8 of the Note Ordinance with respect to mutilated, destroyed, lost or stolen TIF Notes, no principal on the TIF Notes is payable unless the Registered Owner thereof has surrendered such TIF Notes at the office of the Finance Officer.

This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Jefferson Arms Redevelopment Project), Series 20___-A/B," issued in an aggregate principal amount of not to exceed $20,000,000 plus Issuance Costs (the "TIF Notes" or "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri, as amended (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon are and shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all monies on deposit from time to time (including investment earnings thereon) in (a) the PILOTS Account; (b) subject to annual appropriation, the EATS Account that have been appropriated to the repayment of TIF Notes, (c) subject to annual appropriation, the CID Revenues, (d) subject to annual appropriation, the TDD Revenues, and (e) subject to annual appropriation, the Hotel Revenue Accounts, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The monies on deposit in the PILOTS Account of the Special Allocation Fund are those payments in lieu of taxes ("PILOTS"), as defined in Sections 99.805(11) and 99.845 of the Act) attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area (as described in Exhibit A to the Note Ordinance) and any applicable penalty and interest over and above the initial equalized assessed value (as provided for by Section 99.855 of the Act) of such unit of property in the Redevelopment Area, as allocated and paid to the City's Treasurer by the City's Collector of Revenue who shall deposit such PILOTS into the Special Allocation Fund while tax increment financing remains in effect.

The monies on deposit in the EATS Account of the Special Allocation Fund are those amounts subject to annual appropriation by the Board of Aldermen, equal to fifty percent (50%) of the total additional revenues from taxes, penalties and interest which are imposed by the City or other taxing districts (as that term is defined in Section 99.805(16) of the Act) and which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 2017 (subject to annual appropriation by the City as provided in the Act), while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, as amended, taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri, as amended, and taxes imposed on sales pursuant to subsection 2 of section 67.1712 of the Revised Statutes of Missouri, as amended, for the purpose of operating and maintaining a metropolitan park and recreation district, all in accordance with Section 99.845.3 of the Act, as may be amended from time to time, and any other tax, license or fee that may be excluded from tax increment financing by Missouri law. Notwithstanding the foregoing, EATS shall not include the operating levy for school purposes imposed by or any sales tax imposed by the Transitional School District of the City of St. Louis.

The monies on deposit in the TDD Revenue Fund of the Revenue Fund are all proceeds, subject to annual appropriation, after deduction for costs of collection and/or administration, from the imposition of the TDD Sales Tax which are not captured as EATs but are instead pledged by the TDD to the City for deposit in the TDD Revenue Fund of the Revenue Fund of the Special Allocation Fund for the repayment of Project Obligations (the "TDD Revenues").

The monies on deposit in the CID Revenue Fund of the Revenue Fund are all proceeds, subject to annual appropriation, after deduction for costs of collection and/or administration, from the imposition of the CID Sales Tax which are not captured as EATs but are instead pledged by the CID for a period of twenty (20) years from the date of such pledge to the City for deposit in the CID Revenue Fund of the Revenue Fund of the Special Allocation Fund for the repayment of Project Obligations (the "CID Revenues").

The monies on deposit in the Hotel Revenue Fund of the Revenue Fund are, subject to annual appropriation, an amount equal to fifty percent (50%) of all revenues received by the City from the following taxes enumerated below imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, which taxes do not constitute EATs and which shall be deposited in the Hotel Revenue Fund of the Revenue Fund of the Special Allocation Fund, in each case less the costs of collection thereof and excluding (i) any amount paid under protest until such protest is withdrawn or resolved against the taxpayer or (ii) any such amount received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum:

(a) the general municipal sales tax levied pursuant to Ordinance No. 62884, or any successor thereto;

(b) the general municipal sales tax levied pursuant to Ordinance No. 55497, as amended by Ordinance Nos. 57179 and 57979, or any successor thereto;

(c) the transportation sales tax levied pursuant to Ordinance No. 56553, or any successor thereto;

(d) the capital improvements sales tax levied pursuant to Ordinance No. 62885, or any successor thereto; and

(e) the parks and recreation sales tax levied pursuant to Ordinance No. 67195, or any successor thereto (the "Hotel Revenues").

The Series A TIF Notes shall be equally and ratably secured by Available Revenues. The Series B TIF Notes shall be equally and ratably secured by the Available Revenues on a subordinate basis to the Series A Notes. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Available Revenues shall be applied, first from the EATS Account, and second from the PILOTS Account, third from the CID Revenue Account, fourth from the TDD Revenue Account, and fifth from the Hotel Revenue Account, to payments on this TIF Note as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.16 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable.

Notwithstanding any other provision hereof to the contrary, to the extent that any principal or interest on the TIF Notes remains unpaid on the Maturity Date, any amounts remaining on deposit in the Debt Service Reserve Fund established pursuant to the Note Ordinance shall be used to retire pay and retire any such unpaid TIF Notes.

Upon the payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund (excluding the CID Revenue Account and the TDD Revenue Account) and the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act, and all amounts remaining on deposit in the CID Revenue Account of the Revenue Fund shall be paid to the CID for application in accordance with the CID Act, and all amounts remaining on deposit in the TDD Revenue Account of the Revenue Fund shall be paid to the TDD for application in accordance with the TDD Act.

The City covenants that it shall comply with the Charter of the City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Notes are outstanding and the City official(s) shall request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Notes.

NOTWITHSTANDING ANY PROVISION HEREIN OR IN THE NOTE ORDINANCE TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN SECTION 7.8 OF THE REDEVELOPMENT AGREEMENT.

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Available Revenues on deposit in the applicable accounts of the Special Allocation Fund and which are not required for the payment of accrued interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

TIF Notes shall be redeemed only in the principal amount of One Thousand Dollars ($1,000) or any integral multiple thereof. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes shall be

selected by the Finance Officer in One Thousand Dollar ($1,000) units of face value in such equitable manner as the Finance Officer may determine.

The TIF Notes are issuable in the form of fully registered Notes without coupons in minimum denominations of One Hundred Thousand Dollars ($100,000) or any integral multiple $1,000 in excess thereof, except with respect to the Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which Notes may be issued in any denomination, subject to the limitation on the aggregate Principal Amount.

This TIF Note may be transferred or exchanged as provided in the Note Ordinance only upon the Register, upon surrender of this TIF Note together with a written instrument of transfer satisfactory to the Finance Officer duly executed by the Registered Owner or the Registered Owner's duly authorized agent.

THE OWNER HEREOF EXPRESSLY AGREES, BY SUCH OWNER'S ACCEPTANCE HEREOF, THAT THE RIGHT TO PURCHASE, TRANSFER, ASSIGN OR NEGOTIATE THIS TIF NOTE SHALL BE LIMITED TO PURCHASE, TRANSFER, ASSIGNMENT OR NEGOTIATION TO THE DEVELOPER, A RELATED ENTITY A QUALIFIED INSTITUTIONAL BUYER OR PROJECT LENDER, AS SUCH TERMS ARE DEFINED IN THE NOTE ORDINANCE, AND UPON THE EXECUTION BY THE PROPOSED PURCHASER OR TRANSFEREE OF AN INVESTMENT LETTER IN SUBSTANTIALLY THE FORM OF EXHIBIT C TO THE NOTE ORDINANCE, SIGNED BY THE PROPOSED PURCHASER OR TRANSFEREE, SHOWING THAT THE PROPOSED PURCHASER OR TRANSFEREE IS AN APPROVED INVESTOR. "Approved Investor" is defined in the Note Ordinance, and includes, among others, (a) the Developer or a Related Entity, (b) an "accredited investor" under Rule 501(a) of Regulation D promulgated under the Securities Act of 1933, (c) a "qualified institutional buyer" under Rule 144A promulgated under the Securities Act of 1933 or (d) any general business company or enterprise with total assets in excess of $50,000,000.

Subject to the limitations of the preceding paragraph, upon surrender thereof at the office of the Finance Officer, the Finance Officer shall transfer or exchange any TIF Note for a new TIF Note of the same maturity and in the same principal amount as the outstanding principal amount of the TIF Note that was presented for transfer or exchange. Any TIF Note presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

This TIF Note shall not be valid or binding on the City or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon has been executed by the Finance Officer.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the TIF Notes have existed, happened and been performed in due time, form and manner as required by law.

Re: Not to Exceed $20,000,000 (plus Issuance Costs) City of St. Louis, Missouri, Tax Increment Revenue Notes, (Jefferson Arms Redevelopment Project), Series 20__-A/B

Ladies and Gentlemen:

This letter is to provide you with certain representations and agreements with respect to the purchase by the undersigned of not to exceed $20,000,000 (plus Issuance Costs) aggregate principal amount of Tax Increment Revenue Notes, (Jefferson Arms Redevelopment Project), Series 20__-A/B (the "TIF Notes"), issued by the City of St. Louis, Missouri (the "City"). The TIF Notes are secured in the manner set forth in Ordinance No. _____ Board Bill No. ____ of the City adopted on _____, 20___ (the "Note Ordinance"). The undersigned hereby represents to each of you and agrees with each of you, as follows:

1. The undersigned is an Approved Investor (as defined in the Note Ordinance) and has reviewed the Note Ordinance.

2. The undersigned acknowledges that neither the City nor its financial advisor has not made any representation or warranty concerning the accuracy or completeness of any information furnished in connection with the purchase by the undersigned of the TIF Notes. Accordingly, the undersigned has not relied upon the City or its financial advisor as to the accuracy or completeness of such information. As a sophisticated and/or investor, the undersigned has made its own decision to purchase the TIF Notes based solely upon its own inquiry and analysis.

3. The undersigned understands that (i) the TIF Notes do not constitute an indebtedness of the City or a loan or credit thereof within the meaning of any constitutional or statutory debt limitation or restriction, (ii) the TIF Notes are payable solely from and secured by a pledge of Available Revenues (as defined in the Note Ordinance) and (iii) the City's special, limited obligation with respect to the TIF Notes terminates on the first to occur of the full payment and discharge of the TIF Notes or the Maturity Date, whether or not the principal or interest has been paid in full.

4. The undersigned is familiar with and has counsel who are familiar with the federal and state legislation, rules, regulations and case law pertaining to the transfer and distribution of securities, including, but not limited to, disclosure obligations of the seller incident to any such transfer or distribution. The undersigned hereby covenants and agrees that the undersigned will not sell, offer for sale, pledge, transfer, convey, hypothecate, mortgage or dispose of the TIF Notes or any interest therein in violation of applicable federal or state law or in violation of restrictions on sale, assignment, negotiation or transfer of the TIF Notes as set forth in paragraph 6 below.

5. The undersigned is purchasing the TIF Notes for its own account for investment (and not on behalf of another) and, other than a contemplated pledge of the TIF Notes, has no present intention of reselling the TIF Notes or dividing its interest therein. Notwithstanding the foregoing, the undersigned has the right to sell, offer for sale, pledge, transfer, convey, hypothecate, mortgage or dispose of the TIF Notes at some future date determined by it, provided that such disposition is not in violation of restrictions on sale, assignment, negotiation or transfer of the TIF Notes as set forth in paragraph 6 below.

6. The undersigned acknowledges that the right to sell, assign, negotiate or otherwise transfer the TIF Notes shall

be limited to Approved Investors (as defined in the Note Ordinance).

7. The undersigned agrees to indemnify and hold you harmless from any and all claims, judgments, attorneys' fees and expenses of whatsoever nature, whether relating to litigation or otherwise, resulting from any attempted or affected sale, offer for sale, pledge, transfer, conveyance, hypothecation, mortgage or disposition of the TIF Notes in violation of this letter.

8. The undersigned has satisfied itself that the TIF Notes may be legally purchased by the undersigned.

Sincerely,

REDEVELOPMENT AGREEMENT

THIS REDEVELOPMENT AGREEMENT (this *"Agreement"*) is made and entered into as of this _____ day of _____, 2017, by and between **THE CITY OF ST. LOUIS, MISSOURI** (the *"City"*), a city and political subdivision duly incorporated and existing under its charter and the Constitution and laws of the State of Missouri, and **ALTERRA JEFFERSON ARMS, LLC** (the *"Developer"*), a limited liability company duly organized and existing under the laws of the State of Missouri. (All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in **Article I** of this Agreement.)

RECITALS

A. Pursuant to Ordinance No. 62477, adopted and approved on December 20, 1991, the Board of Aldermen duly formed the Tax Increment Financing Commission of the City of St. Louis, Missouri (the "TIF Commission"), in accordance with the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865 of the Revised Statutes of Missouri, as amended (the "TIF Act"), and empowered the TIF Commission to transact business and exercise its powers as authorized by the TIF Act.

B. Developer submitted its redevelopment proposal dated November 4, 2016 (as may be amended from time to time, the "Redevelopment Proposal") to the TIF Commission for redevelopment of the Redevelopment Area.

C. The City published a notice on _____, 2016 and _____, 2016 in the St. Louis Daily Record, a newspaper of general circulation within the City, soliciting additional proposals for the redevelopment of the Redevelopment Area (as hereinafter defined), and made such requests for proposals available for potential developers of the Redevelopment Area.

D. On January 4, 2017, following a public hearing held on that date, in accordance with the TIF Act, the TIF Commission adopted a resolution approving the Redevelopment Plan titled "Jefferson Arms TIF Redevelopment Plan" dated December 16, 2016, (the "Redevelopment Plan"), the Redevelopment Project described in the Redevelopment Plan (the "Redevelopment Project") and the Redevelopment Area, and recommending that the Board of Aldermen: (1) adopt tax increment financing with respect to the Redevelopment Area by passage of an ordinance complying with the terms of Section 99.845 of the Act; and (2) adopt an ordinance in the form required by the Act (a) approving the Redevelopment Plan, (b) approving and designating the Redevelopment Area as a "redevelopment area" as provided in the Act, © approving the Redevelopment Project, and (d) creating the Jefferson Arms Special Allocation Fund (the "Special Allocation Fund").

E. On _____, 2017, after due consideration of the TIF Commission's recommendations, the Mayor signed Ordinance No. ____ (Board Bill No. ____), designating the Redevelopment Area as a "redevelopment area" as provided in the TIF Act, approving the Redevelopment Plan, approving the Redevelopment Project described in the Redevelopment Plan, adopting tax increment allocation financing within the Redevelopment Area and establishing the Special Allocation Fund.

F. On _____, 2017 the Mayor signed Ordinance No. ____ (Board Bill No. ____), affirming adoption of the Redevelopment Area, Redevelopment Plan and Redevelopment Project, designating the Developer as developer of the Redevelopment Area, and authorizing the City to enter into this Agreement with Developer.

G. On _____, 2017 the Mayor signed Ordinance No. ____ (Board Bill No. ____), authorizing the issuance of TIF Notes as evidence of the City's obligation to pay certain Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the Redevelopment Project and pledging TIF Revenues to the payment of the TIF Notes.

H. The Board of Aldermen hereby determines that the acceptance of the Redevelopment Proposal and the fulfillment generally of this Agreement are in the best interests of the City, and the health, safety and welfare of its residents, and in accord with the public purposes specified in the Redevelopment Plan.

I. Pursuant to provisions of the TIF Act and Ordinance Nos. _____, _____, and _____ (Board Bill Nos. _____, _____, and _____, respectively), the City is authorized to enter into this Agreement, to issue TIF Notes as evidence of the City's obligation to pay certain Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the Redevelopment Project, and to pledge TIF Revenues to the payment of the TIF Notes.

J. The City acknowledges and agrees that Developer is not performing the Work as a direct service to the City. Rather, the City has agreed to issue TIF Notes and Pledge TIF Revenues to the payment of the TIF Notes because the City will recognize indirect benefits, as set forth in the Approving Ordinance, which improve and benefit the general welfare of the community as a result of Developer's completion of the Redevelopment Project. Consequently, the City has agreed to pay for certain Redevelopment Project Costs as set forth in this Agreement, and in consideration therefor Developer has agreed to subject itself and the Property to the terms and conditions set forth below.

AGREEMENT

Now, therefore, in consideration of the premises and promises contained herein and other good and valuable consideration, the adequacy and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE II.
ACCEPTANCE OF PROPOSAL

2.1 Developer Designation. The City hereby selects the Developer to perform or cause the performance of the Work in accordance with the Redevelopment Plan and this Agreement and all Governmental Approvals. To the extent of any inconsistency among the foregoing, the parties agree that the Redevelopment Plan shall govern.

2.2 Developer to Advance Costs. The Developer agrees to advance all Redevelopment Project Costs as necessary to acquire the Property and to complete the Work, all subject to the Developer's right to abandon the Redevelopment Project and to terminate this Agreement as set forth in **Section 7.1** of this Agreement. Additionally, and not by way of limitation:
the City acknowledges payment by the Developer of a Five Thousand Dollar and no/100 ($5,000.00) TIF Application Fee

2.2.1. the City acknowledges that, prior to the execution of this Agreement, the Developer paid the sum of Fifty Two Thousand Two Hundred Dollars and no/100 ($52,200.00) (which sum represents 0.3% of the maximum amount of TIF Notes allowed to be issued by the City pursuant to **Section 4.1** of this Agreement), which monies have been paid one half to the Comptroller and one half to the SLDC to reimburse the Comptroller and the SLDC for their administrative costs in reviewing the Redevelopment Plan and the Redevelopment Proposal;

2.2.2. the Developer shall, simultaneously with the execution of this Agreement, pay the sum of Fifty Two Thousand Two Hundred Dollars and no/100 ($52,200.00) (which sum represents 0.3% of the maximum amount of TIF Notes allowed to be issued by the City pursuant to **Section 4.1** of this Agreement), which monies shall be paid one half

to the Comptroller and one half to the SLDC to reimburse the Comptroller and the SLDC for their administrative costs in reviewing the Redevelopment Plan and the Redevelopment Proposal. Also, concurrently with the date of execution of this Agreement, the Developer shall pay the sum of Two Hundred Forty Three Thousand Six Hundred Dollars and no/100 ($243,600.00) (which sum represents 1.4% of the maximum amount of TIF Notes (not including Issuance Costs) allowed to be issued by the City pursuant to **Section 4.1**) to SLDC, which monies shall be escrowed by SLDC and used to reimburse costs related to contract compliance pursuant to the Mayor's Executive Orders #28 and #47 and workforce monitoring as mandated by Ordinance No. 69427, which codified Executive Order #46, provided that such $243,600 shall be included within Issuance Costs for the purposes of this Agreement;

2.2.3. the Developer shall pay to the Comptroller and SLDC an additional amount to reimburse the Comptroller, the Mayor's office and SLDC for their actual legal expenses and any municipal advisor incurred in connection with the review of the Redevelopment Proposal, the review and adoption of the Redevelopment Plan and the negotiation, execution and implementation of the Redevelopment Agreement, which amount shall be paid as follows: (i) all such costs incurred through the date of execution of the Redevelopment Agreement shall be paid concurrent with the execution of the Redevelopment Agreement, and (ii) all such costs incurred after the date of execution of the Redevelopment Agreement and prior to the date upon which the City receives from Developer a Certificate of Reimbursable Redevelopment Project Costs shall be paid concurrently with the initial issuance of the TIF Notes; and

2.2.4. the Developer shall, concurrently with the issuance of any TIF Notes, pay to the City a flat fee to be reasonably determined by the Comptroller in her sole discretion at the time of issuance to pay for the City's Issuance Costs of such TIF Notes.

Any amounts paid to or on behalf of the City or SLDC pursuant to this Section shall represent Reimbursable Redevelopment Project Costs to be reimbursed exclusively from the proceeds of TIF Obligations as provided in and subject to **Articles IV** and **V** of this Agreement.

ARTICLE III.
CONSTRUCTION OF REDEVELOPMENT PROJECT

3.1 Acquisition of Property. Developer represents that, as of the date of this Agreement, Developer or a Related Entity is the owner or owner under contract of the Property. Any additional properties acquired by the Developer for completion of the Work shall be held in the name of the Developer, an affiliate of Developer or a Related Entity and shall be subject to the terms, conditions and covenants contained herein and in the Redevelopment Plan immediately upon acquisition.

3.2 Condemnation. As of the date of this Agreement, it is not anticipated that the exercise of the power of eminent domain will be necessary to acquire any portion of the Property in the Redevelopment Area.

3.3 Relocation. The Developer shall identify any Displaced Person (as defined in Ordinance No. 62481 of the City) that is entitled to relocation payments or relocation assistance under the Relocation Plan. The City shall, at the Developer's sole cost and expense, subject to reimbursement as a Reimbursable Redevelopment Project Cost in accordance with Article IV of this Agreement, coordinate such relocation payments and relocation assistance in accordance with the Relocation Plan.

3.4 Developer to Construct the Work. The Developer shall commence or cause the commencement of the construction of the Work within two hundred seventy (270) days of the date of this Agreement, which Work shall be constructed in a good and workmanlike manner in accordance with the terms of this Agreement and the Redevelopment Plan. The Developer shall substantially complete or cause the Work to be substantially complete (as evidenced by the City's acceptance or deemed acceptance of the Certificate of Substantial Completion) not later than December 31, 2020 absent an event of Force Majeure. In the event of any delay caused by an event of Force Majeure as defined in **Section 7.5** of this Agreement, Developer shall be granted additional time to complete the Work, but under no circumstance shall such time to complete the Work extend beyond December 31, 2121. The Developer may enter into or cause to be entered into one or more construction contracts to complete the Work. Prior to the commencement of construction of any portion of the Work, the Developer shall obtain or shall require that any of its direct contractors obtain workers' compensation, comprehensive public liability and builder's risk insurance coverage in amounts customary in the industry for similar type projects. The Developer shall require that such insurance be maintained by any of its direct contractors for the duration of the construction of such portion of the Work. To the extent that laws pertaining to prevailing wage and hour apply to any portion of the Work, the Developer agrees to take all actions necessary to apply or to cause its contractors to apply for the wage and hour determinations and otherwise comply with such laws.

3.5 Governmental Approvals. The City and, at its direction, the SLDC agree to employ reasonable and good faith efforts to cooperate with the Developer and to process and timely consider and respond to all applications for the Governmental

Approvals as received, all in accordance with the applicable City ordinances and laws of the State of Missouri.

3.6 Construction Plans; Changes. The Construction Plans shall be prepared by a professional engineer or architect licensed to practice in the State of Missouri and the Construction Plans and all construction practices and procedures with respect to the Work shall be in conformity with all applicable state and local laws, ordinances and regulations. During the progress of the Work, the Developer may make such reasonable changes, including without limitation modification of the construction schedule, subject to the provisions of **Section 3.4**, including but not limited to, dates of commencement and completion (subject to the time limitations set forth in this Agreement), modification of the areas in which the Work is to be performed, relocation, expansion or deletion of items, revisions to the areas and scope of Work, and any and all such other changes as site conditions or orderly development may dictate or as may be necessary or desirable, in the sole determination of the Developer, to enhance the economic viability or eligibility for State and/or Federal historic tax credits of the Redevelopment Project and as may be in furtherance of the general objectives of the Redevelopment Plan; provided that (a) the Developer shall comply with all laws, regulations and ordinances of the City and (b) prior to Developer making any material changes, the Developer shall obtain the advance written consent of the SLDC, which consent shall not be unreasonably withheld or delayed.

3.7 Certificate of Commencement of Construction. The Developer shall furnish to the SLDC, with a copy to the Comptroller, a Certificate of Commencement of Construction, which certificate shall be submitted for the Redevelopment Project in accordance with the schedule set forth in Section 3.4 of this Agreement and in the form of **Exhibit C** attached hereto and incorporated herein by reference. The Certificate of Commencement of Construction shall be deemed accepted by the SLDC upon receipt of the same.

3.8 Certificate of Substantial Completion. Promptly after substantial completion of the Work, the Developer shall furnish to the City and the SLDC a Certificate of Substantial Completion. The Mayor or his designee and the SLDC shall, within thirty (30) days following delivery of the Certificate of Substantial Completion, carry out such inspections as they deem necessary to verify to its reasonable satisfaction the accuracy of the certifications contained in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be deemed accepted by the City and the SLDC unless, within thirty (30) days following delivery of the Certificate of Substantial Completion, the Mayor or his designee or SLDC furnishes the Developer with specific written objections to the status of the Work, describing such objections and the measures required to correct such objections in reasonable detail. In the case where the Mayor or his designee or SLDC, within thirty (30) days following delivery of the Certificate of Substantial Completion provides the Developer with specific written objections to the status of the Work, the Developer shall have such amount of time as is reasonably necessary to address such objections and when addressed shall re submit the Certificate of Substantial Completion to the Mayor or his designee or the SLDC in accordance with this Section and the thirty (30) day period shall begin anew. Upon acceptance of the Certificate of Substantial Completion by the Mayor or his designee and the SLDC for the Redevelopment Project, or upon the lapse of thirty (30) days after delivery thereof to the Mayor or his designee and the SLDC without any written objections thereto, the Developer may record the Certificate of Substantial Completion with the City's Recorder of Deeds, and the same shall constitute evidence of the satisfaction of the Developer's agreements and covenants to perform all the Work and complete the Redevelopment Project. The Certificate of Substantial Completion shall be in substantially the form attached as Exhibit E, attached hereto and incorporated by referenced herein.

3.9 Community Improvement District (CID). The Developer shall pursue the creation of a CID pursuant to the CID Act. The CID shall be created for the purpose of providing sales tax revenues in addition to TIF Revenues for funding Redevelopment Project Costs paid or incurred in connection with the CID Project and for funding costs associated with operating and maintaining and otherwise enhancing the operations of the development within the CID. The Developer shall use its Best Efforts to cause the CID to be created and to operate in accordance with the following:

(i) The CID's boundaries shall include all of the commercial space within the Redevelopment Area and may include additional areas;

(ii) The CID shall be formed as a political subdivision of the State of Missouri;

(iii) The CID shall be authorized to impose the CID Sales Tax in an amount of one percent (1%) on taxable sales within the CID pursuant to Section 67.1545 of the CID Act and such other tax or assessment as is or may be authorized the by CID Act;

(iv) The CID's Board of Directors shall consist of five (5) members;

(v) The CID's Board of Directors shall be appointed by the Mayor of the City with the consent of the Board of Aldermen pursuant to the CID Act. For so long as the CID is in existence, the Developer shall designate or cause to be designated one person designated by each of the City's Mayor and Comptroller as a representative of a property owner or

business operating within the CID for the purpose of allowing such persons to be appointed to the CID's Board of Directors;

(vi) The CID shall maintain accurate records of revenues received, which records shall be open to inspection by the City at all reasonable times; and

(vii) At the minimum, the CID shall maintain its existence until all TIF Obligations have been paid in full, at which time the CID may dissolve.

3.10 City and Developer Actions with Respect to the CID. The City acknowledges that the Developer, at its sole cost and expense, intends to advance all costs necessary to design, develop and construct all CID Projects, subject to the creation of the CID to finance such CID Projects. The City further acknowledges the general economic benefit and the overall value to the community created by the construction of the CID Projects. To that end, the City and the Developer agree as follows:

(i) The City and Developer shall use their Best Efforts and cooperate with each other in good faith in all proceedings relating to the creation and certification of the CID, including the execution and filing of all petitions, consents, approvals, authorizations or other documents required to create and certify the CID. The form of the petition for creation of the CID shall be subject to approval by the City Counselor and SLDC, which approval shall not be unreasonably withheld, conditioned or delayed;

(ii) The Developer will cause the CID to approve and levy the CID Sales Tax, as contemplated by this Agreement and to cause the CID to consent to the capture of CID Sales Tax revenues pursuant to Section 99.845 of the TIF Act;

(iii) The Developer shall use its Best Efforts to ensure that every retailer within the CID shall add the CID Sales Tax to the retailer's sales price and when so added such CID Sales Tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price, all as provided for in Section 67.1545 of the CID Act;

(iv) The Developer hereby waives the right to file suit to set aside the CID Sales Tax or otherwise question the validity of the proceedings relating thereto; and

(v) The Director of the Department of Revenue for the State of Missouri shall administer and collect the CID Sales Tax pursuant to Section 67.1545.4 of the CID Act and other applicable statutes; and

(vi) The CID shall timely remit all CID Sales Tax revenues that qualify as TIF Revenues or are otherwise pledged to the repayment of TIF Obligations to, or at the direction of, the City's Comptroller.

3.11 Transportation Development District. The Developer shall pursue the creation of a TDD pursuant to the TDD Act. The TDD shall be created for the purpose of providing sales tax revenues in addition to TIF Revenues for funding Redevelopment Project Costs paid or incurred in connection with the TDD Project and for funding costs associated with operating and maintaining and otherwise enhancing the operations of the development within the TDD. The Developer shall use its Best Efforts to cause the TDD to be created and to operate in accordance with the following:

(i) The TDD's boundaries shall include all of the commercial space within the Redevelopment Area and may include additional areas;

(ii) The TDD shall be formed as a political subdivision of the State of Missouri;

(iii) The TDD shall be authorized to impose the TDD Sales Tax in an amount of one percent (1%) on taxable sales within the TDD pursuant to Section 238.235 of the TDD Act and such other tax or assessment as is or may be authorized the by TDD Act;

(iv) The TDD's Board of Directors shall consist of five (5) members;

(v) Each member of the TDD's Board of Directors must have qualifications specified in the TDD Act. For so long as the TDD is in existence, the Developer shall designate or cause to be designated one person designated by each of the City's Mayor and Comptroller as a representative of a property owner or business operating within the TDD for the purpose of allowing such persons to be appointed to the TDD's Board of Directors;

(vi) The TDD shall maintain accurate records of revenues received, which records shall be open to inspection by the City at all reasonable times; and

(vii) At the minimum, the TDD shall maintain its existence until all TIF Obligations have been paid in full, at which time the TDD may dissolve.

3.12 City and Developer Actions with Respect to the TDD. The City acknowledges that the Developer, at its sole cost and expense, intends to advance all costs necessary to design, develop and construct all TDD Projects, subject to the creation of the TDD to finance such TDD Projects. The City further acknowledges the general economic benefit and the overall value to the community created by the construction of the TDD Projects. To that end, the City and the Developer agree as follows:

(i) The City and Developer shall use their Best Efforts and cooperate with each other in good faith in all proceedings relating to the creation and certification of the TDD, including the execution and filing of all petitions, consents, approvals, authorizations or other documents required to create and certify the TDD;

(ii) The Developer shall use Best Efforts to obtain approval for and levy of the TDD Sales Tax and any other taxes or assessments contemplated by this Agreement and to cause the TDD to consent to the capture of TDD Sales Tax revenues pursuant to Section 99.845 of the TIF Act;

(iii) The Developer shall use its Best Efforts to ensure that every retailer within the Property and included within the TDD shall add the TDD Sales Tax to the retailer's sales price and when so added such TDD Sales Tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price, all as provided for in the TDD Act;

(iv) The Developer hereby waives the right to file suit to set aside the TDD Sales Tax or otherwise question the validity of the proceedings relating thereto; and

(v) The Director of the Department of Revenue for the State of Missouri shall administer and collect the TDD Sales Tax pursuant to Section 238.235 of the TDD Act and other applicable statutes.

(vi) The TDD shall timely remit all TDD Sales Tax, less reasonable operating expenses, to, or at the direction of, the City's Comptroller for payment of debt service on the TIF Obligations.

ARTICLE IV.
REIMBURSEMENT OF DEVELOPER COSTS

4.1 City's Obligation to Reimburse Developer. Subject to the terms of the Note Ordinance and this Agreement, the City agrees to reimburse Developer for verified Reimbursable Redevelopment Project Costs in a total amount not to exceed **Twenty Million Dollars ($20,000,000) plus Issuance Costs** to be allocated to the Redevelopment Project. Subject to the terms of the Note Ordinance and this Agreement, the City agrees to issue TIF Notes to Developer to evidence the City's obligation to reimburse Developer for verified Reimbursable Redevelopment Project Costs in an amount not to exceed **Twenty Million Dollars ($20,000,000), plus Issuance Costs** and interest as provided in **Section 5.2** of this Agreement and the Note Ordinance, subject to the limitations of **Article IV** of this Agreement.

4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute. Nothing in this Agreement shall obligate the City to issue TIF Notes or to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805 of the TIF Act. The Developer shall provide to the City and the SLDC (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's and SLDC's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City and SLDC shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided, that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805 of the TIF Act, the City or the SLDC shall so notify the Developer in writing within the thirty (30) day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for

determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment and the thirty (30) day period shall begin anew. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved

4.3 Cost Savings and Excess Profits. Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion by Developer in accordance with **Section 3.8** of this Agreement, Developer also shall furnish to the City and the SLDC for review and approval, (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost; and (b) a statement of each and every Post Completion Funding Source for the Redevelopment Project. Developer shall not include developer fees, project management fees or consultant fees for any service typically performed by the Developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services, or, if the cost for such service is not explicitly set forth in the Redevelopment Plan as an individual line item, an amount determined by the City in consultation with the Comptroller as acceptable. Moreover, if any of the owners, officers, principals or members of the construction contractor for the Redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed fourteen percent (14%) of construction costs as provided for in the Missouri Housing Development Commission's 2016 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor. The City shall determine whether particular costs are general requirements and includable in the contractor's fee allowance or are construction costs to which the aggregate contractor's fee allowance shall be applied, using the Cost Certification Guide promulgated by the Missouri Housing Development Commission as a guide for such determinations. The City and SLDC shall complete their review of the statements and other documentation provided by the Developer pursuant to this Section and either the City or SLDC shall notify Developer if such documentation is acceptable and complete within thirty (30) days of receipt by the City and SLDC. Should the City or SLDC notify Developer that the documentation submitted by the Developer is not acceptable or is not complete, the City shall specify which items of documentation are missing or unacceptable and the manner in which Developer may remedy such deficiencies, and Developer may make supplemental submissions to address such deficiencies, provided, however, that such supplemental submissions shall not include any materials with respect to costs incurred or other events that have taken place subsequent to the date the original submission was made. If requested by the City or SLDC, Developer shall also submit an affidavit as to the accuracy of the statements as to the costs, the relationship of any payee to the Developer, the accuracy of the statements as to the amounts and types of tax credits received or other funding sources received, and the veracity of any other aspect of the statements of Verified Total Project Costs or Post-Completion Funding Sources. The City and SLDC shall review any supplemental materials provided by the Developer within thirty (30) days of receipt and shall notify Developer if such documentation is acceptable and complete within thirty (30) days of receipt by the City and SLDC. Developer shall respond to any notification by the City or SLDC pursuant to this section within thirty (30) days of receipt of such notification. Once the City or SLDC has issued any such notification, the City and SLDC shall not be required to make the calculations specified in the following paragraph until the City and SLDC have received all documentation deemed necessary by the City and SLDC in order to make such calculations, provided, however, that if Developer fails to respond to any notification within such thirty (30) day period, the City and SLDC shall have the right to finalize the calculations specified in the following paragraph based on the information and documentation then available to the City and SLDC and the Developer shall accept the results of such finalized calculations for purposes of the discharge of TIF notes as specified in the following paragraph. Either the City or the Developer may waive or extend the time periods for notification and response set forth herein.

To the extent that, in the City's determination, the sum of Post Completion Funding Sources as identified by the City exceeds the sum of: (x) Verified Total Project Costs, plus (y) four percent (4%) of the Acquisition Costs, plus (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, then Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the Developer shall be reimbursed by the City as provided for in Section 4.1 of this Agreement and the maximum amount of any TIF Notes which shall be issued by the City in accordance with Section 5.2 of this Agreement shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any TIF Notes already issued at the time of such calculation in an amount in the aggregate equal to seventy-five percent (75%) of the total excess.

4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs (and, if applicable, CID Project costs and TDD Project costs) are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue (or cause the Authority to issue) the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the

word "debt." **ARTICLE IV.**

ARTICLE V.
TIF OBLIGATIONS

5.1 Conditions Precedent to the Issuance of TIF Notes. No TIF Notes shall be issued until such time as the City has (i) accepted or been deemed to have accepted a Certificate of Substantial Completion in accordance with the procedures set forth in **Section 3.8** of this Agreement; (ii) approved a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference, in accordance with the procedures set forth in **Section 4.2** of this Agreement; (iii) obtained an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) received the full payment of all advances required to be paid under **Section 2.2** of this Agreement; (v) received such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1**; (vi) the completion of the calculation contemplated in **Section 4.3** of this Agreement; and (vii) determination of the final size of the TIF Notes; and (ix) confirmation from the Comptroller that the Developer and its Related Entities have no delinquent real estate taxes owed to the City.

5.2 Issuance of TIF Notes. The City agrees to issue one or more TIF Notes as provided in this Agreement and the Note Ordinance to reimburse the Developer for verified Reimbursable Redevelopment Project Costs up to the maximum amount established in Section 4.1 of this Agreement, subject to the limitations of Article IV of this Agreement (and, as and if applicable, to pay for CID Project costs and TDD Project costs). The TIF Notes shall be in the form attached to the Note Ordinance as Exhibit B, provided that if the Note Ordinance is repealed or otherwise amended to amend such form of TIF Note, the TIF Notes previously issued by the City shall not be amended for the purposes of this Agreement without the written consent of the Developer and the holder of such previously issued TIF Notes.

5.2.1. Terms. Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) business days and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Pricing Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date.

5.2.2. Procedures for Issuance of TIF Notes. Within a reasonable period of time not to exceed ninety (90) days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement the City shall issue a TIF Note to an Original Purchaser evidencing reimbursement of Reimbursable Redevelopment Project Costs. Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

5.2.3. Special Mandatory Redemption of TIF Notes. All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each May 1 and November 1 (each, a "Payment Date") occurring after the issuance of the TIF Notes at a redemption price equal to 100% of the principal amount being redeemed (provided, that, upon the Maturity Date, all amounts remaining in the Special Allocation Fund, to the extent of the total amount outstanding under the TIF Notes shall be available for redemption), without premium, together with the accrued interest thereon to the date fixed for redemption.

5.3 Issuance of TIF Bonds.

5.3.1. The City may, in its sole and absolute discretion, issue or cause to be issued, TIF Bonds at any time in an amount sufficient to (at the City's option) fund Reimbursable Redevelopment Project Costs or refund all or a portion of the outstanding TIF Notes.

5.3.2. Upon receipt of a written request by Developer and upon the recommendation of one or more underwriters and a municipal advisor selected by the Comptroller in favor of issuing TIF Bonds and recommendation of

the principal amount thereof based on the criteria set forth below, the City shall use its Best Efforts to cause the Authority to issue TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's and municipal advisor's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such TIF Bonds unless the underwriter and municipal advisor determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter and municipal advisor. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of bonds and the underwriter and municipal advisor have determined that such bonds cannot be issued at such time.

5.3.2.1. Criteria for Issuance. The underwriter's and municipal advisor's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

(i) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three (23) years from the effective date of the Approving Ordinance, and (B) based on a maturity date twenty-three (23) years from the effective date of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the Comptroller and the underwriter and municipal advisor;

(ii) Developer's documentation of stabilization of the Redevelopment Project as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds;

(iii) The aggregate net projected debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on any outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the aggregate net projected debt service on the TIF Bonds lower then the net average annual debt service on any outstanding TIF Notes; and

(iv) The TIF Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the TIF Notes to be redeemed.

Saint Louis-MO-Ordinance
2020-01-06 14:00:53 (GMT)

5.4 Application of TIF Bond Proceeds. Proceeds of any TIF Bonds shall be applied:

5.4.1. To the payment of Issuance Costs with respect the TIF Bonds;

5.4.2. To the payment of outstanding principal of and interest on any TIF Notes to be refunded;

5.4.3. To the payment of capitalized interest on the TIF Bonds; and

5.4.4. To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the underwriter and municipal advisor and approved by the Comptroller.

5.5 Cooperation in the Issuance of TIF Obligations. Developer covenants to cooperate and use Best Efforts necessary to assist the City and its Bond Counsel, its Disclosure Counsel, the Authority, underwriters and municipal advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including but not limited to, disclosure of tenants of the Redevelopment Area and the nonfinancial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's municipal advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party

to and bound by this Agreement, provided, that Developer shall satisfy this and any other obligation under this Agreement to make any provision a covenant running with the land by recording this Agreement or a memorandum thereof in the Office of the Recorder of Deeds of the City of St. Louis.

5.6 Subordinate Notes. TIF Notes may be issued in two or more series or sub-series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.2** and **6.3** of this Agreement.

If the amount of TIF Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding TIF Notes, the TIF Notes remaining outstanding shall be redeemed by the issuance of Subordinate Notes. Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the TIF Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in Sections **5.3.2.1** and **6.3** of this Agreement.

5.7 City to Select Underwriter and Municipal Advisor; Term and Interest Rate. The Comptroller shall have the right to select the designated underwriter and municipal advisor (and such advisors and consultants as the underwriter, municipal advisor and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

ARTICLE VI.
SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES

6.1 Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account," an "EATs Account," a "CID Revenues Account," a "TDD Revenues Account," a "Hotel Revenues Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTS Account and all Economic Activity Taxes into the EATs Account.

6.2 Certification of Base for PILOTs and EATs.

6.2.1. Upon the reasonable written request of the City, Developer shall use its Best Efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2016.

6.2.2. Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2016, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

6.3 Application of Available Revenues. The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Obligations issued under Article V of this Agreement as provided in the Note Ordinance and this Agreement.

Upon the payment in full of the principal of and interest on all TIF Obligations (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the SLDC, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

6.4 Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement. Notwithstanding the foregoing, the Developer acknowledges that there is currently no mechanism that allows the City to accurately calculate the amount of utility tax revenues to be included in the TIF Revenues and deposited in the Special Allocation Fund. Accordingly, the Developer hereby waives any claim to utility tax revenues and hereby agrees to bring no suit, claim or other action against the City seeking the deposit of utility tax revenues into the Special Allocation Fund; provided, however, nothing in this Agreement shall prohibit the City from, in its sole discretion, depositing utility tax revenues into the Special Allocation Fund if a mechanism to accurately calculate the appropriate amount of such a deposit is developed.

6.5 Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues and shall use all Best Efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6 Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days following such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business.

ARTICLE VII.
GENERAL PROVISIONS

7.1 Developer's Right of Termination. At any time prior to the issuance of any TIF Note, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.2 City's Right of Termination. The City may terminate this Agreement if (a) the Developer fails to submit to the MBE/WBE Compliance Officer a copy of Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement at least thirty (30) days prior to commencement of construction of the Redevelopment Project; provided, however, that termination under this Section may be waived in the sole discretion of the MBE/WBE Compliance Officer; or (b) the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to issue a TIF Note or to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.3 Successors and Assigns.

7.3.1. Binding Effect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2. Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this

Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to obtain the benefits of a tax credit investment or to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; (b) the right of Developer to transfer the Property or to assign all or any portion of Developer's rights, duties and obligations under this Agreement to any Related Entity; and (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein shall remain liable hereunder for the substantial completion of the Redevelopment Project, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business or the transfer of any rights hereunder or in the Property to a Related Entity, which shall require no notice.

7.3.3. *Assignment or Sale to Exempt Organization.* *Prior to any sale, transfer or other disposition of all* or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the effective date of the Approving Ordinance. *The Developer shall make this requirement a covenant running with the land, enforceable* for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4 Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5 Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended for the duration of any event of any delay caused by "Force Majeure" (except as expressly limited in **Section 3.4**), including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; after timely and complete submission of an application by Developer, lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that (i) such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and (ii) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6 Notices. All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by telecopy, fax or United

States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7 Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8 Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer or a Related Entity owns the Property, the Developer shall determine and advise the City in writing (which writing may consist of an application for a building permit) within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal of or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the Redevelopment Project and payment of all costs to clear and secure the Redevelopment Area and satisfy any obligations related to the recapture of historic tax credits, from any fire or casualty insurance policy in an amount up to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

7.9 Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10 Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the internal laws of State of Missouri without reference to its conflict of laws principles for all purposes and intents.

7.11 Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13 Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14 Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15 Attorney's Fees. In any dispute arising out of or relating to this Agreement, including any action to enforce this Agreement against a defaulting or breaching party pursuant to **Section 7.4**, the prevailing party shall recover from the non-prevailing party the prevailing party's reasonable attorney's fees, in addition to any other damages to which it is entitled.

7.16 Actions Contesting the Validity and Enforceability of the Redevelopment Plan»; Audits.

(b) In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise to which the Developer would agree, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to Article IV of this Agreement.

(c) So long as the Developer or a Related Entity owns any taxexempt TIF Obligations, the Developer shall pay all costs incurred by the City in response to any inquiry, questionnaire, audit or similar proceeding initiated by the Internal Revenue Service or other entity with respect to the tax-exempt status of any such TIF Obligation. If the Developer or a Related Entity does not own any tax-exempt TIF Obligation, then the City may be reimbursed for such costs pursuant to *"Second"* under **Section 4.3(b)** of the Note Ordinance

7.17 Release and Indemnification. The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

7.17.1. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.17.2. The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

7.17.3. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.17.4. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its

governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.17.5. No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Notes which may become due to any party under the terms of this Agreement.

7.17.6. The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's municipal advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

7.18 Survival. Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in Section 2.2, clauses (iii)(v), Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17, 7.19 7.20 and Article VIII of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

7.19 Maintenance of the Property. The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the Property during the construction of the Redevelopment Project or any portion thereof. Upon substantial completion of the Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the Redevelopment Area which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations.

7.20 Non-Discrimination. The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the Redevelopment Area or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Redevelopment Project and any of the facilities under its control in the Redevelopment Area. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within the Redevelopment Area.

7.21 Fair Employment. Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Non-discrimination Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference.

7.22 MBE/WBE Compliance.

(a) The Developer shall comply with the Mayor's Executive Order #28 and Ordinance No. 69427, which codified Executive Order #46, each as amended as of the date of this Agreement, during the design and construction of the Redevelopment Project and with respect to ongoing services provided by third parties to the Developer in connection with the

Redevelopment Project.

(b) Unless other directions are given by SLDC, the Developer shall ensure MBE/WBE compliance through the following actions:

(i) The Developer shall provide or upload all construction subcontracts entered into by their prime contractors for construction work to be performed. The Developer shall require that prime contractors summarize with each "application for payment" their compliance with their MBE and WBE utilization commitments and shall include all adjusted contract amounts, payment data and copies of partial and final lien waivers. This information shall be entered electronically utilizing the SLDC Minority Business Development and Compliance Office Global Project Tracking System (GPTS), a web-based compliance tool.

(ii) The Developer shall require that prime contractors ensure their MBE and WBE subcontractors verify receipt of payments and provide certified payroll data and/or payroll register related data and other documentation as may be required by the SLDC Minority Business Development and Compliance Office by entering that information electronically utilizing the GPTS system.

(iii) The Developer shall ensure that these requirements are incorporated into their contracts with prime contractors and that the prime contractors and sub-contractors comply with these requirements

ARTICLE VIII.
REPRESENTATIONS OF THE PARTIES

8.1 Representations of the City. The City hereby represents and warrants that it has full constitutional and lawful right, power and authority, under current applicable law, to execute and deliver and perform the terms and obligations of this Agreement, including without limitation the right, power and authority to issue and sell the TIF Notes, and all of the foregoing have been or will be, upon adoption of ordinances authorizing the issuance of the TIF Notes, duly and validly authorized and approved by all necessary City proceedings, findings and actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the City, enforceable in accordance with its terms.

8.2 Representations of the Developer. The Developer hereby represents and warrants it has full power to execute and deliver and perform the terms and obligations of this Agreement and all of the foregoing has been duly and validly authorized by all necessary corporate proceedings. This Agreement constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms.

IN WITNESS WHEREOF, the City and the Developer have caused this Agreement to be executed in their respective names and the City has caused its seal to be affixed thereto, and attested as to the date first above written.

Re: City of St. Louis, Missouri, Jefferson Arms Redevelopment Project

Terms not otherwise defined herein shall have the meaning ascribed to such terms in the Redevelopment Agreement dated as of _____, 201__ (the *"Agreement"*), between the City and Alterra Jefferson Arms, LLC, a Missouri limited liability company (the *"Developer"*). In connection with said Agreement, the undersigned hereby states and certifies that:

1. Each item listed on **Schedule 1** hereto is a Reimbursable Redevelopment Project Cost and was incurred in connection with the construction of the Redevelopment Project.

2. These Reimbursable Redevelopment Project Costs have been paid by the Developer and are reimbursable under the Note Ordinance and the Agreement.

3. Each item listed on **Schedule 1** has not previously been paid or reimbursed from money derived from the Special Allocation Fund or any money derived from any project fund established pursuant to the Note Ordinance, and no part thereof has been included in any other certificate previously filed with the City.

4. There has not been filed with or served upon the Developer any notice of any lien, right of lien or attachment upon or claim affecting the right of any person, firm or corporation to receive payment of the amounts stated in this request, except to the extent any such lien is being contested in good faith.

5. All necessary permits and approvals required for the portion of the Work for which this certificate relates have been issued and are in full force and effect or Developer has submitted its Certificate of Substantial Completion with respect to such Work.

6. All Work for which payment or reimbursement is requested has been performed in a good and workmanlike manner and in accordance with the Redevelopment Plan and the Agreement.

7. If any cost item to be reimbursed under this Certificate is deemed not to constitute a "redevelopment project cost" within the meaning of the TIF Act and the Agreement, the Developer shall have the right to substitute other eligible Reimbursable Redevelopment Project Costs for payment hereunder.

8. The costs to be reimbursed under this Certificate constitute advances qualified for TaxExempt TIF Notes:

EXHIBIT F
Equal Opportunity and Nondiscrimination Guidelines

In any contract for Work in connection with the Redevelopment Project related to any of the Property in the Redevelopment Area, the Developer (which term shall include the Developer, any transferees, lessees, designees, successors and assigns thereof, including without limitation any entity related to the Developer by one of the relationships described in Section 267(b) of the United States Internal Revenue Code of 1986, as amended), its contractors and subcontractors shall comply with all federal, state and local laws, ordinances or regulations governing equal opportunity and non-discrimination (the *"Laws"*). Moreover, the Developer shall contractually require its contractors and subcontractors to comply with the Laws.

The Developer and its contractors or subcontractors shall not contract with any party known to have been found in violation of the Laws.

The Developer agrees for itself and its contractors and subcontractors that there shall be covenants to ensure that there shall be no discrimination on the part of the Developer or its contractors and subcontractors upon the basis of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap in the sale, lease, rental, use or occupancy of any of the Property or any improvements constructed or to be constructed on the Property or any part thereof. Such covenants shall run with the land and shall be enforceable by the SLDC, the City and the United States of America, as their interest may appear in the Redevelopment Project.

The Developer shall make good faith efforts to observe Executive Order #28 and #47, and shall comply with Ordinance No. 69427, which codified Executive Order #46.

The parties agree that the provisions of City Ordinance #60275, codified at Chapter 3.90 of the Revised Ordinances of the City of St. Louis, Missouri (the *"First Source Jobs Policy"*), do not specifically apply to the Developer as a potential recipient of TIF Notes, TIF Bonds and/or TIF Revenues. Nonetheless, the Developer voluntarily agrees to make good faith efforts to observe the provisions of the First Source Jobs Policy related to the negotiation of an employment agreement with the St. Louis Agency on Training and Employment.

ST. LOUIS LIVING WAGE ORDINANCE
LIVING WAGE ADJUSTMENT BULLETIN

NOTICE OF ST. LOUIS LIVING WAGE RATES

EFFECTIVE APRIL 1, 2016

In accordance with Ordinance No. 65597, the St. Louis Living Wage Ordinance ("Ordinance") and the Regulations associated therewith, the City Compliance Official for the City of St. Louis has determined that the following living wage rates are now in effect for employees of covered contracts:

1) Where health benefits as defined in the Ordinance are provided to the employee, the living wage rate is **$12.60** per hour (130% of the federal poverty level income guideline for a family of three); and

2) Where health benefits as defined in the Ordinance are not provided to the employee, the living wage rate is **$16.87** per hour (130% of the federal poverty level income guideline for a family of three, plus fringe benefit rates as defined in the Ordinance).

3) Wages required under Chapter 6.20 of the Revised Code of the City of St. Louis: **$4.27** per hour.

These rates are based upon federal poverty level income guidelines as defined in the Ordinance and these rates are effective as of **April 1, 2016**. These rates will be further adjusted periodically when the federal poverty level income guideline is adjusted by the U.S. Department of Health and Human Services or pursuant to Chapter 6.20 of the Revised Code of the City of St. Louis.

The Ordinance applies to employers who are covered by the Ordinance as defined in the Ordinance, where the contract or grant is entered into or renewed after the effective date of the Ordinance, which is November 3, 2002. A copy of the Ordinance may be viewed online at https://www.stlouis-mo.gov/government/city-laws/ordinances/ordinance.cfm?%20ord=65597 or obtained from:

NOTICE TO ALL BIDDERS

CITY ORDINANCE requires that any individual or company who performs work within the City limits must obtain a Business License. This would also apply to businesses who employ sales or delivery personnel to come into the City. Contracts requiring work to be performed in the City will **NOT** be awarded to unlicensed businesses.

ST. LOUIS LIVING WAGE ORDINANCE

LIVING WAGE REQUIREMENTS

Bidders [Proponents] are hereby advised that the St. Louis Living Wage Ordinance #65597 and associated Regulations apply to the service [concession] [lease] [City Financial Assistance] for which [bids] [proposals] are being sought herein. This Ordinance requires that, unless specific exemptions apply, all individuals who perform work pursuant to a contract executed between the successful [bidder] [proponent] and the City [Agency] must be paid a minimum of the applicable Living Wage rates set forth in the attached Living Wage Bulletin, and, if the rates are adjusted during the term of the contract pursuant to the Ordinance, applicable rates after such adjustment is made. Each bidder [proponent] must submit the attached "Living Wage Acknowledgment and Acceptance Declaration" with the bid [proposal]. Failure to submit this Declaration with the bid [proposal] will result in rejection of the bid [proposal]. A successful bidder's [proponent's] failure to comply with contract provisions related to the Living Wage Ordinance may result in termination of the contract and the imposition of additio-nal penalties as set forth in the Ordinance and Regulations.

Copies of the Ordinance and Regulations are available upon request from Rachel Shklar, at (314) 426-8106, or can be accessed at http://www.mwdbe.org/living wage.

Local Preference

ORDINANCE #69431
Board Bill No. 295
Committee Substitute As Amended

An Ordinance repealing Section One, part 86.040 of Ordinance 56716, pertaining to the opening of bids, codified as Section 5.58.040 of the Revised Code of the City of St. Louis, and enacting a new provision on the same subject matter which allows a local bidder to match the lowest bid when the lowest bid is from a non-local bidder; enacting a new provision on the same subject matter; containing severability clause.

WHEREAS, local businesses which seek to enter into contracts with the City of St. Louis are at a competitive disadvantage with businesses from other areas because of the higher administrative costs of doing business in the City;

WHEREAS, the City of St. Louis desires to encourage businesses to remain in the City and to relocate to the City;

WHEREAS, by enacting a local preference law that allows a local firm to match the lowest bid when its bid is within 2% percent of the lowest bid, the City hopes to encourage and stimulate local business.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section One, part 86.040, Ordinance 56716 is hereby repealed.

SECTION TWO. Enacted in lieu thereof is the following new section.

5.58.040 - Opening of bids.

A. Proposals shall be opened at the time and place fixed by the advertisement, in the presence of such bidders as desire to be present, and shall be open to the inspection of bidders.

B. The bids shall not be materially modified or amended as to price, specification or otherwise, nor substitutions placed thereon, after opening except when the lowest bid is from a non-local bidder. When the lowest bid is from a non-local bidder, any local bidder within two percent of the lowest bid may match the lowest bid. If a local bidder matches the lowest bid, then the Supply Commissioner may select the bid from the local bidder. If more than one local bidder is within two percent of the lowest bid, then only the lowest local bidder may match the bid. In all other circumstances, modification, supplementation or amendment shall cause rejection of the bid. For purposes of this chapter, local bidder means a bidder whose principal place of business is within the City of St. Louis, has had a valid business license for at least one year, and is current in payment of local taxes.

Principal place of business shall be defined as the business's physical office, plant, or site where a majority (51%) of the full-time employees, chief officer, and managers of the business regularly work and conduct business, or where the plant or office and equipment required for the furnishing of the goods or performance of the services provided to the City, as required by the contract, are physically located in the City of St. Louis for at least one taxable year immediately prior to the date of the bid.

C. Bids may be for one or more or all the articles advertised for, but there shall be a specific bid on each article. The award may be made to the lowest bidder for any article, or to the lowest bidder for the entire requisition or any part thereof, but the Board of Standardization may reject any or all bids or any part of any bid.

SECTION THREE. Severability.

The provisions of this section are severable. If any provision of this ordinance is declared invalid, that invalidity shall not affect other provisions of the ordinance which can be given effect without the invalid provision.

Approved: April 29, 2013

The right to reject any and all bids is reserved.

COURTESY RESOLUTIONS CONSENT CALENDAR

President Reed introduced Resolution Nos. 14 through 21 and the Clerk was instructed to read same.

Resolution No. 14
Italian Republic Day 2017

WHEREAS, every country has their national patriotic day; France has Bastille Day, July fourteenth and we all know that here in the United States we have the Fourth of July; Italy has the Italian Republic Day, June second; on this date, in 1946, the Italian Republic was born; and

WHEREAS, geographic Italy has been recognized for over two millennia, but the political state of Italy has only been around for about 150 years; and

WHEREAS, before 1859, Italy consisted of independent states that each had its own traditions and history; and

WHEREAS, then starting in 1859, these states were unified under the Kingdom of Sardinia - Piedmont, which was ruled by the House of Savoy; and

WHEREAS, the House of Savoy was one of the oldest dynasties in Europe; it brought all the small Italian states under its control and established the Kingdom of Italy; and

WHEREAS, in the 1922, King Vittorio Emmanuel the Third, invited Benito Mussolini to form a government; and

WHEREAS, the King took no actions against the many abuses of power by the Fascist regime; and

WHEREAS, after World War II, the Italian people held a plebiscite to form a republic and expel the King, and on June 2, 1946, the Italian Republic was born; and

WHEREAS, the Republic of Italy has been a pillar of democracy since its inception and one of America's loyalist allies; and

WHEREAS, On the occasion of the 76th Anniversary of the establishment of the Italian Republic, the St. Louis Board of Aldermen is pleased to proclaim;

NOW THEREFORE BE IT RESOLVED THAT June 3, 2017, is Italian Republic Day in the City of St. Louis.

Introduced on the 19th day of May, 2017, by:

Honorable Joseph Vollmer, Alderman 10th Ward
Honorable Joseph Vaccaro, Alderman 23rd Ward

Resolution No. 15
21st Street Properties LLC. in the City of St. Louis Enhanced Enterprise Zone

WHEREAS, by Ordinance No. 67350 this St. Louis Board of Aldermen (the "Board") authorized the Mayor, on behalf of the City of St. Louis (the "City"), to request the designation of a certain area of the City, as more fully described in said ordinance approved December 11, 2006 as an Enhanced Enterprise Zone ("EEZ") eligible for the tax incentives provided in Sections **135.950** through **135.973**, inclusive, R.S.MO. (**2000**) as amended (the "Statute"); and

WHEREAS, the Statute allows, in certain circumstances and subject to certain conditions, the ad valorem taxes which would otherwise be due on subsequent real estate improvements made in EEZ areas to be abated up to 100% for a period not to exceed 25 years from the date the original EEZ area was so designated; or until December 11, 2031; and

WHEREAS, Ordinance No. 67350 provides for a ten (10) year abatement of taxes on real property in the EEZ in accordance with the requirements of Section **135.963** of the Statute, as amended from time to time, subject to certain terms and conditions; and

WHEREAS, Ordinance No. 67350 provides for the Enhanced Enterprise Zone Board (the "EEZ Board") to review plans for subsequent improvements on real property in the EEZ (the "Subsequent Improvements") and to recommend to this Board the extent to which tax abatement should be granted therefor; and

WHEREAS, 21st Street Properties LLC. ("Developer") is greatly enhancing its property located at 2331 Hampton Ave. resulting in Subsequent Improvements; and

WHEREAS, it is estimated that the Subsequent Improvements will cost approximately $2,700,000; and will result in adding 30 more jobs; and

WHEREAS, EEZ Board has reviewed plans for Developer's Subsequent Improvements and recommends that the ad valorem taxes that would otherwise be imposed on Subsequent Improvements be abated fully for a period of ten (10) years; and

WHEREAS, "Developer" began the Subsequent Improvements after January 11, 2007, the effective date of Ordinance No. 67350; and

WHEREAS, Section **135.963** of the Statute provides that no abatement shall be granted except upon approval of an authorizing resolution by the governing authority having jurisdiction over the Enhanced Enterprise Zone area following a public hearing held by said governing authority for the purpose of obtaining the opinions and suggestions of residents of political subdivision in the area affected and published in a newspaper of general circulation in the area to be affected by the exemption at least twenty (20) days prior to the hearing but not more than thirty (30) days prior to the hearing, stating the time, location, date and purpose of the hearing; and

WHEREAS, such public hearing was held on the _____ day of _____, 2017, notice of which was given in accordance with the requirements of the Statutes as described above, and all interested parties had the opportunity to be heard at said public hearing.

NOW, THEREFORE, be it resolved by the St. Louis Board of Aldermen as follows:

1. The Subsequent Improvements for property at 2101 Chouteau Ave. shall be fully exempt from the ad valorem taxes, which would otherwise be imposed thereon for a period of ten (10) years.

2. For purposes of calculating the tax liability for the Subsequent Improvements, any increase in the assessment of any improvements, from the assessment in effect for such improvements as of January 1, 2018, shall be deemed attributable to the Subsequent Improvements.

3. In accordance with Section **135.963.2** of the Statute, a copy of this resolution shall be forwarded to the Director of Missouri Department of Economic Development within thirty (30) days of its approval.

ST. LOUIS LIVING WAGE ORDINANCE
LIVING WAGE ADJUSTMENT BULLETIN

NOTICE OF ST. LOUIS LIVING WAGE RATES

EFFECTIVE APRIL 1, 2016

In accordance with Ordinance No. 65597, the St. Louis Living Wage Ordinance ("Ordinance") and the Regulations associated therewith, the City Compliance Official for the City of St. Louis has determined that the following living wage rates are now in effect for employees of covered contracts:

1) Where health benefits as defined in the Ordinance are provided to the employee, the living wage rate is **$12.60** per hour (130% of the federal poverty level income guideline for a family of three); and

2) Where health benefits as defined in the Ordinance are not provided to the employee, the living wage rate is **$16.87** per hour (130% of the federal poverty level income guideline for a family of three, plus fringe benefit rates as defined in the Ordinance).

3) Wages required under Chapter 6.20 of the Revised Code of the City of St. Louis: **$4.27** per hour.

These rates are based upon federal poverty level income guidelines as defined in the Ordinance and these rates are effective as of **April 1, 2016**. These rates will be further adjusted periodically when the federal poverty level income guideline is adjusted by the U.S. Department of Health and Human Services or pursuant to Chapter 6.20 of the Revised Code of the City of St. Louis.

The Ordinance applies to employers who are covered by the Ordinance as defined in the Ordinance, where the contract or grant is entered into or renewed after the effective date of the Ordinance, which is November 3, 2002. A copy of the Ordinance may be viewed online at https://www.stlouis-mo.gov/government/city-laws/ordinances/ordinance.cfm?%20ord=65597 or obtained from:

NOTICE TO ALL BIDDERS

CITY ORDINANCE requires that any individual or company who performs work within the City limits must obtain a Business License. This would also apply to businesses who employ sales or delivery personnel to come into the City. Contracts requiring work to be performed in the City will **NOT** be awarded to unlicensed businesses.

ST. LOUIS LIVING WAGE ORDINANCE

LIVING WAGE REQUIREMENTS

Bidders [Proponents] are hereby advised that the St. Louis Living Wage Ordinance #65597 and associated Regulations apply to the service [concession] [lease] [City Financial Assistance] for which [bids] [proposals] are being sought herein. This Ordinance requires that, unless specific exemptions apply, all individuals who perform work pursuant to a contract executed between the successful [bidder] [proponent] and the City [Agency] must be paid a minimum of the applicable Living Wage rates set forth in the attached Living Wage Bulletin, and, if the rates are adjusted during the term of the contract pursuant to the Ordinance, applicable rates after such adjustment is made. Each bidder [proponent] must submit the attached "Living Wage Acknowledgment and Acceptance Declaration" with the bid [proposal]. Failure to submit this Declaration with the bid [proposal] will result in rejection of the bid [proposal]. A successful bidder's [proponent's] failure to comply with contract provisions related to the Living Wage Ordinance may result in termination of the contract and the imposition of additio-nal penalties as set forth in the Ordinance and Regulations.

Copies of the Ordinance and Regulations are available upon request from Rachel Shklar, at (314) 426-8106, or can be accessed at http://www.mwdbe.org/living wage.

Local Preference

ORDINANCE #69431
Board Bill No. 295
Committee Substitute As Amended

An Ordinance repealing Section One, part 86.040 of Ordinance 56716, pertaining to the opening of bids, codified as Section 5.58.040 of the Revised Code of the City of St. Louis, and enacting a new provision on the same subject matter which allows a local bidder to match the lowest bid when the lowest bid is from a non-local bidder; enacting a new provision on the same subject matter; containing severability clause.

WHEREAS, local businesses which seek to enter into contracts with the City of St. Louis are at a competitive disadvantage with businesses from other areas because of the higher administrative costs of doing business in the City;

WHEREAS, the City of St. Louis desires to encourage businesses to remain in the City and to relocate to the City;

WHEREAS, by enacting a local preference law that allows a local firm to match the lowest bid when its bid is within 2% percent of the lowest bid, the City hopes to encourage and stimulate local business.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section One, part 86.040, Ordinance 56716 is hereby repealed.

SECTION TWO. Enacted in lieu thereof is the following new section.

5.58.040 - Opening of bids.

A. Proposals shall be opened at the time and place fixed by the advertisement, in the presence of such bidders as desire to be present, and shall be open to the inspection of bidders.

B. The bids shall not be materially modified or amended as to price, specification or otherwise, nor substitutions placed thereon, after opening except when the lowest bid is from a non-local bidder. When the lowest bid is from a non-local bidder, any local bidder within two percent of the lowest bid may match the lowest bid. If a local bidder matches the lowest bid, then the Supply Commissioner may select the bid from the local bidder. If more than one local bidder is within two percent of the lowest bid, then only the lowest local bidder may match the bid. In all other circumstances, modification, supplementation or amendment shall cause rejection of the bid. For purposes of this chapter, local bidder means a bidder whose principal place of business is within the City of St. Louis, has had a valid business license for at least one year, and is current in payment of local taxes.

Principal place of business shall be defined as the business's physical office, plant, or site where a majority (51%) of the full-time employees, chief officer, and managers of the business regularly work and conduct business, or where the plant or office and equipment required for the furnishing of the goods or performance of the services provided to the City, as required by the contract, are physically located in the City of St. Louis for at least one taxable year immediately prior to the date of the bid.

C. Bids may be for one or more or all the articles advertised for, but there shall be a specific bid on each article. The award may be made to the lowest bidder for any article, or to the lowest bidder for the entire requisition or any part thereof, but the Board of Standardization may reject any or all bids or any part of any bid.

SECTION THREE. Severability.

The provisions of this section are severable. If any provision of this ordinance is declared invalid, that invalidity shall not affect other provisions of the ordinance which can be given effect without the invalid provision.

Approved: April 29, 2013

The right to reject any and all bids is reserved.

FIRST READING OF RESOLUTIONS

President Reed introduced Resolution Nos. 33 through 34 and the Clerk was instructed to read same.

Resolution No. 33

Calling on the St. Louis Development Corporation to Establish Interim Incentive Guidelines, Implement the Latest Form of GASB-style Accounting and Create a City-Wide Economic Development Plan

WHEREAS, the City of St. Louis utilizes a number of development incentives to spur private investment for real estate development and encourage the retention, relocation, and development of business in the City; and

WHEREAS, in recent years, a robust city-wide conversation commenced, revolving around the purpose and effectiveness of incentives, best practices for their allocation, and efforts to quantify our review process; and

WHEREAS, in 2015, the City contracted with PFM to conduct a study of the City's incentive programs. This study was completed in May 2016; and

WHEREAS, in September 2015, the City hired a financial analyst dedicated to supporting the City's incentive program; and

WHEREAS, the financial analyst developed a model and rating system that was in beta testing for the latter half of the 2016-17 Board of Aldermen session; and

WHEREAS, during the beta testing period the City made changes in the approval process for incentives, which included: (1) the results of the model must be included with any incentive board bill at the time the board bill is introduced, and (2) for tax increment financing projects, the Comptroller and Budget Director must express their opinion on a project by the time the Housing, Urban Development and Zoning Committee hears the bill.

NOW THEREFORE BE IT RESOLVED by the Board of Aldermen of the City of St. Louis, We respectfully request that the St. Louis Development Corporation take the following actions to improve the effectiveness of tax incentives and improve their best practices:

- **Establish and implement the following Incentive Guidelines during the remainder of the interim period:**
- **Comprehensive Project Review:** *Any project with development costs over one million ($1,000,000) dollars will go through a comprehensive project review. This will involve a more detailed review of: (a) the architecture, (b) urban design, and (c) financial characteristics of the project, and will require applicants to schedule a pre-application meeting to be held a minimum of fifteen days ahead of applying for the incentive, and provide a full application and all materials necessary to complete the full review a minimum of thirty (30) days prior to the applicable board or commission meeting.*
- **NO new general fund appropriation backing or bottom half contributions:** *Having only used this concept sparingly in the past, the City will not approve any appropriation from the general fund or bottom half contributions until an updated incentive policy is complete.*
- **NO new hotel sales tax rebate:** *City will no longer agree contractually to contribute sales tax from hotel room sales to a TIF project.*

garfinkelstlouis-mo.gov 2020-11-16 12:30:53 +0000

- **NO sales tax generated by Proposition 1 will be captured by TIF:** *City will encourage the new Economic Development Sales Tax Board NOT to recommend capture of these sales taxes.*
- **NO new tax increases will be captured by TIF:** *Per state statute, the City will not approve any TIF after August 28, 2014 which captures a new tax increase.*
- **Sales and earnings taxes to be returned to City's General Revenue Fund:** *A to-be-determined percentage of property taxes are to be passed back to the City's General Revenue Fund to account for the substitution effect and/or jobs and sales relocated from within the City.*
- **Property taxes to be returned to the taxing districts:** *A to-be-determined percentage of property taxes are to be passed back to the taxing districts to account for the substitution effect and/or jobs and sales relocated from within the City.*
- **CID/TDD will be encouraged to reduce TIF and Tax Abatement:** *City will encourage CID/TDD as alternatives; but, only approve projects that include public improvements (i.e. parks, shared parking facilities, streetscape improvements, etc. - TBD)*
- **TIF assistance will be guided by the City's Market Value Analysis (MVA):** *Except for exceptional projects, the City will cap TIF lower (i.e. 10% of Total Development Cost) in MVA categories "A"-"C" and higher (i.e. 20% of TDC) in MVA categories "G"-"I". This ties the project's maximum incentive to the health of the market where they are building. If it is strong, the project should be able to command high rents and require less incentive.*
- **Tax abatement length and percentage will be based on the MVA:** *Except for exceptional projects; the City will cap tax abatement in MVA categories "A"-"C" with a maximum length of 5 years and maximum amount of 75%.*
- **Implementation of Community Benefits Agreements (CBA's) on all catalytic projects:** *Projects with development costs >$50M will be encouraged to execute a CBA. A comprehensive CBA policy will be developed in collaboration with community stakeholders; and*
- **GASB Compliance - Create Tracking Database / Monitoring System:** *Upon securing funding, implementation should be complete by the end of 2017; and*
- **City-Wide Economic Development Plan:** *Upon securing funding, a Request for Proposal or Request for Quotation (RFP/RFQ) process will be undertaken to select a consultant team to conduct the study and create an economic development plan for the entire City; and*
- **Incentive Policy Reform:** *Based on recommendations from the completed City-Wide Economic Development Plan, revised incentive policies will be created and submitted for approval to the appropriate development authorities/commissions.*

Introduced on the 2nd day of June, 2017, by:

Resolution No. 34
Cellular Phones for the Public Administrator Guardianship Team

WHEREAS, Ordinance 68654 prohibits the possession or use of cellular telephones by any official or employee of the City of St. Louis except for those designated by resolution of the Board of Aldermen upon the recommendation of the Board of Estimate and Apportionment; and

WHEREAS, on February 17, 2017, the Board of Estimate and Apportionment approved the request from the Public Administrator for one (1) cellular telephone to be shared by Guardianship Team of the Public Administrator's office; and

WHEREAS, the Office of the Comptroller shall maintain all records generated by the use of any cellular telephone owned or leased by the City and, with the exception of the telephone number assigned to the city owned or leased cellular telephone, shall make such records available for public inspection upon reasonable notice to inspect; and

WHEREAS, the assignment and use of the cellular telephone is justified by the need to provide cost effective service to the citizens of the City of St. Louis.

NOW THEREFORE BE IT RESOLVED by the Board of Aldermen of the City of St. Louis that we approve the assignment and use of a cellular telephone which is owned or leased by the City of St. Louis as provided by this Resolution. We direct the Clerk of this Board to provide a copy of this Resolution to the Office of the Comptroller.

WHEREAS, on June 25, 2015, the City issued $17,310,000 of Airport Revenue Refunding Bonds, Series 2015 (Non-AMT), pursuant to a Twentieth Supplemental Indenture of Trust dated as of June 1, 2015, for the purpose of refunding a portion of the Series 2005 Bonds;

WHEREAS, portions of the Series 2005 Bonds, the Series 2007A Bonds, the Series 2007B Bonds, the Series 2009A-1 Bonds, the Series 2012 Bonds, the Series 2013 Bonds, and the Series 2015 Bonds remain outstanding under the Restated Indenture (the "Outstanding Bonds");

WHEREAS, the City is authorized under the Constitution and laws of the State of Missouri to issue, sell and negotiate its interest-bearing revenue bonds for the purpose of financing or refinancing all or a part of the costs of purchasing, constructing, extending or improving airports;

WHEREAS, the City has determined that it is in the best interest of the City to effect debt service savings by issuing the 2017 Refunding Bonds to refund a portion (including but not limited to principal plus interest, principal-only and/or interest-only portions) of the Outstanding Bonds, to provide for the funding of a debt service reserve account, including with a credit facility or surety, if required, and to pay the costs associated with issuing the Series 2017 Refunding Bonds, in an aggregate principal amount not to exceed [_____ Million Dollars ($_____)] in one or more series, if any, the proceeds of which, together with other available funds, if any, that may be transferred for such purposes, will be used for the purposes described herein;

WHEREAS, the Series 2017 Refunding Bonds shall be issued and secured under and pursuant to the Restated Indenture, as then amended and supplemented, including by the Twenty-First Supplemental Indenture (defined below);

WHEREAS, the Restated Indenture will be further amended and supplemented pursuant to the Twenty-First Supplemental Indenture of Trust (the "Twenty-First Supplemental Indenture") between the City and the Trustee pursuant to which the Series 2017 Refunding Bonds (as hereinafter defined) are being authorized to be issued and the Twenty-Second Supplemental Indenture of Trust (the "Twenty-Second Supplemental Indenture") between the City and the Trustee pursuant to which the Series 2017 Project Bonds (as hereinafter defined) are being authorized to be issued;

WHEREAS, because a public purpose is served by financing the 2017 Project (as hereinafter defined), reimbursing the City for certain Airport capital expenditures, funding capitalized interest, if any, on up to the later of three (3) years after issuance of the Series 2017 Project Bonds or one (1) year after the 2017 Project is placed in service, funding a debt service reserve account, if required, and to pay the costs associated with issuing the Series 2017 Project Bonds, including premiums for any bond insurance or surety, in order to enhance airport operations, the City is now prepared to issue and sell its Airport Revenue Bonds, Series 2017, St. Louis Lambert International Airport (the "Series 2017 Project Bonds") in an aggregate principal amount not to exceed Seventy Million Dollars ($70,000,000) in one or more series, the proceeds of which, together with other available funds, if any, will be used for the purposes described herein;

WHEREAS, the Series 2017 Project Bonds shall be issued and secured under and pursuant to the Restated Indenture, as amended and supplemented by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture;

WHEREAS, in connection with the issuance of the Series 2017 Bonds, it is necessary for the City to enter into the Twenty-First Supplemental Indenture, the Twenty-Second Supplemental Indenture, the Bond Purchase Agreement (as hereinafter defined), the Tax Certificate (as hereinafter defined), the Escrow Agreement (as hereinafter defined), if any, the Continuing Disclosure Agreement (as hereinafter defined) and certain other agreements in connection with the issuance of the Series 2017 Bonds; and

WHEREAS, the Series 2017 Bonds shall state that the Series 2017 Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation and the taxing power of the City is not pledged to the payment of the principal of, premium, if any, or interest on the Series 2017 Bonds;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS, MISSOURI, AS FOLLOWS:

Section One. **Authorization of the Series 2017 Refunding Bonds.**

The City does hereby authorize and direct the issuance of the Series 2017 Refunding Bonds to refund all or a portion of the Series 2007A Bonds and the Series 2007B Bonds (the "Refunded Bonds"), to provide for debt service savings for the City; and the Outstanding Bonds, or portions thereof, if any, to be refunded by the Series 2017 Refunding Bonds (collectively, the "Refunded Bonds") shall be selected by the Comptroller of the City (the "Comptroller") in consultation with the City Counselor and the City's financial advisors. The City does hereby find and declare that this Ordinance is being enacted pursuant to the laws of the State of Missouri, including particularly Chapter 108, Missouri Revised Statutes, 2000, as amended, and that the issuance of the Series 2017 Refunding Bonds is for the public purposes set forth in the recitals to this Ordinance.

Section Two. **Maximum Principal Amount, Purpose and Terms and Provisions of the Series 2017 Refunding Bonds.**

The Board of Aldermen, acting as the governing authority of the City, does hereby authorize the City to issue the Series 2017 Refunding Bonds in one or more series in an aggregate principal amount not to exceed Two Hundred Forty Million Dollars ($240,000,000). The proceeds of the Series 2017 Refunding Bonds will be used to refund the Refunded Bonds and to provide for the funding of any required reserve funds, and to pay certain costs of issuance of the Series 2017 Refunding Bonds and other related transaction costs with respect to such Series 2017 Refunding Bonds, including premiums for any bond insurance or surety. Subject to the terms of this Ordinance, the City hereby authorizes and directs the Mayor of the City (the "Mayor") and the Comptroller in the exercise of their sole discretion (a) to determine and establish the aggregate principal amount of the Series 2017 Refunding Bonds and any Series thereof, and (b) to determine and establish the other terms and provisions of the Series 2017 Refunding Bonds.

Section Three. **Authorization of the Series 2017 Project Bonds.**

The City does hereby authorize and direct the issuance of the Series 2017 Project Bonds to finance a portion of the cost of the 2017 Project (as hereinafter defined). The City does hereby find and declare that this Ordinance is being enacted pursuant to the laws of the State of Missouri, including particularly Chapter 108, Missouri Revised Statutes, 2000, as amended, and that the issuance of the Series 2017 Project Bonds is for the public purposes set forth in the recitals to this Ordinance.

Section Four. **Maximum Principal Amount, Purpose and Terms and Provisions of the Series 2017 Project Bonds.**

The Board of Aldermen, acting as the governing authority of the City, does hereby authorize the City to issue the Series 2017 Project Bonds in one or more series in an aggregate principal amount not to exceed Seventy Million Dollars ($70,000,000). The proceeds of the Series 2017 Project Bonds will, together with other available funds, if any, be used to fund a portion of the costs of the construction, extension and improvement of the Airport, to reimburse the City for certain prior Airport capital expenditures (collectively, the "2017 Project"), to fund all or a portion of capitalized interest, if any, for up to the later of three (3) years after the issuance of the Series 2017 Project Bonds or one (1) year after the 2017 Project is placed in service, to provide for the funding of any required reserve funds and to pay certain costs of issuance of the Series 2017 Project Bonds and other related transaction costs with respect to such Series 2017 Project Bonds, including premiums for any bond insurance or surety. Subject to the terms of this Ordinance, the City hereby authorizes and directs the Mayor and the Comptroller in the exercise of their sole discretion (a) to determine and establish the aggregate principal amount of the Series 2017 Project Bonds and any Series thereof, and (b) to determine and establish the other terms and provisions of the Series 2017 Project Bonds.

Section Five. **Source of Repayment; Security; Pledge.**

The Series 2017 Bonds shall be secured and payable, as to principal, premium, if any, and interest, solely from the sources and funds pledged under the Restated Indenture, including the revenues derived from the operation of the Airport (the "Revenues"). Upon the issuance and sale of the Series 2017 Bonds, the Revenues shall be and are hereby pledged to the payment of the Series 2017 Bonds, on a parity with all Outstanding Bonds and any additional parity bonds, all as provided in the Restated Indenture. The Series 2017 Bonds shall be limited obligations of the City payable solely from the Revenues and shall not be deemed to be an indebtedness of the State of Missouri, the City or of any political subdivision thereof, and shall not be deemed to be an indebtedness within the meaning of any constitutional or statutory limitation upon the incurring of indebtedness.

The Series 2017 Refunding Bonds shall bear such date or dates, mature at such time or times (not exceeding thirty (30) years from their date of issuance), bear interest at such rate or rates (not exceeding limitations set forth herein) and be subject to redemption at such time or times as shall be approved by the Mayor and the Comptroller and provided for in the Twenty-First Supplemental Indenture as executed and delivered by the City.

The Series 2017 Project Bonds shall bear such date or dates, mature at such time or times (not exceeding thirty (30) years from their date of issuance), bear interest at such rate or rates (not exceeding limitations set forth herein) and be subject to redemption at such time or times as shall be approved by the Mayor and the Comptroller and provided for in the Twenty-Second Supplemental Indenture as executed and delivered by the City.

The Series 2017 Bonds shall be issuable in such denominations, be in fully registered form without coupons, carry such registration and exchange privileges, and be payable in such medium of payment and at such place or places as the Restated Indenture may provide.

Section Six. **Appointment of Trustee, Bond Registrar, Paying Agent and Escrow Agent, if any.**

UMB Bank, N.A. is hereby appointed Trustee, Bond Registrar and Paying Agent for the Series 2017 Bonds under the Restated Indenture and Escrow Agent, if any, for the Refunded Bonds pursuant to the Restated Indenture and the Escrow Agreement, if any. Such appointments will be effective with respect to the Series 2017 Refunding Bonds, immediately upon the execution and filing of the Twenty-First Supplemental Indenture with the Trustee, and with respect to the Series 2017 Project Bonds, immediately upon the execution and filing of the Twenty-Second Supplemental Indenture with the Trustee.

Section Seven. **Authority to Prepare, Execute, Acknowledge and Deliver the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture.**

The Mayor and the Comptroller are hereby authorized and directed to prepare, execute, acknowledge and deliver the Twenty-First Supplemental Indenture, in substantially the form attached hereto as Exhibit 1, with terms that may include, but not be limited to, all provisions and terms as may be necessary or desirable to provide for the issuance of the Series 2017 Refunding Bonds, the payment terms of the Series 2017 Refunding Bonds, the creation or ratification of various funds and/or accounts relating to the Series 2017 Refunding Bonds and terms providing for the security for the Series 2017 Refunding Bonds, the same to be attested by the Register of the City, with such changes therein as shall be approved by such persons executing such document, all as determined by the Mayor and the Comptroller, such persons' execution to constitute conclusive evidence of such approval, and the Register is hereby authorized to affix to the Twenty-First Supplemental Indenture the corporate seal of the City. The Twenty-First Supplemental Indenture will be effective immediately upon the filing of the Twenty-First Supplemental Indenture with the Trustee.

The Mayor and the Comptroller are hereby authorized and directed to prepare, execute, acknowledge and deliver the Twenty-Second Supplemental Indenture, in substantially the form attached hereto as Exhibit 2, with terms that may include, but not be limited to, all provisions and terms as may be necessary or desirable to provide for the issuance of the Series 2017 Project Bonds, if any, the payment terms of the Series 2017 Project Bonds, the creation of various funds and/or accounts relating to the Series 2017 Project Bonds, terms providing for the security for the Series 2017 Project Bonds, and terms relating to the same to be attested by the Register of the City, with such changes therein as shall be approved by such persons executing such document, including, without limitation, any changes necessary to allow for the Series 2017 Project Bonds to be issued as bonds with variable interest rates, all as determined by the Mayor and the Comptroller, such persons' execution to constitute conclusive evidence of such approval, and the Register is hereby authorized to affix to the Twenty-Second Supplemental Indenture the corporate seal of the City. The Twenty-Second Supplemental Indenture will be effective immediately upon the filing of the Twenty-Second Supplemental Indenture with the Trustee.

Section Eight. **Execution of Series 2017 Bonds.**

The Series 2017 Refunding Bonds and the Series 2017 Project Bonds shall be executed on behalf of the City in the manner provided in the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, respectively. If any of the officers who shall have signed or sealed any of the Series 2017 Bonds shall cease to be such officers of the City before the Series 2017 Bonds so signed and sealed shall have been actually authenticated by the Trustee, or delivered by the City, such Series 2017 Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though the person or persons who signed or sealed such Series 2017 Bonds had not ceased to be such officer or officers of the City; and also any such Series 2017 Bonds may be signed and sealed on behalf of the City by those persons who, at the actual date of the execution of such Series 2017 Bonds, shall be the proper officers of the City, although at the dated date of such Series 2017 Bonds any such person shall not have been such officer of the City.

Section Nine. **Manner of Sale of the Series 2017 Bonds; Application of Proceeds of the Series 2017 Bonds.**

The Series 2017 Refunding Bonds may be sold at the best price obtainable at a negotiated sale as the Comptroller shall determine in her sole discretion, subject to the terms of this Ordinance and to the interest rate and par value limitations set forth in Chapter 108.170, Missouri Revised Statutes, 2016, as amended. The proceeds from the sale of the Series 2017 Refunding Bonds shall be applied by the City simultaneously with the delivery of the Series 2017 Refunding Bonds in accordance with the provisions of the Twenty-First Supplemental Indenture and the Escrow Agreement, if any.

The Series 2017 Project Bonds may be sold at the best price obtainable at a negotiated sale as the Comptroller shall determine in her sole discretion, subject to the terms of this Ordinance and to the interest rate and par value limitations set forth in Chapter 108.170, Missouri Revised Statutes, 2016, as amended. The proceeds from the sale of the Series 2017 Project Bonds shall be applied by the City simultaneously with the delivery of the Series 2017 Project Bonds in accordance with the provisions of the Twenty-Second Supplemental Indenture.

Section Ten. Bond Purchase Agreement.

In connection with a negotiated sale of the Series 2017 Bonds, the City hereby authorizes and directs the Mayor and the Comptroller to enter into a Bond Purchase Agreement (the "Bond Purchase Agreement") with the purchaser or purchasers of the Series 2017 Bonds (the "Underwriters"), which purchaser or purchasers will be led by a senior managing underwriter (the "Managing Underwriter") to be selected by the Comptroller, such Bond Purchase Agreement to set forth the terms of sale and to contain such other customary terms and provisions as the Mayor and the Comptroller shall approve, the Mayor's and the Comptroller's execution of the Bond Purchase Agreement to constitute conclusive evidence of such approval. The Series 2017 Bonds are hereby authorized to be sold to the Underwriters pursuant to the Bond Purchase Agreement.

Section Eleven. Investment of Series 2017 Refunding Bond Proceeds; Investment Agreements and Escrow Agreement, if any.

In connection with the refunding of the Refunded Bonds, the Treasurer of the City (the "Treasurer") is hereby authorized to purchase U.S. Treasury securities or other securities permitted by the Restated Indenture or to enter into such investment agreements, as the Treasurer shall deem necessary and appropriate to provide for the investment of the proceeds of any Series 2017 Refunding Bonds. In connection with the application of the proceeds of any Series 2017 Refunding Bonds toward the refunding of a portion of the Outstanding Bonds, the City hereby authorizes and directs the Mayor, the Comptroller, and the Treasurer to enter into one or more escrow agreements (the "Escrow Agreement"), if required, with the Escrow Agent, such Escrow Agreement to provide for the investment of the proceeds of the Series 2017 Refunding Bonds and the application of such amounts to the payment of any Refunded Bonds.

Section Twelve. Official Statement and Continuing Disclosure Agreement.

The Mayor and the Comptroller, with the advice and concurrence of the City Counselor, in connection with the public offering of the Series 2017 Bonds, are hereby authorized to prepare a Preliminary Official Statement for and on behalf of the City containing such disclosure and other matters deemed material, necessary or appropriate, as the Mayor and the Comptroller shall deem advisable. The Mayor and the Comptroller are hereby authorized to deliver certifications to the effect that the Preliminary Official Statement and the final Official Statement, together with such other documents, if any, described in such certificates, were deemed final as of their respective dates for the purposes of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"). The Mayor and the Comptroller are each hereby authorized to make public and to permit the Underwriters and the City's financial advisors to use and distribute the Preliminary Official Statement in connection with the sale of the Series 2017 Bonds. The Mayor and Comptroller, with the advice and concurrence of the City Counselor, in connection with the public offering of the Series 2017 Bonds, are each hereby authorized and directed to prepare, execute and deliver a final Official Statement for and on behalf of the City, and the Mayor and the Comptroller are hereby authorized and directed to execute and deliver a Continuing Disclosure Agreement (the "Continuing Disclosure Agreement") between the City and the Trustee, as dissemination agent, in a form necessary for the Underwriters to comply with Rule 15c2-12.

Section Thirteen. Credit Enhancement; Credit Facility or Surety.

Upon the recommendation of the Managing Underwriter and the City's financial advisors with respect to the Series 2017 Refunding Bonds and the Series 2017 Project Bonds, based upon a cost-benefit analysis, the Comptroller is hereby authorized to negotiate and approve the terms of any agreement for credit enhancement and to purchase credit enhancement with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds and related obligations from one or more recognized providers of credit enhancement, liquidity facility or surety with respect to all or a portion of the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds and to execute any agreement for credit enhancement with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds and related obligations and other documents in connection therewith as necessary to obtain credit enhancement with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds. The fees payable with respect to any credit enhancement acquired for the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds shall be payable out of the proceeds of the applicable Series of Series 2017 Refunding Bonds and/or Series 2017 Project Bonds as a cost of issuance.

Upon the recommendation of the Managing Underwriter and the City's financial advisors with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds, based upon a cost-benefit analysis, the Comptroller is hereby authorized to negotiate and approve the terms of any agreement for a credit facility or surety for any reserve fund with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds and to purchase a credit facility or surety for any reserve fund with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds from one or more recognized providers of credit facilities or sureties and to execute any agreement for a credit facility or surety and other documents therewith as necessary to obtain a credit facility or surety for any reserve fund with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds. The fees payable with respect to any credit facility or surety acquired for any reserve fund for the Series 2017 Refunding Bonds and/or

the Series 2017 Project Bonds shall be payable out of the proceeds of the applicable Series of Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds as a cost of issuance.

Section Fourteen. Authorized Officials; Further Authority.

The Mayor, the Comptroller, the Treasurer, the Register and other appropriate officers, agents and employees of the City, with the advice and concurrence of the City Counselor, are hereby authorized and empowered to execute and deliver the Series 2017 Refunding Bonds, the Series 2017 Project Bonds, the Twenty-First Supplemental Indenture, the Twenty-Second Supplemental Indenture, one or more Tax Certificates with respect to the Series 2017 Bonds (the "Tax Certificate"), the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Escrow Agreement, if any, any investment or related agreements, any agreement for credit enhancement and/or a credit facility or surety or other documents in connection therewith as necessary to obtain credit enhancement and/or a credit facility or surety (collectively, the "Bond Documents"), and all documents and other instruments which may be required under the terms of the Restated Indenture or the Bond Documents, and this Ordinance, including, without limitation, applications, notices and other forms required to qualify the Series 2017 Bonds for sale under state securities or "Blue Sky" laws. The Mayor, the Comptroller, the Treasurer, the Register and other appropriate officers, agents and employees of the City, with the advice and concurrence of the City Counselor, are hereby authorized and empowered to execute such documents and to take such actions as are necessary or appropriate in connection with the issuance and sale of the Series 2017 Bonds and the consummation of the transactions contemplated hereby, including, but not limited to the amendment or termination of existing forward delivery agreements, reserve fund agreements and investment contracts, as the Mayor and the Comptroller may deem necessary or desirable; provided, however, that any forward delivery agreements, reserve fund agreements, and investment contracts shall be authorized, negotiated, and approved by the Treasurer.

Section Fifteen. Reimbursement of Prior Expenditures.

The Airport has heretofore temporarily advanced funds to pay costs incurred in connection with the Series 2017 Project Bonds, with the expectation and desire that such advances be reimbursed from the proceeds of the Series 2017 Bonds. Reimbursement of such costs is hereby approved, conditioned upon receipt from the Airport of an accounting for such prior expenditures accompanied by appropriate supporting documents. This Ordinance will express the "official intent" of the City that such project costs be reimbursed from the proceeds of the Series 2017 Bonds, and the proper officials shall take all steps necessary to meet the requirements of U.S. Treasury Regulations Section 1.150-2 (or successor provisions) promulgated under the Internal Revenue Code of 1986, as amended.

Section Sixteen. Repeal of Conflicting Ordinances.

Subject to the rights of the holders of the Outstanding Obligations to a prior pledge of the Revenues, all provisions of other Ordinances of the City which are in conflict with this Ordinance, the Twenty-First Supplemental Indenture or the Twenty-Second Supplemental Indenture approved hereby (as executed and delivered) or the Restated Indenture shall be of no further force or effect on the City upon issuance and sale of the Series 2017 Bonds.

Section Seventeen. Severability.

The sections of this Ordinance shall be severable. In the event that any section of this Ordinance is found by a court of competent jurisdiction to be illegal or unconstitutional, the remaining sections of this Ordinance are valid unless the court finds the valid sections of this Ordinance are so essentially and inseparably connected with, and so dependent upon, the void section that it cannot be presumed that the Board of Aldermen would have enacted the valid sections without the void sections; or unless the court finds that the valid sections, standing alone, are incomplete and incapable of being executed in accordance with the legislative intent.

Section Eighteen. Emergency Clause.

The passage of this Ordinance and the issuance of the Series 2017 Bonds provided for hereunder, being necessary for providing for public work or improvement of any kind or repairs thereof, an emergency is hereby declared to exist under the terms and provisions of Article IV, Sections 19 and 20, of the Charter of The City of St. Louis; and this Ordinance shall take effect immediately upon its approval by the Mayor.

BOARD BILL FISCAL NOTE

Preparer's Name: James Garavaglia, Deputy Comptroller for Finance & Development
Phone Number or Email Address (will be available publicly): garavagliaj@stlouis-mo.gov
Bill Sponsor: Alderwoman Marlene Davis

Bill Synopsis:	To authorize the issuance of St. Louis Lambert International Airport (the "Airport" or "Lambert") (1) Refunding Bonds, Series 2017 A (non-AMT*) and Series 2017B (AMT**) (the "Refunding Bonds") for the purpose of refunding the Airport's outstanding Airport Revenue Bonds, Series 2007A (non-AMT) and Series 2007B (AMT) (the "Series 2007 Bonds") in order to reduce the annual and aggregate debt service payments on the Series 2007 Bonds and (2) Airport Revenue Bonds Series 2017 C (non-AMT) and Series 2017D (AMT) (the "Project Bonds") for the purpose of funding the construction, repair, improvement and renovation of certain projects at Lambert International Airport including runway expenditures, parking facilities, snow removal equipment, passenger loading facilities, and climate control equipment. The aggregate par amount of 2017 Project Bonds, Series 2017 C (non-AMT) and Series 2017 D (AMT), will not exceed $70 million. The final split between Series C and Series D will be determined by Tax Counsel's pending review of the detailed project list. * "non-AMT" = tax-exempt bonds not subject to Alternative Minimum Tax ** "AMT" = tax-exempt bonds subject to Alternative Minimum Tax
Type of Impact:	• Revenue neutral (please see "Bill Synopsis" above and also please note that all debt service costs associated with the Series 2017 C and D Project Bonds will be paid 100% by the signatory and non- signatory airlines operating at Lambert International Airport, as set forth in the Airport's 2016 Use and Lease Agreement. No City budget funds will be used to pay debt service on the 2017 Bonds) • The refunding bonds will be issued only if and when the available debt service savings (on a series by series basis) meet the City's and Airport's savings criteria of: (1) 3% present value ("PV") savings and (2) negative arbitrage of less the 75% of PV savings.
Agencies Affected:	Lambert International Airport, Comptroller's office, Budget Division

TWENTY-FIRST SUPPLEMENTAL INDENTURE OF TRUST

THIS TWENTY-FIRST SUPPLEMENTAL INDENTURE OF TRUST (this "Twenty-First Supplemental Indenture"), dated as of June 1, 2017, is made by and between The City of St. Louis, Missouri, a constitutional charter city and political subdivision of the State of Missouri (the "City"), and UMB Bank, N .A., a national banking association organized and existing under the laws of the United States of America, having a place of business in the City and duly authorized to exercise corporate trust powers, as trustee (in such capacity herein, and as successor in interest to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A., together with any successor in such capacity, referred to herein as the "Trustee"):

WITNESSETH:

WHEREAS, St. Louis Lambert International Airport (the "Airport") is owned by the City and operated by the Airport Authority of the City (the "Airport Authority");

WHEREAS, pursuant to Article VI, Section 27 of the Constitution of the State of Missouri, as amended, and various ordinances of the City, the City executed and delivered to the Trustee an Indenture of Trust dated as of October 15, 1984 (the "Original Indenture") between the City and the Trustee providing for the issuance from time to time of series of airport revenue bonds of the City, unlimited in aggregate principal amount, except as in the Original Indenture provided or as limited by law, which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "Restated Indenture") (the Original Indenture, as amended and restated by the Restated Indenture, and as amended and supplemented by the Seventeenth Supplemental Indenture of Trust dated as of June 1, 2011,the Eighteenth Supplemental Indenture of Trust dated as of June 1, 2012, the Nineteenth Supplemental Indenture of Trust dated as of June 1, 2013, and the Twentieth Supplemental Indenture of Trust dated as of June 1, 2015, and hereby, is referred to herein as the "Indenture");

WHEREAS, pursuant to a special election held on November 5, 1991, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of One Billion Five Hundred Million Dollars ($1,500,000,000) for the purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "1991 Voter Approval"); and pursuant to a special election held on April 8, 2003, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of Two Billion Dollars ($2,000,000,000) for the

purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "2003 Voter Approval", and together with the 1991 Voter Approval, the "Voter Approval"), thereby establishing a total Voter Approval of Three Billion Five Hundred Million Dollars ($3,500,000,000);

WHEREAS, the City desires to issue its Series 2017 Refunding Bonds (hereinafter defined) to refund certain of the City's outstanding Bonds, as hereinafter specified, and in connection therewith to provide for the funding of a Debt Service Reserve Account for the Series 2017 Refunding Bonds, and to make certain transfers of funds and to pay certain costs of issuing the Series 2017 Refunding Bonds;

WHEREAS, pursuant to Ordinance Number _____, adopted by the Board of Aldermen on _____, 2017, and approved by the Mayor on _____, 2017 (the "Ordinance"), the City is authorized to issue its Airport Revenue Refunding Bonds, Series 2017 (St. Louis Lambert International Airport) (the "Series 2017 Refunding Bonds") in one or more series, and to supplement and amend the Indenture in connection therewith, under authority of Article VI, Sections 27(a) and 28, of the Missouri Constitution (the "Constitution"), the statutes of the State of Missouri and the Voter Approval;

WHEREAS, pursuant to Sections 1101(5) and (9) of the Indenture, a Supplemental Indenture may be executed to provide for the issuance of a Series of Bonds;

WHEREAS, the Series 2017 Refunding Bonds and any Additional Bonds issued pursuant to the Indenture shall state that the principal of, premium, if any, and interest thereon are payable solely from the Revenues to be derived by the City from the operation of the Airport and certain funds pledged therefor under the Indenture and that such Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment thereof, either as to principal, premium or interest;

WHEREAS, this Twenty-First Supplemental Indenture provides for the issuance of the Series 2017 Refunding Bonds in the form, having the characteristics and being secured and entitled to the benefits as provided in the Indenture, including certain related transfers of funds;

WHEREAS, the Trustee agrees to accept and administer the trusts created hereby; and

WHEREAS, all things necessary to make the Series 2017 Refunding Bonds, when issued, executed and delivered by the City and authenticated by the Trustee, to the extent required pursuant to the Indenture, the valid, binding and legal limited obligations of the City and to constitute this Twenty-First Supplemental Indenture as a valid assignment and pledge of the Revenues herein pledged to the payment of the principal, Redemption Price and interest on the Series 2017 Refunding Bonds, as described herein, and a valid assignment and pledge of certain rights of the City, have been done and performed; and the creation, execution and delivery of this Twenty-First Supplemental Indenture, and the execution, issuance and delivery of the Series 2017 Refunding Bonds, subject to the terms hereof, have in all respects been duly authorized,

NOW, THEREFORE, THIS TWENTY-FIRST SUPPLEMENTAL INDENTURE FURTHER WITNESSETH:

That as security for payment of the principal, Redemption Price of and interest on the Bonds, including the Series 2017 Refunding Bonds, and any Additional Bonds issued from time to time under the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, and for any funds which may be advanced by the Trustee pursuant hereto, the City does hereby pledge to the Trustee a security interest in and to all the property described in the granting clauses of the Indenture and all proceeds of any of the foregoing (collectively, the "Trust Estate") and does hereby by these presents pledge, assign, grant, bargain and sell, convey and confirm to the Trustee a security interest in and to the same.

TO HAVE AND TO HOLD all the same with all privileges and appurtenances hereby conveyed and assigned or agreed or intended to be conveyed and assigned to the Trustee and its successors in such trust and their assigns forever.

IN TRUST, however, for the equal and proportionate benefit and security of the Owners from time to time of the Bonds issued under and secured by the Indenture, without privilege, priority or distinction as to the lien or otherwise of any of the Bonds over any of the others upon the terms and conditions hereinafter stated and except as otherwise herein expressly provided or provided in the Indenture.

SUBJECT TO the application of the proceeds of sale of the Series 2017 Refunding Bonds and the Revenues to the purposes and on the conditions permitted by the Indenture.

Bonds pursuant to the Indenture, consisting of the Series 2017A Refunding Bonds and the Series 2017B Refunding Bonds. The purpose for which the Series 2017 Refunding Bonds are being issued is to refund the Refunded Bonds and to pay certain of the costs of issuing the Series 2017 Refunding Bonds and, in connection therewith, to provide for the funding of a Debt Service Reserve Account and to make certain transfers of funds.

Section 2.02 **Principal Amount, Designation and Series.** The Series 2017 Refunding Bonds are entitled to the benefit, protection and security of the Indenture. The Series 2017 Refunding Bonds are hereby authorized to be issued in the aggregate principal amount of $_____. The Series 2017 Refunding Bonds are comprised of two sub-series and designated Series 2017A Bonds which shall be in the aggregate principal amount of $_____, and Series 2017B Bonds which shall be in the aggregate principal amount of $_____. The Series 2017 Refunding Bonds shall be designated and distinguished from the Bonds of all other Series by the title "Airport Revenue Refunding Bonds, Series 2017 (St. Louis Lambert International Airport)," together with the appropriate sub-series designation.

Section 2.03 **Date, Maturities and Interest**. The Series 2017 Refunding Bonds shall be issued, transferred and exchanged only in fully registered form and shall be dated the date of their original issuance and delivery. The Series 2017 Refunding Bonds shall mature on July 1 in the years and in the principal amounts and shall bear interest at the rates per annum, as follows:

Maturity (July 1)	Series 2017A Bonds Principal Amount	Interest Rate	CUSIP
Maturity (July 1)	Series 2017B Bonds Principal Amount	Interest Rate	CUSIP

The Series 2017 Refunding Bonds shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their dated or from the most recent Payment Date to which interest has been paid or duly provided for, payable semiannually on July 1 and January 1 in each year, beginning January 1, 2018.

Section 2.04 **Sale, Denominations, Numbers and Letters**. The Series 2017 Refunding Bonds shall be sold to the Underwriters through a negotiated sale or sales. The Series 2017 Refunding Bonds shall be issued in denominations of $5,000 and integral multiples thereof. The Series 2017A Bonds shall be substantially in the form set forth in Exhibit A to this Twenty-First

Supplemental Indenture. The Series 2017A Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017A Bond preceded by the letters "RA-." The Series 2017B Bonds shall be substantially in the form set forth in Exhibit B to this Twenty-First Supplemental Indenture. The Series 2017B Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017B Bond preceded by the letters "RB-."

Section 2.05 **Places of Payment.** The principal of the Series 2017 Refunding Bonds shall be payable by check or draft at maturity or when otherwise due upon presentment and surrender thereof at the principal payment office of the Trustee or at the office of any Paying Agent, to the persons in whose names the Series 2017 Refunding Bonds are registered on the registration books maintained by the Trustee as Bond Registrar. Interest on the Series 2017 Refunding Bonds will be paid by check or draft drawn upon the Trustee payable to the Owners thereof in accordance with Section 401.E of the Indenture. Registered Owners of either Series of Series 2017 Refunding Bonds of at least $1,000,000 may receive payments of interest by electronic transfer upon written notice provided by the registered Owner to the Trustee with the relevant instructions not later than five (5) days prior to the Record Date for such interest payment, such instructions to include the name of the bank (which shall be in the continental United States), its address, ABA routing number and the account number to which such payments shall be directed.

Section 2.06 **Redemption.** [The Series 2017 Refunding Bonds are not subject to redemption prior to maturity.] [The Series 2017 Refunding Bonds are subject to redemption prior to maturity in the sole discretion of the City from any source, in whole or in part at any time, as determined by the City (and within any maturity as selected by the Trustee in such equitable manner as it shall determine), on and after _____ 1, 20___, at the Redemption price of ____% of the principal amount of the Series 2017 Refunding Bonds or portions thereof to be redeemed, together with accrued interest to the redemption date.

The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, [whether such redemption is of Series 2017A Bonds or Series 2017B Bonds], the principal amount of the applicable Series 2017 Refunding Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of this Section 2.06.]

[**Section____. Notice of Redemption**. Notice of redemption for any or all of Series 2017A Bonds or Series 2017B Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the applicable Series 2017 Refunding Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.

Section 2.07 **Conditions Precedent**. The Series 2017 Refunding Bonds shall be executed by the City and delivered to the Trustee and shall thereupon be authenticated by the Trustee and delivered to the City or upon its order but only upon the receipt by the Trustee of the documents and monies required by the provisions of this Article II and Sections 302 and 305 of the Indenture.

Section 2.08 **Execution and Forms of Series 2017 Refunding Bonds and Authentication Certificate.**

(a) The Series 2017A Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit A attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017A Bonds and the provisions of the Indenture. The Series 2017B Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit B attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017B Bonds and the provisions of the Indenture.

(b) CUSIP identification numbers may be included herein and printed on the Series 2017 Refunding Bonds, but such numbers shall not be deemed to be a part of the Series 2017 Refunding Bonds or a part of the contract evidenced thereby and no liability shall hereafter attach to the City, the Trustee or any of the officers or agents thereof because of or on account of said CUSIP identification numbers.

ARTICLE III.
BOOK ENTRY SYSTEM FOR SERIES 2017 REFUNDING BONDS

Section 3.01 **Book-Entry Bonds; Securities Depository**. The Series 2017 Refunding Bonds shall initially be registered to Cede & Co,, the nominee for The Depository Trust Company, New York, New York (the "Securities Depository"), and no Beneficial Owner will receive certificates representing its respective interest in the Series 2017 Refunding Bonds, except in the event the Trustee issues replacement bonds as provided in this Section. It is anticipated that during the term of the Series 2017

Refunding Bonds, the Securities Depository will make book-entry transfers among its participants ("Participants") and receive and transmit payment of principal of, premium, if any, and interest on, the Series 2017 Refunding Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in the following paragraph.

(a) If the City determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system (to the exclusion of any Series 2017 Refunding Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Refunding Bonds, or if the Trustee receives written notice from Participants representing interests in not less than 50% of the Series 2017 Refunding Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system (to the exclusion of any Series 2017 Refunding Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Refunding Bonds, then the Trustee shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Trustee shall register in the name of and authenticate and deliver replacement bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each; provided, that in the case of a determination under (a)(l) or (a)(2) of this paragraph, the City, with the consent of the Trustee, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when at least one Series 2017 Bond is registered in the name of the Securities Depository or its nominee. Upon the issuance of replacement bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such replacement bonds. If the Securities Depository resigns and the City, the Trustee or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Trustee shall authenticate and cause delivery of replacement bonds to Owners, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names and addresses of and principal amounts owned by of the Beneficial Owners of the Series 2017 Refunding Bonds. The cost of printing, registration, authentication, and delivery of replacement bonds shall be paid for by the City.

(b) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. Upon receipt of a Series 2017 Bond for cancellation the Trustee shall cause the delivery of a Series 2017 Bond to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE IV.
CREATION OF ACCOUNTS; APPLICATION OF FUNDS; DEBT SERVICE RESERVE REQUIREMENT

Section 4.01 **Creation of Accounts.**

(a) The following sub-accounts are hereby created within the specified Accounts established by the Indenture:

(i) the Series 2017A Refunding Sub-Account (the "Series 2017A Refunding Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(ii) the Series 2017B Refunding Sub-Account (the "Series 2017B Refunding Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(iii) the Series 2017 Refunding Bonds Debt Service Reserve Sub-Account (the "Series 2017 Refunding Debt Service Reserve Sub-Account") of the Debt Service Reserve Account of the Airport Bond Fund;

(iv) the Series 2017A Refunding Bonds Debt Service Sub-Account (the "Series 2017A Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund; and

(v) the Series 2017B Refunding Bonds Debt Service Sub-Account (the "Series 2017B Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund; and

(vi) the Series 2017 Refunding Bonds Costs of Issuance Sub-Account (the "Series 2017 Costs of Issuance Sub-Account") to be held by the Trustee and used to pay the Costs of Issuance of the Series 2017 Refunding Bonds, with any balance remaining after _____, 201___ to be transferred to the Revenue Fund.

(b) The sub-accounts created pursuant to Section 4.01(a) are hereinafter referred to collectively as the 2017 Refunding Bonds Accounts. Each of the 2017 Refunding Bonds Accounts shall be used for the same purposes as the respective fund or account to which it relates. Moneys on deposit in each of the 2017 Refunding Bonds Accounts pursuant to this Section 4.01 shall be held and used for purposes and on the conditions specified in the Indenture. Money credited to the 2017 Refunding Bonds Accounts may be held by the City, in the case of funds deposited with the City under the Indenture, or by the Trustee, in the case of funds deposited with the Trustee under the Indenture. However, the investment of monies with respect to each of the 2017 Refunding Bonds Accounts shall be separately made and maintained. The investment earnings of any of the 2017 Refunding Bonds Accounts shall be transferred to the Revenue Fund as provided in the Indenture.

(c) The City and the Trustee, as the case may be, may eliminate any of the aforementioned 2017 Refunding Bonds Accounts and transfer all amounts therein to the related Fund if both receive the written opinion of Bond Counsel that the failure to maintain such account will not adversely affect the tax-exempt status of interest on the Series 2017 Refunding Bonds.

Section 4.05 **2017 Refunding Bonds Debt Service Reserve Requirement.**

(a) The Series 2017 Refunding Bonds Debt Service Reserve Requirement shall initially be $_____.

(b) The Series 2017 Refunding Bonds Debt Service Reserve Requirement shall be funded by the deposit of the amount set forth in Section 4.03(b) hereof in the Series 2017 Refunding Bonds Debt Service Reserve Sub–Account.

ARTICLE V.
MISCELLANEOUS

Section 5.01 **Provisions of Indenture**. Except as otherwise provided by this Twenty-First Supplemental Indenture, all of the provisions, terms and conditions of the Indenture shall continue in full force and effect.

Section 5.02 **Counterparts**. This Twenty-First Supplemental Indenture may be executed in several counterparts, all or any of which may be treated for all purposes as an original and shall constitute and be one and the same instrument.

Section 5.03 **Supplemental Indenture.** This Twenty-First Supplemental Indenture is being executed and delivered pursuant to Sections 1101(5) and 1101(9) of the Indenture.

Section 5.04 **Continuing Disclosure.** The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement and that such Continuing Disclosure Agreement is intended to be for the benefit of the Holders of the Series 2017 Refunding Bonds and the Beneficial Owners thereof. Notwithstanding any other provision of the Indenture, failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may, and, upon receipt of satisfactory indemnity at the request of any of the Underwriters or any Bondholder(s) of 25% or more of the Series 2017 Refunding Bonds then Outstanding, shall (or any Bondholder of Series 2017 Refunding Bonds may) take such actions as may be necessary and appropriate, including seeking a mandamus for specific performance by court order, to cause the City or the Trustee, as the case may be, to comply with their obligations under this Section. A default under the Continuing Disclosure Agreement shall not be a default under the Indenture, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Section 5.05 **Tax Covenants of the City**. The City covenants that it will comply with the Tax Certificate and the applicable requirements of the Code throughout the term of the Series 2017 Refunding Bonds. The City also covenants that it will neither make nor direct the Trustee to make any investment or other use of the proceeds of the Series 2017 Refunding Bonds that would (a) cause the Series 2017 Refunding Bonds to be "arbitrage bonds" as that term is defined in Section 148(a) of the Code or (b) cause interest paid on the Series 2017 Refunding Bonds to not be excludable from gross income for federal income tax purposes pursuant to Section 103(a) of the Code [or for the Series 2017A Bonds to be "private activity bonds" within the meaning of Section 141 of the Code]. The Trustee covenants that in those instances where it exercises discretion over the investment of funds, it shall not knowingly make any investment inconsistent with the foregoing covenants.

The City covenants that it (a) will take, or use its best efforts to require to be taken, all actions that may be required of the City for the interest on the Series 2017 Refunding Bonds to be and remain not included in gross income for federal income tax purposes and (b) will not take or authorize to be taken any actions within its control that would adversely affect that status under the provisions of the Code.

Section 5.06 **Defeasance of Refunded Bonds**. To accomplish the defeasance of the Refunded Bonds, the City shall cause to be delivered an opinion of nationally recognized bond counsel to the effect that the Refunded Bonds are no longer "Outstanding" under the Indenture, and a certificate of discharge of the Trustee with respect to the Refunded Bonds; such defeasance opinion to be acceptable in form and substance, and addressed, to the City and the Trustee.

Section 5.07 **Transactions by Electronic Means**. The transactions described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

IN WITNESS WHEREOF, the City has caused this Twenty-First Supplemental Indenture to be signed in its name by its Mayor, Comptroller and Treasurer and attested by its Register, and the Trustee, in acceptance of the trusts created hereunder, has caused this Twenty-First Supplemental Indenture to be signed in its corporate name by its officer thereunder duly authorized, all as of the day and year first above written.

REGISTERED OWNER: CEDE & CO
PRINCIPAL AMOUNT: _____ DOLLARS

THE CITY OF ST. LOUIS (the "City"), a constitutional charter city and political subdivision of the State of Missouri (the "State"), hereby acknowledges itself indebted to, and for value received hereby promises to pay, solely from the revenues and funds pledged therefor as hereinafter provided, to the registered Owner specified above, or registered assigns, on the maturity date specified above, the principal sum specified above, and to pay solely from such revenues and funds pledged therefor, to the registered Owner hereof interest on such principal sum from the dated date specified above at the rate of interest specified above, payable on July 1 and January 1 in each year commencing January 1, 2018, and semiannually thereafter until such principal sum shall be discharged as provided in the Indenture hereinafter mentioned. The principal of this Bond shall be payable by check or draft in lawful money of the United States of America upon presentation at the principal payment office of UMB Bank, N.A., St. Louis, Missouri or at the office of any other Paying Agent appointed pursuant to an Indenture of Trust between the City and UMB Bank, N. A. (as successor to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A.), as trustee (the "Trustee"), dated as of October 15, 1984, as amended and supplemented (the "Original Indenture"), as amended, restated and superseded by the Amended and Restated Indenture of Trust dated as of July 1, 2009 between the City and the Trustee, as supplemented and amended, including by the Twenty-First Supplemental Indenture dated as of June 1, 2017, authorizing the Series 2017 Refunding Bonds (as hereinafter defined) (the Original Indenture, as so amended, supplemented and restated is referred to herein as the "Indenture"). Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017A Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017A Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017A Bond is initially issued in book– entry form and is registered in the name of Cede & Co., as the nominee of OTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to OTC.

This Series 2017A Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport)" (the "Series 2017A Bonds") in the aggregate principal amount of $_____, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017A Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017A Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017A Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Refunding Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Refunding Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Refunding Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Refunding Bonds are without recourse to the City or the State. The Series 2017 Refunding Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise

may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017 Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017 Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017 Bond or Series 2017 Refunding Bonds, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017 Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Refunding Bonds of the issue of which this Series 2017 Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017 Bond or Series 2017 Refunding Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017 Refunding Bonds of any other authorized denominations of the same issue.

[The Series 2017 Refunding Bonds are not subject to redemption prior to maturity.]

[Add redemption provisions, if any.]

[The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017 Refunding Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as supplemented by the Twenty-First Supplemental Indenture.]

[Notice of redemption for any or all of the Series 2017 Refunding Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Refunding Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.]

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017A Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017A Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017 Bond, exist, have happened and have been performed.

This Series 2017A Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of St. Louis has caused this Series 2017A Bond to be executed in its name and on its behalf by the manual or facsimile signatures of the Mayor and the Comptroller and its corporate seal (or a facsimile thereof) to be affixed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Register, all as of the date of authentication specified below.

Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017B Bond registration books

maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017B Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017B Bond is initially issued in book– entry form and is registered in the name of Cede & Co., as the nominee of OTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to OTC.

This Series 2017B Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport)" (the "Series 2017B Bonds") in the aggregate principal amount of $_____, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017B Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017B Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017B Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Refunding Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Refunding Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Refunding Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Refunding Bonds are without recourse to the City or the State. The Series 2017 Refunding Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017 Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017 Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017 Bond or Series 2017 Refunding Bonds, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017 Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Refunding Bonds of the issue of which this Series 2017 Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017 Bond or Series 2017 Refunding Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017 Refunding Bonds of any other authorized denominations of the same issue.

[The Series 2017 Refunding Bonds are not subject to redemption prior to maturity.]

[Add redemption provisions, if any.]

[The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017 Refunding Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as Supplemented by the Twenty-First Supplemental Indenture.]

[Notice of redemption for any or all of the Series 2017 Refunding Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Refunding Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.]

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017B Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017B Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017 Bond, exist, have happened and have been performed.

This Series 2017B Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of St. Louis has caused this Series 2017B Bond to be executed in its name and on its behalf by the manual or facsimile signatures of the Mayor and the Comptroller and its corporate seal (or a facsimile thereof) to be affixed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Register, all as of the date of authentication specified below.

TWENTY-SECOND SUPPLEMENTAL INDENTURE OF TRUST

THIS TWENTY-SECOND SUPPLEMENTAL INDENTURE OF TRUST (this "Twenty-Second Supplemental Indenture"), dated as of June 1, 2017, is made by and between The City of St. Louis, Missouri, a constitutional charter city and political subdivision of the State of Missouri (the "City"), and UMB Bank, N .A., a national banking association organized and existing under the laws of the United States of America, having a place of business in the City and duly authorized to exercise corporate trust powers, as trustee (in such capacity herein, and as successor in interest to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A., together with any successor in such capacity, referred to herein as the "Trustee"):

WITNESSETH:

WHEREAS, St. Louis Lambert International Airport (the "Airport") is owned by the City and operated by the Airport Authority of the City (the "Airport Authority");

WHEREAS, pursuant to Article VI, Section 27 of the Constitution of the State of Missouri, as amended, and various ordinances of the City, the City executed and delivered to the Trustee an Indenture of Trust dated as of October 15, 1984 (the "Original Indenture") between the City and the Trustee providing for the issuance from time to time of series of airport Project Bonds of the City, unlimited in aggregate principal amount, except as in the Original Indenture provided or as limited by law, which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "Restated Indenture") (the Original Indenture, as amended and restated by the Restated Indenture, and as amended and supplemented by the Seventeenth Supplemental Indenture of Trust dated as of June 1, 2011, the

Eighteenth Supplemental Indenture of Trust dated as of June 1, 2012, the Nineteenth Supplemental Indenture of Trust dated as of June 1, 2013, and the Twentieth Supplemental Indenture of Trust dated as of June 1, 2015, and hereby, is referred to herein as the "Indenture");

WHEREAS, pursuant to a special election held on November 5, 1991, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of One Billion Five Hundred Million Dollars ($1,500,000,000) for the purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "1991 Voter Approval"); and pursuant to a special election held on April 8, 2003, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of Two Billion Dollars ($2,000,000,000) for the purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "2003 Voter Approval", and together with the 1991 Voter Approval, the "Voter Approval"), thereby establishing a total Voter Approval of Three Billion Five Hundred Million Dollars ($3,500,000,000);

WHEREAS, the City desires to issue its Series 2017 Revenue Bonds (hereinafter defined) for the purposes set forth in the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, as hereinafter specified, and in connection therewith to provide for the funding of a Debt Service Reserve Account for the Series 2017 Revenue Bonds, and to make certain transfers of funds and to pay certain costs of issuing the Series 2017 Revenue Bonds;

WHEREAS, pursuant to Ordinance Number _____, adopted by the Board of Aldermen on _____, 2017, and approved by the Mayor on _____, 2017 (the "Ordinance"), the City is authorized to issue its Airport Revenue Bonds consisting of $_____ Series 2017C and $_____ Series 2017D (St. Louis Lambert International Airport) (collectively, the "Series 2017 Project Bonds" and with the Series 2017 Refunding Bonds, the "Series 2017 Revenue Bonds"), and to supplement and amend the Indenture in connection therewith, under authority of Article VI, Sections 27(a) and 28, of the Missouri Constitution (the "Constitution"), the statutes of the State of Missouri and the Voter Approval;

WHEREAS, pursuant to Sections 1101(5) and (9) of the Indenture, a Supplemental Indenture may be executed to provide for the issuance of a Series of Bonds;

WHEREAS, the Series 2017 Revenue Bonds and any Additional Bonds issued pursuant to the Indenture shall state that the principal of, premium, if any, and interest thereon are payable solely from the Revenues to be derived by the City from the operation of the Airport and certain funds pledged therefor under the Indenture and that such Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment thereof, either as to principal, premium or interest;

WHEREAS, this Twenty-Second Supplemental Indenture provides for the issuance of the Series 2017 Project Bonds in the form, having the characteristics and being secured and entitled to the benefits as provided in the Indenture, including certain related transfers of funds;

WHEREAS, the Trustee agrees to accept and administer the trusts created hereby; and

WHEREAS, all things necessary to make the Series 2017 Project Bonds, when issued, executed and delivered by the City and authenticated by the Trustee, to the extent required pursuant to the Indenture, the valid, binding and legal limited obligations of the City and to constitute this Twenty-Second Supplemental Indenture as a valid assignment and pledge of the Revenues herein pledged to the payment of the principal, Redemption Price and interest on the Series 2017 Revenue Bonds, as described herein, and a valid assignment and pledge of certain rights of the City, have been done and performed; and the creation, execution and delivery of this Twenty-Second Supplemental Indenture, and the execution, issuance and delivery of the Series 2017 Revenue Bonds, subject to the terms hereof, have in all respects been duly authorized,

NOW, THEREFORE, THIS TWENTY-SECOND SUPPLEMENTAL INDENTURE FURTHER WITNESSETH:

That as security for payment of the principal, Redemption Price of and interest on the Bonds, including the Series 2017 Revenue Bonds, and any Additional Bonds issued from time to time under the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, and for any funds which may be advanced by the Trustee pursuant hereto, the City does hereby pledge to the Trustee a security interest in and to all the property described in the granting clauses of the Indenture and all proceeds of any of the foregoing (collectively, the "Trust Estate") and does hereby by these presents pledge, assign, grant, bargain and sell, convey and confirm to the Trustee a security interest in and to the same.

TO HAVE AND TO HOLD all the same with all privileges and appurtenances hereby conveyed and assigned or agreed or intended to be conveyed and assigned to the Trustee and its successors in such trust and their assigns forever.

(e) Any terms defined in this Twenty-Second Supplemental Indenture have the meanings attributed to them where defined. Any capitalized terms used herein and not defined shall have the same meaning ascribed to such terms as in the Indenture.

(f) Words referring to the redemption or calling for redemption of Series 2017 Project Bonds shall not be deemed to refer to the payment of Series 2017 Project Bonds at their stated maturity.

(g) The captions or headings herein are for convenience only and in no way define, limit or describe the scope or intent, or control or affect the meaning or construction, of any provisions or sections hereof.

(h) The Section numbers are those of this Twenty-Second Supplemental Indenture unless stated otherwise.

(i) Whenever an item or items are listed after the word "including," such listing is not intended to be a listing that excludes items not listed.

ARTICLE II.
AUTHORIZATION OF SERIES 2017 PROJECT BONDS

Section 2.01 **Authorization and Purpose**. The City hereby authorizes the issuance of two additional Series of Bonds pursuant to the Indenture, consisting of the Series 2017C Project Bonds and the Series 2017D Project Bonds. The purpose for which the Series 2017 Revenue Bonds are being issued is to finance a portion of the costs of the 2017 Project at the Airport, and to pay certain of the costs of issuing the Series 2017 Revenue Bonds and, in connection therewith, to provide for the funding of a Debt Service Reserve Account and to pay certain of the costs of issuing the Series 2017 Revenue Bonds.

Section 2.02 **Principal Amount, Designation and Series**. The Series 2017 Project Bonds are entitled to the benefit, protection and security of the Indenture. The Series 2017 Project Bonds are hereby authorized to be issued in the aggregate principal amount of $_____. The Series 2017 Project Bonds are comprised of two series designated Series 2017C Project Bonds which shall be in the aggregate principal amount of $_____, and Series 2017D Project Bonds which shall be in the aggregate principal amount of $_____. The Series 2017 Project Bonds shall be designated and distinguished from the Bonds of all other Series by the title "Airport Revenue Bonds, Series 2017 (St. Louis Lambert International Airport)," together with the appropriate series designation.

Section 2.03 **Date, Maturities and Interest**. The Series 2017 Project Bonds shall be issued, transferred and exchanged only in fully registered form and shall be dated the date of their original issuance and delivery. The Series 2017 Project Bonds shall mature on July 1 in the years and in the principal amounts and shall bear interest at the rates per annum, as follows:

Maturity (July 1)	Series 2017C Revenue Bonds Principal Amount	Interest Rate	CUSIP

Maturity (July 1)	Series 2017D Revenue Bonds Principal Amount	Interest Rate	CUSIP

The Series 2017 Project Bonds shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their dated or from the most recent Payment Date to which interest has been paid or duly provided for, payable semiannually on July 1 and January 1 in each year, beginning January 1, 2018.

Section 2.04 **Sale, Denominations, Numbers and Letters**. The Series 2017 Project Bonds shall be sold to the Underwriters through a negotiated sale or sales. The Series 2017 Project Bonds shall be issued in denominations of $5,000 and integral multiples thereof. The Series 2017C Project Bonds shall be substantially in the form set forth in Exhibit A to this Twenty-Second Supplemental Indenture. The Series 2017C Project Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017C Revenue Bond preceded by the letters "RC-." The Series 2017D Revenue Bonds shall be substantially in the form set forth in Exhibit B to this Twenty-Second Supplemental Indenture. The Series 2017D Project Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017B Revenue Bond preceded by the letters "RD-."

Section 2.05 **Places of Payment.** The principal of the Series 2017 Project Bonds shall be payable by check or draft at maturity or when otherwise due upon presentment and surrender thereof at the principal payment office of the Trustee or at the office of any Paying Agent, to the persons in whose names the Series 2017 Project Bonds are registered on the registration books maintained by the Trustee as Bond Registrar. Interest on the Series 2017 Project Bonds will be paid by check or draft drawn upon the Trustee payable to the Owners thereof in accordance with Section 401.E of the Indenture. Registered Owners of either Series of Series 2017 Project Bonds of at least $1,000,000 may receive payments of interest by electronic transfer upon written notice provided by the registered Owner to the Trustee with the relevant instructions not later than five (5) days prior to the Record Date for such interest payment, such instructions to include the name of the bank (which shall be in the continental United States), its address, ABA routing number and the account number to which such payments shall be directed.

Section 2.06 **Redemption**. [The Series 2017 Project Bonds are not subject to redemption prior to maturity.] [The Series 2017 Project Bonds are subject to redemption prior to maturity in the sole discretion of the City from any source, in whole or in part at any time, as determined by the City (and within any maturity as selected by the Trustee in such equitable manner as it shall determine), on and after _____ 1, 20___, at the Redemption price of ____% of the principal amount of the Series 2017 Project Bonds or portions thereof to be redeemed, together with accrued interest to the redemption date.

The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, [whether such redemption is of Series 2017C Revenue Bonds or Series 2017D Revenue Bonds], the principal amount of the applicable Series 2017 Project Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of this Section 2.06.]

[Section___. **Notice of Redemption**. Notice of redemption for any or all of Series 2017C Revenue Bonds or Series 2017D Revenue Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the applicable Series 2017 Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such

moneys are so deposited.

Section 2.07 **Conditions Precedent.** The Series 2017 Project Bonds shall be executed by the City and delivered to the Trustee and shall thereupon be authenticated by the Trustee and delivered to the City or upon its order but only upon the receipt by the Trustee of the documents and monies required by the provisions of this Article II and Sections 302 and 305 of the Indenture.

Section 2.08 **Execution and Forms of Series 2017 Project Bonds and Authentication Certificate.**

(a) The Series 2017C Project Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit A attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017C Project Bonds and the provisions of the Indenture. The Series 2017D Project Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit B attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017D Project Bonds and the provisions of the Indenture.

(b) CUSIP identification numbers may be included herein and printed on the Series 2017 Project Bonds, but such numbers shall not be deemed to be a part of the Series 2017 Project Bonds or a part of the contract evidenced thereby and no liability shall hereafter attach to the City, the Trustee or any of the officers or agents thereof because of or on account of said CUSIP identification numbers.

ARTICLE III.
BOOK ENTRY SYSTEM FOR SERIES 2017 PROJECT BONDS

Section 3.01 **Book-Entry Bonds; Securities Depository.** The Series 2017 Project Bonds shall initially be registered to Cede & Co,, the nominee for The Depository Trust Company, New York, New York (the "Securities Depository"), and no Beneficial Owner will receive certificates representing its respective interest in the Series 2017 Project Bonds, except in the event the Trustee issues replacement bonds as provided in this Section. It is anticipated that during the term of the Series 2017 Project Bonds, the Securities Depository will make book-entry transfers among its participants ("Participants") and receive and transmit payment of principal of, premium, if any, and interest on, the Series 2017 Project Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in the following paragraph.

(a) If the City determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system (to the exclusion of any Series 2017 Revenue Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Revenue Bonds, or if the Trustee receives written notice from Participants representing interests in not less than 50% of the Series 2017 Revenue Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system (to the exclusion of any Series 2017 Revenue Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Project Bonds, then the Trustee shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Trustee shall register in the name of and authenticate and deliver replacement bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each; provided, that in the case of a determination under (a)(l) or (a)(2) of this paragraph, the City, with the consent of the Trustee, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when at least one Series 2017 Project Bond is registered in the name of the Securities Depository or its nominee. Upon the issuance of replacement bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such replacement bonds. If the Securities Depository resigns and the City, the Trustee or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Trustee shall authenticate and cause delivery of replacement bonds to Owners, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names and addresses of and principal amounts owned by of the Beneficial Owners of the Series 2017 Project Bonds. The cost of printing, registration, authentication, and delivery of replacement bonds shall be paid for by the City.

(b) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other

applicable statute or regulation that operates a securities depository upon reasonable and customary terms. Upon receipt of a Series 2017 Project Bond for cancellation the Trustee shall cause the delivery of a Series 2017 Project Bond to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE IV.
CREATION OF ACCOUNTS; APPLICATION OF FUNDS;
DEBT SERVICE RESERVE REQUIREMENT

Section 4.01 **Creation of Accounts.**

(a) The following sub-accounts are hereby created within the specified Accounts established by the Indenture:

(i) the Series 2017C Project Sub-Account (the "Series 2017C Project Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(ii) the Series 2017D Project Sub-Account (the "Series 2017D Project Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(iii) the Series 2017 Project Bonds Debt Service Reserve Sub-Account (the "Series 2017 Project Debt Project Service Reserve Sub-Account") of the Debt Service Reserve Account of the Airport Bond Fund;

(iv) the 2017C Construction Sub-Account (the "Series 2017C Construction Sub-Account") to be held by the trustee and used to pay the costs of the 2017C Project; and

(v) the Series 2017D Construction Sub-Account (the "Series 2017D Construction Sub-Account") to be held by the trustee and used to pay the costs of the 2017D Project; and

(vi) the Series 2017 Project Bonds Costs of Issuance Sub-Account (the "Series 2017 Costs of Issuance Sub-Account") to be held by the Trustee and used to pay the Costs of Issuance of the Series 2017 Project Bonds, with any balance remaining after _____, 201___to be transferred to the Revenue Fund.

(b) The sub-accounts created pursuant to Section 4.01(a) are hereinafter referred to collectively as the 2017 Project Bonds Accounts. Each of the 2017 Project Bonds Accounts shall be used for the same purposes as the respective fund or account to which it relates. Moneys on deposit in each of the 2017 Project Bonds Accounts pursuant to this Section 4.01 shall be held and used for purposes and on the conditions specified in the Indenture. Money credited to the 2017 Project Bonds Accounts may be held by the City, in the case of funds deposited with the City under the Indenture, or by the Trustee, in the case of funds deposited with the Trustee under the Indenture. However, the investment of monies with respect to each of the 2017 Project Bonds Accounts shall be separately made and maintained. The investment earnings of any of the 2017 Project Bonds Accounts shall be transferred to the Revenue Fund as provided in the Indenture. Moneys may be transferred between the 2017C Construction Sub-Account and the 2017D Construction Sub-Account on written instruction from the City together with an opinion from Co-Bond Counsel that such transfer will not impact the tax-exempt status of the 2017 Project Bonds.

(c) The City and the Trustee, as the case may be, may eliminate any of the aforementioned 2017 Project Bonds Accounts and transfer all amounts therein to the related Fund if both receive the written opinion of Bond Counsel that the failure to maintain such account will not adversely affect the tax-exempt status of interest on the Series 2017 Project Bonds.

Section 4.02 **Application of Proceeds of Series 2017 Project Bonds**. ***Series 2017C Project Bonds***. On the date of delivery of the Series 2017 Project Bonds, the proceeds of the Series 2017C Project Bonds in the amount of $_____ (which amount constitutes the aggregate principal amount of the Series 2017C Project Bonds plus [minus] original issue premium [discount] on the Series 2017C Project Bonds of $_____, less [Bond Insurance Premium of $_____ and] the Underwriters' discount of $_____, shall be delivered or caused to be delivered by the City to the Trustee for application as follows:

(a) $_____ of the proceeds of the Series 2017 Project Bonds shall be deposited into the Series 2017 Costs of Issuance Sub-Account to be used to pay costs of issuance of the Series 2017 Project Bonds; and

(b) $_____ of the proceeds of the Series 2017C Project Bonds shall be deposited into the Series 2017 Project Bonds Debt Service Reserve Sub-Account;

(c) $_____ of the proceeds of the Series 2017C Project Bonds, shall be deposited into the Series 2017C Construction Sub-Account.

Section 4.03 ***Series 2017D Project Bonds***. On the date of delivery of the Series 2017 Project Bonds, the proceeds of the Series 2017D Project Bonds in the amount of $_____ (which amount constitutes the aggregate principal amount of the Series 2017D Project Bonds plus [minus] original issue premium [discount] on the Series 2017D Project Bonds of $_____, less [Bond Insurance Premium of $_____ and] the Underwriters' discount of $_____, shall be delivered or caused to be delivered by the City to the Trustee for application as follows:

(a) $_____ of the proceeds of the Series 2017D Project Bonds shall be deposited into the Series 2017 Costs of Issuance Sub-Account to be used to pay costs of issuance of the Series 2017 Project Bonds; and

(b) $_____ of the proceeds of the Series 2017D Project Bonds shall be deposited into the Series 2017 Project Bonds Debt Service Reserve Sub-Account

(c) $_____ of the proceeds of the Series 2017D Project Bonds, shall be deposited into the Series 2017C Construction Sub-Account.

Section 4.04 **Series 2017 Project Bonds Debt Service Reserve Requirement**.

(a) The Series 2017 Project Bonds Debt Service Reserve Requirement shall initially be $_____.

(b) The Series 2017 Project Bonds Debt Service Reserve Requirement shall be funded by the deposit of the amount set forth in Section 4.02(b) and Section 4.02(e) from proceeds of the Series 2017 Project Bonds.

ARTICLE V.
PLEDGE OF PFC REVENUES

Section 5.01 **General**. A portion of the Series 2017 Project Bond proceeds will be used to finance PFC-Eligible Projects. Certain PFC Revenues are pledged to the payment of the 2017 Project Bonds as set forth in this Article V.

Section 5.02 **Designation of PFC-Eligible Project and PFC-Eligible Debt Service**. The component projects of the 2017 Project set forth in Appendix II hereto are hereby designated as PFC-Eligible Projects, and the portion of the debt service on the Series 2017 Project Bonds attributable to such PFC-Eligible Projects, as set forth in Appendix III hereto, is hereby designated as PFC-Eligible Debt Service. The amount of Series 2017 Project Bond proceeds to be used to finance each PFC-Eligible Project listed in Appendix II hereto may be increased or decreased so long as the total amount of Series 2017 Project Bond proceeds used to finance the PFC-Eligible Projects listed on Appendix II hereto remains equal to $_____. In the event of the redemption or defeasance of a portion of the Series 2017 Project Bonds, the City shall provide the Trustee with a certificate which reflects the reduction in PFC-Eligible Debt Service as a result of such redemption or defeasance.

Section 5.03 **Pledged PFC Revenues**. There are hereby pledged to the payment of the Series 2017 Project Bonds, for each PFC Year, an amount equal to 125% of the amount of PFC-Eligible Debt Service designated in Section 5.02 hereof. Such pledged amount shall constitute Pledged PFC Revenues and is in addition to any PFC Revenues previously or hereafter pledged to the payment of the Bonds.

ARTICLE VI.
MISCELLANEOUS

Section 6.01 **Provisions of Indenture**. Except as otherwise provided by this Twenty-Second Supplemental Indenture, all of the provisions, terms and conditions of the Indenture shall continue in full force and effect.

Section 6.02 **Counterparts**. This Twenty-Second Supplemental Indenture may be executed in several counterparts, all or any of which may be treated for all purposes as an original and shall constitute and be one and the same instrument.

Section 6.03 **Supplemental Indenture**. This Twenty-Second Supplemental Indenture is being executed and delivered pursuant to Sections 1101(5) and 1101(9) of the Indenture.

Section 6.04 **Continuing Disclosure**. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement and that such Continuing Disclosure Agreement is intended to be for

the benefit of the Holders of the Series 2017 Project Bonds and the Beneficial Owners thereof. Notwithstanding any other provision of the Indenture, failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may, and, upon receipt of satisfactory indemnity at the request of any of the Underwriters or any Bondholder(s) of 25% or more of the Series 2017 Project Bonds then Outstanding, shall (or any Bondholder of Series 2017 Project Bonds may) take such actions as may be necessary and appropriate, including seeking a mandamus for specific performance by court order, to cause the City or the Trustee, as the case may be, to comply with their obligations under this Section. A default under the Continuing Disclosure Agreement shall not be a default under the Indenture, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Section 6.05 **Tax Covenants of the City**. The City covenants that it will comply with the Tax Certificate and the applicable requirements of the Code throughout the term of the Series 2017 Project Bonds. The City also covenants that it will neither make nor direct the Trustee to make any investment or other use of the proceeds of the Series 2017 Project Bonds that would (a) cause the Series 2017 Project Bonds to be "arbitrage bonds" as that term is defined in Section 148(a) of the Code or (b) cause interest paid on the Series 2017 Project Bonds to not be excludable from gross income for federal income tax purposes pursuant to Section 103(a) of the Code [or for the Series 2017C Project Bonds to be "private activity bonds" within the meaning of Section 141 of the Code]. The Trustee covenants that in those instances where it exercises discretion over the investment of funds, it shall not knowingly make any investment inconsistent with the foregoing covenants.

The City covenants that it (a) will take, or use its best efforts to require to be taken, all actions that may be required of the City for the interest on the Series 2017 Project Bonds to be and remain not included in gross income for federal income tax purposes and (b) will not take or authorize to be taken any actions within its control that would adversely affect that status under the provisions of the Code.

Section 6.06 **Transactions by Electronic Means**. The transactions described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

THE CITY OF ST. LOUIS (the "City"), a constitutional charter city and political subdivision of the State of Missouri (the "State"), hereby acknowledges itself indebted to, and for value received hereby promises to pay, solely from the revenues and funds pledged therefor as hereinafter provided, to the registered Owner specified above, or registered assigns, on the maturity date specified above, the principal sum specified above, and to pay solely from such revenues and funds pledged therefor, to the registered Owner hereof interest on such principal sum from the dated date specified above at the rate of interest specified above, payable on July 1 and January 1 in each year commencing January 1, 2018, and semiannually thereafter until such principal sum shall be discharged as provided in the Indenture hereinafter mentioned. The principal of this Bond shall be payable by check or draft in lawful money of the United States of America upon presentation at the principal payment office of UMB Bank, N.A., St. Louis, Missouri or at the office of any other Paying Agent appointed pursuant to an Indenture of Trust between the City and UMB Bank, N. A. (as successor to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A.), as trustee (the "Trustee"), dated as of October 15, 1984, as amended and supplemented (the "Original Indenture"), as amended, restated and superseded by the Amended and Restated Indenture of Trust dated as of July 1, 2009 between the City and the Trustee, as supplemented and amended, including by the Twenty-Second Supplemental Indenture dated as of _____, 2017, authorizing the Series 2017 Project Bonds (as hereinafter defined) (the Original Indenture, as so amended, supplemented and restated is referred to herein as the "Indenture"). Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017C Project Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017C Project Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017C Project Bond is initially issued in book-- entry form and is registered in the name of Cede & Co., as the nominee of OTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to OTC.

This Series 2017C Project Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport)" (the "Series 2017C Bonds") in the aggregate principal amount of $_____, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017C Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017C Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017C Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Revenue Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Project Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Project Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Project Bonds are without recourse to the City or the State. The Series 2017 Project Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017C Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017 Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017C Bond, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017C Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Project Bonds of the issue of which this Series 2017C Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017 Bond or Series 2017 Project Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney), in exchange

for an equal aggregate principal amount of registered Series 2017C Bonds of any other authorized denominations of the same issue.

[The Series 2017C Project Bonds are not subject to redemption prior to maturity.]

[Add redemption provisions, if any.]

[The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017C Project Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as Supplemented by the Twenty-Second Supplemental Indenture.]

[Notice of redemption for any or all of the Series 2017 Project Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.]

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017C Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017C Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017C Bond, exist, have happened and have been performed.

This Series 2017C Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of St. Louis has caused this Series 2017C Bond to be executed in its name and on its behalf by the manual or facsimile signatures of the Mayor and the Comptroller and its corporate seal (or a facsimile thereof) to be affixed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Register, all as of the date of authentication specified below.

THE CITY OF ST. LOUIS (the "City"), a constitutional charter city and political subdivision of the State of Missouri (the "State"), hereby acknowledges itself indebted to, and for value received hereby promises to pay, solely from the revenues and funds pledged therefor as hereinafter provided, to the registered Owner specified above, or registered assigns, on the maturity date specified above, the principal sum specified above, and to pay solely from such revenues and funds pledged therefor, to the registered Owner hereof interest on such principal sum from the dated date specified above at the rate of interest specified above, payable on July 1 and January 1 in each year commencing January 1, 2018, and semiannually thereafter until such principal sum shall be discharged as provided in the Indenture hereinafter mentioned. The principal of this Bond shall be payable by check or draft in lawful money of the United States of America upon presentation at the principal payment office of UMB Bank, N.A., St. Louis, Missouri or at the office of any other Paying Agent appointed pursuant to an Indenture of Trust between the City and UMB Bank, N. A. (as successor to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A.), as trustee (the "Trustee"), dated as of October 15, 1984, as amended and supplemented (the "Original Indenture"), as amended, restated and superseded by the Amended and Restated Indenture of Trust dated as of July 1, 2009 between the City and the Trustee, as supplemented and amended, including by the Twenty-Second Supplemental Indenture dated as of _____, 2017, authorizing the Series 2017 Project Bonds (as hereinafter defined) (the Original Indenture, as so amended, supplemented and restated is referred to herein as the "Indenture"). Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017D Project Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017D Project Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017D Project Bond is initially issued in book-entry form and is registered in the name of Cede & Co., as the nominee of OTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to OTC.

This Series 2017D Project Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Project Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport)" (the "Series 2017D Bonds") in the aggregate principal amount of $_____, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017D Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017D Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017D Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Project Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Project Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Project Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Project Bonds are without recourse to the City or the State. The Series 2017 Project Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and

will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017D Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017D Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017D Bond, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017D Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Project Bonds of the issue of which this Series 2017D Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017D Bond may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017D Bonds of any other authorized denominations of the same issue.

[The Series 2017D Project Bonds are not subject to redemption prior to maturity.]

[Add redemption provisions, if any.]

[The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017D Project Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as Supplemented by the Twenty-Second Supplemental Indenture.]

[Notice of redemption for any or all of the Series 2017 Project Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.]

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017D Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017D Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017D Bond, exist, have happened and have been performed.

This Series 2017D Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of St. Louis has caused this Series 2017D Bond to be executed in its name and on its behalf by the manual or facsimile signatures of the Mayor and the Comptroller and its corporate seal (or a facsimile thereof) to be affixed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Register, all as of the date of authentication specified below.

Local Preference

ORDINANCE #69431
Board Bill No. 295
Committee Substitute As Amended

An Ordinance repealing Section One, part 86.040 of Ordinance 56716, pertaining to the opening of bids, codified as Section 5.58.040 of the Revised Code of the City of St. Louis, and enacting a new provision on the same subject matter which allows a local bidder to match the lowest bid when the lowest bid is from a non-local bidder; enacting a new provision on the same subject matter; containing severability clause.

WHEREAS, local businesses which seek to enter into contracts with the City of St. Louis are at a competitive disadvantage with businesses from other areas because of the higher administrative costs of doing business in the City;

WHEREAS, the City of St. Louis desires to encourage businesses to remain in the City and to relocate to the City;

WHEREAS, by enacting a local preference law that allows a local firm to match the lowest bid when its bid is within 2% percent of the lowest bid, the City hopes to encourage and stimulate local business.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section One, part 86.040, Ordinance 56716 is hereby repealed.

SECTION TWO. Enacted in lieu thereof is the following new section.

5.58.040 - Opening of bids.

A. Proposals shall be opened at the time and place fixed by the advertisement, in the presence of such bidders as desire to be present, and shall be open to the inspection of bidders.

B. The bids shall not be materially modified or amended as to price, specification or otherwise, nor substitutions placed thereon, after opening except when the lowest bid is from a non-local bidder. When the lowest bid is from a non-local bidder, any local bidder within two percent of the lowest bid may match the lowest bid. If a local bidder matches the lowest bid, then the Supply Commissioner may select the bid from the local bidder. If more than one local bidder is within two percent of the lowest bid, then only the lowest local bidder may match the bid. In all other circumstances, modification, supplementation or amendment shall cause rejection of the bid. For purposes of this chapter, local bidder means a bidder whose principal place of business is within the City of St. Louis, has had a valid business license for at least one year, and is current in payment of local taxes.

Principal place of business shall be defined as the business's physical office, plant, or site where a majority (51%) of the full-time employees, chief officer, and managers of the business regularly work and conduct business, or where the plant or office and equipment required for the furnishing of the goods or performance of the services provided to the City, as required by the contract, are physically located in the City of St. Louis for at least one taxable year immediately prior to the date of the bid.

C. Bids may be for one or more or all the articles advertised for, but there shall be a specific bid on each article. The award may be made to the lowest bidder for any article, or to the lowest bidder for the entire requisition or any part thereof, but the Board of Standardization may reject any or all bids or any part of any bid.

SECTION THREE. Severability.

The provisions of this section are severable. If any provision of this ordinance is declared invalid, that invalidity shall not affect other provisions of the

ordinance which can be given effect without the invalid provision.

Approved: April 29, 2013

The right to reject any and all bids is reserved.

WIIEREAS, the Restated Indenture will be further amended and supplemented pursuant to the Twenty-First Supplemental Indenture of Trust (the "Twenty-First Supplemental Indenture") between the City and the Trustee pursuant to which the Series 2017 Refunding Bonds (as hereinafter defined) are being authorized to be issued and the Twenty-Second Supplemental Indenture of Trust (the "Twenty-Second Supplemental Indenture") between the City and the Trustee pursuant to which the Series 2017 Project Bonds (as hereinafter defined) are being authorized to be issued;

WHEREAS, because a public purpose is served by financing the 2017 Project (as hereinafter defined), reimbursing the City for certain Airport capital expenditures, funding capitalized interest, if any, on up to the later of three (3) years after issuance of the Series 2017 Project Bonds or one (1) year after the 2017 Project is placed in service, funding a debt service reserve account, if required, and to pay the costs associated with issuing the Series 2017 Project Bonds, including premiums for any bond insurance or surety, in order to enhance airport operations, the City is now prepared to issue and sell its Airport Revenue Bonds, Series 2017, St. Louis Lambert International Airport (the "Series 2017 Project Bonds") in an aggregate principal amount not to exceed Seventy Million Dollars ($70,000,000) in one or more series, the proceeds of which, together with other available funds, if any, will be used for the purposes described herein;

WHEREAS, the Series 2017 Project Bonds shall be issued and secured under and pursuant to the Restated Indenture, as amended and supplemented by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture;

WHEREAS, in connection with the issuance of the Series 2017 Bonds, it is necessary for the City to enter into the Twenty-First Supplemental Indenture, the Twenty-Second Supplemental Indenture, the Bond Purchase Agreement (as hereinafter defined), the Tax Certificate (as hereinafter defined), the Escrow Agreement (as hereinafter defined), if any, the Continuing Disclosure Agreement (as hereinafter defined) and certain other agreements in connection with the issuance of the Series 2017 Bonds; and

WHEREAS, the Series 2017 Bonds shall state that the Series 2017 Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation and the taxing power of the City is not pledged to the payment of the principal of, premium, if any, or interest on the Series 2017 Bonds;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS, MISSOURI, AS FOLLOWS:

Section One. Authorization of the Series 2017 Refunding Bonds.

The City does hereby authorize and direct the issuance of the Series 2017 Refunding Bonds to refund all or a portion of the Series 2007A Bonds and the Series 2007B Bonds (the "Refunded Bonds"), to provide for debt service savings for the City; and the Outstanding Bonds, or portions thereof, if any, to be refunded by the Series 2017 Refunding Bonds (collectively, the "Refunded Bonds") shall be selected by the Comptroller of the City (the "Comptroller") in consultation with the City Counselor and the City's financial advisors. The City does hereby find and declare that this Ordinance is being enacted pursuant to the laws of the State of Missouri, including particularly Chapter 108, Missouri Revised Statutes, 2000, as amended, and that the issuance of the Series 2017 Refunding Bonds is for the public purposes set forth in the recitals to this Ordinance.

Section Two. Maximum Principal Amount, Purpose and Terms and Provisions of the Series 2017 Refunding Bonds.

The Board of Aldermen, acting as the governing authority of the City, does hereby authorize the City to issue the Series 2017 Refunding Bonds in one or more series in an aggregate principal amount not to exceed Two Hundred Forty Million Dollars ($240,000,000). The proceeds of the Series 2017 Refunding Bonds will be used to refund the Refunded Bonds and to provide for the funding of any required reserve funds, and to pay certain costs of issuance of the Series 2017 Refunding Bonds and other related transaction costs with respect to such Series 2017 Refunding Bonds, including premiums for any bond insurance or surety. Subject to the terms of this Ordinance, the City hereby authorizes and directs the Mayor of the City (the "Mayor") and the Comptroller in the exercise of their sole discretion (a) to determine and establish the aggregate principal amount of the Series 2017 Refunding Bonds and any Series thereof, and (b) to determine and establish the other terms and provisions of the Series 2017 Refunding Bonds.

Section Three. Authorization of the Series 2017 Project Bonds.

The City does hereby authorize and direct the issuance of the Series 2017 Project Bonds to finance a portion of the cost of the 2017 Project (as hereinafter defined). The City does hereby find and declare that this Ordinance is being enacted pursuant to the laws of the State of Missouri, including particularly Chapter 108, Missouri Revised Statutes, 2000, as amended, and that the issuance of the Series 2017 Project Bonds is for the public purposes set forth in the recitals to this Ordinance.

Section Four. Maximum Principal Amount, Purpose and Terms and Provisions of the Series 2017 Project Bonds.

The Board of Aldermen, acting as the governing authority of the City, does hereby authorize the City to issue the Series 2017 Project Bonds in one or more series in an aggregate principal amount not to exceed Seventy Million Dollars ($70,000,000). The proceeds of the Series 2017 Project Bonds will, together with other available funds, if any, be used to fund a portion of the costs of the construction, extension and improvement of the Airport, to reimburse the City for certain prior Airport capital expenditures (collectively, the "2017 Project"), to fund all or a portion of capitalized interest, if any, for up to the later of three (3) years after the issuance of the Series 2017 Project Bonds or one (1) year after the 2017 Project is placed in service, to provide for the funding of any required reserve funds and to pay certain costs of issuance of the Series 2017 Project Bonds and other related transaction costs with respect to such Series 2017 Project Bonds, including premiums for any bond insurance or surety. Subject to the terms of this Ordinance, the City hereby authorizes and directs the Mayor and the Comptroller in the exercise of their sole discretion (a) to determine and establish the aggregate principal amount of the Series 2017 Project Bonds and any Series thereof, and (b) to determine and establish the other terms and provisions of the Series 2017 Project Bonds.

Section Five. Source of Repayment; Security; Pledge.

The Series 2017 Bonds shall be secured and payable, as to principal, premium, if any, and interest, solely from the sources and funds pledged under the Restated Indenture, including the revenues derived from the operation of the Airport (the "Revenues"). Upon the issuance and sale of the Series 2017 Bonds, the Revenues shall be and are hereby pledged to the payment of the Series 2017 Bonds, on a parity with all Outstanding Bonds and any additional parity bonds, all as provided in the Restated Indenture. The Series 2017 Bonds shall be limited obligations of the City payable solely from the Revenues and shall not be deemed to be an indebtedness of the State of Missouri, the City or of any political subdivision thereof, and shall not be deemed to be an indebtedness within the meaning of any constitutional or statutory limitation upon the incurring of indebtedness.

The Series 2017 Refunding Bonds shall bear such date or dates, mature at such time or times (not exceeding thirty (30) years from their date of issuance), bear interest at such rate or rates (not exceeding limitations set forth herein) and be subject to redemption at such time or times as shall be approved by the Mayor and the Comptroller and provided for in the Twenty-First Supplemental Indenture as executed and delivered by the City.

The Series 2017 Project Bonds shall bear such date or dates, mature at such time or times (not exceeding thirty (30) years from their date of issuance), bear interest at such rate or rates (not exceeding limitations set forth herein) and be subject to redemption at such time or times as shall be approved by the Mayor and the Comptroller and provided for in the Twenty-Second Supplemental Indenture as executed and delivered by the City.

The Series 2017 Bonds shall be issuable in such denominations, be in fully registered form without coupons, carry such registration and exchange privileges, and be payable in such medium of payment and at such place or places as the Restated Indenture may provide.

Section Six. Appointment of Trustee, Bond Registrar, Paying Agent and Escrow Agent, if any.

UMB Bank, N.A. is hereby appointed Trustee, Bond Registrar and Paying Agent for the Series 2017 Bonds under the Restated Indenture and Escrow Agent, if any, for the Refunded Bonds pursuant to the Restated Indenture and the Escrow Agreement, if any. Such appointments will be effective with respect to the Series 2017 Refunding Bonds, immediately upon the execution and filing of the Twenty-First Supplemental Indenture with the Trustee, and with respect to the Series 2017 Project Bonds, immediately upon the execution and filing of the Twenty-Second Supplemental Indenture with the Trustee.

Section Seven. Authority to Prepare, Execute, Acknowledge and Deliver the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture.

The Mayor and the Comptroller are hereby authorized and directed to prepare, execute, acknowledge and deliver the Twenty-First Supplemental Indenture, in substantially the form attached hereto as Exhibit 1, with terms that may include, but not be limited to, all provisions and terms as may be necessary or desirable to provide for the issuance of the Series 2017 Refunding Bonds, the payment terms of the Series 2017 Refunding Bonds, the creation or ratification of various funds and/or accounts relating to the Series 2017 Refunding Bonds and terms providing for the security for the Series 2017 Refunding Bonds, the same to be attested by the Register of the City, with such changes therein as shall be approved by such persons executing such document, all as determined by the Mayor and the Comptroller, such persons' execution to constitute conclusive evidence of such approval, and the Register is hereby authorized to affix to the Twenty-First Supplemental Indenture the corporate seal of the City. The Twenty-First Supplemental Indenture will be effective immediately upon the filing of the Twenty-First Supplemental Indenture with the Trustee.

attached hereto as Exhibit 2, with terms that may include, but not be limited to, all provisions and terms as may be necessary or desirable to provide for the issuance of the Series 2017 Project Bonds, if any, the payment terms of the Series 2017 Project Bonds, the creation of various funds and/or accounts relating to the Series 2017 Project Bonds, terms providing for the security for the Series 2017 Project Bonds, and terms relating to the same to be attested by the Register of the City, with such changes therein as shall be approved by such persons executing such document, including, without limitation, any changes necessary to allow for the Series 2017 Project Bonds to be issued as bonds with variable interest rates, all as determined by the Mayor and the Comptroller, such persons' execution to constitute conclusive evidence of such approval, and the Register is hereby authorized to affix to the Twenty-Second Supplemental Indenture the corporate seal of the City. The Twenty-Second Supplemental Indenture will be effective immediately upon the filing of the Twenty-Second Supplemental Indenture with the Trustee.

Section Eight. Execution of Series 2017 Bonds.

The Series 2017 Refunding Bonds and the Series 2017 Project Bonds shall be executed on behalf of the City in the manner provided in the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, respectively. If any of the officers who shall have signed or sealed any of the Series 2017 Bonds shall cease to be such officers of the City before the Series 2017 Bonds so signed and sealed shall have been actually authenticated by the Trustee, or delivered by the City, such Series 2017 Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though the person or persons who signed or sealed such Series 2017 Bonds had not ceased to be such officer or officers of the City; and also any such Series 2017 Bonds may be signed and sealed on behalf of the City by those persons who, at the actual date of the execution of such Series 2017 Bonds, shall be the proper officers of the City, although at the dated date of such Series 2017 Bonds any such person shall not have been such officer of the City.

Section Nine. Manner of Sale of the Series 2017 Bonds; Application of Proceeds of the Series 2017 Bonds.

The Series 2017 Refunding Bonds may be sold at the best price obtainable at a negotiated sale as the Comptroller shall determine in her sole discretion, subject to the terms of this Ordinance and to the interest rate and par value limitations set forth in Chapter 108.170, Missouri Revised Statutes, 2016, as amended. The proceeds from the sale of the Series 2017 Refunding Bonds shall be applied by the City simultaneously with the delivery of the Series 2017 Refunding Bonds in accordance with the provisions of the Twenty-First Supplemental Indenture and the Escrow Agreement, if any.

The Series 2017 Project Bonds may be sold at the best price obtainable at a negotiated sale as the Comptroller shall determine in her sole discretion, subject to the terms of this Ordinance and to the interest rate and par value limitations set forth in Chapter 108.170, Missouri Revised Statutes, 2016, as amended. The proceeds from the sale of the Series 2017 Project Bonds shall be applied by the City simultaneously with the delivery of the Series 2017 Project Bonds in accordance with the provisions of the Twenty-Second Supplemental Indenture.

Section Ten. Bond Purchase Agreement.

In connection with a negotiated sale of the Series 2017 Bonds, the City hereby authorizes and directs the Mayor and the Comptroller to enter into a Bond Purchase Agreement (the "Bond Purchase Agreement") with the purchaser or purchasers of the Series 2017 Bonds (the "Underwriters"), which purchaser or purchasers will be led by a senior managing underwriter (the "Managing Underwriter") to be selected by the Comptroller, such Bond Purchase Agreement to set forth the terms of sale and to contain such other customary terms and provisions as the Mayor and the Comptroller shall approve, the Mayor's and the Comptroller's execution of the Bond Purchase Agreement to constitute conclusive evidence of such approval. The Series 2017 Bonds are hereby authorized to be sold to the Underwriters pursuant to the Bond Purchase Agreement.

Section Twelve. Official Statement and Continuing Disclosure Agreement.

The Mayor and the Comptroller, with the advice and concurrence of the City Counselor, in connection with the public offering of the Series 2017 Bonds, are hereby authorized to prepare a Preliminary Official Statement for and on behalf of the City containing such disclosure and other matters deemed material, necessary or appropriate, as the Mayor and the Comptroller shall deem advisable. The Mayor and the Comptroller are hereby authorized to deliver certifications to the effect that the Preliminary Official Statement and the final Official Statement, together with such other documents, if any, described in such certificates, were deemed final as of their respective dates for the purposes of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"). The Mayor and the Comptroller are each hereby authorized to make public and to permit the Underwriters and the City's financial advisors to use and distribute the Preliminary Official Statement in connection with the sale of the Series 2017 Bonds. The Mayor and Comptroller, with the advice and concurrence of the City Counselor, in connection with the public offering of the Series 2017 Bonds, are each hereby authorized and directed to prepare,

execute and deliver a final Official Statement for and on behalf of the City, and the Mayor and the Comptroller are hereby authorized and directed to execute and deliver a Continuing Disclosure Agreement (the "Continuing Disclosure Agreement") between the City and the Trustee, as dissemination agent, in a form necessary for the Underwriters to comply with Rule 15c2-12.

Section Thirteen. Credit Enhancement; Credit Facility or Surety.

Upon the recommendation of the Managing Underwriter and the City's financial advisors with respect to the Series 2017 Refunding Bonds and the Series 2017 Project Bonds, based upon a cost-benefit analysis, the Comptroller is hereby authorized to negotiate and approve the terms of any agreement for credit enhancement and to purchase credit enhancement with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds and related obligations from one or more recognized providers of credit enhancement, liquidity facility or surety with respect to all or a portion of the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds and to execute any agreement for credit enhancement with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds and related obligations and other documents in connection therewith as necessary to obtain credit enhancement with respect to the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds. The fees payable with respect to any credit enhancement acquired for the Series 2017 Refunding Bonds and/or the Series 2017 Project Bonds shall be payable out of the proceeds of the applicable Series of Series 2017 Refunding Bonds and/or Series 2017 Project Bonds as a cost of issuance.

agreements and investment contracts, as the Mayor and the Comptroller may deem necessary or desirable; provided, however, that any forward delivery agreements, reserve fund agreements, and investment contracts shall be authorized, negotiated, and approved by the Treasurer.

Section Fifteen. Reimbursement of Prior Expenditures.

The Airport has heretofore temporarily advanced funds to pay costs incurred in connection with the Series 2017 Project Bonds, with the expectation and desire that such advances be reimbursed from the proceeds of the Series 2017 Bonds. Reimbursement of such costs is hereby approved, conditioned upon receipt from the Airport of an accounting for such prior expenditures accompanied by appropriate supporting documents. This Ordinance will express the "official intent" of the City that such project costs be reimbursed from the proceeds of the Series 2017 Bonds, and the proper officials shall take all steps necessary to meet the requirements of U.S. Treasury Regulations Section 1.150-2 (or successor provisions) promulgated under the Internal Revenue Code of 1986, as amended.

Section Sixteen. Repeal of Conflicting Ordinances.

Subject to the rights of the holders of the Outstanding Obligations to a prior pledge of the Revenues, all provisions of other Ordinances of the City which are in conflict with this Ordinance, the Twenty-First Supplemental Indenture or the Twenty-Second Supplemental Indenture approved hereby (as executed and delivered) or the Restated Indenture shall be of no further force or effect on the City upon issuance and sale of the Series 2017 Bonds.

Section Seventeen. Severability.

The sections of this Ordinance shall be severable. In the event that any section of this Ordinance is found by a court of competent jurisdiction to be illegal or unconstitutional, the remaining sections of this Ordinance are valid unless the court finds the valid sections of this Ordinance are so essentially and inseparably connected with, and so dependent upon, the void section that it cannot be presumed that the Board of Aldermen would have enacted the valid

BOARD BILL FISCAL NOTE

Preparer's Name: James Garavaglia, Deputy Comptroller for Finance & Development

Phone Number or Email Address (will be available publicly): garavagliaj@stlouis-mo.gov

Bill Sponsor: Alderwoman Marlene Davis

Bill Synopsis:	To authorize the issuance of St. Louis Lambert International Airport (the "Airport" or "Lambert") (1) Refunding Bonds, Series 2017 A (non-AMT*) and Series 2017B (AMT**) (the "Refunding Bonds") for the purpose of refunding the Airport's outstanding Airport Revenue Bonds, Series 2007A (non-AMT) and Series 2007B (AMT) (the "Series 2007 Bonds") in order to ***reduce*** the annual and aggregate debt service payments on the Series 2007 Bonds and (2) Airport Revenue Bonds Series 2017 C (non-AMT) and Series 2017D (AMT) (the "Project Bonds") for the purpose of funding the construction, repair, improvement and renovation of certain projects at Lambert International Airport including runway expenditures, parking facilities, snow removal equipment, passenger loading facilities, and climate control equipment. The aggregate par amount of 2017 Project Bonds, Series 2017 C (non-AMT) and Series 2017 D (AMT), will not exceed $70 million. The final split between Series C and Series D will be determined by Tax Counsel's pending review of the detailed project list. * "non-AMT" = tax-exempt bonds not subject to Alternative Minimum Tax ** "AMT" = tax-exempt bonds subject to Alternative Minimum Tax
Type of Impact:	• Revenue neutral (please see "Bill Synopsis" above and also please note that all debt service costs associated with the Series 2017 C and D Project Bonds will be paid 100% by the signatory and non-signatory airlines operating at Lambert International Airport, as set forth in the Airport's 2016 Use and Lease Agreement. No City budget funds will be used to pay debt service on the 2017 Bonds) • The refunding bonds will be issued only if and when the available debt service savings (on a series by series basis) meet the City's and Airport's savings criteria of: (1) 3% present value ("PV") savings and (2) negative arbitrage of less the 75% of PV savings.
Agencies Affected:	Lambert International Airport, Comptroller's office, Budget Division

THIS TWENTY-FIRST SUPPLEMENTAL INDENTURE OF TRUST (this "Twenty-First Supplemental Indenture"), dated as of June 1, 2017, is made by and between The City of St. Louis, Missouri, a constitutional charter city and political subdivision of the State of Missouri (the "City"), and UMB Bank, N .A., a national banking association organized and existing under the laws of the United States of America, having a place of business in the City and duly authorized to exercise corporate trust powers, as trustee (in such capacity herein, and as successor in interest to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A., together with any successor in such capacity, referred to herein as the "Trustee"):

WITNESSETH:

WHEREAS, St. Louis Lambert International Airport (the "Airport") is owned by the City and operated by the Airport Authority of the City (the "Airport Authority");

WHEREAS, pursuant to Article VI, Section 27 of the Constitution of the State of Missouri, as amended, and various ordinances of the City, the City executed and delivered to the Trustee an Indenture of Trust dated as of October 15, 1984 (the "Original Indenture") between the City and the Trustee providing for the issuance from time to time of series of airport revenue bonds of the City, unlimited in aggregate principal amount, except as in the Original Indenture provided or as limited by law, which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "Restated Indenture") (the Original Indenture, as amended and restated by the Restated Indenture, and as amended and supplemented by the Seventeenth Supplemental Indenture of Trust dated as of June 1, 2011,the Eighteenth Supplemental Indenture of Trust dated as of June 1, 2012, the Nineteenth Supplemental Indenture of Trust dated as of June 1, 2013, and the Twentieth Supplemental Indenture of Trust dated as of June 1, 2015, and hereby, is referred to herein as the "Indenture");

WHEREAS, pursuant to a special election held on November 5, 1991, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of One Billion Five Hundred Million Dollars ($1,500,000,000) for the purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "1991 Voter Approval''); and pursuant to a special election held on April 8, 2003, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of Two Billion Dollars ($2,000,000,000) for the purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "2003 Voter Approval", and together with the 1991 Voter Approval, the "Voter Approval"), thereby establishing a total Voter Approval of Three Billion Five Hundred Million Dollars ($3,500,000,000);

WHEREAS, the City desires to issue its Series 2017 Refunding Bonds (hereinafter defined) to refund certain of the City's outstanding Bonds, as hereinafter specified, and in connection therewith to provide for the funding of a Debt Service Reserve Account for the Series 2017 Refunding Bonds, and to make certain transfers of funds and to pay certain costs of issuing the Series 2017 Refunding Bonds;

WHEREAS, pursuant to Ordinance Number _____, adopted by the Board of Aldermen on _____, 2017, and approved by the Mayor on _____, 2017 (the "Ordinance"), the City is authorized to issue its Airport Revenue Refunding Bonds, Series 2017 (St. Louis Lambert International Airport) (the "Series 2017 Refunding Bonds") in one or more series, and to supplement and amend the Indenture in connection therewith, under authority of Article VI, Sections 27(a) and 28, of the Missouri Constitution (the "Constitution"), the statutes of the State of Missouri and the Voter Approval;

WHEREAS, pursuant to Sections 1101(5) and (9) of the Indenture, a Supplemental Indenture may be executed to provide for the issuance of a Series of Bonds;

WHEREAS, the Series 2017 Refunding Bonds and any Additional Bonds issued pursuant to the Indenture shall state that the principal of, premium, if any, and interest thereon are payable solely from the Revenues to be derived by the City from the operation of the Airport and certain funds pledged therefor under the Indenture and that such Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment thereof, either as to principal, premium or interest;

WHEREAS, this Twenty-First Supplemental Indenture provides for the issuance of the Series 2017 Refunding Bonds in the form, having the characteristics and being secured and entitled to the benefits as provided in the Indenture, including certain related transfers of funds;

WHEREAS, the Trustee agrees to accept and administer the trusts created hereby; and

WHEREAS, all things necessary to make the Series 2017 Refunding Bonds, when issued, executed and delivered by the City and authenticated by the Trustee, to the extent required pursuant to the Indenture, the valid, binding and legal limited obligations of the City and to constitute this Twenty-First Supplemental Indenture as a valid assignment and pledge of the Revenues herein pledged to the payment of the principal, Redemption Price and interest on the Series 2017 Refunding Bonds, as described herein, and a valid assignment and pledge of certain rights of the City, have been done and performed; and the creation, execution and delivery of this Twenty-First Supplemental Indenture, and the execution, issuance and delivery of the Series 2017 Refunding Bonds, subject to the terms hereof, have in all respects been duly authorized,

NOW, THEREFORE, THIS TWENTY-FIRST SUPPLEMENTAL INDENTURE FURTHER WITNESSETH:

That as security for payment of the principal, Redemption Price of and interest on the Bonds, including the Series 2017 Refunding Bonds, and any Additional Bonds issued from time to time under the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, and for any funds which may be advanced by the Trustee pursuant hereto, the City does hereby pledge to the Trustee a security interest in and to all the property described in the granting clauses of the Indenture and all proceeds of any of the foregoing (collectively, the "Trust Estate") and does hereby by these presents pledge, assign, grant, bargain and sell, convey and confirm to the Trustee a security interest in and to the same.

ARTICLE II.
AUTHORIZATION OF SERIES 2017 REFUNDING BONDS

Section 2.01 Authorization and Purpose. The City hereby authorizes the issuance of two additional Series of Bonds pursuant to the Indenture, consisting of the Series 2017A Refunding Bonds and the Series 2017B Refunding Bonds. The purpose for which the Series 2017 Refunding Bonds are being issued is to refund the Refunded Bonds and to pay certain of the costs of issuing the Series 2017 Refunding Bonds and, in connection therewith, to provide for the funding of a Debt Service Reserve Account and to make certain transfers of funds.

Section 2.02 Principal Amount, Designation and Series. The Series 2017 Refunding Bonds are entitled to the benefit, protection and security of the Indenture. The Series 2017 Refunding Bonds are hereby authorized to be issued in the aggregate principal amount of $_____. The Series 2017 Refunding Bonds are comprised of two sub-series and designated Series 2017A Bonds which shall be in the aggregate principal amount of $_____, and Series 2017B Bonds which shall be in the aggregate principal amount of $_____. The Series 2017 Refunding Bonds shall be designated and distinguished from the Bonds of all other Series by the title "Airport Revenue Refunding Bonds, Series 2017 (St. Louis Lambert International Airport)," together with the appropriate sub-series designation.

Section 2.03 Date, Maturities and Interest. The Series 2017 Refunding Bonds shall be issued, transferred and exchanged only in fully registered form and shall be dated the date of their original issuance and delivery. The Series 2017 Refunding Bonds shall mature on July 1 in the years and in the principal amounts and shall bear interest at the rates per annum, as follows:

Maturity (July 1)	Series 2017A Bonds Principal Amount	Interest Rate	CUSIP
Maturity (July 1)	Series 2017B Bonds Principal Amount	Interest Rate	CUSIP

Confidential 9a 2020 07:11:08:57 0005

The Series 2017 Refunding Bonds shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their dated or from the most recent Payment Date to which interest has been paid or duly provided for, payable semiannually on July 1 and January 1 in each year, beginning January 1, 2018.

Section 2.04 Sale, Denominations, Numbers and Letters. The Series 2017 Refunding Bonds shall be sold to the Underwriters through a negotiated sale or sales. The Series 2017 Refunding Bonds shall be issued in denominations of $5,000 and integral multiples thereof. The Series 2017A Bonds shall be substantially in the form set forth in Exhibit A to this Twenty-First Supplemental Indenture. The Series 2017A Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017A Bond preceded by the letters "RA-." The Series 2017B Bonds shall be substantially in the form set forth in Exhibit B to this Twenty-First Supplemental Indenture. The Series 2017B Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017B Bond preceded by the letters "RB-."

Section 2.05 Places of Payment. The principal of the Series 2017 Refunding Bonds shall be payable by check or draft at maturity or when otherwise due upon presentment and surrender thereof at the principal payment office of the Trustee or at the office of any Paying Agent, to the persons in whose names the Series 2017 Refunding Bonds are registered on the registration books maintained by the Trustee as Bond Registrar. Interest on the Series 2017 Refunding Bonds will be paid by check or draft drawn upon the Trustee payable to the Owners thereof in accordance with Section 401.E of the Indenture. Registered Owners of either Series of Series 2017 Refunding Bonds of at least $1,000,000 may receive payments of interest by electronic transfer upon written notice provided by the registered Owner to the Trustee with the relevant instructions not later than five (5) days prior to the Record Date for such interest payment, such instructions to include the name of the bank (which shall be in the continental United States), its address, ABA routing number and the account number to which such payments shall be directed.

Section 2.06 Redemption. [The Series 2017 Refunding Bonds are not subject to redemption prior to maturity.] [The Series 2017 Refunding Bonds are subject to redemption prior to maturity in the sole discretion of the City from any source, in whole or in part at any time, as determined by the City (and within any maturity as selected by the Trustee in such equitable manner as it shall determine), on and after _____ 1, 20___, at the Redemption price of ____% of the principal amount of the Series 2017 Refunding Bonds or portions thereof to be redeemed, together with accrued interest to the redemption date.

The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, [whether such redemption is of Series 2017A Bonds or Series 2017B Bonds], the principal amount of the applicable Series 2017 Refunding Bonds to be

redeemed and any other necessary particulars under the optional redemption provisions of this Section 2.06.]

[Section_. Notice of Redemption. Notice of redemption for any or all of Series 2017A Bonds or Series 2017B Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the applicable Series 2017 Refunding Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.

Section 2.07 Conditions Precedent. The Series 2017 Refunding Bonds shall be executed by the City and delivered to the Trustee and shall thereupon be authenticated by the Trustee and delivered to the City or upon its order but only upon the receipt by the Trustee of the documents and monies required by the provisions of this Article II and Sections 302 and 305 of the Indenture.

Section 2.08 Execution and Forms of Series 2017 Refunding Bonds and Authentication Certificate.

(a) The Series 2017A Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit A attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017A Bonds and the provisions of the Indenture. The Series 2017B Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit B attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017B Bonds and the provisions of the Indenture.

(b) CUSIP identification numbers may be included herein and printed on the Series 2017 Refunding Bonds, but such numbers shall not be deemed to be a part of the Series 2017 Refunding Bonds or a part of the contract evidenced thereby and no liability shall hereafter attach to the City, the Trustee or any of the officers or agents thereof because of or on account of said CUSIP identification numbers.

ARTICLE III.
BOOK ENTRY SYSTEM FOR SERIES 2017 REFUNDING BONDS

Section 3.01 Book-Entry Bonds; Securities Depository. The Series 2017 Refunding Bonds shall initially be registered to Cede & Co,, the nominee for The Depository Trust Company, New York, New York (the "Securities Depository"), and no Beneficial Owner will receive certificates representing its respective interest in the Series 2017 Refunding Bonds, except in the event the Trustee issues replacement bonds as provided in this Section. It is anticipated that during the term of the Series 2017 Refunding Bonds, the Securities Depository will make book-

entry transfers among its participants ("Participants") and receive and transmit payment of principal of, premium, if any, and interest on, the Series 2017 Refunding Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in the following paragraph.

(a) If the City determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system (to the exclusion of any Series 2017 Refunding Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Refunding Bonds, or if the Trustee receives written notice from Participants representing interests in not less than 50% of the Series 2017 Refunding Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system (to the exclusion of any Series 2017 Refunding Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Refunding Bonds, then the Trustee shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Trustee shall register in the name of and authenticate and deliver replacement bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each; provided, that in the case of a determination under (a)(l) or (a)(2) of this paragraph, the City, with the consent of the Trustee, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when at least one Series 2017 Bond is registered in the name of the Securities Depository or its nominee. Upon the issuance of replacement bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such replacement bonds. If the Securities Depository resigns and the City, the Trustee or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Trustee shall authenticate and cause delivery of replacement bonds to Owners, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names and addresses of and principal amounts owned by of the Beneficial Owners of the Series 2017 Refunding Bonds. The cost of printing, registration, authentication, and delivery of replacement bonds shall be paid for by the City.

(b) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. Upon receipt of a Series 2017 Bond for cancellation the Trustee shall cause the delivery of a Series 2017 Bond to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE IV.
CREATION OF ACCOUNTS; APPLICATION OF FUNDS; DEBT SERVICE RESERVE REQUIREMENT

Section 4.01 Creation of Accounts.

(a) The following sub-accounts are hereby created within the specified Accounts established by the Indenture:

(i) the Series 2017A Refunding Sub-Account (the "Series 2017A Refunding Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(ii) the Series 2017B Refunding Sub-Account (the "Series 2017B Refunding Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(iii) the Series 2017 Refunding Bonds Debt Service Reserve Sub-Account (the "Series 2017 Refunding Debt Service Reserve Sub-Account") of the Debt Service Reserve Account of the Airport Bond Fund;

(iv) the Series 2017A Refunding Bonds Debt Service Sub-Account (the "Series 2017A Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund; and

(v) the Series 2017B Refunding Bonds Debt Service Sub-Account (the "Series 2017B Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund; and

ARTICLE V.
MISCELLANEOUS

Section 5.01 Provisions of Indenture. Except as otherwise provided by this Twenty-First Supplemental Indenture, all of the provisions, terms and conditions of the Indenture shall continue in full force and effect.

Section 5.02 Counterparts. This Twenty-First Supplemental Indenture may be executed in several counterparts, all or any of which may be treated for all purposes as an original and shall constitute and be one and the same instrument.

Section 5.03 Supplemental Indenture. This Twenty-First Supplemental Indenture is being executed and delivered pursuant to Sections 1101(5) and 1101(9) of the Indenture.

Section 5.04 Continuing Disclosure. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement and that such Continuing Disclosure Agreement is intended to be for the benefit of the Holders of the Series 2017 Refunding Bonds and the Beneficial Owners thereof. Notwithstanding any other provision of the Indenture, failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the

Trustee may, and, upon receipt of satisfactory indemnity at the request of any of the Underwriters or any Bondholder(s) of 25% or more of the Series 2017 Refunding Bonds then Outstanding, shall (or any Bondholder of Series 2017 Refunding Bonds may) take such actions as may be necessary and appropriate, including seeking a mandamus for specific performance by court order, to cause the City or the Trustee, as the case may be, to comply with their obligations under this Section. A default under the Continuing Disclosure Agreement shall not be a default under the Indenture, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Section 5.05 Tax Covenants of the City. The City covenants that it will comply with the Tax Certificate and the applicable requirements of the Code throughout the term of the Series 2017 Refunding Bonds. The City also covenants that it will neither make nor direct the Trustee to make any investment or other use of the proceeds of the Series 2017 Refunding Bonds that would (a) cause the Series 2017 Refunding Bonds to be "arbitrage bonds" as that term is defined in Section 148(a) of the Code or (b) cause interest paid on the Series 2017 Refunding Bonds to not be excludable from gross income for federal income tax purposes pursuant to Section 103(a) of the Code [or for the Series 2017A Bonds to be "private activity bonds" within the meaning of Section 141 of the Code]. The Trustee covenants that in those instances where it exercises discretion over the investment of funds, it shall not knowingly make any investment inconsistent with the foregoing covenants.

The City covenants that it (a) will take, or use its best efforts to require to be taken, all actions that may be required of the City for the interest on the Series 2017 Refunding Bonds to be and remain not included in gross income for federal income tax purposes and (b) will not take or authorize to be taken any actions within its control that would adversely affect that status under the provisions of the Code.

Section 5.06 Defeasance of Refunded Bonds. To accomplish the defeasance of the Refunded Bonds, the City shall cause to be delivered an opinion of nationally recognized bond counsel to the effect that the Refunded Bonds are no longer "Outstanding" under the Indenture, and a certificate of discharge of the Trustee with respect to the Refunded Bonds; such defeasance opinion to be acceptable in form and substance, and addressed, to the City and the Trustee.

Section 5.07 Transactions by Electronic Means. The transactions described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

IN WITNESS WHEREOF, the City has caused this Twenty-First Supplemental Indenture to be signed in its name by its Mayor, Comptroller and Treasurer and attested by its Register, and the Trustee, in acceptance of the trusts created hereunder, has caused this Twenty-First Supplemental Indenture to be signed in its corporate name by its officer thereunder duly authorized, all as of the day and year first above written.

THE CITY OF ST. LOUIS (the "City"), a constitutional charter city and political subdivision of the State of Missouri (the "State"), hereby acknowledges itself indebted to, and for value received hereby promises to pay, solely from the revenues and funds pledged therefor as hereinafter provided, to the registered Owner specified above, or registered assigns, on the maturity date specified above, the principal sum specified above, and to pay solely from such revenues and funds pledged therefor, to the registered Owner hereof interest on such principal sum from the dated date specified above at the rate of interest specified above, payable on July 1 and January 1 in each year commencing January 1, 2018, and semiannually thereafter until such principal sum shall be discharged as provided in the Indenture hereinafter mentioned. The principal of this Bond shall be payable by check or draft in lawful money of the United States of America upon presentation at the principal payment office of UMB Bank, N.A., St. Louis, Missouri or at the office of any other Paying Agent appointed pursuant to an Indenture of Trust between the City and UMB Bank, N. A. (as successor to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A.), as trustee (the "Trustee"), dated as of October 15, 1984, as amended and supplemented (the "Original

Indenture"), as amended, restated and superseded by the Amended and Restated Indenture of Trust dated as of July 1, 2009 between the City and the Trustee, as supplemented and amended, including by the Twenty-First Supplemental Indenture dated as of June 1, 2017, authorizing the Series 2017 Refunding Bonds (as hereinafter defined) (the Original Indenture, as so amended, supplemented and restated is referred to herein as the "Indenture"). Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017A Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017A Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017A Bond is initially issued in book- entry form and is registered in the name of Cede & Co., as the nominee of OTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to OTC.

This Series 2017A Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport)" (the "Series 2017A Bonds") in the aggregate principal amount of $_____, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017A Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017A Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017A Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Refunding Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Refunding Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Refunding Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Refunding Bonds are without recourse to the City or the State. The Series 2017 Refunding Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017 Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017 Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017 Bond or Series 2017 Refunding Bonds, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017 Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Refunding Bonds of the issue of which this Series 2017 Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017 Bond or Series 2017 Refunding Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the

Owner or his duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017 Refunding Bonds of any other authorized denominations of the same issue.

[The Series 2017 Refunding Bonds are not subject to redemption prior to maturity.]

[Add redemption provisions, if any.]

[The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017 Refunding Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as supplemented by the Twenty-First Supplemental Indenture.]

[Notice of redemption for any or all of the Series 2017 Refunding Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Refunding Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.]

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

TWENTY-SECOND SUPPLEMENTAL INDENTURE OF TRUST

THIS TWENTY-SECOND SUPPLEMENTAL INDENTURE OF TRUST (this "Twenty-Second Supplemental Indenture"), dated as of June 1, 2017, is made by and between The City of St. Louis, Missouri, a constitutional charter city and political subdivision of the State of Missouri (the "City"), and UMB Bank, N .A., a national banking association organized and existing under the laws of the United States of America, having a place of business in the City and duly authorized to exercise corporate trust powers, as trustee (in such capacity herein, and as successor in interest to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A., together with any successor in such capacity, referred to herein as the "Trustee"):

WITNESSETH:

WHEREAS, St. Louis Lambert International Airport (the "Airport") is owned by the City and operated by the Airport Authority of the City (the "Airport Authority");

WHEREAS, pursuant to Article VI, Section 27 of the Constitution of the State of Missouri, as amended, and various ordinances of the City, the City executed and delivered to the Trustee an Indenture of Trust dated as of October 15, 1984 (the "Original Indenture") between the City and the Trustee providing for the issuance from time to time of series of airport Project Bonds of the City, unlimited in aggregate principal amount, except as in the Original Indenture provided or as limited by law, which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "Restated Indenture") (the Original Indenture, as amended and restated by the Restated Indenture, and as amended and supplemented by the Seventeenth Supplemental Indenture of Trust dated as of June 1, 2011, the Eighteenth Supplemental Indenture of Trust dated as of June 1, 2012, the Nineteenth Supplemental Indenture of Trust dated as of June 1, 2013, and the Twentieth Supplemental Indenture of Trust dated as of June 1, 2015, and hereby, is referred to herein as the "Indenture");

WHEREAS, pursuant to a special election held on November 5, 1991, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of One Billion Five Hundred Million Dollars ($1,500,000,000) for the purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "1991 Voter Approval"); and pursuant to a special election held on April 8, 2003, the qualified voters of the City approved the issuance by the City of airport revenue bonds in the aggregate principal amount of Two Billion Dollars ($2,000,000,000) for the purpose of paying the costs of purchasing, constructing, extending and improving the airports of the City (the "2003 Voter Approval", and together with the 1991 Voter Approval, the "Voter Approval"), thereby establishing a total Voter Approval of Three Billion Five Hundred Million Dollars ($3,500,000,000);

WHEREAS, the City desires to issue its Series 2017 Revenue Bonds (hereinafter defined) for the purposes set forth in the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, as hereinafter specified, and in connection therewith to provide for the

funding of a Debt Service Reserve Account for the Series 2017 Revenue Bonds, and to make certain transfers of funds and to pay certain costs of issuing the Series 2017 Revenue Bonds;

WHEREAS, pursuant to Ordinance Number _____, adopted by the Board of Aldermen on _____, 2017, and approved by the Mayor on _____, 2017 (the "Ordinance"), the City is authorized to issue its Airport Revenue Bonds consisting of $_____ Series 2017C and $_____ Series 2017D (St. Louis Lambert International Airport) (collectively, the "Series 2017 Project Bonds" and with the Series 2017 Refunding Bonds, the "Series 2017 Revenue Bonds"), and to supplement and amend the Indenture in connection therewith, under authority of Article VI, Sections 27(a) and 28, of the Missouri Constitution (the "Constitution"), the statutes of the State of Missouri and the Voter Approval;

WHEREAS, pursuant to Sections 1101(5) and (9) of the Indenture, a Supplemental Indenture may be executed to provide for the issuance of a Series of Bonds;

WHEREAS, the Series 2017 Revenue Bonds and any Additional Bonds issued pursuant to the Indenture shall state that the principal of, premium, if any, and interest thereon are payable solely from the Revenues to be derived by the City from the operation of the Airport and certain funds pledged therefor under the Indenture and that such Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment thereof, either as to principal, premium or interest;

Confidential - garvin@stlouis-mo.gov 2020-01-16 14:00:32 -0600

WHEREAS, this Twenty-Second Supplemental Indenture provides for the issuance of the Series 2017 Project Bonds in the form, having the characteristics and being secured and entitled to the benefits as provided in the Indenture, including certain related transfers of funds;

WHEREAS, the Trustee agrees to accept and administer the trusts created hereby; and

WHEREAS, all things necessary to make the Series 2017 Project Bonds, when issued, executed and delivered by the City and authenticated by the Trustee, to the extent required pursuant to the Indenture, the valid, binding and legal limited obligations of the City and to constitute this Twenty-Second Supplemental Indenture as a valid assignment and pledge of the Revenues herein pledged to the payment of the principal, Redemption Price and interest on the Series 2017 Revenue Bonds, as described herein, and a valid assignment and pledge of certain rights of the City, have been done and performed; and the creation, execution and delivery of this Twenty-Second Supplemental Indenture, and the execution, issuance and delivery of the Series 2017 Revenue Bonds, subject to the terms hereof, have in all respects been duly authorized,

NOW, THEREFORE, THIS TWENTY-SECOND SUPPLEMENTAL INDENTURE FURTHER WITNESSETH:

That as security for payment of the principal, Redemption Price of and interest on the Bonds, including the Series 2017 Revenue Bonds, and any Additional Bonds issued from time to time under the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, and for any funds which may be advanced by the Trustee pursuant

hereto, the City does hereby pledge to the Trustee a security interest in and to all the property described in the granting clauses of the Indenture and all proceeds of any of the foregoing (collectively, the "Trust Estate") and does hereby by these presents pledge, assign, grant, bargain and sell, convey and confirm to the Trustee a security interest in and to the same.

TO HAVE AND TO HOLD all the same with all privileges and appurtenances hereby conveyed and assigned or agreed or intended to be conveyed and assigned to the Trustee and its successors in such trust and their assigns forever.

IN TRUST, however, for the equal and proportionate benefit and security of the Owners from time to time of the Bonds issued under and secured by the Indenture, without privilege, priority or distinction as to the lien or otherwise of any of the Bonds over any of the others upon the terms and conditions hereinafter stated and except as otherwise herein expressly provided or provided in the Indenture.

SUBJECT TO the application of the proceeds of sale of the Series 2017 Revenue Bonds and the Revenues to the purposes and on the conditions permitted by the Indenture.

The City hereby covenants and agrees with the Trustee and with the Owners of the Series 2017 Project Bonds, as follows:

Section 1.02 Rules of Interpretation. For purposes of this Twenty-Second Supplemental Indenture, except as otherwise expressly provided or unless the context otherwise requires:

(a) The words "herein," "hereof" and "hereunder" and other similar words refer to the Indenture as a whole and not to any particular Article, Section or other subdivision.

(b) The definitions in this Article are applicable whether the terms defined are used in the singular or the plural and words importing a person shall include firms, partnerships, limited liability companies, associations and corporations, including public bodies, as well as natural persons.

(c) All accounting terms which are not defined in the Indenture have the meanings assigned to them in accordance with then applicable generally accepted accounting principles.

(d) Any pronouns used in this Twenty-Second Supplemental Indenture include both the singular and the plural and cover both genders and the neuter.

(e) Any terms defined in this Twenty-Second Supplemental Indenture have the meanings attributed to them where defined. Any capitalized terms used herein and not defined shall have the same meaning ascribed to such terms as in the Indenture.

(f) Words referring to the redemption or calling for redemption of Series 2017 Project Bonds shall not be deemed to refer to the payment of Series 2017 Project Bonds at their stated maturity.

(g) The captions or headings herein are for convenience only and in no way define, limit or describe the scope or intent, or control or affect the meaning or construction, of any provisions or sections hereof.

(h) The Section numbers are those of this Twenty-Second Supplemental Indenture unless stated otherwise.

(i) Whenever an item or items are listed after the word "including," such listing is not intended to be a listing that excludes items not listed.

ARTICLE II.
AUTHORIZATION OF SERIES 2017 PROJECT BONDS

Section 2.01 Authorization and Purpose. The City hereby authorizes the issuance of two additional Series of Bonds pursuant to the Indenture, consisting of the Series 2017C Project Bonds and the Series 2017D Project Bonds. The purpose for which the Series 2017 Revenue Bonds are being issued is to finance a portion of the costs of the 2017 Project at the Airport, and to pay certain of the costs of issuing the Series 2017 Revenue Bonds and, in connection therewith, to provide for the funding of a Debt Service Reserve Account and to pay certain of the costs of issuing the Series 2017 Revenue Bonds.

Section 2.02 Principal Amount, Designation and Series. The Series 2017 Project Bonds are entitled to the benefit, protection and security of the Indenture. The Series 2017 Project Bonds are hereby authorized to be issued in the aggregate principal amount of $_____. The Series 2017 Project Bonds are comprised of two series designated Series 2017C Project Bonds which shall be in the aggregate principal amount of $_____, and Series 2017D Project Bonds which shall be in the aggregate principal amount of $_____. The Series 2017 Project Bonds shall be designated and distinguished from the Bonds of all other Series by the title "Airport Revenue Bonds, Series 2017 (St. Louis Lambert International Airport)," together with the appropriate series designation.

Section 2.03 Date, Maturities and Interest. The Series 2017 Project Bonds shall be issued, transferred and exchanged only in fully registered form and shall be dated the date of their original issuance and delivery. The Series 2017 Project Bonds shall mature on July 1 in the years and in the principal amounts and shall bear interest at the rates per annum, as follows:

Maturity (July 1)	Series 2017C Revenue Bonds Principal Amount	Interest Rate	CUSIP

Maturity (July 1)	Series 2017D Revenue Bonds Principal Amount	Interest Rate	CUSIP

The Series 2017 Project Bonds shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their dated or from the most recent Payment Date to which interest has been paid or duly provided for, payable semiannually on July 1 and January 1 in each year, beginning January 1, 2018.

Section 2.04 Sale, Denominations, Numbers and Letters. The Series 2017 Project Bonds shall be sold to the Underwriters through a negotiated sale or sales. The Series 2017 Project Bonds shall be issued in denominations of $5,000 and integral multiples thereof. The Series 2017C Project Bonds shall be substantially in the form set forth in Exhibit A to this Twenty-Second Supplemental Indenture. The Series 2017C Project Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017C Revenue Bond preceded by the letters "RC-." The Series 2017D Revenue Bonds shall be substantially in the form set forth in Exhibit B to this Twenty-Second Supplemental Indenture. The Series 2017D Project Bonds shall be numbered from one consecutively upward in order of issuance, with the number on each Series 2017B Revenue Bond preceded by the letters "RD-."

Section 2.05 Places of Payment. The principal of the Series 2017 Project Bonds shall be payable by check or draft at maturity or when otherwise due upon presentment and surrender thereof at the principal payment office of the Trustee or at the office of any Paying Agent, to the persons in whose names the Series 2017 Project Bonds are registered on the registration books maintained by the Trustee as Bond Registrar. Interest on the Series 2017 Project Bonds will be paid by check or draft drawn upon the Trustee payable to the Owners thereof in accordance with Section 401.E of the Indenture. Registered Owners of either Series of Series 2017 Project Bonds of at least $1,000,000 may receive payments of interest by electronic transfer upon written notice provided by the registered Owner to the Trustee with the relevant instructions not later than five (5) days prior to the Record Date for such interest payment, such instructions to include the name of the bank (which shall be in the continental United States), its address, ABA routing number and the account number to which such payments shall be directed.

Section 2.06 Redemption. [The Series 2017 Project Bonds are not subject to redemption prior to maturity.] [The Series 2017 Project Bonds are subject to redemption prior to maturity in the sole discretion of the City from any source, in whole or in part at any time, as determined by the City (and within any maturity as selected by the Trustee in such equitable manner as it shall determine), on and after _____ 1, 20___, at the Redemption price of ____% of the principal amount of the Series 2017 Project Bonds or portions thereof to be redeemed, together with accrued interest to the redemption date.

The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, [whether such redemption is of Series 2017C Revenue Bonds or Series 2017D Revenue Bonds], the principal amount of the applicable Series 2017 Project Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of this Section 2.06.]

[Section_. Notice of Redemption. Notice of redemption for any or all of Series 2017C Revenue Bonds or Series 2017D Revenue Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the applicable Series 2017 Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.

Section 2.07 Conditions Precedent. The Series 2017 Project Bonds shall be executed by the City and delivered to the Trustee and shall thereupon be authenticated by the Trustee and delivered to the City or upon its order but only upon the receipt by the Trustee of the documents and monies required by the provisions of this Article II and Sections 302 and 305 of the Indenture.

Section 2.08 Execution and Forms of Series 2017 Project Bonds and Authentication Certificate.

(a) The Series 2017C Project Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit A attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017C Project Bonds and the provisions of the Indenture. The Series 2017D Project Bonds and the Certificate of Authentication and Form of Assignment thereon shall be in substantially the forms set forth in Exhibit B attached hereto, with such insertions or omissions, endorsements, modifications and variations as may be necessary or advisable to reflect the details and purpose of issuance of the Series 2017D Project Bonds and the provisions of the Indenture.

(b) CUSIP identification numbers may be included herein and printed on the Series 2017 Project Bonds, but such numbers shall not be deemed to be a part of the Series 2017 Project Bonds or a part of the contract evidenced thereby and no liability shall hereafter attach to the

City, the Trustee or any of the officers or agents thereof because of or on account of said CUSIP identification numbers.

ARTICLE III.
BOOK ENTRY SYSTEM FOR SERIES 2017 PROJECT BONDS

Section 3.01 Book-Entry Bonds; Securities Depository. The Series 2017 Project Bonds shall initially be registered to Cede & Co,, the nominee for The Depository Trust Company, New York, New York (the "Securities Depository"), and no Beneficial Owner will receive certificates representing its respective interest in the Series 2017 Project Bonds, except in the event the Trustee issues replacement bonds as provided in this Section. It is anticipated that during the term of the Series 2017 Project Bonds, the Securities Depository will make book-entry transfers among its participants ("Participants") and receive and transmit payment of principal of, premium, if any, and interest on, the Series 2017 Project Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in the following paragraph.

(a) If the City determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system (to the exclusion of any Series 2017 Revenue Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Revenue Bonds, or if the Trustee receives written notice from Participants representing interests in not less than 50% of the Series 2017 Revenue Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system (to the exclusion of any Series 2017 Revenue Bonds being issued to any Bondowner other than Cede & Co.) is no longer in the best interests of the Beneficial Owners of the Series 2017 Project Bonds, then the Trustee shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Trustee shall register in the name of and authenticate and deliver replacement bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each; provided, that in the case of a determination under (a)(l) or (a)(2) of this paragraph, the City, with the consent of the Trustee, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when at least one Series 2017 Project Bond is registered in the name of the Securities Depository or its nominee. Upon the issuance of replacement bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such replacement bonds. If the Securities Depository resigns and the City, the Trustee or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Trustee shall authenticate and cause delivery of replacement bonds to Owners, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names and addresses of and principal amounts owned by of the Beneficial Owners of the Series 2017 Project Bonds. The cost of printing, registration, authentication, and delivery of replacement bonds shall be paid for by the City.

(b) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. Upon receipt of a Series 2017 Project Bond for cancellation the Trustee shall cause the delivery of a Series 2017 Project Bond to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE IV.
CREATION OF ACCOUNTS; APPLICATION OF FUNDS; DEBT SERVICE RESERVE REQUIREMENT

Section 4.01 Creation of Accounts.

(a) The following sub-accounts are hereby created within the specified Accounts established by the Indenture:

(i) the Series 2017C Project Sub-Account (the "Series 2017C Project Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(ii) the Series 2017D Project Sub-Account (the "Series 2017D Project Debt Service Sub-Account") of the Debt Service Account of the Airport Bond Fund;

(iii) the Series 2017 Project Bonds Debt Service Reserve Sub-Account (the "Series 2017 Project Debt Project Service Reserve Sub-Account") of the Debt Service Reserve Account of the Airport Bond Fund;

(iv) the 2017C Construction Sub-Account (the "Series 2017C Construction Sub-Account") to be held by the trustee and used to pay the costs of the 2017C Project; and

(v) the Series 2017D Construction Sub-Account (the "Series 2017D Construction Sub-Account") to be held by the trustee and used to pay the costs of the 2017D Project; and

(vi) the Series 2017 Project Bonds Costs of Issuance Sub-Account (the "Series 2017 Costs of Issuance Sub-Account") to be held by the Trustee and used to pay the Costs of Issuance of the Series 2017 Project Bonds, with any balance remaining after _____, 201___ to be transferred to the Revenue Fund.

(b) The sub-accounts created pursuant to Section 4.01(a) are hereinafter referred to collectively as the 2017 Project Bonds Accounts. Each of the 2017 Project Bonds Accounts shall be used for the same purposes as the respective fund or account to which it relates. Moneys on deposit in each of the 2017 Project Bonds Accounts pursuant to this Section 4.01 shall be held and used for purposes and on the conditions specified in the Indenture. Money credited to the 2017 Project Bonds Accounts may be held by the City, in the case of funds deposited with the City under the Indenture, or by the Trustee, in the case of funds deposited with the Trustee under the Indenture. However, the investment of monies with respect to each of the 2017 Project Bonds Accounts shall be separately made and maintained. The investment earnings of any of the 2017 Project Bonds Accounts shall be transferred to the Revenue Fund as provided in the Indenture. Moneys may be transferred between the 2017C Construction Sub-Account and the 2017D Construction Sub-Account on written instruction from the City together with an opinion from Co-Bond Counsel that such transfer will not impact the tax-exempt status of the 2017 Project Bonds.

(c) The City and the Trustee, as the case may be, may eliminate any of the aforementioned 2017 Project Bonds Accounts and transfer all amounts therein to the related Fund if both receive the written opinion of Bond Counsel that the failure to maintain such account will not adversely affect the tax-exempt status of interest on the Series 2017 Project Bonds.

ARTICLE V.
PLEDGE OF PFC REVENUES

Section 5.01 General. A portion of the Series 2017 Project Bond proceeds will be used to finance PFC-Eligible Projects. Certain PFC Revenues are pledged to the payment of the 2017 Project Bonds as set forth in this Article V.

Section 5.02 Designation of PFC-Eligible Project and PFC-Eligible Debt Service. The component projects of the 2017 Project set forth in Appendix II hereto are hereby designated as PFC-Eligible Projects, and the portion of the debt service on the Series 2017 Project Bonds attributable to such PFC-Eligible Projects, as set forth in Appendix III hereto, is hereby designated as PFC-Eligible Debt Service. The amount of Series 2017 Project Bond proceeds to be used to finance each PFC-Eligible Project listed in Appendix II hereto may be increased or decreased so long as the total amount of Series 2017 Project Bond proceeds used to finance the PFC-Eligible Projects listed on Appendix II hereto remains equal to $_____. In the event of the redemption or defeasance of a portion of the Series 2017 Project Bonds, the City shall provide the Trustee with a certificate which reflects the reduction in PFC-Eligible Debt Service as a result of such redemption or defeasance.

Section 5.03 Pledged PFC Revenues. There are hereby pledged to the payment of the Series 2017 Project Bonds, for each PFC Year, an amount equal to 125% of the amount of PFC-Eligible Debt Service designated in Section 5.02 hereof. Such pledged amount shall constitute Pledged PFC Revenues and is in addition to any PFC Revenues previously or hereafter pledged to the payment of the Bonds.

ARTICLE VI.
MISCELLANEOUS

Section 6.01 Provisions of Indenture. Except as otherwise provided by this Twenty-Second Supplemental Indenture, all of the provisions, terms and conditions of the Indenture shall continue in full force and effect.

Section 6.02 Counterparts. This Twenty-Second Supplemental Indenture may be executed in several counterparts, all or any of which may be treated for all purposes as an original and shall constitute and be one and the same instrument.

Section 6.03 Supplemental Indenture. This Twenty-Second Supplemental Indenture is being executed and delivered pursuant to Sections 1101(5) and 1101(9) of the Indenture.

Section 6.04 Continuing Disclosure. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement and that such Continuing Disclosure Agreement is intended to be for the benefit of the Holders of the Series 2017 Project Bonds and the Beneficial Owners thereof. Notwithstanding any other provision of the Indenture, failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may, and, upon receipt of satisfactory indemnity at the request of any of the Underwriters or any Bondholder(s) of 25% or more of the Series 2017 Project Bonds then Outstanding, shall (or any Bondholder of Series 2017 Project Bonds may) take such actions as may be necessary and appropriate, including seeking a mandamus for specific performance by court order, to cause the City or the Trustee, as the case may be, to comply with their obligations under this Section. A default under the Continuing Disclosure Agreement shall not be a default under the Indenture, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Section 6.05 Tax Covenants of the City. The City covenants that it will comply with the Tax Certificate and the applicable requirements of the Code throughout the term of the Series 2017 Project Bonds. The City also covenants that it will neither make nor direct the Trustee to make any investment or other use of the proceeds of the Series 2017 Project Bonds that would (a) cause the Series 2017 Project Bonds to be "arbitrage bonds" as that term is defined in Section 148(a) of the Code or (b) cause interest paid on the Series 2017 Project Bonds to not be excludable from gross income for federal income tax purposes pursuant to Section 103(a) of the Code [or for the Series 2017C Project Bonds to be "private activity bonds" within the meaning of Section 141 of the Code]. The Trustee covenants that in those instances where it exercises discretion over the investment of funds, it shall not knowingly make any investment inconsistent with the foregoing covenants.

The City covenants that it (a) will take, or use its best efforts to require to be taken, all actions that may be required of the City for the interest on the Series 2017 Project Bonds to be and remain not included in gross income for federal income tax purposes and (b) will not take or authorize to be taken any actions within its control that would adversely affect that status under the provisions of the Code.

Section 6.06 Transactions by Electronic Means. The transactions described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

THE CITY OF ST. LOUIS (the "City"), a constitutional charter city and political subdivision of the State of Missouri (the "State"), hereby acknowledges itself indebted to, and for value received hereby promises to pay, solely from the revenues and funds pledged therefor as hereinafter provided, to the registered Owner specified above, or registered assigns, on the maturity date specified above, the principal sum specified above, and to pay solely from such revenues and funds pledged therefor, to the registered Owner hereof interest on such principal sum from the dated date specified above at the rate of interest specified above, payable on July 1 and January 1 in each year commencing January 1, 2018, and semiannually thereafter until such principal sum shall be discharged as provided in the Indenture hereinafter mentioned. The principal of this Bond shall be payable by check or draft in lawful money of the United States of America upon presentation at the principal payment office of UMB Bank, N.A., St. Louis, Missouri or at the office of any other Paying Agent appointed pursuant to an Indenture of Trust between the City and UMB Bank, N. A. (as successor to Mercantile Trust Company National Association and State Street Bank and Trust Company of Missouri, N.A.), as trustee (the "Trustee"), dated as of October 15, 1984, as amended and supplemented (the "Original

Indenture"), as amended, restated and superseded by the Amended and Restated Indenture of Trust dated as of July 1, 2009 between the City and the Trustee, as supplemented and amended, including by the Twenty-Second Supplemental Indenture dated as of _____, 2017, authorizing the Series 2017 Project Bonds (as hereinafter defined) (the Original Indenture, as so amended, supplemented and restated is referred to herein as the "Indenture"). Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017C Project Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017C Project Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017C Project Bond is initially issued in book- entry form and is registered in the name of Cede & Co., as the nominee of OTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to OTC.

This Series 2017C Project Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport)" (the "Series 2017C Bonds") in the aggregate principal amount of $_____, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017C Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017C Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017C Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Revenue Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Project Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Project Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Project Bonds are without recourse to the City or the State. The Series 2017 Project Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017C Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017 Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017C Bond, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017C Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Project Bonds of the issue of which this Series 2017C Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017 Bond or Series 2017 Project Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his

duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017C Bonds of any other authorized denominations of the same issue.

[The Series 2017C Project Bonds are not subject to redemption prior to maturity.]

[Add redemption provisions, if any.]

[The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017C Project Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as Supplemented by the Twenty-Second Supplemental Indenture.]

[Notice of redemption for any or all of the Series 2017 Project Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.]

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017C Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017C Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017C Bond, exist, have happened and have been performed.

This Series 2017C Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of St. Louis has caused this Series 2017C Bond to be executed in its name and on its behalf by the manual or facsimile signatures of the Mayor and the Comptroller and its corporate seal (or a facsimile thereof) to be affixed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Register, all as of the date of authentication specified below.

Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017D Project Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017D Project Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017D Project Bond is initially issued in book- entry form and is registered in the name of Cede & Co., as the nominee of OTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to OTC.

This Series 2017D Project Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Project Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport)" (the "Series 2017D Bonds") in the aggregate principal amount of $_____, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017D Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017D Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017D Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Project Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Project Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Project Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Project Bonds are without recourse to the City or the State. The Series 2017 Project Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017D Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017D Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017D Bond, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017D Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Project Bonds of the issue of which this Series 2017D Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017D Bond may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney),

in exchange for an equal aggregate principal amount of registered Series 2017D Bonds of any other authorized denominations of the same issue.

[The Series 2017D Project Bonds are not subject to redemption prior to maturity.]

[Add redemption provisions, if any.]

[The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017D Project Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as Supplemented by the Twenty-Second Supplemental Indenture.]

[Notice of redemption for any or all of the Series 2017 Project Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.]

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017D Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017D Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017D Bond, exist, have happened and have been performed.

This Series 2017D Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of St. Louis has caused this Series 2017D Bond to be executed in its name and on its behalf by the manual or facsimile signatures of the Mayor and the Comptroller and its corporate seal (or a facsimile thereof) to be affixed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Register, all as of the date of authentication specified below.

CITY'S CLOSING CERTIFICATE

As of this 28th day of June, 2017, we, the undersigned Mayor, Comptroller, City Counselor and Register, respectively, duly authorized officials and/or officers of The City of St. Louis, Missouri (the "City"), hereby certify in connection with the (a) issuance of the City's $258,430,000 aggregate principal amount of The City of St. Louis, Missouri's Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport), Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport), Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport), and Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (collectively, the "Series 2017 Bonds"), (b) the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 (the "Twenty-First Supplemental Indenture") and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (the "Twenty-Second Supplemental Indenture", together with the Twenty-First Supplemental Indenture, collectively, the "Supplemental Indentures"), which supplement and amend the Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "Restated Indenture"), which amended, supplemented and restated the Indenture of Trust dated as of October 15, 1984 (the "Original Indenture") (the Original Indenture, as amended and restated by the Restated Indenture, as amended and supplemented, including by the Supplemental Indentures are hereby collectively referred to as the "Indenture") between the City and UMB Bank, N.A., as trustee, as follows:

1. Organization. The City is a legally constituted charter city organized and existing under the laws of the State of Missouri (the "State"). The City has complied with all provisions of the Constitution and the laws of the State and its Charter, and has full power and authority to consummate all transactions contemplated by the Ordinance (as hereinafter defined) and any and all other agreements relating thereto.

2. Transcript of Proceedings. The Transcript of Proceedings relating to the authorization and issuance of the Series 2017 Bonds (the "Transcript"), furnished to the purchasers of the Series 2017 Bonds is, to the best of our knowledge, information and belief, full and complete; none of such proceedings have been repealed or amended (except as provided in the Transcript); and such facts as are stated in the Transcript still exist.

3. Meetings. All meetings of the City as shown in the Transcript were regular meetings, or were held pursuant to regular adjournment at the next preceding meeting, or were special meetings called and held as shown in the Transcript, and at all such meetings where required, proper notice was given in the manner required by then applicable law, including Chapter 610, Missouri Revised Statutes, as amended. Ordinance No. 70541, of the City, duly adopted by its Board of Aldermen (the "Ordinance") at an open meeting of the City held on April 28, 2017, appears in the official records of the City, at which meeting a quorum was present and acted throughout and such Ordinance was signed by the Mayor of the City on May 23, 2017. The Ordinance, as signed by the Mayor of the City, was returned to the Board of Aldermen of the City, and the Mayor has not withdrawn or attempted to withdraw his approval of the Ordinance. The Ordinance remains in full force and effect and has not been altered,

amended or repealed as of the date hereof; the meeting was held in strict conformance with all applicable law, and the Ordinance authorized the execution and delivery of the Twenty-First Supplemental Indenture, the Twenty-Second Supplemental Indenture, the Bond Purchase Agreement, the Official Statement, the Continuing Disclosure Agreement, the Tax Certificate and the Debt Service Forward Delivery Agreement (each as hereinafter defined).

4. No Adverse Changes. Since June 30, 2016, there have been no material adverse changes in the properties, financial or physical position or results of operations of St. Louis Lambert International Airport (the "Airport"), whether or not arising from transactions in the ordinary course of business, other than as may be set forth or described in the Official Statement; and since such date the City has not entered into any transaction or incurred any debt or other liabilities material as to the Airport, except in the ordinary course of business or as may be set forth below or described in the Official Statement.

5. Execution of Bonds. As duly qualified, constituted and authorized officials and/or officers of the City, we have concurrently herewith duly signed and executed by manual or facsimile signatures the Series 2017 Bonds, in the respective principal amounts as set forth below. The Series 2017 Bonds are dated June 28, 2017. The Series 2017 Bonds will be issued in fully registered form without coupons, in the denomination of $5,000 or any integral multiple thereof, numbered from R-1 for each Series consecutively upward in order of issuance. On the date the Series 2017 Bonds were duly executed by us, we were, and at the date hereof we are, the officials and/or officers indicated by our signatures on the Series 2017 Bonds and by our signatures on this certificate, respectively. The Series 2017 Bonds will bear interest at the rates per annum, payable semi-annually on July 1 and January 1 in each year, commencing January 1, 2018, and maturing all as provided in the Supplemental Indentures.

6. Execution of Documents. The (a) Twenty-First Supplemental Indenture, (b) Twenty-Second Supplemental Indenture, (c) Bond Purchase Agreement dated June 9, 2017 by and among the City, Wells Fargo Bank, N.A. and Stern Brothers & Co., as representatives of the underwriters listed therein (the "Bond Purchase Agreement"), (d) Continuing Disclosure Agreement dated as of June 1, 2017 by and between the City and UMB Bank, N.A., as dissemination agent (the "Continuing Disclosure Agreement"), (e) Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986 executed by the City (the "Tax Certificate"), (f) Fourth Amendment to Debt Service Forward Delivery Agreement dated June 8, 2017 by and among the City, UMB Bank, N.A., (the "Trustee") and Wells Fargo Bank, National Association (the "Debt Service Forward Delivery Amendment"), and (g) Official Statement dated June 9, 2017 prepared in connection with the issuance of the Series 2017 Bonds, have each been executed and delivered in the name and on behalf of the City by its duly authorized officials and/or officers, pursuant to and in full compliance with the Ordinance; the copies of such documents contained in the Transcript are true, complete and correct copies or counterparts of such documents as executed and delivered by the City; and such documents have not been amended, modified or rescinded and are in full force and effect as of the date hereof. The Supplemental Indentures have been duly authorized and adopted in accordance with the provisions of the Indenture and are in full

force and effect.

7. Preliminary Official Statement and Official Statement. The Preliminary Official Statement, dated May 30, 2017 (the "Preliminary Official Statement"), and the final Official Statement, contained in the Transcript constitute full, true and correct copies of the Preliminary Official Statement and the final Official Statement relating to the Series 2017 Bonds. To the best of our knowledge, the information in the Preliminary Official Statement (except as corrected or modified in the final Official Statement) and in the final Official Statement relating to the Airport, the City, their respective organizations, activities, properties and financial condition, is true and correct and does not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. As of this date, there has been no material adverse change in the financial condition or the financial affairs of the Airport or the Airport Commission (as defined in the Official Statement) since the date of the issuance of the Preliminary Official Statement (except as corrected or modified in the final Official Statement), or the final Official Statement, and no other event has occurred which is necessary to be disclosed in the Preliminary Official Statement (except as corrected or modified in the final Official Statement) or the final Official Statement in order to make the statements made therein not misleading in any material respect as of the date hereof. The City has heretofore caused to be delivered to the purchasers of the Series 2017 Bonds (the "Purchasers") copies of the Preliminary Official Statement. For the purpose of enabling the Purchasers to comply with the requirements of Rule 15c2-12(b)(1) of the Securities and Exchange Commission, the City hereby deems the information contained in the Preliminary Official Statement to be "final" as of its date, except for the omission of such information as is permitted by Rule 15c2-12(b)(1), such as offering prices, interest rates, selling compensation, aggregate principal amount, principal per maturity, delivery dates, ratings, identity of the underwriters and other terms of the Series 2017 Bonds depending on such matters.

8. Representations and Warranties. Each of the City's representations, warranties and covenants contained in the Bond Purchase Agreement, the Supplemental Indentures, the Continuing Disclosure Agreement, the Tax Certificate, and the Debt Service Forward Delivery Amendment are true and correct as of the time and date hereof.

9. Financial Information. The financial statements of the Airport contained in APPENDIX B to the Preliminary Official Statement and the Official Statement (i) were prepared in accordance with generally accepted accounting principles consistently applied throughout the respective periods covered thereby, except as may be set forth therein, (ii) fairly present the financial position of the Airport as of the respective dates thereof, and (iii) fairly present the results of operations of the Airport for the respective periods covered thereby. Since the end of the last period covered by such financial statements, there have been no material adverse changes in the condition (financial or otherwise) of the Airport, except as may be described in the Preliminary Official Statement and the Official Statement.

10. No Default. Neither the Airport nor the Airport Authority (as defined in the Official Statement) nor the Airport Commission is in default under any existing ordinance, agreement or indenture by which each is or may be bound.

11. No Litigation. There is no litigation pending in any court or, to the best of our knowledge, threatened, which would restrain or enjoin the issuance or delivery of the Series 2017 Bonds or the execution and delivery of the Indenture or the Supplemental Indentures, or which questions the validity of the Series 2017 Bonds, the Indenture, or the Supplemental Indentures or concerns any of the proceedings of the City taken in connection therewith, or the pledge or application of any revenues of the Airport provided for the payment of the Series 2017 Bonds, or which contests the powers of the City with respect to the foregoing.

12. IRS Form. Included in the Transcript are copies of IRS Forms 8038 and 8038-G, which will be filed by the City with the Internal Revenue Service. The information contained in such forms was supplied by the City and is true, correct and complete as of the date hereof.

13. Incumbency. We certify that, on the date of the execution of this certificate, we are the duly chosen, qualified, and acting officials and/or officers of the City occupying the offices indicated opposite our names below. We do hereby recognize the facsimile signatures, and each of them, as our true and lawful signatures, respectively, and the signatures, and each of them, shall be as binding and effective as if our signatures, respectively, had been manually affixed to each of the Series 2017 Bonds and that our signatures have been filed with the Secretary of State of the State of Missouri pursuant to Section 105.272 of the Revised Statutes of Missouri, as amended; and we further certify that the seal impressed upon each of the Series 2017 Bonds and on this certificate is the seal of the City or a facsimile thereof.

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Wells Fargo Bank, N.A. and Stern Brothers & Co., as representatives of the Underwriters (the "Representative"), on behalf of themselves and Backstrom McCarley Berry & Co., LLC, Hilltop Securities Inc., Loop Capital Markets, PNC Capital Markets LLC, and The Williams Capital Group, L.P. (collectively, the "Underwriting Group"), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Bonds").

Confidential
servinn@stlouis-mo.gov

1. ***Sale of the Bonds.*** As of the date of this certificate, for each Maturity of the Bonds, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A.

2. ***Initial Offering Price of the Bonds.***

(a) The Underwriting Group offered the Bonds to the Public for purchase at the respective initial offering prices listed in Schedule A (the "Initial Offering Prices") on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Bond Purchase Agreement, the members of the Underwriting Group has agreed in writing that, (i) for each Maturity of the Bonds, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Bonds at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

3. ***Defined Terms.***

(a) *General Rule Maturities* means those Maturities of the Bonds listed in Schedule A hereto as the "General Rule Maturities."

(b) *Issuer* means The City of St. Louis, Missouri.

(c) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(d) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(e) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is June 9, 2017.

(f) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Representative's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the City with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Co-Bond Counsel in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038-G, and other federal income tax advice it may give to the City from time to time relating to the Bonds.

CERTIFICATE OF NO LITIGATION
AND APPROVAL OF FORM OF BONDS

As of this 28th day of June, 2017, I, the City Counselor within and for The City of St. Louis, in the State of Missouri (the "City"), do hereby certify that there is no pending litigation now of record in any court, nor to my knowledge threatened or contemplated, affecting or questioning in any manner, either directly or indirectly:

1. The validity of the City's $258,430,000 aggregate principal amount of The City of St. Louis, Missouri's Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport), Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport), Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport), and Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (collectively, the "Series 2017 Bonds"), Ordinance No. 70541 which approved the Series 2017 Bonds adopted by the Board of Aldermen on April 28, 2017, and signed by the Mayor on May 23, 2017 (the "Ordinance"), and the Indenture of Trust dated as of October 15, 1984 (the "Original Indenture"), which Original Indenture, as amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "Restated Indenture"), as supplemented and amended, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 and the Twenty-Second Supplemental Indenture, dated as of June 1, 2017 (collectively, the "Supplemental Indentures" together with the Restated Indenture, as supplemented and amended, the "Indenture");

2. The authorization, issuance or delivery of the Series 2017 Bonds;

3. The authority of the City to pledge the Revenues (as such term is defined in the Indenture) of St. Louis Lambert International Airport (the "Airport") to the payment of the Series 2017 Bonds and to apply the same in accordance with the provisions of the Ordinance and the Indenture;

4. The corporate existence of the City or the powers of the City with respect to the Airport or any of the foregoing; or

5. The title of the officers and/or officials of the City or the Airport Authority to their respective offices at the time of the authorization, issuance, execution and delivery of the Series 2017 Bonds.

I further certify that the City has been duly established and is lawfully existing, and that no ordinance or other proceeding in connection with the authorization and issuance of the Series 2017 Bonds has been repealed, rescinded, revoked or modified (except as provided in the Ordinance).

In accordance with the provisions of Article X, Section 2 of the Charter of the City, I further certify that I have approved the Series 2017 Bonds as to form.

business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017A Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017A Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017A Refunding Bond is initially issued in book- entry form and is registered in the name of Cede & Co., as the nominee of DTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to DTC.

This Series 2017A Refunding Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport)" (the "Series 2017A Refunding Bonds") in the aggregate principal amount of $125,410,000.00, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017A Refunding Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017A Refunding Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017A Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017 Refunding Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017 Refunding Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Refunding Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017 Refunding Bonds are without recourse to the City or the State. The Series 2017 Refunding Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017A Refunding Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017A Refunding Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017A Refunding Bonds, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017A Refunding Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017 Refunding Bonds of the issue of which this Series 2017A Refunding Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017A Refunding Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017A Refunding Bonds of any other authorized denominations of the same issue.

The Series 2017A Refunding Bonds maturing on and after July 1, 2028 are subject to redemption prior to maturity in the sole discretion of the City from any source, in whole or in part at any time, as determined by the City (and within any maturity as selected by the Trustee in such equitable manner as it shall determine), on and after July 1, 2027, at the Redemption Price of 100% of the principal amount of the Series 2017A Refunding Bonds or portions thereof to be redeemed, together with accrued interest to the redemption date.

Preliminary

The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017A Refunding Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as supplemented by the Twenty-First Supplemental Indenture.

Notice of redemption for any or all of the Series 2017A Refunding Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017 Refunding Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017A Refunding Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017A Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017A Refunding Bond, exist, have happened and have been performed.

This Series 2017A Refunding Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

STATEMENT OF INSURANCE

Assured Guaranty Municipal Corp. ("AGM"), New York, New York, has delivered its municipal bond insurance policy (the "Policy") with respect to the scheduled payments due of principal of and interest on this Bond maturing on July 1 in the years 2020 through 2025 and 2027 through 2032 to UMB Bank, N.A., St. Louis, Missouri, or its successor, as paying agent for the Bonds (the "Paying Agent"). Said Policy is on file and available for inspection at the principal office of the Paying Agent and a copy thereof may be obtained from AGM or the Paying Agent. All payments required to be made under the Policy shall be made in accordance with the provisions thereof. The owner of this Bond acknowledges and consents to the subrogation rights of AGM as more fully set forth in the Policy.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the issuer or its agent for registration of transfer, exchange, or payment, and any certificate is registered in the name of Cede & Co., or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co, or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered Owner hereof, Cede & Co., has an interest herein.

supplemented and restated is referred to herein as the "Indenture"). Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017B Refunding Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017B Refunding Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017B Bond is initially issued in book- entry form and is registered in the name of Cede & Co., as the nominee of DTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to DTC.

This Series 2017B Refunding Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport)" (the "Series 2017B Refunding Bonds") in the aggregate principal amount of $74,715,000.00, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017B Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017B Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017B Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017B Refunding Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017B Refunding Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017B Refunding Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017B Refunding Bonds are without recourse to the City or the State. The Series 2017B Refunding Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the

PREVIEW

Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017B Refunding Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017B Refunding Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017B Refunding Bonds, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017B Refunding Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017B Refunding Bonds of the issue of which this Series 2017B Refunding Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017B Refunding Bond may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017B Refunding Bonds of any other authorized denominations of the same issue.

The Series 2017B Refunding Bonds are not subject to redemption prior to maturity.

(and within any maturity as selected by the Trustee in such equitable manner as it shall determine), on and after July 1, 2027, at the Redemption Price of 100% of the principal amount of the Series 2017C Project Bonds or portions thereof to be redeemed, together with accrued interest to the redemption date.

The Series 2017C Project Bonds maturing July 1, 2042 are subject to mandatory redemption prior to maturity, upon notice as provided in the Indenture, in part, as selected by lot by the Trustee in such manner as it shall deem fair and appropriate, at part, plus accrued interest to the date of redemption on July 1 of each of the years set forth below, in the principal amount set forth below:

July 1	Principal Amount
2038	$2,520,000
2039	2,645,000
2040	2,780,000
2041	2,920,000
2042*	3,065,000

* Final Maturity

The Series 2017C Project Bonds maturing July 1, 2047 are subject to mandatory redemption prior to maturity, upon notice as provided in the Indenture, in part, as selected by lot by the Trustee in such manner as it shall deem fair and appropriate, at par, plus accrued interest to the date of redemption on July 1 of each of the years set forth below, in the principal amounts set forth below:

July 1	Principal Amount
2043	$3,215,000

2045	3,545,000
2046	3,725,000
2047*	3,910,000

* Final Maturity

With respect to the mandatory sinking fund redemption of Series 2017C Project Bonds which are subject to mandatory sinking fund redemption, amounts accumulated in the Debt Service Account or the Contingency Fund may be applied for such purpose prior to the 60th day preceding a sinking fund payment date to purchase such Series 2017C Project Bonds. After the 60th day, but on or prior to the 40th day preceding a sinking fund payment date, amounts on deposit in the Debt Service Account or the Contingency Fund may be applied to purchase such Series 2017C Project Bonds in an amount not exceeding that necessary to complete the retirement of the unsatisfied balance of the payment requirement for such sinking fund payment date. All such purchases of Series 2017C Project Bonds shall be at prices not exceeding the applicable sinking fund Redemption Price plus accrued interest.

The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017C Project Bonds to

SPECIMEN

be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as Supplemented by the Twenty-Second Supplemental Indenture.

Notice of redemption for any or all of the Series 2017C Project Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017C Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017C Project Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017C Project Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017C Project Bond, exist, have happened and have been performed.

This Series 2017C Project Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

STATEMENT OF INSURANCE

Assured Guaranty Municipal Corp. ("AGM"), New York, New York, has delivered its municipal bond insurance policy (the "Policy") with respect to the scheduled payments due of principal of and interest on this Bond to UMB Bank, N.A., St. Louis, Missouri, or its successor, as paying agent for the Bonds (the "Paying Agent"). Said Policy is on file and available for inspection at the principal office of the Paying Agent and a copy thereof may be obtained from AGM or the Paying Agent. All payments required to be made under the Policy shall be made in accordance with the provisions thereof. The owner of this Bond acknowledges and consents to the subrogation rights of AGM as more fully set forth in the Policy.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the issuer or its agent for registration of transfer, exchange, or payment, and any certificate is registered in the name of Cede & Co., or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co, or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered Owner hereof, Cede & Co., has an interest herein.

supplemented and restated is referred to herein as the "Indenture"). Interest on this Bond is payable to the registered Owner hereof as of the fifteenth day of the month, whether or not a business day, next preceding the applicable interest payment date (the "Record Date") by check or draft in lawful money of the United States of America mailed to the address of such Owner shown on the Series 2017D Project Bond registration books maintained by the Trustee, as Bond Registrar or by electronic transfer to registered Owners of at least $1,000,000 in Series 2017D Project Bonds upon written notice provided by such Owners to the Trustee of the relevant instructions not later than five (5) days prior to the Record Date for such interest payment. Capitalized terms used and not defined herein have the meanings set forth in the Indenture.

Notwithstanding any other provision hereof, this Series 2017D Project Bond is initially issued in book- entry form and is registered in the name of Cede & Co., as the nominee of DTC, and the payment of principal and interest and the providing of notices and other matters will be made as described in the City's Blanket Letter of Representation to DTC.

This Series 2017D Project Bond is one of a duly authorized issue of bonds of the City designated "The City of St. Louis, Missouri, Airport Project Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport)" (the "Series 2017D Project Bonds") in the aggregate principal amount of $26,605,000.00, issued under and pursuant to the Indenture. As provided in the Indenture and any additional Supplemental Indentures authorized and executed pursuant to the Indenture, the principal of, premium, if any, and interest on the Series 2017D Bonds and any other bonds issued under the Indenture are payable solely from and secured by a pledge of the Revenues of the Airport and certain other funds held or set aside under the Indenture. Copies of the Indenture are on file at the offices of the City and at the corporate trust office of the Trustee in the City of St. Louis, Missouri or its successor as trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing this Series 2017D Project Bond, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Owner of this Series 2017D Project Bond with respect thereto and the terms and conditions upon which bonds are issued and may be issued thereunder.

The Series 2017D Project Bonds and the interest thereon are limited obligations of the City payable solely from a pledge of Revenues, except to the extent payable from the proceeds of the Series 2017D Project Bonds, income from investments and certain reserves and other moneys which have been pledged as provided in the Indenture to secure payment thereof. The Series 2017 Project Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal, premium or interest. The Series 2017D Project Bonds are without recourse to the City or the State. The Series 2017D Project Bonds are not general obligations of the City or the State, are not a pledge and do not involve the faith and credit or the taxing power of the City or the State, do not constitute a debt of the City or the State, and do not constitute lending of the public credit for private undertakings.

As provided in the Indenture, Bonds of the City may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and otherwise may vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is

not limited except as provided in the Indenture or as limited by applicable law, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture or any Supplemental Indenture, may be modified or amended by the City, with the written consent of the Owners of at least fifty-one percent (51%) in principal amount of the Bonds then outstanding under the Indenture, and, in case less than all of the series of Bonds would be affected thereby, with such consent of at least fifty-one percent (51%) in principal amount of the Bonds of each series so affected then outstanding under the Indenture; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Indenture, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. The Indenture further provides that certain changes may be made to the Indenture or any supplemental indenture without the consent of the Owners of the Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereof or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written consent thereto.

This Series 2017D Project Bond is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his or her duly authorized attorney, upon surrender of this Series 2017D Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his or her duly authorized attorney at the office of the Trustee and thereupon a new Series 2017D Bond, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the person in whose name this Series 2017D Bond is registered on the registration books maintained by the Trustee as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

The Series 2017D Project Bonds of the issue of which this Series 2017D Project Bond is one are issuable in the form of registered Bonds without coupons in the denominations of $5,000 or any integral multiple of $5,000. Subject to such conditions and upon the payment of such charges, the Owner of any Series 2017D Project Bond may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney), in exchange for an equal aggregate principal amount of registered Series 2017D Project Bonds of any other authorized denominations of the same issue.

The Series 2017D Project Bonds are subject to redemption prior to maturity in the sole discretion of the City from any source, in whole or in part at any time, as determined by the City

(and within any maturity as selected by the Trustee in such equitable manner as it shall determine), on and after July 1, 2027, at the Redemption Price of 100% of the principal amount of the Series 2017D Project Bonds or portions thereof to be redeemed, together with accrued interest to the redemption date.

The City shall, not less than forty-five days prior to any redemption date, notify the Trustee in writing of the redemption date, the principal amount of Series 2017D Project Bonds to be redeemed and any other necessary particulars under the optional redemption provisions of Section 2.06 of the Indenture as Supplemented by the Twenty-Second Supplemental Indenture.

Notice of redemption for any or all of the Series 2017D Project Bonds shall be provided by the Trustee in the manner set forth in Section 605 of the Indenture. In accordance with Section 606 of the Indenture, if, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Trustee moneys sufficient to redeem all the Series 2017D Project Bonds called for redemption, the notice may state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date. Such notice will be of no effect and the Redemption Price for such optional redemption will not be due and payable unless such moneys are so deposited.

As provided in the Indenture, until any termination of the system of book-entry-only transfers through The Depository Trust Company (together with any successor securities depository appointed pursuant to the Indenture, "DTC"), and notwithstanding any other provision of the Indenture to the contrary, a portion of the principal amount of this Bond may be paid or redeemed without surrender hereof to the Paying Agent. DTC or a nominee, transferee or assignee of DTC as owner of this Bond may not rely upon the principal amount indicated hereon as the principal amount hereof outstanding and unpaid. The principal amount hereof outstanding and unpaid shall for all purposes be the amount determined in the manner provided in the Indenture.

Unless this Series 2017D Project Bond is presented by an authorized officer of DTC (a) to the Paying Agent for registration of transfer or exchange or payment (b) to the Paying Agent for payment of principal, and any Series 2017D Bond issued in replacement thereof or substitution therefor is registered in the name of DTC or its nominee, Cede & Co., or such other name as requested by an authorized representative of DTC and any payment is made to DTC, any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered Owner hereof, DTC or its nominee, Cede & Co., has an interest herein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and by the laws of the State of Missouri or the Indenture to exist, to have happened or to have been performed precedent to or contemporaneously with the issuance of this Series 2017D Project Bond, exist, have happened and have been performed.

This Series 2017D Project Bond shall not be entitled to any security, right or benefit under the Indenture or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Trustee.

CERTIFICATE OF THE COMPTROLLER PURSUANT TO SECTION 304(A)(4) OF THE INDENTURE

The undersigned, Darlene Green, Comptroller of The City of St. Louis, Missouri (the "Comptroller"), is delivering this certificate pursuant to Section 304(A)(4) of the Indenture of Trust dated as of October 15, 1984, as amended and restated by the Amended and Restated Indenture of Trust dated as of July 1, 2009, as amended and supplemented, including by the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (collectively, the "Indenture"), between The City of St. Louis, Missouri (the "City") and UMB Bank, N.A. (the "Trustee") in connection with the issuance by the City of its Airport Revenue Bonds, Series 2017C and Series 2017D (Lambert-St. Louis International Airport) (the "Series 2017 Project Bonds"). Capitalized terms used and not defined herein shall have the respective meanings given to such terms in the Indenture.

With respect to the Series 2017C Bonds and the Series 2017D Bonds, the Comptroller hereby certifies as follows:

(a) the Net Revenues for the Airport Fiscal Years ending June 30, 2020, June 30, 2021, and June 30, 2022 (the first three Airport Fiscal Years following the Airport Fiscal Year in which the Consulting Engineers estimate that the Series 2017 Project will be completed) will be $99.7 million, $100.5 million, and $102.2 million, respectively;

(b) the amounts to be deposited from Revenues into the Debt Service Reserve Account, the Renewal and Replacement Fund and the Development Fund during the Airport Fiscal Year ending June 30, 2020 (the first Airport Fiscal Year following the Airport Fiscal Year in which it is estimated that the 2017 Project will be completed) will be $0, $0, and $7.0 million, respectively;

(c) the amounts to be deposited from Revenues into the Debt Service Reserve Account, the Renewal and Replacement Fund and the Development Fund during the Airport Fiscal Year ending June 30, 2021 (the second Airport Fiscal Year following the Airport Fiscal Year in which it is estimated that the 2017 Project will be completed) will be $0, $0, and $7.0 million, respectively; and

(d) the amounts to be deposited from Revenues into the Debt Service Reserve Account, the Renewal and Replacement Fund and the Development Fund during the Airport Fiscal Year ending June 30, 2022 (the third Airport Fiscal Year following the Airport Fiscal Year in which it is estimated that the 2017 Project will be completed) will be $0, $0, and $7.2 million, respectively.

(e) the Aggregate Adjusted Debt Service, determined after giving effect to the issuance of the Series 2017 Project Bonds and including the estimated Aggregate Debt Service with respect to the future Series of Bonds, if any, which will be required to complete payments of the Cost of Construction of the 2017 Project, is $66,405,606, $66,409,700 and $66,407,119 for Airport Fiscal Years ending June 30, 2020, June 30, 2021, and June 30, 2022, respectively; and

(f) the estimated Net Revenues for the Airport Fiscal Years ending June 30, 2020, June 30, 2021, and June 30, 2022, (the first three Airport Fiscal Years following the Airport Fiscal Year in which it is estimated that the 2017 Project will be completed), will be at least 1.25 times Aggregate Adjusted Debt Service for each corresponding Airport Fiscal Year.

In furnishing this Certificate, I have relied on the Certificate of Airport Consultant, the Certificate of Accountant and the Certificate of Consulting Engineer, each dated June 28, 2017 and delivered simultaneously herewith in connection with the issuance of the Series 2017 Project Bonds.

The Comptroller hereby further certifies that Unison Consulting, Inc. serves as the City's "Airport Consultant" for purposes of the Indenture, has been employed by the City to provide consulting services pursuant to Section 814 of the Indenture and qualifies as an "Airport Consultant."

The Comptroller hereby further certifies that Gerald A. Beckman serves as the City's "Consulting Engineers" for purposes of the Indenture, has been employed by the City to provide engineering services pursuant to Section 815 of the Indenture and qualifies as "Consulting Engineers."

Dear Mr. Bauerfeld:

S&P Global Ratings has reviewed the rating on the above-referenced obligations. After such review, we have changed the rating from "A-" to "AA" on the above obligations. The rating on the above obligations is based on the policy provided by your company.

We may adjust the underlying rating and the capital charge as a result of changes in the financial position of the issuer or performance of the collateral, or of amendments to the documents governing the issue, as applicable. With respect to the latter, please notify us of any changes or amendments over the term of the debt.

The credit ratings and other views of S&P Global Ratings are statements of opinion and not statements of fact. Credit ratings and other views of S&P Global Ratings are not recommendations to purchase, hold, or sell any securities and do not comment on market price, marketability, investor preference or suitability of any security. While S&P Global Ratings bases its credit ratings and other views on information provided by issuers and their agents and advisors, and other information from sources it believes to be reliable, S&P Global Ratings does not perform an audit, and undertakes no duty of due diligence or independent verification, of any information it receives. Such information and S&P Global Ratings' opinions should not be relied upon in making any investment decision. S&P Global Ratings does not act as a "fiduciary" or an investment advisor. S&P Global Ratings neither recommends nor will recommend how an issuer can or should achieve a particular credit rating outcome nor provides or will provide consulting, advisory, financial or structuring advice.

All Credit Rating Actions in S&P Global Ratings' Sole Discretion. S&P Global Ratings may assign, raise, lower, suspend, place on CreditWatch, or withdraw a credit rating, and assign or revise an Outlook, at any time, in S&P Global Ratings' sole discretion. S&P Global Ratings may take any of the foregoing actions notwithstanding any request for a confidential or private credit rating or a withdrawal of a credit rating, or termination of a credit rating engagement. S&P Global Ratings will not convert a public credit rating to a confidential or private credit rating, or a private credit rating to a confidential credit rating.

Publication. S&P Global Ratings reserves the right to use, publish, disseminate, or license others to use, publish or disseminate a credit rating and any related analytical reports, including the rationale for the credit rating, unless the issuer specifically requests in connection with the initial credit rating that the credit rating be assigned and maintained on a confidential or private basis. If, however, a confidential or private credit rating or the existence of a confidential or private credit rating subsequently becomes public through disclosure other than by an act of S&P Global Ratings or its affiliates, S&P Global Ratings reserves the right to treat the credit rating as a public credit rating, including, without limitation, publishing the credit rating and any related analytical reports. Any analytical reports published by S&P Global Ratings are not issued by or on behalf of the issuer or at the issuer's request. S&P Global Ratings reserves the right to use, publish, disseminate or license others to use, publish or disseminate analytical reports with respect to public credit ratings that have been withdrawn, regardless of the reason for such withdrawal. S&P Global Ratings may publish explanations of S&P Global Ratings' credit ratings criteria from time to time and S&P Global Ratings may modify or refine its credit ratings criteria at any time as S&P Global Ratings deems appropriate.

Reliance on Information. S&P Global Ratings relies on issuers and their agents and advisors for the accuracy and completeness of the information submitted in connection with credit ratings and the surveillance of credit ratings including, without limitation, information on material changes to information previously provided by issuers, their agents or advisors. Credit ratings, and the maintenance of credit ratings, may be affected by S&P Global Ratings' opinion of the information received from issuers, their agents or advisors.

Confidential Information. S&P Global Ratings has established policies and procedures to maintain the confidentiality of certain non-public information received from issuers, their agents or advisors. For these purposes, "Confidential Information" shall mean verbal or written information that the issuer or its agents or advisors have provided to S&P Global Ratings and, in a specific and particularized manner, have marked or otherwise indicated in writing (either prior to or promptly following such disclosure) that such information is "Confidential."

S&P Global Ratings Not an Expert, Underwriter or Seller under Securities Laws. S&P Global Ratings has not consented to and will not consent to being named an "expert" or any similar designation under any applicable securities laws or other regulatory guidance, rules or recommendations, including without limitation, Section 7 of the U.S. Securities Act of 1933. S&P Global Ratings has not performed and will not perform the role or tasks associated with an "underwriter" or "seller" under the United States federal securities laws or other regulatory guidance, rules or recommendations in connection with a credit rating engagement.

Disclaimer of Liability. S&P Global Ratings does not and cannot guarantee the accuracy, completeness, or timeliness of the information relied on in connection with a credit rating or the results obtained from the use of such information. S&P GLOBAL RATINGS GIVES NO EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE. S&P Global Ratings, its affiliates or third party providers, or any of their officers, directors, shareholders, employees or agents shall not be liable to any person for any inaccuracies, errors, or omissions, in each case regardless of cause, actions, damages (consequential, special, indirect, incidental, punitive, compensatory, exemplary or otherwise), claims, liabilities, costs, expenses, legal fees or losses (including, without limitation, lost income or lost profits and opportunity costs) in any way arising out of or relating to a credit rating or the related analytic services even if advised of the possibility of such damages or other amounts.

No Third Party Beneficiaries. Nothing in any credit rating engagement, or a credit rating when issued, is intended or should be construed as creating any rights on behalf of any third parties, including, without limitation, any recipient of a credit rating. No person is intended as a third party beneficiary of any credit rating engagement or of a credit rating when issued.

Assured Guaranty Municipal Corp.
1633 Broadway
New York, NY 10019

To Whom It May Concern:

Moody's Investors Service has assigned the rating of A2 to the $197,760,000.00 The City of St. Louis, Missouri, Consisting of: $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) and $72,350,000 Series 2017B (AMT) (St. Louis Lambert International Airport) maturing on July 1 in the years 2019 through 2032, inclusive, dated June 28, 2017 which sold through negotiation on June 8, 2017, insured by Assured Guaranty Municipal Corp. (Policy No.218285-N). The rating is the highest of (i) the guarantor's financial strength rating, (ii) any published underlying rating on the security, or (iii) any published enhanced rating based on a state credit enhancement program.

Credit ratings issued by Moody's Investors Service, Inc. and its affiliates ("Moody's") are Moody's current opinions of the relative future credit risk of entities, credit commitments, or debt or debt-like securities and are not statements of current or historical fact. Moody's credit ratings address credit risk only and do not address any other risk, including but not limited to: liquidity risk, market value risk, or price volatility.

This letter uses capitalized terms and rating symbols that are defined or referenced either in *Moody's Definitions and Symbols Guide or MIS Professional Code of Conduct* as of the date of this letter, both published on www.moodys.com. The Credit Ratings will be publicly disseminated by Moody's through normal print and electronic media as well as in response to verbal requests to Moody's Rating Desk. Moody's related research and analyses will also be published on www.moodys.com and may be further distributed as otherwise agreed in writing with us.

Moody's Credit Ratings or any corresponding outlook, if assigned, will be subject to revision, suspension or withdrawal, or may be placed on review, by Moody's at any time, without notice, in the sole discretion of Moody's. For the most current Credit Rating, please visit www.moodys.com.

Moody's has not consented and will not consent to being named as an expert under applicable securities laws, such as section 7 of the Securities Act of 1933. The assignment of a rating does not create a fiduciary relationship between Moody's and you or between Moody's and other recipients of a Credit Rating. Moody's Credit Ratings are not and do not provide investment advice or recommendations to purchase, sell or hold particular securities. Moody's issues Credit Ratings with the expectation and understanding that each investor will make its own evaluation of each security that is under consideration for purchase, sale or holding.

Moody's adopts all necessary measures so that the information it uses in assigning a Credit Rating is of sufficient quality and from sources Moody's considers to be reliable including, when appropriate, independent third-party sources. However, Moody's is not an auditor and cannot in every instance independently validate or verify information received in the rating process. Moody's expects and is relying upon you possessing all legal rights and required consents to disclose the information to Moody's, and that such information is not subject to any restrictions that would prevent use by Moody's for its ratings process. In assigning the Credit Ratings, Moody's has relied upon the truth, accuracy, and completeness of the information supplied by you or on your behalf to Moody's. Moody's expects that you will, and is relying upon you to, on an ongoing basis, promptly provide Moody's with all information necessary in order for Moody's to accurately and timely monitor the Credit Ratings, including current financial and statistical information.

Under no circumstances shall Moody's have any liability (whether in contract, tort or otherwise) to any person or entity for any loss, injury or damage or cost caused by, resulting from, or relating to, in whole or in part, directly or indirectly, any action or error (negligent or otherwise) on the part of, or other circumstance or contingency within or outside the control of, Moody's or any of its or its affiliates, directors, officers, employees or agents in connection with the Credit

Ratings. ALL INFORMATION, INCLUDING THE CREDIT RATING, ANY FEEDBACK OR OTHER COMMUNICATION RELATING THERETO IS PROVIDED "AS IS" WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND. MOODY'S MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE ACCURACY, TIMELINESS, COMPLETENESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY SUCH INFORMATION.

Any non-public information discussed with or revealed to you must be kept confidential and only disclosed either (i) to your legal counsel acting in their capacity as such; (ii) to your other authorized agents acting in their capacity as such with a need to know that have entered into non-disclosure agreements with Moody's in the form provided by Moody's and (iii) as required by applicable law or regulation. You agree to cause your employees, affiliates, agents and advisors to keep non-public information confidential.

If there is a conflict between the terms of this rating letter and any related Moody's rating application, the terms of the executed rating application will govern and supercede this rating letter.

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Wells Fargo Bank, N.A. and Stern Brothers & Co., as representatives of the Underwriters (the "Representative"), on behalf of themselves and Backstrom McCarley Berry & Co., LLC, Hilltop Securities Inc., Loop Capital Markets, PNC Capital Markets LLC, and The Williams Capital Group, L.P. (collectively, the "Underwriting Group"), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Bonds").

1. ***Sale of the Bonds.*** As of the date of this certificate, for each Maturity of the Bonds, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A.

2. ***Initial Offering Price of the Bonds.***

(a) The Underwriting Group offered the Bonds to the Public for purchase at the respective initial offering prices listed in Schedule A (the "Initial Offering Prices") on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Bond Purchase Agreement, the members of the Underwriting Group has agreed in writing that, (i) for each Maturity of the Bonds, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Bonds at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

3. ***Defined Terms.***

(a) *General Rule Maturities* means those Maturities of the Bonds listed in Schedule A hereto as the "General Rule Maturities."

(b) *Issuer* means The City of St. Louis, Missouri.

(c) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(d) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(e) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is June 9, 2017.

(f) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Representative's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the City with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Co-Bond Counsel in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038-G, and other federal income tax advice it may give to the City from time to time relating to the Bonds.

April 9, 1996
(Date)

Attention: Underwriting Department — Eligibility
The Depository Trust Company
55 Water Street; 50th Floor
New York, NY 10041-0099

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:
Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

Very truly yours,

The City of St. Louis

SCHEDULE A

SAMPLE OFFERING DOCUMENT LANGUAGE DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds $200 million, one certificate will be issued with respect to each $200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[6. Redemption notices shall be sent to Cede & Co. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to the [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to the [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Dear Ms. Hamm-Niebruegge:

Unison-Consulting, Inc. is pleased to submit this Financial Feasibility Report (the Report) in connection with the issuance by The City of St. Louis, Missouri, of (i) Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport (the Series 2017A Refunding Bonds); (ii) Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the Series 2017B Refunding Bonds) and together with the Series 2017A Refunding Bonds (the Series 2017 Refunding Bonds) in an aggregate principal amount not to exceed $200.1 million along with the issuance of (iii) Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the Series 2017C Project Bonds); (iv) Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the Series 2017D Project Bonds) and together with the Series 2017C Project Bonds (the Series 2017 Project Bonds), in an amount not to exceed $58.3 million and together with the Series 2017 Refunding Bonds will be collectively known as (the Series 2017 Bonds). The proceeds from the sale of the Series 2017 Bonds will be used to refund all or a portion of the Series 2007A (except the 2001A-1 Bonds) and the Series 2007B Bonds (the Refunded Bonds). In addition, the proceeds will provide funding for a portion of the costs of construction, extension and improvement of the St. Louis Lambert International Airport (STL or Airport), to reimburse the City for prior Airport capital expenditures (collectively the Series 2017 Project), to fund all or a portion of capitalized interest, if required, and provide funding for any required reserves or cost of issuance for the Series 2017 Bonds.

The St. Louis Lambert International Airport (the Airport) is owned by the City and operated by the City of St. Louis Airport Authority (the Authority), an agency of the City. The Airport is the principal airport serving the St. Louis metropolitan area, a region with a population of approximately 2.8 million as of CY 2016. In Fiscal Year (FY) 2016, approximately 6.7 million passengers were enplaned at the Airport, of which 5.7 million (85.4%) were originating passengers and 1.0 million (14.6%) were connecting passengers.

Historical Passenger Traffic Trends

Over the years, the Airport's passenger traffic has grown and declined with U.S. economic cycles (Figure 1). In the early 2000s, growth was set back by American Airlines' (American) significant service cuts—not long after the crash of two American flights during the terrorist attacks in September 2001—to end hub operations at the Airport. STL's enplanements were more than halved from their all-time peak of 15.3 million in 2000 to 6.7 million in 2004, and decreased further through the Great Recession to 6.2 million in 2010.

As American reduced capacity, Southwest Airlines (Southwest) gradually emerged as the Airport's largest carrier. Southwest's expansion aided traffic recovery, which progressed slowly until the past year. In 2016, traffic growth at STL picked up—enplanements grew nearly 10 percent from the previous year to almost 7 million.

In addition to the changes in air service particular to STL, the entire U.S. aviation industry has faced a challenging business environment resulting from the following developments:

- A recession, lasting from March to November 2001, ended a 10-year U.S. economic expansion. On September 11, 2001, while the U.S. economy was in recession, terrorists attacked U.S. aviation. Passenger traffic plummeted, and airport security tightened.
- Jet fuel prices rose to record high levels, causing airline operating costs to escalate.
- Amid record fuel prices, in 2008-2009, the U.S. economy entered the Great Recession, so called because it is the longest and deepest recession since the Great Depression. The Great Recession again weakened demand for both passenger and cargo air services.
- To improve financial results, airlines cut domestic seat capacity to increase load factors, retired fuel-inefficient aircraft, added seats to aircraft, and implemented other cost-cutting measures. They optimized their networks, transferred routes between mainline and regional service, and changed their pricing structures. Mounting financial difficulties eventually led to bankruptcies, mergers, and business restructuring.
- Bad weather, natural disasters, disease outbreaks, and geopolitical conflicts also hurt the aviation industry in various ways—by disrupting air service, decreasing traffic, and hampering economic recovery.

The Airport's passenger traffic recovered gradually after 2004 and increased through 2007. However, annual enplanements declined by 6.6 percent in 2008, as the U.S. economy entered another recession period and airlines responded with a new round of capacity adjustments. STL's passenger enplanements decreased by 20 percent over the course of the recession, from 7.7 million in 2007 to less than 6.2 million in 2010. Enplanement levels in 2010 were the lowest recorded for the Airport since the early 1980s.

Even after the Great Recession ended, American and other airlines continued to limit system capacity to keep air fares from falling, contain costs, and turn profits. Airline capacity restraint amid slow demand recovery has kept annual enplanement levels at the Airport flat—6.3 million on average—between 2009 and 2014. Boosted by air service expansion, largely by Southwest, STL's enplanements increased 2.8 percent in 2015 and 9.6 percent in 2016.

Through 2003, American and its affiliate carriers accounted for over 70 percent of enplanements at the STL, and the Airport's passenger traffic was vulnerable to service cuts by American. The significant service cuts by American leading to the closing of its connecting hub at STL paved the way for Southwest's expansion at the Airport. Today, Southwest accounts for more than 50 percent of STL's passenger traffic (55 percent in 2016). The closing of American's connecting hub also left the Airport with a much stronger O&D traffic base. O&D traffic now accounts for more than 80 percent of the Airport's annual enplanements (83 percent in 2016).

During 2016, the Airport executed a new Airline Use and Lease Agreement (AUA) with the airlines, which is similar in form to the previous AUA and contained a pre-approved 5-year Capital Improvement Plan for the period FY 2017 – 2021(the FY 2017-2021 CIP) totaling approximately $170.3 million. The City's expected funding for the FY 2017-2021 CIP will be comprised of proceeds from the sale of the Series 2017 Project Bonds along with moneys from AIP entitlement and discretionary, passenger facility charges (PFCs), Airport Development Funds (ADF) and any other available resources.

The Series 2017 Bonds are issued pursuant to an Indenture of Trust, dated as of October 15, 1984, as amended and restated by the Amended and Restated Indenture of Trust, dated as of July 1, 2009, as amended and supplemented, including by the Twenty-First and Twenty-Second Supplemental Indentures dated June 1, 2017 (collectively the Indenture). The Series 2017 Bonds are limited obligations of the City secured by and payable solely from GARB Revenues (as defined in the Indenture), and any other available moneys deposited with the Trustee for deposit in the Revenue Fund (collectively, the Revenues).

The Series 2017 Bonds will be subject to the Additional Bonds Test. As a condition for the issuance of Additional Bonds, the Indenture requires that the following documents be prepared and delivered to the Trustee:

- An Accountant's Certificate setting forth (a) for any 12 consecutive calendar months out of the 18 months next preceding the authentication and delivery of such Series of Bonds, the Net Revenues for such 12-month period, and (b) the Aggregate Adjusted Debt Service for such 12-month period, and demonstrating that for such 12-month period Net Revenues equaled at least 1.25 times the Aggregate Adjusted Debt Service;

- A certificate of the Airport Consultant setting forth for each of the three Airport Fiscal Years following the Airport Fiscal Year in which the Consulting Engineers estimate the Project or any Additional Project will be completed, estimates of (a) Net Revenues and (b) amounts to be deposited from Revenues into the Debt Service Reserve Account, the Renewal and Replacement Fund, and the Development Fund; and

- A certificate of an Authorized Officer of the City setting forth (a) the estimates of Net Revenues, as set forth in the certificate of the Airport Consultant..., (b) the estimates of the amounts to be deposited in certain funds and accounts from Revenues as set forth in the certificate of the Airport Consultant..., and (c) the Aggregate Adjusted Debt Service, determined after giving effect to the issuance of such Additional Bonds and including the Aggregate Debt Service...with respect to future Series of Bonds, if any, [estimated to be] required to complete payment of the Cost of Construction of the Project..., and demonstrating that the estimated Net Revenues in each of the Airport Fiscal Years set forth in (a) above is at least equal to 1.25 times Aggregate Adjusted Debt Service for the corresponding Airport Fiscal Year.

These provisions are referred to as the Additional Bonds Test. This Report has been prepared in part to assist the City in complying with the provisions of the Additional Bonds Test.

The City and the scheduled passenger airlines serving the Airport have each entered into a substantially similar Airline Use and Lease Agreement (AUA) that govern, among other things, airline use and occupancy of Airport facilities and the calculation of airline rates and charges. The term of the AUA extends to June 30, 2021. The AUA provides that terminal rental rates are to be calculated under a "compensatory" rate methodology and landing fees are to be calculated under a "cost center residual cost" rate methodology.

In addition, the AUA has a provision intended to provide the airlines serving the Airport with some relief on the current landing fee due to the significant reduction in air traffic activity during recent years.

This Report is organized into the following sections:

Section 1	**Introduction** – Review of the Airport structure, governance, and provide an overview of the Airport's pre-approved five (5) five year capital improvement plan (FY 2017-2021 CIP), including the Series 2017 Projects.
Section 2	**The Economic Base of the Airport** – A discussion of the demographic and economic characteristics of the Airport's service area, provides context for the forecasts of commercial aviation activity.
Section 3	**Analysis and Forecast of Commercial Aviation Activity** – A discussion of historical trends in commercial air traffic activity and forecasts through 2022.
Section 4	**Financial Analysis** – A discussion of the framework for the operation of the Airport (including the Indenture and the AUAs), the sources of Revenues and the components of Operation and Maintenance Expenses, and forecasts of Revenues, Operation and Maintenance Expenses, Net Revenues, the application of Revenues to the funds and accounts established by the Indenture, and debt service coverage.

Major Assumptions

The financial forecasts presented in the Report are based on the following major assumptions:

1. The City will complete all projects in the FY 2017-2021 CIP in accordance with the approved schedule.

2. There will be no major cuts in airline service, especially by Southwest Airlines, during the forecast period.

3. The FAA will fulfill the terms of the federal grants (AIP, TSA and Stimulus grants) as part of the overall funding of the 5-Year CIP.

4. There will be no major disruption or loss of service resulting from a terrorist or any other catastrophic event.

These and other important assumptions underlying the forecasts of air traffic activity, Revenues, and Operation and Maintenance Expenses are set forth in Sections 3 and 4.

Findings and Conclusions

As indicated in the Report, Net Revenues are forecast to exceed 1.25 times Aggregate Adjusted Debt Service in the first three Airport Fiscal Years following the estimated date of completion of the last Series 2017 Project Bonds project in the FY 2017-2021 CIP, thereby satisfying the Additional Bonds Test for the base case as shown on page 7 of this letter.

In addition, based on our knowledge of comparable airports and our experience in providing financial consulting services to a variety of airports, we believe the forecasted airline costs per enplaned passenger, are reasonable in comparison with other major airports that have completed or are currently implementing major capital improvement programs.

The financial forecasts presented in this Report are based on information and assumptions that have been provided by Airport management, or developed by us and reviewed with and confirmed by Airport management. Based upon our review, we believe that the information is accurate and that the assumptions provide a reasonable basis for the forecasts.

Finally, some variation from the forecasts is inevitable due to unforeseen events and circumstances, and these variations may be material. The Report should be read in its entirety for an understanding of the forecasts and the underlying assumptions.

We appreciate the opportunity to assist the City on this important financing program for the Airport.

Sincerely,

Section 1 Introduction

The purpose of this Financial Feasibility Report (the Report) is to evaluate the financial impact of the proposed issuance by The City of St. Louis, Missouri (the City) of (i) Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the Series 2017A Bonds); (ii) Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the Series 2017B Bonds) along with the Series 2017A Bonds known as (the Series 2017 Refunding Bonds); (iii) Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the Series 2017C Project Bonds); and (iv) Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the Series 2017D Project Bonds along with the Series 2017C Bonds known as the Series 2017 Project Bonds, and together with the Series 2017 Refunding Bonds (the Series 2017 Bonds). The Series 2017 Bonds are issued pursuant to an Indenture of Trust, dated as of October 15, 1984, as amended and restated by the Amended and Restated Indenture of Trust, dated as of July 1, 2009, as amended and supplemented, including by the Twenty-First and Twenty-Second Supplemental Indenture of Trust, dated as of June 1, 2017 (collectively referred to as the Indenture).

This Report addresses the interest savings to be realized from the issuance of the Series 2017 Refunding Bonds from refunding a portion of the outstanding City of St. Louis, Missouri, Airport Revenue Refunding Bonds, Series 2007A (Non-AMT) (the Series 2007A Bonds) and the outstanding City of St. Louis, Missouri, Airport Revenue Refunding Bonds, Series 2007B (AMT) (the Series 2007B Bonds) including providing funding of the debt service reserve and paying cost of issuance for the Series 2017 Refunding Bonds. Additionally, the Report will address the use of proceeds from the Series 2017 Project Bonds to fund a portion of the costs of construction, extension and improvement, including reimbursement for certain prior capital expenditures (collectively the Series 2017 Project) of the St. Louis Lambert International Airport (the Airport). In addition, proceeds from the Series 2017 Project Bonds will be used to pay all or a portion of capitalized interest, if any, provide funding for a Debt Service Reserve Account (or the purchase of a surety bond or bond insurance policy), and pay cost of issuance on the Series 2017 Project Bonds.

During April 2017, the Federal Aviation Administration (FAA) accepted the City's preliminary application into the Airport Privatization Program (APP). This application was submitted to explore the potential for the City to gain access to capital funding. The City's next steps would include choosing a private operator that meets the criteria of APP, negotiating an operations agreement, which would then require approval by the airlines, the City, the Airport Commission, and the FAA. Currently, San Juan, Puerto Rico is the only airport operating under private management.

The Report is comprised of the following sections:

- Section 1 - Review of the Airport structure, governance and an overview of the plan of finance for the Airport's pre-approved five- (5-) year capital improvement program covering fiscal years (FY) (FY 2017–2021 CIP), including the Series 2017 Project.
- Section 2 - Discussion of the demographic and economic characteristics of the Airport's service area providing context for the forecasts of commercial aviation activity.

- Section 3 - A discussion of historical trends in commercial air traffic activity and forecasts through FY 2022.
- Section 4 - A discussion of the framework for the operation of the Airport (including the Indenture and the Airline Use and Lease Agreement (AUA)), the sources of Revenues and the components of Operation and Maintenance Expenses (O&M), and forecasts of Revenues, O&M, Net Revenues to the funds and accounts established by the Indenture and debt service coverage.

1.1 The Airport

Located in St. Louis County, approximately 15 miles northwest of downtown St. Louis, the Airport is situated approximately 10 miles from the St. Louis metropolitan area. The Airport is comprised of approximately 3,600 acres of land.

The Federal Aviation Administration (FAA) classifies the Airport as a medium hub airport. A medium hub airport is defined as an airport that enplanes between 0.25 and 1.0% of the total passengers in the United States in a calendar year. In CY 2016, the Airport enplaned approximately 7.0 million passengers, which accounted for approximately 0.97% of total U.S. enplanements. The Airport Council International's (ACI) preliminary CY 2015 report ranked the Airport as 32nd nationwide in terms of total passengers and 44th nationwide in terms of aircraft operations.[1]

The Airport has four runways and an extensive taxiway system. The largest commercial aircrafts can use the primary runways, 12R-30L, 12L-30R and 11-29 without restrictions. The current runway configuration allows the Airport to achieve simultaneous take-offs and landings with Runway 12L-30R during instrument flight rule (IFR) conditions. All runways, including Runway 6-24 (crosswind runway), have sufficient length to handle most type of aircrafts that currently serves the Airport. The airfield has over 15 miles of 75-foot-wide concrete taxiways and four concrete holding pads. Approximately 49 acres of concrete apron provide space for aircraft parking, servicing and refueling by scheduled commercial air carriers. In addition, another approximately 17 acres are leased to two fixed-base operators that support general aviation aircraft.

Terminal facilities consist of Terminals 1 and 2 formerly named West and East Terminal respectively.[2] Terminal 1 contains approximately 1.2 million usable square feet of building space and is comprised of the main terminal space under the domes and four concourses (Concourses A, B, C and all but the four eastern most gates in Concourse D) with 50 aircraft gates in mixed configuration. Currently 25 of the gates are being used in Terminal 1. Concourse D continues to be inactive at this time, except for the four most eastern gates. Terminal 2 has approximately 380 thousand usable square feet of building space with 18 narrow body aircraft gates, including the four most eastern gates in Concourse D. As of June 1, 2017 Southwest will be leasing 17 gates with the remaining City gate operated by United States Custom and Border Protection Services.

[1] ACI traffic data for CY 2015

[2] The West and East Terminal were renamed in 2010 during the implementation of the Airport Experience Program renovations.

Currently, the Airport has 9,001 public parking spaces available consisting of 3,032 short-term (Terminal 1 and 2 garages), long-term and 4,728 (Lots B, C and D), 993 intermediate public parking spaces (Lot A) and 248 in the recently completed Lot E adjacent to Terminal 2. The FY 2017-2021 CIP includes funding for various improvements for the existing parking structures and lots as further described under the Airport capital section below.

Metro Link, the metropolitan area's light rail system, currently serves the Airport with two stations—one at the Terminal 1 and the other at the Terminal 2. Both provide another mode to and from the Airport.

The other Airport facilities owned by the City at the Airport include two off-site office building, five warehouse type buildings in Cargo City, eleven shops and service buildings, and hangars leased by American Airlines, JetLinx St. Louis, Trans States Airlines, Airport Terminal Services, Signature Flight Support, and MHS Travel & Charter. In 2016 one of the office buildings was leased on a long-term basis to the Missouri Air National Guard (MoANG) and one of the buildings in Cargo City was leased on a long-term basis to Southwest Airlines.

Federal Express and various freight forwarders lease space from St. Louis Air Cargo Services. The facility includes a 100,000 square foot cargo building and 448,000 square feet of adjacent aircraft parking space, on land leased from the Airport. Also on the St. Louis Air Cargo leasehold, United Parcel Service (UPS) owns an 18,000 square foot warehouse facility adjacent to a 200,000 square foot aircraft parking area. The Spire Corporation (formerly Laclede) operates a public access Compressed Natural Gas fueling station on a parcel of land owned by the City. Under the terms of the lease, Spire pays the City a set ground rent plus a royalty percentage for fuel pumped at the station. In January 2017, the City entered into a long-term lease agreement with Enterprise Leasing Company of St. Louis, LLC for a formerly vacant parking lot known as the "Springdale Lot," consisting of 17.86 acres of paved land with a small building. The Springdale Lot will be used for vehicle storage.

garvinm@stlouis-mo.gov
2020-01-16 12:00:33 0000

The airline fuel consortium STL Fuel Company, LLC currently leases approximately 88,000 square feet of fuel farm space and has begun the process of developing a replacement fuel farm. The replacement fuel farm will be located on the former "Brownleigh" site, to the northeast of the Airport, and is currently in the design and site investigation phase. Construction on the replacement fuel farm is expected to begin during FY 2018. At that time, the old fuel farm will be decommissioned, remediated, and the land returned to the Airport for future redevelopment.

The City also owns certain former aircraft production facilities and grounds of approximately 61 acres on the north side of the Airport's airfield for which it is has entered into a long-term lease agreement with Bi-National Gateway Terminal, LLC for the development, construction, and operation of an air cargo Dual Customs facility (for the processing of customs with the United Mexican States). The lease agreement grants Bi-National the right to redevelop the leased premises to accommodate, handle, and support air cargo operations and distribution facilities on the leased premises. Construction on Phase 1 of the development is scheduled to begin in summer 2017, with Phases 2 and 3 to follow.

Additionally, there are other structures at the Airport that are not owned by the City but are located on grounds leased from the City. These sites include facilities owned by St. Louis Air Cargo Services, the Boeing Company, and MoANG.

1.2 Airport Governance

The Airport is owned by the City and operated by the City of St. Louis Airport Authority (the Authority). The City is governed by a charter under the Constitution and the laws of the State of Missouri. The Mayor serves as Chief Executive Officer of the City and the Comptroller serves as the Chief Fiscal Officer. Both are elected to four-year terms.[3] The Board of Aldermen, consisting of a President and 28 Aldermen who serve four-year terms, is the legislative body of the City. The Mayor, the Comptroller and the President of the Board of Aldermen constitute the Board of Estimate and Apportionment, which is primarily responsible for the City's finances.

The Authority was created to manage the Airport by an ordinance enacted by the City's Board of Aldermen. The Director of Airports serves as the Chief Executive Officer of the Authority. The Airport Commission (the Commission) is the governing board of the Authority and is responsible for overseeing the planning, development, management, and operation of the Airport. The Commission has 17 members: the Director of Airports (acting as Chairman), the Comptroller, the President of the Board of Aldermen, the Chairman of the Transportation and Commerce Committee of the Board of Aldermen, six members appointed by the Mayor, five members appointed by the St. Louis County Executive, one member appointed by the County Executive of St. Charles, Missouri, and one by the Chairman of the County Board of St. Clair County, Illinois. The Director of Airports is supported by three Deputy Directors as further described below.

With the approval of the Commission and the Board of Estimate and Apportionment of the City, the Director of Airports has the power to enter into contracts, leases and agreements for use of STL's property and facilities. Any contracts, leases and agreements with a term of more than three years must be authorized by the Board of Aldermen and, if such contract, lease or agreement relates to the construction of public works, by the City's Board of Public Service. The Director of Airports, with the approval of the Commission, has the power to establish schedules fixing all other fees and charges.

The key officials of the Airport management team are as follows:

Rhonda Hamm-Niebruegge, Director of Airports, has served in this capacity since January 2010. Ms. Hamm-Niebruegge has more than two decades of aviation management experience with key leadership positions with Ozark Airlines, Trans World Airlines and American Airlines. She previously served as American Airlines Managing Director, St. Louis Operations.

Jerry Beckmann, P.E., Deputy Airport Director of Planning and Development, was promoted to this position in October 2013. He was previously the Assistant Director of Engineering, a position he held for four years. Mr. Beckmann is responsible for the planning, contracting and executing all

[3] On April 7, 2017 the City elected its first woman Mayor – Lyda Krewson and reelected Darlene Green as Comptroller.

construction projects at Lambert, while also coordinating long-range master plan goals for all airfield and Airport properties.

Ron Stella, Deputy, was promoted to Airport Director of Operations and Maintenance in July 2015. He was formerly the Airport Assistant Director of Operations and Maintenance. Mr. Stella is responsible for Airfield and Building Operations, Security Operations, Emergency Planning and manages compliance with all FAA airport operations regulations and standards. He is also responsible for multiple operating departments, including Airfield and Grounds Maintenance, the Airport Operations Center, Airport Building Maintenance, Airport and Airfield Electrical Maintenance, Housekeeping, Radio Systems, and Emergency Planning.

Antonio Strong, C.P.A., was promoted to Deputy Director of Finance and Administration in July 2015 from his previous position of Assistant Director of Finance and Administration which he held since being hired in November 2014. Mr. Strong leads all Airport finance and business units including Finance and Accounting, the Properties Department and the Business Diversity Development Office. Mr. Strong has a strong background in accounting and management with over 20 years of experience.

Airport management developed a Strategic Plan to build on the momentum from several transformational campaigns, which established a foundation for the City to achieve an immediate operational and financial benefit. The Strategic Plan incorporates four core objectives:

1. Sustain and grow passenger air service
2. Strengthen financial stability
3. Create positive and lasting impression for the region
4. Generate economic development

The Strategic Plan has become an important part of Airport management's mission as defined by the City and its business community.

1.2.1 The Airport Capital Program

The City successfully negotiated a new five- (5) year Airline Use and Lease Agreement (AUA) during the last quarter of FY 2016. The new AUA covers the period FY 2017–2021, including the new five-(5) year capital improvement plan (FY 2017-2021 CIP). One of the integral parts of the new AUA was the City and the signatory airlines establishing a pre-approved FY 2017–2021 CIP that provides Airport staff with a plan for key projects needed during the lease term. Table 1-1 provides a summary of the FY 2017 – 2021 CIP totaling $170.3 million, which identifies key projects within each project category. The current FY 2017–2021 CIP consists of various projects that Airport management and Airlines agreed were essential for the continued safe and efficient operation of the Airport.

Below is a brief discussion of each project element within a specific cost center included in the FY 2017–2021 CIP.

Airfield Projects – This category totals approximately $109.6 million, of which approximately $25.7 million will be funded with a portion of the proceeds of the Series 2017 Project Bonds. This category consists of various projects to improve or focused on improvement of the airfield operations such as: airfield pavement reconstruction, airfield safety improvements, and general planning studies and noise studies. The remaining projects focus on the acquisition of various airfield vehicles to meet FAA Part 139 requirements for snow and aircraft emergency response and projects to maintain compliance with environmental regulations for handling fluids from deicing of aircraft to washing of large ground vehicles.

Terminal 1 Projects – These projects total approximately $23.6 million, of which approximately $14.0 million will be funded with a portion of the proceeds of the Series 2017 Project Bonds. These projects focus on building improvements and restoration of Terminal 1. Nearly half of the project costs in this category are replacing the HVAC and electrical equipment in this terminal. Additionally, sewer repairs, waterproofing, and building maintenance issues are being addressed in order to ensure optimal efficiency of Terminal 1's operations.

Parking Projects – This category is comprised of various parking facility improvements and other ancillary projects to extend the useful life of the parking facilities. The total project cost for this category is approximately $11.9 million with approximately $5.7 million to be funded with a portion of the proceeds of the Series 2017 Project Bonds. These projects are required to extend the existing parking structures and lots in their current operating conditions. These projects will consist of replacement of electrical equipment, re-lamping of light fixtures, structural assessment and restoration and asphalt resurfacing lots as deemed needed. In addition, a Ground Transportation Center and expanded surface parking is included for Terminal 2.

Terminal 2 Projects – The project in this category is totaling $8.5 million, of which approximately $6.2 million will be funded with a portion of the proceeds of the Series 2017 Project Bonds. These projects are also focusing on the restoration and building improvement for Terminal 2. The major focus is replacement of various HVAC equipment and evaluation of other conditions for the building. This category also includes costs to replace two inbound baggage carousels.

Passenger Loading Bridges Cost Center – This project consists of the purchase of three (3) loading bridges for Terminal 1 and the reactivation of two (2) gates in Concourse C, which is also in Terminal 1. The purchase of the loading bridges and reactivation of two gates totals $6.0 million, which primarily all will be funded with a portion of the proceeds of the Series 2017 Project Bonds. Upon establishment of a loading bridge program, the AUA provides for the amortization of the loading bridge costs along with related operations and maintenance costs, to be charged to a designated cost center that will be used to establish a per loading bridge fee as further outlined in Section 604 of the AUA.

Airport Roadways – This category consists is estimated at $4.2 million. These projects will restore and rehabilitate Airport owned rights-of way. Specific projects consist of bridge replacement, several asphalt mills and overlay projects and concrete removal and replacement.

1.2.2 Funding Plan for FY 2017 – 2021 CIP

The financing plan for the FY 2017 – FY 2021 CIP shown on Table 1-2 anticipates using the following funding sources:

- Airport Development Fund (ADF)
- Passenger Facility Charges (PFCs)
- General Airport Revenue Bonds (GARBs)
- Federal Grants
- Airport Improvement Program (AIP)
- Transportation Security Administration (TSA) (none shown in current funding)

Each funding source is briefly described below.

Airport Development Fund

The ADF represents funds that are generated from the Airport's excess operating revenues each year. The excess operating revenues represent money on hand after payment of operation and maintenance (O&M) expenses, aggregate debt service on outstanding bonds, and the replenishment of certain reserves. This money is then available to be appropriated for capital projects or for any other Airport purpose. As of April 30, 2017 the Airport had an unaudited balance of approximately $12.5 million in the unappropriated ADF account. It is projected that the Airport will continue to generate excess operating revenues that will flow into the ADF as discussed in more detail in Section 4 of this Report. The current funding plan for the FY 2017 – 2021 CIP anticipates using $16.0 million.

Passenger Facility Charges

In 1990, Congress authorized public airport operators to impose PFCs up to $3.00 per eligible enplaned passenger and use the proceeds of such charges to fund airport capital improvements—primarily projects that improve airport capacity, mitigate noise, or enhance airline competition. The PFC rate has subsequently been increased to provide for the collection of up to $4.50 per eligible enplaned passenger. The Airport currently collects a $4.50 PFC. The revenue generated from PFC fees has become a major source of equity capital for financing airport projects. In fact, PFC fees are currently being imposed at most of the major airports in the United States.

The PFC revenues and the interest income earned thereon (collectively referred to as "PFC resources") may be used in two ways: (1) to pay direct costs of FAA approved projects (referred to as "pay-as-you-go" funding) and (2) to pay debt service on bonds issued for approved PFC projects (referred to as "leveraging" the PFC revenue stream).

The FY 2017-2021 CIP anticipates the use of approximately $25.6 million of PFC resources for various improvements throughout the Airport, except parking and other CIP projects. All PFC resources are currently anticipated on a Pay-As-You Go basis, with none being leveraged against

the Series 2017 Project Bonds. The Airport is currently in the process of applying for the necessary approvals to use PFC revenues for the purposes intended.

Table 1-3 shows the calculation and anticipated application of projected PFC resources during FY 2017–2022. The projection of PFC revenues is based on the assumption that approximately 88% of Airport passenger enplanements are PFC eligible—which is supported by recent PFC revenue data collected by the Airport. The projections shown on Table 1-3 assumes a base case enplanement forecast developed in May 2017, using the $4.50 PFC rate, which beginning in FY 2017 is projected to generate approximately $28.1 million in annual net PFC revenues, excluding the administrative charge. The projected net PFC revenues are based on the passenger enplanement forecasts and are projected to be approximately $43.4 million by the end of FY 2022.

General Airport Revenue Bonds

The GARBs (which includes the Series 2017 Project Bonds) represent bonds issued by the City that are payable solely from the Revenues of the Airport as further defined in the Indenture. The City can issue additional GARBs for additional projects under the Indenture as long as the proposed GARBs can meet the Additional Bonds Test and the aggregate amount of GARBs and other applicable obligations, if any, does not exceed the City's current authorization limit of $3.5 billion. The Additional Bonds Test requires; 1) Accountant's Certificate setting forth (a) the Net Revenues of the Airport for any 12-consecutive months out of the 18 months preceding the authentication and delivery of such Additional Bonds, (b) the Aggregate Adjusted Debt Service for such 12-month period, and demonstrating that for such 12-month period Net Revenues equaled at least 1.25 times the Aggregate Adjusted Debt Service; and 2) certificate of an authorized officer of the City demonstrating that, among other things, the estimated Net Revenues of the Airport for each of the three Fiscal Years following the Fiscal Year in which the Additional Project will be completed is projected to be at least equal to 1.25 times the Aggregate Adjusted Debt Service for each of such three Fiscal Years. The total par value of the Series 2017 Bonds planned to be issued is approximately $258.4 million including the Series 2017 Refunding Bonds. The projects being funded with the Series 2017 Project Bonds are scheduled to be completed by the end of FY 2020.

AIP Grants

The Airport is anticipating receiving both entitlement and discretionary AIP grants to provide funding for a portion of the FY 2017 – 2021 CIP.

The AIP was established by the Airport and Airway Improvement Act of 1982, as amended. This Act authorized funding for the AIP from the Airport and Airway Trust Fund for airport development and planning and noise compatibility planning programs. The AIP grant is awarded to airports in two ways: (1) entitlement grants, which are awarded annually based on a formula applied to estimated enplanements reduced by 50% if the Airport collects a $3.00 PFC or 75% if the Airport collects a $4.50 PFC; (2) discretionary grants, which are awarded for capital projects that enhance safety, security and noise compatibility. While doing so, the Airport must preserve the existing infrastructure, meet critical expansion needs, and attain compatibility with neighboring communities. During FY 2017, the Airport was awarded approximately $8.6 million in AIP grants, which consisted of 2.0 million entitlement and the balance from discretionary, which shows the Airport's ability to continue to receive those grants. The total amount of grants estimated to be available to finance a portion of the FY 2017–FY 2021 CIP is approximately $42.3 million all in Airfield projects.

1.2.3 Funding Plan for Series 2017 Project

Table 1-4 shows the financing plan for the Series 2017 Project which totals $78.9 million, of which approximately $58.0 million will be funded from a portion of the proceeds of the Series 2017 Project Bonds. The sources of the Series 2017 Project Bonds include proceeds from the sale that will fund approximately $58 million of the Series 2017 Project. The balance of the Series 2017 Project will be funded from PFCs totaling $1.3 million, ADF totaling $1.9 million and the remainder from AIP grants totaling $17.8 million.

The Series 2017 Bonds sources and uses is summarized on Table 1-5. The sources and uses was developed by Wells Fargo and assumes a bond all in total interest cost of 2.94%, which includes cost of issuance, bond premium, underwriter's discount and other amounts.

Section 2 Economic Base

Demographic and economic trends influence the demand for air travel through STL, serving largely origin and destination (O&D) passenger traffic.[4] Trends in the Airport's air service area and Missouri contribute to the area's potential to generate local demand for air travel and draw visitors. National trends contribute to the growth in the Airport's passenger traffic in two ways: (1) they determine demand for air travel nationwide; and (2) they influence regional demographic and economic trends. This section discusses relevant demographic and economic trends in the Airport service area, the St. Louis, MO-IL, metropolitan statistical area (MSA), in comparison with trends in the state of Missouri and the United States. This section also provides an assessment of the outlook for the air service area, Missouri and national economies.

2.1 Air Service Area

Based on the current MSA delineations made by the Office of Management and Budget (OMB),[5] the St. Louis MSA comprises eight counties in southern Illinois, six counties in eastern Missouri, and the city of St. Louis (Table 2-1).

• Calhoun County	• Madison County	• Jefferson County	• St. Louis County
• Clinton County	• Monroe County	• Lincoln County	• Warren County
• Jersey County	• St. Clair County	• St. Charles County	

The Missouri portion of the St. Louis MSA accounts for more than 75 percent of the MSA population, and almost 35 percent of the Missouri state population (Figure 2-1). Although the MSA covers approximately the same geographic area across the two states, the MSA's counties in Missouri are more densely populated compared with its counties in Illinois (Figure 2-2).

[4] O&D passenger traffic refers to passenger trips originating or ending in the area.

STL is the only major commercial service airport within the St. Louis MSA. As shown in Figure 2-3, the nearest alternative airport with substantial passenger air services is more than 200 miles (at

least a 3 ½ hour drive) away. Commercial airports that enplaned more than 1 million passengers in CY2015 are shown in the figure below.

2.2 Population

The St. Louis MSA population offers a large, stable market for air travel. With a population of 2.8 million in 2016, St. Louis is the 20th largest metropolitan area in the country—following the metropolitan areas of Tampa, Denver and San Diego (Figure 2-4).

The St. Louis MSA population has been slow-growing. Since 2000, it has grown only 5 percent (an average of 0.3 percent a year), slower than both the Missouri state population growth of 8 percent (an average of 0.5 percent a year) and the national population growth of 15 percent (an average of 0.9 percent per year) (Figure 2-2-5).

The pace of population growth in the St. Louis MSA has also been slowing, from an average of 0.4 percent a year between 2000 and 2010 to an average of 0.1 percent a year between 2010 and 2016 (Table 2-2). Population losses in nearly all of the MSA's Illinois counties and in the City are responsible for the slowing of the MSA's population growth since 2010. The Missouri counties, with the exception of St. Louis County, are gaining population, with St. Charles County posting the highest population growth rate from 2010 to 2016. The population of St. Louis County held steady from 2010.

2.3 Age Characteristics

The MSA has a slightly older population than the entire state of Missouri and the nation. The MSA has a greater proportion of population aged 60 and older, and a smaller proportion of population under 25 years old (Figure 2-6). Population aging is a major concern for the nation. An increase in the elderly population could slow economic growth, because it would decrease the labor force and increase government spending on elderly support and health care.

2.4 Educational Attainment

A well-educated work force is important for economic diversification and long-term growth. Well-educated people adapt better to changing skill requirements. They drive innovation and productivity.[6] One study shows that areas with higher education attainment have higher productivity.[7] Areas with higher educational attainment also tend to have higher income and employment levels.[8] They attract fast-growing knowledge-based industries that bring high-income jobs—in turn, attracting highly educated workers.

Overall the St. Louis MSA population has a higher level of educational attainment than the Missouri and U.S. populations. Compared to the state and the nation, the MSA has greater shares of residents

2.5 Labor Market

Trends in the labor market reflect business conditions and overall economic well-being—factors that influence the demand for air travel. Employment growth reflects the pace of economic growth. Employment tends to decrease during an economic recession, and increase during recovery and expansion. Employment needs to grow to raise living standards, boost consumer confidence, and increase consumer spending.

This section looks at several key labor market indicators—number of business establishments, employment in all business establishments, civilian labor force, employed civilian labor force, and unemployment rate. All of these indicators support the St. Louis Federal Reserve Bank's assessment

that the St. Louis MSA economy is improving. Labor market conditions in the MSA are strong and continue to tighten.[9]

Job creation begins with business development, which has been progressing at a healthy pace in the St. Louis MSA. The number of business establishments in the MSA has increased by 15 percent since 2000 (Figure 2-8). The overall increase from 2000 to 2016 may be smaller than the overall increases in the entire state of Missouri (19 percent) and the United States (22 percent) over the same period, but since 2010 the number of business establishments has been increasing at a much faster rate in the St. Louis MSA (1.9 percent per year), especially relative to the entire nation (1.3 percent per year).

An economic commentary published online referred to St. Louis as "the new startup frontier", because the St. Louis MSA was second among metro areas with the fastest growth rate of new startups from 2009 to 2014. According to the U.S. Census Bureau data used in the article, startups, defined as businesses under a year old, increased in share of all businesses in the St. Louis MSA from 6.7 percent in 2009 to 9.7 percent in 2014. Figure 2-9 shows the trends in job creation. Jobs are vulnerable to economic downturns. Nationwide, jobs decreased following the two recessions since 2001. In the 2008-2009 recession, jobs decreased more sharply and took much longer to recover than they did following the mild recession in 2001.

Overall since 2001, the St. Louis MSA lagged in job creation, especially when compared to the entire nation, because, in the St. Louis MSA, the number of jobs recovered more slowly following the 2001 recession and decreased more sharply following the 2008-2009 recession. Since 2010, however, job recovery in the St. Louis MSA has picked up pace, averaging a 1 percent growth each year.

Source: U.S. Bureau of Labor Statistics, Quarterly Census of Employment and Wages. For the St. Louis MSA and Missouri, the 2016 estimates are based on preliminary data for the first three quarters of 2016.

Trends in the civilian labor force, shown in Figure 2-10, reflect the improvements in the St. Louis MSA labor market. The civilian labor force consists of residents of working age (16 years and older), who are either employed, or unemployed but actively seeking employment. Employment counts include all types of civilian employment, including agricultural, non-agricultural, and self-employment. The unemployment rate refers to the unemployed as a percentage of the labor force.

In the St. Louis MSA, the growth in employment (averaging 1.1 percent a year) has outpaced the growth in the civilian labor force (averaging 0.3 percent a year) since 2010. The MSA's unemployment rate has fallen from a peak 9.8 percent in 2010 to 4.7 percent in 2016, lower than the U.S. unemployment rate of 4.9 percent in the same year.

Overall, the St. Louis MSA and the Missouri state unemployment rates have followed national trends—rising during economic recessions and falling during economic expansions (Figure 2-11). Since 2010, both the St. Louis MSA and the state of Missouri have had lower unemployment rates than the entire nation in most years.

The MSA's unemployment rate continued to fall slightly to 4.6 percent in February 2017, still lower than the national unemployment rate of 4.7 percent in the same month. The county unemployment rate maps for the states of Missouri and Illinois in Figure 2-12 show that, in February 2017, the counties in the St. Louis MSA, in both Missouri and Illinois, had lower unemployment rates than most other counties in Missouri and Illinois. The MSA's counties in Missouri had lower unemployment rates than the MSA's counties in Illinois.

2.6 Employment by Industry

Figure 2-13 shows that the MSA has a diversified economy. Compared to the nation, however, the MSA has higher employment concentrations in *government, transportation and utilities, other services, manufacturing,* and *mining and construction,* and lower employment concentrations in the other industry sectors, especially *professional and business services* and *education and health services.*

The St. Louis MSA's five largest industry sectors are *government*, and the four private service-providing sectors, namely, *education and health services, professional and business services, retail and wholesale trade*, and *leisure and hospitality*. These five industry sectors are also the largest in the state and the nation. In 2016, they accounted for a combined share of 75 percent of nonfarm employment in the MSA and the nation, and 77 percent of nonfarm employment in the state.

As in the state and the nation, the three fastest growing industry sectors in the MSA since 2000 have been *education and health services, leisure and hospitality*, and *professional and business services* (Figure 2-14). In contrast, the following industry sectors recorded the largest proportional losses in employment in the MSA: *manufacturing, other services,* and *mining and construction*

between 2000 and 2016. Since 2010, however, these industry sectors have turned around, posting employment gains along with other private industry sectors in the MSA (Figure 2-15).

Manufacturing jobs have been moving to other countries where labor and other business costs are lower—a trend that began shortly after the North American Free Trade Agreement (NAFTA) of 1994 and has continued with global trade liberalization. The MSA is not an exception to this trend, as manufacturing employment declined at a slightly higher rate in the MSA than in the state and the nation.

2.8 Industry Concentrations

Across Missouri, concentrations of industries have developed over the years. They have created specialized workforces that continue to attract expansion and relocation of firms in those industries. Some of these industry concentrations are found in the MSA (Table 2-6). The analysis compares the portion of the county's workforce employed in a certain industry with the portion of the entire U.S. workforce employed in that section, in the form of the location quotient (LQ). The location quotient describes how concentrated the industry is within the region, with 1 being the national average. [11]

The St. Louis MSA is also evolving into a high-tech hub. Boeing, Unisys and Hudson's Bay Company are among the many companies that expanded their tech operations in St. Louis in recent years. [12] Microsoft is moving its Creve Coeur office to be the anchor tenant for the newest expansion of St. Louis' Cortex tech hub in mid-2018. The new St. Louis office, which will have 150 Microsoft employees including the 60 currently in the Creve Coeur office, will serve as Microsoft's regional headquarters for states such as Missouri, Kansas and Tennessee. [13]

2.9 Tourism

Tourism not only drives demand for air transportation, but it also contributes to economic growth. Tourism is one of St. Louis' most important industries, and a key source of business establishments and employees in the MSA. St. Louis' premier attraction, the 630-foot Gateway Arch attracts millions of domestic and international visitors annually. Museums such as the Magic House, the St. Louis Museum of Transportation, the City Museum, and the Saint Louis Science Center also attract millions of visitors throughout the year. Moreover, visitors enjoy live theater and music at the Fabulous Fox, the Repertory Theater and the Opera Theatre of St. Louis.[14]

Other tourist attractions in St. Louis MSA include:

- Outdoor recreation within parks such as City Gardens and Forest Park
- Amusement parks such as Six Flags St. Louis

Figure 2-16 shows the trends in the volume of visitors in the MSA and Missouri. In the past three years, the MSA had nearly 25 million visitors a year. These accounted for the majority—approximately 63 percent—of the annual visitors in the entire state. Total visitors to the MSA increased, slightly, each year from 21.6 million in 2014 to 25.9 million in 2016.

Visitor spending generates revenues for local businesses that, in turn, provide local jobs. Figure 2-18 shows steady increases in visitor spending in the MSA and the rest of the state. Visitor spending in the MSA, which increased from $4.8 billion in 2014 to $5.4 billion in 2016, accounts for 41 percent of visitor spending in the entire state.

2.10 Economic Output

Airport passenger traffic tracks economic growth. The most comprehensive indicator of economic growth is gross domestic product (GDP), which measures the value of all goods and services produced in an area. Growth in inflation-adjusted (real) GDP indicates an economic expansion, while a steady decline over two or more quarters indicates a recession.

The St. Louis MSA's real GDP has grown to new record levels, despite the setback from the Great Recession (Figure 2-19). It has grown at least 11 percent from its level in 2001. This rate of growth, however, lagged behind the growth in real GDP in the entire state of Missouri (13 percent) and nationwide (26 percent).

2.11 Income

Personal income measures the income people receive from all sources—employment, proprietorship, government transfers, rental properties, and other assets. Consumers' ability to spend and build wealth depends on their personal income. Growth in personal income boosts demand for air travel. A component of GDP, personal income follows the same cyclical pattern: increasing during economic expansion and decreasing during economic recession.

The MSA had a higher per capita income and income growth than that of the state and the nation from 2000 to 2016 (Figure 2-20). Annual growth in per capita income averaged 2.9 percent in the MSA, 2.8 percent in Missouri, and 3.1 percent in the nation.

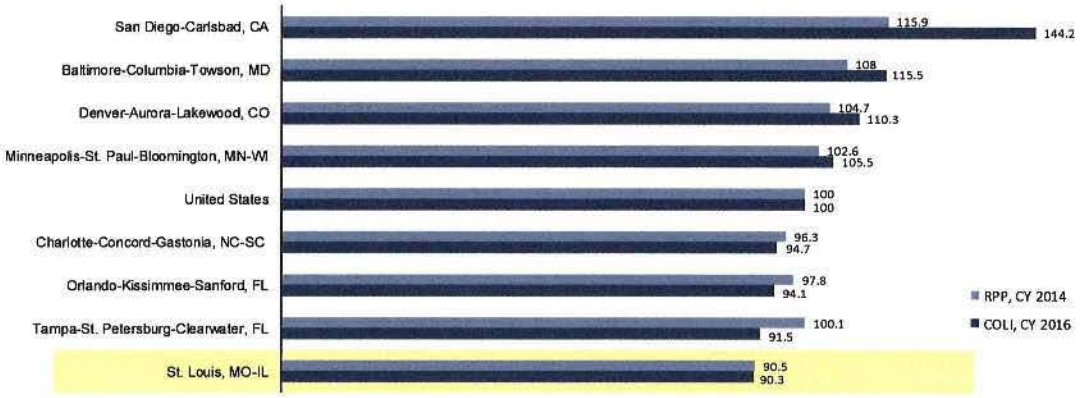
2.12 Cost of Living

A low cost of living attracts new workers and businesses into the area. The St. Louis MSA has a moderate cost of living as indicated by the two measures shown in Figure 2-21: (1) the Cost of Living Index (COLI) published by the Council for Community and Economic Research (C2ER) and (2) the Regional Price Parity (RPP) published by the U.S. Bureau of Economic Analysis (BEA).

COLI measures regional differences in the cost of consumer goods and services, excluding taxes and non-consumer expenditures, for professional and managerial households in the top income quintile. In 2016, the cost of living in the MSA was 8.5 percent lower than the U.S. average and was ranked the least costly among metropolitan areas of a similar population size.

Like COLI, RPP measures price differences across metropolitan areas relative to the national level. Based on RPP, the cost of living in the MSA in 2014 was 8.7 percent less than the national average and also the lowest of the areas observed.

Figure 2-21: Cost of Living in Select Urban Areas



Sources: Council for Community and Economic Research and U.S. Bureau of Economic Analysis.

2.13 National Economy

Since 2000, the U.S. economy has experienced two recessions. The most recent recession, the 2008-2009 Great Recession, was the longest and deepest U.S. recession after World War II. It lasted six quarters (Figure 2-22). At the depth of the Great Recession in the second quarter of 2009, U.S. real GDP decreased to a level more than 4 percent below its previous peak in the fourth quarter of 2007. Within two years of the start of the recession, the economy lost 8.7 million jobs—jobs that had been created over five years before the recession.

The recovery from the Great Recession has been the slowest in post-World War II history. Economic output, measured by U.S. real GDP, took nearly four years to return to its pre-recession peak, compared with the average two years it took to recover from the previous 10 recessions. The U.S. nonfarm employment level took nearly 6 ½ years to return to its previous peak, compared with only 2 to 2½ years from previous recessions.

The U.S. economy has continued its slow expansion, with consumer spending, making up two-thirds of GDP, as the economy's major driver. Now entering its eighth year, the current U.S. economic expansion is expected to continue over the next few years, according to several sources (Table 2-8). Economic growth forecasts average 2.3 percent in 2017, 2.4 percent in 2018, and 2 percent in 2019.

The April 2017 Wall Street Journal economic forecasting survey estimates the probability of a recession in the next 12 months at less than 16 percent. But the U.S. economy faces risks from within and from abroad. Within the country, the prospect of significant economic policy changes increases economic uncertainty. In addition, the following factors continue to raise concern: (1) the

high level of U.S. government and private debt, (2) tightening monetary policy, (3) the dollar appreciation, (4) the disconnect between trends in financial markets and economic fundamentals, and (5) the adverse effects of declining oil prices on the U.S. energy and manufacturing sectors. On the upside, the new administration's proposed tax cuts, infrastructure spending, and reduction in government regulation could prove beneficial to the U.S. economy. Since the 2016 election, consumer confidence has risen to its highest point in 15 years, signaling high economic expectations under a Trump presidency. Abroad the following developments add to the uncertainties facing the U.S. economy: (1) the United Kingdom's withdrawal from the European Union, (2) ongoing political conflicts in the Middle East, (3) the threat of terrorism, and (4) an enduring global oil glut.

2.14 Outlook for the Missouri Economy

The Missouri state economy should continue to perform well, as measured by growth in economic output, decrease in unemployment, and growth in business establishments. Missouri's economic diversity should help sustain growth in the state economy in the next few years. The state is well balanced by its agricultural region in the North, health care, educational services and government zones within the Central Region, a vibrant tourism industry within the Ozarks, and economic and financial service centers within the St. Louis and Kansas City metropolitan areas. Across the entire state there is growing demand for employees within health care and business/sales, and within St. Louis and Kansas City, there is growing demand for workers within science and technology. Missouri's low cost of living and high wages will also aid the state in attracting quality workers to fulfill the needs of various industries and increase economic output within the state and the MSA.[15]

2.15 Outlook for the St. Louis MSA Economy

While analysis of the labor market presents a mixed picture of the economic situation in the St. Louis MSA, labor market conditions are expected to continue improving. The MSA should continue to outperform Missouri and the United States in per capita income and unemployment.

According to the St. Louis Federal Reserve, the business outlook remains positive within the MSA, despite slow growth. The demand for labor is increasing within the MSA, and the scarcity of skilled labor could put upward pressure on wages. While manufacturing conditions have weakened, the transportation industry has strengthened and saw an increase in employment in 2016—in spite of a nationwide slowdown within the sector.[16]

2.16 Summary

Demographic and economic trends in the St. Louis MSA, Missouri, and the United States influence passenger traffic trends at STL. Trends in key demographic and economic indicators in the MSA and Missouri show rapid expansion that is expected to continue over the next few years at least.

[16] St. Louis Federal Reserve, Burgundy Book: A Report on Economic Conditions within the St. Louis Zone, Fourth Quarter of 2016.

Below are the major highlights of the analysis of the demographic and economic attributes of the St. Louis MSA:

- Having the twentieth largest metropolitan area population in the country and the largest within the state of Missouri, the MSA offers a large market for air transportation.
- The MSA has an older, but highly educated population, relative to the state of Missouri and the nation. A highly educated population will aid economic growth within the MSA.
- The St. Louis MSA economy is improving. Labor market conditions in the MSA are strong and continue to tighten. Business development and job creation are progressing at a healthy pace. Since 2010, the unemployment rate in the MSA has fallen to levels below the national unemployment rate levels.
- The St. Louis MSA has a diversified economy. Consistent with patterns observed nationwide, the largest employment concentrations within the MSA are found in the following sectors: *government, education and health services, professional and business services, retail and wholesale trade,* and *leisure and hospitality*.
- Tourism is one of the biggest drivers of the MSA and Missouri economies; and the MSA is a popular destination for leisure travelers.
- The St. Louis MSA's real GDP has grown to new record levels, despite losses during the Great Recession.
- The MSA has very low living costs, which should combine strategically with higher wages and salaries in attracting more workers and businesses.
- Although growing slower than the nation, the St. Louis MSA's economy enjoys broad-based job growth and should continue to grow in the coming years.

Section 3 Aviation Activity Analysis and Forecasts

This section reviews the historical trends in passenger traffic and aircraft operations at St. Louis Lambert International Airport, and presents forecasts of enplanements, aircraft departures and landed weight through Fiscal Year (FY) 2022. Historical data are generally provided on a calendar year (CY) basis, unless they are noted to be on a fiscal year basis. The forecasts are presented on a fiscal year basis.

STL is a medium hub airport—FAA's category of airports serving at least .25 percent, but less than 1 percent of annual U.S. enplanements. Based on 2015 traffic data compiled by the Airports Council International-North America (ACI-NA), STL ranked 32nd among U.S. airports in total passengers, just behind Dallas Love Field International Airport and ahead of William P. Hobby International Airport. By total aircraft operations, STL ranked 44th in total aircraft operations for 2015—down from 41st in 2014. In 2016, STL enplaned 6.7 million passengers with more than 84,000 aircraft departures.

3.1 Current Air Service

The Airport currently has scheduled passenger service from seven signatory air carriers: Air Canada, Alaska Airlines (Alaska), American Airlines (American), Delta Air Lines (Delta), Frontier Airlines (Frontier), Southwest Airlines (Southwest), and United Airlines (United). Southwest currently has preferential use of 13 gates and uses one gate on a per-turn, as needed, basis. Southwest will add 4 additional gates effective June 1, 2017. American has preferential use of 7 gates, while Delta and United have preferential use of 6 and 5 gates, respectively.

Table 3-1 shows the current commercial airlines providing scheduled service at STL.

3.2 Historical Passenger Traffic Trends

Over the years, the Airport's passenger traffic has grown and declined with U.S. economic cycles (Figure 3-1). In addition, in the 2000's, the Airport suffered significant service cuts by American — beginning not long after the crash of two American flights during the terrorist attacks in September 2001—to end hub operations at the Airport. STL's enplanements were more than halved from their all-time peak of 15.3 million in 2000 to 6.7 million in 2004. American continued to cut service at STL through the Great Recession, and the Airport's enplanements decreased further to 6.2 million in 2010, their lowest level since 1982.

As American reduced capacity, Southwest gradually emerged as the Airport's largest carrier. Southwest's expansion aided traffic recovery, which progressed slowly until the past year. In 2016, traffic growth at STL picked up—enplanements grew nearly 10 percent from the previous year to almost 7 million.

Since 2000 the Airport—along with the U.S. aviation industry—has faced many challenges, prompting lasting changes in consumer air travel behavior and airline business practices:

- A recession, lasting from March to November 2001, ended a 10-year U.S. economic expansion. On September 11, 2001, while the U.S. economy was in recession, terrorists attacked U.S. aviation. Passenger traffic plummeted, and airport security tightened.
- Jet fuel prices rose to record high levels, causing airline operating costs to escalate.
- Amid record fuel prices, in 2008-2009, the U.S. economy entered Great Recession, so called because it is the longest and deepest recession since the Great Depression. The Great Recession again weakened demand for both passenger and cargo air services.
- To improve financial results, airlines cut domestic seat capacity to increase load factors, retired fuel-inefficient aircraft, added seats to aircraft, and implemented other cost-cutting measures. They optimized their networks, transferred routes between mainline and regional service, and changed their pricing structures. Mounting financial difficulties eventually led to bankruptcies, mergers, and business restructuring.

- Bad weather, natural disasters, disease outbreaks, and geopolitical conflicts also hurt the aviation industry in various ways—by disrupting air service, decreasing traffic, and hampering economic recovery.

The Airport's passenger traffic recovered gradually after 2004. Annual enplanements increased 9.8 percent in 2005, 3.3 percent in 2006, and by 1.5 percent in 2007. However, enplanements declined by 6.6 percent in 2008, as the U.S. economy entered another recession period and airlines responded with a new round of capacity adjustments. STL's passenger enplanements decreased by 20 percent over the course of the recession, from 7.7 million in 2007 to less than 6.2 million in 2010. Enplanement levels in 2010 were the lowest recorded for the Airport since the early 1980s.

Even after the Great Recession ended, American and other airlines continued to limit system capacity to keep air fares from falling, contain costs, and turn profits. Airline capacity restraint amid slow demand recovery has kept annual enplanement levels at the Airport flat—6.3 million on average—between 2009 and 2014. Boosted by air service expansion, STL's enplanements increased 2.8 percent in 2015 and 9.6 percent in 2016. The momentum in STL's enplanement growth continues in 2017. Through March, enplanements have grown 6.8 percent over enplanements through March in the previous year, on track to surpass 7 million for the entire year and approach pre-Great Recession levels.

3.2.1 Comparison of Enplanement Trends at STL and the United States

Figure 3-2 compares the passenger enplanement trends at STL with changes in U.S. total enplanements between 2006 and 2016. The following points provide some highlights of the comparison of enplanement trends:

- Relative to the U.S. system, STL's passenger traffic suffered a deeper and longer decline during the Great Recession.
- STL's enplanement recovery began in 2011, but was slower than the national trend, and was set back by more decreases in 2013 and 2015.
- STL's enplanement recovery accelerated in 2016. The Airport's passenger enplanements grew nearly 10 percent between 2015 and 2016, more than triple the rate of growth in national enplanements.
- Despite increasing 10 percent in 2016, STL's enplanements in 2016 were still 8 percent lower than their level in 2006. In contrast, U.S. system enplanements in 2016 were already 12 percent above their level in 2006.

Before the Great Recession, STL enplaned 7.6 million passengers in 2006 and 7.7 million in 2007, accounting for just over 1 percent of total U.S. enplanements during those years. Since 2008, however, STL has accounted for less than 1 percent of U.S. total enplanements, moving from a large hub to a medium hub in FAA's classification of airports. The Airport accounted for 0.85 percent of national enplanements in 2016. It is the second largest medium hub airport, behind Dallas Love Field.

3.2.2 Composition of Passenger Traffic at STL

The mix of O&D and connecting traffic at STL has changed with the closing of American's hub operations. Since 2003, O&D has accounted for the majority share of passenger traffic, which increased from 46 percent in 2003 to 85 percent in 2016 (Figure 3-3). Conversely, the connecting traffic share decreased from over 50 percent before 2003 to 15 percent in 2016.

In 2016, the Airport experienced a resurgence in connecting traffic, mostly owing to Southwest's expansion. Southwest accounted for 97 percent of the Airport's connecting traffic in 2016.

3.2.3 Monthly Enplanements

Figure 3-4 presents the recent enplanement trends at the Airport on a monthly basis. STL's enplanements peak slightly in the summer months of June and July, consistent with patterns of air travel demand observed nationwide. Between 2011 and 2016, on average, the month of July had the highest enplanement levels. The figure also shows that year-over-year enplanement changes were significantly higher for almost every month in 2016 compared with preceding years.

3.2.4 Enplanements by Airline

Through 2003, American and its affiliate carriers accounted for over 70 percent of enplanements at the STL, leaving the Airport vulnerable to minor service cuts or traffic declines by American. Today, the Airport's largest carrier is Southwest, which enplaned 55 percent of scheduled passengers in 2016 (Figure 3-5 and Table 3-2). The bulk of the remaining 45 percent of STL's 2016 enplanements were distributed between American (17 percent), Delta Airlines (13 percent), and United Airlines (8 percent).

Southwest has been largely responsible for the recent increases in enplanements at STL, growing at an average annual rate of 7.3 percent between 2006 and 2016. To a lesser extent, the air service expansion by Alaska Air and Air Choice One also contributed to passenger traffic growth in the last

two years. The carriers—grouped as "Other" below—experienced traffic growth annually by approximately 3.7 percent between 2006 and 2016.

The table shows the airports served in each market, the number of daily nonstop departures to each market from STL, and the airlines serving each market from the Airport in 2016.

3.2.6 Enplanement Trends at STL Select Medium Hub Airports

Figure 3-7 compares the trends in enplanements at STL and six other medium hub airports, from FY2006 through FY2016. The FAA designates medium hubs as commercial airports that enplane at least 0.25 percent but less than 1 percent of total U.S. commercial passengers in a given year. The medium hub airports selected for comparison are in focus cities for Southwest, currently STL's largest carrier. The selected medium hub airports include Dallas Love Field (DAL), William P. Hobby Airport (HOU), Louis Armstrong New Orleans International Airport (MSY), Nashville International Airport (BNA), Oakland International Airport (OAK), and Milwaukee's General Mitchell International Airport (MKE).

Along with STL, MKE and OAK suffered decreases in enplanements between FY2006 and FY2016. OAK's 19 percent enplanement decrease surpassed STL's 13 enplanement decrease over that period. The other four airports posted enplanement increases proportionally greater than the overall increase in U.S. enplanements.

Since FY2010, the Airport's passenger traffic has also grown slower than most of the comparison airports. STL's enplanements grew by only 6 percent between FYs 2010 and 2016, while OAK's traffic increased by 22 percent. With the exceptions of MKE, where traffic fell by 25 percent,

enplanements grew by 37 percent and higher at the other hubs over the last six fiscal years. The highest growth rates were posted at airports where Southwest accounted for over 90 percent of enplanements (DAL and HOU). DAL enplanements more than doubled between FYs 2010 and 2016, while enplanements at HOU increased by 48 percent over the same period.

3.2.7 Scheduled Nonstop Passenger Airline Service

Figure 3-8 presents the trends since 2010 in scheduled passenger service at STL by the following measures: seats, departures, seats per departure, and nonstop destinations. The trends show the upturn in scheduled seats and flights in 2016, the overall increase in seats on each flight in 2016, and the small increase in nonstop destinations served from STL over the past two years.

The number of seats per day—the most important measure of service capacity—increased to more than 24,000 in 2016, from an average of about 23,000 in the previous six years. The number of departures per day rebounded to 230 in 2016, after falling to 223 in 2014 and 224 in 2015. The number of seats per flight increased slightly from an average of 101 in 2010-2015 to 106 in 2016. The number of nonstop destinations served increased to 66 from the period's low of 63.

In 2016, Southwest accounted for 56 percent of scheduled seats and 40 percent of scheduled aircraft departures at STL. Southwest operated an average of 93 flight departures per day out of 13 leased gates and one City gate on a per-turn basis. American accounted for 17 percent of scheduled seats and 17 percent of scheduled flight departures, averaging 38 flight departures per day on seven gates. Delta accounted for 12 percent of scheduled seats and 11 percent of scheduled flight departures, averaging 25 flight departures per day on 6 gates. All other mainline and regional carriers accounted for the remaining 15 percent of scheduled seats and 32 percent of scheduled flight departures, for an average of 74 flight departures per day on 13 gates.

3.2.9 Trends in Fares and Yields at STL and Select Medium Hub Airports

Passengers consider airfares when choosing airlines and airports (when they have access to more than one airport). Airlines consider yields (revenue per passenger mile) when choosing which airports to serve. On average, fares and yields have increased faster at STL than at most other airports from CY2012 to CY2016. In CY2016, STL had the highest average fare and average yield (tied with BNA) among medium hub airports in Southwest's focus cities (Figure 3-10).

3.2.10 Commercial Aircraft Landings and Landed Weight

Table 3-4 shows aircraft landings (departures) at STL by airline over the past five fiscal years. Scheduled passenger aircraft landings, which account for nearly all commercial aircraft operations at STL, show growth trends similar to enplanement growth trends. In the past two years, scheduled passenger aircraft landings increased with enplanements, but at slower pace, because improvements in boarding load factors and increases in seats on each flight allowed airlines to accommodate more passengers on each flight.

Charter and all-cargo aircraft account for the remainder of commercial aircraft operations. Charter landings do not show a consistent pattern, and all-cargo aircraft landings have increased steadily since FY2013.

3.3 Forecast Commercial Aviation Activity

Forecasts are presented for three key measures of commercial aviation activity—enplanements, aircraft landings, and landed weight—for the period FYs 2017-2022. Forecast enplanement levels, in turn, determine the number of aircraft operations and corresponding landed weight, along with assumptions regarding trends in boarding load factors.

3.3.1 Hybrid Regression Forecast

For the first year, FY2017, the forecast reflects actual performance through March 2017. For the remainder of the year, forecast enplanements are supply-driven, based on published airline flight schedules. Airlines plan their schedules based on passenger bookings, and the schedules therefore reflect near-term market demand.

Beyond the first year, forecasts are demand-driven. Economic growth and other market demand factors drive growth in enplanements. Forecast enplanements determine aircraft operations and landed weight. Multivariate time series regression analysis links enplanement growth to trends in market demand drivers. This econometric modeling technique combines elements of multiple regression and time series regression methods. This technique provides the ability to incorporate many explanatory variables, quantify the contribution of each explanatory variable to aviation activity trends, and account for time trends and any serial correlation in time series data. The model estimation process using the least squares method is designed to minimize forecast errors.

The regression model specification for STL's passenger traffic is based on the underlying theory of consumer demand and the dynamics of traffic growth at the Airport. The regression coefficients that measure contributions of market demand drivers (explanatory variables) to STL enplanement growth trends are estimated using historical annual data from FY1991, controlling for the effects of any structural changes in air service and extra-ordinary events like the 2001 terrorist attacks. The estimated regression coefficients are then used to generate forecasts of STL enplanements based on projected trends of the model explanatory variables.

For the regression model, O&D enplanements serve as the dependent variable, as they now account for more than 80 percent of traffic. Using O&D enplanements also effectively controls for the sharp decrease in connecting traffic resulting from the closing of American Airlines' hub, allowing for a more precise measurement of the contributions of demand drivers to enplanement growth in St. Louis.

The key explanatory variables (independent variables) in the regression model of passenger traffic are as follows:

- Economic trends: U.S. real gross domestic product (GDP) is used to capture national economic trends. The regression coefficient estimate for this variable confirms its expected effects on STL enplanement trends. Holding all other factors constant, economic growth promotes growth in enplanements. Conversely, economic downturns decrease enplanements.
- Airline yield trends: Consumer demand is inversely related to price. Demand increases when price decreases and decreases when price increases, holding all other things equal. The regression model uses the average real passenger yield at STL as the indicator for the price of air travel. Passenger yield, which is the average revenue per passenger mile, is a better price indicator than the average fare, because it controls for trip distance.

The regression model also includes an explanatory variable to account for a number of events that precipitated certain structural changes in the entire industry and in the Airport market. These include: (1) the temporary transfer of certain flights by TWA from St. Louis to Atlanta in 1993; (2) the terrorist attacks on the U.S. aviation system on September 11, 2001; and (3) American Airlines' service cuts beginning in November 2003 that culminated in the closing of the airline's connecting hub at STL.

Figure 3-11 and Figure 3-12 exhibit the historical and six-year projections of key explanatory variables (demand drivers) used in the regression model.

- National economic trends: Since the end of the Great Recession, improving economic conditions in the U.S. are captured by the steady increase in the national GDP. Real GDP, which controls for inflation, grew at an average rate of 1.8 percent between FYs 2010 and 2016, reaching pre-recession levels in FY2012. According to Moody's Analytics, real GDP will continue to grow at an annual average rate of 2.2 percent through FY2023. The long-term forecast does not anticipate any deep downturns in the national economy.

- Airline yield trends: The average real passenger yield at STL was on a long-term decreasing trend through FY2010. The declines particularly coincide with the reduction of American's hub services at the Airport in the early 2000's. After increasing to around 18 cents per mile in FY2012, airline yields appear to have levelled off. The FAA's most recent forecasts for mainline passenger yields do not anticipate significant changes over the forecast period (see Figure 3-12).

3.3.2 Forecast Results

Forecasts for FY2017 are based on Airport activity data through March 31, 2016 and airline flight schedules for April 1, 2017 - June 30, 2017 published in the OAG database as of April 2017. Forecasts after FY2017 consider trends in airline schedules for the first quarter of FY2018, projected national economic growth trends and real passenger yield trends at STL. The model coefficient estimates measuring the contributions of market drivers to growth in STL's enplanements, along with projections of trends in the key market demand drivers, produce the base forecast growth in enplanements beyond FY2017.

Recognizing uncertainty in the future trends of key market drivers, alternative forecasts were developed using Monte Carlo simulation. A comprehensive approach to forecast risk analysis, Monte Carlo simulation uses probability distributions and random sampling techniques for assigning future values to the key explanatory variables of the regression model. The simulation, involving 5,000 iterations, produces a wide range of possible scenarios for future enplanement growth and corresponding percentile rankings. Percentiles provide an indication of the probability of each of the forecast scenarios.

Table 3-6 summarize the base forecast enplanements, and Figure 3-14 compares the base forecast enplanements with select percentile results from the Monte Carlo simulation and the FAA's Terminal Area Forecast (TAF) for STL. The FAA develops TAF for its planning, budgeting, and staffing purposes. The most recent TAF was published in January 2017. Forecast publications lag more than a year behind forecast development, and so the latest TAF considers actual performance only through federal fiscal year 2015 (which ended on September 30, 2015).

Under the base forecast, enplanements will increase from 6.8 million in FY2017 to 8.0 million in FY2022, growing at an average annual rate of 3.1 percent (Table 3-6). The relatively high annual growth rates during the first half of the forecast period reflect continuing momentum from recent airline capacity expansion, especially by Southwest, as well as the projected acceleration in U.S. economic growth. Enplanement growth is forecast to taper in the second half of the forecast period, reflecting the projected slowdown in U.S. economic growth and Southwest's return to its slow and steady growth strategy.

The base forecast enplanements are slightly higher than the median results from the Monte Carlo simulation in the first two years of the forecast period. After the second year, the base forecast enplanements decrease to levels between the median and 25 percentile ranges.

The base forecast enplanements are lower than FAA's TAF through FY2022, but they get closer to the TAF in later years. The base forecast enplanements for FY2022 are only 1.6 percent lower than the TAF. According to the TAF, annual enplanements will grow at an average rate of 2.6 percent, reaching 8.1 million in FY2022.

Table 3-7 shows the forecast aircraft departures corresponding to the base forecast enplanements. Forecast aircraft departures will grow at an average annual rate of 1.1 percent—slower than projected for enplanements owing to continued improvements in load factors and continued upgauging in airlines' fleet. Aircraft departures are projected to level off around 91,000 per year in FY2020, after growing annually by 7 percent from current levels.

Table 3-8 shows the landed weight forecast corresponding to the base forecast aircraft landings (the same as departures). Forecast growth rates for landed weight are similar to forecast growth rates for enplanements—averaging 3.1 percent annually between FYs 2016 and 2022.

3.4 Sources of Forecast Risk and Uncertainty

The forecasts of aviation activity are based on information available at the time of analysis, measurable factors that drive air travel demand, and assumptions about the availability and characteristics of airline service at the Airport. Forecasts, however, are inherently uncertain. Broader factors affecting the aviation industry and the Airport can cause the Airport's actual performance to differ from the forecasts. Several of these factors are discussed below.

3.4.1 Economic Conditions

National and regional economic conditions drive trends in the Airport's commercial aviation activity. Economic expansions increase income, boost consumer confidence, stimulate business activity, and increase air travel demand. In contrast, economic recessions reduce income, diminish consumer confidence, dampen business activity, and weaken air travel demand. The regional economy moves with the national economy. While the diversity of the regional economy helps temper the effects of business cycles, the regional economy can be vulnerable to a national economic recession as deep as the Great Recession in 2008-2009. During the Great Recession, the regional economy suffered declines in output (real GDP), income, and employment.

The U.S. economy is now on its eighth year of expansion after the Great Recession. Driven by growth in consumer spending and business investment, the U.S. economy is predicted to continue growing over the next few years. While the probability of a recession remains low, many factors

within the country and abroad present economic risks. The forecasts are based on specific assumptions about future economic growth. If the regional and national economy were to grow at a slower pace than projected, or experience another recession, the Airport's air traffic could fall short of forecasts.

3.4.2 Trends in Oil Prices and Jet Fuel Prices

Oil prices affect one of the largest components of airline costs—jet fuel. The sharp increase in oil prices in the past decade, shown in Figure 3-15, Figure 3-15: Crude Oil Pricesresulted in huge financial losses in the U.S. airline industry, pushing many airlines into bankruptcy and prompting significant changes in airlines' operations and business practices.

World oil prices have been declining since mid-2014 (Figure 3-15). From a June 2014 peak near $106 per barrel, West Texas Intermediate (WTI) spot oil prices fell to their lowest level of around $30 per barrel in February 2016, before climbing to just under $47 in October 2016, as shown in Figure 3-15. Oil prices have recovered to over $52 as of January 2017, and the U.S. Energy Information Administration projects oil prices to average $52 per barrel this year. The U.S. Energy Information Administration does not anticipate oil prices to rise in 2017; however, upward price pressures are expected to emerge in 2018 as inventories decrease to match demand more closely. Ultimately, there is considerable ambiguity surrounding oil prices for the next few years. Geopolitical events, Organization of the Petroleum Exporting Countries (OPEC) production cuts, whether individual OPEC members adhere to those production cuts, and continuing technological improvements in U.S. oil production can push oil prices in either direction.

Jet fuel prices increased—reaching their highest levels in 2012—and decreased along with oil prices. Despite recent decreases, the overall increase in jet fuel prices (nearly 47 percent) from 2000 to 2016 was still greater than the general price increase (39 percent) over the same period (Figure 3-16). The sharp decrease in jet fuel prices since 2014 has produced windfall profits for airlines.

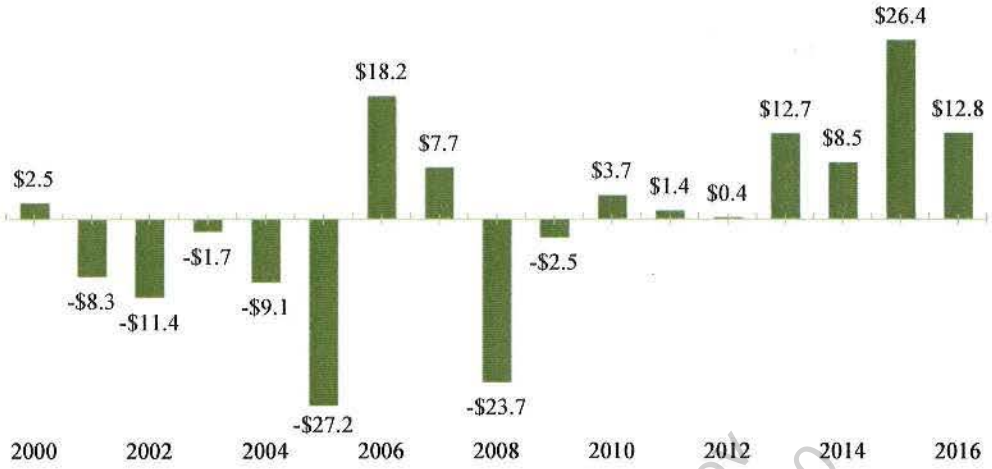
3.4.3 Financial Health of the U.S. Airline Industry

Airports benefit from stable and growing air service when airlines are profitable. They risk losing service when airlines suffer financial hardship. The business of airlines is highly cyclical, intensely competitive, and capital intensive. Over the years, the U.S. airline industry has struggled to sustain profits. Today, the U.S. airline industry is finally reaping the benefits of business restructuring, capacity restraint, cost-cutting measures, and productivity improvements, helped by the recent decline in oil prices.

As shown in Figure 3-17, from 2000 to 2016, the U.S. airline industry incurred losses amounting to $83.9 billion in seven years, and made profits amounting to $94.3 billion in the other ten years. The period since 2010 has been one of the industry's most profitable, with industry profits averaging $9.4 billion each year. Airports have benefitted by seeing increases in airline service. Since 2015, STL has enjoyed annual increases of at least 9 percent in scheduled airline seats.

Figure 3-17: Annual Net Profit of U.S. Passenger and Cargo Airlines by Calendar Year



Sources: U.S. Bureau of Transportation Statistics and Unison Consulting, Inc.

3.4.4 Performance of the Airport's Largest Carrier

The Airport's largest carrier is Southwest Airlines, which accounted for 55 percent of the Airport's 2016 enplanements. Southwest's operating performance and business decisions have implications for the stability and growth of the Airport's traffic.

Southwest operates a network of 101 destinations in the United States and eight other countries with more than 3,900 departures a day during peak travel season. Based on the U.S. DOT's most recent airline traffic data, Southwest is the nation's largest carrier in terms of O&D passengers boarded. Southwest also holds the record of being the only U.S. airline that has been consistently profitable. In 2016, Southwest reported its 44th profitable year in less than 46 years of service. In 2016, Southwest earned a net income of $2.4 billion, a 10 percent increase from its net income in 2015, and more than double its net income in 2014.[17]

In the last 10 years, Southwest experienced a number of milestones: (1) the repeal of the Wright amendment, lifting restrictions in air service at Southwest's home base Dallas Love Field beginning in October 2006; (2) the acquisition of AirTran Airways, Inc., in May 2011; and (3) access to gates at key U.S. airports (Ronald Reagan National, La Guardia, and Boston Logan) given up by American Airlines and US Airways a condition of the Department of Justice approval of their merger in December 2013. These milestones allowed Southwest to expand its domestic network and also begin international service. In 2013, Southwest broke ground on its five-gate, international facility at Houston's William P. Hobby Airport. This international facility was completed in late 2015 to serve destinations in the Caribbean, Mexico, Central America, and the northern cities of South America.

To increase and introduce service at those other airports, Southwest had to cut capacity elsewhere, working within the constraints of its fleet and crew. However, unlike some airports that suffered cuts in Southwest seats between 2009-2013, the carrier's traffic at STL has increased every year over the past decade. As Southwest increases its fleet and crew size, it is also scheduling more seats at STL through the first quarter of FY2018.[18]

3.4.5 Airline Mergers

Airline mergers affect service and traffic at airports, when the merging airlines consolidate facilities, optimize route networks, and route connecting traffic through other hubs. The impact on affected airports is often immediate. The extent of the impact depends upon a number of considerations, including whether the merging airlines have a large market share at the Airport, whether they carry significant connecting traffic through the Airport, and whether they serve the same markets from the Airport.

Recent mergers include United and Continental in 2010, Southwest and AirTran in 2011, American and US Airways in 2013, and Alaska and Virgin America in 2016. After the United-Continental merger, the combined enplanements of the two airlines at the Airport reversed a six-year decline and grew annually through 2012. Following the American-US Airways merger, their combined enplanements at the Airport continued the long-term decline observed for American. The increase in Southwest's enplanements at the Airport following Southwest's acquisition of AirTran could not be clearly attributed to the merger, because of other developments affecting Southwest's network decisions at the time. The effects of the Alaska-Virgin America merger have yet to be developed.

3.4.6 Aviation Security, Health and Safety Concerns

Concerns about security, health, and safety influence consumer travel behavior. Even with tightened security measures implemented by the Department of Homeland Security, terrorism remains a serious threat to the aviation industry. Additionally, the stringent screening process and long waits at security screening lines discourage air travel particularly to destinations that can be reached by ground transportation within a reasonable amount of time. Health and safety concerns can also cause temporary dips in traffic in affected routes.

3.4.7 Structural Changes in Travel Demand

Consumers alter their travel patterns in response to changes at airports, changes in airline business practices, and changes in technology. For example, the stringent airport security screening and long wait times at the airports after the 2001 terrorist attacks decreased the demand for air travel for short-haul trips. Intense fare competition and the ease of comparison shopping allowed by the internet have made consumers more price-sensitive. Moreover, the widespread use of tele- and videoconferencing has decreased the need for business travel.

3.5 Summary

Passenger enplanements at STL have generally tracked with the national business cycle, growing during economic expansions and declining during recessions. During the longest U.S. economic expansion of the 1990s, STL's enplanements grew steadily and reached 15.3 million in CY1999. The Airport's passenger traffic then plummeted through CY2004, as a consequence of a short economic recession and the September 11, 2001 terrorist attacks, which led to American's retirement of its STL hub operations.

The Airport then enjoyed three consecutive years of growth until CY2007, reaching 7.7 million enplanements that year. Demand weakened and airlines reduced capacity during the Great Recession and through the early years of recovery, causing STL's traffic to decrease to 6.2 million enplanements by CY2010. As the economy continued to grow, and as airlines added more capacity, annual enplanements at the Airport recovered slightly and levelled of around 6.3 million passengers through CY2015. STL's passenger traffic grew nearly 10 percent in CY2016, and scheduled seats for the Airport seem to indicate enplanements may reach their pre-recession levels in the short run.

To develop forecasts of commercial aviation activity, a hybrid modeling approach was taken. This approach provides a systematic framework for incorporating both scheduled air service supply and market demand drivers. The near-term forecast is capacity-driven, as it uses published airline schedules to project airport activity. The long-term forecast is demand-driven, where a multivariate time series regression model is developed to quantify the relationship between enplanement trends and market demand drivers: national economic growth trends, changes in the price of air travel, and structural changes at the airport and in the industry. Recognizing uncertainty in the key drivers of the enplanement regression model, risk analysis is performed using a sampling method known as Monte Carlo simulation.

A base forecast is provided, where the forecast enplanements result from the regression model specification and assumptions. Other potential enplanement outcomes generated by the Monte Carlo simulation are compared with forecast results from the regression model and with projections provided by the FAA's Terminal Area Forecast (TAF).

Under the base forecast, enplanements are projected to grow by an annual average rate of 3.1 percent, from 6.8 million in FY2017 to 8.0 million in FY2022. The FAA's TAF estimates higher enplanements than the base forecast through FY2022, showing that annual enplanements will grow at an annual average rate of 2.6 percent and reach 8.1 million in FY2022. Departures (landings) are projected to increase by 7 percent from current levels and level off around 91,000 per year in FY2020. Similar to enplanement growth projections, landed weight is expected to increase by an average annual rate of 3.1 percent between FYs 2016 and 2022.

Section 4 Financial Analysis

This section presents a discussion of the framework for the financial operation of the Airport including: key provisions of the Indenture and the AUA, review of the Airport's recent historical financial performance, and projection of the ability to generate sufficient Revenues during the forecast period FY 2017 -2022 to (1) pay Operation and Maintenance (O&M) Expenses, (2) meet all of the funding requirements of the Indenture and (3) satisfy the relevant provisions of the Additional Bonds Test. This section also discusses the information and assumptions underlying the financial projections.

4.1 Framework for Airport System Financial Operations

4.1.1 Indenture

The Series 2017 Bonds are being issued pursuant to the Indenture and are limited obligations of the City payable solely from Airport Revenues (as defined in the Indenture). The Indenture establishes priorities for the application of Airport Revenues to various funds and accounts as shown on Figure 4-1. Airport Revenues are to first be deposited into the Revenue Fund, which then flows to the O&M Fund to pay those expenses. The remaining Airport Revenues are available for deposit, in the following order of priority: in the Bond Fund (for payment of Debt Service); in the Debt Service Reserve Account (to restore any deficiency and maintain a balance equal to the Debt Service Reserve Requirement); in the Arbitrage Rebate Fund (to fund Rebate Amount); amounts sufficient to pay Subordinate Indebtedness in accordance with the authorizing and implementing documents of such Subordinate Indebtedness; in the Renewal and Replacement Fund (to maintain a balance of $3.5 million); in the City's General Fund (to pay the 5% gross receipts tax required under Section 504.B); to the Debt Service Stabilization Fund pursuant to the calculations set forth in subsection 504 (A); and the remainder to the ADF, except for remaining Pledged PFC Revenues that are deposited in the PFC Account.

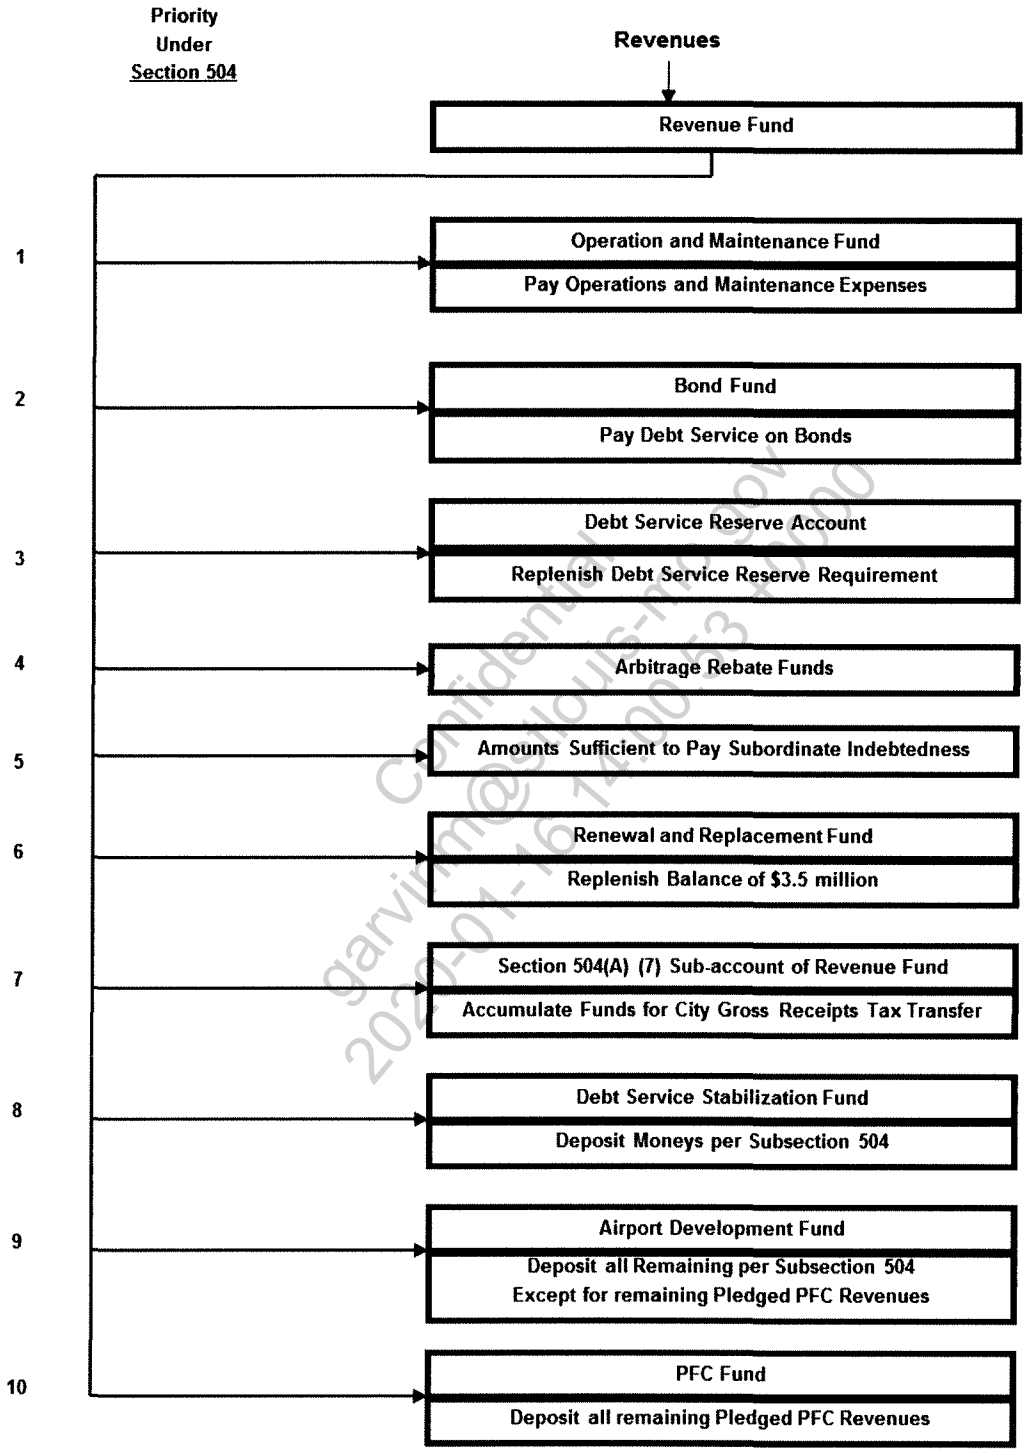
Figure 4-1: Flow of Funds Airport Use and Lease Agreement



4.1.2 Airport Use and Lease Agreement

The City and the airlines executed a new AUA during early 2016 for a five-year term beginning July 1, 2016 through June 30, 2021. The new AUA preserved the underlying rate methodology (Hybrid Compensatory) and rate-making procedures of the previous AUA, which expired June 30, 2016. The AUA sets forth the procedures for calculating landing fees and terminal building space rentals, as well as certain other fees and charges that are briefly summarized below.

Landing Fees. Under the terms of the AUA under Section 606, the Signatory Airlines are charged landing fees calculated based on the total annual costs of the Airfield, which are comprised of the items listed below:

- direct and indirect O&M Expenses allocable to the Airfield Cost Center;
- amortization of Capital Improvements made in, or allocable to, the Airfield Cost Center and put into service before July 1, 2011;
- annual Debt Service associated with Capital Improvements made in, or allocable to, the Airfield Cost Center, and put into service on or after July 1, 2016 in accordance with Section 702;
- annual Debt Service associated with Capital Improvements made in, or allocated to, the Airfield Cost Center, put into service on or after July 1, 2011, and approved by a Majority-In-Interest pursuant to Subsection 703(B);
- annual Depreciation Charges or annual Debt Service, as the case may be, related to Capital Improvements undertaken pursuant to Subsection 705(A)(i)-(vii), and made in, or allocated to, the Airfield Cost Center, if any;
- any replenishment or rebate of the Debt Service Reserve Account required by the Indenture and allocated to the Airfield Cost Center based on the Allocation of Amortization and Debt Service;
- any replenishment of the Renewal and Replacement Fund required by the Indenture as a result of an expenditure made in, or allocable to, the Airfield Cost Center; and
- the share of the Debt Service Stabilization Fund Contribution allocated to the Airfield Cost Center.

The items listed below shall then be subtracted from the total airfield costs above to establish the Initial Airfield Requirement:

- non-signatory Airline landing fees;
- general aviation landing fees;
- military use fees;
- fuel flowage fees;
- remote parking fees;

- rent paid by to the City by the airline consortium leasing the fuel farm; and
- Rate Mitigation Program credits available for that Fiscal Year, as allocated to the Airfield Cost Center.

The landing fee rate will then be calculated by dividing the sum of the Initial Airfield Requirement and the Additional Airline Requirement (defined below), allocable to the Airfield Cost Center by the aggregate landed weight of all signatory airlines and their affiliates for the particular fiscal year.

The City will establish annually a landing fee rate applicable to non-signatory airlines that have signed an airline operating agreement equal to 125% of the landing fee rate calculated in accordance with the AUA, excluding designated affiliates

Terminal Rental Rate. Under Section 605 of the AUA, the terminal rate is calculated based on total annual costs attributable to each Terminal Building, which are comprised of the items listed below in order to establish the Initial Terminal Requirement:

- direct and indirect Operating and Maintenance Expenses allocable to each of the Terminal Cost Centers;
- 50% of the Terminal Roadways Cost Center costs allocated to each Terminal Cost Center based on the percentage that results from dividing the Useable Space in each of the respective Terminal Buildings by the aggregate Useable Space in both Terminal Buildings;
- Amortization of Capital Improvements made in, or allocable to, each Terminal Cost Center and put into service before July 1, 2011;
- annual Debt Service associated with Capital Improvements made in, or allocable to, each of the Terminal Cost Centers, and put into service on or after July 1, 2016 in accordance with Section 702;
- annual Debt Service associated with Capital Improvements made in, or allocable to, each of the Terminal Cost Centers, put into service on or after July 1, 2011, and approved by a Majority-In-Interest in accordance with Subsection 703(B);
- annual Depreciation Charges or annual Debt Service, as the case may be, related to Capital Improvements undertaken pursuant to Subsection 705(A)(i)-(vii), and made in, or allocated to, each of the Terminal Cost Centers, if any;
- any replenishment or rebate of the Debt Service Reserve Account required by the Indenture and allocated between each of the Terminal Cost Centers based on the Allocation of Amortization and Debt Service;
- any replenishment of the Renewal and Replacement Fund required by the Indenture as a result of an expenditure made in, or allocable to, each of the Terminal Cost Centers; and
- the share of the Debt Service Stabilization Fund Contribution allocated to each Terminal Cost Center.

The net costs attributable to each Terminal cost center shall then be calculated by subtracting the following amounts from the total cost attributable to each:

- the amount of aggregate rent payable for Apron-Level Unenclosed Space in accordance with Subsection 502(D) by all Signatory Airlines at each Terminal Building;
- non-signatory Terminal Rents from each Terminal Building; and
- Rate Mitigation Program credits available for that fiscal year, as allocated to each Terminal Cost Center.

The Initial Terminal Rental Rate applicable to each of the Terminal Buildings will then be calculated by dividing the net costs attributable to each Cost Center by the Usable Space in each of the respective Terminal Buildings. The corresponding Initial Terminal Requirement will be calculated by multiplying the Initial Terminal Rental Rate for each Terminal Building by the Rented Space in each of the respective Terminal Buildings.

The Additional Terminal Rental Rate applicable to each of the Terminal Buildings will be calculated by dividing the Additional Airline Requirement allocated to each Terminal Cost Center by the Rented Space in each of the respective Terminal Buildings. The Total Terminal Rental Rate applicable to each of the Terminal Buildings will be the sum of the Initial Terminal Rental Rate and the Additional Terminal Rental Rate for each.

The City will establish annually a terminal rental rate at each Terminal Building and applicable to non-signatory Airlines equal to the respective Total Terminal Rental Rates calculated in accordance with the AUA.

The City will establish annually fair and reasonable charges for the use of the International Facilities.

Additional Airline Requirement. Under the terms of the AUA, the Airport is allowed to add an Additional Requirement, when applicable, to the respective signatory airline rates (airfield and terminal) in order to meet all requirements in a particular fiscal year. The Additional Airline Requirement is calculated by taking the difference between: (1) the sum of the annual Operating and Maintenance Expenses, annual Debt Service, the annual amount of the Debt Service Stabilization Fund Contribution, and the annual Airport Development Fund Deposit; and subtracting (2) the sum of the Initial Requirement, the annual Non-Airline Revenues, Other Airline Revenues, the annual Interest Income, the annual Pledged PFC Revenues, and the annual amount of Rate Mitigation Program credits.

The Additional Airline Requirement may be a positive or a negative number, and will be allocated as follows: for fiscal year 2017, 50% to the Airfield Cost Center, and the remainder to each Terminal Cost Center, and thereafter 100% to the Terminal Cost Centers. The Terminal Cost Centers allocations are proportionate to rented space.

Rate Mitigation Program. The Rate Mitigation program is structured to provide a continuing incentive for growth in air service at the Airport. Subject to the availability of funds and annual appropriations, the City will make credits from the Debt Service Stabilization Fund in an amount not to exceed $13.7 million each fiscal year for the purpose of mitigating the amount of the then

current Rents, Fees, and Charges; provided, however, that the Debt Service Stabilization Fund shall be replenished annually by an amount equal to the amount appropriated for use in the Rate Mitigation Program during such Fiscal Year. Rate Mitigation Program credits shall be allocated among each of the Airline Cost Centers based on the Allocation of Amortization and Debt Service.

Passenger Loading Bridge Charge. Under Section 604 of the AUA, new cost centers were established (Terminal 1 Loading Bridges and Terminal 2 Loading Bridges) to account for all operating and capital costs associated with the loading bridges owned by the City. The Loading Bridge Charge to recover all the associated costs is computed by first adding together the following costs:

- Direct and indirect Operating and Maintenance Expenses, if any, allocable to the Passenger Loading Bridges Cost Center; and
- The Depreciation Charge or Debt Service, as the case may be, of each new passenger loading bridge acquired by the City on or after July 1, 2011.

The total costs allocable to the Passenger Loading Bridges Cost Center is then divided by the total number of passenger loading bridges acquired by the City on or after July 1, 2011. The monthly Passenger Loading Bridge Charge shall be 1/12 of the annual Passenger Loading Bridge Charge.

Unless otherwise provided for in one or more separate agreements, airlines will pay the City $2,500 each month for use of each assigned City-owned passenger loading bridge that was acquired prior to July 1, 2011.

4.1.3 Airport Accounting

The City operates the Airport as an Enterprise Fund in accordance with generally accepted accounting principles (GAAP) applicable to governmental entities. Financial statements for the Airport are prepared each fiscal year based on GAAP and audited by independent certified public accountants. The Airport also maintains internal financial statements, which contain more detailed itemization of revenues and expenses. The audited financial statements of the Airport for fiscal year ended June 30, 2016 are included in Appendix B of the Official Statement.

4.1.4 Airport Cost Accounting

Airport management has implemented a cost/revenue accounting system to facilitate the monitoring of revenue and O&M expenses and the calculation of Airport rates and charges. The cost/revenue centers include:

- Airfield
- Terminals (1 and 2)
- Passenger Loading Bridges
- Other Building and Areas
- Parking
- Terminal Roadways

4.2 Revenues

Under the Indenture, Revenues are comprised of GARB Revenues, Pledged PFC Revenues, and any other available moneys deposited in the Revenue Fund, including investment income. GARB Revenues include Signatory Airline fees, concession fees, other operating revenues, and interest income as further defined in the Indenture.

Table 4-1 provides a historical summary of audited actual revenues for FY 2012 – 2016. During this period total Revenues increased $8.3 million, which was primarily due to GARB Revenues that grew at an average annual rate of 0.7%, or $3.9 million. The increase primarily resulted from total Concession Revenues increasing $8.3 million during the period offset by a decrease of $4.5 million in total Other-Operating Revenues. The change in GARB Revenues was attributed to increases in Public Parking and Terminal Concessions. The Terminal Concessions and parking revenues are discussed in more detail later in this section. The other component of the increase in total Revenues was Pledged PFC Revenues, which increased from $23.9 million in FY 2012 to $28.3 million in FY 2016. This increase was due to scheduled changes in the portion of the annual debt service obligations paid with PFC revenues.

Table 4-2 presents the projection of Revenues for the period FY 2017 through FY 2022. Total Airport Revenues are projected to increase from $180.8 million in FY 2016 to $199.6 million in FY 2022 or at an average annual growth rate of 1.7%. The components of the major revenue accounts and the underlying assumptions for the financial projections are discussed below.

4.2.1 Signatory Airline Rates and Charges

Signatory Airline fees consist of landing fees and terminal building space rentals received from the Signatory Airlines in accordance with the rates and charges provisions outlined in the AUA.

As shown in Table 4-1, Signatory Airline fees fluctuated during the period FY 2012-2016, resulting in an average annual decline of -0.1%. In FY 2013, airfield landing fees increased by 10.3% primarily due to an increase in airfield expenses comprised of: (1) a $4.4 million increase in the FY 2013 debt service obligation; and (2) an increase in O&M expenses allocated to the airfield, mainly attributed to increase in Deicer fluid costs (up $1.1 million) and Snow Removal services costs (up $1.2 million). Similarly, terminal rents increased 17.6% in FY 2013 primarily due to higher terminal expenses primarily due to $4.4 million increase in the debt service obligation. Beginning in FY 2015, both the airfield landing fees and terminal rents began to decrease by approximately 6.0% due to reduced debt service obligations from the Series 2015 refunding bond and the 1998 bonds becoming fully matured.

The forecast of Signatory Airline revenues for the period FY 2017- 2022 in Table 4-2 is comprised of two revenue categories – Airfield Landing Fees and Terminal Rents. The projection for each are developed based on the rate methodology discussed earlier in this section. As a result, Signatory Airline Revenues are projected to decrease slightly from $79.7 million in FY 2016 to $75.9 million in FY 2022, or an average annual decline rate of -0.8%. During the forecast period, the average annual growth in Airfield Landing Fees averages 1.2%. In contrast, the Terminal Rents average annual decline rate during the period averages -9.7%, which is due to lower debt service obligations resulting from the Series 2017 Refunding Bonds and increase in non-airline revenues to the Terminals starting FY 2018 and for the remainder of the forecast period.

Table 4-3, summarizes future Signatory Airline landing fees and Terminal Rental rates for FY 2017-2022. The projected landing fee rates fluctuate from $7.68 in FY 2016 to $6.90 in FY 2022. The landing fee rate changes during FY 2016-2022 are a result of projected annual growth in signatory landed weights and reduced Airfield costs. The Terminal 1 rental rates are projected to decline from $56.23 in FY 2016 to $29.75 in FY 2022, and the Terminal 2 rental rates are projected to decline from $64.72 in FY 2016 to $37.02 in FY 2022. The Terminal 1 and 2 projected declines are primarily due to the lower debt service obligations and higher non-airline revenues offset by increases in the annual ADF contribution. The cost per enplanement (CPE) is projected to decrease from $11.99 in FY 2016 to $9.50 in FY 2022 due to lower debt service and higher non-airline revenues and continued efforts by Airport management to control costs.

Based on our knowledge of comparable airports and our experience in providing financial consulting services to a variety of airports, we believe the projected airline CPE is reasonable in comparison with other major airports that have recently completed or are currently implementing major capital improvement programs. In addition, Airport management continues to seek measures to ensure the CPE at the Airport remains as low as possible.

4.2.2 Concession Fees

Concession fees include terminal concessions (food and beverage, news and gifts, and coin devices), public parking, car rentals, ground transportation, space rental, in-flight catering, as well as utility reimbursements and advertising.

During the FY 2012 - 2016 period, total concession fees increased approximately $8.4 million at an average annual rate of 5.0%. The increase was primarily due to growth in public parking and terminal concessions. Public parking increase was approximately $5.1 million, primarily due to an increase in parking durations and a parking rate increase initiated in April 2013. The remainder of the increase for concession fees resulted from terminal concessions generating higher revenues as a result of Hudson's increased minimum annual guarantee (MAG) by nearly $3 million by FY 2014. This growth was partially offset by a decline in in-flight catering and a reduction in other concession fees, which consists of declines in Fixed Base Operator (FBO) per passenger fees, and customs rentals.

Concession fees are projected to increase from $47.0 million in FY 2016 to $61.6 million by FY 2022, which represents an average annual growth rate of 4.6%. This growth is supported by the following assumptions:

- Projected parking increases in short-term and long-term parking daily rates in FY 2020.
- A projected increase in various food and beverage concession revenues due to higher O&D enplanements.
- An applied inflation/consumption factor rate of 2.2% during the forecast period.

The major concession categories are:

a) Terminal Concessions. The food and beverage component of terminal concessions is scheduled to add one new concept during the forecast period beginning in FY 2017, which is expected to increase food and beverage revenues by approximately $1.5 million over the forecast period. Merchandising concessions is the second largest category in terminal concessions and comprised an estimated 41.1% or $4.3 million of terminal concession revenues in FY 2016. The forecast period does not assume any new merchandising concepts are added. Both merchandising and food and beverage revenues are projected based on O&D passenger traffic activity during the forecast period and the annual inflationary rate. Terminal concessions are projected to increase from $11.3 million in FY 2016 to $15.6 million in FY 2022, an average annual growth of 5.4%..

   Some of the terminal concession concepts are scheduled to expire during the forecast period, however the financial projection anticipates the current MAGs will remain in place.

b) Public Parking. ABM Parking Services (ABM) is the Airport's public parking management company. Under the current agreement, ABM is responsible for operating the public parking facilities, including operating the shuttle bus service connecting the terminals to the intermediate and remote lots. Additionally, the Airport collects all parking revenues, and

servinm@stlouis-mo.gov
2020-01-16 14:00:53 +0000

reimburses ABM for approved operating and administrative expenses and any expenditures made for capital improvements. The public parking revenues also include taxicab fee revenues, which generate revenues of approximately $1 million during the forecast period. Taxicab fees are projected to increase from $0.9 million in FY 2017 to $1.1 million in FY 2022. Net public parking revenues are projected to increase from $22.0 million in FY 2016 to $28.4 million in FY 2022. The forecast growth anticipates an increase in short-term and long-term rates in FY 2020, providing additional parking revenues of approximately $2.1 million in that year. Parking revenue averages 1.1% annual growth for the remainder of the forecast period. In addition, the moderate rise in O&D passenger activity during the forecast period is also expected to have a favorable impact on this important concession component at the Airport.

c) Car Rentals. There are seven car rental companies that currently operate at the Airport. They are: Avis, Budget, Hertz, Enterprise, Thrifty, Alamo, and National. The car rental revenues paid to the city are based on 10% of the car rental company's gross revenues or their annual MAGs, whichever is greater. During the FY 2012-2016 period, rental car revenues increased at an average annual rate of 1.3% or $0.6 million. The increase is a result of demand generated by passenger growth at the Airport, primarily. Car rental revenues are forecast to increase from $11.7 million in FY 2016 to $15.5 million in 2022, which is primarily based on the anticipated increases in O&D passenger enplanements and an annual escalation factor. The rental car concession agreements will expire on December 31, 2019. The financial projection assumes such agreements will be renewed under the same terms as the current agreements.

d) In-Flight catering. This category over-time has experienced a slow decline in revenues resulting from the continued trend of airlines reducing service offering on flights. In-Flight catering revenues now hover around $0.3 million throughout the period FY 2012 – FY 2016. The forecast assumes the category will remain relatively flat at the FY 2016 actual level ($0.3 million).

e) Other Concession Revenues. Other Concession Revenues include utility reimbursements, and other miscellaneous concession revenues, which consist of customs rentals and per passenger fees for the international area. During the FY 2012 – FY 2016 period, this category decreased at an average annual growth rate of 19.3%, partially due to USA 3000 ceasing operations and no longer paying per passenger fees. The estimated projected revenues assume the category will remain relatively flat at the FY 2016 level ($0.3 million).

4.2.3 Other Operating Revenues

Other Operating Revenues consist of non-signatory airline fees, cargo area rentals and fees, tenant improvement surcharges, charges for the use of the employee parking lot, and other miscellaneous revenues. During the FY 2012-2016 period, Other Operating Revenues decreased $4.5 million or at an average annual rate of -4.3%. The decline was primarily due to reductions in tenant improvement surcharges and other miscellaneous revenue as further discussed below.

a) *Non-signatory Airline* revenues consist of landing fees and terminal rents paid by non-signatory airlines. Landing fee rates for non-signatory airline revenues are set at 125%.

Revenues in this category are declining from $2.3 million in FY 2012 to $1.6 million in FY 2016, primarily due to the high rate of conversion of non-signatory airlines to signatory airlines, resulting in fewer airlines paying the non-signatory rates.

b) *Cargo Revenues* include ground rent, building rent, and tenant improvement charges. Cargo revenues are forecast to increase from $0.4 million in FY 2016 to $1.1 million in FY 2022, or an average annual growth of 19.1%, resulting from anticipated new cargo initiatives beginning in FY 2018.

c) *Hangar and Other Building Area* revenues include building and ground rent for various support facilities and land rental payments. Revenues are forecast to increase from $0.6 million in FY 2016 to $1.5 million in FY 2022 as a result of anticipated new hangar rentals and building rents in FY 2018 and FY 2019.

d) *Tenant Improvement Surcharges* are declining during the FY 2012-2016 period due to the American Airline bankruptcy and Southwest Airlines tenant improvements fully amortizing in FY 2013. The forecast estimates the tenant surcharges staying level at the $0.4 million budgeted level for the forecast period.

e) *Other Miscellaneous Revenues* include U.S. government rental revenues, American ramp charges (associated with their hangar), air cargo services, land rents, utility reimbursements, ground transportation fees, rental revenues from inside advertising billboards and other miscellaneous revenues. During the period FY 2012 – 2016 this category fluctuated due to one-time receipts of insurance reimbursements and proceeds from the American Airlines stock sale. The forecast period is projected to increase at an average annual growth of 7.5% due to the start of Remain Overnight (RON) parking fees in FY 2017 and anticipated new land lease opportunities beginning in FY 2019.

4.2.4 Interest Income

Interest income on all operating funds and accounts, other than the Construction Fund (bond proceeds) and the PFC Fund, are classified as Revenues under the Indenture. Interest income is estimated to decrease from $2.1 million for FY 2016 to $1.3 million in FY 2022 due to lower investable debt service account balances, resulting from the Series 2017 Refunding bonds and lower debt service reserves as certain bonds fully mature. The interest income forecast is based on projected balances in each fund and account assuming average annual interest yields of 1.5% on the Debt Service and Debt Service Reserve Accounts and less than 1% for all other funds held during the forecast period.

4.2.5 Pledged PFC Revenues

The Pledged PFC Revenues are projected to remain relatively flat during the projection period, at approximately $28.3 million annually. The annual amount shown for PFC Pledged Revenues follows the requirements as further defined in the Indenture.

4.3 Operation and Maintenance (O&M) Expenses

Table 4-4 summarizes historical O&M Expenses for the period FY 2012-2016 by major expense category. These categories include: personnel services, which are comprised of salaries, fringe benefits; supplies, materials and equipment; and contractual services. During this period, O&M Expenses increased $6.6 million or an average annual growth rate of 2.2%. The growth was primarily due to an increase in contractual services of approximately $6.4 million, along with an increase in personnel services totaling $1.4 million, offset by a decrease in supplies, materials and equipment of almost $1.3 million, as further described below.

Personnel services expenses represent salaries and wages, and fringe benefits paid to individuals employed by the Airport to maintain and operate the terminal, airfield, roadways and other facilities. Personnel services increased from $40.4 million in FY 2012 to $41.8 million in FY 2016, for an average annual growth of 1%, which is lower than the average annual inflation rate for this period primarily due to on-going efforts by Airport management to contain O&M spending as shown by the decrease of salaries and wages primarily through attrition. This decrease was offset by growth in fringe benefits of $5.0 million in FY 2016, which was primarily due to the enactment of GASB Statement No. 68, which now requires recognition of pension liabilities that previously did not require financial reporting.

Supplies, Materials and Equipment expenses consist of de-icing fluids, office supplies, laundry and cleaning materials, gasoline, tools and other miscellaneous supplies. The average annual increase for this category during FY 2012-2016 was 5.4%. The average annual growth rate for de-icing fluid and the Other supplies and material expenses was -7.6% and -5.0%, respectively. The decreases were mainly due to fluctuations in annual weather conditions during the historical period.

Contractual Services expenses represent the cost of services provided to the Airport by such as utilities and various other specialized services by companies that expertise in those areas. The primary services include utilities, rental and lease of equipment, snow removal services, airport security, cleaning services, reimbursement for City-provided services, repair and maintenance of equipment (such as elevators and escalators, communications equipment, etc.) and other miscellaneous services. The average annual growth rate for this category during the period FY 2012 –2016 was 5.6% or an increase of $6.4 million. The growth was primarily due to increases in utilities, snow removal services, and other contractual services. The higher utilities costs are associated with rising gas and electricity prices, while the fluctuations in snow removal was due to the heavy snow and ice conditions during fiscal years FY 2014 and FY 2015. Over 50% of the total change was due to Other contractual services costs increasing at an average annual growth rate of 15.0%, primarily due to reimbursements for the major storm damage in the FY 2012 and FY 2013. The Airport received over $4 million in reimbursements in FY 2012 versus $1.2 million in FY 2013. The legal services decreased from $0.6 million in FY 2012 to $0.2 million in FY 2016 at an average annual growth rate of -25.1%, due to insurance claims and internal services costs included in the legal services category for FY 2012, being re-classified to in FY 2013 and subsequent years.

4.3.1 Projections of O&M Expenses

Table 4-5 presents the O&M Expenses projection for the period FY 2017- 2022. The projected O&M Expenses are based on the FY 2017 operating budget provided by Airport management, and historical trends in O&M expense growth and inflation factors between 2.3% and 4% used to develop the remaining forecast period of FY 2018 through 2022. As shown Table 4-5, total O&M Expenses are forecast to increase from $79.9 million in FY 2016 to $97.4 million in FY 2022, which represents an average annual growth of 3.4%. The increase over the forecast period is higher than the historical average and CPI due to (1) snow removal services budgeted in FY 2017 at a higher rate than FY 2016, which was a mild winter, and (2) the building repairs & maintenance, and miscellaneous contractual services categories within Other contractual services being budgeted at a higher rate than FY 2016. The O&M Expense forecast does not consider the estimated impact of certain capital projects planned to be completed within the forecast period. In addition, certain parts of the forecast were developed based on judgments from Airport management and industry trends. The main factors underlying the significant increases in various categories of O&M Expenses are summarized below:

Personnel Services

Salaries and wages are forecast to increase from $25.3 million in FY 2016 to $30.6 million in FY 2022, for an average annual growth of 3.2%. The growth during the forecast period is primarily a result of the FY 2017 budget increasing 8.5% from FY 2016, due to planned salary increases and one additional pay period. The remainder of the forecast period FY 2018 – 2022 assumes no additional staff will be hired, and that salaries and wages will generally escalate in line with future inflationary increases averaging 3.0%. Fringe benefits are forecast to decrease in FY 2017, then remain relatively flat for the remainder of the forecast period. The decline in FY 2017 fringe benefits is a result of the Airport realizing a higher pension expense of approximately $5.0 million in FY 2016 due to the enactment of GASB Statement No. 68.

Contractual Services

Contractual Services are projected to increase from $32.9 million in FY 2016 to $40.2 million by FY 2022, for an average annual growth of 3.4%. The major contractual services categories contributing to this growth are Utilities, Snow Removal Equipment, and Other Contractual services. Utilities are forecast based on the FY 2017 budget and the inflationary growth factor and are projected to increase from $6.7 million in FY 2016 to $7.8 million in FY 2022, at an average annual growth of 2.6%. Snow removal equipment rentals are projected to increase from $0.7 million in FY 2016 to $2.2 million by FY 2022, at an average annual growth of 21.1%. The significant increase in snow removal services is a result of Airport management budgeting snow removal services at a higher rate than FY 2016, which was a mild winter. The Other Contractual services grew at an average annual rate of 2.6% during the forecast period, primarily due to expected increases to building repairs & maintenance.

Supplies, Materials & Equipment

This expense category is showing an average annual increase of 8.7%, which is a result of FY 2016 actual De-icing expenses being unusually low due to a mild winter. The FY 2017 De-icing costs are budgeted significantly higher to account for expected normal weather conditions.

4.4 Application of Revenues

Table 4-6 shows the Application of Revenues forecast to fund accounts under provisions of the Indenture for the FYs 2017–2022.

Revenues consist of GARB Revenues, Pledged PFC Revenues and Interest Income deposited in the Revenue Fund as presented earlier in Table 4-4. Pursuant to the Indenture, Pledged PFC Revenues equal 125% of the anticipated annual debt service on the portion of the bonds that have been issued to finance PFC-Eligible Projects.

As further described in the Indenture and as depicted in Figure 4-1, shown earlier in this section, Revenues will first be applied to all of the designated funds in their stipulated amounts as further described in the Indenture. All remaining Revenues are then deposited in the ADF or the PFC Account, if there are unused PFC moneys after meeting all requirements of the PFC eligible debt service. Table 4-6 shows the projected deposits available for transfer to the ADF during forecast period of FY 2016 -2022.

As of April 30, 2017, the unaudited unappropriated balance in the Airport's ADF was approximately $12.5 million. This balance, coupled with the projected transfers to the ADF indicated in Table 4-6, should provide adequate resources to meet various obligations of the Airport, such as equipment replacement, major maintenance and small capital projects, during the forecast period.

4.5 Debt Service Coverage/Additional Bonds Test

Table 4-7 shows the projected debt service during the forecast period. The results of the Additional Bonds Test for the base case scenario using the financial projection presented in this Report for FY 2017 – 2022 is shown on Table 4-8. Debt Service Coverage (DSC) is projected to range from 1.35 to 1.50 during the forecast period, showing that the Airport anticipates to continue meeting the DSC requirement of 1.25 under this scenario in all years. The Additional Bonds Test states, in part, that Net Revenues must be at least 1.25 times Aggregate Debt Service; 1) in any 12 consecutive calendar months out of the 18 calendar months preceding the authentication and delivery of the Series 2017 Bonds, and 2) as set forth in the Airport Consultant's certificate, for each of the three Airport fiscal years following the Airport fiscal year in which the project is expected to be completed.

The financial projections presented in this section are based on information and assumptions that have been provided by Airport management, or developed by Unison and reviewed with and confirmed by Airport management. Based upon our review, we believe the information to be accurate and that the assumptions made provide a reasonable basis for the forecasts. However, due to unforeseen events and circumstances actual results may vary from the forecasts.

Ladies and Gentlemen:

We have prepared for your information the attached Preliminary Blue Sky Memorandum (the "***Memorandum***"), dated May 30, 2017 setting forth certain information concerning the provisions of the securities or Blue Sky laws of various states of the United States, with respect to the proposed public offering and sale by you of the above-captioned bonds (the "***Bonds***"). It is to advise you with respect to provisions of the securities or blue sky laws of the various states, the District of Columbia, Guam and Puerto Rico.

The attached Memorandum sets forth, in summary form, certain information relating to offers to sell and solicitations of offers to buy the Bonds ("***offers***"), including offers made by means of the Preliminary Official Statement dated May 30, 2017 (the "***Preliminary Official Statement***"), under the laws of various states. Such information is based upon our review of the securities laws (and, in certain cases, regulations issued thereunder) of the various states as reported in the latest unofficial compilations available to us, upon information relating to the Bonds contained in the Preliminary Official Statement and upon additional information furnished to us by the City of St. Louis, Missouri and St. Louis Lambert International Airport. We have not obtained either opinions of local counsel or any special rulings of the securities commissioners or other qualified authorities charged with the administration of the respective securities or Blue Sky laws. In making certain statements contained in the Memorandum, we may rely upon oral representations of staff members on behalf of various securities administrators, in such instances where we reasonably believe such reliance to be warranted. It is our experience that receipt of documentation from certain securities administrators confirming oral statements can be subject to delays

* Preliminary, subject to change.

(sometimes of substantial length) and that in isolated cases, confirming documentation is not received. As members of the Bar of the State of Missouri, we do not purport to be experts in the law of any other jurisdiction.

In all instances in which we have indicated in the Memorandum that persons registered or licensed as dealers or brokers may make offers or sales of the Bonds, we have assumed compliance by such persons and their agents with all dealer and broker requirements in connection with the offer and sale thereof and with all applicable state and federal statutes, rules and regulations with respect to registration or licensing of dealers and brokers. We have also assumed the accuracy and completeness of information contained in the Preliminary Official Statement.

The Memorandum does not cover the requirements or restrictions, if any, with respect to the form or content of supplemental sales literature or advertising material published or used in connection with offers or sales of the Bonds in any jurisdiction, nor does the Memorandum address the need to submit such sales literature or advertising material to review by the administrators who enforce the Blue Sky laws. We would be pleased, however, to review any proposed supplemental sales literature or advertising material upon its submission to us in advance of its use.

All statements made and conclusions expressed in the attached Memorandum are of necessity subject to, and qualified by, the exercise of broad discretionary powers and authority possessed by many of the securities administrators or other qualified authorities in the various states to require further information, impose special requirements, issue stop orders, or deny, revoke or suspend exemptions, permits or registrations as may be accorded by the statutes or as may be initially granted.

Sincerely,

Dentons US LLP

Redemption of the Refunded Bonds

On May 31st, 2017, the City gave conditional call notice that the Refunded Bonds will be redeemed on the Redemption Date at a redemption price of 100% of the outstanding principal amount thereof, plus accrued interest to the Redemption Date. The call was conditioned on there being sufficient funds received by UMB Bank, N.A., as Trustee (the "Trustee") on the Redemption Date to pay the redemption price, plus accrued interest on the Refunded Bonds. As a consequence of the issuance of the Series 2017A Bonds and the Series 2017B Bonds and the deposits into a special account as described below, the condition has been satisfied, and the Refunded Bonds will be redeemed on the Redemption Date. Interest on the Refunded Bonds will cease to accrue from and after the Redemption Date. The stated maturity date, principal amount, interest rate and CUSIP numbers of the Series 2007A Bonds are as follows:

July 1 Stated Maturity	Principal Amount	Interest Rate	CUSIP Number
7/1/2018	$2,410,000	5.00%	791638XK0

Defeasance of the Refunded Bonds

To effect the redemption of the Refunded Bonds, the City has instructed the Trustee to deposit a portion of the proceeds of the Series 2017A Bonds into the Series 2007A Refunding Sub-Account of the Debt Service Account of the Airport Bond Fund (the "2007A Refunding Sub-Account") established pursuant to the Twenty-First Supplemental Indenture dated as of June 1, 2017, which supplements and amends the Amended and Restated Indenture of Trust dated as of July 1, 2009, to be used to redeem the Series 2017A Refunded Bonds on July 1, 2017.

To effect the redemption of the Refunded Bonds, the City has instructed the Trustee to deposit a portion of the proceeds of the Series 2017B Bonds into the Series 2007B Refunding Sub-Account of the Debt Service Account of the Airport Bond Fund (the "2007B Refunding Sub-Account") established pursuant to the Twenty-First Supplemental Indenture dated as of June 1, 2017, which supplements and amends the Amended and Restated Indenture of Trust dated as of July 1, 2009, to be used to redeem the Series 2017B Refunded Bonds on July 1, 2017.

Upon the deposit of the proceeds of the Series 2017A Bonds and the Series 2017B Bonds respectively into the 2007A Refunding Sub-Account and 2007B Refunding Sub-Account, respectively, together with the transfer of other available monies, the Refunded Bonds shall be payable solely from the respective Refunding Sub-Account.

The moneys held by the Trustee in the Refunding Sub-Account are irrevocably pledged to the redemption of the Refunded Bonds and may be applied only to such redemption. Such moneys will be held by the Trustee pending redemption of the Refunding Bonds.

CERTIFICATE REGARDING PUBLIC HEARING

The undersigned Airport Counsel for St. Louis Lambert International Airport™ (the "Airport Counsel"), HEREBY CERTIFIES as follows:

(1) A public hearing was duly held on Friday, May 19, 2017, at 9:00 a.m., at the offices of The City of St. Louis, Missouri (the "City"), City Hall, 1200 Market Street, Room 208, St. Louis, Missouri, pursuant to proper notice given prior to such public hearing in accordance with law as to the time and place of the public hearing. The City caused the publication of a notice at least fourteen (14) days prior to the hearing in the St. Louis Daily Record, a newspaper of general circulation in the City of St. Louis, Missouri (the "Notice"). A copy of the Notice is attached hereto together with an Affidavit of Publication as Exhibit A. The public hearing was open to the public. The time of the public hearing and the room in which the public hearing was held provided a reasonable opportunity for persons of differing views to appear and be heard.

(2) The undersigned Airport Counsel announced the commencement of the public hearing on the proposed issuance of Airport Revenue Bonds, St. Louis Lambert International Airport (the "Bonds"), consisting of (i) Series 2017A and 2017B Refunding Bonds to be issued in an aggregate principal amount of not to exceed $240 million for the purpose of refunding a portion of the City's presently outstanding Airport Revenue Bonds, and (ii) its Series 2017C and 2017D Bonds to be issued in an aggregate principal amount of not to exceed $70 million for the purpose of financing the costs of construction, repair, improvement and renovation of certain projects at the St. Louis Lambert International Airport, including runway expenditures, parking facilities, snow removal equipment, passenger loading facilities, and climate control equipment.

(3) At the hearing, the following person(s) appeared and asked to be heard with respect to the proposed issuance of the Bonds as referred to in the Notice:

NOTICE OF PUBLIC HEARING
CONCERNING
THE ISSUANCE BY THE CITY OF ST. LOUIS, MISSOURI
OF ITS AIRPORT REVENUE BONDS

Notice is hereby given that on Friday, May 19, 2017, at 9:00 A.M., The City of St. Louis, Missouri (the "City") will conduct a public hearing at City Hall, 1200 Market Street, Room 208, St. Louis, Missouri, for the purpose of giving interested persons an opportunity to be heard on the proposed plan of financing and issuance by the City of its Airport Revenue Bonds (St. Louis Lambert International Airport) (the "Bonds") consisting of (i) its Series 2017A and 2017B Refunding Bonds to be issued in an aggregate principal amount of not to exceed $240 million for the purpose of refunding a portion of the City's presently outstanding Airport Revenue Bonds, (ii) its Series 2017C and 2017D Bonds to be issued in an aggregate principal amount of not to exceed $70 million for the purpose of financing the costs of construction, repair, improvement and renovation of certain projects at the St. Louis Lambert International Airport (the "Airport"), including runway expenditures, parking facilities, snow removal equipment, passenger loading facilities, and climate control equipment. The Airport is owned and operated by the City and located at 10701 Lambert International Boulevard, St. Louis, Missouri. The Bonds shall be limited obligations of the City, payable from the revenues derived by the City from the operation of the Airport and certain other pledged funds. The Bonds shall not be a debt of the City, the State of Missouri (the "State"), or any political subdivision thereof; and neither the City nor the State, or any political subdivision thereof, shall be liable thereon, nor, in any event shall such Bonds be payable out of any funds or properties other than those of the City pledged thereto. The taxing power of the City is not pledged to the payment of the Bonds.

At such meeting, persons will be given an opportunity to express their views, both orally and through written statements which are submitted to the City on or before the public hearing. For further information, contact Mario Pandolfo, Jr. at the City of St. Louis, Missouri, at (314) 426-8058. This Notice is published pursuant to the requirements of Section 147(f) of the Internal Revenue Code of 1986, as amended, and Treasury Regulations Section 5f.103-2 and given in accordance with the provisions of Chapter 610 of the Missouri Revised Statutes.

CERTIFICATE OF APPROVAL

APPROVAL OF THE CITY OF ST. LOUIS, MISSOURI, WITH RESPECT TO THE ISSUANCE OF CERTAIN BONDS BY THE CITY OF ST. LOUIS, MISSOURI

WHEREAS, the City of St. Louis, Missouri (the "City") proposes to issue, contingent upon the execution of this Certificate of Approval, its Airport Revenue Bonds, St. Louis Lambert International Airport (the "Bonds"), consisting of (i) Series 2017A and 2017B Refunding Bonds to be issued in an aggregate principal amount of not to exceed $240 million for the purpose of refunding a portion of the City's presently outstanding Airport Revenue Bonds, and (ii) Series 2017C and 2017D Bonds to be issued in an aggregate principal amount of not to exceed $70 million the purpose of financing the costs of construction, repair, improvement and renovation of certain projects at the St. Louis Lambert International Airport (the "Airport"), including runway expenditures, parking facilities, snow removal equipment, passenger loading facilities, and climate control equipment;

WHEREAS, the Airport is owned by the City and located at 10701 Lambert International Boulevard, St. Louis, Missouri;

WHEREAS, pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"), interest on the Bonds will not qualify for exclusion from gross income for federal income tax purposes unless the issuance of the Bonds is approved by the City, by and through the Mayor of the City of St. Louis, Missouri (the "Mayor") after a public hearing to consider the issuance of the Bonds has been conducted following reasonable public notice; and

WHEREAS, on Friday, May 19, 2017, the City held such a public hearing upon proper notice in compliance with the Code;

NOW, THEREFORE, PURSUANT TO THE POWER VESTED IN HONORABLE LYDA KREWSON, MAYOR OF THE CITY OF ST. LOUIS, MISSOURI, BE IT DETERMINED, APPROVED AND RESOLVED by the Mayor as follows:

Section 1. For the sole purpose of qualifying the interest payable on the Bonds for exclusion from gross income for federal income tax purposes pursuant to the provisions of Section 103 and 141 through 150 of the Code, the City, by and through the Mayor, as the "applicable elected representative" (as such term is construed under Section 147(f)(2)(E) of the Code), and the Comptroller of the City of St. Louis, Missouri, hereby approve the issuance by the City of the Bonds, provided that the Bonds, and the premium (if any) and interest thereon, shall be special obligations of the City and shall never be a debt of the City, the State of Missouri (the "State") or any political subdivision thereof, and neither the City, the State, nor any political subdivision thereof shall be liable thereon.

Section 2. This Certificate of Approval shall be deemed to be made for the benefit of the holders, from time to time, of the Bonds and shall constitute a contract between the City and the holders of the Bonds.

Section 3. This Certificate of Approval shall take effect immediately.

FOURTH AMENDMENT TO DEBT SERVICE FORWARD DELIVERY AGREEMENT

THIS FOURTH AMENDMENT TO DEBT SERVICE FORWARD DELIVERY AGREEMENT (this "Fourth Amendment") effective as of June 8, 2017 (the "Effective Date") is entered into by and among **UMB BANK, N.A.**, as trustee (the "Trustee"), **THE CITY OF SAINT LOUIS, MISSOURI** (the "Issuer") and **WELLS FARGO BANK, NATIONAL ASSOCIATION**, successor in interest to Wachovia Bank, National Association, as provider (the "Provider").

W I T N E S S E T H :

WHEREAS, the Issuer, the Trustee and the Provider entered into the Debt Service Forward Delivery Agreement dated as of December 1, 2003 (the "Forward Delivery Agreement"), respecting the Issuer's $435,185,000 Airport Revenue Bonds (Airport Development Program) Series 2001A (the "Series 2001A Bonds");

WHEREAS, a portion of the Series 2001A Bonds were refunded by the Issuer's $263,695,000 Airport Revenue Refunding Bonds, Series 2005 (Non-AMT) (Lambert-St. Louis International Airport) (the "Series 2005 Bonds");

WHEREAS, the Issuer, the Trustee and the Provider previously entered into that First Amendment to Debt Service Forward Delivery Agreement dated as of July 7, 2005 (the "First Amendment" and, together with the Forward Delivery Agreement, the "Amended Forward Delivery Agreement") for the purpose of (i) continuing the Forward Delivery Agreement with respect to the remaining Series 2001A Bonds, and (ii) applying the Forward Delivery Agreement to a portion of the Series 2005 Bonds;

WHEREAS, a portion of the Series 2001A Bonds were refunded by the Issuer's $231,275,000 Airport Revenue Refunding Bonds, Series 2007A (Non-AMT) (Lambert-St. Louis International Airport) (the "Series 2007A Bonds");

WHEREAS, the Issuer, the Trustee and the Provider previously entered into that Second Amendment to Debt Service Forward Delivery Agreement dated as of January 24, 2007 (the "Second Amendment" and, together with the Forward Delivery Agreement and the First Amendment, the "Original Agreement") for the purpose of (i) continuing the Amended Forward Delivery Agreement with respect to the remaining Series 2001A Bonds and Series 2005 Bonds, and (ii) applying the Amended Forward Delivery Agreement to a portion of the Series 2007A Bonds;

WHEREAS, the Series 2001A Bonds are no longer outstanding;

WHEREAS, a portion of the outstanding Series 2005 Bonds were refunded by the Issuer's $17,310,000 Airport Revenue Refunding Bonds, Series 2015 (Non-AMT) (Lambert-St. Louis International Airport) (the "Series 2015 Bonds"); and

WHEREAS, the Issuer, the Trustee and the Provider previously entered into that Third Amendment to Debt Service Forward Delivery Agreement dated as June 29, 2015 (the "Third Amendment" and, together with the Forward Delivery Agreement, the First Amendment, and the Second Amendment, the "Original Agreement") for the purpose of (i) terminating the Original Agreement with respect to the refunded Series 2005 Bonds, (ii) continuing the Original Agreement with respect to the remaining Series 2005 Bonds and Series 2007A Bonds, and (iii) transferring the Original Agreement with respect to the Series 2015 Bonds.

WHEREAS, the Series 2007A Bonds are being refunded.

WHEREAS, the Issuer, the Trustee and the Provider wish to amend the provisions of the Original Agreement as herein provided for the purpose of (1) terminating the Original Agreement with respect to the refunded Series 2007A Bonds, and (2) continuing the Agreement with respect to the remaining 2005 Bonds and the Series 2015 Bonds.

NOW, THEREFORE, in consideration of the foregoing and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I

INTENTION OF PARTIES, AGREEMENT PROVISIONS

The Issuer, the Provider and the Trustee have entered into this Fourth Amendment pursuant to Section 9.05 of the Original Agreement to amend their rights and obligations set forth in the Original Agreement. The terms of the Original Agreement, as amended by this Fourth Amendment (as so amended, the "Agreement"), shall govern the rights and obligations of the Issuer, the Provider and the Trustee in connection with the transactions contemplated by the Agreement. Capitalized terms used but not defined in this Fourth Amendment shall have the respective meanings assigned thereto in the Original Agreement.

ARTICLE II

AMENDMENTS

Section 2.01. Amendments to Definitions. The Original Agreement shall be amended as follows:

(a) The Original Agreement is hereby amended by deleting the definition of Bonds in its entirety and in place thereof inserting the following:

"*Bonds*" means, collectively, the Series 2005 Bonds and the Series 2015 Bonds.

(b) The Original Agreement is hereby amended by deleting the definition of Debt Service Fund in its entirety and in place thereof inserting the following:

"*Debt Service Fund*" means, collectively, the Series 2005 Debt Service Fund and the Series 2015 Debt Service Fund.

(c) The Original Agreement is hereby amended by deleting the definitions of *Series 2007A Bonds* and *Series 2007A Debt Service Fund* in Section 1.01.

Section 2.02. Amendment to Section 9.01. Section 9.01 to the Original Agreement is hereby amended by deleting such section and replacing it with the following:

Section 9.01. Notices and Delivery Instructions. All notices, demands or other communications hereunder shall be given or made in writing and shall be delivered personally, or sent by certified or registered mail, postage prepaid, return receipt requested, or overnight delivery service or facsimile to the party to whom they are directed at the following addresses, or facsimile numbers or at such other addresses or facsimile numbers as may be designated by notice from such party to all other parties:

ARTICLE VIII

CLOSING CONDITIONS

Section 8.01. The parties hereto agree that this Fourth Amendment shall become effective only upon the occurrence of each of the following conditions:

(a) delivery to the Provider and the Trustee of an executed original opinion of counsel to the Issuer, in the form of Exhibit A;

(b) delivery to the Provider of the Ordinance pursuant to which the Issuer is authorized to enter into this Fourth Amendment; and

(c) payment by the Provider to the Issuer on June 27, 2017 of a fee of USD 2,097,000 in consideration for the termination of the Original Agreement with respect to the Series 2007A Bonds.

Section 8.02. Post-Closing Conditions. In the event that the Provider elects to close this Fourth Amendment without requiring that all of the conditions set forth in Section 8.01 be satisfied, the Issuer covenants and agrees that it shall cause all such unsatisfied conditions to be satisfied and cause all original executed signature pages to this Fourth Amendment to be delivered to the Provider within three Business Days of the Effective Date. In the event that all such documents are not received by the Provider within three Business Days of the Effective Date, the Issuer shall pay, on demand, the fees and expenses of counsel to the Provider incurred in connection with the satisfaction of this Section 8.02.

ARTICLE IX

The Provider hereby agrees to pay the Issuer a fee of USD 2,097,000 on June 27, 2017 in consideration for the termination of the Original Agreement with respect to the Series 2007A Bonds. The fee shall be paid to the following account of the Issuer:

Ladies and Gentlemen:

We have acted as counsel to The City of St. Louis, Missouri (the "Issuer") in connection with its execution and delivery of the Fourth Amendment to Debt Service Forward Delivery Agreement, dated as of June __, 2017 (the "Fourth Amendment"), by and among the Issuer, UMB Bank, N.A., as trustee (the "Trustee") and Wells Fargo Bank, National Association (the "Provider") with respect to the Debt Service Forward Delivery Agreement, dated as of December 1, 2003 (the "Forward Delivery Agreement"), as amended by the First Amendment to Debt Service Reserve Forward Delivery Agreement dated as of July 7, 2005 (the "First Amendment") and the Second Amendment to Debt Service Forward Delivery Agreement dated as of January 24, 2007 (the "Second Amendment") and that Third Amendment to Debt Service Forward Delivery Agreement dated as of June 29, 2015 (the "Third Amendment" and, together with the Forward Delivery Agreement, the First Amendment and the Second Amendment, the "Original Agreement"), each by and among the Issuer, the Trustee and the Provider and its execution and delivery of the Financing Documents. Capitalized terms used herein and not defined herein have the respective meanings given to them in the Original Agreement, as amended by the Fourth Amendment.

In connection with the rendering of this opinion, we have examined the Original Agreement, the Fourth Amendment, the Financing Documents and such other documents, records, certificates and instruments as we have deemed necessary in connection with the

rendering of this opinion (such documents are collectively referred to herein as the "Documents"). In such examination we have assumed, without any independent investigation or inquiry on our part: (i) the genuineness of all signatures (other than those of the Issuer) on each of the Documents; (ii) the legal capacity of all natural persons who have signed the Documents; (iii) the authenticity of all Documents submitted to us as originals, the conformity to the original documents of all Documents submitted to us as certified, facsimile or photostatic copies or in electronic form and the authenticity of the originals of all such Documents; (iv) that each of the parties (other than the Issuer) to the Documents has been duly formed and organized and is validly existing and in good standing under the laws of the jurisdiction of its incorporation or establishment; (v) that each of the parties (other than the Issuer) to the Documents (A) has duly authorized, executed and delivered such Documents, (B) has all requisite power and authority to enter into and perform its respective obligations under such Documents and (C) has obtained, secured or made all consents and approvals of, notice to, or registrations required with or by any governmental authorities, agencies or instrumentalities in connection with its execution, delivery and performance of, the Documents to which it is a party; (vi) the execution, delivery and performance by each of the parties (other than the Issuer) of such Documents to which it is a party will not contravene any provision of such party's articles of incorporation, by-laws, articles of organization, operating agreement, certificate of formation, limited liability company agreement or other governing instrument; and (vii) that there are no other agreements or understandings among the parties to such Documents, written or oral, and there is no usage of trade or course of prior dealings among the parties thereto that would, in any case, define, supplement, alter or qualify the terms of such Documents. As to all matters of fact we have relied in good faith on certificates and other statements of public officials and officers and other representatives of the Issuer, and we have made no inquiries to establish or verify these or any other facts material to this opinion.

In giving the opinions expressed below, we do not purport to be experts in or generally familiar with or qualified to express legal opinions based on the laws of any jurisdiction other than the federal laws of the United States of America and the laws of the State of Missouri (the "State"), and the opinions expressed herein are limited to the federal laws of the United States of America and the laws of the State. We express no opinion as to the validity or enforceability of any choice of law, choice of forum or waiver provision contained in the Original Agreement or the Fourth Amendment. We express no opinion as to the availability of equitable remedies to persons seeking to enforce the obligations of the Issuer under the Original Agreement, as amended by the Fourth Amendment.

Based upon the foregoing examination and review, we are of the opinion that:

(a) The Issuer has full legal right, power and authority to enter into the Fourth Amendment.

(b) The Fourth Amendment has been duly authorized, executed and delivered by the Issuer.

(c) Assuming for purposes of the opinion expressed in this paragraph (c) that the Original Agreement and the Fourth Amendment were governed by and construed in accordance with the laws of the State, the Original Agreement, as amended by the Fourth

Amendment, is a legal, valid and binding obligation of the Issuer, enforceable against it in accordance with the terms thereof, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(d) The Issuer's execution and delivery of the Fourth Amendment and the performance of its obligations under the Original Agreement, as amended by the Fourth Amendment, do not and will not conflict with or constitute or result in a default under, a breach or violation of, or the creation of any lien or encumbrance on any of its property under the Financing Documents or any other agreement, instrument, judgment, injunction or order applicable to it or any of its property.

We are furnishing this opinion to you solely for your benefit and no other person is entitled to rely hereon. This opinion is not to be used, circulated, quoted or otherwise referred to for any other purpose. This opinion is given as of the date hereof, and we expressly disclaim any responsibility to update this opinion or advise you of any changes of law, facts or circumstances of any kind that may occur after the date hereof which might affect the opinion expressed herein.

Very truly yours,

1. Pursuant to the Indenture, the Issuer will direct the Trustee to deposit such moneys in an irrevocable Series 2017 Refunding Account (the "Series 2017 Refunding Account") to be established and held in the custody of the Trustee, and to transfer such moneys to be applied to the payment, redemption and discharge of the Refunded Bonds on the Redemption Date.

2. The Issuer hereby requests and directs the Trustee to (a) call all of the Refunded Bonds for redemption and payment on the Redemption Date, pursuant to **Section 2.08** of the Supplemental Indentures, at a redemption price equal to 100% of the outstanding principal amount thereof, plus accrued interest thereon to the Redemption Date, (b) give conditional notice of such redemption to the holders of the Refunded Bonds in accordance with the requirements of **Sections 302 and 305** of the Indenture and (c) take or cause to be taken all further action necessary to call and redeem the Refunded Bonds as provided herein. The redemption of the Refunded Bonds shall be conditioned upon sufficient moneys being on deposit with the Trustee on or prior to the Redemption Date. In the event that such moneys are not received by the Trustee, this direction and the Trustee's notice given pursuant to this paragraph shall be of no force and effect.

3. The Issuer further requests the Trustee, upon the deposit, in trust, of moneys in the amount necessary to defease, pay and redeem all of the Refunded Bonds as aforesaid, and notice of redemption having been given as provided in the Indenture, to execute and deliver to the Issuer the proper instruments acknowledging the satisfaction and discharge of the Refunded Bonds.

---

[1] Note: CUSIP numbers appearing herein are included for the benefit of bondholders. Neither the Trustee nor the City shall be responsible for the selection or use of any such CUSIP number(s) nor are any representations made as to their correctness on the Bonds or as indicated herein.

4. All moneys set aside and held in the Series 2017 Refunding Account pursuant to these instructions shall be used solely for the payment of the principal of, redemption premium, if any, and interest on the Refunded Bonds in accordance with these instructions.

The Issuer agrees to pay all costs and expenses incurred in connection with the defeasance and redemption of the Refunded Bonds.

This Issuer's Direction to Defease and Redeem Bonds, upon acknowledgment of receipt and acceptance of the terms hereof by the Trustee, shall constitute a binding irrevocable agreement between the Issuer and the Trustee.

Re: $258,430,000 The City of St. Louis, Missouri Airport Revenue Refunding Bonds and Airport Revenue Bonds (St. Louis Lambert International Airport), Series 2017

Ladies and Gentlemen:

We have acted as Co-Bond Counsel to The City of St. Louis, Missouri (the "**City**") in connection with the issuance of the City's: (a) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017A Refunding Bonds**") and its $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "**Series 2017B Refunding Bonds**", and, together with the Series 2017A Refunding Bonds, collectively, the "**Series 2017 Refunding Bonds**") under and pursuant to the Indenture of Trust dated as of October 15, 1984 (the "**Original Indenture**"), which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "**Restated Indenture**"), as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-First Supplemental Indenture**"), between the City and UMB Bank, N.A., as trustee (the "**Trustee**"); and (b) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017C Project Bonds**") and its $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "**Series 2017D Project Bonds**", and, together with the Series 2017C Project Bonds, collectively, the "**Series 2017 Project Bonds**" and together with the Series 2017 Refunding Bonds, collectively, the "**Series 2017 Bonds**") under and pursuant to the Restated Indenture, as amended and supplemented, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-Second Supplemental Indenture**") between the City and the Trustee. The Restated Indenture, as amended and supplemented to date including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, is collectively referred to herein as the "**Indenture**".

We have reviewed the transcript of proceedings related to the issuance of the Series 2017 Bonds, including the Constitution of the State of Missouri (the "**State**"), the statutes of the State, as amended, including

particularly, Chapter 108.170 of the Revised Statutes of Missouri, as amended, the Charter of the City (the "**Charter**"), Ordinance No. 70541, adopted by the Board of Aldermen on April 28, 2017 and, approved by the Mayor on May 23, 2017, and the Indenture, the Tax Certificate of the City dated as of the date hereof (the "**Tax Certificate**") and such other law, certified proceedings and other documents and materials as we have deemed necessary to enable us to render the opinions contained herein. Capitalized terms used and not defined herein shall have the same meanings given to such terms in the Indenture.

The Internal Revenue Code of 1986, as amended (the "**Code**") imposes certain requirements that must be met on the date of issuance of the Series 2017 Bonds and on a continuing basis subsequent to the issuance of the Series 2017 Bonds in order for interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) to be excludable from gross income for federal income tax purposes under Section 103 of the Code. Such requirements include, but are not limited to, requirements relating to private use limitations and yield restriction of certain funds. The City has represented, certified and covenanted in the Indenture and the Tax Certificate (i) that so long as it owns the Airport, it will take no action that will impair the excludability of interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) from federal income taxes, (ii) that it will comply with the provisions and procedures set forth in the Tax Certificate, and (iii) that it will do and perform all acts and things necessary or desirable in order to assure that under the Code, as presently in force and effect, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) will, for purposes of federal income taxation, be excludable from gross income of the recipients thereof pursuant to Section 103 of the Code.

In making our examination of documents, we have assumed that the parties to such documents had the power to enter into and perform all obligations thereunder; the due and valid authorization, execution and delivery of such documents; that such documents are valid and binding obligations of the parties thereto and are enforceable against such parties in accordance with their terms; and that the parties to such documents have complied and will comply with their obligations thereunder. We have assumed the genuineness of all signatures on all documents examined by us, the authenticity of all documents submitted to us as originals and the conformity to authentic originals of all documents submitted to us as copies.

As to questions of fact material to this opinion, we have relied upon representations of the City contained in the Indenture, the Tax Certificate and the other financing documents delivered in connection with the Series 2017 Bonds, the representations and information contained in the above-described documents, and the certified proceedings and other certifications of public officials and others furnished to us, in each case without undertaking to verify the same by independent investigation. We note that we have relied upon the opinion of even date herewith of the City Counselor of the City with respect to the matters set forth therein. Except as otherwise stated herein, we express no opinion with respect to those issues.

For purposes of this opinion, without limiting the generality of the foregoing, we have assumed that the Indenture has been duly and lawfully executed and delivered by the parties thereto and is in full force and effect.

Based upon the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that, under existing law:

1. The Series 2017 Bonds have been duly authorized and executed by the City in accordance with the Constitution and statutes of the State and the Charter and, when duly authenticated and delivered by the Trustee, will be valid and binding special, limited obligations of the City, payable solely from the

sources provided therefor in the Indenture. The Series 2017 Bonds and the interest thereon are not a debt or general obligation of the City, the State or any political subdivision thereof, and do not constitute an indebtedness of the City, the State or any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the full faith and credit of the City, the State or any political subdivision thereof. We express no opinion with respect to the perfection or priority of any lien or security interest created or purported to have been created by any documents related to the issuance of the Series 2017 Bonds.

2. The Twenty-First Supplemental Indenture has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other party thereto, constitutes the valid and binding obligation of the City in accordance with its terms.

3. The Twenty-Second Supplemental Indenture has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other party thereto, constitutes the valid and binding obligation of the City in accordance with its terms.

4. The Indenture creates the valid pledge which it purports to create of the moneys, securities and funds included in the Trust Estate and of all Revenues subject to the application thereof for the purposes and on the conditions permitted by the Indenture. We express no opinion with respect to the perfection or priority of any lien or security interest created or purported to have been created by the Indenture.

5. Based upon existing law, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) is excludable from the gross income of the owners of the Series 2017 Bonds for federal income tax purposes. No opinion is expressed as to the status of interest on any Series 2017B Refunding Bonds or any Series 2017D Project Bonds for any period that such Series 2017B Refunding Bonds or such Series 2017D Project Bonds are held by a "substantial user" of the facilities financed or refinanced by the Series 2017B Refunding Bonds or the Series 2017D Project Bonds or by a "related person" within the meaning of Section 147(a) of the Code. In addition, interest on the Series 2017A Refunding Bonds and the Series 2017C Project Bonds is not a specific preference item for purposes of calculating the federal alternative minimum tax that may be imposed under the Code with respect to individuals and corporations. Interest on Series 2017B Refunding Bonds and Series 2017D Project Bonds is treated as an item of preference for purposes of calculating the federal alternative minimum tax that may be imposed on individuals and corporations. The issuance and sale of the Series 2017 Project Bonds and the application of the proceeds thereafter in accordance with the terms of the Twenty-Second Supplemental Indenture authorizing the issuance of such Series 2017 Project Bonds will not adversely affect the tax-exempt status of any Bonds outstanding immediately prior to the issuance of such Series 2017 Project Bonds. In rendering the opinions set forth in this paragraph, we have assumed compliance by the City with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2017 Bonds in order that interest thereon (including any original issue discount properly allocable to the owners thereof) be, and continue to be, excludable from gross income for federal income tax purposes. The City has covenanted to comply with all such requirements. Failure by the City to comply with certain of such requirements may cause interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) to become included in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2017 Bonds. We express no opinion regarding any other federal tax consequences arising with respect to the Series 2017 Bonds.

6. Under the laws of the State as presently enacted and construed, and subject to the assumptions set forth in the preceding paragraph, interest on the Series 2017 Bonds (including any original

issue discount properly allocable to the owners thereof) is excludable from taxable income for the purposes of the personal income tax and corporate income tax imposed by the State. No opinion is expressed regarding whether the interest on the Series 2017 Bonds is exempt from the taxes imposed by the State on financial institutions under Chapter 148 of the Revised Statutes of Missouri, as amended. We express no opinion regarding any other State tax consequences arising with respect to the Series 2017 Bonds.

Except as stated in paragraphs 5 and 6 above, we express no opinion regarding any federal or state tax consequences arising with respect to the Series 2017 Bonds including, but not limited to, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2017 Bonds.

Although we are not opining as to enforceability, it is to be understood that the rights of the owners of the Series 2017 Bonds and the enforceability thereof and of the Indenture may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium and other similar laws relating to or affecting creditors' rights and by equitable principles, whether considered at law or in equity, and their enforcement may be subject to the exercise of judicial discretion in appropriate cases.

Except as expressly stated in our supplemental co-bond counsel opinion of even date herewith, we have not been engaged or undertaken to review the accuracy, adequacy or completeness of any offering material relating to the Series 2017 Bonds, and we express no opinion relating thereto.

The opinions expressed herein are limited to the federal law of the United States of America and the laws of the State, and we express no opinion as to the laws of any other state or jurisdiction, including any local or municipal laws. In rendering our opinion, we have not considered, and hereby disclaim any opinion as to, the application or impact of any laws, cases, decisions, rules or regulations of any other jurisdiction, court or administrative agency.

We call to your attention the fact that our legal opinions are an expression of professional judgment and are not a guarantee of a result. Further, the opinions expressed herein are as of the date hereof only and are based on laws, orders, contract terms and provisions and facts as of such date. By rendering this opinion, we do not undertake, and hereby disclaim any obligation, to update this opinion letter after such date or to advise you of any changes in law or fact stated or assumed herein that may occur or come to our attention after the date hereof.

This opinion is furnished only to you and is solely for your use and benefit in connection with the transactions described herein. Without our prior written consent, this opinion may not be used, quoted or otherwise referred to for any other purpose or relied upon by, or assigned to, any other person for any purpose, including any other person that seeks to assert your rights in respect of this opinion.

Very truly yours,

Re: $258,430,000 The City of St. Louis, Missouri Airport Revenue Refunding Bonds and Airport Revenue Bonds (St. Louis Lambert International Airport), Series 2017

Ladies and Gentlemen:

We have acted as Co-Bond Counsel to The City of St. Louis, Missouri (the "**City**") in connection with the issuance of the City's: (a) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017A Refunding Bonds**") and its $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "**Series 2017B Refunding Bonds**", and, together with the Series 2017A Refunding Bonds, collectively, the "**Series 2017 Refunding Bonds**") under and pursuant to the Indenture of Trust dated as of October 15, 1984 (the "**Original Indenture**"), which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "**Restated Indenture**"), as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-First Supplemental Indenture**"), between the City and UMB Bank, N.A., as trustee (the "**Trustee**"); and (b) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017C Project Bonds**") and its $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "**Series 2017D Project Bonds**", and, together with the Series 2017C Project Bonds, collectively, the "**Series 2017 Project Bonds**" and together with the Series 2017 Refunding Bonds, collectively, the "**Series 2017 Bonds**") under and pursuant to the Restated Indenture, as amended and supplemented, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-Second Supplemental Indenture**") between the City and the Trustee. The Restated Indenture, as amended and supplemented to date including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, is collectively referred to herein as the "**Indenture**."

We have reviewed the transcript of proceedings related to the issuance of the Series 2017 Bonds, including the Constitution of the State of Missouri (the "**State**"), the statutes of the State, as amended, including particularly, Chapter 108.170 of the Revised Statutes of Missouri, as amended, the Charter of the City (the "**Charter**"), Ordinance No. 70541, adopted by the Board of Aldermen on April 28, 2017 and, approved by the Mayor on May 23, 2017, and the Indenture, the Tax Certificate of the City dated as of the date hereof (the "**Tax Certificate**") and such other law, certified proceedings and other documents and materials as we have deemed necessary to enable us to render the opinions contained herein. Capitalized terms used and not defined herein shall have the same meanings given to such terms in the Indenture.

The Internal Revenue Code of 1986, as amended (the "**Code**") imposes certain requirements that must be met on the date of issuance of the Series 2017 Bonds and on a continuing basis subsequent to the issuance of the Series 2017 Bonds in order for interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) to be excludable from gross income for federal income tax purposes under Section 103 of the Code. Such requirements include, but are not limited to, requirements relating to private use limitations and yield restriction of certain funds. The City has represented, certified and covenanted in the Indenture and the Tax Certificate (i) that so long as it owns the Airport, it will take no action that will impair the excludability of interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) from federal income taxes, (ii) that it will comply with the provisions and procedures set forth in the Tax Certificate, and (iii) that it will do and perform all acts and things necessary or desirable in order to assure that under the Code, as presently in force and effect, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) will, for purposes of federal income taxation, be excludable from gross income of the recipients thereof pursuant to Section 103 of the Code.

In making our examination of documents, we have assumed that the parties to such documents had the power to enter into and perform all obligations thereunder; the due and valid authorization, execution and delivery of such documents; that such documents are valid and binding obligations of the parties thereto and are enforceable against such parties in accordance with their terms; and that the parties to such documents have complied and will comply with their obligations thereunder. We have assumed the genuineness of all signatures on all documents examined by us, the authenticity of all documents submitted to us as originals and the conformity to authentic originals of all documents submitted to us as copies.

As to questions of fact material to this opinion, we have relied upon representations of the City contained in the Indenture, the Tax Certificate and the other financing documents delivered in connection with the Series 2017 Bonds, the representations and information contained in the above-described documents, and the certified proceedings and other certifications of public officials and others furnished to us, in each case without undertaking to verify the same by independent investigation. We note that we have relied upon the opinion of even date herewith of the City Counselor of the City with respect to the matters set forth therein. Except as otherwise stated herein, we express no opinion with respect to those issues.

For purposes of this opinion, without limiting the generality of the foregoing, we have assumed that the Indenture has been duly and lawfully executed and delivered by the parties thereto and is in full force and effect.

Based upon the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that, under existing law:

1. The Series 2017 Bonds have been duly authorized and executed by the City in accordance with the Constitution and statutes of the State and the Charter and, when duly authenticated and delivered by the Trustee, will be valid and binding special, limited obligations of the City, payable solely from the sources provided therefor in the Indenture. The Series 2017 Bonds and the interest thereon are not a debt or general obligation of the City, the State or any political subdivision thereof, and do not constitute an indebtedness of the City, the State or any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the full faith and credit of the City, the State or any political subdivision thereof. We express no opinion with respect to the perfection or priority of any lien or security interest created or purported to have been created by any documents related to the issuance of the Series 2017 Bonds.

2. The Twenty-First Supplemental Indenture has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other party thereto, constitutes the valid and binding obligation of the City in accordance with its terms.

3. The Twenty-Second Supplemental Indenture has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other party thereto, constitutes the valid and binding obligation of the City in accordance with its terms.

4. The Indenture creates the valid pledge which it purports to create of the moneys, securities and funds included in the Trust Estate and of all Revenues subject to the application thereof for the purposes and on the conditions permitted by the Indenture. We express no opinion with respect to the perfection or priority of any lien or security interest created or purported to have been created by the Indenture.

5. Based upon existing law, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) is excludable from the gross income of the owners of the Series 2017 Bonds for federal income tax purposes. No opinion is expressed as to the status of interest on any Series 2017B Refunding Bonds or any Series 2017D Project Bonds for any period that such Series 2017B Refunding Bonds or such Series 2017D Project Bonds are held by a "substantial user" of the facilities financed or refinanced by the Series 2017B Refunding Bonds or the Series 2017D Project Bonds or by a "related person" within the meaning of Section 147(a) of the Code. In addition, interest on the Series 2017A Refunding Bonds and the Series 2017C Project Bonds is not a specific preference item for purposes of calculating the federal alternative minimum tax that may be imposed under the Code with respect to individuals and corporations. Interest on Series 2017B Refunding Bonds and Series 2017D Project Bonds is treated as an item of preference for purposes of calculating the federal alternative minimum tax that may be imposed on individuals and corporations. The issuance and sale of the Series 2017

Project Bonds and the application of the proceeds thereafter in accordance with the terms of the Twenty-Second Supplemental Indenture authorizing the issuance of such Series 2017 Project Bonds will not adversely affect the tax-exempt status of any Bonds outstanding immediately prior to the issuance of such Series 2017 Project Bonds. In rendering the opinions set forth in this paragraph, we have assumed compliance by the City with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2017 Bonds in order that interest thereon (including any original issue discount properly allocable to the owners thereof) be, and continue to be, excludable from gross income for federal income tax purposes. The City has covenanted to comply with all such requirements. Failure by the City to comply with certain of such requirements may cause interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) to become included in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2017 Bonds. We express no opinion regarding any other federal tax consequences arising with respect to the Series 2017 Bonds.

6. Under the laws of the State as presently enacted and construed, and subject to the assumptions set forth in the preceding paragraph, interest on the Series 2017 Bonds (including any original issue discount properly allocable to the owners thereof) is excludable from taxable income for the purposes of the personal income tax and corporate income tax imposed by the State. No opinion is expressed regarding whether the interest on the Series 2017 Bonds is exempt from the taxes imposed by the State on financial institutions under Chapter 148 of the Revised Statutes of Missouri, as amended. We express no opinion regarding any other State tax consequences arising with respect to the Series 2017 Bonds.

Except as stated in paragraphs 5 and 6 above, we express no opinion regarding any federal or state tax consequences arising with respect to the Series 2017 Bonds including, but not limited to, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2017 Bonds.

Although we are not opining as to enforceability, it is to be understood that the rights of the owners of the Series 2017 Bonds and the enforceability thereof and of the Indenture may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium and other similar laws relating to or affecting creditors' rights and by equitable principles, whether considered at law or in equity, and their enforcement may be subject to the exercise of judicial discretion in appropriate cases.

Except as expressly stated in our supplemental co-bond counsel opinion of even date herewith, we have not been engaged or undertaken to review the accuracy, adequacy or completeness of any offering material relating to the Series 2017 Bonds, and we express no opinion relating thereto.

The opinions expressed herein are limited to the federal law of the United States of America and the laws of the State, and we express no opinion as to the laws of any other state or jurisdiction, including any local or municipal laws. In rendering our opinion, we have not considered, and hereby disclaim any opinion as to, the application or impact of any laws, cases, decisions, rules or regulations of any other jurisdiction, court or administrative agency.

We call to your attention the fact that our legal opinions are an expression of professional judgment and are not a guarantee of a result. Further, the opinions expressed herein are as of the date hereof only and are based on laws, orders, contract terms and provisions and facts as of such date. By rendering this opinion, we do not undertake, and hereby disclaim any obligation, to update this opinion letter after such date or to advise you of any changes in law or fact stated or assumed herein that may occur or come to our attention after the date hereof.

This opinion is furnished only to you and is solely for your use and benefit in connection with the transactions described herein. Without our prior written consent, this opinion may not be used, quoted or otherwise referred to for any other purpose or relied upon by, or assigned to, any other person for any purpose, including any other person that seeks to assert your rights in respect of this opinion.

Very truly yours,

Ladies and Gentlemen:

This opinion supplements our legal opinion of even date herewith as Co-Bond Counsel to The City of St. Louis, Missouri (the "**City**") in connection with the issuance of the City's: (a) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017A Refunding Bonds**") and its $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "**Series 2017B Refunding Bonds**", and, together with the Series 2017A Refunding Bonds, collectively, the "**Series 2017 Refunding Bonds**") under and pursuant to the Indenture of Trust dated as of October 15, 1984 (the "**Original Indenture**"), which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "**Restated Indenture**"), as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-First Supplemental Indenture**"), between the City and UMB Bank, N.A., as trustee (the "**Trustee**"); and (b) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017C Project Bonds**") and its $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "**Series 2017D Project Bonds**", and, together with the Series 2017C Project Bonds, collectively, the "**Series 2017 Project Bonds**" and together with the Series 2017 Refunding Bonds, collectively, the "**Series 2017 Bonds**") under and pursuant to the Restated Indenture, as amended and supplemented, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-Second Supplemental Indenture**") between the City and the Trustee. The Restated Indenture, as amended and supplemented to date, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, is collectively referred to herein as the "**Indenture**".

We have examined the originals or copies, certified or otherwise identified to our satisfaction, of such documents, instruments, agreements, and other materials as we have deemed necessary or appropriate to enable us to deliver this opinion, including, among others, the Official Statement dated June 9, 2017 (the "**Official Statement**") used in connection with the offer and sale of the Series 2017 Bonds. In connection with this opinion, we have relied, as to factual matters, upon the representations and information contained in such documents, instruments, agreements, and materials, upon the certified proceedings and

representations of the City, and other certifications of public officials and others furnished to us, in each case without undertaking to verify the same by independent investigation.

In connection with this opinion (a) we have assumed the genuineness of all signatures to the documents referenced herein, the authenticity of all documents submitted to us as originals, and the conformity with the originals of all documents submitted to us as copies; (b) we have assumed that the documents referenced herein have been duly authorized, executed, and delivered by, and are valid and binding obligations of, the parties thereto and are enforceable against such parties in accordance with their terms; (c) we have assumed that the parties to such documents had the power to enter into and perform all obligations thereunder and have complied and will comply with their obligations thereunder; and (d) we have relied, as to factual matters, upon the representations of the City and others contained in such documents, without undertaking to verify the same by independent investigation. Capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the herein defined Indenture.

We note that we have relied upon the opinions of even date herewith of the City Counselor of the City, Dentons US LLP and Saulsberry & Associates, LLC, Co-Underwriters' Counsel, and of Schiff Hardin LLP and White Coleman & Associates, LLC, as Co-Disclosure Counsel with respect to the matters set forth therein. Except as otherwise stated herein, we express no opinion with respect to those issues.

The purpose of our professional engagement was not to establish or confirm factual matters set forth in the Official Statement, and we are not passing upon and do not assume any responsibility for the accuracy, completeness, or fairness of any of the statements contained in the Official Statement and make no representation that we have independently verified the accuracy, completeness, or fairness of such statements.

Based upon the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that, under existing law:

(a) The Series 2017 Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended.

(b) Based upon the review and discussions as described in this opinion and in reliance upon the accuracy of the information contained in the documents, certificates, opinions, records, and instruments referenced herein, no facts have come to our attention which have caused us to believe that the statements contained in the Official Statement under the captions "THE SERIES 2017 BONDS", "TAX MATTERS", "LEGAL MATTERS", "Appendix C - Summary of Certain Provisions of the Indenture", and "Appendix F - Form of Opinion of Co-Bond Counsel" insofar as such statements purport to summarize certain provisions of the Series 2017 Bonds or the Indenture, or provisions of federal or the State of Missouri (the "**State**") income tax laws relating to interest on the Series 2017 Bonds, are not accurate or do not present a fair summary of the matters purported to be described therein, and no facts have come to our attention which have caused us to believe the information contained under such captions of the Official Statement as of its date and as of the date hereof, insofar as such statements purport to summarize certain provisions of the Series 2017 Bonds or the Indenture or provisions of federal or State income tax laws relating to interest on the Series 2017 Bonds, contained or contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. We express no view, however, as to any financial, technical or statistical data or any estimates, projections, assumptions or expressions of opinion included in the Official Statement or any appendix thereto. The phrase "come to our attention" as used herein means that, during the course of our representation of the City as Co-Bond Counsel with respect to the Series 2017 Bonds, no information

has come to the attention of the lawyers in our firm devoting substantive attention to the Series 2017 Bonds which has given us actual knowledge of the existence or absence of facts to the contrary; we have not undertaken any independent investigation of such factual matters, and no inference should be drawn to the contrary from the fact of our limited representation of the City. We express no opinion with respect to any party's compliance with continuing disclosure obligations whether pursuant to contract or under any applicable State or federal laws, rules or regulations.

Except to the limited extent expressly provided in the preceding paragraph and our separate opinion delivered as Co-Bond Counsel, we are not expressing (and cannot express) any opinion or view with respect to the Official Statement or any other matters related to the Series 2017 Bonds, including the authorization, issuance, delivery, or validity of the Series 2017 Bonds or the tax-exempt status of the interest paid on the Series 2017 Bonds. We are qualified to practice law in the State and we do not purport to be experts on, or to express any opinion herein concerning, any matter governed by the laws of any jurisdiction including any local or municipal laws, other than the laws of the State and the federal law of the United States of America applicable to the Series 2017 Bonds. In rendering our opinion, we have not considered, and hereby disclaim any opinion as to, the application or impact of any other laws, cases, decisions, rules or regulations of any other jurisdiction, court or administrative agency.

We call to your attention the fact that our legal opinions are an expression of professional judgment and are not a guarantee of a result.

This opinion is further limited solely to the matters set forth herein and no other opinion is to be inferred or implied herefrom. This opinion is delivered to you for your use and benefit only in connection with the transactions described herein and may not be used, quoted, published, assigned or relied upon by or communicated to any third party (including any other person that seeks to assert your rights in respect of this opinion) or used for any other purpose whatsoever without our prior written approval in each instance.

The opinions expressed herein are as of the date hereof only and are based on laws, orders, contract terms and provisions and facts of such date. By rendering this opinion, we do not undertake, and hereby disclaim any responsibility, to update our opinion based upon, or advise you of, any change in law or fact stated or assumed herein which may occur or come to our attention after the date hereof.

Very truly yours,

Re: $258,430,000 The City of St. Louis, Missouri Airport Revenue Refunding Bonds and Airport Revenue Bonds (St. Louis Lambert International Airport), Series 2017

Ladies and Gentlemen:

This opinion supplements our legal opinion of even date herewith as Co-Bond Counsel to The City of St. Louis, Missouri (the "**City**") in connection with the issuance of the City's: (a) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017A Refunding Bonds**") and its $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "**Series 2017B Refunding Bonds,**" and, together with the Series 2017A Refunding Bonds, collectively, the "**Series 2017 Refunding Bonds**") under and pursuant to the Indenture of Trust dated as of October 15, 1984 (the "**Original Indenture**"), which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "**Restated Indenture**"), as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-First Supplemental Indenture**"), between the City and UMB Bank, N.A., as trustee (the "**Trustee**"); and (b) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017C Project Bonds**") and its $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "**Series 2017D Project Bonds,**" and, together with the Series 2017C Project Bonds, collectively, the "**Series 2017 Project Bonds**" and together with the Series 2017 Refunding Bonds, collectively, the "**Series 2017 Bonds**") under and pursuant to the Restated Indenture, as amended and supplemented, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-Second Supplemental Indenture**") between the City and the Trustee. The Restated Indenture, as amended and supplemented to date, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, is collectively referred to herein as the "**Indenture**."

We have examined the originals or copies, certified or otherwise identified to our satisfaction, of such documents, instruments, agreements, and other materials as we have deemed necessary or appropriate to enable us to deliver this opinion, including, among others, the Official Statement dated June 22, 2017 (the "**Official Statement**") used in connection with the offer and sale of the Series 2017 Bonds. In connection with this opinion, we have relied, as to factual matters, upon the representations and information contained in such documents, instruments, agreements, and materials, upon the certified proceedings and representations of the City, and other certifications of public officials and others furnished to us, in each case without undertaking to verify the same by independent investigation.

In connection with this opinion (a) we have assumed the genuineness of all signatures to the documents referenced herein, the authenticity of all documents submitted to us as originals, and the conformity with the originals of all documents submitted to us as copies; (b) we have assumed that the documents referenced herein have been duly authorized, executed, and delivered by, and are valid and binding obligations of, the parties thereto and are enforceable against such parties in accordance with their terms; (c) we have assumed that the parties to such documents had the power to enter into and perform all obligations thereunder and have complied and will comply with their obligations thereunder; and (d) we have relied, as to factual matters, upon the representations of the City and others contained in such documents, without undertaking to verify the same by independent investigation. Capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the herein defined Indenture.

We note that we have relied upon the opinions of even date herewith of the City Counselor of the City, Dentons US LLP and Saulsberry & Associates, LLC, Co-Underwriters' Counsel, and of Schiff Hardin LLP and White Coleman & Associates, LLC, as Co-Disclosure Counsel with respect to the matters set forth therein. Except as otherwise stated herein, we express no opinion with respect to those issues.

The purpose of our professional engagement was not to establish or confirm factual matters set forth in the Official Statement, and we are not passing upon and do not assume any responsibility for the accuracy, completeness, or fairness of any of the statements contained in the Official Statement and make no representation that we have independently verified the accuracy, completeness, or fairness of such statements.

Based upon the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that, under existing law:

(a) The Series 2017 Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended.

(b) Based upon the review and discussions as described in this opinion and in reliance upon the accuracy of the information contained in the documents, certificates, opinions, records, and instruments referenced herein, no facts have come to our attention which have caused us to believe that the statements contained in the Official Statement under the captions "THE SERIES 2017 BONDS", "TAX MATTERS", "LEGAL MATTERS", "Appendix C - Summary of Certain

Provisions of the Indenture", and "Appendix F - Form of Opinion of Co-Bond Counsel" insofar as such statements purport to summarize certain provisions of the Series 2017 Bonds or the Indenture, or provisions of federal or the State of Missouri (the "**State**") income tax laws relating to interest on the Series 2017 Bonds, are not accurate or do not present a fair summary of the matters purported to be described therein, and no facts have come to our attention which have caused us to believe the information contained under such captions of the Official Statement as of its date and as of the date hereof, insofar as such statements purport to summarize certain provisions of the Series 2017 Bonds or the Indenture or provisions of federal or State income tax laws relating to interest on the Series 2017 Bonds, contained or contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. We express no view, however, as to any financial, technical or statistical data or any estimates, projections, assumptions or expressions of opinion included in the Official Statement or any appendix thereto. The phrase "come to our attention" as used herein means that, during the course of our representation of the City as Co-Bond Counsel with respect to the Series 2017 Bonds, no information has come to the attention of the lawyers in our firm devoting substantive attention to the Series 2017 Bonds which has given us actual knowledge of the existence or absence of facts to the contrary; we have not undertaken any independent investigation of such factual matters, and no inference should be drawn to the contrary from the fact of our limited representation of the City. We express no opinion with respect to any party's compliance with continuing disclosure obligations whether pursuant to contract or under any applicable State or federal laws, rules or regulations.

Except to the limited extent expressly provided in the preceding paragraph and our separate opinion delivered as Co-Bond Counsel, we are not expressing (and cannot express) any opinion or view with respect to the Official Statement or any other matters related to the Series 2017 Bonds, including the authorization, issuance, delivery, or validity of the Series 2017 Bonds or the tax-exempt status of the interest paid on the Series 2017 Bonds. We are qualified to practice law in the State and we do not purport to be experts on, or to express any opinion herein concerning, any matter governed by the laws of any jurisdiction including any local or municipal laws, other than the laws of the State and the federal law of the United States of America applicable to the Series 2017 Bonds. Ladies and Gentlemen:

We have acted as Co-Bond Counsel to The City of St. Louis, Missouri (the "**City**") in connection with the issuance of the City's: (a) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017A Refunding Bonds**") and its $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "**Series 2017B Refunding Bonds**", and, together with the Series 2017A Refunding Bonds, collectively, the "**Series 2017 Refunding Bonds**") under and pursuant to the Indenture of Trust dated as of October 15, 1984 (the "**Original Indenture**"), which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "**Restated Indenture**"), as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-First Supplemental Indenture**"), between the City and UMB Bank, N.A., as trustee (the "**Trustee**"); and (b) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "**Series 2017C Project Bonds**") and its $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "**Series 2017D Project Bonds**", and, together with the Series 2017C Project Bonds, collectively, the "**Series 2017 Project Bonds**" and together with the Series 2017 Refunding Bonds, collectively, the "**Series 2017 Bonds**") under and pursuant to the Restated Indenture, as amended and supplemented, including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (the "**Twenty-Second Supplemental Indenture**") between the City and the Trustee. The Restated Indenture, as amended and supplemented to date including by the Twenty-First Supplemental Indenture and the Twenty-Second Supplemental Indenture, is collectively referred to herein as the "**Indenture**".

We have reviewed the transcript of proceedings related to the issuance of the Series 2017 Bonds, including the Constitution of the State of Missouri (the "**State**"), the statutes of the State, as amended, including particularly, Chapter 108.170 of the Revised Statutes of Missouri, as amended, the Charter of the City (the "**Charter**"), Ordinance No. 70541, adopted by the Board of Aldermen on April 28, 2017 and, approved by the Mayor on May 23, 2017, and the Indenture, the Tax Certificate of the City dated as of the date hereof (the "**Tax Certificate**") and such other law, certified proceedings and other documents and materials as we

have deemed necessary to enable us to render the opinions contained herein. Capitalized terms used and not defined herein shall have the same meanings given to such terms in the Indenture.

The City has this day deposited cash into a separate trust account (the "Refunding Account") to be held by it separate and apart from all other moneys and securities of the City and Trustee. Such amount will provide moneys which are sufficient to pay the principal of, and interest on, the Refunded Bonds on July 1, 2017 (the "Payment Date").

The City has given the Trustee irrevocable instructions to hold and apply such moneys in the Refunding Account solely for the payment of the principal of, and interest on, the Refunded Bonds.

Based on the foregoing, we are of the opinion, as of the date hereof and under existing law, as follows:

1. That upon the deposit of cash with the Trustee as set forth in the Twenty First Supplemental Indenture, the City shall have duly provided for the payment of the Refunded Bonds in accordance with the terms of the Indenture and the Refunded Bonds will be deemed to have been paid in accordance with the terms of the Indenture, will no longer be Outstanding Bonds (as defined in the Indenture) under the Indenture and will no longer be entitled to the security provided under the Indenture.

2. Except for the rights of the holders of the Refunded Bonds with respect to moneys on deposit in the Refunding Account, the pledge and lien created by the Indenture for the benefit of the holders of the Refunded Bonds and all other rights granted to the holders of the Refunded Bonds under the Indenture are discharged and satisfied.

In rendering the foregoing opinion, we have not independently determined the adequacy of the moneys deposited with the Trustee to pay the principal of and interest to become due on the Refunded Bonds on the Payment Date but we have relied upon information supplied by the Underwriters' of the Series 2017 Bonds which calculated the adequacy for such purpose of the moneys deposited with the Trustee.

The opinions expressed herein are limited to the federal law of the United States of America and the laws of the State, and we express no opinion as to the laws of any other state or jurisdiction, including any local or municipal laws. Ladies and Gentlemen:

We have acted as co-counsel to Wells Fargo Bank, N.A. and Stern Brothers & Co., as representatives of the Underwriters (collectively referred to as the "***Underwriters***") named in that certain Bond Purchase Agreement dated June 9, 2017 (the "***Purchase Agreement***") between The City of St. Louis, Missouri (the "***City***") in connection with the issuance by the City of the above-described bonds (the "***Series 2017 Bonds***"), pursuant to an Indenture of Trust dated as of October 15, 1984, as amended, supplemented, and restated as of July 1, 2009, as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 (collectively, the "***Indenture***") by and between the City and UMB Bank, N.A., as Trustee. Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture.

In connection with such representation, we have participated in the preparation of or have reviewed the agreements, legal opinions, certificates and other documents delivered to the Underwriters pursuant to this Purchase Agreement, including, but not limited to, (i) this Purchase Agreement, (ii) the Indenture, (iii) the Official Statement of the City, dated June 9, 2017 (the "***Official Statement***"), relating to the Series 2017 Bonds, and (iv) the legal opinions of Armstrong Teasdale LLP, St. Louis, Missouri, and Hardwick Law Firm, LLC, St. Louis, Missouri (serving as co-bond counsel and herein together referred to as "***Co-Bond Counsel***"), Schiff Hardin LLP, New York, New York, and White Coleman & Associates, LLC, St. Louis, Missouri (serving as co-disclosure counsel and herein together referred to as "***Co-Disclosure Counsel***"), and the City Counselor of even date herewith with respect to the Series 2017 Bonds. Additionally, we have conferred with representatives of the Underwriters, Co-Bond Counsel, Co-Disclosure Counsel, the City Counselor, the City's officials, including officials of the Airport, UMB Bank,

N.A., as Trustee, Siebert Cisneros Shank & Co., L.L.C. and PFM Financial Advisors LLC, as co-municipal advisor to the City (collectively, the "***Transaction Participants***"). Our opinions and conclusions contained herein have relied substantially upon the representations, warranties, certificates, and opinions made by the Transaction Participants. We also have examined originals, executed counterparts or copies of such other agreements, legal opinions, documents, proceedings, records, instruments, certificates, certificates of public authorities and have reviewed such matters of law as we have deemed necessary for the purpose of providing this letter.

In rendering the opinions in the paragraph immediately below and providing the limited assurances hereinafter expressed, we have relied upon and assumed, with the Underwriters' permission and without independent investigation or verification, (i) the genuineness of all signatures on documents reviewed by us; (ii) the legal capacity of all natural persons; (iii) the authenticity, accuracy and completeness of all documents and information provided to or obtained by us, whether originals or copies; (iv) the due authorization, execution and validity of the agreements, documents, and certificates executed and delivered in connection with the Series 2017 Bonds, and their enforceability in accordance with their terms against the parties thereto; and (v) the correctness of the legal opinions executed and delivered in connection with the Series 2017 Bonds. We have also relied, without further verification or confirmation, upon the representations contained in agreements, documents, certificates and other communications from officials, employees or agents of the City, the Airport, and other public officials.

Based upon the foregoing, and subject to the assumptions, qualifications, limitations and expectations set forth herein, we are of the opinion that under existing law:

1. The Series 2017 Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended; however, no opinion is expressed with respect to bond insurance; and

2. The Continuing Disclosure Agreement complies with Securities and Exchange Act Rule 15c2-12.

We are not expressing any opinion view or conclusion with respect to the authorization, issuance, delivery or validity of the Series 2017 Bonds, the tax exemption of the Series 2017 Bonds or the interest paid on the Series 2017 Bonds. Because the primary purpose of our professional engagement is not to investigate and determine factual matters and because of the wholly or partially non-legal nature of many factual determinations involved in preparing the Official Statement, we have not undertaken to determine independently, we are not passing upon, nor do we assume any responsibility for the accuracy, completeness or fairness of any of the statements in the Official Statement and we make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. To assist the Underwriters in connection with (i) the Underwriters' evaluation of the likelihood that the City will comply on a timely basis with its continuing disclosure undertakings, and (ii) obtaining evidence to determine whether and when the City's annual filings and event notices, pursuant to the City's disclosure undertakings, were in fact provided, for the purposes of, among other things, determining the existence of any instances in the previous five years in which the City failed to comply, in all material respects, with any of the City's prior continuing disclosure undertakings, we have reviewed information available to us on the Municipal Securities Rulemaking Board's Electronic Municipal Market Access website and had discussions with the representatives of the Transaction Participants each in the capacity listed above. In providing the opinions, views and conclusions stated in this letter, we are not

opining upon and do not assume any responsibility for determining whether the City has, in fact, complied, in all material respects, with the City's prior continuing disclosure undertakings.

We have undertaken the review described in this letter and have participated in conferences in which the contents of the Official Statement and related matters were discussed. Such conferences did not occur beyond the date of the Official Statement. The statements made and the information contained in the Official Statement were either provided by or reviewed on numerous occasions for their accuracy and completeness by the Transaction Participants, each in the capacity listed above. Based upon our participation in the above-mentioned conferences and in reliance thereon and on the certificates, opinions, and other documents herein mentioned, and the other qualifications, limitations, and exclusions described herein, we advise the Underwriters, as a matter of fact and not opinion, that no facts have come to the attention of the attorneys in our firm rendering legal services in connection with this matter that cause them to believe that the Official Statement contained, as of its date or contains as of the date hereof, any untrue statement of a material fact or omits to state any material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided, however, in addition to the assumptions, limitations and qualifications in this letter, we do not express any view, conclusion or belief with respect to any CUSIP numbers; economic, demographic, engineering, statistical, technical, accounting or financial data or information; forecasts, numbers, charts, tables, graphs, estimates, projections or assumptions; management discussions and analysis; expressions of opinion; ratings or rating agencies; information relating to The Depository Trust Company and the book-entry system for the Series 2017 Bonds; the Bond Insurance Policy, the Reserve Policy, or Assured Guaranty Municipal Corp.; prices or yields on the Series 2017 Bonds; under the caption "**TAX MATTERS**," or relating to the tax treatment of the Series 2017 Bonds, the information under the captions "**BOND INSURANCE**," "**INDEPENDENT PUBLIC ACCOUNTANTS**," "**CO-FINANCIAL ADVISORS**," "**TREASURER'S ADVISOR**," "**AIRPORT CONSULTANT**," and all Appendices to the Official Statement (except **APPENDIX G** - Form of the Continuing Disclosure Agreement) all of which we expressly exclude from the scope of this paragraph.

This letter is limited to the specific opinions, views and conclusions, as applicable, expressed herein, and no further opinions, views and conclusions are intended to be, or should be, inferred therefrom. By acceptance of this letter, the Underwriters acknowledge that any view or conclusion stated in the preceding paragraph constitutes neither a legal opinion nor a guarantee regarding the Official Statement. Instead, any such views and conclusions constitute a statement of negative assurance regarding our views and conclusions as to any material misstatements or omissions in the Official Statement based on the limited activities discussed above performed by the attorneys in our firm working on this matter. Further, in accepting this letter, the Underwriters recognize and acknowledge that the scope of those activities performed by us were inherently limited and do not encompass all activities that the Underwriters may be responsible to undertake in reviewing the Official Statement.

This letter is furnished by us solely for the Underwriters' benefit and may not be relied upon by any other person or entity. Our conclusions are limited to matters of federal securities laws and we assume no responsibility with respect to the applicability or effect of the laws of any other jurisdiction. No opinions, views or conclusions are expressed herein with respect to the validity of the Series 2017 Bonds, the tax treatment and the interest thereon or the compliance with, or applicability of, any "blue sky" laws of any state as they relate to the offer or sale of the Series 2017 Bonds. The opinions, views and conclusions contained in this letter are given as of the date of this letter only, and we expressly disclaim any undertaking or obligation to supplement this letter or to advise the Underwriters (a) if any applicable laws

change after the date of this letter, or (b) if we become aware of any facts or in respect of any actions occurring subsequent to the date of this letter, in any case that might change the opinions, views or conclusions, as applicable, expressed in this letter, in whole or in part. Our engagement with respect to this matter has terminated as of the date hereof. This letter is not to be used, circulated, quoted or otherwise referred to for any other purpose except that reference to our opinion stated in this letter may be made in the Official Statement or other documents and except that reference may be made to this letter in any list of closing documents pertaining to the sale of the Series 2017 Bonds. This letter is not intended to be, and may not be, relied upon by the owners of the Series 2017 Bonds.

To: The City of St. Louis, Missouri
St. Louis, Missouri

We have served as Co-Disclosure Counsel to The City of St. Louis, Missouri (the "City"), and not as counsel to any other person in connection with the original issuance by the City of its (i) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "Series 2017A Refunding Bonds"), (ii) $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "Series 2017B Refunding Bonds," and, together with the Series 2017A Refunding Bonds, the "Series 2017 Refunding Bonds"), (iii) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "Series 2017C Project Bonds") and (iv) $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "Series 2017D Project Bonds" and, together with the Series 2017C Project Bonds, the "Series 2017 Project Bonds" and together with the Series 2017 Refunding Bonds, the "Series 2017 Bonds"), dated the date of this letter.

The Series 2017 Bonds are issued under the authority of the Constitution and laws of the State of Missouri, including Article VI, Section 27(a) and Section 28 of the Missouri Constitution, as amended, and Sections 108.140 and 108.170 of the Revised Statutes of Missouri, as amended, and Ordinance No. 70541, adopted by the Board of Aldermen of the City (the "Board of Aldermen") on April 28, 2017, and signed by the Mayor of the City on May 23, 2017 (which approved the issuance of the Series 2017 Bonds). The Series 2017 Bonds are issued pursuant to an Indenture of Trust between the City and UMB Bank, N.A., as trustee (the "Trustee"), dated as of October 15, 1984, as amended and restated by the Amended and Restated Indenture of Trust, dated as of July 1, 2009, as supplemented and amended, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017, between the City and the Trustee and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 between the City and the Trustee (collectively, the "Indenture"). Capitalized terms not otherwise defined in this letter are used as defined in the Indenture.

In our capacity as Co-Disclosure Counsel, we have reviewed: (i) the Official Statement, dated June 9, 2017 relating to the Series 2017 Bonds (the "Official Statement"); (ii) the Ordinance; (iii) the Indenture; (iv) the Continuing Disclosure Agreement, dated as of June 1, 2017, among the City and UMB Bank, N.A., St. Louis Missouri, as dissemination agent; and (v) such other proceedings, documents and matters of law as we have deemed necessary to provide this letter in accordance with the terms of our engagement.

In providing this letter we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, the parties thereto and (iii) the correctness of the legal conclusions contained in all legal opinion letters of other counsel delivered in

Schiff Hardin

connection with this matter (excluding the letter of Dentons US LLP, St. Louis, Missouri and Saulsberry & Associates, LLC, St. Louis, Missouri, co-counsel to the Underwriters as identified in the Official Statement (the "Underwriters' Counsel")).

In accordance with the terms of our engagement, we have provided certain legal advice and assistance to the City and in connection with the City's responsibilities with respect to the Official Statement. We have not been engaged to pass upon, and we do not assume any responsibility for and have not independently verified, the accuracy, completeness or fairness of any of the statements contained in the Official Statement. As part of our engagement, however, certain of our lawyers participated in telephone conferences with, and received electronic communications from, representatives of the City, including the Office of the City Counselor, the Director of Airports, the Airport Assistant Director - Finance and Accounting and the Airport Counsel, Corner Capital Group, LLC, Jackson, Mississippi, financial advisor to the Office of the Treasurer of The City of St. Louis, Missouri, Siebert Cisneros Shank & Co, L.L.C. and PFM Financial Advisors LLC, co-financial advisors to the City, Unison Consulting, Inc., Airport Consultant, the Underwriters (as identified in the Official Statement), Underwriters' Counsel, the Trustee and others, during which telephone conferences and electronic communications the contents of the Official Statement and related matters were discussed. In reliance on those discussions and the proceedings, documents, matters and assumptions described above and subject to the qualifications set forth herein, we advise you that, during the course of our engagement on this matter, no facts came to the attention of the lawyers in our firm responsible for this matter that causes us to believe that the Official Statement (except for any information listed in the following sentence, as to which we express no view), as of its date and as of the date of this letter, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. We express no view as to: (i) "DEBT SERVICE REQUIREMENTS" and "LITIGATION" in the Official Statement; (ii) the financial statements included in Appendix B thereto; (iii) any other financial, technical, statistical or demographic data or forecasts included or incorporated by reference in the Official Statement or the Appendices thereto; (iv) any information about the book-entry system and The Depository Trust Company including the information contained in Appendix E thereto; (v) the information in Appendices A, D and H thereto; and (vi) any general demographic and economic information concerning the City, the Airport or the Bond Insurer.

Reference in this letter to "lawyers in our firm responsible for this matter" includes only those lawyers now with this firm who rendered legal services in connection with this matter. This letter is delivered to you for your benefit in connection with the original issuance of the Series 2017 Bonds and may not be relied upon for any other purpose or by any other person, including the holders, owners or beneficial owners of the Series 2017 Bonds. The advice in this letter is stated only as of this date, and no other advice or statements shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement with respect to this matter has concluded on this date.

Respectfully submitted,

To: The City of St. Louis, Missouri
St. Louis, Missouri

We have served as Co-Disclosure Counsel to The City of St. Louis, Missouri (the "City"), and not as counsel to any other person in connection with the original issuance by the City of its (i) $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (St. Louis Lambert International Airport) (the "Series 2017A Refunding Bonds"), (ii) $74,715,000 Airport Revenue Refunding Bonds, Series 2017B (AMT) (St. Louis Lambert International Airport) (the "Series 2017B Refunding Bonds," and, together with the Series 2017A Refunding Bonds, the "Series 2017 Refunding Bonds"), (iii) $31,700,000 Airport Revenue Bonds, Series 2017C (Non-AMT) (St. Louis Lambert International Airport) (the "Series 2017C Project Bonds") and (iv) $26,605,000 Airport Revenue Bonds, Series 2017D (AMT) (St. Louis Lambert International Airport) (the "Series 2017D Project Bonds" and, together with the Series 2017C Project Bonds, the "Series 2017 Project Bonds" and together with the Series 2017 Refunding Bonds, the "Series 2017 Bonds"), dated the date of this letter.

The Series 2017 Bonds are issued under the authority of the Constitution and laws of the State of Missouri, including Article VI, Section 27(a) and Section 28 of the Missouri Constitution, as amended, and Sections 108.140 and 108.170 of the Revised Statutes of Missouri, as amended, and Ordinance No. 70541, adopted by the Board of Aldermen of the City (the "Board of Aldermen") on April 28, 2017, and signed by the Mayor of the City on May 23, 2017 (which approved the issuance of the Series 2017 Bonds). The Series 2017 Bonds are issued pursuant to an Indenture of Trust between the City and UMB Bank, N.A., as trustee (the "Trustee"), dated as of October 15, 1984, as amended and restated by the Amended and Restated Indenture of Trust, dated as of July 1, 2009, as supplemented and amended, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017, between the City and the Trustee and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017 between the City and the Trustee (collectively, the "Indenture"). Capitalized terms not otherwise defined in this letter are used as defined in the Indenture.

In our capacity as Co-Disclosure Counsel, we have reviewed: (i) the Official Statement, dated June 9, 2017 relating to the Series 2017 Bonds (the "Official Statement"); (ii) the Ordinance; (iii) the Indenture; (iv) the Continuing Disclosure Agreement, dated as of June 1, 2017, among the City and UMB Bank, N.A., St. Louis Missouri, as dissemination agent; and (v) such other proceedings, documents and matters of law as we have deemed necessary to provide this letter in accordance with the terms of our engagement.

In providing this letter we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, the parties thereto and (iii) the

correctness of the legal conclusions contained in all legal opinion letters of other counsel delivered in connection with this matter (excluding the letter of Dentons US LLP, St. Louis, Missouri and Saulsberry & Associates, LLC, St. Louis, Missouri, co-counsel to the Underwriters as identified in the Official Statement (the "Underwriters' Counsel")).

In accordance with the terms of our engagement, we have provided certain legal advice and assistance to the City and in connection with the City's responsibilities with respect to the Official Statement. We have not been engaged to pass upon, and we do not assume any responsibility for and have not independently verified, the accuracy, completeness or fairness of any of the statements contained in the Official Statement. As part of our engagement, however, certain of our lawyers participated in telephone conferences with, and received electronic communications from, representatives of the City, including the Office of the City Counselor, the Director of Airports, the Airport Assistant Director - Finance and Accounting and the Airport Counsel, Comer Capital Group, LLC, Jackson, Mississippi, financial advisor to the Office of the Treasurer of The City of St. Louis, Missouri, Siebert Cisneros Shank & Co, L.L.C. and PFM Financial Advisors LLC, co-financial advisors to the City, Unison Consulting, Inc., Airport Consultant, the Underwriters (as identified in the Official Statement), Underwriters' Counsel, the Trustee and others, during which telephone conferences and electronic communications the contents of the Official Statement and related matters were discussed. In reliance on those discussions and the proceedings, documents, matters and assumptions described above and subject to the qualifications set forth herein, we advise you that, during the course of our engagement on this matter, no facts came to the attention of the lawyers in our firm responsible for this matter that causes us to believe that the Official Statement (except for any information listed in the following sentence, as to which we express no view), as of its date and as of the date of this letter, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. We express no view as to: (i) "DEBT SERVICE REQUIREMENTS" and "LITIGATION" in the Official Statement; (ii) the financial statements included in Appendix B thereto; (iii) any other financial, technical, statistical or demographic data or forecasts included or incorporated by reference in the Official Statement or the Appendices thereto; (iv) any information about the book-entry system and The Depository Trust Company including the information contained in Appendix E thereto; (v) the information in Appendices A, D and H thereto; and (vi) any general demographic and economic information concerning the City, the Airport or the Bond Insurer.

Re: $258,430,000 The City of St. Louis, Missouri, Airport Revenue Refunding and Airport Revenue Bonds (St. Louis Lambert International Airport)

Ladies and Gentlemen:

The Office of the City Counselor of The City of St. Louis is legal counsel to The City of St. Louis, Missouri (the "City") and counsel to Lambert-St. Louis International Airport (the "Airport") and the Airport Commission. The following opinion is submitted pursuant to Section 7(b)(2) of the Bond Purchase Agreement, as executed by the City on June 9, 2017 (the "Purchase Agreement"), and the terms used herein are as defined in said Purchase Agreement, unless otherwise stated. We have examined the proceedings relating to the Series 2017 Bonds, the Ordinance, the Indenture, this Purchase Agreement, the Continuing Disclosure Agreement and the Official Statement and made such investigation as we have considered necessary to render this opinion.

We are of the opinion that:

1. The City is a constitutional charter city duly organized and existing under the Constitution and laws of the State of Missouri with full power and authority, among other things, to adopt and perform its duties and obligations under the Ordinance, to execute, deliver and perform its duties and obligations under the Indenture, the Continuing Disclosure Agreement and this Purchase Agreement, including authorizing, issuing and selling the Series 2017 Bonds, to operate and maintain, and collect and enforce the collection of revenues of the Airport as covenanted in the Indenture.

2. This Purchase Agreement, the Indenture, the Continuing Disclosure Agreement, the Preliminary Official Statement and the Official Statement have been duly authorized, executed (except in the case of the Preliminary Official Statement) and delivered by, and the Ordinance has been duly adopted by, the City, and this Purchase Agreement, the Indenture, the Continuing Disclosure Agreement, and the Ordinance constitute valid and legal obligations of the City enforceable in accordance with their respective terms, subject to the qualification that the enforcement thereof may be limited by laws relating to bankruptcy, insolvency, and other laws affecting creditors' rights or remedies and the general principles of equity.

3. To the best of our knowledge after due inquiry, the issuance of the Series 2017 Bonds and compliance by the City with the provisions of the Ordinance, this Purchase Agreement, the Continuing Disclosure Agreement, and the Indenture does not conflict with, or constitute a breach of or default under, any applicable law, administrative regulation, court order or consent decree of the State of Missouri or any department, division, agency, or instrumentality thereof or of the United States or any agreement, note or resolution, to which the City is a party or by which the City is bound.

4. All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction which would constitute conditions precedent to the performance by the City of its obligations under this Purchase Agreement, the Continuing Disclosure Agreement, the Ordinance, the Indenture, and the Series 2017 Bonds have been obtained.

5. The statements contained in the Official Statement under the caption "LITIGATION" are fair and accurate statements or summaries of the matters set forth therein.

6. Except as described in the Official Statement, there is no litigation or proceeding pending or to the best of our knowledge after due inquiry threatened, in any way affecting the existence of the City, or seeking to restrain or to enjoin the issuance, sale or delivery of the Series 2017 Bonds, or the right of the City to collect revenues and other moneys pledged or to be pledged to pay the principal of and interest on the Series 2017 Bonds, or the pledge thereof, or which would have a material adverse affect on the financial condition or the operation of the Airport, except as disclosed in the Preliminary Official Statement and Official Statement or, in any way contesting or affecting the validity or enforceability of the Series 2017 Bonds, the Ordinance, the Indenture, the Continuing Disclosure Agreement, or this Purchase Agreement, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the

Official Statement, or contesting the powers of the City or its authority with respect to the Series 2017 Bonds, the Ordinance, this Purchase Agreement, the Continuing Disclosure Agreement or the Indenture.

7. All actions necessary to be taken by the City have been taken, and no additional approval, authorization, consent or other order of the City or any other public board or body is legally required, to allow the City to enter into and perform its obligations under the Indenture, the Continuing Disclosure Agreement, and this Purchase Agreement and to conduct the business of the City with respect to the Airport as presently being conducted and as described in the Official Statement, provided that no opinion is hereby expressed as to the compliance of the offer and sale of the Series 2017 Bonds with any securities law or regulation.

8. The City is not in violation of any provision of, or in default under, its Charter or any agreement or other instrument, the violation of or default under which would materially and adversely affect the City's ability to perform its obligations under the Indenture, the Continuing Disclosure Agreement or this Purchase Agreement.

9. Based upon our experience as counsel for the City and on our review of and participation in the drafting of the Official Statement and the information concerning the City, the Airport and the Series 2017 Bonds contained in the Official Statement, nothing has come to our attention that causes us to believe that such information contains any untrue statements of a material fact or omits to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading (except for the financial statements and other financial and statistical data included therein, as to which no opinion is expressed).

Re: **$258,430,000 The City of St. Louis, Missouri Airport Revenue Refunding Bonds and Airport Revenue Bonds (St. Louis Lambert International Airport), Series 2017 (the "Bonds")**

Ladies and Gentlemen:

I have acted as counsel to the St. Louis Airport Authority for St. Louis Lambert International Airport (the "Airport") in connection with the issuance by The City of St. Louis, Missouri (the "City") of its Bonds. This opinion is submitted pursuant to Section 7(b)(2)(E) of the Bond Purchase Agreement dated June 9, 2017 by and between the City and the Underwriters (the "Bond Purchase Agreement"). In my capacity as Attorney Manager, Airport Legal Services, I have examined, among other things, the following documents:

(a) the Constitution and applicable laws of the State of Missouri;

(b) a certified copy of Ordinance Number 70541, adopted by the City's Board of Aldermen on April 28, 2017, and approved by the Mayor on May 23, 2017;

(c) an executed copy of the City's Official Statement dated June 9, 2017 (the "Official Statement'');

(d) an executed copy of the Indenture of Trust dated as of October 15, 1984 (the "Original Indenture"), which Original Indenture, as previously amended, supplemented and restated, was amended, restated and superseded by that certain Amended and Restated Indenture of Trust dated as of July 1, 2009 (the "Restated Indenture") (the Original Indenture, as amended and restated by the Restated Indenture, as amended and supplemented, including by the Twenty-First Supplemental Indenture of Trust dated as of June 1, 2017 and the Twenty-Second Supplemental Indenture of Trust dated as of June 1, 2017, collectively, the "Indenture"), between the City and UMB Bank, N.A., as trustee;

(e) Bond Purchase Agreement; and

(f) the Use Agreements, Operating Agreements and Cargo Addenda.

I have also examined the proceedings relating to the Bonds including, but not limited to, such other records, proceedings and certificates of the Airport and its consultants and conducted such investigations as I have deemed appropriate and necessary for purposes of this opinion.

All capitalized terms used in this opinion and not otherwise defined herein shall have the same meanings assigned to such terms in the Official Statement.

Based upon such examination, I am of the opinion that:

The information contained in the Official Statement under the heading "CERTAIN AGREEMENTS FOR USE OF THE AIRPORT'S FACILITIES" (but only under the subheadings "Airport Use, Operating and Cargo Agreements", - "Use Agreements", - "Operating Agreements" and - "Cargo Addenda"), and in Appendix D of the Official Statement is true and correct and fairly summarizes the provisions of the Use Agreements, Operating Agreements and Cargo Addenda.

This opinion as set forth herein is limited to the laws of the State of Missouri and applicable federal laws and, except as expressly set forth herein, I express no opinion herein relative to compliance with federal or state securities laws. This opinion is delivered to you for your use only and may not be relied upon by or published or communicated to any third party for any purpose whatsoever without my prior written approval in each instance. By rendering this opinion, I do not undertake to advise you of any changes in laws or facts which may occur or come to my attention after the date hereof.

Very truly yours,

Municipal Bond Insurance Policy No. 218285-N
With respect to $197,760,000 In Aggregate Principal Amount of
The City of St. Louis, Missouri (St. Louis Lambert International Airport) Airport Revenue Refunding Bonds
Consisting of: $125,410,000 Airport Revenue Refunding Bonds, Series 2017A (Non-AMT) (the "Series 2017A Bonds)
and $72,350,000 Series 2017B (AMT) maturing on July 1 in the years 2019 through 2032, inclusive (the "Series 2017B Insured Bonds) Municipal Bond Debt Service Reserve Insurance Policy No. 218285-R
With respect to the Series 2017A Bonds, the Series 2017B Bonds
and the Series 2017B Bonds maturing on July 1, 2018

Ladies and Gentlemen:

I am Counsel, Public Finance of Assured Guaranty Municipal Corp., a New York stock insurance company ("AGM"). You have requested my opinion in such capacity as to the matters set forth below in connection with the issuance by AGM of its above-referenced policy no. 218285-N (the "Insurance Policy") and its municipal bond debt service reserve insurance policy no. 218285-R (the "Reserve Policy" and, together with the Insurance Policy, the "Policy"). In that regard, and for purposes of this opinion, I have examined such corporate records, documents and proceedings as I have deemed necessary and appropriate.

Based upon the foregoing, I am of the opinion that:

1. AGM is a stock insurance company duly organized and validly existing under the laws of the State of New York and authorized to transact financial guaranty insurance business therein.

2. The Policy has been duly authorized, executed and delivered by AGM.

3. The Policy constitutes the valid and binding obligation of AGM, enforceable in accordance with its terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, rehabilitation, moratorium and other similar laws affecting the enforceability of creditors' rights generally applicable in the event of the bankruptcy or insolvency of AGM and to the application of general principles of equity.

In addition, please be advised that I have reviewed the description of the Insurance Policy under the caption "BOND INSURANCE – Bond Insurance Policy" in the official statement relating to the above-referenced Bonds dated June 9, 2017 (the "Official Statement"). There has not come to my attention any information which would cause me to believe that the description of the Policy referred to above, as of the date of the Official Statement or as of the date of this opinion, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. Please be advised that I express no opinion with respect to any information contained in, or omitted from, the caption "BOND INSURANCE – Assured Guaranty Municipal Corp.".

I am a member of the Bar of the State of New York, and do not express any opinion as to any law other than the laws of the State of New York.

Re: The City of St. Louis, Missouri
Airport Revenue Refunding Bonds,
Series 2007A (Non AMT)
(Lambert-St. Louis International Airport)

Ladies and Gentlemen:

We have acted as counsel to The City of St. Louis, Missouri (the "Issuer") in connection with its execution and delivery of the Fourth Amendment to Debt Service Forward Delivery Agreement, dated as of June 8, 2017 (the "Fourth Amendment"), by and among the Issuer, UMB Bank, N.A., as trustee (the "Trustee") and Wells Fargo Bank, National Association (the "Provider") with respect to the Debt Service Forward Delivery Agreement, dated as of December 1, 2003 (the "Forward Delivery Agreement"), as amended by the First Amendment to Debt Service Reserve Forward Delivery Agreement dated as of July 7, 2005 (the "First Amendment") and the Second Amendment to Debt Service Forward Delivery Agreement dated as of January 24, 2007 (the "Second Amendment") and that Third Amendment to Debt Service Forward Delivery Agreement dated as of June 29, 2015 (the "Third Amendment" and, together with the Forward Delivery Agreement, the First Amendment and the Second Amendment, the "Original Agreement"), each by and among the Issuer, the Trustee and the Provider and its execution and delivery of the Financing Documents. Capitalized terms used herein and not defined herein have the respective meanings given to them in the Original Agreement, as amended by the Fourth Amendment.

In connection with the rendering of this opinion, we have examined the Original Agreement, the Fourth Amendment, the Financing Documents and such other documents, records, certificates and instruments as we have deemed necessary in connection with the rendering of this opinion (such documents are collectively referred to herein as the "Documents"). In such examination we have assumed, without any independent investigation or inquiry on our part: (i) the genuineness of all signatures (other than those of

the Issuer) on each of the Documents; (ii) the legal capacity of all natural persons who have signed the Documents; (iii) the authenticity of all Documents submitted to us as originals, the conformity to the original documents of all Documents submitted to us as certified, facsimile or photostatic copies or in electronic form and the authenticity of the originals of all such Documents; (iv) that each of the parties (other than the Issuer) to the Documents has been duly formed and organized and is validly existing and in good standing under the laws of the jurisdiction of its incorporation or establishment; (v) that each of the parties (other than the Issuer) to the Documents (A) has duly authorized, executed and delivered such Documents, (B) has all requisite power and authority to enter into and perform its respective obligations under such Documents and (C) has obtained, secured or made all consents and approvals of, notice to, or registrations required with or by any governmental authorities, agencies or instrumentalities in connection with its execution, delivery and performance of, the Documents to which it is a party; (vi) the execution, delivery and performance by each of the parties (other than the Issuer) of such Documents to which it is a party will not contravene any provision of such party's articles of incorporation, by laws, articles of organization, operating agreement, certificate of formation, limited liability company agreement or other governing instrument; and (vii) that there are no other agreements or understandings among the parties to such Documents, written or oral, and there is no usage of trade or course of prior dealings among the parties thereto that would, in any case, define, supplement, alter or qualify the terms of such Documents. As to all matters of fact we have relied in good faith on certificates and other statements of public officials and officers and other representatives of the Issuer, and we have made no inquiries to establish or verify these or any other facts material to this opinion.

In giving the opinions expressed below, we do not purport to be experts in or generally familiar with or qualified to express legal opinions based on the laws of any jurisdiction other than the federal laws of the United States of America and the laws of the State of Missouri (the "State"), and the opinions expressed herein are limited to the federal laws of the United States of America and the laws of the State. We express no opinion as to the validity or enforceability of any choice of law, choice of forum or waiver provision contained in the Original Agreement or the Fourth Amendment. We express no opinion as to the availability of equitable remedies to persons seeking to enforce the obligations of the Issuer under the Original Agreement, as amended by the Fourth Amendment.

Confidential
2020-01-16 14:40:53 +0000

Based upon the foregoing examination and review, we are of the opinion that:

(a) The Issuer has full legal right, power and authority to enter into the Fourth Amendment.

(b) The Fourth Amendment has been duly authorized, executed and delivered by the Issuer.

(c) Assuming for purposes of the opinion expressed in this paragraph (c) that the Original Agreement and the Fourth Amendment were governed by and construed in accordance with the laws of the State, the Original Agreement, as amended by the Fourth Amendment, is a legal, valid and binding obligation of the Issuer, enforceable against it in accordance with the terms thereof, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(d) The Issuer's execution and delivery of the Fourth Amendment and the performance of its obligations under the Original Agreement, as amended by the Fourth Amendment, do not and will not conflict with or constitute or result in a default under, a breach or violation of, or the creation of any lien or

encumbrance on any of its property under the Financing Documents or any other agreement, instrument, judgment, injunction or order applicable to it or any of its property.

We are furnishing this opinion to you solely for your benefit and no other person is entitled to rely hereon. This opinion is not to be used, circulated, quoted or otherwise referred to for any other purpose. This opinion is given as of the date hereof, and we expressly disclaim any responsibility to update this opinion or advise you of any changes of law, facts or circumstances of any kind that may occur after the date hereof which might affect the opinion expressed herein.

Sincerely,

Armstrong Teasdale LLP
